NOTICE

REGARDING CITY COUNCIL MEETINGS

Notice is hereby given that, pursuant to Governor Jay Inslee's **Revised Proclamation 20-28.15**, dated **January 19, 2021**, all public meetings subject to the Open Public Meetings Act, Chapter 42.30 RCW, are to be held remotely and that the in-person attendance requirement in RCW 42.30.030 has been suspended until termination of the state of emergency pursuant to RCW 43.06.210, or until rescinded, whichever occurs first. Proclamations 20-28, et seq, were amended by the Washington State Legislature to recognize the extension of statutory waivers and suspensions therein until termination of the state of emergency pursuant to RCW 43.06.210 or until rescinded.

While all public meetings must continue to be held remotely, an option for an additional in-person meeting component is permitted consistent with the business meetings requirements contained in the Miscellaneous Venues guidance incorporated into Proclamation 20-25, et seq. At this time, the City Council has decided to continue its meetings with remote access only and to not include an in-person attendance component.

Temporarily and until further notice, the public's ability to attend City Council meetings is by remote access only. In-person attendance is not permitted at this time. The public is encouraged to tune in to the meeting as noted below.

**CITY COUNCIL MEETINGS
RULES – PUBLIC DECORUM**

Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

- 1. No Clapping!**
- 2. No Cheering!**
- 3. No Booing!**
- 4. No public outbursts!**
- 5. Three-minute time limit for comments made during open forum and public testimony on legislative items!**

In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

Rule 2.2 OPEN FORUM

- A. At each meeting, after the conclusion of the legislative agenda, the Council shall hold an open public comment period until 9:30 pm, which may be extended by motion.
- B. At the beginning of the open forum session, staff will collect the sign-up sheet(s) and deliver them to the Chair. The order of the speakers and the appropriate time limits for the speakers will be determined at the discretion of the Chair. Each speaker shall be limited to no more than three minutes.
- C. No action, other than a statement of Councilmembers' intent to address the matter in the future, points of order, or points of information will be taken by Council members during an open forum.
- D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City and items not currently included on that week's current agenda or the next week's advance Council agendas. No person shall be permitted to speak in open forum regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.

Rule 2.7 SERVICE ANIMALS AT CITY COUNCIL MEETINGS

- A. For purposes of these Rules, only dogs that are individually trained to do work or perform tasks for a person with a disability are recognized as service animals. Dogs or other animals whose sole function is to provide comfort or emotional support do not qualify as service animals under these Rules. Service animals are permitted to accompany people with disabilities in City Council meetings, as well as all areas where members of the public are allowed to go.
- B. Service animals must, at all times while present in a City Council meeting, be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices, in which case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Rule 2.15 PARTICIPATION OF MEMBERS OF THE PUBLIC IN COUNCIL MEETINGS

- A. Members of the public may address the Council regarding the following items on the Council's legislative agenda: first and final readings of regular and special budget ordinances, emergency ordinances, special consideration items, hearing items, and other items before the City Council requiring Council action, except those that are adjudicatory or solely administrative in nature. This rule shall not limit the public's right to speak during the open forum.
- B. No member of the public may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. Council members must be recognized by the Chair for the purpose of obtaining the floor.
- C. Each person speaking in a public Council meeting shall verbally identify themselves by name, city of residence, and, if appropriate, representative capacity.
- D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded, and documents submitted for the record are identified and marked by the Clerk.
- E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language, or personal insults will be permitted.
- F. A speaker asserting a statement of fact may be asked to document and identify the sources of the factual datum being asserted.

- G. When addressing the Council, members of the public shall direct all remarks to the Council President, shall refrain from remarks directed personally to any Council Member, and shall confine remarks to the matters that are specifically before the Council at that time.
- H. When any person, including members of the public, City staff, and others, are addressing the Council, Council members shall observe the same decorum and process, as the rules require among the members *inter se*. That is, a Council member shall not engage the person addressing the Council in colloquy but shall speak only when granted the floor by the Council President. All persons and/or Council members shall not interrupt one another. The duty of mutual respect set forth in Rule 1.2 and the rules governing debate set forth in *Robert's Rules of Order, newly revised*, shall extend to all speakers before the City Council. The City Council's Policy Director and/or City Attorney shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak.

Rule 2.16 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

- A. The City Council shall take public testimony on all matters included on its legislative agenda as described at Rule 2.16(A), with those exceptions stated in Rule 2.17(B). Public testimony shall be limited to the final Council action, except that public testimony shall be allowed at the first reading of ordinances. Public testimony shall be limited to three (3) minutes per speaker, unless, at their discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will be needed for each speaker in order to accommodate all speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.
- B. No public testimony shall be taken on items on the Council's consent agenda, amendments to legislative agenda items, or solely procedural, parliamentary, or administrative matters of the Council, including amendments to these Rules.
- C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented at the discretion of the Council President:
 - 1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within their presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes may be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the allotted time between or among themselves.
 - c. Following the presentation of the proponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the proponents who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same amount of time which was allotted to the proponents.
 - e. Following the presentation by the opponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the opponents who wishes to speak on behalf of the opponents' position.
 - f. Up to ten (10) minutes of rebuttal time may be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
 - 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three (3) minutes to present their position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
 - 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.

LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021
via Resolution 2021-0019

Background/History: Activated Carbon is required in the operation of the WTE Facility. Two bids were received and Cabot Norit Activated Carbon of Marshall, TX, was selected as the lowest cost bidder. Amendment to the sole source value blanket with Dresser Rand Company (Seattle, WA) for the purchase of turbine generator overhaul parts from Mar. 1, 2021 - Feb 28, 2023 for an additional amount not to exceed \$500,000.00 plus tax.

Summary (Background)

The turbine generator at the WTE Facility is scheduled for an overhaul in the spring of 2022. Dresser Rand Company was awarded a sole source value blanket to purchase the parts for this project. Due to work not included in the initial scope, an additional \$500,000.00 will need added to the original value blanket amount of \$1.8M for a total of \$2.3M. The additional costs will be offset by reduced labor costs and power generation revenue by shortening the duration of the turbine outage.

City Council Sponsor:	Breean Beggs, City Council President
Executive Sponsor:	Marlene Feist, Public Works Director

Strategic Initiative:	Innovative Infrastructure – Sustainability; Sustainable Resources-Sustainable Practices
Deadline:	
Outcome: (deliverables, delivery duties, milestones to meet)	Council approval of additional funding for the purchase of parts necessary to perform an overhaul of the turbine generator at the WTE.

Background/History:

The turbine generator at the Waste to Energy Facility operates 24/7. To keep it in good operating condition, it is necessary to periodically have it overhauled. This is scheduled to be done in 2022 per the 6-year capital plan. The parts for this project have very long lead times so a value blanket to purchase them was budgeted for in 2021 and 2022. In the event of a turbine generator failure, the City would lose revenue from power generation and incur additional costs in the form of purchased power to operate the waste to energy facility. The parts for this overhaul are being purchased via value blanket, through a Sole Source Resolution with Dresser Rand Company of Seattle, WA, who is the OEM of this proprietary equipment and are the only company that possesses the design, fabrication and manufacturing information for the maintenance, service and product supplies necessary for the condensing steam turbine generator at the WTE facility. Due to work not included in the initial scope, an additional \$500,000.00 is requested to be added to the original value blanket amount of \$1.8M. The additional costs for this value blanket will be offset by reduced labor costs and power generation revenue by shortening the duration of the turbine outage.

Executive Summary:

- Value Blanket Amendment with cost with Dresser Rand Company for parts purchases necessary for the condensing steam turbine generator overhaul at the WTE Facility.
- The original value blanket amount is \$1.8M.
- An additional \$500,000.00 is being requested for a total value blanket amount of \$2.3M.
- The additional costs will be offset by reduced labor costs and power generation revenue by shortening the duration of the turbine outage.
- Dresser Rand is the original equipment manufacturer of this proprietary equipment and are the only company that possesses the design, fabrication and manufacturing information.

FEDERAL DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION

DBE PARTICIPATION. STA is committed to ensuring that all firms regardless of race, color, sex or national origin have equal opportunity to participate in STA contracts. Therefore, STA has established an annual agency goal for Disadvantaged Business Enterprise (DBE) participation in its contracting opportunities. It shall be understood that no specific goal has been assigned to this contract; however, contractors and subcontractors are required to comply with the following:

1. **Non-discrimination Assurances.** The Contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this Contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this Contract. Failure by the Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as STA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)). Failure by the subcontractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or other such remedy, as STA deems appropriate.
2. **Prompt Payment.** The Contractor is required to pay its subcontractors performing work related to this Contract for satisfactory performance of that work no later than thirty (30) days after the Contractor's receipt of payment for that work from STA. In addition, the Contractor may not hold retainage from its subcontractors or must return any retainage payments to those subcontractors within thirty (30) days after the subcontractor's work related to this Contract is satisfactorily completed or must return any retainage payments to those subcontractors within thirty (30) days after incremental acceptance of the subcontractor's work by STA and Contractor's receipt of the partial retainage payment related to the subcontractor's work.
3. **DBE Participant List.** As required by 49 CFR Part 26.11, STA is required to create and maintain a bidders list of all firms bidding on prime contracts and bidding or quoting subcontracts on Department of Transportation, Federal Transit Administration-assisted contracts. STA is also committed to providing equal access to small business concerns in bidding on STA's contracting opportunities. The U.S. Small Business Administration (SBA) defines a "small business" in terms of the number of employees over the past year or the average annual receipts over the past three years. This standard varies by industry. STA will use size standards established by the SBA to determine small business eligibility.

To comply with this requirement, STA requests the Contractor provide the information required by the Federal Transit Administration on page two of this certification. **This information is not used in determining award of contract or in evaluating your Proposal in any way. Providing this information is voluntary.**

5. **TERMINATION.** Either party may terminate this Contract in accordance with the contract documents.
6. **COMPENSATION.** This is a unit price contract, and upon full and complete performance by the Contractor, the City will pay only the amounts set forth in Schedule A-1 for the actual quantities furnished for each bid item.
7. **TAXES.** Bid items in Schedule A-1 shall include sales tax

Five percent (5%) of the Contract price may be retained by the City, in accord with RCW 60.28 for a minimum of forty five (45) days after final acceptance, as a trust fund for the protection and payment of: the claims of any person arising under the Contract; and the State with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from the Contractor.

9. INDEMNIFICATION. The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. This Contract shall be construed neither in favor of nor against either party.

**CITY OF SPOKANE AND SPOKANE
C.O.P.S AGREEMENT**
Title: Safe Routes to School Monitoring
and Patrol Program

This Agreement is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington state municipal corporation, and **SPOKANE COMMUNITY ORIENTED POLICING SERVICES** as ("C.O.P.S."), whose address is 6107 North Astor Street, Spokane, Washington, 99208, individually hereafter referenced as a "party", and together as the "parties".

The parties agree as follows:

1. BACKGROUND

This Agreement involves a partnership between the City of Spokane and SPOKANE C.O.P.S for the following project which was developed in conjunction with and is supported by City Council Resolution No 2019-0102, District 81, Spokane Streets Department, Spokane County Health District, neighborhood councils, and COPS volunteers.

The project is designed to identify and remove both permanent and temporary (snow and ice) obstructions on sidewalks included on Designated School Access Routes. The project will link COPS Shop volunteer Neighborhood Observation Patrols with the Office of Code Enforcement to educate property Owners/residents and remove the sidewalk obstructions. In addition to specific enforcement, it will contribute to a new city-wide culture of property owners and residents keeping their sidewalks free from obstruction.

2. PERFORMANCE

SPOKANE C.O.P.S .will identify elementary schools within their service areas for participation in the project. The individual SPOKANE C.O.P.S Shop will use existing volunteers and recruit additional volunteers from the school's Parent Teacher Organization to serve as sidewalk observers. The SPOKANE C.O.P.S individual Shops will work with District 81 Security Administrators to identify the maps of up to two Designated School Access Route for each chosen school. Each route is less than a mile in length and for purposes of this project will include sidewalks on both sides of the street.

Under this Agreement:

- A. The volunteers for this project will educate themselves on what constitutes a sidewalk obstruction that violates City Code, including snow and ice obstructions.
- B. Once a year, the COPS Shop volunteers will walk both sides of each participating Designated School Access Route and identify sidewalk obstructions that would violate City Code and potentially be a hazard or make it difficult for children, wheelchairs or strollers to travel along the route. For each hazard, the volunteers will turn in the appropriate report to Code Enforcement and request notification when the complaint has been sufficiently resolved to restore the sidewalk to full access.
- C. COPS Shop volunteers will provide additional patrols by vehicle on school days following snow events. The volunteers will identify sidewalk segments that have not been adequately cleared by 9:00 A.M. and either directly engage the residents responsible and/or turn in a report to code enforcement. The volunteers will keep records of whether or not the responsible residents clear the sidewalk by 9:00 A.M. on school days following future snow events and report back to code enforcement regarding non-compliance with the City code. The volunteers may also leave door hangers and provide options for services that provide sidewalk clearing for free or on contracts.
- D. The COPS volunteers will also patrol the school zones looking for other infractions that may affect a child's walk to school and right to feel safe. These could be code enforcement violations (such as abandoned vehicles, garbage in lawn, junk vehicles, graffiti, etc.) or other concerns from the community or Neighborhood Resource Officers (drug houses, etc.).
- E. COPS volunteers will also provide crosswalk safety by using a COPS vehicle to sit in a visible location. This is to act as a deterrent for speeders.

3. TERM OF AGREEMENT

The term of this Agreement begins on April 1, 2021 and shall run through March 31, 2022, unless amended by written agreement or terminated earlier under the provisions of this Agreement. This Agreement may be renewed by written agreement of the parties not to exceed two (2) additional one year contract periods depending on available funding and mutual agreement of the parties.

4. COMPENSATION / PAYMENT.

Compensation for Spokane C.O.P.S. services under this Agreement shall not exceed an annual flat rate of **TWENTY-TWO THOUSAND AND NO/100 DOLLARS (\$22,000.00)**, and applicable sales tax, unless modified by a written amendment to this Agreement. The parties agree that there shall be a one-time request and payment of compensation for services provided between December 1, 2019 and March 31, 2021 pursuant to Resolution No. 2019-0102 adopted by the City Council on November 18, 2019 in an amount not to exceed **TWENTY-EIGHT THOUSAND**

The employees, agents, servants or otherwise of each Party who are engaged in the performance of this AGREEMENT will continue to be employees, agents, servants or otherwise of that Party and will not for any purpose be employees, agents, servants or otherwise of the other Party.

SECTION NO. 5: VENUE STIPULATION

This AGREEMENT has and shall be construed as having been made and delivered in the State of Washington and the laws of the State of Washington shall be applicable to its construction and enforcement. Any action at law, suit in equity or judicial proceeding for the enforcement of this AGREEMENT, or any provision hereto, shall be instituted only in courts of competent jurisdiction within Spokane County, Washington.

SECTION NO. 8: TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this AGREEMENT, the COUNTY may terminate this AGREEMENT by providing written notice of such termination to the CITY'S Key Personnel

identified in the AGREEMENT, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this AGREEMENT, the CITY, in its sole discretion and in the best interests of the CITY, may terminate this AGREEMENT in whole or in part by providing ten (10) calendar days' written notice, beginning on the second day after mailing to the COUNTY. Upon termination of this AGREEMENT and in addition to any other rights provided in this AGREEMENT, the CITY may require the COUNTY to deliver to the CITY any property specifically produced or acquired for the performance of such part of this AGREEMENT as has been terminated.

If the termination is for convenience, the CITY shall pay to the COUNTY an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the CITY prior to the effective date of the AGREEMENT termination, and the amount agreed upon by the COUNTY and CITY for (i) completed work, supplies and services provided for which no separate price is stated, (ii) partially completed work, supplies and services provided which are accepted by the CITY, (iii) other work, supplies and services which are accepted by the CITY, and (iv) the protection and preservation of property.

The CITY may withhold from any amounts due the COUNTY such sum as the CITY determines to be necessary to protect the CITY against potential loss or liability.

The rights and remedies of the CITY provided in this AGREEMENT shall not be exclusive and are in addition to any other rights and remedies provided by law.

- G. Take such action as may be necessary, or as the CITY may require, for the protection and preservation of the property related to this AGREEMENT which is in the possession of the COUNTY and in which the CITY has or may acquire an interest.

In the event the COUNTY fails to expend funds under this AGREEMENT in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the AGREEMENT, the CITY reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following AGREEMENT termination. Where such claims, suits, or actions result from the concurrent negligence of both PARTIES, the indemnity provisions provided herein shall be valid and enforceable only to the extent of each Party's own negligence.

The COUNTY and CITY agree that its obligations under this section extend to any claim, demand and/or cause of action brought by, or on behalf of, any COUNTY or CITY employees or agents while performing work authorized under this AGREEMENT. For this purpose, the COUNTY and CITY, by mutual negotiation, hereby waives any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions of chapter 51.12 RCW.

City of Spokane Universal Access Transit Access Program (UTAP) 2022

COVID-19 Implications

- STA highly values its relationship with the City of Spokane.
- STA has and will continue a heightened disinfectant protocol on transit vehicles and facilities, as well as provide important information to customers and the public about preventing the spread of COVID-19.
- Public transit will continue to be an important public service as we enter COVID-19 recovery.
- STA recognizes the shift in ridership trends and other financial impacts on our UTAP partners.
- STA has deviated from the standard contract development process until 2023 when there is sufficient data to establish a new trend.

UTAP

City of Spokane Pass Program

Benefits

- **Comply with Commute Trip Reduction requirements.** In Washington state, metro-area businesses with more than 100 employees must make a good faith effort to reduce drive-alone trips among staff members. Taking full advantage of commuter options from STA can help larger employers meet that goal.
- **Recruiting and Retention Benefit.** By offering employer-sponsored transit benefits, businesses can set themselves apart from the crowd and secure the best people for the job at hand.
- **Minimize congestion.** A healthy public transit system helps cut drive-time and traffic while reducing wear-and-tear on roads and improving freight movement throughout the region.
- **Keep Spokane beautiful.** The natural beauty of our region is one of the reasons we love living, working and playing here. A community-wide commitment to accessible, affordable public transit will go a long way toward keeping our air clean and our parks green.
- **Parking Mitigation.** Providing transit passes for employees can help lower parking congestion.

UTAP

City of Spokane Pass Program

UTAP Explanation

- Pay by each unlinked Trip (actual use)
- By using the UTAP program as a convenient transportation option, the City of Spokane will experience more occasional ridership which generates the public and organizational benefits mentioned on the previous slide.
- Highly valued benefit to employees

UTAP City of Spokane Pass Program

Contract formula

- Ridership by routes x Individual route utility rate = monthly bill
- Establish a “Not To Exceed” (NTE) total contract cost for contract period
- Customer is only billed for trips taken
- Rides above the NTE are free to the customer

BRIEFING SESSION

The Briefing Session of the Spokane City Council held on the above date was called to order at 3:32 p.m. in the Council Chambers in the Lower Level of the Municipal Building, 808 West Spokane Falls Boulevard, Spokane, Washington.

The regularly scheduled Spokane City Council 3:30 p.m. Briefing/Administrative Sessions and the 6:00 p.m. Legislative Session were held virtually and streamed live online and aired on City Cable 5. Pursuant to Governor Jay Inslee's Fifteenth Updated Proclamation 20-28.15, dated January 19, 2021, all public meetings subject to the Open Public Meetings Act, Chapter 42.30 RCW, are to be held remotely and the in-person attendance requirement in RCW 42.30.030 has been suspended until termination of the state of emergency pursuant to RCW 43.06.210, or until rescinded, whichever occurs first. Proclamations 20-28, et seq, were amended by the Washington State Legislature to recognize the extension of statutory waivers and suspensions therein until termination of the state of emergency pursuant to RCW 43.06.210 or until rescinded.

While all public meetings must continue to be held remotely, an option for an additional in-person meeting component is permitted consistent with the business meetings requirements contained in the Miscellaneous Venues guidance incorporated into Proclamation 20-25, et seq. At this time, the City Council has decided to continue its meetings with remote access only and to not include an in-person attendance component.

Agenda Wording

A resolution establishing year-long 20 mph speed limits on streets adjacent to certain parks, as identified in the attached addendum, after the expiration of a two-year pilot project.

Summary (Background)

In 2020, Council instituted a two-year pilot project establishing year-long 20 mph speed limits around certain parks and park properties in response to COVID-19 and the increase in pedestrian visits to city parks outside of the summer season. This pilot project will end at the beginning of 2022. While the pilot project was instituted at the beginning of COVID-19 pandemic, when park was particularly high, use of city parks has continued.

Alignment: (link agenda item to guiding document – i.e., Master Plan, Budget, Comp Plan, Policy, Charter, Strategic Plan)	
Strategic Initiative:	Safe and Healthy
Deadline:	Early 2022
Outcome: (deliverables, delivery duties, milestones to meet)	These resolutions make streets around parks safer for pedestrians and cyclists and provides a solution for drivers speeding around parks.
<p>Background/History: Over three years ago, CM Kinnear worked with former-CM Fagan and the PeTT committee to find a mutually agreeable solution for drivers speeding around parks. In 2020, Council passed Resolution 2020-0021 instituting a two-year pilot project establishing year-long 20 mph speed limits around certain parks and park properties in direct response to the COVID-19 virus and the increase in pedestrian visits to our city parks outside of the summer season. This pilot project will end at the beginning of 2022. While the pilot project was instituted at the beginning of COVID-19 pandemic, when park use was particularly high, use of city parks has continued. While short-term enforcement of speed limits continues to be a challenge, the City's legislative agenda includes requests for speed cameras around parks. Continuing the 20mph speed limits around certain parks will help drivers acclimate to the lower speeds prior to potential future installation of speed cameras.</p>	
<p>Executive Summary: These resolutions:</p> <ul style="list-style-type: none"> • Continue the year-round 20 mph speed limits on streets adjacent to certain City parks at the expiration of the two-year pilot project; and • Revert the speed limit along High Drive to 30mph.

Deadline:	Early 2022
Outcome: (deliverables, delivery duties, milestones to meet)	These resolutions make streets around parks safer for pedestrians and cyclists and provides a solution for drivers speeding around parks.
<p>Background/History: Over three years ago, CM Kinnear worked with former-CM Fagan and the PeTT committee to find a mutually agreeable solution for drivers speeding around parks. In 2020, Council passed Resolution 2020-0021 instituting a two-year pilot project establishing year-long 20 mph speed limits around certain parks and park properties in direct response to the COVID-19 virus and the increase in pedestrian visits to our city parks outside of the summer season. This pilot project will end at the beginning of 2022. While the pilot project was instituted at the beginning of COVID-19 pandemic, when park was particularly high, use of city parks has continued. While short-term enforcement of speed limits continues to be a challenge, the City's legislative agenda includes requests for speed cameras around parks. Continuing the 20mph speed limits around certain parks will help drivers acclimate to the lower speeds prior to potential future installation of speed cameras.</p>	
<p>Executive Summary: These resolutions:</p> <ul style="list-style-type: none"> • Continue the year-round 20 mph speed limits on streets adjacent to certain City parks at the expiration of the two-year pilot project; and • Revert the speed limit along High Drive to 30mph.

RESOLUTION NO 2022-0002

A resolution establishing a year-long 30 mph speed limit along High Drive after the expiration of a two-year pilot project.

WHEREAS, in 2020, the Spokane City Council unanimously adopted Resolution 2020-0021, which was amended by Resolution 2020-0077, instituting a two-year pilot project establishing year-long 20 mph speed limits around certain parks and park properties in direct response to the COVID-19 virus and the increase in pedestrian visits to our city parks outside of the summer season; and

WHEREAS, during this pilot project period, and in response to requests of adjacent neighborhood councils, the speed limit along High Drive was reduced to 20 mph; and

WHEREAS, at the request of City Council, the Street Department completed a speed study to provide additional information on how motorists were complying with this posted speed adjustment; and

WHEREAS, the 50th percentile speed being driven along High Drive was between 30 mph and 35 mph; and

WHEREAS, with the pilot project expiring and in response to public feedback and City staff recommendations, this resolution establishes a year-round 30 mph speed limit along High Drive.

NOW, THEREFORE, BE IT RESOLVED that speed signs that reflect a 30 mph speed limit year-round shall be installed along South High Drive from 21st to 29th Avenues, High Drive Parkway from 29th to 33rd Avenues, and West High Drive from 33rd Avenue to Manito Blvd.

BE IT FURTHER RESOLVED that the cost of installing any new signs will be paid from the Traffic Calming Measures Fund, into which is deposited automated traffic safety camera infraction fines.

If a claim or suit is caused by or results from the concurrent negligence of the Consultant's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Consultant, its agents or employees. The Consultant specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Consultant's own employees against the City and, solely for the purpose of this indemnification and defense, the Consultant specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Consultant recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

During the period of the Agreement, the Consultant shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW;

A. Worker's Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of \$1,000,000;

C. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

D. Professional Liability Insurance with a combined single limit of not less than \$1,000,000 each claim, incident or occurrence. This is to cover damages caused by the error, omission, or negligent acts related to the professional services to be provided under this Agreement. The coverage must remain in effect for at least two (2) years after the Agreement is completed.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Consultant or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Consultant shall furnish acceptable Certificates Of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Consultant's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Consultant shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

12. DEBARMENT AND SUSPENSION.

The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

13. AUDIT.

Upon request, the Consultant shall permit the City and any other governmental agency ("Agency") involved in the funding of the Work to inspect and audit all pertinent books and records. This includes work of the Consultant, any subconsultant, or any other person or entity that performed connected or related Work. Such books and records shall be made available upon reasonable notice of a request by the City, including up to three (3) years after final payment or release of withheld amounts. Such inspection and audit shall occur in Spokane County, Washington, or other reasonable locations mutually agreed to by the parties. The Consultant shall permit the City to copy such books and records at its own expense. The Consultant shall ensure that inspection, audit and copying rights of the City is a condition of any subcontract, agreement or other arrangement under which any other persons or entity may perform Work under this Agreement.

14. INDEPENDENT CONSULTANT.

A. The Consultant is an independent Consultant. This Agreement does not intend the Consultant to act as a City employee. The City has neither direct nor immediate control over the Consultant nor the right to control the manner or means by which the Consultant works. Neither the Consultant nor any Consultant employee shall be an employee of the City. This Agreement prohibits the Consultant to act as an agent or legal representative of the City. The Consultant is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Consultant shall

pay all income and other taxes as due. The Consultant may perform work for other parties; the City is not the exclusive user of the services that the Consultant provides.

- B. If the City needs the Consultant to Work on City premises and/or with City equipment, the City may provide the necessary premises and equipment. Such premises and equipment are exclusively for the Work and not to be used for any other purpose.
- C. If the Consultant works on the City premises using City equipment, the Consultant remains an independent Consultant and not a City employee. The Consultant will notify the City Project Manager if s/he or any other Workers are within ninety (90) days of a consecutive 36-month placement on City property. If the City determines using City premises or equipment is unnecessary to complete the Work, the Consultant will be required to work from its own office space or in the field. The City may negotiate a reduction in Consultant fees or charge a rental fee based on the actual costs to the City, for City premises or equipment.

15. KEY PERSONS.

The Consultant shall not transfer or reassign any individual designated in this Agreement as essential to the Work, nor shall those key persons, or employees of Consultant identified as to be involved in the Project Work be replaced, removed or withdrawn from the Work without the express written consent of the City, which shall not be unreasonably withheld. If any such individual leaves the Consultant's employment, the Consultant shall present to the City one or more individuals with greater or equal qualifications as a replacement, subject to the City's approval, which shall not be unreasonably withheld. The City's approval does not release the Consultant from its obligations under this Agreement.

16. ASSIGNMENT AND SUBCONTRACTING.

The Consultant shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Consultant shall incorporate by reference this Agreement, except as otherwise provided. The Consultant shall require that all subconsultants comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the consultant from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

17. CITY ETHICS CODE.

- A. Consultant shall promptly notify the City in writing of any person expected to be a Consultant Worker (including any Consultant employee, subconsultant, principal, or owner) and was a former City officer or employee within the past twelve (12) months.
- B. Consultant shall ensure compliance with the City Ethics Code by any Consultant Worker when the Work or matter related to the Work is performed by a Consultant Worker who has been a City officer or employee within the past two (2) years.
- C. Consultant shall not directly or indirectly offer anything of value (such as retainers, loans, entertainment, favors, gifts, tickets, trips, favors, bonuses, donations, special discounts, work or meals) to any City employee, volunteer or official that is intended, or may appear to a reasonable person to be intended, to obtain or give special consideration to the Consultant. Promotional items worth less than \$25 may be distributed by the Consultant to a City employee if the Consultant uses the items as routine and standard promotional materials. Any violation of this provision may cause termination of this Agreement. Nothing in this Agreement prohibits donations to campaigns for election to City office, so long as the

donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

18. NO CONFLICT OF INTEREST.

Consultant confirms that the Consultant or workers have no business interest or a close family relationship with any City officer or employee who was or will be involved in the consultant selection, negotiation, drafting, signing, administration or evaluation of the Consultant's work. As used in this Section, the term Consultant includes any worker of the Consultant who was, is, or will be, involved in negotiation, drafting, signing, administration or performance of the Agreement. The term "close family relationship" refers to: spouse or domestic partner, any dependent parent, parent-in-law, child, son-in-law, daughter-in-law; or any parent, parent in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

19. ERRORS AND OMISSIONS, CORRECTIONS.

Consultant is responsible for professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of the Consultant under this Agreement in the delivery of a final work product. The standard of care applicable to Consultant's services will be the degree of skill and diligence normally employed by professional engineers or Consultants performing the same or similar services at the time said services are performed. The Final Work Product is defined as a stamped, signed work product. Consultant, without additional compensation, shall correct or revise errors or mistakes in designs, drawings, specifications, and/or other consultant services immediately upon notification by the City. The obligation provided for in this Section regarding acts or omissions resulting from this Agreement survives Agreement termination or expiration.

20. INTELLECTUAL PROPERTY RIGHTS.

- A. Copyrights. The Consultant shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Consultant for the Work, whether or not the Work is completed. The Consultant grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Consultant for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials) and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.
- B. Patents: The Consultant assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Consultant created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Consultant has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.

- C. The City may make and retain copies of such documents for its information and reference with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project, and the City releases the Consultant from liability for any unauthorized reuse of such documents.

21. CONFIDENTIALITY.

Notwithstanding anything to the contrary, City will maintain the confidentiality of Consultant's materials and information only to the extent that is legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Consultant's materials or information and the City determines there are exemptions only the Consultant can assert, City will endeavor to give Consultant notice. Consultant will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Consultant does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

22. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. It shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to mediation, arbitration and/or alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the Agreement. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. The City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed. Waiver of any of these rights is not deemed a future waiver of any such right or remedy available at law, contract or equity.

23. TERMINATION.

- A. For Cause: The City or Consultant may terminate the Agreement if the other party is in material breach of this Agreement, and such breach has not been corrected to the other party's reasonable satisfaction in a timely manner. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.
- B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control. Notice of termination under this Section shall be

given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.

- C. For Convenience: Either party may terminate this Agreement without cause, upon thirty (30) days written notice to the other party.
- D. Actions upon Termination: if termination occurs not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to the actual termination date, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Consultant agrees this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.
- E. Upon termination, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Consultant harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Consultant's work product.

24. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: (a) the New Work is not reasonable to solicit separately; (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Consultant at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identified or main purposes of the Agreement. The City may make exceptions for immaterial changes, emergency or sole source conditions, or other situations required in City opinion. Certain changes are not New Work subject to these limitations, such as additional phases of Work anticipated at the time of solicitation, time extensions, Work Orders issued on an On-Call contract, and similar. New Work must be mutually agreed and issued by the City through written Addenda. New Work performed before an authorizing Amendment may not be eligible for payment.

25. MISCELLANEOUS PROVISIONS.

- A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.
- B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.
- C. Americans with Disabilities Act (ADA): Specific attention by the designer is required in association with the Americans with Disabilities Act (ADA) 42 U.S.C. 12101-12213 and 47 U.S.C. 225 and 611, its requirements, regulations, standards and guidelines, which were updated in 2010 and are effective and mandatory for all State and local government facilities and places of public accommodation for construction projects including alteration of existing facilities, as of March 15, 2012. The City advises that the requirements for accessibility

under the ADA, may contain provisions that differ substantively from accessibility provisions in applicable State and City codes, and if the provisions of the ADA impose a greater or equal protection for the rights of individuals with disabilities or individuals associated with them than the adopted local codes, the ADA prevail unless approval for an exception is obtained by a formal documented process. Where local codes provide exceptions from accessibility requirements that differ from the ADA Standards; such exceptions may not be permitted for publicly owned facilities subject to Title II requirements unless the same exception exists in the Title II regulations. It is the responsibility of the designer to determine the code provisions.

- D. The Consultant, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Consultant shall comply with the requirements of this Section.
- E. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in the Superior Court of Spokane County.
- F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.
- G. Captions: The titles of sections or subsections are for convenience only and do not define or limit the contents.
- H. Severability: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
- I. Waiver: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- J. Additional Provisions: This Agreement may be modified by additional terms and conditions ("Special Conditions") which shall be attached to this Agreement as an Exhibit. The parties agree that the Special Conditions shall supplement the terms and conditions of the Agreement, and in the event of ambiguity or conflict with the terms and conditions of the Agreement, these Special Conditions shall govern.
- K. Entire Agreement: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Consultant. If conflict occurs between contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this contract to afford the City the maximum benefits.
- L. Negotiated Agreement: The parties acknowledge this is a negotiated agreement, that they have had this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship.
- M. No personal liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

Continuation of Wording, Summary, Budget, and Distribution

Agenda Wording

Summary (Background)

The franchise contains language to increase the franchise payment amount after five years from its effective date. The City has negotiated with YPL to commit \$75,000 to the cost of a Vulnerability Assessment. The Vulnerability Assessment shall evaluate the potential impacts and risks to municipal ground water supply source wells that could be posed by possible releases from the petroleum pipeline. The franchise ordinance was deferred indefinitely from the council agenda on May 3, 2021 to address questions raised by council president Beggs. Any changes in the route of the Pipeline Corridor of Grantee's facilities shall be filed with the City within 14 days of the changes.

2.2 Scope of Franchise.

(a) Existing Facilities. This Franchise is granted subject to the police powers, land use authority, and franchise authority of the City and is conditioned upon the terms and conditions contained herein and the Grantee's compliance with all applicable Environmental Laws and the regulations of Jurisdictional Agencies.

(b) New Facilities. No new Facilities shall be installed by Grantee in the Public Right-of-Way, or across Public Property, within the Franchise Area without the express Written consent of the City. Any replacement of existing Facilities (other than routine replacement of minor components or appurtenances) or minor pipeline installations (less than 1000 feet within any 12-month period) in the Public Right-of-Way or Public property must be approved by the City's Representative in Writing, whose approval will not be unreasonably withheld, unless such changes are required in an emergency to protect the environmental or public safety. The City Representative or other Jurisdictional Agencies must approve all actions on Public Property. Major installations

(1000 feet or more) of new Facilities in the Franchise Area must be approved by Resolution of the City Council.

(c) Facilities located Outside Public Right-of-Way. This Franchise grants permission only for the use of the Public Right-of-Way; in any areas outside the Public Right-of-Way, Grantee is responsible to make separate arrangements with the City Representative for the use of Public Property as a right-of-way for Facilities; all such arrangements must be in Writing. The City Representative cannot grant interests in land or approve contract modifications.

To this end, the City further agrees to avoid granting any other Franchise, license, easement, or permit that would violate the standards set for location of utilities in the Public Right-of-Way where the same would unreasonably interfere with Grantee's permitted use of the Public Right-of-Way or Public

Property for the Operation and Maintenance of its Facilities within the Franchise Area. This agreement does not create any right of action for damages or other relief on the part of the Grantee relating to this Franchise or the value thereof.

(b) This Franchise shall in no manner prohibit the City or limit its power to perform Public Projects or other work upon its Public Rights-of-Way, or on any Public Properties, or make any necessary changes, relocations, repairs, maintenance, or improvement thereto. Nor shall it prevent the City from using any of the Public Rights-of Way or any Public Properties, or any part of them, as the City may deem necessary, from time to time, including the dedication, establishment, maintenance and improvement of new rights-of-way or other Public Properties of every type and description.

2.4 Franchise Conditioned on Grantee's Compliance. By granting this Franchise, the City is not assuming any risks or liabilities arising from Grantee's Operation, Maintenance, Construction or Improvement of Facilities within the Franchise Area under the authority of this Ordinance; any and all such risks or liabilities shall be solely and separately borne by Grantee. Grantee agrees and covenants to, at its sole cost and expense, take all necessary and prudent steps to protect, support, and keep safe from harm, its Facilities within the Franchise Area, or any part thereof, when necessary to protect the public health and safety. The Parties understand and agree that the City is not responsible for errors or omissions in information provided to the Grantee by the City.

2.6 Franchise is Not Warranty of Title. This Franchise is intended to convey only a limited right and interest in the use of the Premises within the Public Right-of-Way and on other Public Property. This Franchise is not a warranty of the City's title or interest in the Premises in the Public Rights-of-Way or any other Public Property; and therefore, none of the Franchise rights granted herein shall affect the City's jurisdiction over its property, streets or Public Rights-of-Way or any other Public Property.

2.7 Vacation of Public Right-of-Way; Retention of Easement.

(a) This Franchise grant remains subject to the City's power to vacate or release any City interest in the Public Right-of-Way, or other Public Property under the City's ownership or control, without such action creating any obligation of payment to Grantee of any consideration for loss of Franchise use.

(b) In the event of the vacation of a Public Right-of-Way, or any portion thereof, by the City under the provisions of RCW Chapter 35.79, Grantee may participate in the street vacation process to protect its interests and may request the City to reserve an easement for Grantee in the Premises within the Public Right-of-Way area which is proposed to be vacated.

(c) Grantee accepts full responsibility for all reasonable, documented City costs, including staff time, in dealing with Grantee's request to retain an easement for its Facilities in a vacated street including making payment for the value of any easements granted or reserved.

2.8 Franchise Grants No Rights in Other Public Property. This Franchise does not and shall not convey any right to Grantee to install its Facilities on, under, over, across, or to otherwise use City owned or leased Public Properties of any kind, either within or outside the Premises along the Pipeline Corridor, without the express separate Written authorization of the City.

2.9 Municipal Powers Not Affected by Franchise. Authority granted under the terms of this Franchise to Grantee to maintain its Facilities in the Public Right-of-Way within the Franchise Area remains at all times subject to the requirements of, and the exercise of, the City's tax and police powers.

Section 3. Term and Renewal or Extension of Franchise.

3.1 Term of Franchise. Each of the provisions of this Franchise shall become effective upon the Effective Date as set forth in Section 19.12, and shall remain in effect for twenty-five (25) years from the Effective Date.

3.2 Failure to Renew Franchise. If the Parties fail to formally, mutually renew this Franchise prior to the expiration of either the Franchise term, or any previously agreed extension; then this Franchise may be extended on a year-to-year basis (or such term as the Parties may mutually agree in Writing) until a renewed Franchise is executed, not to exceed two (2) years from the date of expiration. If the Parties are thereafter not able to agree on a new Franchise, this Franchise will terminate. Either Party may give written notice to the other Party at least one hundred eighty (180) days in advance of the expiration of the initial Franchise term (or the expiration of any previously-agreed extension) of its intent not to renew the Franchise.

3.3 At any time not more than three (3) years or less than one hundred eighty (180) days prior to the expiration of this Franchise, either Party may request an extension of the Franchise for an additional ten (10) year renewal period.

Section 4. Assignment and Transfer of Franchise.

4.1 No Transfer of Franchise without City Consent. Except in cases involving sales of equity or other beneficial interests in Grantee, this Franchise shall not be sold, assigned, transferred, leased or otherwise disposed of by the Grantee, either in whole or in part, either by voluntary or

involuntary sale, merger or consolidation; nor shall title to the Franchise, either legal or equitable, or any right, interest or property therein pass to, or vest in, any other person or entity, without the prior Written consent of the City Council as provided in Paragraph 4.2, acting by ordinance or resolution, which consent shall not be unreasonably withheld. Such consent shall not be deemed to waive any rights of the City to subsequently enforce non-compliance issues relating to this Franchise that existed at or before the time of the City's consent.

4.2 Requirements of City Approval of Transfer of Franchise.

(a) No transfer, including any assignment, sale or lease of the Franchise shall be approved by the City unless the assignee or transferee demonstrates to the satisfaction of the City that it has the legal, technical, financial, and industry experience and qualifications to carry on the activities of the Grantee under the requirements of this Franchise Ordinance.

(b) The City has the right to conduct an expeditious investigation to satisfy itself of the proposed assignee's qualifications to perform all requirements of the Franchise. All reasonable expenses incurred by the City in conducting such investigation shall be paid by Grantee.

(c) Prior to the City's consideration of a request by Grantee to consent to a Franchise assignment, the proposed assignee must file with the City a Written promise to unconditionally accept all terms of the Franchise, effective upon assignment of the Franchise.

(d) Any transfer or assignment, sale or lease of this Franchise without the prior Written Consent of the City shall be void and result in the termination or revocation of the Franchise.

(e) No assignment, including any sale or lease of this Franchise granted by the City shall be effective until the assignee or lessee shall have filed in the office of the City Clerk an instrument, duly executed, reciting the fact of the sale or lease, accepting the terms of this Franchise, and agreeing to perform all the conditions required of the Grantee. The assignee or lessee shall file a

bond in such amount and with such conditions as the City Council may require which bond shall run to the City as obligee, with sureties satisfactory to the City Council, and shall obligate said Party, to discharge all obligations and liabilities imposed upon the Grantee by the Franchise.

4.3 City Failure to Enforce Franchise No Bar to Future Enforcement. The City is under no obligation to undertake any investigation of the Grantee's state of compliance with Franchise obligations at the time of any assignment, and the failure of the City to insist on full compliance with any Franchise obligations prior to the transfer of the Franchise does not waive any right of the City to insist on full compliance by the assignee with all Franchise obligations thereafter.

Section 5. Compliance with State and Federal Laws.

5.1 Compliance with State and Federal Law a Material Term of Franchise.

(a) Grantee's compliance with the requirements of all valid and applicable Environmental Laws and the regulations or regulatory orders of any Jurisdictional Agency applicable to the Maintenance, Operation, Construction and Improvement of its Facilities within the Franchise Area is a material term of this Franchise. This obligation shall include compliance by the Grantee with all applicable laws, rules, and regulations existing at the Effective Date of this Franchise, including, but not limited to, Title 49 Code of Federal Regulation, Part 195 Transportation of Hazardous Liquids, and any laws or regulations that may subsequently be enacted by any governmental entity with jurisdiction over Grantee and/or the Facilities.

The Grantee agrees to perform all Construction, Maintenance and/or Improvement work in compliance with revised industry standards in effect at the time of such work. During Construction, Maintenance and/or Improvement work, markers demarcating the

Each page of such information, in hard or soft copy, must be indelibly marked "PRIVATE/CONFIDENTIALITY RIGHTS RESERVED BY YELLOWSTONE PIPE LINE COMPANY".

(2) If the City receives a Public Records request under RCW Chapter 42.56, (State Public Records Act) for such information so marked, it shall make every reasonable effort to protect confidentiality by notifying Grantee of the request. If the City is aware of any potential exemptions or exceptions to its disclosure obligations under the State Public Records law, it shall assert them, but no liability shall accrue to the City for any failure or oversight in doing so, each Party's obligation being limited to representing its own legal interests. Grantee must thereafter take immediate steps if it so desires to initiate litigation in Spokane County Superior Court to protect any confidentiality it wishes, or the City shall have no further obligation to protect the confidentiality request.

(3) Grantee recognizes that, as provided by RCW 42.56.060, the City is immune from any suit if it releases any public records, as defined by law, in a good faith attempt to comply with its obligations under the State Public Records Act.

6.14 Grantee Responsible for Construction Area.

(a) Grantee shall be solely and completely responsible for its workplace safety and safe working practices on its job sites within the Franchise Area, including safety of all persons and property during the performance of any Construction, Maintenance and/or Improvement work, as required by Environmental Laws or the applicable regulations of Jurisdictional Agencies.

Grantee agrees to maintain such items fully updated in strict compliance with the applicable requirements of all Jurisdictional Agencies.

7.2 Reports, Tests, Inspections.

(a) Grantee agrees to test and inspect its Facilities within the Franchise Area in full compliance with Environmental laws and the applicable requirements of Jurisdictional Agencies and best management practices and industry standards.

(b) Grantee further agrees to assist the City in obtaining from Jurisdictional Agencies copies of any test or inspection results, documents or reports required to be submitted to or reviewed by Jurisdictional Agencies or otherwise in accord with best management practices and industry standards. These documents may include a Baseline Assessment report, a Pipeline Integrity Management Plan, and Encroachment Management Plan, and an Emergency Incident Response Plan (see also Section 9.1), or any reports or studies submitted or required to be submitted to any Jurisdictional Agencies.

7.3 Grantee's Notice to City of Testing of Facilities.

(a) The Grantee shall notify the City Representative in writing of any in-ground pipeline hydro test or other internal inspection conducted on the Grantee's Facilities within the Franchise Area at least ten (10) business days prior to said testing, except in an Emergency Incident, in which case, the Grantee agrees to notify the City as soon as is practicable under the circumstances, but no later than one business day after completion of any in-ground pipeline hydro test or other internal inspection following any Emergency Incident or discovery of any anomaly in the Grantees Facilities.

(b) Federal regulations (*e.g.*, 49 C.F.R. sec. 195.56) require that Grantee file a written report of a safety-related condition in Grantee's pipelines within five working days of determining that such a condition exists. Within five working days of filing such a report, Grantee will notify the City that a report has been made. Upon request from the City, Grantee shall furnish a copy of the report made to the Jurisdictional Agencies if allowed by law and, if not, reasonably assist the City in attempting to obtain such information from the Jurisdictional Agencies. In addition, upon request from the City, Grantee will provide any inspection findings by Jurisdictional Agencies regarding Grantee's pipelines in the Franchise Area.

7.4 Technical Information Regarding Grantee's Facilities. The Grantee shall provide to the City, upon Written request by the City's Representative, such information as may be needed to administer this Franchise; including, but not limited to, standard pipeline alignment data, for Public Project planning and Emergency Incident Response requirements, as presented to the Jurisdictional Agencies, including as-built drawings showing the approximate location of all Grantee Facilities within the Franchise Area. Grantee conducts robust Jurisdictional Agency-required evaluation of the pipeline and appurtenances in the Franchise Area on a five-year cycle, in addition to all of the inspection, maintenance, and operational requirements Grantee implements under its own integrity management programs. In each year following the five-year cycle evaluation, Grantee will meet with City to discuss the results of the evaluation and corrective action, if any, arising from the evaluation.

7.5 Independent Consultant. Whereas, if the City retains an Independent Pipeline Consultant ("Consultant") agreeable to Grantee, whose agreement will not be unreasonably withheld, to perform an independent evaluation of the Pipeline and/or Facilities of Grantee or Third Party Audit of the Baseline Assessment and Plans described in Paragraph 7.1, which would be

performed at City's expense, and the Consultant recommends that Grantee make modifications or additions to Grantee's Pipeline and/or Facilities, or to its Baseline Assessment or Plans. Grantee agrees to consider such recommendations in good faith provided that the recommendations are reasonably consistent with industry best practices and applicable regulations of Jurisdictional Agencies. If Grantee declines to follow the Consultant's recommendations, Grantee shall provide a Written report to the City explaining its reasoning for not following the recommendations. Parties agree to comply with the Dispute Resolution provisions of Section 13 contained herein to resolve any dispute over whether to follow consultant's recommendations.

Section 8. Encroachment Management.

8.1 Requirements of Encroachment Management Plan. The Grantee's Encroachment Management Plan shall be developed in full compliance with all Environmental Laws and applicable regulations of Jurisdictional Agencies and all valid federal, state, and local requirements regarding encroachment management and damage prevention, including the State of Washington "one-call" locator service law (RCW 19.122).

Grantee shall maintain a Written program to prevent damage to its Facilities from excavation activities, as required by the Environmental Laws and applicable regulations of Jurisdictional Agencies.

8.2 Inspections of surface conditions. Grantee shall also conduct regular inspections of the surface conditions on or adjacent to the Pipeline Corridor, as required by the Environmental Laws and the applicable regulations of Jurisdictional Agencies.

8.3 Encroachment Response Procedure.

(a) Upon specific notification to Grantee of any planned construction activity which may involve excavation within twenty-five (25) feet of the Pipeline Corridor, or any other

activity that may abnormally load its Facilities in the Franchise Area, by either the City or any third party, Grantee shall immediately mark the precise location of its Facilities before the construction or other activity commences.

(b) Grantee shall provide a representative at its expense for Public Projects to inspect the construction or other activity when it commences, and periodically inspect the Premises thereafter to ensure that Grantee's Facilities are not damaged by the construction or other activity. Grantee shall also do this where needed for non-Public Projects, and may charge a reasonable fee, to be collected by Grantee from the private party requesting the work

(c) Nothing herein shall affect the Grantee's obligation to comply with the requirements of Washington's Underground "one call" locate statute, RCW Chapter 19.122, as now adopted or hereafter amended.

8.4 Verification of Pipeline Location.

(a) Upon the City's request, in connection with the design or construction of any Public Project, Grantee will verify the exact location (lateral and vertical) of its underground Facilities on the Premises within the Pipeline Corridor by excavating (pot holing) at no expense to the City. The request shall specify a reasonable response time in consideration of the nature of the request and difficulty to Grantee of providing such assistance. In the event Grantee performs such excavation, Grantee agrees to restore the disturbed Premises to the same or better condition as existed immediately prior to the excavation. Potholing may be required for non-Public Projects, at a reasonable cost of Grantee, to be collected by Grantee from the private party requesting the work.

(b) Because precise damages are difficult to ascertain, for failure to respond within a specified response time, Grantee agrees to pay liquidated damages as provided in Section

12.1, except no liquidated damages apply before a ten (10) day period has elapsed without a satisfactory response.

8.5 Inspection of Third Party Excavation. If the Grantee becomes aware that a third party has conducted any excavation or other significant work that may have affected its Facilities, the Grantee shall conduct such inspections and/or testing of Facilities as is necessary to determine that;

(a) No direct or indirect damage was done to the Grantee's Facilities by the excavation and,

(b) The construction work or other activity did not abnormally load the Grantee's Facilities and,

(c) The Construction work or other activity did not impair the effectiveness of the Grantee's cathodic protection system. Grantee is responsible to coordinate with other persons with facilities in the vicinity of its Facilities so as to avoid adverse impacts of cathodic protection.

Section 9. Leaks, Spills, Ruptures, and Emergency Response.

9.1 Grantee Shall Have Remote Monitoring System.

(a) Grantee shall maintain in place, at all times that Grantee's Facilities are located within the Franchise Area, a system for monitoring pressures and flows within its Pipeline and/or Facilities, from a Remote Control Center. The remote monitoring must be able to accurately detect pipeline leaks, spills or ruptures, as required by Environmental Laws and the applicable regulations of Jurisdictional Agencies.

(b) Grantee's Emergency Incident Response Plan shall designate Grantee's local emergency response officials and a direct 24-hour emergency telephone number for the Control Center operator, who shall be capable of immediate shutdown of Grantee's Facilities in the Franchise Area by use of a satellite controlled switch or other similar remote technology. Grantee shall, after

being notified of an Emergency Incident, cooperate with the City Representative and make every effort to respond as soon as possible to limit damage from the Emergency Incident and protect the public's health, safety, and welfare.

CURRENT CONTROL CENTER 24 HOUR PHONE NUMBER: 877-267-2290

Grantee shall keep the City Representative and City Fire Marshall updated in Writing of any changes to this contact information.

(c) The Grantee warrants that, throughout the term of this Franchise, it will make periodic updates to its Emergency Incident Response Plan in full compliance with Environmental Laws and the applicable requirements of Jurisdictional Agencies.

(d) The Parties agree to meet annually to review the Emergency Incident Response Plan and Incident Response procedures as required by Environmental Laws and the applicable regulations of Jurisdictional Agencies. Grantee shall coordinate this meeting with the City, other local public safety agencies and other interested parties.

(e) The Grantee will, at all times, have available or have access to, sufficient Emergency Incident Response equipment and materials within the Franchise Area to properly and completely respond to any spill, leak, rupture or other release of Petroleum Products or Hazardous Substances from the Grantee's Facilities, in accordance with Environmental Laws and applicable regulations of Jurisdictional Agencies or otherwise in accordance with best management practices and industry standards.

9.2 Grantee Responsible for Costs of Clean-Up. Except to the extent an Emergency Incident is shown to be proximately caused by the negligence of the City, Grantee shall be solely responsible for all reasonable and necessary costs incurred by City, County, local or State agencies in responding to any spill, leak, rupture or other release of Petroleum Products from its facilities that

are required by Environmental Laws, including, but not limited to, detection and removal of contaminants from surface or subsurface soil or water, including sources of vapor intrusion and actual remediation costs All such costs shall be considered extraordinary costs that shall not be born by the City and shall not be considered administrative expenses of the City. Nothing in this section shall limit Grantee's rights or causes of action against any third party who may be responsible for such leak, spill, rupture, or other release of Petroleum Products or hazardous substances from Grantees Facilities.

9.3 Notice of Leak, Spill or Rupture From Grantee's Facilities.

(a) In areas outside the City's Wellhead Influence Zone, Grantee shall notify the City in Writing within one (1) business day of its observation or detection of, any uncontained leak, spill, rupture or other release of Petroleum Products from its Facilities within the Franchise Area requiring notification to Jurisdictional Agencies.

(b) In areas inside the City's Wellhead Influence Zone, the City shall receive telephonic notification immediately after the Emergency Incident is discovered and/or reported to Jurisdictional Agencies.

(c) If requested by the City Representative in Writing, Grantee shall follow-up this notice within thirty (30) days with a Written report of the Emergency Incident, including, but not limited to, the date, time, amount, location, response, and remediation of the leak, spill, rupture or other release of Petroleum Products as submitted to Jurisdictional Agencies.

9.4 City May Investigate Any Leaks From Grantee's Facilities.

(a) In the event of a leak of Petroleum Products from Grantee's Facilities, if the City's Representative has a reasonable basis to be concerned about the safety or security of Grantee's Operations or Facilities in any location which might impact the Aquifer, or the Well Head Influence

zone, or endanger its citizens, or its property, including public water supply facilities within the Franchise Area, the City's Representative may seek an investigation by Jurisdictional Agencies, or request assurances or additional information from Grantee regarding its Facilities or Operations in the Franchise Area, including a third party evaluation pursuant to Section 7.5, as deemed necessary by the City's Representative. Any costs incurred by the City in seeking such an investigation, following a leak event, including employment of an expert consultant shall be considered as a recoverable administrative cost.

(b) Supplementing other provisions, in the event of a leak, spill or rupture comprising an Emergency Incident in the Franchise Area where the cause is not reasonably apparent, Grantee shall take immediate steps to fully cooperate with all Jurisdictional Agency investigations, giving the City reasonable assurances and confirmation of these actions. All results of any non-privileged investigation shall be disclosed to the City Representative. The City may view all pertinent records and reports thereof. The City has the right to satisfy itself of the due diligence of such investigation. If the City reasonably deems the public water supply or the safety and security of its Wellhead Influence Zone area are in jeopardy, the City may demand that the occurrence be investigated by an independent pipeline consultant selected by City. Grantee shall be solely responsible for paying all of the reasonable costs and expenses incurred in investigating the occurrence and reporting any findings to Jurisdictional Agencies, up to a maximum amount of fifty thousand dollars (\$50,000) per incident for incidents up to ten barrels product loss and a maximum of \$100,000 for incidents over ten barrels involving a spill, leak, or rupture. Grantee shall meet and confer with the independent consultant following the consultant's investigation to address whether any modifications or additions to Grantee's Facilities may be warranted. In cases where Jurisdictional

Agencies do perform an investigation, Grantee shall provide a copy of the results of any investigation within ten (10) days of receipt of such report.

(c) If the independent pipeline consultant recommends that Grantee make modifications or additions to Grantee's Facilities, Grantee covenants to consider said recommendations in good faith. If Grantee declines to follow the consultant's recommendations, Grantee shall provide a Written report within 90 days to the City explaining its reasoning for not following said recommendations. The Parties agree to comply with the Dispute Resolution provisions of Section 13 contained herein to resolve any dispute over whether to follow the consultant's recommendations.

9.5 Emergency Flow Restricting Devices in Facilities – Remote Control.

(a) Grantee has installed Emergency Flow Restricting Devices (EFRD) in its Facilities within the Franchise Area in the locations shown in Exhibit "C". All Emergency Flow Restricting Devices for Grantee's Facilities shall be remotely controlled from the Control Center and shall be capable of being instantly activated by Grantee.

(b) Emergency Flow Restriction Devices - Location. Grantee currently has EFRDs on either side of the Spokane River capable of manual and remote operation through its Control Center and in the vicinity of the City's Parkwater Well station near Felts Field municipal airport. These EFRDs shall continue to be maintained by Grantee during the term of the Franchise or so long as Grantee operates Facilities within the Franchise Area.

(c) Grantee shall maintain adequate 24-hour emergency staffing immediately accessible by the City Fire Chief or the City Representative to activate said EFRDs in the case of an Emergency Incident involving Grantee's Facilities.

9.6 Responsibility of Grantee to Take Precautions to Avoid Leak, Spill, or Rupture. It remains the sole and separate responsibility of the Grantee, under the authority of this Franchise, to take adequate precautions to avoid Leaks, Spills or Ruptures that might result in the release of Petroleum Products from its Facilities, as required by all Environmental Laws and applicable regulations of Jurisdictional Agencies, including, but not limited to, compliance with the requirements of RCW Chapter 19.122 (One Call System).

Section 10. Required Relocation of Facilities for Public Project.

10.1 Public Project.

(a) In the event that the City undertakes or approves the construction of any Public Project including by not limited to: changes to the grade or location of any water, sewer or storm drainage line, street or sidewalk, or undertakes any other Public Project and as a result, the City determines that the public health, safety, welfare, necessity, and/or convenience reasonably requires changes to, or the relocation of, the Grantee's Facilities in the Public Right-of-Way or on Public Property, then the Grantee shall make such changes or relocations as required herein at the Grantee's sole cost, expense and risk.

(b) The City shall provide written notice to Grantee at least 180 days prior to commencement of any Public Project which requires relocation of Grantee's pipeline and/or Facilities.

(c) In the event the Grantee relocates or otherwise modifies its facilities at the direction of the City to accommodate a City Public Project, and the City thereafter abandons and does not complete the Public Project, the Grantee may invoke the Dispute Resolution Section Procedures and seek reimbursement for the reasonable and necessary costs incurred by the Grantee for the relocation or modification that it would not have otherwise incurred.

10.2 Relocation of Facilities by Grantee.

(a) Prior to commencing construction on a Public Project affecting Grantee's Facilities, the City shall provide Grantee with copies of pertinent portions of the plans and specifications for the Public Project; and, upon request, Grantee shall, at its sole cost and expense, determine and identify for the City Representative the exact location of its Facilities potentially affected by the Public Project. Grantee shall promptly relocate such Facilities at Grantee's sole cost and expense to accommodate a Public Project if reasonably requested to do so by City; and shall similarly relocate its Facilities for any other projects at the request of the City, but in such case, Grantee may recover its reasonable expenses from persons other than the City responsible for the relocation request.

(b) The City shall work cooperatively with the Grantee in determining a viable and practical route within which Grantee may relocate its Facilities, in order to minimize costs to the Grantee while meeting the requirements of the City's Public Project, and will, to the extent possible, provide an alternative Public Right-of-Way or Public Property for the relocation.

(c) Grantee shall complete relocation of its Facilities so as to accommodate the requirements of the Public Project at least ten (10) calendar days prior to commencement of such Project or at such other time as the Parties may agree in Writing.

(d) The Parties agree that the City's exact damages, because of delays by the Grantee, in compliance with this section are difficult to precisely quantify. If the City or its contractor is delayed at any time in the progress of the work on the Public Project by an act or neglect of the Grantee, or those acting for, or on behalf of, the Grantee, then Grantee agrees to pay the City liquidated damages as provided in Section 12.1. The requirement for payment of Liquidated Damages does not apply if the delays were caused by the acts of the City.

10.3 Alternative Plan to Avoid Relocation of Facilities. Grantee may, after receipt of Written notice requesting a relocation of its Facilities, submit to the City Representative Written alternatives to the relocation of Grantee's Facilities within forty five (45) calendar days of receiving the plans and specifications for the Public Project. The City shall evaluate the alternatives and advise Grantee in Writing if one or more of the alternatives are suitable to accommodate the requirements of the Public Project. The City Representative shall give each alternative proposed by Grantee full and fair consideration but retains full discretion and final authority to decide whether to utilize its original plan or an alternative proposed by Grantee.

10.4 Requested Relocation within 5 Years. If any portion of the Grantee's pipeline and/or Facilities that has been required by the City to be relocated under the provisions of this section is subsequently required to be relocated again within five (5) years of the original relocation, the City will bear the actual and reasonable cost of the subsequent relocation during the five (5) year period.

Section 11. Removal of Grantee's Facilities - Abandonment in Place.

11.1 Permanent Cessation of Use of Facilities.

(a) In the event of Grantee's permanent cessation of use or abandonment of its Facilities, or any portion thereof, within the Franchised Area, the Grantee shall (except as may be permitted by Section 11.2), within one hundred and eighty days (180) after the abandonment or permanent cessation of use, remove its Pipelines and/or Facilities or any portion thereof, from the Public Right-of-Way or Public Property at Grantee's sole cost and expense.

(b) A presumption of Grantee's abandonment or permanent cessation of use of Facilities arises after twelve months substantial non-use by Grantee of its Facilities as to that part of the Franchise Area concerned.

(c) In the event of the removal of all or a portion of its Facilities, Grantee shall restore the Franchised Area as nearly as possible to as good or better condition as it was in before the installation of the Grantee's Pipelines and/or Facilities, in compliance with the City's current Pavement Cut Policies.

(d) Such property restoration shall be done at the Company's sole cost and expense and to the City's Representative's satisfaction. Grantee shall be responsible for the payment of any costs of any environmental review required by for the removal of any Pipelines and/or Facilities from the Premises within the Franchise area.

(e) If the Grantee fails to remove or secure the Pipelines and/or Facilities and fails to restore the Premises, or fails to take such other mutually agreed upon action, the City may, after reasonable notice to the Grantee, remove the Facilities, restore the Premises, or take such other action as is reasonably necessary at the Grantee's expense, and the City shall not be liable therefore. This remedy shall not be deemed to be exclusive and shall not prevent the City from seeking a judicial order directing that the Facilities be removed.

11.2 Alternatives to Grantee's Removal of Facilities from Public Right-of-Way.

(a) Upon abandonment or permanent cessation of Facilities, and with the Written consent of the City's Representative, as an alternative to Grantee's removal of the Facilities the Grantee may secure its underground Facilities within the Franchise Area or on other Public Property, rendering them safe and harmless, removing all Petroleum Products from the Facilities, purging vapors, displacing the contents of the pipeline with an appropriate inert material, and sealing Facility ends with a suitable end closure, all in compliance with Environmental Laws and the applicable regulations of Jurisdictional Agencies.

(b) Provided that portions of the Grantee's Facilities which are above ground shall be removed at Grantee's sole expense, except where approved, in Writing, by the City's Representative.

(c) For permission for Grantee to abandon all, or substantially all, of the Grantee's Facilities within the Franchise Area, the City's consent must be expressed by a Resolution of the City Council, upon such additional conditions as may be prescribed therein.

11.3 Grantee's Abandonment of Facilities – Requirement of Bond. The City's permission for Grantee's partial or complete abandonment of Facilities in place on the Premises within the Franchise Area may be conditioned upon Grantee's posting of a bond, in a form and with a surety subject to the City's reasonable approval, or other security approved by the City to cover any estimated future risks and reasonable likely costs to the City in dealing with Grantee's Facilities as abandoned on the Premises in the Public Right-of-Way or on other Public Property, including prevention or remediation of any environmental damage.

11.4 Requirements of this Section Survives Franchise Termination. The Parties expressly agree that the requirements of Section 11 shall survive the expiration, revocation, or termination of this Franchise.

Section 12. Violations, Remedies and Termination.

12.1 City's Remedies for Violations. The Grantee shall be in compliance with the terms of this Franchise at all times. In addition to any rights set forth elsewhere in this Franchise, or other rights it may possess at law or equity, the City reserves the right to apply any of the following remedies, alone or in combination, in the event Grantee violates any material provision of this Franchise.

(a) Liquidated Damages for Delay. The Parties agree that damages for delay in compliance with the requirements of this Franchise are difficult to ascertain and determine. If Grantee fails or refuses to comply with any condition of this Franchise, or any of its terms or provisions, the damages suffered by the City as a result may include, without limitation, increased costs of administration and other damages difficult to measure; therefore, City and the Grantee agree that liquidated damages of \$1,000 Dollars (One thousand dollars) per day, per incident or other measure of violation, may be assessed from the first day that the City notifies the Grantee of the occurrence of the violation or incident, so long as Grantee remains non-compliant. These liquidated damages represent both Parties' best estimate of the damages likely to result from such compliance delays and do not include compensation for municipal property damage, damage to the City facilities, water supply or other public resources or properties and other losses, nor for liability risks as typically protected by insurance. Grantee may invoke the Dispute Resolution provisions as provided in Section 13 of this Franchise in connection with imposition of damages by the City under this section, but this shall not stay the continued accrual of such damages.

(b) Termination of Franchise. The City may also terminate this Franchise if Grantee materially breaches or otherwise fails to perform, comply with, or otherwise observe any of the material terms and conditions of this Franchise, or fails to maintain all required licenses and approvals from Jurisdictional Agencies, and fails to cure any such breach or default within thirty (30) calendar days of City's Representative providing Grantee Written notice thereof.

(c) The above cited remedies are cumulative and not exclusive, and, the exercise of one remedy shall not prevent the exercise of another or any rights of the City at law or equity.

12.2 Termination of Franchise Requires Vote of City Council. This Franchise shall not be terminated except upon a majority vote of the full membership of the City Council, after reasonable

notice to Grantee and an opportunity to be heard, provided that if exigent circumstances necessitate immediate termination, the hearing may be held as soon as possible after notice to Grantee of the termination by the City Representative. The Council may refer any portion of a dispute involving a potential termination of the Franchise to the City Hearings Examiner for hearing and recommendation.

12.3 Grantee's Termination of Franchise.

Grantee may terminate this Franchise upon 30-days' written notice to City.

12.4 Grantee's Obligations Upon Termination of Franchise.

(a) In the event of termination of this Franchise, Grantee shall immediately discontinue Operation of its Facilities in the Franchise Area unless doing so creates an appreciable risk to human health, safety, or the environment, in which case Grantee shall discontinue Operations of its Facilities in the Franchise Area as quickly as it is able to do so without threatening human health, safety, or the environment, in accordance with a schedule approved by Jurisdictional Agencies.

(b) Once the Grantee's rights to Operate in the Franchise Area have terminated, Grantee shall comply with the Franchise provisions regarding removal and/or abandonment of Facilities.

(c) Either Party may invoke the Dispute Resolution provisions set forth in Section 13 of this Franchise, as it deems necessary with regard to termination. Alternatively, the City may elect to seek relief directly in Superior Court, in which case the Dispute Resolution requirements of Section 13 shall not be applicable.

12.5 Termination of this Franchise Shall Not Release Either Party From Liability.

(a) Termination of the Franchise shall not release either Party from any obligation with respect to any matter occurring prior to such termination, nor shall such termination release Grantee from any obligation to remove or secure Grantee's Facilities on the Premises within the Franchise Area and to restore the Premises within the Franchise Area, including, but not limited to, Grantee's compliance with the terms of this Franchise regarding removal and/or abandonment of its Facilities, in accordance with Environmental Laws and the applicable regulations of Jurisdictional Agencies.

(b) The City's failure to exercise a particular remedy at any time shall not waive the City's right to terminate, assess penalties, or assert any other remedy at law or equity for any future breach or default by Grantee.

12.6 Covenants in Franchise Enforceable in Court. The Parties acknowledge that the covenants set forth herein are essential to this Franchise, and, but for the mutual agreements of the Parties to comply with such covenants, the Parties would not have entered into this Franchise. The Parties further acknowledge that they may not have an adequate remedy at law if the other Party violates such covenant; therefore, the Parties shall have the right, in addition to any other rights they may have, to obtain injunctive relief in Spokane County Superior Court to restrain any breach or threatened breach of Franchise terms, or to specifically enforce any of the covenants contained herein should the other Party fail to perform them.

Section 13. Dispute Resolution.

13.1 Resolution of Disputes by Franchise Administrators. In the event of a dispute between City and Grantee arising by reason of this Franchise, or any obligation hereunder, the dispute shall first be referred to the operational officers or representatives designated by the City and the Grantee

to have oversight over the administration of this Franchise. Said officers or representatives shall meet within thirty (30) calendar days of either Party's request for a meeting, and the Parties shall make a good faith effort to attempt to achieve a resolution of the dispute.

13.2 Resolution of Disputes by Mediation. In the event that the Parties are unable to resolve a dispute under the procedure set forth in Section 13.1, then the Parties hereby agree that the matter shall be referred to mediation. The Parties shall mutually agree upon a mediator to assist them in resolving their differences. If the Parties are unable to agree upon a mediator, the Parties shall jointly obtain a list of seven (7) mediators from a reputable dispute resolution organization and alternately strike mediators from that list until one remains. Any expenses incidental to mediation shall be borne equally by the Parties. If the dispute involves a matter previously mediated, the mediation process need not be repeated.

13.3 Judicial Remedy. If the Parties fail to achieve a resolution of the dispute through mediation, either Party may then pursue any available judicial remedies by filing an action in Spokane County Superior Court; provided that, if the Party seeking judicial redress does not substantially prevail in the judicial action, it shall pay the other Party's reasonable legal fees and costs incurred in the judicial action.

13.4 Grantee may continue to Operate Facilities within the Franchise Area during the Dispute Resolution Process, but this shall not affect either Party's right to seek injunctive relief to protect their interests in a court of competent jurisdiction in Spokane County.

Section 14. Indemnification.

14.1 General Indemnification. Except for environmental matters, which are covered by a separate indemnification, the Grantee shall indemnify, defend, and hold harmless the City, its agents, officers, elected officials, or employees from any and all liability, loss, damage, cost, expense, and

claim of any kind whether at law or in equity, including reasonable attorneys' and experts' fees incurred by the City in defense thereof, arising out of, or related to, directly or indirectly, the installation, Construction, Operation, use, location, testing, repair, Maintenance, Improvement, removal, or abandonment of Grantee's Facilities on the Premises within the Public Right-of-Way or on other Public Property within the Franchise Area under the authority of this Franchise, or from the existence of Grantee's Facilities in the Franchise Area, or from any leak, spill, rupture or other release of the Petroleum Products contained in, transferred through, or released from said Facilities, including the reasonable costs of assessing any such damages and any liability for costs of investigation, abatement, correction, cleanup, fines, penalties or other damages arising under any Environmental Laws or the applicable regulations of Jurisdictional Agencies. If any administrative or judicial action is brought against the City by reason of the rights granted to Grantee for the Construction, Maintenance, Operation or Improvement of its Facilities within the Franchise Area under the terms of this Franchise Ordinance, Grantee shall defend the City, its agents, officers, elected officials, or employees at the Grantee's sole cost and expense. This general indemnification does not apply to the extent that any matters are shown to be proximately caused by the City's negligence or willful misconduct.

14.2 Environmental Indemnification.

(a) Grantee shall indemnify, defend and hold harmless the City, its agents, officers, elected officials or employees from and against any and all liability, loss, damage, expense, actions or claims, either at law or in equity, for environmental damages arising out of, or related to, directly or indirectly, the installation, Construction, Operation, use, location, testing, repair Maintenance, Improvement, removal, or abandonment of Grantee's Facilities in the Public Right-of-Way or on other Public Property within the Franchise Area under the authority of this Franchise,

including, but not limited to, costs and reasonable attorneys' and experts' fees incurred by City in defense thereof, arising directly or indirectly from:

(1) Grantee's breach of any Environmental Laws or the regulations of Jurisdictional Agencies applicable to the Grantee's Facilities; or

(2) Any release of Petroleum Products or other Hazardous Substances from the Grantee's Facilities within the Franchise Area; or

(3) Any other incident arising from Grantee's activities related to the rights granted under this Franchise including actions by Grantee, or its agents, contractors or subcontractors.

(b) This indemnity includes but is not limited to:

(1) Liability for any Governmental Agency's costs of removal of, or remedial action for, a leak, spill, rupture or release of Petroleum Products or other Hazardous Substances from Grantee's Facilities;

(2) Damages to natural resources caused by a leak, spill, rupture or other release of Petroleum Products or other hazardous substances from Grantee's Facilities, including the reasonable costs of assessing such damages;

(3) Liability for any other person's costs, including the City's (except for those excluded because they were not proximately caused by the City's negligence or willful misconduct as set forth in subsection (c), below), of responding to any leak, spill, rupture or other release of Petroleum Products or other Hazardous Substances from Grantee's Facilities;

(4) Liability for any costs of investigation, abatement, correction, cleanup, fines, penalties, or other damages arising under any Environmental Laws or the applicable regulations of Jurisdictional Agencies; and

(5) Liability for personal injury, property damage, or economic loss from the acts or omissions of the Grantee related to the City's grant of this Franchise or Grantee's Operation, Maintenance, Construction or Improvement of the Facilities arising under any statutory or common-law theory.

(c) This environmental indemnification does not apply to the extent that any matters are shown to be proximately caused by the City's negligence or willful misconduct.

14.3 Indemnity Obligations Survive Termination. The indemnity provisions contained herein shall survive the expiration, revocation, or termination of this Franchise and shall continue for as long as the Grantee's Facilities shall remain in, or on, the Premises within the Franchise Area or until the Parties execute a new Franchise which modifies or terminates these indemnity provisions.

Section 15. Insurance and Bond Requirements.

15.1 Insurance Requirement.

(a) During this Franchise, Grantee shall procure and maintain, at its sole cost and expense, from carriers with an AM Best's Financial Strength Rating of at least A- commercial general liability insurance, including sudden and accidental pollution in the minimum amount of One Hundred Million Dollars (\$100,000,000) for each occurrence and in the annual aggregate, in a form reasonably acceptable to the City. Insurance coverage shall include, but is not limited to, all defense costs. Grantee and City agree that, every five years following the effective date of this Franchise, either party may request in writing that both parties meet to discuss the continuing appropriateness of the Insurance Requirement and whether new circumstances merit an adjustment of the Insurance Requirement. The parties agree to meet and discuss this matter in good faith, but neither party is obligated to agree to an adjustment of the Insurance Requirement.

(b) Grantee is permitted to self-insure a portion of the total amount of insurance required in Section 15.1(a), above, in an amount up to and including Twenty-five Million Dollars (\$25,000,000). In lieu of a policy of insurance, a portion or the entire amount of coverage above Grantee's self-insured portion may, at Grantee's option, be met by one or more Guarantees from Grantee's ownership interests, substantially in the form as the template Guaranty attached as Exhibit B. The Grantee shall notify the City of change of ownership of any of the Guarantees or insolvency of any Guarantee.

15.2 Grantee to Provide Proof of Insurance. Upon request, Grantee shall provide evidence of the coverage required in Section 15.1 in a form reasonably acceptable to City. Further, any policies of insurance procured and maintained by Grantee to satisfy the requirements in Section 15.1 shall, to the extent of Grantee's indemnification obligations herein of Grantor, show Grantor as an additional insured, provide a waiver of subrogation in favor of Grantor, and respond as primary to any insurance carried by Grantor. Further, such policies shall contain a provision that the policy shall not be canceled without a minimum of thirty (30) days prior Written notice to the City or otherwise is allowed under the terms and conditions of the policy.

15.3 Grantee is permitted to procure insurance from more than one carrier to meet the insurance obligations specified in Section 15.1(a), above. Insurance carriers are not required to be "admitted" in the State of Washington.

15.4 Bond and Insurance Requirements Survive Termination. The insurance and bond provisions contained herein shall be negotiated at the expiration, revocation, or termination of this Franchise and shall continue for as long as the Grantee's Facilities shall remain in, or on, the Premises within the Franchise Area or until the Parties execute a new Franchise Agreement which modifies or terminates these indemnity, insurance, and bond provisions.

Section 16. Receivership or Foreclosure of Grantee.

16.1 Notice to City – Bankruptcy. Grantee shall immediately notify the City in Writing if Grantee:

(a) files a voluntary petition in bankruptcy, a voluntary petition to reorganize its business, or a voluntary petition to effect a plan or other arrangement with creditors; or

(b) files an answer admitting the jurisdiction of the Bankruptcy Court and the material allegations of an involuntary petition filed pursuant to the Bankruptcy Code, as amended; or

(c) is adjudicated bankrupt, makes an assignment for the benefit of creditors, or applies for, or consents to, the appointment of any receiver or trustee of all or any part of its property including all or any parts of its business operations or Facilities within or affecting the Franchise Area.

16.2 Notice to City -- Foreclosure. Upon the foreclosure or other judicial sale of all, or a substantial part of, Grantee's business operations or Facilities within or affecting the Franchise Area, or upon the termination of any lease covering all, or a substantial part of, the Facilities within or affecting the Franchise Area, Grantee shall notify the City Representative of such fact.

16.3 City's Right to Terminate Franchise Upon Appointment of Receiver. The City shall have the right to cancel this Franchise one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of a Grantee, whether in receivership, reorganization, bankruptcy, or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) days, or unless:

(a) Within one hundred twenty (120) days after the election or appointment, such receiver or trustee shall have fully complied with all of the provisions of this Franchise and remedied any existing violations and/or defaults; and

(b) Within said one hundred twenty (120) days, such receiver or trustee shall have executed an agreement, duly approved by the court having jurisdiction, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise granted to the Grantee except where expressly prohibited by applicable provisions of State or Federal law.

16.4 City's Right to Seek Injunctive Relief. Nothing in this Section shall limit the ability of the City to seek emergency or injunctive relief against Grantee if it deems the City water supply, Wellhead or Aquifer to be in significant danger or jeopardy. Such action shall not be an election of remedies but shall preserve all other remedies in addition, at contract, law, or equity.

Section 17. Annual Franchise Fee and Costs.

17.1 Franchise Fee. In consideration for granting this Franchise to Grantee and for the use of the Premises within the Franchise Area, there is hereby established an annual Franchise Fee equal to Twenty- five Thousand Dollars/year (\$25,000).

The annual Franchise Fee shall remain constant for the first five (5) years of this Franchise and shall then subsequently be increased every year by the national Consumer Price Index for Urban Consumers (CPI-U) as published in January of that year, or at a rate of 1.5%, whichever is greater.

17.2 Fee Payment in Installments. The first installment shall be paid at the time Grantee accepts this Franchise and shall cover the next twelve (12) months. Each succeeding installment shall cover the next twelve (12) month period and shall be paid not later than the anniversary date of the Effective Date of this Franchise.

17.3 Interest on Late Payments. Interest shall accrue on any late payment of the Franchise Fee at the rate of twelve percent (12%) per annum. Such interest shall be in addition to any applicable and customary penalties for late payment. Any partial payment shall first be applied to any applicable and customary penalties, then interest, and then to principal.

17.4 The Franchise Fee set forth above, does not include standard and customary payments associated with the City's administrative expenses incurred in reviewing, licensing, permitting, or granting any other approvals necessary for the Grantee to Operate, Maintain, Construct or Improve its Facilities, or for any inspection or enforcement costs thereunder (i.e. customary permitting fees). Additionally, the foregoing annual fee does not include any generally applicable taxes that the City may legally levy.

Section 18. Legal Relations; Charter Requirements.

18.1 No Relationship Created by Grant of Franchise. Nothing contained in this Franchise shall be construed to create an association, trust, partnership, agency relationship, or joint venture between the City and Grantee, or to impose a trust, partnership, or agency duty, obligation or liability on, or with regard to, either Party. Each Party shall be individually and severally liable for its own duties, obligations, and liabilities under this Franchise.

18.2 No Warranty by City. The Grantee accepts any privileges granted hereunder by the terms of this Franchise for the installation of its Facilities on the Premises within the Public Right-of-Way and on other Public Property within the Franchise Area in an "as is" condition. Grantee stipulates and agrees that the City has never made any representations, or any implied or express warranties or guarantees as to the suitability, security, or safety of the Premises for Grantee's location of its Facilities or any representations as to possible hazards or dangers arising from other uses of the Premises by the City, the general public, or other utilities. As between the City and the Grantee, the Grantee shall remain solely and separately liable for the operation, testing, Maintenance, Construction, Improvement, replacement, and/or repair of the Facilities or other activities permitted hereunder.

18.3 Workers' Compensation Immunity Waiver. Grantee waives immunity under Title 51 RCW in any cases involving the City and affirms that the City and Grantee have specifically negotiated this provision, to the extent it may apply.

18.4 Franchise Creates No Duty on City. This Franchise shall not create any duty of the City or any of its officials, elected officials, employees or agents and no liability shall arise from any action or failure to act by the City or any of its officials, elected officials, employees or agents in the exercise of powers reserved to the City. Further, this ordinance is not intended to acknowledge, create, imply or expand any duty or liability of the City with respect to any function in the exercise of its police power or for any other purpose. Any duty that may nonetheless be deemed to be created in the City shall be deemed a duty to the general public and not to any specific party, group or entity.

18.5 Supplementing and not by way of limitation of other provisions, the City reserves all rights under its City Charter and as allowed by applicable provisions of Federal and State law, including expressly those conditions stated in Sections 106, 107 and 108, of the City Charter as applicable.

18.6 Grantee may not issue any capital stock on account of the Franchise or the value thereof and shall have no right to receive any return on account of the Franchise or its value.

18.7 As applicable, the Franchise and all things constructed thereunder shall be subject to common use by any other grantee or assignee of any other franchise, whenever there shall be necessity therefor, upon payment or tender of compensation for such use. The question of necessity, compensation and all other questions relating thereto, shall be judicial questions, but no judicial proceeding shall suspend or postpone such use if the person or corporation desiring such common use shall deposit in the court such sums as the court, in a preliminary hearing may determine.

Section 19: Miscellaneous.

19.1 Interpretation and Venue. This Franchise shall be governed by, and construed in accordance with the laws of the State of Washington and the Parties agree that in any action, except for actions based on Federal questions, that jurisdiction and venue shall lie exclusively in the Superior Court of Spokane County, Washington. For any Federal judicial action involving the rights granted under this Franchise, venue shall lie in the United States District Court for the Eastern District of Washington.

19.2 Amendment or Modification of Franchise. In the event that a court of competent jurisdiction declares a material provision of this Franchise to be invalid, illegal or unenforceable, the Parties shall negotiate in good faith and agree, to the maximum extent practicable in light of such determination, to make such amendments or modifications to the Franchise as are appropriate actions so as to give effect to the intentions of the Parties as reflected herein. If severance from this Franchise of the particular provision(s) determined to be invalid, illegal or unenforceable will fundamentally impair the value of this Franchise, either Party may bring an action in the Spokane County Superior Court to reform or reconstitute the Franchise so as to recapture the original intent of said particular provision(s). All other provisions of the Franchise shall remain in effect at all times during which negotiations or a judicial action remains pending.

19.3 Time is of the Essence. Whenever this Franchise sets forth a time for any act to be performed, such time shall be deemed to be of the essence, and any failure to perform within the allotted time may be considered a material violation of the requirement of this Franchise. Where no specific time is specified, performance shall be made in a reasonable time, and for such performance, time is also of the essence.

19.4 Effect of Force Majeure. In the event that Grantee is prevented or delayed in the performance of any of its obligations under this Franchise by reason(s) beyond the reasonable control of Grantee, performance shall be excused during and to the extent of such Force Majeure occurrence. Upon removal or termination of the Force Majeure occurrence the Grantee shall promptly perform the affected obligations in an orderly and expedited manner under this Franchise or procure a substitute for such obligation or performance that is reasonably satisfactory to City. Grantee shall not be excused by mere economic hardship, or by the misfeasance or malfeasance of its directors, officers, or employees or any other conditions that might have been reasonably foreseen or avoided, with the exercise of reasonable care and diligence.

19.5 Section Headings.

(a) The Section headings in this Franchise are for convenience only, and do not purport to and shall not be deemed to define, limit, or extend the scope or intent of the Section to which they pertain.

(b) This Franchise is expressly subject to the terms of the Spokane City Charter and Article XI thereof.

19.6 No Third Party Liability. By entering into this Franchise, the Parties expressly do not intend to create any obligation or liability, or promise any performance to any third Party, nor have the Parties created for any third Party any right to enforce this Franchise.

19.7 Successors and Assignees Bound by Franchise. This Franchise and all the provisions shall be binding upon and inure to the benefit of the respective successors and permitted assignees of the Parties.

19.8 Notice Requirements. Whenever this Franchise calls for notice to or notification by any Party, the same (unless otherwise specifically provided) shall be in Writing and directed to the

recipient at the address set forth in this Section, unless written notice of change of address is provided to the other Party. If the date for making any payment or performing any act is a legal holiday, payment may be made or the act performed on the next succeeding business day which is not a legal holiday.

Notices shall be directed to the Parties as follows:

19.9 Authority of Parties to Execute Franchise. The Parties each represent and warrant that they have full authority to enter into and to perform this Franchise, that they are not in default or violation of any permit, license, or similar requirement necessary to carry out the terms hereof, and that no further approval, permit, license, certification, or action by a Jurisdictional Agency is required to execute and perform this Franchise, except such as may be routinely required and obtained in the ordinary course of business.

19.10 Franchise Supersedes All Previous Agreements. This Franchise and the attachments hereto represent the entire understanding and agreement between the Parties with respect to the subject matter and it supersedes all prior oral negotiations between the Parties. This Franchise can be amended, supplemented, modified, or changed only by an agreement in writing which makes specific reference to the Franchise or the appropriate attachment and which is signed by both Parties. No waiver of any provision of this Franchise shall be effective unless reduced to writing and signed by

the Party granting the waiver. All previous franchise agreements between the Parties pertaining to Grantee's Construction, Maintenance, Improvement or Operation of its Facilities within the Franchise Area are hereby superseded.

19.11 Purpose of Franchise; Acceptance of Franchise.

(a) The purpose of this Franchise is to grant Grantee the right to Operate, Maintain, Construct and Improve its Facilities in the Franchise Area and to assure the City protection against liability or loss in connection with Grantee's enjoyment of the Franchise, including loss or damage to the public water supply, City Wellhead area or Aquifer contamination. This Franchise shall be liberally construed to accomplish these purposes.

(b) Grantee shall, within thirty (30) days after passage of this Ordinance, file with the City Clerk, its unconditional Written acceptance of all the terms and conditions of this Franchise. If Grantee shall fail to so file its Written acceptance within such period, then the rights and privileges granted hereunder shall be deemed forfeited.

19.12 Effective Date. The Effective Date of this Franchise shall be the 1st day of _____, 2020, after passage, approval and legal publication of this Ordinance as provided by law, and provided it has been duly accepted by Grantee as herein above provided. On that date, the rights, duties and obligations shall come into effect and the date from which the time requirement for any notice, extension and/or renewal will be measured. The City has made no effort to verify that Grantee compliance, and waives no existing deficiencies at the time of Franchise approval.
