- 1. No Clapping!**
- 2. No Cheering!**
- 3. No Booing!**
- 4. No public outbursts!**
- 5. Three-minute time limit for comments made during open forum and public testimony on legislative items!**
- 6. No person shall be permitted to speak at the first open forum more often than once per calendar month.**

In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

Rule 2.2 OPEN FORUM

- D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City and items not currently on the current or advance Council agendas. No person shall be permitted to speak in open forum regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.
- E. To encourage wider participation in open forum and a broad array of public comment and varied points of view from residents of the City of Spokane, no person shall be permitted to speak at the first open forum more often than once per calendar month. Any person may speak at the second open forum if they have not yet spoken in that meeting's first open forum or concerning any agenda item at that day's meeting, unless the meeting is that person's first address at open forum in that month.. There is no limit on the number of regular legislative agenda items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 2.7 SERVICE ANIMALS AT CITY COUNCIL MEETINGS

- B. Service animals must, at all times while present in a City Council meeting, be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices, in which case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Rule 5.3 PARTICIPATION OF MEMBERS OF THE PUBLIC IN COUNCIL MEETINGS

- A. Members of the public may address the Council regarding items on the Council's legislative agenda, special consideration items, hearing items, and other items before the City Council requiring Council action that are not adjudicatory or administrative in nature. This rule shall not limit the public's right to speak during the open forum.
- B. No member of the public may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. In order for a Council member to be recognized by the Chair for the purpose of obtaining the floor, the Council member shall either raise a hand or depress the call button on the dais until recognized by the Council President.
- C. Each person speaking at the public microphone shall verbally identify themselves by name, city of residence, and, if appropriate, representative capacity.
- D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded and documents submitted for the record are identified and marked by the Clerk.
- E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language, or personal insults will be permitted.
- F. A speaker asserting a statement of fact may be asked to document and identify the sources of the factual datum being asserted.

- G. When addressing the Council, members of the public shall direct all remarks to the Council President and shall confine remarks to the matters that are specifically before the Council at that time.
- H. When any person, including members of the public, City staff, and others, are addressing the Council, Council members shall observe the same decorum and process, as the rules require among the members inter se. That is, a Council member shall not engage the person addressing the Council in colloquy, but shall speak only when granted the floor by the Council President. All persons and/or Council members shall not interrupt one another. The duty of mutual respect set forth in Rule 1.2 and the rules governing debate set forth in Robert's Rules of Order, newly revised, shall extend to all speakers before the City Council. The City Council Policy Advisor and/or City Attorney shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak.

Rule 5.4 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

- A. The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at their discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will be needed for each speaker in order to accommodate all speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.
- B. No public testimony shall be taken on items on the Council's consent agenda, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council, including amendments to these Rules.
- C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:
 - 1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within their presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the allotted time between or among themselves.
 - c. Following the presentation of the proponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the proponents who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same amount of time which was allotted to the proponents.
 - e. Following the presentation by the opponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the opponents who wishes to speak on behalf of the opponents' position.
 - f. Up to ten (10) minutes of rebuttal time shall be granted to the designated
 - 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three (3) minutes to present their position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
 - 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- D. The time taken for staff or Council member questions and responses there to shall be in addition to the time allotted for any individual or designated representative's testimony.

Outcome: (deliverables, delivery duties, milestones to meet)	Approval of Value Blanket Contract with Cascade Engineering, Inc.

Background/History:

The City of Spokane provides carts for automated collection of various waste streams at all residences and businesses inside the city limits. Purchase of new carts allows an inventory of available carts for replacement, size changes and new account growth. Automated collection has been successful in reducing employee injuries and increasing efficiency by allowing more carts to be picked up by only one driver assigned to each route.

In the past, the Solid Waste Collection Department has maintained three (3) separate cart supplier contracts for the various waste streams (garbage, single stream recycling and yard waste). A consolidated contract will allow the flexibility to order truckloads of mixed carts and have more interchangeable replacement parts on hand.

Executive Summary:

- Bid #5152-20 was issued December 2019.
- Five responses received; Cascade Engineering, Inc. was the lowest responsive bid.
- Vendor has a local distributor to assist with orders and delivery.
- Term is for two (2) years, with option to extend for three (3) additional one-year periods.

The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

1. The utilization percentage requirement of apprenticeship labor for public works construction contracts shall also apply to all subcontracts which value exceeds one hundred thousand dollars (\$100,000), provided there is a state-approved apprenticeship program for the trade for which a subcontract is issued (see, SMC 7.06.510).

The Contractor agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Contractor.

15. EXECUTIVE ORDER 11246.

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. - D. The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- E. The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- F. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- G. The Contractor will include the provisions of paragraphs A through G in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: PROVIDED, HOWEVER, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as the result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

17. LIQUIDATED DAMAGES. Liquidated damages shall be in accordance with the contract documents.

18. ASSIGNMENTS. The Contractor may not assign, transfer or sublet any part of the work under this Contract, or assign any monies due, without the written approval of the City, except as may be required by law. In the event of assignment of accounts or monies due under this Contract, the Contractor specifically agrees to give immediate written notice to the City Administrator, no later than five (5) business days after the assignment.

19. ANTI-KICKBACK. No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in the Contract.

20. COMPLIANCE WITH LAWS. Each party shall comply with all applicable federal, state, and local laws and regulations that are incorporated herein by reference.

21. DISPUTES. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.

The Contractor and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

24. BUSINESS REGISTRATION REQUIREMENT. Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. 25. CONSTRUAL. The Contractor acknowledges receipt of a copy of the contract documents and agrees to comply with them. The silence or omission in the contract documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

26. MODIFICATIONS. The City may modify this Contract and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the Director of Engineering Services, and the Contract time and compensation will be adjusted accordingly.

B. With respect to **Additional Insured – Completed Operations**, coverage is limited as follows:

- (1) A person or organization's status as an insured under Additional Insured – Completed Operations continues only for the period of time required by any written contract or agreement.
- (2) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of "your work" for which a consolidated (wrap-up) insurance program has been provided by the prime contractor-project manager or owner of the construction project in which you are involved.

3. Primary and Noncontributory

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s): PER WRITTEN CONTRACT OR AGREE- MENT WHERE YOU AGREED TO PRO- VIDE A SEPARATE GENERAL AGGRE- GATE LIMIT FOR EACH PROJECT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project.  4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.
- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:

- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion or sprinkler leakage) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. Upon notice of our payment of a deductible amount, you shall promptly reimburse us for the part of the deductible amount we paid.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

D. Glass Repair – Deductible Waiver

SECTION III – PHYSICAL DAMAGE COVERAGE, A. Coverage, 3. Glass Breakage – Hitting A Bird Or Animal – Falling Objects Or Missiles, is amended by adding the following:

No deductible will apply to glass breakage if such glass is repaired, in a manner acceptable to us, rather than replaced.

E. Hired Auto Physical Damage

SECTION III – PHYSICAL DAMAGE COVERAGE, A. Coverage is amended by adding the following:

5. Hired Auto Physical Damage

If hired “autos” are covered “autos” for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this coverage form for any “auto” you own, then the Physical Damage Coverages provided are extended to “autos” you hire of like kind and use, subject to the following:

- a.** The most we will pay for any one “loss” is \$50,000 or the actual cash value or cost to repair or replace, whichever is less, minus a deductible;
- b.** The deductible will be equal to the largest deductible applicable to any owned “auto” for that coverage. Any Comprehensive deductible does not apply to “loss” caused by fire or lightening;
- c.** Hired Auto Physical Damage coverage is excess over any other collectible insurance; and
- d.** Subject to the above limit, deductible and excess provisions we will provide coverage equal to the broadest coverage applicable to any covered “auto” you own.

If a limit for Hired Auto Physical Damage is indicated in the Declarations, then that limit replaces, and is not added to, the \$50,000 limit indicated above.

F. Rental Reimbursement

SECTION III – PHYSICAL DAMAGE COVERAGE

A. Coverage, is amended by adding the following:

6. Rental Reimbursement

This coverage applies only to a covered “auto” of the private passenger or light truck type as follows:

- a. We will pay for rental reimbursement expenses incurred by you for the rental of a private passenger or light truck type “auto” because of “loss” to a covered private passenger or light truck type “auto”. Payment applies in addition to the otherwise applicable amount of each coverage you have on a covered private passenger or light truck type “auto.” No deductibles apply to this coverage.
- b. We will pay only for those expenses incurred during the policy period beginning 24 hours after the “loss” and ending, regardless of the policy’s expiration, with the lesser of the following number of days:
 - (1) The number of days reasonably required to repair or replace the covered private passenger or light truck type “auto”. If “loss” is caused by theft, this number of days is added to the number of days it takes to locate the covered private passenger or light truck type “auto” and return it to you; or
 - (2) 30 days.
- c. Our payment is limited to the lesser of the following amounts:
 - (1) Necessary and actual expenses incurred, or
 - (2) \$50 per day, up to a maximum of \$1,000.
- d. This coverage does not apply while there are spare or reserve private passenger or light truck type “autos” available to you for your operations.
- e. If “loss” results from the total theft of a covered “auto” of the private passenger or light truck type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided for under **SECTION III – PHYSICAL DAMAGE COVERAGE, A. Coverage, 4. Coverage Extensions.**

For the purposes of this Rental Reimbursement coverage, light truck is defined as a truck with a gross vehicle weight of 10,000 lbs. or less as defined by the manufacturer as the maximum loaded weight the auto is designed to carry.

G. Accidental Airbag Deployment Coverage

SECTION III – PHYSICAL DAMAGE COVERAGE,

A. Coverage is amended by adding the following:

7. Accidental Airbag Deployment Coverage

We will pay to reset or replace factory installed airbag(s) in any covered “auto” for accidental discharge, other than discharge due to a collision loss.

This coverage is applicable only if comprehensive coverage applies to the covered “auto”.

This coverage is excess over any other collectible insurance or reimbursement by manufacturer’s warranty.

H. Auto Loan/Lease Gap Coverage

SECTION III PHYSICAL DAMAGE COVERAGE, Item A., Coverage, is amended by adding the following:

8. Auto Loan/Lease Gap Coverage

This coverage applies only to a covered “auto” described or designated in the Schedule or in the Declarations as including physical damage coverage.

In the event of a covered total “loss” to a covered “auto” described or designated in the Schedule or in the Declarations, we will pay any unpaid amount due on the lease or loan for a covered “auto” less:

- a. The amount paid under the Physical Damage Coverage Section on the policy; and
- b. Any:
 - (1) Overdue lease/loan payments at the time of the “loss”;
 - (2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
 - (3) Security deposits not returned by the lessor;
 - (4) Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease; and
 - (5) Carry-over balances from previous loans or leases.

SECTION IV – BUSINESS AUTO CONDITIONS AMENDMENTS

A. Duties In The Event Of Accident, Claim, Suit Or Loss Amended

SECTION IV – BUSINESS AUTO CONDITIONS, A. Loss Conditions, 2. Duties In The Event Of Accident, Claim, Suit Or Loss, a. is amended by adding the following:

- (2) A partner, if you are a partnership;
- (3) An executive officer or insurance manager, if you are a corporation; or
- (4) A member or manager, if you are a limited liability company.

But, this section does not amend the provisions relating to notification of police, protection or examination of the property which was subject to the “loss”.

B. Blanket Waiver of Subrogation

Section IV – BUSINESS AUTO CONDITIONS, A. Loss Conditions, 5. Transfer of Rights of Recovery Against Others to Us, is amended by adding the following exception:

However, we waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any “accident” or “loss”, provided that the “accident” or “loss” arises out of operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

C. Unintentional Failure to Disclose Hazards

SECTION IV – BUSINESS AUTO CONDITIONS, B. General Conditions, 2. Concealment, Misrepresentation Or Fraud, is amended by adding the following paragraph:

If you unintentionally fail to disclose any hazards existing at the inception date of the policy, or during the policy period in connection with any additional hazards, we will not deny coverage under this Coverage Part because of such failure.

D. Employee Hired Auto

SECTION IV – BUSINESS AUTO CONDITIONS, B. General Conditions, 5. Other Insurance, paragraph **b.** is deleted and replaced by the following:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be a covered “autos” you own:

- (1) Any covered “auto” you lease, hire, rent or borrow.
- (2) Any covered “auto” hired or rented by your “employee” under a contract in that individual “employee’s” name, with your permission, while performing duties related to the conduct of your business.

However, any “auto” that is leased, hired, rented or borrowed with a driver is not a covered “auto”.

Roll Call

Council President Beggs and Council Members Burke, Cathcart, Kinnear, Mumm, Stratton, and Wilkerson were present.

Mayor Nadine Woodward, City Council Policy Advisor Brian McClatchey, and City Clerk Terri Pfister was also present on the dais.

ADMINISTRATIVE REPORT

Announcement of Downtown Police Precinct

Mayor Woodward remarked on the announcement that was made this morning for a Police Precinct back in the core of Downtown Spokane at Riverside and Wall, right across from the STA Plaza. She noted it will be open by this summer and will house up to 35 officers, including seven officers funded by the public safety levy, and some of those officers will be paired with Frontier Behavioral Health counselors. Mayor Woodward further stated the targeted opening will be in July.

Wastewater Access Cover Design Awards

Mayor Woodward provided a briefing on the Wastewater Access Cover Design Awards. She noted that over the last decade the City's Wastewater Management Department has partnered with the Spokane Arts, Lands Council, and other conservation organizations, as well as *The Spokesman Review*, to recruit art designs from all of our talented students to enhance the appearance of the City's Wastewater access covers. The project this year received 280 submissions – all ages and school locations throughout the City. Mayor Woodward recognized the first place winner of the contest Soryanna Taylor from Sacajawea Middle School. Mayor Woodward also recognized Kaua Robertson from Sacajawea who was chosen as the second place finalist.

MAYORAL PROCLAMATIONS

February 29, 2020 *Shalom Day of Dignity*

Mayor Woodward read the proclamation and presented it to Deidre Jacobson. Shalom Ministries has served the poor and hungry homeless of Spokane with food and support for 25 years utilizing countless volunteers and donors in support of churches of many denominations. Spokane in spite of a robust economy is challenged to provide dignified support for a sometimes intractable population of homeless and underserved men, women, and youth. Many of the guests suffer from addiction and mental illness and otherwise lack the tools for help through more traditional channels of treatment. The proclamation recognizes Shalom Ministries as an agent of positive response to the pervasive blight of homelessness in otherwise beautiful City.

March 7, 2020 *Suddenly Sleepy Saturday, a Day for Narcolepsy Awareness*

Mayor Woodward read the proclamation and presented it to Michaela Cumming. In the United States, only 200,000 have narcolepsy. A total of three million people worldwide do; however, only 25 percent of people have been diagnosed and are receiving treatment. Ninety-four percent of population with narcolepsy in the U.S. say more education to the general public is needed and feel that only 88 percent of people actually know how disruptive narcolepsy is. A survey was taken of adults and adults who have heard of narcolepsy scored the lowest on the scale of diseases and when asked 70 percent of the information about narcolepsy was inaccurate. It is estimated that 50 percent of people with narcolepsy are not diagnosed due to low recognition and information about the disease. Narcolepsy is often misdiagnosed for depression, anxiety, ADHD, epilepsy, chronic fatigue syndrome, insomnia, and obstructive sleep apnea. Narcolepsy has no cure, just ways to help control symptoms but they don't work for everyone and we will never get rid of narcolepsy. Researchers are trying to create a cure but with limited knowledge are struggling.

Section 11. Referendum. This Ordinance is subject to the Referendum procedure specified in Section 83 of the Charter of the City.

Section 12. Effective Date. The Council hereby finds and determines that the creation of the Increment Area at this time will benefit the City due to the current state of public and private improvements within the proposed Increment Area boundaries. In making such finding and determination, the Council has given consideration to the purposes of the Act and the potential for economic development as a result of the formation of the Increment Area. In order to maximize future economic development within the Increment Area and the Incremental Revenues generated within the Increment Area to finance the Public Improvements it is essential to proceed immediately with the formation of the Increment Area and to enter into the Reimbursement Agreement and the Intergovernmental Agreement in connection therewith. Based upon said facts, an emergency and urgency is declared and found to exist as necessary for the immediate support of City government and its existing public institutions.
