2. No Cheering!
3. No Booing!
4. No public outbursts!
5. Three-minute time limit for comments made during open forum and public testimony on legislative items!

In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

**Rule 2.2 OPEN FORUM**

A. At each meeting, after the conclusion of the legislative agenda, the Council shall hold an open public comment period until 9:30 pm, which may be extended by motion.

B. At the beginning of the open forum session, staff will collect the sign-up sheet(s) and deliver them to the Chair. The order of the speakers and the appropriate time limits for the speakers will be determined at the discretion of the Chair. Each speaker shall be limited to no more than three minutes.

C. No action, other than a statement of Councilmembers’ intent to address the matter in the future, points of order, or points of information will be taken by Council members during an open forum.

D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City and items not currently included on that week’s current agenda or the next week’s advance Council agendas. No person shall be permitted to speak in open forum regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. **Rule 2.7 SERVICE ANIMALS AT CITY COUNCIL MEETINGS**

A. For purposes of these Rules, only dogs that are individually trained to do work or perform tasks for a person with a disability are recognized as service animals. Dogs or other animals whose sole function is to provide comfort or emotional support do not qualify as service animals under these Rules. Service animals are permitted to accompany people with disabilities in City Council meetings, as well as all areas where members of the public are allowed to go.

B. Service animals must, at all times while present in a City Council meeting, be harnessed, leashed, or tethered, unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices, in which case, the individual must maintain control of the animal through voice, signal, or other effective controls.

**Rule 2.15 PARTICIPATION OF MEMBERS OF THE PUBLIC IN COUNCIL MEETINGS**

A. Members of the public may address the Council regarding the following items on the Council’s legislative agenda: first and final readings of regular and special budget ordinances, emergency ordinances, special consideration items, hearing items, and other items before the City Council requiring Council action, except those that are adjudicatory or solely administrative in nature. This rule shall not limit the public’s right to speak during the open forum.

B. No member of the public may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. Council members must be recognized by the Chair for the purpose of obtaining the floor.

C. Each person speaking in a public Council meeting shall verbally identify themselves by name, city of residence, and, if appropriate, representative capacity.

D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded, and documents submitted for the record are identified and marked by the Clerk.

E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language, or personal insults will be permitted.

F. A speaker asserting a statement of fact may be asked to document and identify the sources of the factual datum being asserted.
G. When addressing the Council, members of the public shall direct all remarks to the Council President, shall refrain from remarks directed personally to any Council Member, and shall confine remarks to the matters that are specifically before the Council at that time.

H. When any person, including members of the public, City staff, and others, are addressing the Council, Council members shall observe the same decorum and process, as the rules require among the members inter se. That is, a Council member shall not engage the person addressing the Council in colloquy but shall speak only when granted the floor by the Council President. All persons and/or Council members shall not interrupt one another. The duty of mutual respect set forth in Rule 1.2 and the rules governing debate set forth in Robert’s Rules of Order, newly revised, shall extend to all speakers before the City Council. The City Council’s Policy Director and/or City Attorney shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak.

Rule 2.16 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

A. The City Council shall take public testimony on all matters included on its legislative agenda as described at Rule 2.16(A), with those exceptions stated in Rule 2.17(B). Public testimony shall be limited to the final Council action, except that public testimony shall be allowed at the first reading of ordinances. Public testimony shall be limited to three (3) minutes per speaker, unless, at their discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will be needed for each speaker in order to accommodate all speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.

B. No public testimony shall be taken on items on the Council’s consent agenda, amendments to legislative agenda items, or solely procedural, parliamentary, or administrative matters of the Council, including amendments to these Rules.

C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented at the discretion of the Council President:

1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:

   a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.

   b. The designated representative of the proponents of the issue shall speak first and may include within their presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes may be granted for the proponent’s presentation. If there be more than one designated representative, they shall allocate the allotted time between or among themselves.

   c. Following the presentation of the proponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the proponents who wishes to speak on behalf of the proponent’s position.

   d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same amount of time which was allotted to the proponents.

   e. Following the presentation by the opponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the opponents who wishes to speak on behalf of the opponents’ position.

   f. Up to ten (10) minutes of rebuttal time may be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.

2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three (3) minutes to present their position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.

3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.

D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative’s testimony.

THAT FACILITATE ECONOMIC OPPORTUNITY
AND ENHANCE QUALITY OF LIFE.
LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

If a claim or suit is caused by or results from the concurrent negligence of Company’s agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of Company, its agents or employees. Advisor provides investment advisor services for its clients. Client wishes to retain Advisor to provide Client with Non-Discretionary Investment Advisory Services under the terms set forth below:

Section 1 – Non-Discretionary Investment Advisory Services. Based upon information furnished to Advisor by Client, Advisor shall provide Client with such Non-Discretionary Investment Advisory Services as may be agreed upon by Advisor and Client and further detailed in Schedule A. The foregoing notwithstanding, Advisor shall not, and shall not be required to, take any action or render any advice with respect to legal action or proceedings (including bankruptcy proceedings) with respect to securities.

Section 2 – Client Information. Client agrees to consult with Advisor and to provide Advisor with all information relevant to the Non-Discretionary Investment Advisory Services to be provided by Advisor. Client understands that Advisor shall depend on the accuracy, timeliness and completeness of such information in providing the Non-Discretionary Investment Advisory Services. Client represents and agrees that the information provided by Client will be, to the best of Client’s knowledge, substantially accurate and complete.

Section 3 – Risk of Investment. Client recognizes that there is no assurance as to the accuracy or timeliness of the Non-Discretionary Investment Advisory Services provided hereunder, and that any market losses resulting from such services are a risk assumed by Client. Client further acknowledges that the past performance of Advisor is not a guarantee of future results, which may prove to be better or worse than past results. Advisor has not and does not promise, represent or guarantee that Advisor’s services will result in a profit to Client, will yield a stated level of returns or will result in achievement of Client’s financial or investment objectives. Advisor may rely on information furnished to it which it reasonably believes to be accurate and reliable. Advisor shall have no liability for Client’s failure to inform...
Advisor in a timely manner of any material change in Client’s financial circumstances, investment or financial needs or objectives, or risk tolerance.

**Section 4 – Fees.** Client shall pay Advisor a Non-Discretionary Investment Advisory Services Fee for the provision of the Non-Discretionary Investment Advisory Services in accordance with fee table listed in Schedule A. The Non-Discretionary Investment Advisory Services Fee shall be a flat fee agreed upon at contract commencement. The Non-Discretionary Investment Advisory Services Fee shall paid to the order of Concourse Financial Group, Inc.

**Section 5 – Ongoing Review.** Except as otherwise explicitly set forth in Schedule A, Advisor makes no commitment to initiate a review or update of any Non-Discretionary Investment Advisory Services previously provided hereunder, or to monitor Client’s progress toward achieving Client’s financial objectives.

**Section 7 – Relationship of the Parties.** Client acknowledges that Advisor is a registered investment advisory firm and Representative is an investment advisory representative of Advisor. As such, Representative shall receive, and other individuals affiliated with Advisor may receive, a portion of the compensation paid by Client to Advisor under this Agreement.

**Section 8 – Confidentiality; Disclosure to Advisors.** The information about Client in Advisor’s possession or control that arises pursuant to the terms of this Agreement shall be treated as confidential, as set forth in Advisor’s privacy policy (a copy of which has been provided to Client). Notwithstanding the foregoing, Client hereby grants Advisor and Representative the authority to discuss, disclose and communicate any or all information received from Client or related to this Agreement to such third-party service providers as Client may designate.

**Section 9 – Term and Termination.** Notwithstanding Section11 below, the term of this Agreement shall commence on the date last signed below by a party this Agreement, and shall remain effective until either party elects to terminate it. This Agreement may be terminated by Client upon thirty (30) days’ written notice to Advisor in accordance with Section 13 below. The Advisor may terminate the agreement with ninety (90) days’ written notice to the Client.

**Section 10 – Effective Date; Amendment and Assignment.** This Agreement shall not become effective unless approved in writing by an authorized signatory of Advisor. No modification or amendment to this Agreement shall be effective unless made in writing and signed by Client and Advisor. This Agreement may not be assigned by either party without the written consent of the other party.

**Section 11 – Applicable Law; Interpretation.** This Agreement shall be interpreted and construed in accordance with the laws of the state in which Client executed this Agreement (without giving effect to such state’s conflict of laws principles) and in a manner consistent with the securities laws, including
Investment Advisors Act of 1940 and the rules and regulations thereunder. The headings in this Agreement are for convenience of reference only, and shall not be considered in the interpretation hereof. This Agreement (including all Schedules and attachments hereto) constitutes the complete agreement of the parties with respect to the subject matter hereof.

Section 12 – Arbitration. (a) THIS AGREEMENT CONTAINS A DISPUTE ARBITRATION CLAUSE. BY SIGNING AN ARBITRATION AGREEMENT THE PARTIES AGREE AS FOLLOWS:

(b) Arbitration Disclosure

1. ALL PARTIES TO THIS AGREEMENT ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.

2. ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING; A PARTY’S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.

3. THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.

4. THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD UNLESS, IN AN ELIGIBLE CASE, A JOINT REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY ALL PARTIES TO THE PANEL AT LEAST 20 DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE.

5. THE PANEL OF ARBITRATORS MAY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.

6. THE RULES OF SOME ARBITRATION FORUMS MAY IMPOSE TIME LIMITS FOR BRINGING A CLAIM IN ARBITRATION. IN SOME CASES, A CLAIM THAT IS INELIGIBLE FOR ARBITRATION MAY BE BROUGHT IN COURT.

7. THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS AGREEMENT.

(c) Arbitration Agreement

ANY CONTROVERSY BETWEEN CLIENT, ADVISOR AND REPRESENTATIVE ARISING OUT OF ANY BUSINESS CONDUCTED BY OR BETWEEN THE PARTIES OR THIS AGREEMENT SHALL BE SUBMITTED TO ARBITRATION CONDUCTED BEFORE THE NATIONAL ASSOCIATION OF SECURITIES DEALERS, INC., AND IN ACCORDANCE WITH ITS RULES. IF FINRA ARBITRATION IS NOT AVAILABLE AND ENFORCEABLE FOR ANY REASON, THE ARBITRATION SHALL BE
CONDUCTED UNDER THE COMMERCIAL ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION (OR, IF SUCH RULES DO NOT EXIST, PURSUANT TO SUCH SUCCESSOR OR SIMILAR RULES AS ADVISOR SHALL STIPULATE). ARBITRATION MUST BE COMMENCED BY SERVICE UPON THE OTHER PARTY OF A WRITTEN DEMAND FOR ARBITRATION OR A WRITTEN NOTICE OF INTENTION TO ARBITRATE.

NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PREDISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION, OR WHO IS A MEMBER OF A PUTATIVE CLASS ACTION; OR WHO IS A MEMBER OF A PUTATIVE CLASS ACTION WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL: (i) THE CLASS CERTIFICATION IS DENIED; (ii) THE CLASS ACTION IS DECERTIFIED; OR (iii) THE CUSTOMER IS EXCLUDED FROM THE CLASS BY THE COURT. SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THIS AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

THE TERMS OF THIS SECTION 12 REGARDING ARBITRATION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

Section 13 – Address for Notices. All notices under this Agreement (including, without limitation, notices of termination under Section 10) shall be deemed properly given if delivered by hand, faxed, mailed by U.S. mail (first class, certified or registered), or delivered to a nationally-recognized express delivery service, and addressed to a party at the address set forth in the “Signatures” section of this Agreement (or to such other address as such party may provide by written notice as described herein).

Section 14 – Municipal Advisor Exemption. Client acknowledges that Advisor is not acting as a “municipal advisor” as that term is defined in Section 15B of the Securities Exchange Act and the rules promulgated thereunder (the “Municipal Advisor Rules”). Client further acknowledges that Advisor is acting under an exemption from registration as a municipal advisor for SEC-registered investment advisors.

Section 15 – Receipt of Information and Agreement. Client acknowledges that Client has received (1) a copy of Advisor’s Form ADV Part 2A; (2) Form ADV Part 2B; and (3) a copy of this Agreement, as signed by Client and Representative. Client has read and understands this Agreement. Client has had the opportunity to review this Agreement with advisors of Client’s choosing, and has either done so or has decided not to have this Agreement reviewed. Client agrees that disputes under this Agreement shall be resolved by binding arbitration, as provided in Section 12 entitled, “Arbitration”.

1 CONTRACT FORMATION

1.1 PARTIES

This Master Contract ("Contract") is entered into by and between the Washington State Department of Enterprise Services, an agency of Washington state government (hereinafter “DES”), and Loomis Armored US, LLC (hereinafter “Contractor” licensed to conduct business in the state of Washington, (hereinafter “Contractor”) for the purpose of providing Armored Car Services and Smart Safes.

1.2 RECITALS

The state of Washington, acting by and through DES issued Invitation for Bid (IFB) number 08115 dated January 7, 2016 (Exhibit A) for the purpose of establishing a Master Contract which would enable Contractor to provide services for Armored and Unarmored Car Services in accordance with its authority under RCW Chapter 39.26.

DES evaluated all properly submitted Responses to the above-referenced IFB and has identified Contractor as an Apparent Successful Bidder for Category 1 Armored Car Services and Category 3 Smart Safes.

DES has determined that entering into a Contract with Contractor will meet the state of Washington’s needs and will be in its best interest.

NOW THEREFORE, DES awards to Contractor this Master Contract, the terms and conditions of which shall govern Contractor’s competition for and provisioning of Armored Car Services and Smart Safes in all Washington State Counties except San Juan County.

This Master Contract neither financially binds the State nor otherwise obligates the State to purchase any products or Services hereunder. Nor does the Contract prevent the State from purchasing the same or similar products or Services from other sources, provided that, all legal acquisition requirements are satisfied.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

1.3 CONTRACT TERM

The initial term of the Contract is one (1) year from effective date, with the option to extend for additional term(s) or portions thereof. Extensions will be exercised at the sole discretion of DES and upon written mutual agreement. The total Contract term, including the initial term and all extensions, will not exceed eight (8) years unless circumstances require a special extension. DES reserves the right to extend with all or some of the Contractors.

1.4 MANDATORY SERVICE REQUIREMENTS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth in the Mandatory Service Requirements, Exhibit B.

1.5 SPECIAL TERMS AND CONDITIONS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth Exhibit C Special Terms and Conditions.

1.6 PRICING

The contract prices reflected in Exhibit D are the maximum prices the contractor may charge.
1.7 SECTION HEADINGS, INCORPORATED DOCUMENTS AND ORDER OF PRECEDENCE

The headings used herein are inserted for convenience only and shall not control or affect the meaning or construction of any of the sections.

Each of the documents listed below is, by this reference, incorporated into this Master Contract as though fully set forth herein:

a. Appendix B Price Sheet
b. Appendix C-Mandatory Service Requirements
c. Appendix E- Special Terms and Conditions
d. Appendix F-Bidder Profile
e. IFB No. 08115
f. Contractor’s Response to the IFB No. 08115
g. All Contractor or manufacturer publications, written materials and schedules, charts, diagrams, tables, descriptions, other written representations and any other supporting materials Contractor made available to DES or Purchaser and used to affect the sale of Services to Purchaser.
h. Award letter (if any)

In the event of a conflict in such terms, or between the terms and any applicable statute or rule, the inconsistency will be resolved by giving precedence in the following order:

a. Applicable federal and state of Washington statutes and regulations
b. Mutually agreed written amendments to the resulting Contract
c. The Contract, including all documents incorporated in the subsection immediately above.

1.8 CONFLICT AND CONFORMITY

Conflict: To the extent possible, the terms of the contract must be read consistently.

Conformity: If any provision of the contract violates any federal or state of Washington statute or rule of law, it is considered modified to conform to that statute or rule of law.

1.9 AUTHORITY TO BIND

The signatories to this Contract represent that they have the authority to bind their respective organizations to this Contract.

1.10 COUNTERPARTS

This Contract may be executed in counterparts or in duplicate originals. Each counterpart or each duplicate will be deemed an original copy of this Contract signed by each party, for all purposes.

1.11 CHANGES

DES reserves the right to modify the resulting Contract (including but not limited to adding or deleting products/services) by mutual agreement between DES and the Contractor. Alterations to any of the terms, conditions or requirements of this Contract will only be effective upon written issuance of a mutually-agreed Contract amendment by DES. Changes to point-of-contact information may be updated without the issuance of a mutually accepted Contract amendment.
1.12 PRICE ADJUSTMENTS

Firm and fixed period: Pricing will remain firm and fixed for one year from date of award of the contract.

Price protection: The contract prices are the maximum prices the contractor may charge.

If lower pricing for similar quantities becomes effective for the contractor, purchasers must be given immediate benefit of such lower pricing. The contractor may also offer volume and promotional discounts.

Price increases: The contractor may propose price increases on an annual basis by written notice to the Contract Administrator. Price increases are to be on a pass-through basis only and must not produce a higher profit margin for the contractor than that established by original contract pricing. Requests must include supporting documentation such as price increases at the manufacturer’s level and/or other documentation of cost increases.

Consideration of price increases will be at the sole discretion of the Contract Administrator. If a price increase is approved in part or in full, the resulting new contract pricing will be implemented through a contract amendment.

Contract extensions and price adjustments: Contractors may not make contract extensions contingent on price adjustments.

1.13 MISCELLANEOUS EXPENSES

Expenses related to day-to-day Contract performance (including but not limited to travel, lodging, meals, and incidentals) will not be reimbursed to the Contractor. However, DES recognizes that there may be occasions when the purchaser requires the bidder to travel. In such cases the purchaser must provide written pre-approval of such expenses on a case-by-case basis. Any such reimbursement will be at rates not to exceed the guidelines for state employees published by the Washington State Office of Financial Management set forth in the Washington State Administrative & Accounting Manual, and not to exceed expenses actually incurred.

3 STANDARD TERMS & CONDITIONS

3.1 CONTRACT MODIFICATIONS

DES reserves the right to modify the resulting Contract (including but not limited to adding or deleting products, services, or delivery locations) by mutual agreement between DES and the Contractor, so long as such modification is substantially within the scope of the original Contract. Such modifications will be memorialized in a signed written document describing the agreed upon change including any terms and conditions required to support such change.

3.2 CONTRACT ADMINISTRATION

DES will appoint a single point of contact that will be the Contract Administrator for this Contract and will provide Contract oversight. The Contract Administrator will be the principal contact for the Contractor for business activities under this Contract. DES will notify Contractor, in writing, when there is a new Contract Administrator assigned to this Contract.

3.3 CONTRACTOR SUPERVISION AND COORDINATION

Contractor shall:

a. Competently and efficiently supervise and coordinate the implementation and completion of all Contract requirements specified herein.

b. Identify the Contractor’s Authorized Representative, who will be the principal point of contact for DES concerning Contractor’s performance under this Contract.

c. Immediately notify the Contract Administrator in writing of any change to the designated Authorized Representative assigned to this Contract.

d. Be bound by all written communications given to or received from the Contractor’s Authorized Representative.

Violation of any provision of this section may be considered a material breach establishing grounds for Contract termination.

3.4 POST-AWARD CONFERENCE

The Contractor may be required to attend a post-award conference scheduled by the Procurement Coordinator and/or the Contract administrator to discuss Contract performance requirements. The time and place of this conference will be scheduled following Contract award.

3.5 CONTRACT MANAGEMENT

Upon award this Contract, the Contractor shall:

a. Review the impact of the award and take the necessary steps needed to ensure that Contractual obligations will be fulfilled.

b. Promote and market the use of this Contract to all authorized Contract purchasers.

c. Ensure that those who endeavor to utilize this Contract are authorized purchasers under this Contract.

d. At no additional charge, assist purchasers in making the most cost effective, value based purchases which may include, but is not limited to:
Having representatives available to provide information regarding products and services, including visiting the purchaser site if needed, and providing purchaser with materials/supplies/equipment recommendations.

Providing purchasers with a detailed list of Contract items including current Contract pricing and part numbers.

The Contractor shall designate a customer service representative who will be responsible for addressing purchaser issues including, but not limited to:

- Logging requests for service, ensuring repairs are completed in a timely manner, dispatching service technicians and processing warranty claim documentation.
- Providing purchasers with regular and timely status updates in the event of a delay in repair or order fulfillment.
- Acting as the lead and liaison between the manufacturer and purchaser in resolving warranty claims for Contract items purchased.

3.6 CHANGES

Alterations to any of the terms, conditions, or requirements of this Contract shall only be effective upon written issuance of a mutually agreed Contract amendment by DES. However, changes to point of contact information may be updated without the issuance of a mutually agreed Contract amendment.

3.7 STATEWIDE PAYEE DESK

Contractors must register with the Statewide Payee Desk, maintained by DES, in order to be paid for Contract sales. Washington state agencies cannot make payments to a Contractor until it is registered. Registration materials are available here: Receiving Payment from the State.

3.8 MANAGEMENT FEE

Contractor will pay a management fee of 0.74 percent to DES on all state Contract sales/purchase price for work orders. The purchase price is defined as total invoice price less sales tax.

The management fee must be rolled into the Contractor’s current pricing; the fee must not be shown as a separate line item on an invoice unless specifically requested and approved by DES.

How to determine the fee: Total sales x .0074 = management fee.

DES may increase, reduce or eliminate the management fee, and reserves the right to negotiate Contract pricing with the Contractor when adjustment of the management fee might justify an increase in pricing. Written notifications of the management fee by DES become effective for new purchases or new change orders to existing purchases 30 calendar days after notification unless DES grants additional time.

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced and all management fees have been paid. Failure to accurately report total net sales, to submit a timely usage report, or remit timely payment of the management fee, may be cause for Contract termination, the charging of interest or penalties, or the exercise of other remedies provided by law.

The management fee does not include or supersede fee terms owed to other entities such as the NASPO Valuepoint Purchasing Group or governmental entities other than the state of Washington.
DES will invoice the Contractor every quarter based on sales reported by Contractor. Contractors are not to remit payment until they receive an invoice from DES.

Management fee payment must reference the Contract number, work request number (if applicable), the year and quarter for which the management fee is being remitted, and the Contractor’s name as it is known to DES, if not already included on the face of the check.

3.9 CONTRACT SALES REPORT

The management fee will be based on total Contract sales, which must be reported quarterly by the Contractor in the Contract Sales Reporting System. DES will provide a login password and a required vendor number.

“Zero” sales: Contractor is required to report “zero” sales even if no sales occurred during the reporting period.

The report shall identify:

A. Purchasers who have been invoiced for work orders awarded through this Contract;
B. Amounts invoiced for each purchaser during the reporting period

Reports must be submitted electronically within thirty (30) days after the end of the calendar quarter, i.e., no later than April 30, July 31, October 31 and January 31.

A further description of the sales reporting requirement and the management fee based upon it can be found in sections 3.8 and 3.9 of Appendix, Master Contract Terms and Conditions.

3.10 OTHER REQUIRED REPORTS

DES may require the Contractor to provide a detailed annual Contract sales history report. This report, if requested, will include at a minimum, but is not limited to: product description, part number or other product identifier, per unit quantities sold, and Contract price. This report must be provided to DES in an electronic format that can be read by MS Excel. Unless the solicitation specifies otherwise, all other required reports will be designed and approved by the parties by mutual agreement.

3.11 COMMON VENDOR-REGISTRATION AND BID-NOTIFICATION SYSTEM

Contractor shall be registered in Washington’s Electronic Business Solution (WEBS), the state’s common vendor registration and bid notification system (www.ga.wa.gov/webs). Contractors already registered need not re-register. It is the sole responsibility of Contractor to properly register and maintain an accurate vendor profile.

3.12 CONTRACTOR QUALIFICATIONS AND REQUIREMENTS

DES reserves the right to require receipt of proof of compliance with any of the requirements in this section within 10 calendar days from the date of request, and to terminate this Contract as a material breach for noncompliance with any requirement of this paragraph. Contractor shall maintain compliance with these requirements throughout the life of this Contract.

a. Qualified and established business

Prior to performance, or prior to that time if required by DES, law or regulation, Contractor must be an established business with all required licenses, fees, bonding, facilities, equipment, and trained personnel necessary to meet all requirements and perform the work as specified in the solicitation.

b. Authorized Service Provider and Product Reseller certifications
c. **Personnel substitutions**

If at Contract award or any time thereafter, any named individual specifically identified in the response to work on this engagement is not available, DES reserves the right to approve or reject any personnel substitutions.

d. **Use of Subcontractors**

Prior to performance, Contractor shall identify all Subcontractors who will perform services in fulfillment of Contract requirements. Additionally Contractor may be required to identify contact information as well as federal tax identification number (TIN), and anticipated dollar value of each subcontract.

DES reserves the right to approve or reject any and all Subcontractors that identified by the Contractor. Any Subcontractors not listed in the bidder’s response, who are engaged by the Contractor, must be pre-approved, in writing, by DES.

Contractor agrees to be responsible for all actions of any Subcontractors in the performance of this Contract. The Contractor shall be responsible to ensure that all requirements of the Contract shall flow down to any and all Subcontractors. In no event shall the existence of a subcontract operate to release or reduce the liability of Contractor to the state for any breach in the performance of the Contractor’s duties.

e. **Assignment**

Contractor shall not assign or otherwise transfer its obligations or any claim arising under this Contract without the prior written consent of DES. Such consent will not be unreasonably withheld. Contractor shall provide a minimum of 30 calendar days advance notification of intent to assign or otherwise transfer its obligations under this Contract. Violation of this provision may be considered a material breach and be grounds for Contract termination. Assignment or transfer of Contract shall not relieve the Contractor from its responsibilities and obligations under the Contract.

f. **Contractor authority and infringement**

Under this Contract, Contractor is authorized to sell only those materials, supplies, services and/or equipment as stated herein and allowed for by the Contract provisions. Contractor shall not misrepresent to purchasers that they have the Contract authority to sell any other materials, supplies, services and/or equipment. Further, Contractor may not intentionally infringe on other established state Contracts.

g. **Hours of labor**

In compliance with RCW 49.28, Contractor agrees that no worker, laborer, or mechanic in the employ of the Contractor or Subcontractor shall be permitted or required to work more than eight (8) hours in any one calendar day, or forty (40) hours in any one calendar week. However, in cases of extraordinary emergency such as danger to life or property, the hours of work may be extended but in such cases the rate of pay for time employed in excess of the above shall be at the prevailing overtime rate of pay. Except, Contracts will not require the payment of overtime rates for the first two hours worked in excess of eight (8) hours
per day when the employer has obtained the employee’s agreement (as defined in WAC 296-127-022) to work a four-day, ten-hour work week.

h. Materials and workmanship

The Contractor is required to furnish all materials, supplies, equipment and/or services necessary to perform Contractual requirements. Materials, supplies, equipment and/or services used in the performance of this Contract shall conform to all applicable federal, state, and local codes, regulations and requirements for such equipment, specifications contained herein, and the normal uses for which intended. Materials, supplies, and equipment shall be manufactured in accordance with the best commercial practices and standards for this type of materials, supplies, and equipment.

Any property of DES and/or purchaser furnished to the Contractor shall, unless otherwise provided herein or approved by DES and/or purchaser, be used only for the performance of this Contract.

The Contractor shall be responsible for damages as a result of any loss or damage to property of DES and/or purchaser which results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain, administer and protect that property in a reasonable manner and to the extent practicable in all instances.

If any DES and/or purchaser property is lost, destroyed, or damaged, the Contractor shall immediately notify DES and/or purchaser and shall take all reasonable steps to protect the property from further damage.

Title to other property, the cost of which is reimbursable to the Contractor under this Contract, shall pass to and vest in the purchaser upon (i) issuance for use of such property in the performance of this Contract, or (ii) commencement of use of such property in the performance of this Contract, or (iii) reimbursement of the cost thereof by the purchaser in whole or in part, whichever first occurs.

All reference to the Contractor under this clause shall also include Contractor’s employees, agents or Subcontractors.

3.14 STANDARD OF QUALITY/CONSISTENCY OVER TERM OF CONTRACT

Payment will not be considered late if a check or warrant is mailed within the time specified. If no terms are specified otherwise in the solicitation, net 30 days will automatically apply.
   
   Payment(s) made in accordance with Contract terms shall fully compensate the Contractor for all risk, loss, damages or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by Contractor.
   
   Payment for materials, supplies and/or equipment received and for services rendered shall be made by purchaser and be redeemable in U.S. dollars. Unless otherwise specified, the purchaser’s sole responsibility shall be to issue this payment. Any bank or transaction fees or similar costs associated with currency exchange procedures or the use of purchasing/credit cards shall be fully assumed by the Contractor.
   
   Note: when the state has been overcharged or otherwise reimbursed, the purchaser may elect to have either direct payments or written credit memos issued. If the Contractor fails to make timely payment(s) or issuance of credit memos, the purchaser may impose a 1% per month on the amount overdue 30 days after notice to the Contractor.

b. **Invoicing and discounts**

   Contractor must provide a properly completed invoice to purchaser. All invoices are to be delivered to the address indicated in the purchase order.
   
   Each invoice must be identified by the associated Contract number; the Contractor’s statewide vendor registration number assigned by the Washington State Office of Financial Management (OFM), the applicable purchaser’s order number, and must be in U.S. dollars. Statewide vendor registration numbers may be accessed here: [http://www.des.wa.gov/services/ContractingPurchasing/Business/VendorPay/Pages/VL.aspx](http://www.des.wa.gov/services/ContractingPurchasing/Business/VendorPay/Pages/VL.aspx). Invoices must be prominently annotated by the Contractor with all applicable prompt payment and/or volume discount(s) and shipping charges unless otherwise specified in the solicitation.
   
   Invoices for payment will accurately reflect all discounts due the purchaser. Invoices will not be processed for payment, nor will the period of prompt payment discount commence, until receipt of a properly completed invoice denominated in U.S. dollars and until all
invoiced items are received and satisfactory performance of Contractor has been accepted by the purchaser. If an adjustment in payment is necessary due to damage or dispute, any prompt payment discount period shall commence on the date final approval for payment is authorized.

3.16 TAXES, FEES AND LICENSES

a. Taxes

Where required by statute or regulation, the Contractor shall pay for and maintain in current status all taxes that are necessary for Contract performance. Unless otherwise indicated, the purchaser agrees to pay State of Washington taxes on all applicable materials, supplies, services and/or equipment purchased. No charge by the Contractor shall be made for federal excise taxes and the purchaser agrees to furnish Contractor with an exemption certificate where appropriate.

b. Collection of retail sales and use taxes

In general, Contractors engaged in retail sales activities within the State of Washington are required to collect and remit sales tax to Department of Revenue (DOR). In general, out-of-state Contractors must collect and remit “use tax” to Department of Revenue if the activity carried on by the seller in the State of Washington is significantly associated with Contractor’s ability to establish or maintain a market for its products in Washington. Examples of such activity include where the Contractor either directly or by an agent or other representative:

− Maintains an in-state office, distribution house, sales house, warehouse, service enterprise, or any other in-state place of business;
− Maintains an in-state inventory or stock of goods for sale;
− Regularly solicits orders from purchasers located within the State of Washington via sales representatives entering the State of Washington;
− Sends other staff into the State of Washington (e.g. product safety engineers, etc.) to interact with purchasers in an attempt to establish or maintain market(s); or
− Other factors identified in WAC 458-20.

c. Department of Revenue registration for out-of-state Contractors

Out-of-state Contractors meeting any of the above criteria must register and establish an account with the Department of Revenue. Refer to WAC 458-20-193, and call the Department of Revenue at 800-647-7706 for additional information. When out-of-state Contractors are not required to collect and remit “use tax,” purchasers located in the State of Washington are responsible for paying this tax, if applicable, directly to the Department of Revenue.

d. Fees/Licenses

After award of Contract, and prior to commencing performance under the Contract, the Contractor shall pay for and maintain in a current status any licenses, fees, assessments, permit charges, etc., which are necessary for Contract performance. It is the Contractor’s sole responsibility to maintain licenses and to monitor and determine any changes or the enactment of any subsequent regulations for said fees, assessments, or charges and to
immediately comply with said changes or regulations during the entire term of this Contract.

e. **Customs/Brokerage Fees**

Contractor shall take all necessary actions, including, but not limited to, paying all customs, duties, brokerage, and/or import fees, to ensure that materials, supplies, and/or equipment purchased under the Contract are expedited through customs. Failure to do so may subject Contractor to liquidated damages as identified herein and/or to other remedies available by law or Contract. Neither DES nor the purchaser will incur additional costs related to Contractor's payment of such fees.

f. **Taxes on invoice**

Contractor shall calculate and enter the appropriate state and local sales tax on all invoices. Tax is to be computed on new items after deduction of any trade-in in accordance with [WAC 458-20-247](#).

g. **Minority and Women's Business Enterprise (MWBE) participation**

Annually, the state may request that Contractor provide information of MWBE participation in this Contract through its certification as MWBE or that of its subcontractors and by providing a high-level account of amounts paid.

h. **Overpayments to Contractor**

Contractor shall refund to purchaser the full amount of any erroneous payment or overpayment under this Contract within 30 days' written notice. If Contractor fails to make timely refund, purchaser may charge Contractor 1 percent per month on the amount due, until paid in full.

i. **Audits**

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced. Any remedies and penalties allowed by law to recover monies determined owed will be enforced. Repetitive instances of incorrect invoicing may be considered complete cause for Contract termination.

### 3.17 QUALITY ASSURANCE

a. **Right of inspection**

Contractor shall provide right of access to its facilities to DES, or any of DES's officers, or to any other authorized agent or official of the State of Washington or the federal government, with advanced notice and as agreed upon by Contractor, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract.

b. **Contractor commitments, warranties and representations**

Any written commitment by Contractor within the scope of this Contract shall be binding upon Contractor. Failure of Contractor to fulfill such a commitment may constitute breach and shall render Contractor liable for damages under the terms of this Contract. For purposes of this section, a commitment by Contractor includes: (i) Prices, discounts, and options committed to remain in force over a specified period of time; and (ii) any warranty or representation made by Contractor in its bid or contained in any Contractor or manufacturer publications, written materials, schedules, charts, diagrams, tables,
descriptions, other written representations, and any other communication medium accompanying or referred to in its bid or used to effect the sale to purchaser.

c. **Warranties**

Contractor warrants that all materials, supplies, services and/or equipment provided under this Contract shall be fit for the purpose(s) for which intended, for merchantability, and shall conform to the requirements and specifications herein. Acceptance of any materials, supplies, service and/or equipment, and inspection incidental thereto, by the purchaser shall not alter or affect the obligations of the Contractor or the rights of the purchaser.

d. **Cost of remedy**

Cost of remedying defects: All defects, indirect and consequential costs of correcting, removing or replacing any or all of the defective materials or equipment will be charged against the Contractor.

### 3.18 INFORMATION AND COMMUNICATIONS

a. **Advertising**

Contractor shall not publish or use any information concerning this Contract in any format or media for advertising or publicity without prior written consent from DES.

b. **Retention of records**

The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and the provision of materials, supplies, services and/or equipment described herein, including, but not limited to, accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six (6) years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review, or audit by DES, personnel duly authorized by DES, the Washington State Auditor’s Office, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until final resolution of all litigation, claims, or audit findings involving the records.

c. **Proprietary or confidential information**

To the extent consistent with Chapter 42.56 RCW, the Public Disclosure Act, DES shall maintain the confidentiality of Contractor’s information marked confidential or proprietary. If a request is made to view Contractor’s proprietary information, DES will notify Contractor of the request and of the date that the records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DES will release the requested information on the date specified.

The state’s sole responsibility shall be limited to maintaining the above data in a secure area and to notify Contractor of any request(s) for disclosure for so long as DES retains Contractor’s information in DES records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are exempt from disclosure.
d. Non-endorsement and publicity

Neither DES nor the purchasers are endorsing the Contractor’s products or Services, nor suggesting that they are the best or only solution to their needs. Contractor agrees to make no reference to DES, any purchaser or the State of Washington in any literature, promotional material, brochures, sales presentation or the like, regardless of method of distribution, without the prior review and express written consent of DES.

3.19 GENERAL TERMS AND CONDITIONS

a. Governing law and venue

This Contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

b. Severability

Severability: If any provision of this Contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Contract that can be given effect without the invalid provision, and to this end the provisions of this Contract are declared to be severable.

c. Survivorship

All transactions executed for products and Services provided pursuant to the authority of this Contract shall be bound by all of the terms, conditions, Prices and Price discounts set forth herein, notwithstanding the expiration of the initial term of this Contract or any extension thereof. Further, the terms, conditions and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive. In addition, the terms of the sections titled Overpayments to Contractor; Ownership/Rights in Data; Contractor’s Commitments, Warranties and Representations; Protection of purchaser’s Confidential Information; Section Headings, Publicity; Retention of Records; Patent and Copyright Indemnification; Contractor’s Proprietary Information; Disputes; and Limitation of Liability shall survive the termination of this Contract.

d. Independent status of Contractor

In the performance of this Contract, the parties will be acting in their individual, corporate or governmental capacities and not as agents, employees, partners, joint ventures, or associates of one another. The parties intend that an independent Contractor relationship will be created by this Contract. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Contractor shall not make any claim of right, privilege or benefit which would accrue to an employee under Chapter 41.06 RCW, or Title 51 RCW.

e. Gifts and gratuities

Contractor shall comply with all state laws regarding gifts and gratuities, including but not limited to: RCW 39.26, RCW 42.52.150, RCW 42.52.160, and RCW 42.52.170 under which it is unlawful for any person to directly or indirectly offer, give or accept gifts, gratuities, loans, trips, favors, special discounts, services, or anything of economic value in conjunction with state business or Contract activities.
Under RCW 39.26 and the Ethics in Public Service Law, Chapter 42.52 RCW, state officers and employees are prohibited from receiving, accepting, taking or seeking gifts (except as permitted by RCW 42.52.150) if the officer or employee participates in Contractual matters relating to the purchase of goods or services.

**f. Immunity and hold harmless**

To the fullest extent permitted by law, each party shall indemnify, defend and hold harmless state, agencies of state and all officials, agents and employees of state (the “Indemnified Parties”), from and against all claims for bodily injury, death or damage to property arising out of or resulting from a negligent or wrongful act or omission on the part of the indemnifying party or a material breach of this Contract by the indemnifying party. Contractor’s obligation to indemnify, defend, and hold harmless includes any claim by Contractor’s agents, employees, representatives, or any Subcontractor or its employees.

Contractor waives its immunity under Title 51 to the extent it is required to indemnify, defend and hold harmless state and its agencies, officials, agents or employees.

**g. Personal liability**

It is agreed by and between the parties hereto that in no event shall any official, officer, employee or agent of the State of Washington when executing their official duties in good faith, be in any way personally liable or responsible for any agreement herein contained whether expressed or implied, nor for any statement or representation made herein or in any connection with this agreement.

Upon request, Contractor shall furnish evidence in the form of a certificate of insurance satisfactory to the State of Washington that insurance, in the following kinds and minimum amounts, has been secured. Failure to provide proof of insurance, as required, will result in Contract cancellation.

Contractor shall include all Subcontractors as insureds under all required insurance policies, or shall furnish separate Certificates of Insurance and endorsements for each Subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of Subcontractor(s) to comply with insurance requirements does not limit Contractor’s liability or responsibility.

All insurance provided in compliance with this Contract shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the state.

**b. Specific requirements**

Employer's Liability (Stop Gap): The Contractor will at all times comply with all applicable workers' compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the full extent applicable and will maintain Employers Liability insurance with a limit of no less than $1,000,000.00. This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Contractor or its officers, agents, representatives, assigns, or servants.

The insurance shall also cover bodily injury, including disease, illness and death, and property damage arising out of the Contractor’s premises/operations, independent Contractors, products/completed operations, personal injury and advertising injury, and Contractual liability (including the tort liability of another assumed in a business Contract), and contain separation of insured’s (cross liability) conditions.

Any exception must be reviewed and approved by the Risk Manager for the State of Washington, by submitting a copy of the Contract and evidence of insurance before Contract commencement. If an insurer is not admitted, all insurance policies and procedures for issuing the insurance policies must comply with [Chapter 48.15 RCW](https://legal.wa.gov/title2/chapter48/chapter48.15) and [Chapter 284-15 WAC](https://legal.wa.gov/title2/chapter284/chapter284.15).

g. **Excess coverage**

The limits of all insurance required to be provided by the Contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the Contractor from liability in excess of such limits.

### 3.21 INDUSTRIAL INSURANCE COVERAGE

The Contractor shall comply with the provisions of [Title 51 RCW](https://legal.wa.gov/title51/title51.01) Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, DES may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from the Contractor.
3.22 NONDISCRIMINATION
During the performance of this Contract, the Contractor shall comply with all applicable federal and state nondiscrimination laws, regulations and policies, including, but not limited to, Title VII of the Civil Rights Act, 42 U.S.C. section 12101 et. seq.; the Americans with Disabilities Act (ADA); and, Chapter 49.60 RCW, Discrimination – Human Rights Commission.

3.23 OSHA AND WISHA REQUIREMENTS
Contractor agrees to comply with conditions of the federal Occupational Safety and Health Administration (OSHA) and, if manufactured or stored in the State of Washington, the Washington Industrial Safety and Health Act (WISHA) and the standards and regulations issued thereunder, and certifies that all items furnished and purchased will conform to and comply with said laws, standards and regulations. Contractor further agrees to indemnify and hold harmless DES and purchaser from all damages assessed against purchaser as a result of Contractor’s failure to comply with those laws, standards and regulations, and for the failure of the items furnished under the Contract to so comply.

3.24 ANTITRUST
The state maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, the Contractor hereby assigns to the State of Washington any and all of the Contractor’s claims for such price fixing or overcharges which arise under federal or state antitrust laws, relating to the materials, supplies, services and/or equipment purchased under this Contract.

3.25 WAIVER
Failure or delay of DES or purchaser to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy provided in the Contract or by law; or DES’s or purchaser’s acceptance of or payment for materials, supplies, services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of DES or purchaser to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of Contract against the Contractor, no provision of this Contract shall be construed, expressly or by implication, as a waiver by DES or purchaser of any existing or future right and/or remedy available by law.

3.26 DISPUTES AND REMEDIES
a. Problem resolution and disputes
Problems arising out of the performance of this Contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between DES or the purchaser and Contractor and it cannot be resolved between the parties through the normal problem escalation processes, either party may initiate the dispute resolution procedure provided herein. The dispute shall be handled by a Dispute Resolution Panel in the following manner. Each party to this Contract shall appoint one member to the Panel. These two appointed members shall jointly appoint an additional member. The Dispute Resolution Panel shall review the facts, Contract terms and applicable statutes and rules and make a determination of the dispute as quickly as reasonably possible. The determination of the Dispute Resolution Panel shall be final and binding on the parties.
hereto. DES and/or purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

In the event a bona fide dispute concerning a question of fact arises between DES or the purchaser and Contractor and it cannot be resolved between the parties through the normal escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three business days. The initiating party shall have three business days to review the bid. If after this review a resolution cannot be reached, both parties shall have three business days to negotiate in good faith to resolve the dispute.

If the dispute cannot be resolved after three business days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three business days of receiving the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three business days.

The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to be bound by the determination of the Dispute Resolution Panel.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

DES, the purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by purchaser for materials, supplies, services and/or equipment being provided by Contractor, Contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided purchaser pays Contractor the amount purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

b. Administrative suspension

When it in the best interest of the state, DES may at any time, and without cause, suspend the Contract or any portion thereof for a period of not more than 30 calendar days per event by written notice from DES to the Contractor’s Representative. Contractor shall resume performance on the next business day following the 30th day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within the 30-day suspension period by DES providing the Contractor’s Representative with written notice of such demand.
c. Force majeure

The term “force majeure” means an occurrence that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of war, riots, strikes, fire, floods, windstorms, epidemics or other similar occurrences.

Exceptions: Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure.

Notification: If either party is delayed by force majeure, said party shall provide written notification within 48 hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights reserved: DES reserves the right to authorize an amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or services from the best available source during the time of force majeure, and Contractor shall have no recourse against the state.

d. Alternative dispute resolution fees and costs

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys’ fees incurred as a result of the alternative dispute resolution method.

e. Non-exclusive remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

3.27 LIQUIDATED DAMAGES

a. Limitation of liability

The parties agree that neither Contractor, DES nor purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled Termination for Default and Retention of Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

The Contractor, DES and purchaser are not liable for damages arising from causes beyond their reasonable control and without their fault or negligence. Such causes may include, but are not restricted to, acts of the public enemy, acts of a governmental body other than DES or the purchaser acting in either its sovereign or Contractual capacity, war, explosions,
fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, 
and unusually severe weather; but in every case the delays must be beyond the 
reasonable control and without fault or negligence of the Contractor, DES or the purchaser, 
or their respective Subcontractors.

If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not 
be liable for damages for such delays, unless the services to be performed were obtainable 
on comparable terms from other sources in sufficient time to permit Contractor to meet its 
required performance schedule.

Neither party shall be liable for personal injury to the other party or damage to the other 
party’s property except personal injury or damage to property proximately caused by such 
party’s respective fault or negligence.

b. Federal funding

In the event that a federally funded acquisition results from this procurement, the 
Contractor may be required to provide additional information (free of charge) at the request 
of DES or purchaser. Further, the Contractor may be subject to those federal requirements 
specific to the commodity.

c. Federal restrictions on lobbying

Contractor certifies that under the requirements of Lobbying Disclosure Act, 2 U.S.C., 
Section 1601 et seq., no federal appropriated funds have been paid or will be paid, by or on 
behalf of the Contractor, to any person for influencing or attempting to influence an officer 
or employee of any agency, a member of Congress, an officer or employee of Congress, or 
an employee of a member of Congress in connection with the awarding of any federal 
Contract, the making of any federal grant, the making of any federal loan, the entering into 
of any cooperative agreement, and the extension, continuation, renewal, amendment, or 
modification of any federal Contract, grant, loan, or cooperative agreement.

3.28 DEBARMENT AND SUSPENSION

Respondent certifies, by submitting this bid or proposal, that neither it nor its affiliates 
presently are debarred, suspended, proposed for debarment, declared ineligible or 
voluntarily excluded from participation in this procurement/Contract by any government 
agency. Respondent also agrees to notify DES if its debarment status changes during the 
bid process or after receiving notice of Contract award, if any. If respondent cannot certify 
this statement, attach a written explanation to the bid response for review.

3.29 CONTRACT TERMINATION

a. Material breach

A Contractor may be terminated for cause by DES, at the sole discretion of DES, for failing 
to perform a Contractual requirement or for a material breach of any term or condition.

Material breach of a term or condition of the Contract may include but is not limited to:

- Contractor failure to perform services or deliver materials, supplies, or equipment 
  by the date required or by an alternate date as mutually agreed in a written 
  amendment to the Contract;

- Contractor failure to carry out any warranty or fails to perform or comply with any 
  mandatory provision of the Contract;
• Contractor becomes insolvent or in an unsound financial condition so as to endanger performance hereunder;

• Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency or reorganization, or relief from creditors and/or debtors that endangers the Contractor’s proper performance hereunder;

• Appointment of any receiver, trustee, or similar official for Contractor or any of the Contractor’s property and such appointment endangers the Contractor’s proper performance hereunder;

• A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Contract.

b. Opportunity to cure

In the event that Contractor fails to perform a Contractual requirement or materially breaches any term or condition, DES may issue a written cure notice. The Contractor may have a period of time in which to cure. DES is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DES. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages, or otherwise affect any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, DES may do any one or more of the following:

− Exercise any remedy provided by law;
− Terminate this Contract and any related Contracts or portions thereof;
− Procure replacements and impose damages as set forth elsewhere in this Contract;
− Impose actual or liquidated damages;
− Suspend or bar Contractor from receiving future solicitations or other opportunities;
− Require Contractor to reimburse the state for any loss or additional expense incurred as a result of default or failure to satisfactorily perform the terms of the Contract.

c. Termination for cause

In the event DES, in its sole discretion, determines that the Contractor has failed to comply with the conditions of this Contract in a timely manner or is in material breach, DES has the right to suspend or terminate this Contract, in part or in whole. DES shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days or as otherwise specified by DES, or if such corrective action is deemed by DES to be insufficient, the Contract may be terminated. DES reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by DES to terminate the Contract.

In the event of termination, DES shall have the right to procure for all purchasers any replacement materials, supplies, services and/or equipment that are the subject of this Contract on the open market. In addition, the Contractor shall be liable for damages as
authorized by law including, but not limited to, any price difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor’s or its Subcontractor’s control, fault or negligence, the termination shall be deemed to be a “termination for convenience.” The rights and remedies of DES and/or the purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

d. Termination for convenience

Except as otherwise provided in this Contract, DES, at the sole discretion of DES, may terminate this Contract, in whole or in part by giving 60 calendar days or other appropriate time period written notice beginning on the second day after mailing to the Contractor. If this Contract is so terminated, purchasers shall be liable only for payment required under this Contract for properly authorized services rendered, or materials, supplies and/or equipment delivered to and accepted by the purchaser prior to the effective date of Contract termination. Neither DES nor the purchaser shall have any other obligation whatsoever to the Contractor for such termination. This Termination for Convenience clause may be invoked by DES when it is in the best interest of the State of Washington.

e. Termination for withdrawal of authority

In the event that DES and/or purchaser’s authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract and prior to normal completion, DES may terminate this Contract, in whole or in part, by seven calendar days written notice, or other appropriate time period, to Contractor.

f. Termination for non-allocation of funds

If funds are not allocated to purchaser(s) to continue this Contract in any future period, DES may terminate this Contract with seven calendar days written notice, or other appropriate time period, to Contractor, or work with Contractor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for materials, supplies, services and/or equipment including the net remainder of agreed-to consecutive periodic payments remaining unpaid beyond the end of the then-current period. DES and/or purchaser agree to notify Contractor in writing of such non-allocation at the earliest possible time.

No penalty shall accrue to the purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract in order to acquire similar materials, supplies, services and/or equipment from a third party.

g. Termination for conflict of interest

DES may terminate this Contract by written notice to Contractor if it is determined, after due notice and examination, that any party to this Contract has violated Chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of Contracts. In the event this Contract is so terminated, DES and/or purchaser shall be entitled to pursue the same remedies against Contractor as it could pursue in the event that the Contractor breaches this Contract.

h. Termination by mutual agreement
DES and the Contractor may terminate this Contract in whole or in part, at any time, by mutual agreement.

i. Termination procedure

In addition to the procedures set forth below, if DES terminates this Contract, Contractor shall follow any procedures DES specifies in the termination notice.

Upon termination of this Contract and in addition to any other rights provided in this Contract, DES may require the Contractor to deliver to the purchaser any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The purchaser shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) accepted by the purchaser, and the amount agreed upon by the Contractor and the purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are accepted by the purchaser, and (iv) the protection and preservation of property, unless the termination is for cause, in which case DES and the purchaser shall determine the extent of the liability of the purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. The purchaser may withhold from any amounts due the Contractor such sum as DES and purchaser determine to be necessary to protect the purchaser against potential loss or liability.

The rights and remedies of DES and/or the purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

After receipt of a termination notice, and except as otherwise expressly directed in writing by DES, the Contractor shall:

- Stop all work, order fulfillment, shipments, and deliveries under the Contract on the date, and to the extent specified, in the notice;
- Place no further orders or Subcontracts for materials, services, supplies, equipment and/or facilities in relation to the Contract except as is necessary to complete or fulfill such portion of the Contract that is not terminated;
- Complete or fulfill such portion of the Contract that is not terminated in compliance with all Contractual requirements;
- Assign to the purchaser, in the manner, at the times, and to the extent directed by DES on behalf of the purchaser, all of the rights, title, and interest of the Contractor under the orders and Subcontracts so terminated, in which case the purchaser has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and Subcontracts.
- Settle all outstanding liabilities and all claims arising out of such termination of orders and Subcontracts, with the approval or ratification of DES and/or the purchaser to the extent DES and/or the purchaser may require, which approval or ratification shall be final for all the purposes of this clause;
• Transfer title to the purchaser and deliver in the manner, at the times, and to the extent directed by DES on behalf of the purchaser any property which, if the Contract had been completed, would have been required to be furnished to the purchaser;

• Take such action as may be necessary, or as DES and/or the purchaser may direct, for the protection and preservation of the property related to this Contract which is in the possession of the Contractor and in which DES and/or the purchaser has or may acquire an interest.

This Contract may be executed in counterparts, in a single original, or duplicate originals. As applicable, each counterpart or each duplicate shall be deemed an original copy of this Contract signed by each party, for all purposes.

1 CONTRACT FORMATION

1.1 PARTIES

This Master Contract ("Contract") is entered into by and between the Washington State Department of Enterprise Services, an agency of Washington state government (hereinafter “DES”), and Loomis Armored US, LLC (hereinafter “Contractor” licensed to conduct business in the state of Washington, (hereinafter “Contractor”) for the purpose of providing Armored Car Services and Smart Safes.

1.2 RECITALS

The state of Washington, acting by and through DES issued Invitation for Bid (IFB) number 08115 dated January 7, 2016 (Exhibit A) for the purpose of establishing a Master Contract which would enable Contractor to provide services for Armored and Unarmored Car Services in accordance with its authority under RCW Chapter 39.26

DES evaluated all properly submitted Responses to the above-referenced IFB and has identified Contractor as an Apparent Successful Bidder for Category 1 Armored Car Services and Category 3 Smart Safes.

DES has determined that entering into a Contract with Contractor will meet the state of Washington’s needs and will be in its best interest.

NOW THEREFORE, DES awards to Contractor this Master Contract, the terms and conditions of which shall govern Contractor’s competition for and provisioning of Armored Car Services in all Washington State Counties except San Juan County. Any Smart Safe Agreement must be on the Contractor’s SafePoint Agreement due to the uniqueness of its services. The terms of the SafePoint Agreement will prevail.

This Master Contract neither financially binds the State nor otherwise obligates the State to purchase any products or Services hereunder. Nor does the Contract prevent the State from purchasing the same or similar products or Services from other sources, provided that, all legal acquisition requirements are satisfied.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

1.3 CONTRACTTERM

The initial term of the Contract is one (1) year from effective date, with the option to extend for additional term(s) or portions thereof. Extensions will be exercised at the sole discretion of DES and upon written mutual agreement. The total Contract term, including the initial term and all extensions, will not exceed eight (8) years unless circumstances require a special extension. DES reserves the right to extend with all or some of the Contractors.

1.4 MANDATORY SERVICE REQUIREMENTS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth in the Mandatory Service Requirements, Exhibit B.

1.5 SPECIAL TERMS AND CONDITIONS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth Exhibit C Special Terms and Conditions.

Non-Permitted Purchasers: The parties agree that no Purchasers who receive marijuana-related funds (Non-Permitted Purchasers) shall be added to this Contract.
1.6 PRICING
The contract prices reflected in Exhibit D are the maximum prices the contractor may charge.

1.7 SECTION HEADINGS, INCORPORATED DOCUMENTS AND ORDER OF PRECEDENCE
The headings used herein are inserted for convenience only and shall not control or affect the meaning or construction of any of the sections.

Each of the documents listed below is, by this reference, incorporated into this Master Contract as though fully set forth herein:
   a. Appendix B Price Sheet
   b. Appendix C-Mandatory Service Requirements
   c. Appendix E- Special Terms and Conditions
   d. Appendix F-Bidder Profile
   e. IFB No. 08115
   f. Contractor’s Response to the IFB No. 08115
   g. All Contractor or manufacturer publications, written materials and schedules, charts, diagrams, tables, descriptions, other written representations and any other supporting materials Contractor made available to DES or Purchaser and used to affect the sale of Services to Purchaser.
   h. Award letter (if any)

In the event of a conflict in such terms, or between the terms and any applicable statute or rule, the inconsistency will be resolved by giving precedence in the following order:
   a. Applicable federal and state of Washington statutes and regulations
   b. Mutually agreed written amendments to the resulting Contract
   c. The Contract, including all documents incorporated in the subsection immediately above.

1.8 CONFLICT AND CONFORMITY
Conflict: To the extent possible, the terms of the contract must be read consistently.

Conformity: If any provision of the contract violates any federal or state of Washington statute or rule of law, it is considered modified to conform to that statute or rule of law.

1.9 AUTHORITY TO BIND
The signatories to this Contract represent that they have the authority to bind their respective organizations to this Contract.

1.10 COUNTERPARTS
This Contract may be executed in counterparts or in duplicate originals. Each counterpart or each duplicate will be deemed an original copy of this Contract signed by each party, for all purposes.

1.11 CHANGES
DES reserves the right to modify the resulting Contract (including but not limited to adding or deleting products/services) by mutual agreement between DES and the Contractor. Alterations to any of the terms, conditions or requirements of this Contract will only be effective upon written issuance of a mutually-agreed Contract amendment by DES. Changes to point-of-contact information may be updated without the issuance of a mutually accepted Contract amendment.
1.12 PRICE ADJUSTMENTS

   Firm and fixed period: Pricing will remain firm and fixed for one year from date of award of the contract.

   Price protection: The contract prices are the maximum prices the contractor may charge.

   If lower pricing for similar quantities becomes effective for the contractor, purchasers must be given immediate benefit of such lower pricing. The contractor may also offer volume and promotional discounts.

   Price increases: The contractor may propose price increases on an annual basis by written notice to the Contract Administrator. Price increases are to be on a pass-through basis only and must not produce a higher profit margin for the contractor than that established by original contract pricing. Requests must include supporting documentation such as price increases at the manufacturer’s level and/or other documentation of cost increases.

   Consideration of price increases will be at the sole discretion of the Contract Administrator. If a price increase is approved in part or in full, the resulting new contract pricing will be implemented through a contract amendment.

   Contract extensions and price adjustments: Contractors may not make contract extensions contingent on price adjustments.

1.13 MISCELLANEOUS EXPENSES

   Expenses related to day-to-day Contract performance (including but not limited to travel, lodging, meals, and incidentals) will not be reimbursed to the Contractor. However, DES recognizes that there may be occasions when the purchaser requires the bidder to travel. In such cases the purchaser must provide written pre-approval of such expenses on a case-by-case basis. Any such reimbursement will be at rates not to exceed the guidelines for state employees published by the Washington State Office of Financial Management set forth in the Washington State Administrative & Accounting Manual, and not to exceed expenses actually incurred.

3 STANDARD TERMS & CONDITIONS

3.1 CONTRACT MODIFICATIONS

DES reserves the right to modify the resulting Contract (including but not limited to adding or deleting products, services, or delivery locations) by mutual agreement between DES and the Contractor, so long as such modification is substantially within the scope of the original Contract. Such modifications will be memorialized in a signed written document describing the agreed upon change including any terms and conditions required to support such change.

3.2 CONTRACT ADMINISTRATION

DES will appoint a single point of contact that will be the Contract Administrator for this Contract and will provide Contract oversight. The Contract Administrator will be the principal contact for the Contractor for business activities under this Contract. DES will notify Contractor, in writing, when there is a new Contract Administrator assigned to this Contract.

3.3 CONTRACTOR SUPERVISION AND COORDINATION

Contractor shall:

a. Competently and efficiently supervise and coordinate the implementation and completion of all Contract requirements specified herein.

b. Identify the Contractor’s Authorized Representative, who will be the principal point of contact for DES concerning Contractor’s performance under this Contract.

c. Immediately notify the Contract Administrator in writing of any change to the designated Authorized Representative assigned to this Contract.

d. Be bound by all written communications given to or received from the Contractor’s Authorized Representative.

Violation of any provision of this section may be considered a material breach establishing grounds for Contract termination.

3.4 POST-AWARD CONFERENCE

The Contractor may be required to attend a post-award conference scheduled by the Procurement Coordinator and/or the Contract administrator to discuss Contract performance requirements. The time and place of this conference will be scheduled following Contract award.

3.5 CONTRACT MANAGEMENT

Upon award this Contract, the Contractor shall:

a. Review the impact of the award and take the necessary steps needed to ensure that Contractual obligations will be fulfilled.

b. Promote and market the use of this Contract to all authorized Contract purchasers.

c. Ensure that those who endeavor to utilize this Contract are authorized purchasers under this Contract.

d. At no additional charge, assist purchasers in making the most cost effective, value based purchases which may include, but is not limited to:
− Having representatives available to provide information regarding products and services, including visiting the purchaser site if needed, and providing purchaser with materials/supplies/equipment recommendations.

− Providing purchasers with a detailed list of Contract items including current Contract pricing and part numbers.

The Contractor shall designate a customer service representative who will be responsible for addressing purchaser issues including, but not limited to:

• Logging requests for service, ensuring repairs are completed in a timely manner, dispatching service technicians and processing warranty claim documentation.

• Providing purchasers with regular and timely status updates in the event of a delay in repair or order fulfillment.

• Acting as the lead and liaison between the manufacturer and purchaser in resolving warranty claims for Contract items purchased.

3.6 CHANGES

Alterations to any of the terms, conditions, or requirements of this Contract shall only be effective upon written issuance of a mutually agreed Contract amendment by DES. However, changes to point of contact information may be updated without the issuance of a mutually agreed Contract amendment.

3.7 STATEWIDE PAYEE DESK

Contractors must register with the Statewide Payee Desk, maintained by DES, in order to be paid for Contract sales. Washington state agencies cannot make payments to a Contractor until it is registered. Registration materials are available here: Receiving Payment from the State.

3.8 MANAGEMENT FEE

Contractor will pay a management fee of 0.74 percent to DES on all state Contract sales/purchase price for work orders. The purchase price is defined as total invoice price less sales tax.

The management fee must be rolled into the Contractor’s current pricing; the fee must not be shown as a separate line item on an invoice unless specifically requested and approved by DES.

How to determine the fee: Total sales x .0074 = management fee.

DES may increase, reduce or eliminate the management fee, and reserves the right to negotiate Contract pricing with the Contractor when adjustment of the management fee might justify an increase in pricing. Written notifications of the management fee by DES become effective for new purchases or new change orders to existing purchases 30 calendar days after notification unless DES grants additional time.

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced and all management fees have been paid. Failure to accurately report total net sales, to submit a timely usage report, or remit timely payment of the management fee, may be cause for Contract termination, the charging of interest or penalties, or the exercise of other remedies provided by law.

The management fee does not include or supersede fee terms owed to other entities such as the NASPO Valuepoint Purchasing Group or governmental entities other than the state of Washington.
DES will invoice the Contractor every quarter based on sales reported by Contractor. Contractors are not to remit payment until they receive an invoice from DES.

Management fee payment must reference the Contract number, work request number (if applicable), the year and quarter for which the management fee is being remitted, and the Contractor’s name as it is known to DES, if not already included on the face of the check.

3.9 CONTRACT SALES REPORT

The management fee will be based on total Contract sales, which must be reported quarterly by the Contractor in the Contract Sales Reporting System. DES will provide a login password and a required vendor number.

“Zero” sales: Contractor is required to report “zero” sales even if no sales occurred during the reporting period.

The report shall identify:

A. Purchasers who have been invoiced for work orders awarded through this Contract;
B. Amounts invoiced for each purchaser during the reporting period

Reports must be submitted electronically within thirty (30) days after the end of the calendar quarter, i.e., no later than April 30, July 31, October 31 and January 31.

A further description of the sales reporting requirement and the management fee based upon it can be found in sections 3.8 and 3.9 of Appendix, Master Contract Terms and Conditions.

3.10 OTHER REQUIRED REPORTS

DES may require the Contractor to provide a detailed annual Contract sales history report. This report, if requested, will include at a minimum, but is not limited to: product description, part number or other product identifier, per unit quantities sold, and Contract price. This report must be provided to DES in an electronic format that can be read by MS Excel. Unless the solicitation specifies otherwise, all other required reports will be designed and approved by the parties by mutual agreement.

3.11 COMMON VENDOR-REGISTRATION AND BID-NOTIFICATION SYSTEM

Contractor shall be registered in Washington’s Electronic Business Solution (WEBS), the state’s common vendor registration and bid notification system (www.ga.wa.gov/webs). Contractors already registered need not re-register. It is the sole responsibility of Contractor to properly register and maintain an accurate vendor profile.

3.12 CONTRACTOR QUALIFICATIONS AND REQUIREMENTS

DES reserves the right to require receipt of proof of compliance with any of the requirements in this section within 10 calendar days from the date of request, and to terminate this Contract as a material breach for noncompliance with any requirement of this paragraph. Contractor shall maintain compliance with these requirements throughout the life of this Contract.

a. Qualified and established business

Prior to performance, or prior to that time if required by DES, law or regulation, Contractor must be an established business with all required licenses, fees, bonding, facilities, equipment, and trained personnel necessary to meet all requirements and perform the work as specified in the solicitation.

b. Authorized Service Provider and Product Reseller certifications
Upon request, Contractor must provide evidence of its status as an authorized service provider or product reseller. Contractor shall maintain its authorized service provider or product reseller status for the initial term and any extensions of the resulting Contract. Notification: If either party is delayed by force majeure, said party shall provide written notification within 48 hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights reserved: DES reserves the right to authorize an amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or services.
from the best available source during the time of force majeure, and Contractor shall have no recourse against the state.

d. Alternative dispute resolution fees and costs

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys’ fees incurred as a result of the alternative dispute resolution method.

e. Non-exclusive remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

3.27 LIQUIDATED DAMAGES

a. Limitation of liability

The parties agree that neither Contractor, DES nor purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled Termination for Default and Retention of Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

The Contractor, DES and purchaser are not liable for damages arising from causes beyond their reasonable control and without their fault or negligence. Such causes may include, but are not restricted to, acts of the public enemy, acts of a governmental body other than DES or the purchaser acting in either its sovereign or Contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of the Contractor, DES or the purchaser, or their respective Subcontractors.

If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.

Neither party shall be liable for personal injury to the other party or damage to the other party’s property except personal injury or damage to property proximately caused by such party’s respective fault or negligence.

b. Federal funding

In the event that a federally funded acquisition results from this procurement, the Contractor may be required to provide additional information (free of charge) at the request of DES or purchaser. Further, the Contractor may be subject to those federal requirements specific to the commodity.

c. Federal restrictions on lobbying
Contractor certifies that under the requirements of Lobbying Disclosure Act, 2 U.S.C., Section 1601 et seq., no federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal Contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal Contract, grant, loan, or cooperative agreement.

3.28 DEBARMENT AND SUSPENSION

Respondent certifies, by submitting this bid or proposal, that neither it nor its affiliates presently are debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this procurement/Contract by any government agency. Respondent also agrees to notify DES if its debarment status changes during the bid process or after receiving notice of Contract award, if any. If respondent cannot certify this statement, attach a written explanation to the bid response for review.

3.29 CONTRACT TERMINATION

a. Material breach

A Contractor may be terminated for cause by DES, at the sole discretion of DES, for failing to perform a Contractual requirement or for a material breach of any term or condition. Material breach of a term or condition of the Contract may include but is not limited to:

- Contractor failure to perform services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written amendment to the Contract;
- Contractor failure to carry out any warranty or fails to perform or comply with any mandatory provision of the Contract;
- Contractor becomes insolvent or in an unsound financial condition so as to endanger performance hereunder;
- Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency or reorganization, or relief from creditors and/or debtors that endangers the Contractor's proper performance hereunder;
- Appointment of any receiver, trustee, or similar official for Contractor or any of the Contractor's property and such appointment endangers the Contractor's proper performance hereunder;
- A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Contract.

b. Opportunity to cure

In the event that Contractor fails to perform a Contractual requirement or materially breaches any term or condition, DES may issue a written cure notice. The Contractor may have a period of time in which to cure. DES is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DES. Time allowed for cure shall not diminish or eliminate Contractor's liability for
liquidated or other damages, or otherwise affect any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, DES may do any one or more of the following:

- Exercise any remedy provided by law;
- Terminate this Contract and any related Contracts or portions thereof;
- Procure replacements and impose damages as set forth elsewhere in this Contract;
- Impose actual or liquidated damages;
- Suspend or bar Contractor from receiving future solicitations or other opportunities;
- Require Contractor to reimburse the state for any loss or additional expense incurred as a result of default or failure to satisfactorily perform the terms of the Contract.

c. Termination for cause

In the event DES, in its sole discretion, determines that the Contractor has failed to comply with the conditions of this Contract in a timely manner or is in material breach, DES has the right to suspend or terminate this Contract, in part or in whole. DES shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days or as otherwise specified by DES, or if such corrective action is deemed by DES to be insufficient, the Contract may be terminated. DES reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by DES to terminate the Contract.

In the event of termination, DES shall have the right to procure for all purchasers any replacement materials, supplies, services and/or equipment that are the subject of this Contract on the open market. In addition, the Contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor’s or its Subcontractor’s control, fault or negligence, the termination shall be deemed to be a “termination for convenience.” The rights and remedies of DES and/or the purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

d. Termination for convenience

Except as otherwise provided in this Contract, DES, at the sole discretion of DES, may terminate this Contract, in whole or in part by giving 60 calendar days or other appropriate time period written notice beginning on the second day after mailing to the Contractor. If this Contract is so terminated, purchasers shall be liable only for payment required under this Contract for properly authorized services rendered, or materials, supplies and/or equipment delivered to and accepted by the purchaser prior to the effective date of Contract termination. Neither DES nor the purchaser shall have any other obligation
whatsoever to the Contractor for such termination. This Termination for Convenience clause may be invoked by DES when it is in the best interest of the State of Washington.

e. **Termination for withdrawal of authority**

   In the event that DES and/or purchaser’s authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract and prior to normal completion, DES may terminate this Contract, in whole or in part, by seven calendar days written notice, or other appropriate time period, to Contractor.

f. **Termination for non-allocation of funds**

   If funds are not allocated to purchaser(s) to continue this Contract in any future period, DES may terminate this Contract with seven calendar days written notice, or other appropriate time period, to Contractor, or work with Contractor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for materials, supplies, services and/or equipment including the net remainder of agreed-to consecutive periodic payments remaining unpaid beyond the end of the then-current period. DES and/or purchaser agree to notify Contractor in writing of such non-allocation at the earliest possible time.

   No penalty shall accrue to the purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract in order to acquire similar materials, supplies, services and/or equipment from a third party.

g. **Termination for conflict of interest**

   DES may terminate this Contract by written notice to Contractor if it is determined, after due notice and examination, that any party to this Contract has violated [Chapter 42.52 RCW](https://legal.wa.gov/chapter/42.52), Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of Contracts. In the event this Contract is so terminated, DES and/or purchaser shall be entitled to pursue the same remedies against Contractor as it could pursue in the event that the Contractor breaches this Contract.

h. **Termination by mutual agreement**

   DES and the Contractor may terminate this Contract in whole or in part, at any time, by mutual agreement.

i. **Termination procedure**

   In addition to the procedures set forth below, if DES terminates this Contract, Contractor shall follow any procedures DES specifies in the termination notice.

   Upon termination of this Contract and in addition to any other rights provided in this Contract, DES may require the Contractor to deliver to the purchaser any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the “Treatment of Assets” clause shall apply in such property transfer.

   The purchaser shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) Accepted by the purchaser, and the amount agreed upon by the Contractor and the purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are Accepted by the purchaser, and (iv) the
protection and preservation of property, unless the termination is for cause, in which case DES and the purchaser shall determine the extent of the liability of the purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. The purchaser may withhold from any amounts due the Contractor such sum as DES and purchaser determine to be necessary to protect the purchaser against potential loss or liability.

The rights and remedies of DES and/or the purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

After receipt of a termination notice, and except as otherwise expressly directed in writing by DES, the Contractor shall:

- Stop all work, order fulfillment, shipments, and deliveries under the Contract on the date, and to the extent specified, in the notice;
- Place no further orders or Subcontracts for materials, services, supplies, equipment and/or facilities in relation to the Contract except as is necessary to complete or fulfill such portion of the Contract that is not terminated;
- Complete or fulfill such portion of the Contract that is not terminated in compliance with all Contractual requirements;
- Assign to the purchaser, in the manner, at the times, and to the extent directed by DES on behalf of the purchaser, all of the rights, title, and interest of the Contractor under the orders and Subcontracts so terminated, in which case the purchaser has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and Subcontracts.
- Settle all outstanding liabilities and all claims arising out of such termination of orders and Subcontracts, with the approval or ratification of DES and/or the purchaser to the extent DES and/or the purchaser may require, which approval or ratification shall be final for all the purposes of this clause;
- Transfer title to the purchaser and deliver in the manner, at the times, and to the extent directed by DES on behalf of the purchaser any property which, if the Contract had been completed, would have been required to be furnished to the purchaser;
- Take such action as may be necessary, or as DES and/or the purchaser may direct, for the protection and preservation of the property related to this Contract which is in the possession of the Contractor and in which DES and/or the purchaser has or may acquire an interest.

(e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

1 CONTRACT FORMATION

1.1 PARTIES

This Master Contract ("Contract") is entered into by and between the Washington State Department of Enterprise Services, an agency of Washington state government (hereinafter "DES"), and Loomis Armored US, LLC (hereinafter "Contractor") licensed to conduct business in the state of Washington, (hereinafter "Contractor") for the purpose of providing Armored Car Services and Smart Safes.

1.2 RECITALS

The state of Washington, acting by and through DES issued Invitation for Bid (IFB) number 08115 dated January 7, 2016 (Exhibit A) for the purpose of establishing a Master Contract which would enable Contractor to provide services for Armored and Unarmored Car Services in accordance with its authority under RCW Chapter 39.26.

DES evaluated all properly submitted Responses to the above-referenced IFB and has identified Contractor as an Apparent Successful Bidder for Category 1 Armored Car Services and Category 3 Smart Safes.

DES has determined that entering into a Contract with Contractor will meet the state of Washington’s needs and will be in its best interest.

NOW THEREFORE, DES awards to Contractor this Master Contract, the terms and conditions of which shall govern Contractor’s competition for and provisioning of Armored Car Services in all Washington State Counties except San Juan County. Any Smart Safe Agreement must be on the Contractor’s SafePoint Agreement due to the uniqueness of its services. The terms of the SafePoint Agreement will prevail.

This Master Contract neither financially binds the State nor otherwise obligates the State to purchase any products or Services hereunder. Nor does the Contract prevent the State from purchasing the same or similar products or Services from other sources, provided that, all legal acquisition requirements are satisfied.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

1.3 CONTRACT TERM

The initial term of the Contract is one (1) year from effective date, with the option to extend for additional term(s) or portions thereof. Extensions will be exercised at the sole discretion of DES and upon written mutual agreement. The total Contract term, including the initial term and all extensions, will not exceed eight (8) years unless circumstances require a special extension. DES reserves the right to extend with all or some of the Contractors.

1.4 MANDATORY SERVICE REQUIREMENTS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth in the Mandatory Service Requirements, Exhibit B.

1.5 SPECIAL TERMS AND CONDITIONS

The Contractor shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for or incidental to the performance of work set forth Exhibit C Special Terms and Conditions.

Non-Permitted Purchasers: The parties agree that no Purchasers who receive marijuana-related funds (Non-Permitted Purchasers) shall be added to this Contract.
1.6 PRICING
The contract prices reflected in Exhibit D are the maximum prices the contractor may charge.

1.7 SECTION HEADINGS, INCORPORATED DOCUMENTS AND ORDER OF PRECEDENCE
The headings used herein are inserted for convenience only and shall not control or affect the meaning or construction of any of the sections.

Each of the documents listed below is, by this reference, incorporated into this Master Contract as though fully set forth herein:

a. Appendix B Price Sheet
b. Appendix C-Mandatory Service Requirements
c. Appendix E-Special Terms and Conditions
d. Appendix F-Bidder Profile
e. IFB No. 08115
f. Contractor's Response to the IFB No. 08115
g. All Contractor or manufacturer publications, written materials and schedules, charts, diagrams, tables, descriptions, other written representations and any other supporting materials Contractor made available to DES or Purchaser and used to affect the sale of Services to Purchaser.
h. Award letter (if any)

In the event of a conflict in such terms, or between the terms and any applicable statute or rule, the inconsistency will be resolved by giving precedence in the following order:

a. Applicable federal and state of Washington statutes and regulations
b. Mutually agreed written amendments to the resulting Contract
c. The Contract, including all documents incorporated in the subsection immediately above.

1.8 CONFLICT AND CONFORMITY
Conflict: To the extent possible, the terms of the contract must be read consistently.

Conformity: If any provision of the contract violates any federal or state of Washington statute or rule of law, it is considered modified to conform to that statute or rule of law.

1.9 AUTHORITY TO BIND
The signatories to this Contract represent that they have the authority to bind their respective organizations to this Contract.

1.10 COUNTERPARTS
This Contract may be executed in counterparts or in duplicate originals. Each counterpart or each duplicate will be deemed an original copy of this Contract signed by each party, for all purposes.

1.11 CHANGES
DES reserves the right to modify the resulting Contract (including but not limited to adding or deleting products/services) by mutual agreement between DES and the Contractor. Alterations to any of the terms, conditions or requirements of this Contract will only be effective upon written issuance of a mutually-agreed Contract amendment by DES. Changes to point-of-contact information may be updated without the issuance of a mutually accepted Contract amendment.
1.12 PRICE ADJUSTMENTS

Firm and fixed period: Pricing will remain firm and fixed for one year from date of award of the contract.

Price protection: The contract prices are the maximum prices the contractor may charge.

If lower pricing for similar quantities becomes effective for the contractor, purchasers must be given immediate benefit of such lower pricing. The contractor may also offer volume and promotional discounts.

Price increases: The contractor may propose price increases on an annual basis by written notice to the Contract Administrator. Price increases are to be on a pass-through basis only and must not produce a higher profit margin for the contractor than that established by original contract pricing. Requests must include supporting documentation such as price increases at the manufacturer's level and/or other documentation of cost increases.

Consideration of price increases will be at the sole discretion of the Contract Administrator. If a price increase is approved in part or in full, the resulting new contract pricing will be implemented through a contract amendment.

Contract extensions and price adjustments: Contractors may not make contract extensions contingent on price adjustments.

1.13 MISCELLANEOUS EXPENSES

Expenses related to day-to-day Contract performance (including but not limited to travel, lodging, meals, and incidentals) will not be reimbursed to the Contractor. However, DES recognizes that there may be occasions when the purchaser requires the bidder to travel. In such cases the purchaser must provide written pre-approval of such expenses on a case-by-case basis. Any such reimbursement will be at rates not to exceed the guidelines for state employees published by the Washington State Office of Financial Management set forth in the Washington State Administrative & Accounting Manual, and not to exceed expenses actually incurred.
## 2 STANDARD DEFINITIONS

Such modifications will be memorialized in a signed written document describing the agreed upon change including any terms and conditions required to support such change.

3.2 CONTRACT ADMINISTRATION

DES will appoint a single point of contact that will be the Contract Administrator for this Contract and will provide Contract oversight. The Contract Administrator will be the principal contact for the Contractor for business activities under this Contract. DES will notify Contractor, in writing, when there is a new Contract Administrator assigned to this Contract.

3.3 CONTRACTOR SUPERVISION AND COORDINATION

Contractor shall:

a. Competently and efficiently supervise and coordinate the implementation and completion of all Contract requirements specified herein.

b. Identify the Contractor’s Authorized Representative, who will be the principal point of contact for DES concerning Contractor’s performance under this Contract.

c. Immediately notify the Contract Administrator in writing of any change to the designated Authorized Representative assigned to this Contract.

d. Be bound by all written communications given to or received from the Contractor’s Authorized Representative.

Violation of any provision of this section may be considered a material breach establishing grounds for Contract termination.

3.4 POST-AWARD CONFERENCE

The Contractor may be required to attend a post-award conference scheduled by the Procurement Coordinator and/or the Contract administrator to discuss Contract performance requirements. The time and place of this conference will be scheduled following Contract award.

3.5 CONTRACT MANAGEMENT

a. Review the impact of the award and take the necessary steps needed to ensure that Contractual obligations will be fulfilled.

b. Promote and market the use of this Contract to all authorized Contract purchasers.

c. Ensure that those who endeavor to utilize this Contract are authorized purchasers under this Contract.

d. At no additional charge, assist purchasers in making the most cost effective, value based purchases which may include, but is not limited to:
Having representatives available to provide information regarding products and services, including visiting the purchaser site if needed, and providing purchaser with materials/supplies/equipment recommendations.

Providing purchasers with a detailed list of Contract items including current Contract pricing and part numbers.

- Providing purchasers with regular and timely status updates in the event of a delay in repair or order fulfillment.
- Acting as the lead and liaison between the manufacturer and purchaser in resolving warranty claims for Contract items purchased.

3.6 CHANGES

Alterations to any of the terms, conditions, or requirements of this Contract shall only be effective upon written issuance of a mutually agreed Contract amendment by DES. However, changes to point of contact information may be updated without the issuance of a mutually agreed Contract amendment.

3.7 STATEWIDE PAYEE DESK

Contractors must register with the Statewide Payee Desk, maintained by DES, in order to be paid for Contract sales. Washington state agencies cannot make payments to a Contractor until it is registered. Registration materials are available here: Receiving Payment from the State.

3.8 MANAGEMENT FEE

Contractor will pay a management fee of 0.74 percent to DES on all state Contract sales/purchase price for work orders. The purchase price is defined as total invoice price less sales tax.

The management fee must be rolled into the Contractor’s current pricing; the fee must not be shown as a separate line item on an invoice unless specifically requested and approved by DES.

How to determine the fee: Total sales x .0074 = management fee.

DES may increase, reduce or eliminate the management fee, and reserves the right to negotiate Contract pricing with the Contractor when adjustment of the management fee might justify an increase in pricing. Written notifications of the management fee by DES become effective for new purchases or new change orders to existing purchases 30 calendar days after notification unless DES grants additional time.

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced and all management fees have been paid. Failure to accurately report total net sales, to submit a timely usage report, or remit timely payment of the management fee, may be cause for Contract termination, the charging of interest or penalties, or the exercise of other remedies provided by law.

The management fee does not include or supersede fee terms owed to other entities such as the NASPO Valuepoint Purchasing Group or governmental entities other than the state of Washington.
DES will invoice the Contractor every quarter based on sales reported by Contractor. Contractors are not to remit payment until they receive an invoice from DES.

Management fee payment must reference the Contract number, work request number (if applicable), the year and quarter for which the management fee is being remitted, and the Contractor’s name as it is known to DES, if not already included on the face of the check.

3.9 CONTRACT SALES REPORT

The management fee will be based on total Contract sales, which must be reported quarterly by the Contractor in the Contract Sales Reporting System. DES will provide a login password and a required vendor number.

"Zero" sales: Contractor is required to report “zero” sales even if no sales occurred during the reporting period.

The report shall identify:

A. Purchasers who have been invoiced for work orders awarded through this Contract;
B. Amounts invoiced for each purchaser during the reporting period

Reports must be submitted electronically within thirty (30) days after the end of the calendar quarter, i.e., no later than April 30, July 31, October 31 and January 31.

A further description of the sales reporting requirement and the management fee based upon it can be found in sections 3.8 and 3.9 of Appendix, Master Contract Terms and Conditions.

3.10 OTHER REQUIRED REPORTS

DES may require the Contractor to provide a detailed annual Contract sales history report. This report, if requested, will include at a minimum, but is not limited to: product description, part number or other product identifier, per unit quantities sold, and Contract price. This report must be provided to DES in an electronic format that can be read by MS Excel. Unless the solicitation specifies otherwise, all other required reports will be designed and approved by the parties by mutual agreement.

3.11 COMMON VENDOR-REGISTRATION AND BID-NOTIFICATION SYSTEM

Contractor shall be registered in Washington’s Electronic Business Solution (WEBS), the state’s common vendor registration and bid notification system (www.ga.wa.gov/webs). Contractors already registered need not re-register. It is the sole responsibility of Contractor to properly register and maintain an accurate vendor profile.

3.12 CONTRACTOR QUALIFICATIONS AND REQUIREMENTS

DES reserves the right to require receipt of proof of compliance with any of the requirements in this section within 10 calendar days from the date of request, and to terminate this Contract as a material breach for noncompliance with any requirement of this paragraph. Contractor shall maintain compliance with these requirements throughout the life of this Contract.

a. Qualified and established business

b. Authorized Service Provider and Product Reseller certifications
Upon request, Contractor must provide evidence of its status as an authorized service provider or product reseller. Contractor shall maintain its authorized service provider or product reseller status for the initial term and any extensions of the resulting Contract. If this status is discontinued, this Contract may be terminated.

c. Personnel substitutions

If at Contract award or any time thereafter, any named individual specifically identified in the response to work on this engagement is not available, DES reserves the right to approve or reject any personnel substitutions.

d. Use of Subcontractors

Prior to performance, Contractor shall identify all Subcontractors who will perform services in fulfillment of Contract requirements. Additionally Contractor may be required to identify contact information as well as federal tax identification number (TIN), and anticipated dollar value of each subcontract.

DES reserves the right to approve or reject any and all Subcontractors that identified by the Contractor. Any Subcontractors not listed in the bidder’s response, who are engaged by the Contractor, must be pre-approved, in writing, by DES.

Contractor agrees to be responsible for all actions of any Subcontractors in the performance of this Contract. The Contractor shall be responsible to ensure that all requirements of the Contract shall flow down to any and all Subcontractors. In no event shall the existence of a subcontract operate to release or reduce the liability of Contractor to the state for any breach in the performance of the Contractor’s duties.

e. Assignment

Contractor shall not assign or otherwise transfer its obligations or any claim arising under this Contract without the prior written consent of DES. Such consent will not be unreasonably withheld. Contractor shall provide a minimum of 30 calendar days advance notification of intent to assign or otherwise transfer its obligations under this Contract. Violation of this provision may be considered a material breach and be grounds for Contract termination. Assignment or transfer of Contract shall not relieve the Contractor from its responsibilities and obligations under the Contract.

f. Contractor authority and infringement

Under this Contract, Contractor is authorized to sell only those materials, supplies, services and/or equipment as stated herein and allowed for by the Contract provisions. Contractor shall not misrepresent to purchasers that they have the Contract authority to sell any other materials, supplies, services and/or equipment. Further, Contractor may not intentionally infringe on other established state Contracts.

g. Hours of labor

In compliance with RCW 49.28, Contractor agrees that no worker, laborer, or mechanic in the employ of the Contractor or Subcontractor shall be permitted or required to work more than eight (8) hours in any one calendar day, or forty (40) hours in any one calendar week. However, in cases of extraordinary emergency such as danger to life or property, the hours of work may be extended but in such cases the rate of pay for time employed in excess of the above shall be at the prevailing overtime rate of pay. Except, Contracts will not require the payment of overtime rates for the first two hours worked in excess of eight (8) hours
per day when the employer has obtained the employee’s agreement (as defined in WAC 296-127-022) to work a four-day, ten-hour work week.

h. Materials and workmanship

The Contractor is required to furnish all materials, supplies, equipment and/or services necessary to perform Contractual requirements. Materials, supplies, equipment and/or services used in the performance of this Contract shall conform to all applicable federal, state, and local codes, regulations and requirements for such equipment, specifications contained herein, and the normal uses for which intended. Materials, supplies, and equipment shall be manufactured in accordance with the best commercial practices and standards for this type of materials, supplies, and equipment.

i. Intentionally Omitted.

a. Site security:

While on purchaser’s premises, Contractor, its agents, employees, or Subcontractors shall conform in all respects with physical, fire, or other security regulations.

3.13 TREATMENT OF ASSETS

Title to all property furnished by DES and/or purchaser shall remain with DES and/or purchaser, as applicable. Any property of DES and/or purchaser furnished to the Contractor shall, unless otherwise provided herein or approved by DES and/or purchaser, be used only for the performance of this Contract.

The Contractor shall be responsible for damages as a result of any loss or damage to property of DES and/or purchaser which results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain, administer and protect that property in a reasonable manner and to the extent practicable in all instances.

If any DES and/or purchaser property is lost, destroyed, or damaged, the Contractor shall immediately notify DES and/or purchaser and shall take all reasonable steps to protect the property from further damage.

The Contractor shall surrender to DES and/or purchaser all property of DES and/or purchaser prior to settlement upon completion, termination, or cancellation of this Contract.

Title to all property furnished by the Contractor, the cost for which the Contractor is entitled to be reimbursed as a direct item of cost under this Contract, shall pass to and vest in the purchaser upon delivery of such property by the Contractor and Acceptance by the purchaser. Title to other property, the cost of which is reimbursable to the Contractor under this Contract, shall pass to and vest in the purchaser upon (i) issuance for use of such property in the performance of this Contract, or (ii) commencement of use of such property in the performance of this Contract, or (iii) reimbursement of the cost thereof by the purchaser in whole or in part, whichever first occurs.

All reference to the Contractor under this clause shall also include Contractor’s employees, agents or Subcontractors.

3.14 STANDARD OF QUALITY/CONSISTENCY OVER TERM OF CONTRACT

If, in the sole judgment of DES or the purchaser, any product is determined not to be equal, the purchaser may take any or all of the following actions:
a. The Product may be returned at Contractor's expense and the purchaser reimbursed for any payments.

b. The Contract may be terminated without any liability to the state of Washington or purchaser.

3.15 PAYMENT

Payment will not be considered late if a check or warrant is mailed within the time specified. If no terms are specified otherwise in the solicitation, net 30 days will automatically apply.

Payment(s) made in accordance with Contract terms shall fully compensate the Contractor for all risk, loss, damages or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by Contractor.

Payment for materials, supplies and/or equipment received and for services rendered shall be made by purchaser and be redeemable in U.S. dollars. Unless otherwise specified, the purchaser's sole responsibility shall be to issue this payment. Any bank or transaction fees or similar costs associated with currency exchange procedures or the use of purchasing/credit cards shall be fully assumed by the Contractor.

Note: when the state has been overcharged or otherwise reimbursed, the purchaser may elect to have either direct payments or written credit memos issued. If the Contractor fails to make timely payment(s) or issuance of credit memos, the purchaser may impose a 1% per month on the amount overdue 30 days after notice to the Contractor.

c. Invoicing and discounts

Contractor must provide a properly completed invoice to purchaser. All invoices are to be delivered to the address indicated in the purchase order.

Each invoice must be identified by the associated Contract number; the Contractor’s statewide vendor registration number assigned by the Washington State Office of Financial Management (OFM), the applicable purchaser’s order number, and must be in U.S. dollars. Statewide vendor registration numbers may be accessed here: http://www.des.wa.gov/services/ContractingPurchasing/Business/VendorPay/Pages/VD.aspx. Invoices must be prominently annotated by the Contractor with all applicable prompt payment and/or volume discount(s) and shipping charges unless otherwise specified in the solicitation.

Invoices for payment will accurately reflect all discounts due the purchaser. Invoices will not be processed for payment, nor will the period of prompt payment discount commence, until receipt of a properly completed invoice denominated in U.S. dollars and until all
invoiced items are received and satisfactory performance of Contractor has been accepted by the purchaser. If an adjustment in payment is necessary due to damage or dispute, any prompt payment discount period shall commence on the date final approval for payment is authorized.

3.16 TAXES, FEES AND LICENSES

a. Taxes

Where required by statute or regulation, the Contractor shall pay for and maintain in current status all taxes that are necessary for Contract performance. Unless otherwise indicated, the purchaser agrees to pay State of Washington taxes on all applicable materials, supplies, services and/or equipment purchased. No charge by the Contractor shall be made for federal excise taxes and the purchaser agrees to furnish Contractor with an exemption certificate where appropriate.

b. Collection of retail sales and use taxes

In general, Contractors engaged in retail sales activities within the State of Washington are required to collect and remit sales tax to Department of Revenue (DOR). In general, out-of-state Contractors must collect and remit “use tax” to Department of Revenue if the activity carried on by the seller in the State of Washington is significantly associated with Contractor’s ability to establish or maintain a market for its products in Washington. Examples of such activity include where the Contractor either directly or by an agent or other representative:

- Maintains an in-state office, distribution house, sales house, warehouse, service enterprise, or any other in-state place of business;
- Maintains an in-state inventory or stock of goods for sale;
- Regularly solicits orders from purchasers located within the State of Washington via sales representatives entering the State of Washington;
- Sends other staff into the State of Washington (e.g. product safety engineers, etc.) to interact with purchasers in an attempt to establish or maintain market(s); or
- Other factors identified in WAC 458-20.

c. Department of Revenue registration for out-of-state Contractors

Out-of-state Contractors meeting any of the above criteria must register and establish an account with the Department of Revenue. Refer to WAC 458-20-193, and call the Department of Revenue at 800-647-7706 for additional information. When out-of-state Contractors are not required to collect and remit “use tax,” purchasers located in the State of Washington are responsible for paying this tax, if applicable, directly to the Department of Revenue.

d. Fees/Licenses

After award of Contract, and prior to commencing performance under the Contract, the Contractor shall pay for and maintain in a current status any licenses, fees, assessments, permit charges, etc., which are necessary for Contract performance. It is the Contractor’s sole responsibility to maintain licenses and to monitor and determine any changes or the enactment of any subsequent regulations for said fees, assessments, or charges and to
immediately comply with said changes or regulations during the entire term of this Contract.

e. Customs/Brokerage Fees

Contractor shall take all necessary actions, including, but not limited to, paying all customs, duties, brokerage, and/or import fees, to ensure that materials, supplies, and/or equipment purchased under the Contract are expedited through customs. Failure to do so may subject Contractor to liquidated damages as identified herein and/or to other remedies available by law or Contract. Neither DES nor the purchaser will incur additional costs related to Contractor’s payment of such fees.

f. Taxes on invoice

Contractor shall calculate and enter the appropriate state and local sales tax on all invoices. Tax is to be computed on new items after deduction of any trade-in in accordance with WAC 458-20-247.

g. Minority and Women's Business Enterprise (MWBE) participation

Annually, the state may request that Contractor provide information of MWBE participation in this Contract through its certification as MWBE or that of its subcontractors and by providing a high-level account of amounts paid.

h. Overpayments to Contractor

Contractor shall refund to purchaser the full amount of any erroneous payment or overpayment under this Contract within 30 days’ written notice. If Contractor fails to make timely refund, purchaser may charge Contractor 1 percent per month on the amount due, until paid in full.

i. Audits

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced. Any remedies and penalties allowed by law to recover monies determined owed will be enforced. Repetitive instances of incorrect invoicing may be considered complete cause for Contract termination.

3.17 QUALITY ASSURANCE

a. Right of inspection

Contractor shall provide right of access to its facilities to DES, or any of DES’s officers, or to any other authorized agent or official of the State of Washington or the federal government, with advanced notice and as agreed upon by Contractor, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract.

b. Contractor commitments, warranties and representations

Any written commitment by Contractor within the scope of this Contract shall be binding upon Contractor. Failure of Contractor to fulfill such a commitment may constitute breach and shall render Contractor liable for damages under the terms of this Contract. For purposes of this section, a commitment by Contractor includes: (i) Prices, discounts, and options committed to remain in force over a specified period of time; and (ii) any warranty or representation made by Contractor in its bid or contained in any Contractor or manufacturer publications, written materials, schedules, charts, diagrams, tables,
descriptions, other written representations, and any other communication medium accompanying or referred to in its bid or used to effect the sale to purchaser.

c. **Warranties**

Contractor warrants that all materials, supplies, services and/or equipment provided under this Contract shall be fit for the purpose(s) for which intended, for merchantability, and shall conform to the requirements and specifications herein. Acceptance of any materials, supplies, service and/or equipment, and inspection incidental thereto, by the purchaser shall not alter or affect the obligations of the Contractor or the rights of the purchaser.

d. **Cost of remedy**

Cost of remedying defects: All defects, indirect and consequential costs of correcting, removing or replacing any or all of the defective materials or equipment will be charged against the Contractor.

### 3.18 INFORMATION AND COMMUNICATIONS

a. **Advertising**

Contractor shall not publish or use any information concerning this Contract in any format or media for advertising or publicity without prior written consent from DES.

b. **Retention of records**

The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and the provision of materials, supplies, services and/or equipment described herein, including, but not limited to, accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six (6) years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review, or audit by DES, personnel duly authorized by DES, the Washington State Auditor’s Office, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until final resolution of all litigation, claims, or audit findings involving the records.

c. **Proprietary or confidential information**

To the extent consistent with Chapter 42.56 RCW, the Public Disclosure Act, DES shall maintain the confidentiality of Contractor’s information marked confidential or proprietary. If a request is made to view Contractor’s proprietary information, DES will notify Contractor of the request and of the date that the records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DES will release the requested information on the date specified.

The state’s sole responsibility shall be limited to maintaining the above data in a secure area and to notify Contractor of any request(s) for disclosure for so long as DES retains Contractor’s information in DES records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are exempt from disclosure.
d. Non-endorsement and publicity

Neither DES nor the purchasers are endorsing the Contractor's products or Services, nor suggesting that they are the best or only solution to their needs. Contractor agrees to make no reference to DES, any purchaser or the State of Washington in any literature, promotional material, brochures, sales presentation or the like, regardless of method of distribution, without the prior review and express written consent of DES.

3.19 GENERAL TERMS AND CONDITIONS

a. Governing law and venue

This Contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

b. Severability

Severability: If any provision of this Contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Contract that can be given effect without the invalid provision, and to this end the provisions of this Contract are declared to be severable.

c. Survivorship

All transactions executed for products and Services provided pursuant to the authority of this Contract shall be bound by all of the terms, conditions, Prices and Price discounts set forth herein, notwithstanding the expiration of the initial term of this Contract or any extension thereof. Further, the terms, conditions and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive. In addition, the terms of the sections titled Overpayments to Contractor; Ownership/Rights in Data; Contractor's Commitments, Warranties and Representations; Protection of purchaser's Confidential Information; Section Headings, Publicity; Retention of Records; Patent and Copyright Indemnification; Contractor's Proprietary Information; Disputes; and Limitation of Liability shall survive the termination of this Contract.

d. Independent status of Contractor

In the performance of this Contract, the parties will be acting in their individual, corporate or governmental capacities and not as agents, employees, partners, joint ventures, or associates of one another. The parties intend that an independent Contractor relationship will be created by this Contract. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Contractor shall not make any claim of right, privilege or benefit which would accrue to an employee under Chapter 41.06 RCW, or Title 51 RCW.

e. Gifts and gratuities

Contractor shall comply with all state laws regarding gifts and gratuities, including but not limited to: RCW 39.26, RCW 42.52.150, RCW 42.52.160, and RCW 42.52.170 under which it is unlawful for any person to directly or indirectly offer, give or accept gifts, gratuities, loans, trips, favors, special discounts, services, or anything of economic value in conjunction with state business or Contract activities.
Under [RCW 39.26](#) and the Ethics in Public Service Law, [Chapter 42.52 RCW](#), state officers and employees are prohibited from receiving, accepting, taking or seeking gifts (except as permitted by [RCW 42.52.150](#)) if the officer or employee participates in Contractual matters relating to the purchase of goods or services.

f. **Immunity and hold harmless**

To the fullest extent permitted by law, each party shall indemnify, defend and hold harmless state, agencies of state and all officials, agents and employees of state (the "Indemnified Parties"), from and against all claims for bodily injury, death or damage to property arising out of or resulting from a negligent or wrongful act or omission on the part of the indemnifying party or a material breach of this Contract by the indemnifying party. Contractor’s obligation to indemnify, defend, and hold harmless includes any claim by Contractor’s agents, employees, representatives, or any Subcontractor or its employees.

Contractor waives its immunity under Title 51 to the extent it is required to indemnify, defend and hold harmless state and its agencies, officials, agents or employees.

g. **Personal liability**

It is agreed by and between the parties hereto that in no event shall any official, officer, employee or agent of the State of Washington when executing their official duties in good faith, be in any way personally liable or responsible for any agreement herein contained whether expressed or implied, nor for any statement or representation made herein or in any connection with this agreement.

h. **Liability**

Contractor agrees to assume the liability for any loss, according to the terms of this Contract, of the security sealed container(s) from the time Contractor signs for, and receives, physical custody of the sealed container(s) and responsibility terminates when the Purchaser or its designated consignee takes physical possession of the sealed container(s) and signs Contractor’s receipt. If it is impossible to complete the delivery, Contractor shall be responsible for any loss until the sealed container(s) is returned to the Purchaser or its designated agent and a signed receipt obtained. While the sealed container(s) is stored in the Purchaser’s premises, Contractor does not assume liability for any loss. If the Purchaser conceals or misrepresents any material factor or circumstance.

Under no circumstance will either party be liable to the other party for lost profits or for any indirect, incidental, consequential, special, punitive or exemplary damages; such as, but not limited to, loss of revenue, loss of interest, lost data, data transmission error or anticipated profits or lost business.

The sole liability of the Contractor in the event of loss for whatever cause except as hereinafter limited, shall be payment to the Purchaser of the declared Liability Coverage per shipment amount not to exceed $250,000 per shipment.

**Claims:** It is understood that the Purchaser agrees to notify the Contractor, in writing, via certified mail, of any claim for loss in any event within forty-five (45) days after the pick-up by Contractor of the securely sealed container of property in connection with which the claim is asserted and unless such notice shall have been given, such claim shall be deemed waived.

**Container Value Limitation:** Purchaser acknowledges and agrees that the maximum value which Contractor will transport in any individual container will not exceed two
hundred fifty thousand dollars ($250,000). If the total value of a shipment which Purchaser seeks to tender to Contractor exceeds to hundred fifty thousand dollars ($250,000), such shipment must be broken down into separate shipment containers of two hundred fifty thousand dollars ($250,000) or less.

Written notice shall include the affected Contract reference number.

e. Surplus lines

Any exception must be reviewed and approved by the Risk Manager for the State of Washington, by submitting a copy of the Contract and evidence of insurance before Contract commencement. If an insurer is not admitted, all insurance policies and procedures for issuing the insurance policies must comply with [Chapter 48.15 RCW](#) and [Chapter 284-15 WAC](#).

**g. Excess coverage**

The limits of all insurance required to be provided by the Contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the Contractor from liability in excess of such limits.

### 3.21 INDUSTRIAL INSURANCE COVERAGE

The Contractor shall comply with the provisions of [Title 51 RCW](#) Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, DES may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from the Contractor.

### 3.22 NONDISCRIMINATION

During the performance of this Contract, the Contractor shall comply with all applicable federal and state nondiscrimination laws, regulations and policies, including, but not limited to, Title VII of the Civil Rights Act, 42 U.S.C. section 12101 et. seq.; the Americans with Disabilities Act (ADA); and, [Chapter 49.60 RCW](#), Discrimination – Human Rights Commission.

Contractor further agrees to indemnify and hold harmless DES and purchaser from all damages assessed against purchaser as a result of Contractor’s failure to comply with those laws, standards and regulations, and for the failure of the items furnished under the Contract to so comply.

### 3.24 ANTITRUST

The state maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, the Contractor hereby assigns to the State of Washington any and all of the Contractor’s claims for such price fixing or overcharges which arise under federal or
state antitrust laws, relating to the materials, supplies, services and/or equipment purchased under this Contract.

3.25 WAIVER

Failure or delay of DES or purchaser to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy provided in the Contract or by law; or DES's or purchaser's acceptance of or payment for materials, supplies, services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of DES or purchaser to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of Contract against the Contractor, no provision of this Contract shall be construed, expressly or by implication, as a waiver by DES or purchaser of any existing or future right and/or remedy available by law.

3.26 DISPUTES AND REMEDIES

a. Problem resolution and disputes

Problems arising out of the performance of this Contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between DES or the purchaser and Contractor and it cannot be resolved between the parties through the normal problem escalation processes, either party may initiate the dispute resolution procedure provided herein. The dispute shall be handled by a Dispute Resolution Panel in the following manner. Each party to this Contract shall appoint one member to the Panel. These two appointed members shall jointly appoint an additional member. The Dispute Resolution Panel shall review the facts, Contract terms and applicable statutes and rules and make a determination of the dispute as quickly as reasonably possible. The determination of the Dispute Resolution Panel shall be final and binding on the parties hereto. DES and/or purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

In the event a bona fide dispute concerning a question of fact arises between DES or the purchaser and Contractor and it cannot be resolved between the parties through the normal escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three business days. The initiating party shall have three business days to review the bid. If after this review a resolution cannot be reached, both parties shall have three business days to negotiate in good faith to resolve the dispute.

If the dispute cannot be resolved after three business days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three business days of receiving the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three business days.
The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to be bound by the determination of the Dispute Resolution Panel.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

DES, the purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by purchaser for materials, supplies, services and/or equipment being provided by Contractor, Contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided purchaser pays Contractor the amount purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

b. Administrative suspension

When it in the best interest of the state, DES may at any time, and without cause, suspend the Contract or any portion thereof for a period of not more than 30 calendar days per event by written notice from DES to the Contractor's Representative. Contractor shall resume performance on the next business day following the 30th day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within the 30-day suspension period by DES providing the Contractor's Representative with written notice of such demand.

c. Force majeure

The term "force majeure" means an occurrence that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of war, riots, strikes, fire, floods, windstorms, epidemics or other similar occurrences.

Exceptions: Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure.

Notification: If either party is delayed by force majeure, said party shall provide written notification within 48 hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights reserved: DES reserves the right to authorize an amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or services
from the best available source during the time of force majeure, and Contractor shall have no recourse against the state.

d. Alternative dispute resolution fees and costs

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys' fees incurred as a result of the alternative dispute resolution method.

e. Non-exclusive remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

3.27 LIQUIDATED DAMAGES

a. Limitation of liability

The parties agree that neither Contractor, DES nor purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled Termination for Default and Retention of Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

The Contractor, DES and purchaser are not liable for damages arising from causes beyond their reasonable control and without their fault or negligence. Such causes may include, but are not restricted to, acts of the public enemy, acts of a governmental body other than DES or the purchaser acting in either its sovereign or Contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of the Contractor, DES or the purchaser, or their respective Subcontractors.

If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.

Neither party shall be liable for personal injury to the other party or damage to the other party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

b. Federal funding

In the event that a federally funded acquisition results from this procurement, the Contractor may be required to provide additional information (free of charge) at the request of DES or purchaser. Further, the Contractor may be subject to those federal requirements specific to the commodity.

c. Federal restrictions on lobbying
Contractor certifies that under the requirements of Lobbying Disclosure Act, 2 U.S.C., Section 1601 et seq., no federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal Contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal Contract, grant, loan, or cooperative agreement.

3.28 DEBARMENT AND SUSPENSION

Respondent certifies, by submitting this bid or proposal, that neither it nor its affiliates presently are debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this procurement/Contract by any government agency. Respondent also agrees to notify DES if its debarment status changes during the bid process or after receiving notice of Contract award, if any. If respondent cannot certify this statement, attach a written explanation to the bid response for review.

3.29 CONTRACT TERMINATION

a. Material breach

A Contractor may be terminated for cause by DES, at the sole discretion of DES, for failing to perform a Contractual requirement or for a material breach of any term or condition. Material breach of a term or condition of the Contract may include but is not limited to:

- Contractor failure to perform services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written amendment to the Contract;
- Contractor failure to carry out any warranty or fails to perform or comply with any mandatory provision of the Contract;
- Contractor becomes insolvent or in an unsound financial condition so as to endanger performance hereunder;
- Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency or reorganization, or relief from creditors and/or debtors that endangers the Contractor’s proper performance hereunder;
- Appointment of any receiver, trustee, or similar official for Contractor or any of the Contractor’s property and such appointment endangers the Contractor’s proper performance hereunder;
- A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Contract.

b. Opportunity to cure

In the event that Contractor fails to perform a Contractual requirement or materially breaches any term or condition, DES may issue a written cure notice. The Contractor may have a period of time in which to cure. DES is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DES. Time allowed for cure shall not diminish or eliminate Contractor’s liability for
liquidated or other damages, or otherwise affect any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, DES may do any one or more of the following:
- Exercise any remedy provided by law;
- Terminate this Contract and any related Contracts or portions thereof;
- Procure replacements and impose damages as set forth elsewhere in this Contract;
- Impose actual or liquidated damages;
- Suspend or bar Contractor from receiving future solicitations or other opportunities;
- Require Contractor to reimburse the state for any loss or additional expense incurred as a result of default or failure to satisfactorily perform the terms of the Contract.

c. Termination for cause

In the event DES, in its sole discretion, determines that the Contractor has failed to comply with the conditions of this Contract in a timely manner or is in material breach, DES has the right to suspend or terminate this Contract, in part or in whole. DES shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days or as otherwise specified by DES, or if such corrective action is deemed by DES to be insufficient, the Contract may be terminated. DES reserves the right to suspend or terminate the entire Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by DES to terminate the Contract.

In the event of termination, DES shall have the right to procure for all purchasers any replacement materials, supplies, services and/or equipment that are the subject of this Contract on the open market. In addition, the Contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor’s or its Subcontractor’s control, fault or negligence, the termination shall be deemed to be a “termination for convenience.” The rights and remedies of DES and/or the purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

d. Termination for convenience

Except as otherwise provided in this Contract, DES, at the sole discretion of DES, may terminate this Contract, in whole or in part by giving 60 calendar days or other appropriate time period written notice beginning on the second day after mailing to the Contractor. If this Contract is so terminated, purchasers shall be liable only for payment required under this Contract for properly authorized services rendered, or materials, supplies and/or equipment delivered to and accepted by the purchaser prior to the effective date of Contract termination. Neither DES nor the purchaser shall have any other obligation
whatsoever to the Contractor for such termination. This Termination for Convenience clause may be invoked by DES when it is in the best interest of the State of Washington.

e. **Termination for withdrawal of authority**

In the event that DES and/or purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract and prior to normal completion, DES may terminate this Contract, in whole or in part, by seven calendar days written notice, or other appropriate time period, to Contractor.

f. **Termination for non-allocation of funds**

If funds are not allocated to purchaser(s) to continue this Contract in any future period, DES may terminate this Contract with seven calendar days written notice, or other appropriate time period, to Contractor, or work with Contractor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for materials, supplies, services and/or equipment including the net remainder of agreed-to consecutive periodic payments remaining unpaid beyond the end of the then-current period. DES and/or purchaser agree to notify Contractor in writing of such non-allocation at the earliest possible time.

No penalty shall accrue to the purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract in order to acquire similar materials, supplies, services and/or equipment from a third party.

g. **Termination for conflict of interest**

DES may terminate this Contract by written notice to Contractor if it is determined, after due notice and examination, that any party to this Contract has violated Chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of Contracts. In the event this Contract is so terminated, DES and/or purchaser shall be entitled to pursue the same remedies against Contractor as it could pursue in the event that the Contractor breaches this Contract.

h. **Termination by mutual agreement**

DES and the Contractor may terminate this Contract in whole or in part, at any time, by mutual agreement.

i. **Termination procedure**

In addition to the procedures set forth below, if DES terminates this Contract, Contractor shall follow any procedures DES specifies in the termination notice.

Upon termination of this Contract and in addition to any other rights provided in this Contract, DES may require the Contractor to deliver to the purchaser any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The purchaser shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) Accepted by the purchaser, and the amount agreed upon by the Contractor and the purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are Accepted by the purchaser, and (iv) the
protection and preservation of property, unless the termination is for cause, in which case DES and the purchaser shall determine the extent of the liability of the purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. The purchaser may withhold from any amounts due the Contractor such sum as DES and purchaser determine to be necessary to protect the purchaser against potential loss or liability.

The rights and remedies of DES and/or the purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

After receipt of a termination notice, and except as otherwise expressly directed in writing by DES, the Contractor shall:

- Stop all work, order fulfillment, shipments, and deliveries under the Contract on the date, and to the extent specified, in the notice;
- Place no further orders or Subcontracts for materials, services, supplies, equipment and/or facilities in relation to the Contract except as is necessary to complete or fulfill such portion of the Contract that is not terminated;
- Complete or fulfill such portion of the Contract that is not terminated in compliance with all Contractual requirements;
- Assign to the purchaser, in the manner, at the times, and to the extent directed by DES on behalf of the purchaser, all of the rights, title, and interest of the Contractor under the orders and Subcontracts so terminated, in which case the purchaser has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and Subcontracts;
- Settle all outstanding liabilities and all claims arising out of such termination of orders and Subcontracts, with the approval or ratification of DES and/or the purchaser to the extent DES and/or the purchaser may require, which approval or ratification shall be final for all the purposes of this clause;
- Transfer title to the purchaser and deliver in the manner, at the times, and to the extent directed by DES on behalf of the purchaser any property which, if the Contract had been completed, would have been required to be furnished to the purchaser;
- Take such action as may be necessary, or as DES and/or the purchaser may direct, for the protection and preservation of the property related to this Contract which is in the possession of the Contractor and in which DES and/or the purchaser has or may acquire an interest.

In recognition that conflict of interest cases arise in each office, and each office has limited resources to hire outside counsel, it has been agreed to exchange these cases between offices.

<td>Summary (Background)</td>
<td>The City Pd’s office and the County Pd’s office have a long history of trading misdemeanor conflict files so that neither office is required to pay for a conflict attorney. This arrangement started to include some lower-level Class C felony work in 2018, to be done by the City Public Defender’s Office, to balance out the workload between the offices. In 2019, we accepted a felony conflict contract in addition to our misdemeanor conflict files that we continue to just trade between the offices. This contract has a maximum pay out from the County office to the City of Spokane of $72,000. For the year of 2021, the county did not bill the city for any of the conflicts. We are asking the City Council to approve this contract.</td>

MEMORANDUM OF UNDERSTANDING

2022 CONFLICT AGREEMENT

BETWEEN

CITY OF SPOKANE
OFFICE OF THE PUBLIC DEFENDER AND
SPOKANE COUNTY PUBLIC DEFENDER’S OFFICE

THIS MEMORANDUM OF UNDERSTANDING is between the CITY OF SPOKANE OFFICE OF THE PUBLIC DEFENDER, located at 824 North Monroe Street, Spokane, Washington 99201, as "City", and the SPOKANE COUNTY PUBLIC DEFENDER’S OFFICE, located at 1033 West Gardner, Spokane, Washington 99260-0280, as "County".

WHEREAS, the City, by Bridget Condon, Acting Public Defender, and the County, by Colin Charbonneau, are each charged with the responsibility of providing effective and competent representation to all indigent defendants appointed to them who are charged with a jailable offense in their respective jurisdictions; and

WHEREAS, in recognition of the fact that conflict of interest cases arise that cannot be represented within the respective offices, and each office having limited resources to contract with private counsel for indigent conflict cases; and

WHEREAS, the Washington State Supreme Court has promulgated changes to Court Rules relating to public defender standards for cases filed in Courts of Limited Jurisdiction requiring the filing of quarterly certifications of compliance in the courts in which the public defender is handling cases; and

WHEREAS, on or about September 1, 2013, the Supreme Court’s rule changes required each public defender handling cases in Courts of Limited Jurisdiction to not carry an excessive caseload and effective January 1, 2015, required misdemeanor caseloads of less than 400 cases per attorney per year,

Now, Therefore,

The City and County agree to exchange conflict cases under the terms and conditions as set forth below.

1. Whether there is a conflict in a particular case in the respective office shall be determined on a City case by Bridget Condon, the City Public Defender, and on a County case by Colin Charbonneau, the County Public Defender, whom shall each assign the case to the other office with proper notice. Conflict cases are to be assigned on the basis that affords the greatest client
2. This memorandum may be amended by written agreement of the parties to add compensation if the case exchanges are not equitable. Bridget Condon and Colin Charbonneau may also negotiate payment of extraordinary expenses on the conflict case, such as investigator costs.

3. Conflict Exchange Formula.

A. Cases shall be exchanged one-for-one for misdemeanor and gross misdemeanor cases in the trial court, one-for-one for appeals to superior court from a court of limited jurisdiction, and three-for-one, in an exchange of misdemeanors or gross misdemeanors for a Class "C" felony, or TWO HUNDRED AND NO/100 DOLLARS ($200.00) per case in the event the case exchange cannot be made equitable by year end.

B. The term “case” shall mean those charges arising from the same incident. A felony case will constitute all counts Class "C" or below, including attendant misdemeanors or gross misdemeanors.

C. The City does not represent clients on infractions, as these are civil matters. Any cases assigned by the County to the City shall not include the infractions.

D. If there is an uneven exchange of RALJ appeals during the year between the offices, each RALJ appeal shall be counted as one RALJ appeal in exchange for three misdemeanors or gross misdemeanors.

E. A case that goes to warrant during representation in the receiving office shall not constitute a new case if the client is re-arrested or otherwise contacts the receiving office and the case is reopened and docketed for adjudication. Should the client subject to such a bench-warrant-and-rearrest be then also charged with additional unrelated offenses, new charges arising from an additional incident would be counted an additional case handled by the receiving office. Both offices acknowledge that when a conflict case has been transferred to the receiving office and thereafter goes to bench warrant, the client’s rearrest thereafter will first be known to the sending office and on that office’s first appearance docket. Both offices agree to inform the receiving office as soon as possible when such clients have been arrested.

F. A case upon which a show cause has been filed shall constitute a new case.

G. Colin Charbonneau or Bridget Condon for their respective offices may request that a particular case be considered as two or more case equivalents if it requires an extraordinary number of hours to complete.

H. The County Public Defender may send up to six felony conflict cases per month to the City Public Defender’s Office for representation, and for this work the County shall pay the City Public Defender’s office according to the following schedule:

From January 1, 2022 thru December 31, 2022 the following shall apply:

Class C felonies to be paid at a total of $1,200 per case;

Class B felonies to be paid at a total of $1,400 per case; and
Class A felonies to be paid above $1400 on a case by cases basis upon agreement of the parties.

With those funds, the City Public Defender agrees to provide an attorney and any and all necessary investigative work relating to those cases. It is the understanding of the parties that some of the money can be spent on office equipment or supplies necessary to fulfill this contract. The County shall provide access, at no cost, to documents in the Superior Court, whether through Odyssey or Web-Xtender, or other program, through two licenses, one for the attorney’s use and one for the support person’s use.

4. Each office shall have the right to decline a particular case assignment if there is not proper time to prepare a defense, or any other valid reason. Bridget Condon and Colin Charbonneau will resolve any disputes on this issue.

5. During the period of representation, the City assumes the responsibility for professional liability and any claims while the City is handling a County case under the terms of this memorandum. During the period of representation, the County assumes the responsibility for professional liability and any claims while the County is handling a City case under the terms of this memorandum.

6. Each office shall be responsible for keeping track of details regarding cases sent and received and for using and keeping the form designated for that purpose. It is understood that, for proper evaluation of the fairness and effectiveness of this arrangement, each office will keep records for its own use relating to the reason for sending the case out on conflict. Colin Charbonneau and Bridget Condon will review and exchange the conflicts statistics on a quarterly basis to determine if there are equivalent case numbers sent and received.

7. Each office shall be responsible for keeping track of per attorney annual caseloads on a quarterly basis and to reassign the conflict cases among the attorneys in that office to stay within the annual caseload limits. Each office shall be responsible for preparing, signing and filing, each quarter, each attorney’s certification as to compliance with the Supreme Court’s Standards for Public Defense in the appropriate court(s).

8. This memorandum is effective January 1, 2022 through December 31, 2022, unless terminated earlier. Either party may terminate this memorandum upon ten (10) days written notice to the other party. Files in process shall be handled competently and effectively through ultimate disposition by the receiving office. Final disposition shall include the time up and through the entry of an order that terminates probation of a defendant.

9. Bridget Condon will represent or supervise the representation of clients assigned to the City on felony cases. Colin Charbonneau will represent or supervise the representation of clients by the Assistant County Public Defenders assigned to the County by the City.

10. A case that constitutes a conflict for one of the offices may also constitute a conflict in the other office. If that is the case, Bridget Condon or Colin Charbonneau for their respective office is responsible to notify the other of the conflict and return the file so that the sending office can obtain alternate counsel. There is no further obligation on the part of the receiving office. Cases thus returned will not be counted in the exchange.
11. For trial court conflict cases, the sending office shall provide the current address and telephone/message phone number for the client whose case is transferred, together with non-work product discovery. The sending office is responsible for providing police reports, 911 tapes, CAD RMS (if any), JIS, Court Justware, SCOMIS, etc., or criminal history records to the receiving office. The sending office is responsible for filing a notice of assignment in the court file. The receiving office is required to file and serve a notice of appearance or substitution of counsel. This filing constitutes acceptance of the case.

12. For appeal conflict cases, the sending office shall provide the current address and telephone/message phone number for the client whose case is transferred. Trial counsel is obligated to prepare and file all required paperwork to perfect the appeal including but not limited to the filing of (1) the notice of appearance or substitution of counsel, (2) in forma pauper is for the waiver of the filing fee, (3) order of indigency, and (4) statement of arrangements. It shall be the obligation of the sending office to order and pay for transcription of the record.

13. The attorney in the receiving office shall attempt contact with the client within forty-eight (48) hours or two (2) business days of his/her actual notice of case assignment.

14. Both offices employ Rule 9 Legal Interns to represent clients. It is agreed that a Rule 9 can represent on these cases under supervision of their supervising attorney so long as the supervision is in compliance with Admission to Practice Rule 9.

The City would like to amend the agreement to include $200,000 in wastewater utility funds, in exchange for specific placement of sewer infrastructure that benefits the City overall. The Wastewater Utility funds will support Public Improvements that will benefit the City. • The sewer improvements for the project will be realigned and relocated from the river edge into the public right-of-way via Lincoln and Broadway. • The relocated sewer will open up the potential to develop additional properties on the west side of Lincoln from Summit Boulevard to Broadway and create improved economic activity for the City. • The properties along this section of Lincoln are primarily dirt parking lots, greatly underutilized sites considering their proximity to downtown, Riverfront Park, and Kendall Yards. • The new location also provides for greater protection for the Spokane River. We initially talked about this amendment at PIES in August 2021, but the developer was considering their options. So, we are returning to this ask now.</td>

Public Works services and projects are designed to serve all citizens and businesses. We strive to offer a consistent level of service to all, to distribute public investment throughout the community, and to respond to gaps in services identified in various City plans. We recognize the need to maintain affordability and predictability for utility customers. And we are committed to delivering work that is both financially and environmentally responsible. This item supports the operations of Public Works.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

N/A – This is a public works investment in sewer infrastructure that will make underutilized sites near the core of the City more developable for housing or other needs and protect the Spokane River and should not impact racial, gender identity, national origin, income level, disability, sexual orientation or other existing disparity factors.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

This amendment requires the developer to use follow public works bidding regulations and policies. The developer has worked with the City to extend the sewer in a way that provides public benefit.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This project is consistent with our adopted six year programs as well as the annual budget and strategic initiatives.
FIRST AMENDMENT OF DEVELOPMENT AGREEMENT

This first amendment of development agreement ("Amendment") is entered into this ____ day of March 2022, by and among City of Spokane, a municipal corporation of the State of Washington (the "City"), and The Falls, LLC, a Washington limited liability company (the "Developer"), collectively referred to hereinafter as the "Parties."

Whereas, the Parties previously entered into a Development Agreement, dated February 17, 2020 (the "Agreement"); and

Whereas, the Parties now wish to amend the Agreement to provide for additional Public Improvements that will benefit the City utility by supporting potential additional development; and

Whereas, the new utility improvements include the design and construction of the realignment and relocation of the sewer main to serve the public right-of-way through Lincoln and Broadway; and

Whereas, the relocated sewer will open up potential to develop additional properties on the west side of Lincoln from Summit Boulevard to Broadway and create improved economic activity for the City; and

Whereas, these properties are primarily dirt parking lots, greatly underutilized sites considering their proximity to downtown, Riverfront Park, and Kendall Yards; and

Whereas, the new location also provides for greater protection for the Spokane River; and

Whereas, the City has spent $350 million on projects that improve the health of the Spokane River; relocation of the sewer away from the River helps to ensure that the system will not overflow to the River;

NOW, THEREFORE, the Parties agree as follows:

1. CONTRACT DOCUMENTS. The Agreement and any previous amendments and/or extensions/renewals, thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided for elsewhere in this Amendment.

2. AMENDMENTS. Paragraph 4 of the Agreement, Public Improvements, is amended to read as follows:

   Public Improvements. The Project will include the following public improvements within the public right-of-way (the “Improvements” or “Public Improvements”):
of water, sewer, fire, power, streetscape improvements, street trees and connections to the Centennial Trail, as well as connections to Riverfront Park. Additional Improvements will be design and construction for relocation and realignment of the sewer main into the Post Street right-of-way, consistent with the attached sewer plan “A”.

Paragraph 6 of the Agreement, City Payment to Developer, is amended to read as follows:

City Payment to Developer. In consideration of the significant public benefits anticipated to result from Developer’s construction of the Project, subject to the terms and conditions of this agreement, and following Developer’s completion of the Project, including the Public Improvements, the City shall pay Developer an amount not to exceed FIVE HUNDRED THOUSAND Dollars ($500,000.00) ((three hundred thousand Dollars $300,000)). Broken down as follows: Original agreement not to exceed $300,000 from Projects of Citywide Significance funding, additional amount not to exceed $200,000 for sewer construction funded by the wastewater department. The actual payment amount for the additional amount will be based upon the costs shown in Developer’s invoices submitted to the City. The City will make payments to Developer, within sixty (60) days after the receipt of Developer’s application for payment, subject to the City’s approval of the ((completed))Public Improvements as substantially complete in accord with City standards, and subject to compliance with the terms of this agreement. Without limiting any of the foregoing, Developer’s application for payment shall be subject to review by the City’s Engineering Services Department for the purpose of confirming reasonable prices for materials, equipment rentals and labor.

ALL OTHER TERMS AND CONDITIONS REMAIN IN FULL FORCE AND EFFECT.
In witness whereof, the City and Developer have signed this Amendment effective as of the date first hereinabove written.

5. **COMPLIANCE WITH LAWS.** Each party shall comply with all applicable federal, state, and local laws and regulations.

6. **ASSIGNMENTS.** This Contract is binding on the parties and their heirs, successors, and assigns. Neither party may assign, transfer or subcontract its interest, in whole or in part, without the other party’s prior written consent.

7. **AMENDMENTS.** This Contract may be amended at any time by mutual written agreement.

8. **ANTI-KICKBACK.** No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Contract.

9. **TERMINATION.** Either party may terminate this Contract by thirty (30) days written notice to the other party. In the event of such termination, the City shall pay the Company for all work previously authorized and performed prior to the termination date.

10. **INSURANCE.** During the term of the Agreement, the Company shall maintain in force at its own expense, the following insurance coverages:

    A. Worker’s Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers’ compensation coverage for all their subject workers; and

It shall include contractual liability coverage for the indemnity provided under this contract. It shall provide that the City, its officers and employees are additional insureds, but only with respect to the Contractor’s services to be provided under this contract;

        i. Acceptable supplementary Umbrella insurance coverage, combined with the Company’s General Liability insurance policy must be a minimum of $1,000,000, in order to meet the insurance coverages required under this Contract;

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without sixty (60) days written notice from the Company or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Company shall furnish acceptable Certificates of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as “Additional Insured” specifically for Company’s services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the sixty (60) day cancellation clause, and the deduction or retention level. The Company shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.
11. **INDEMNIFICATION.** The Company shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Company’s negligence or willful misconduct under this Agreement, including attorneys’ fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Company’s agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company’s own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

12. **DEBARMEMENT AND SUSPENSION.** The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and “Debarment and Suspension”, codified at 29 CFR part 98.

13. **SEVERABILITY.** In the event any provision of this Contract should become invalid, the rest of the Contract shall remain in full force and effect.

15. **NONDISCRIMINATION.** No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. 16. **BUSINESS REGISTRATION REQUIREMENT.** Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Company shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. The Company and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

18. CONFIDENTIALITY/PUBLIC RECORDS. Notwithstanding anything to the contrary, City will maintain the confidentiality of Company’s materials and information only to the extent that is legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Company’s materials or information and the City determines there are exemptions only the Company can assert, City will endeavor to give Company notice. Company, at its own expense, will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Company does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

19. DISPUTES. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.

USA commitment to promote small business participation procurement programs 17
INFORMATION FOR ORDERING ACTIVITIES
APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ online shopping service (www.gsaadvantage.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Acquisition Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, only if:

1. All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));

3. The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
4. All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

1. Time of delivery/installation quotations for individual orders;
2. Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a

NOT OFFERED

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

22. INSTALLATION, DEINSTALLATION, REINSTALLATION

The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds $2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8 or 132-9.

The Purchase Price will be paid as follows at Closing: (i) the Earnest Money will be credited toward the Purchase Price; and (ii) the remainder of the Purchase Price will be paid in Current Funds. As used in this Agreement, “Current Funds” means wire transfers, certified funds, or cashier’s checks in a form acceptable to Escrow Agent that would permit Escrow Agent to immediately disburse such funds. The foregoing Purchase Price assumes that the Real Property will consist of approximately 890,410 square feet and that Buyer will pay a purchase price equal to the total number of square feet multiplied by $2.14 per square foot. If the actual square feet of Real Property, as shown on the Final Long Plat (as herein defined) is greater or less than 890,410 square feet, the Purchase Price will be increased or decreased to equal the actual number of square feet, multiplied by the foregoing per square foot price.

4. **Due Diligence Inspections and Title Review.**

4.1 **Review Period.** As used in this Agreement, the term “Review Period” means that period of time commencing on the Effective Date and expiring at 5:00 p.m. local time in the County the date that is one hundred twenty (120) days after the Effective Date, or upon earlier termination of this Agreement.

4.2 **Review of Title.** Within ten (10) days after the Effective Date, Seller shall cause the Title Company to deliver a commitment for the Title Policy (as defined in Section 6.3(b)) to the Parties. The commitment must be accompanied by legible copies of all documents referred to in Schedule B of the commitment (the commitment and documents are collectively referred to in this Agreement as the “Title Report”).

(a) **Objections.** Buyer shall review the Title Report and may, prior to the expiration of the Review Period, provide Seller and Title Company with written notice of the title exceptions that are acceptable or objectionable to Buyer, in Buyer’s discretion (each such objectionable matter or exception considered a “Disapproved Matter”). If Buyer timely notifies Seller and Title Company of any Disapproved Matter(s) prior to expiration of the Review Period, Seller may, within five (5) days following Seller’s receipt of Buyer’s written notice of Disapproved Matter(s) prior to Closing, or (ii) Seller will not remove any or certain Disapproved Matter(s). If Seller does not respond within such period, Seller will be deemed to have elected option (ii) above. If Seller elects, within its discretion, or is deemed to have elected not to eliminate those objections with reference to such Disapproved Matter(s), in form and substance acceptable to Buyer, in Buyer’s discretion, Buyer may, within five (5) days of receipt of such Seller’s response to Buyer’s written notice, either: (y) terminate this Agreement by delivery of written notice to Seller and Escrow Agent, or (z) give written notice to Seller
and Escrow Agent, agreeing to accept title to the Property subject to such Disapproved Matters, in which case such Disapproved Matters shall be Permitted Exceptions (as defined in Section 4.2(c), below), and if Buyer fails to elect either option (y) or (z) above, Buyer will be deemed to have elected option (z).

(b) Supplements; Amendments. If the Title Company issues a supplement or amendment to the Title Report showing additional title exceptions which were not contained in the initial Title Report (each, an “Amended Report”), Buyer will have three (3) days from the date of receipt of each Amended Report, and a copy of each document referred to in the Amended Report that was not contained in the initial Title Report, in which to give notice of its acceptance of or objection to any additional title exceptions except if said supplements or amendments are a result of Buyer’s actions, in which case Buyer shall not be entitled to object to such additional title exceptions. If Buyer provides Seller with notice of the basis of objection to the status of Seller’s title as shown in the Amended Report, Seller will have the option, but not the obligation, to: (i) eliminate Buyer’s objections, (ii) obtain title insurance endorsements regarding such objections, or (iii) cure any objectionable matter within three (3) days after receipt of such written notice, in each case, in form and substance acceptable to Buyer. If, prior to the expiration of the three (3) day period, Seller does not cure such objections, Buyer will have the option to terminate this Agreement within one (1) Business Day after expiration of such three (3) day period by giving written notice of termination to Seller and Escrow Agent, and if Buyer does not elect to terminate the Agreement within such one (1) Business Day period, Buyer will be deemed to have agreed to accept title subject to such objections, in which case such additional title exceptions shall be Permitted Exceptions. If Seller’s three (3) day cure period would expire after the scheduled Closing Date (as defined in Section 6.1, below), the Closing Date will be extended until the expiration of the time periods set forth in this Section.

(c) Failure to Provide Written Acceptance. Any item that Buyer accepts in writing or is deemed to have accepted pursuant to the terms of this Agreement will be a “Permitted Exception.” The term “Permitted Exceptions” also includes and Buyer may not disapprove or object to the following: all zoning ordinances and regulations and any other laws, ordinances, or governmental regulations and restrictions regulating the use, occupancy or enjoyment of the Property; such state of facts as would be disclosed by a survey or physical inspection of the Real Property (unless Buyer obtains a survey); the lien of taxes and assessments not yet delinquent; any exclusions from coverage set forth in the jacket of the Title Policy; the Avigation Easement (as defined below); or any exceptions caused by Buyer or Buyer’s Agents. Notwithstanding the foregoing, Buyer will not be required to disapprove or object to, and Seller covenants to remove as an encumbrance against title to the Property on or prior to the Closing, any deeds of trust, monetary liens, or monetary encumbrances (except for real property taxes and assessments not yet due) created by Seller. If Buyer does not provide written acceptance of an exception to title as disclosed by the Title Report or an Amended Report within the applicable time period, Buyer will be deemed to have accepted such matter. If this Agreement is terminated due to Seller’s failure to eliminate or cure any of Buyer’s objections under this Section 4.2, the Escrow Agent shall immediately disburse to Buyer all Earnest Money, together with any documents or instruments that Buyer has deposited with the Escrow Agent, and neither Party will have any further obligation to the other, except those obligations that expressly survive the termination of this Agreement.

4.3 Survey. At any time through the Closing Date, Buyer, at its expense, may obtain a current or updated survey of the Property (the “Survey”).
4.4 **Review of Diligence Materials.** Seller shall, no later than five (5) Business Days after the Effective Date, provide Buyer (or make available for Buyer’s inspection) copies of the following items that relate to the Property (to the extent the same are in Seller’s possession or control): that certain Land Lease Agreement ("SFD Lease") with the City of Spokane, a municipal corporation, by and through its Fire Department, for the use and occupancy of a portion of the Real Property, generally consisting of approximately 1.014 acres located east of South Spotted Road and north of West Tech Park Drive ("SFD Lease Parcel"); existing environmental assessment reports; surveys; utility bills for the most recent month and past six (6) months, if any; valuation notices and any other fees, dues, and taxes applicable to the Property for the past year; and copies of any pending or threatened Claims (as defined in Section 4.5(b)) relating to the Property, and any governmental notices regarding uncured violations of laws or regulations (collectively, the “Current Diligence Materials”). In the event that the sale of the Property fails to close for any reason, all Current Diligence Materials provided to Buyer by Seller shall be returned to Seller promptly upon request and the contents of all Current Diligence Materials shall thereafter be treated by Buyer as confidential information of Seller and shall not be disclosed to any third parties (except as may be required by law or upon court order) without the prior consent of Seller, which consent may be withheld in Seller’s sole and absolute discretion. Any Current Diligence Materials provided by Seller to Buyer under this Agreement are provided as an accommodation to Buyer, and Buyer acknowledges and agrees that Seller makes no representations or warranties whatsoever with regard to the contents, completeness or accuracy of any such Current Diligence Materials.

4.5 **Physical Inspections; Entry on Property.**

(a) **Physical Inspections.** Buyer and its agents, representatives, employees or subcontractors ("Buyer’s Agents") will have the right, from time to time prior to the Closing, to enter upon the Property to examine the same and the condition thereof and to conduct such surveys and to make such engineering and other inspections, tests and studies as Buyer determines to be reasonably necessary, all at Buyer’s sole cost and expense. As part of Buyer’s physical inspection, Buyer may, in its discretion and its sole cost and expense, obtain a current ASTM Phase I environmental site assessment (the “Phase I”) for the Property, performed by an environmental consultant (the “Environmental Consultant”) acceptable to and for the benefit of and reliance on by Buyer. If the Phase I recommends that a Phase II environmental site assessment (the “Phase II”) be prepared or Buyer determines that a Phase II is necessary and desirable, then Buyer may, in its discretion, elect to perform a Phase II by giving written notice to Seller. Seller shall have the right to be present at any or all inspections. Buyer shall promptly provide Seller copies of the Phase I and Phase II, and any other conclusions, assessments, or reviews provided to Buyer by the Environmental Consultant. Neither Buyer nor Buyer’s Agents may contact any governmental official or representative regarding hazardous materials on or the environmental condition of the Property without Seller’s prior written consent thereto, which consent shall not be unreasonably withheld, conditioned, or delayed. In addition, if Seller consents to any such governmental contacts, Seller shall be entitled to receive at least five (5) days prior written notice of the intended contact and to have a representative present when any Buyer’s Agent has any such contact with any governmental official or representative.

(b) **Entry on Property.** Up to and through the Closing Date, if this Agreement has not been terminated, Buyer and Buyer’s Agents will have the right (upon at least twenty-four (24) hours prior written notice to Seller) to enter the Property to conduct such surveys, inspections, investigations and/or studies with respect to the Property as permitted by Section 4.5(a) of this Agreement, at Buyer’s sole cost and
expense. Prior to and as a condition of any entry onto the Property by Buyer’s Agents, Buyer shall cause such agent to execute and deliver to Seller an unconditional release and indemnity agreement in the form attached hereto as Exhibit E. Buyer shall also indemnify, defend and hold Seller and the Property free and harmless from and against any and all debts, duties, obligations, liabilities, liens, suits, claims, demands, causes of actions, damages, losses, costs and expenses (including, without limitation, reasonable legal expenses and attorneys’ fees with respect to the same or to enforce the foregoing) (collectively, “Claims”) incurred by reason of or in connection with such entry or such surveys, inspections, investigations and/or studies, provided, however, that Buyer’s indemnification obligation will not extend to any Claims or liabilities arising out of the discovery of any preexisting conditions of the Property or diminution of value to the Property attributable to any such discovery; and further provided that under no circumstances shall Seller be able to recover exemplary, punitive, indirect, consequential or special damages. Buyer agrees to repair any and all damages caused to the Property due to Buyer’s or Buyer’s Agents entry thereon and otherwise to restore the Property to the Property’s original condition before such entry. The obligations of Buyer under this Section 4.5 will survive Closing or earlier termination of this Agreement.

(c) No Liens or Interference. Buyer shall not permit, and shall indemnify, defend and hold harmless Seller for, from and against any and all Claims incurred by reason of or in connection with, any construction, mechanics or materialmen’s liens or any other liens that attach to the Property or any portion thereof by reason of the performance of any work or the purchase of any materials by Buyer or Buyer’s Agents in connection with Buyer’s inspection of the Property. The provisions of this Section will survive Closing or other termination of this Agreement.

4.6 Right to Terminate Before Expiration of Review Period. Notwithstanding anything contained within this Agreement to the contrary, Seller acknowledges and understands that Buyer may, prior to the expiration of the Review Period, notify Seller in writing that Buyer elects to terminate this Agreement as a result of any matter or no matter as determined by Buyer, in Buyer’s sole discretion. Seller acknowledges that Buyer has the right to so terminate this Agreement, regardless of whether Seller would be willing or able to cure any such matter to which Buyer has objected. If Buyer elects, in its sole discretion, to proceed with this transaction, Buyer shall send a written approval notice to Seller and Escrow Agent on or before expiration of the Review Period (“Approval Notice”). If Buyer fails to send an Approval Notice to Seller and Escrow Agent by the expiration of the Review Period, Buyer will be deemed to have elected to terminate this Agreement. Buyer may also terminate this Agreement by sending written notice of termination to Seller on or before expiration of the Review Period. If this Agreement is terminated as provided in this Section 4.6, the Earnest Money will be refunded to Buyer, and the Parties will have no further rights or obligations to each other, except for those rights and obligations that expressly survive the termination of this Agreement. After the Approval Notice is sent by Buyer or upon expiration of the Review Period, the Earnest Money will be nonrefundable to Buyer, except as otherwise expressly provided in this Agreement.

4.7 Long Plat Process.

(a) Preliminary Long Plat. As of the Effective Date, the Parties acknowledge and agree the depiction attached on Exhibit A-2 constitutes the approved site plan (“Approved Site Plan”) for the segregation of Seller Property to include at a minimum (a) no less than two (2) separate and distinct parcels, consisting of (i) approximately 6.276 acres of the land north of W. Tech Park Drive (including the SFD Lease Parcel, together the “North Parcel”) (ii) approximately 14.165 acres of land south of W. Tech Park Drive
(“South Parcel”) and (b) and at least one (1) separate and distinct tract, consisting of that portion of the remainder of Seller Property as the two hundred (200) foot wide West Tech Park Drive right-of-way aisle, and including South Tech Park Court (collectively, the “Tech Park Drive Tract”). Following the Effective Date and not later than forty-five (45) days thereafter, Seller shall, at Seller’s sole cost and expense, prepare and submit to Buyer for Buyer’s approval a preliminary plat to create the new legally conveyable tax parcels (consisting of not less than the North Parcel and the South Parcel) and adjusting the existing boundaries of the Seller Property to coincide with those depicted in the Approved Site Plan (the “Preliminary Long Plat”). Following Buyer’s receipt of the Preliminary Long Plat and not later than sixty (60) days from the Effective Date, the Parties shall in good faith, using commercially reasonably efforts finalize the Preliminary Long Plat. Once approved by Buyer, the Preliminary Long Plat will constitute the “Approved Preliminary Long Plat”.

(b) **Submission of Approved Preliminary Long Plat.** Once the Approved Preliminary Long Plat is obtained, Seller shall take all actions necessary to cause the Approved Preliminary Long Plat to be finalized and approved by all applicable Governmental Authorities and thereafter recorded in the official records of the County (“Final Long Plat”), with no Unanticipated Approval Conditions other than those approved by Buyer in writing (the “Subdivision Contingency”). Buyer shall reasonably cooperate (at no cost to Buyer) with Seller and take all actions reasonably necessary to assist Seller in Seller’s efforts to complete the Final Long Plat, including, without limitation, executing such applications and any other documents necessary or convenient with respect to the Final Long Plat. Seller shall promptly provide to Buyer a copy of all written communications with any Governmental Authority concerning the Approved Preliminary Long Plat and Final Long Plat, and shall afford Buyer the opportunity to participate in any and all telephonic and in-person meetings and hearings relating thereto, if permissible and reasonably practical. If, as a condition to its approval of the Final Long Plat, any Governmental Authority requires any material modifications to the metes and bounds of the Real Property from those shown within the Approved Preliminary Long Plat or otherwise requires the Real Property to be subject to any material covenants, conditions, restrictions, exactions, off-site improvement obligations, fees in lieu, or impact fees that are not contemplated in the Approved Preliminary Long Plat or this Agreement (each, an “Unanticipated Approval Condition”), Seller shall promptly notify Buyer and afford Buyer the opportunity to discuss the same with Seller and such Governmental Authority. If Buyer, after discussing an Unanticipated Approval Condition with Seller and such Governmental Authority, determines, in its reasonable discretion, that (I) the applicable Governmental Authority is unwilling to approve the Final Long Plat without the Unanticipated Approval Condition and (II) such Unanticipated Approval Condition will have a material and adverse impact on Buyer’s proposed development, Buyer may terminate this Agreement by delivering written notice to Seller and Escrow Agent and neither Party will have any further obligation to the other, except those obligations that expressly survive the termination of this Agreement.

(c) **Long Plat Costs and Fees.** Seller shall be solely responsible for all costs, fees, and expenses associated with the preparation, submission, and administration of the Preliminary Long Plat and the satisfaction of the conditions to approval of the Final Long Plat. In the event this Agreement is terminated under this Section 4.7, neither Party will have any further obligation to the other, except those obligations that expressly survive the termination of this Agreement. This Section 4.7(c) shall survive Closing or the earlier termination of this Agreement.
(d) **Property to Be Acquired at Closing.** At Closing, Buyer must purchase the Property (consisting of not less than the North Parcel and the South Parcel), in accordance with all the terms and conditions of this Agreement, including, without limitation, the Purchase Price set forth in Section 3 hereof.

4.8 **Access Easement.** Buyer and Seller agree the pedestrian and vehicular and utility access easement agreement attached hereto as Exhibit F (“Access Easement”), will be recorded against the Tech Park Drive Tract for the benefit of the Property (including both North Parcel and South Parcel) on the Closing Date unless the Parties mutually agree to record the Access Easement post-Closing. Buyer shall be responsible for all recording fees associated with recording the Access Easement. For the avoidance of doubt, the Parties shall use commercially reasonable efforts to determine and agree upon the magnitude of the easement area(s) that the Access Easement will encumber, which determination will be made in conjunction with obtaining municipal permit approvals and applying engineering standards commensurate with the proposed use of the Property (the “Access Easement Contingency”). Buyer may, in Buyer’s sole and absolute discretion, terminate this Agreement by delivering written notice to Seller and Escrow Agent, in which case Escrow Agent shall immediately disburse the Earnest Money to Buyer, and in such event, neither Party shall have any further obligation to the other, except those obligations that expressly survive the termination of this Agreement. If Buyer elects not to terminate this Agreement in accordance with this Section or affirmatively waives the Access Easement Contingency prior to the Closing, the transactions contemplated by this Agreement will close in accordance with the terms contained herein.

5. **Conditions Precedent.**

5.1 **Buyer’s Conditions Precedent.** Buyer’s obligation to close under this Agreement shall be subject to and conditioned upon the fulfillment of each and all of the following conditions precedent:

(a) Seller must have properly terminated the SFD Lease as of or prior to the Closing Date, and Seller shall provide Buyer with notice evidencing the same (“SFD Lease Termination Notice”);

(b) All of the documents required to be delivered by Seller to Buyer at Closing pursuant to the terms and conditions hereof shall have been delivered;

(c) Each of the representations of Seller set forth in Section 7 shall be true in all material respects as of the Closing Date;

(d) Title Company is irrevocably committed to issue, upon the condition of the payment of the applicable premium, the Title Policy, subject only to the Permitted Exceptions applicable to the Real Property;

(e) The Subdivision Contingency shall have been satisfied in accordance with Section 4.7;

(f) Seller shall have satisfied the Approval Conditions (as defined below) and delivered written confirmation thereof to Buyer; and

(g) The Access Easement Contingency shall have been satisfied in accordance with Section 4.8.
If any of the foregoing conditions are not satisfied (or waived in writing by Buyer) on or before the Closing, then Buyer shall have the right to terminate this Agreement by delivering written notice to Seller and, in the event of such termination, all rights and obligations of the Parties hereunder (other than those obligations that expressly survive the termination of this Agreement) will cease and the Earnest Money shall be promptly refunded to Buyer; provided however, that if any of the foregoing conditions are not satisfied (or waived in writing by Buyer) on or before the Closing due to any default by Seller hereunder, then Buyer, in its discretion, and by delivering written notice to Seller, may elect to pursue any of the remedies available to Buyer pursuant to Section 13. In the event Buyer elects to terminate this Agreement pursuant to Section 13, all obligations of Seller and Buyer under this Agreement (other than those that expressly survive the termination of this Agreement and the rights and remedies arising out of any breach of such surviving obligations) shall cease.

5.2 **Seller’s Conditions Precedent.** Seller’s obligation to close under this Agreement shall be subject to and conditioned upon the fulfillment of each and all of the following conditions precedent:

(a) All of the documents and funds required to be delivered by Buyer to Seller at Closing pursuant to the terms and conditions hereof shall have been delivered;

(b) Each of the representations of Buyer set forth in Section 8 shall be true in all material respects as of the Closing Date;

(c) The Subdivision Contingency shall have been satisfied in accordance with Section 4.7;

(d) Seller’s receipt of written approval of the transaction contemplated by this Agreement from the board of directors of Seller’s Airport Board, the City of Spokane, and County of Spokane, acting through the City Council of Spokane, and the Spokane County Board of Commissioners, respectively; and

(e) Seller’s receipt of written approval from the Federal Aviation Administration (“FAA”) for release and/or disposal of the Real Property by Seller that formally authorizes the release and/or disposal and removal of the Real Property as airport dedicated real property pursuant to Section 163 of the FAA Reauthorization Act of 2018.

If any of the conditions delineated in Sections 5.2(a), 5.2(b) or 5.2(c) are not satisfied (or waived in writing by Seller) on or before the Closing, then Seller shall have the right to terminate this Agreement by delivering written notice to Buyer and, in the event of such termination, all rights and obligations of the Parties hereunder (other than those obligations that expressly survive the termination of this Agreement) will cease and the Earnest Money shall be promptly disbursed to Seller as liquidated damages. Seller shall use commercially reasonable efforts to cause the conditions set forth in Section 5.2(d) and Section 5.2(e) (the “Approval Conditions”) to be satisfied (which Seller affirmatively cannot waive whether orally or in writing) on or before Closing.

6. **Closing.**

6.1 **Closing Date.** The closing (“Closing”) of the purchase and sale transaction contemplated in this Agreement will occur (“Closing Date”) on the earlier of (i) thirty (30) days following the expiration of the Review Period, or (ii) provided that the Approval Conditions have
been satisfied, and the satisfaction or waiver of all contingencies under this Agreement, on such earlier date as mutually agreed to by the Parties. Notwithstanding anything herein to the contrary, if Closing has not occurred by April 6, 2022 due to the failure of the Approval Conditions, provided however, that Seller’s failure to satisfy the Approval Conditions shall not be considered a Seller Default, then either Party may, in its sole discretion and at any time thereafter, elect to terminate this Agreement by delivering written notice to the other Party and, in the event of such termination (a) all rights and obligations of the Parties hereunder (other than those obligations that expressly survive the termination of this Agreement) will cease, and (b) the Earnest Money shall be promptly refunded to Buyer.

6.2 Location. Closing will occur at the offices of the Escrow Agent, or at such other place as may be agreed to by the Parties in writing.

6.3 Closing Costs and Prorations.

(a) Closing Fees. At Closing, Buyer and Seller will each pay one-half (1/2) of any escrow fees and closing fees. Seller shall be solely responsible for any state or local transfer taxes, real estate excise tax or any similar taxes or fees attributable to the sale transaction contemplated in this Agreement, if applicable to Seller. Seller shall be solely responsible for all recording fees associated with recording the Avigation Easement. Buyer shall be responsible for all recording fees associated with recording the Deed. Any other fees and costs will be paid by, or shared by, Buyer and Seller in accordance with local custom in Spokane County, Washington.

(b) Title Policy; Survey. Seller shall pay the equivalent premium of an ALTA standard owner’s title policy for the Property, and Buyer shall pay the additional premium necessary for any ALTA extended or other policy Buyer elects to acquire (the “Title Policy”). Buyer shall also pay premium of any and all endorsements to the Title Policy unless provided by Seller to remove a Disapproved Matter, in which case, Seller shall be responsible for the cost of such endorsements. The cost of any Survey of the Real Property obtained by Buyer will be borne by Buyer.

(c) Taxes and Fees. Real estate taxes for the year of Closing shall be the sole responsibility of Buyer. Buyer acknowledges that Seller does not pay real estate taxes and, as such, Buyer is free to seek a refund for that portion of time in which real estate taxes may have otherwise been required to be paid in order to close the transaction contemplated by this Agreement. Annual municipal or special district assessments (on the basis of the actual fiscal tax years for which such taxes are assessed), lienable water and sewer rentals, license, or permit and inspection fees, if any, will be apportioned as of the Closing Date between Buyer and Seller. If, on the day prior to the Closing Date, real estate taxes have been imposed upon the Real Property for the real estate tax year in which Closing occurs such taxes shall be paid by Buyer at the time of Closing.

(d) Utility Readings. Seller shall use commercially reasonable efforts to obtain readings of the utility meters on the Property (if any) to a date no sooner than two (2) Business Days prior to the Closing Date. At or prior to Closing, Seller shall pay all charges based upon such meter readings. However, if after reasonable efforts Seller is unable to obtain readings of any meters prior to Closing, Closing will be completed without such readings and upon the obtaining of such readings after Closing, Seller shall promptly pay the pre-Closing charges as reasonably determined by Seller and Buyer based upon post-Closing readings.
(e) **Attorney Fees.** Each Party shall pay its own attorney fees incurred with respect to this transaction.

(f) **Preliminary Closing Statement.** Seller and Buyer shall cooperate with Escrow Agent to prepare a preliminary closing statement (the “Closing Statement”) on the basis of the real estate taxes and other sources of income and expenses for the Property on or prior to the Closing Date. All apportionments and prorations provided for in this Section 6.3 to be made as of the Closing Date will be made, on a per diem basis, as of 11:59 p.m. on the day prior to the Closing Date, such that Buyer will be deemed the owner of the Property as of the Closing Date. The preliminary Closing Statement and the apportionments and/or prorations reflected therein will be based upon actual figures to the extent available. If any of the apportionments and/or prorations cannot be calculated accurately based on actual figures on the Closing Date, then they will be calculated based on Seller’s and Buyer’s good faith estimates thereof, subject to reconciliation as provided in the following Section 6.3(g).

(g) **Post-Closing Reconciliation.** If there is an error on the preliminary Closing Statement or, if after the actual figures are available as to any items that were estimated on the preliminary Closing Statement, it is determined that any actual proration or apportionment varies from the amount thereof reflected on the preliminary Closing Statement, the proration or apportionment will be adjusted based on the actual figures as soon as feasible, but not later than sixty (60) days after the Closing Date. Either Party owing the other Party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other Party.

(h) **Other Costs and Survival.** All other costs not addressed within this Section 6.3 will be paid in accordance with the custom followed in Spokane County, Washington. The provisions of this Section 6.3 will survive Closing for a period of six (6) months.

6.4 **Deliveries at Closing.**

(a) **Deliveries by Seller.** At Closing, Seller shall execute and deliver (or cause to be executed and delivered) all documents and take all other actions reasonably necessary to effect the Closing, including, without limitation:

(2) An original duly executed and acknowledged bargain and sale deed (the “Deed”), in the form attached to this Agreement as Exhibit B.

(7) Such documentation as Escrow Agent may reasonably require, or may otherwise be required to close the escrow and consummate the purchase of the Property in accordance with the terms of this Agreement.

(2) A duly executed and completed REETA.

(3) An original duly executed and acknowledged avigation easement (“Avigation Easement”) encumbering the Real Property, in the form attached to this Agreement as Exhibit C, but only if the Title Report Buyer obtains with respect to the Real Property does not disclose the existence of a satisfactory avigation easement, as determined by Seller in its sole and absolute discretion.

(5) Such documentation as Escrow Agent may reasonably require, or may otherwise be required to close the escrow and consummate the purchase of the Property in accordance with the terms of this Agreement.

7. Representations and Warranties of Seller. Seller makes the representations and warranties set forth in this Section 7. Buyer expressly understands and agrees that the phrase “to Seller’s knowledge” as used in this Section 7 means the actual present knowledge of Lawrence J. Krauter, acting solely in his capacity as the Chief Executive Officer of Seller, and shall not be construed to refer to the knowledge of any other partner, officer, director, agent, employee or representative of Seller, or any affiliate or parent of Seller. Each representation and warranty: (i) is true in all material respects as of the Effective Date; (ii) will be true in all material respects on the Closing Date; and (iii) will survive Closing for a period of one (1) year.

7.1 **Authority/Binding Agreement.** This Agreement and all exhibits and documents to be delivered by Seller pursuant to this Agreement have been duly executed and delivered by Seller and constitute the valid and binding obligations of Seller. Subject to obtaining the approvals described in Sections 5.2(d) and 5.2(e), Seller has the legal right, power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, and the execution, delivery and performance of this Agreement have been duly authorized and no other action by Seller is requisite to the valid and binding execution, delivery and performance of this Agreement. The execution, delivery, and performance of this Agreement will not conflict with or constitute a breach or default under (i) the organizational documents of Seller; (ii) any material instrument, contract, or other agreement to which Seller is a party which affects the Property; or (iii) any statute or any regulation, order, judgment, or decree of any court or Governmental Authority.

7.2 **Condemnation.** Seller has not received from any Governmental Authority having the power of eminent domain any written notice of any condemnation of the Property or any part thereof.

As used in this Agreement, the term

8. Buyer’s Representations and Warranties. In consideration of Seller entering into this Agreement and as an inducement to Seller to sell the Property to Buyer, Buyer makes the representations and warranties set forth in this Section 8. Each representation and warranty: (i) is true in all respects as of the Effective Date; (ii) will be true in all respects on the Closing Date; and (iii) will survive Closing for a period of one (1) year.

8.1 Power and Authority. Buyer has the legal right, power and authority to enter into this Agreement and to consummate the transaction contemplated in this Agreement, including, but not limited to, executing and delivering (or causing the execution and delivery of) the Buyer’s deliverables as provided in Section 6.4(b) of this Agreement. Buyer’s execution, delivery and performance of this Agreement have been duly authorized.

8.2 Bankruptcy or Insolvency. There are no attachments, executions, assignments for the benefit of creditors or voluntary or involuntary proceedings in bankruptcy pending against or contemplated by Buyer, and no such actions have been threatened.

8.3 Anti-Terrorism. All funds to be used by Buyer as payment of the Purchase Price at Closing are from sources operating under, and in compliance with, all federal, state and local statutes and regulations and are free of all liens and claims of lien. Neither Buyer, nor any of its directors, members, managers or other owners is a “Prohibited Person” or “Specifically Designated National and Blocked Person” under Anti-Terrorism Laws. As used in this Agreement, the term “Anti-Terrorism Laws” means any and all present and future judicial decisions, statutes, rulings, rules, regulations, permits, certificates, orders and ordinances of any Governmental Authority relating to terrorism or money laundering including, without limiting the generality of the foregoing, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Pub. L. No. 107-56); the Trading with the Enemy Act (50 U.S.C.A. App. 1 et seq.); the International Emergency Economic Powers Act (50 U.S.C.A. § 1701-06); Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (relating to “Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism”) and the United States Treasury Department’s Office of Foreign Assets Control list of “Specifically Designated National and Blocked Persons” (as published from time to time in various mediums).

9.1 “AS IS” Purchase.

(A) SUBJECT TO SELLER’S REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN SECTION 7, AND ACKNOWLEDGING THE PRIOR
USE OF THE PROPERTY AND BUYER’S OPPORTUNITY TO INSPECT THE
PROPERTY, BUYER AGREES TO PURCHASE THE PROPERTY “AS IS”, “WHERE
IS”, WITH ALL FAULTS AND CONDITIONS THEREON. ANY WRITTEN OR
ORAL INFORMATION, REPORTS, STATEMENTS, DOCUMENTS OR RECORDS
CONCERNING THE PROPERTY (“DISCLOSURES”) PROVIDED OR MADE
AVAILABLE TO BUYER, ITS AGENTS OR CONSTITUENTS BY SELLER,
SELLER’S AGENTS, EMPLOYEES OR THIRD PARTIES REPRESENTING OR
PURPORTING TO REPRESENT SELLER, SHALL NOT BE REPRESENTATIONS
OR WARRANTIES, UNLESS SPECIFICALLY SET FORTH IN SECTION 7 OF THIS
AGREEMENT. IN PURCHASING THE PROPERTY OR TAKING OTHER ACTION
HEREUNDER, BUYER HAS NOT AND SHALL NOT RELY ON ANY SUCH
DISCLOSURES, BUT RATHER, BUYER SHALL RELY ONLY ON BUYER’S OWN
INSPECTION OF THE PROPERTY. BUYER ACKNOWLEDGES THAT THE
PURCHASE PRICE REFLECTS AND TAKES INTO ACCOUNT THAT THE
PROPERTY IS BEING SOLD “AS IS”.

(B) BUYER ACKNOWLEDGES AND AGREES THAT EXCEPT AS
EXPLICITLY SET FORTH IN SECTION 7 OF THIS AGREEMENT SELLER HAS
NOT MADE, DOES NOT MAKE AND SPECIFICALLY DISCLAIMS ANY
REPRESENTATIONS, WARRANTIES, PROMISES, COVENANTS, AGREEMENTS
OR GUARANTEES OF ANY KIND OR CHARACTER WHATSOEVER, WHETHER
EXPRESS OR IMPLIED, ORAL OR WRITTEN, PAST, PRESENT OR FUTURE, OF,
AS TO, CONCERNING OR WITH RESPECT TO THE PROPERTY INCLUDING,
WITHOUT LIMITATION, (A) THE NATURE, QUALITY OR PHYSICAL
CONDITION OF THE PROPERTY, (B) THE WATER, SOIL AND GEOLOGY OF
THE PROPERTY, (C) THE SUITABILITY OF THE PROPERTY FOR ANY AND
ALL ACTIVITIES AND USES WHICH BUYER MAY CONDUCT THEREON,
(D) THE COMPLIANCE OF OR BY THE PROPERTY OR THE OPERATION
THEREOF WITH ANY LAWS, RULES, ORDINANCES OR REGULATIONS OF
ANY GOVERNMENTAL AUTHORITY OR BODY HAVING JURISDICTION
THEREOVER, (E) THE FITNESS OF THE PROPERTY FOR A PARTICULAR
PURPOSE, (F) THE MARKETABILITY OF THE PROPERTY OR THE ABILITY TO
LEASE OR SELL THE PROPERTY, (G) THE STATUS OR CONDITION OF
ENTITLEMENTS PERTAINING TO THE PROPERTY, (H) DEFICIENCY OF ANY
DRAINAGE ON THE REAL PROPERTY, (I) THE FACT THAT ALL OR A
PORTION OF THE PROPERTY MAY BE LOCATED ON OR NEAR AN
EARTHQUAKE FAULT LINE, AND (J) ANY MATTER REGARDING TERMITES
OR WASTES, AS DEFINED BY THE U.S. ENVIRONMENTAL PROTECTION
AGENCY REGULATIONS AT 40 C.F.R., OR ANY HAZARDOUS SUBSTANCES,
AS HEREINABOVE DEFINED. BUYER FURTHER ACKNOWLEDGES AND
AGREES THAT SELLER, UNLESS OTHERWISE REQUIRED BY LAW, IS UNDER
NO DUTY TO MAKE ANY AFFIRMATIVE DISCLOSURES REGARDING ANY
MATTER WHICH MAY BE KNOWN TO SELLER.

9.2 Release. Subject to the covenants, representations and warranties of Seller
contained in this Agreement, effective as of Closing, Buyer on behalf of itself and its
shareholders, members, investors or partners of each of them and any permitted assignees of
Buyer hereunder and its successors and assigns (collectively, the “Buyer Affiliated Parties”) waives its right to recover from, and forever releases and discharges, Seller and its affiliates, property manager, partners, trustees, beneficiaries, owners, members, managers, officers, employees and agents and representatives, and its respective heirs, successors, personal representatives and assigns from any and all Claims, whether direct or indirect, known or unknown, suspected or unsuspected, foreseen or unforeseen, that may arise on account of or in any way be connected with: (i) the physical condition of the Property, including, without limitation, all seismic elements; the condition, valuation, or utility of the Property; title and survey matters with respect to the Property; and the environmental condition of the Property and the presence of any Hazardous Substance on, under or about the Property; and (ii) any law or regulation applicable to the Property, including, without limitation, any Environmental Laws and any other federal, state or local law.

In this connection and to the extent permitted by law, Buyer hereby agrees, realizes and acknowledges that factual matters now unknown to Buyer may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and Buyer further agrees that it waives (and by Closing this transaction will be deemed to have waived) any and all objections and complaints concerning the physical characteristics and any existing conditions of the Property, and that the waivers and releases herein have been negotiated and agreed upon in light of that realization and that Buyer nevertheless hereby intends to release, discharge and acquit Seller from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses. The releases set forth in this Section shall become effective upon the Closing. Buyer further hereby assumes the risk of changes in applicable laws, including any relevant Environmental Laws and regulations relating to past, present and future environmental conditions on the Property and the risk that adverse physical characteristics and conditions, including, without limitation, the presence of Hazardous Substances or other contaminants, may not have been revealed by its investigation.

9.3 Waiver of Right to Receive Seller Disclosure Statement and Waiver of Right to Rescind. PURSUANT TO RCW 64.06, AS AMENDED BY CHAPTER 64, LAWS OF 2010, WITH RESPECT TO THE REAL PROPERTY, BUYER HEREBY WAIVES ITS RIGHT TO RECEIVE THE SELLER DISCLOSURE STATEMENT REFERRED TO THEREIN. THIS WAIVER DOES NOT EXTEND TO THE SECTION OF THE DISCLOSURE STATEMENT ENTITLED “ENVIRONMENTAL”. Buyer is hereby provided with the “Environmental” section of the Seller Disclosure Statement attached hereto as Exhibit D. Buyer further agrees that any information discovered by Buyer concerning the Real Property prior to Closing shall not obligate Seller to prepare and deliver to Buyer a revised or updated Seller Disclosure Statement. Buyer hereby waives any right to receive an updated or revised Seller Disclosure Statement, regardless of the source of any new information. Buyer further warrants that it is a sophisticated buyer who is familiar with the ownership of real estate similar to the Real Property and Buyer has or will have adequate opportunity to complete such independent inspections of the Property it deems necessary, and will acquire the Real Property solely on the basis of and in reliance upon such examinations and not on any information provided in any Seller Disclosure Statement or otherwise provided or to be provided by Seller (other than as expressly provided in this Agreement or in the Deed). BUYER HEREBY WAIVES, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, THE RIGHT TO RESCIND THIS AGREEMENT PURSUANT TO ANY PROVISION OF RCW 64.06, AS AMENDED BY CHAPTER 64, LAWS OF 2010. IT IS THE INTENT OF BUYER THAT ANY SELLER DISCLOSURE STATEMENT PROVIDED BY SELLER WILL NOT BE RELIED UPON BY BUYER, AND SHALL GIVE BUYER NO RIGHTS WITH RESPECT TO SELLER UNDER THIS AGREEMENT. THIS WAIVER OF THE RIGHT TO RESCIND APPLIES TO THE SELLER DISCLOSURE STATEMENT
10. Covenants.

10.1 Covenants of Seller.

(a) Normal Operations. Until the Closing Date, Seller shall (i) continue to operate the Property in substantially the same manner as in the past and will perform all necessary maintenance to the Property as its ordinary course of business dictates; and (ii) not modify or alter the Property without the prior written consent of Buyer. From and after the Effective Date, Seller shall not enter into any contracts or commitments relating to the Property without the prior written consent of Buyer (in Buyer’s reasonable discretion) if any such contracts or commitments would extend beyond the Closing Date. From and after the Effective Date, Seller shall not encumber the Property with any liens, encumbrances or other instruments creating a cloud on title or securing a monetary obligation with the Property.

(b) Insurance. Until the Closing Date, Seller shall maintain substantially the same liability, casualty, and all other insurance on the Property as is in effect as of the Effective Date.

10.2 Post-Closing Construction Covenant of Buyer. Buyer acknowledges and agrees that Buyer must adhere to the requirements of 14 CFR Part 77, submitting FAA Form 7460-1 and receiving FAA’s positive determination, prior to constructing any facility or feature on the Property.

11. Condemnation. Risk of loss resulting from any condemnation or eminent domain proceeding that is commenced or has been threatened before the Closing, and risk of loss to the Property due to fire, flood, or any other cause before Closing, will remain with Seller. If before Closing the Property (or any portion thereof) is subjected to a threat of condemnation or becomes the subject of any proceedings, judicial, administrative, or otherwise, with respect to the taking by eminent domain or condemnation, then Seller shall promptly provide written notice thereof to Buyer and Buyer may terminate this Agreement by written notice to Seller sent within fifteen (15) days after Seller informs Buyer in writing that the Property has been taken, in which event the Earnest Money will be returned to Buyer, and neither Party will have any further obligation to the other, except those obligations that expressly survive the termination of this Agreement. If the Closing Date is within the fifteen (15) day period, then Closing will be extended to the next Business Day following the end of the fifteen (15) day period. If no such election is made by Buyer, (i) this Agreement will remain in full force and effect, (ii) the purchase of the Property, less any interest taken by eminent domain, will be effected with no further adjustment, and (iii) upon Closing, Seller shall assign to Buyer all of the right, title, and interest of Seller in and to any awards that have been or may thereafter be made for such taking.

12. Default by Buyer; Liquidated Damages. BUYER WILL BE IN DEFAULT UNDER THIS AGREEMENT IF (I) ANY OF BUYER’S REPRESENTATIONS OR WARRANTIES ARE FALSE, (II) BUYER FAILS TO PERFORM ALL OF ITS OBLIGATIONS UNDER SECTION 6.4(b) ON OR BEFORE THE CLOSING DATE, OR (III) BUYER FAILS TO PERFORM ANY OF ITS OTHER OBLIGATIONS UNDER THIS AGREEMENT WITHIN THREE (3) BUSINESS DAYS AFTER RECEIPT OF WRITTEN NOTICE FROM SELLER OF SUCH FAILURE. IN THE EVENT OF ANY DEFAULT BY BUYER UNDER THIS AGREEMENT, SELLER WILL BE RELIEVED OF ANY OBLIGATION TO SELL THE PROPERTY TO BUYER, SELLER WILL NOT HAVE ANY RIGHT
TO SEEK OR OBTAIN SPECIFIC ENFORCEMENT OF THIS AGREEMENT, AND, AS SELLER’S SOLE AND EXCLUSIVE REMEDY AT LAW OR IN EQUITY FOR SUCH DEFAULT, THE EARNEST MONEY WILL BE RELEASED TO AND RETAINED BY SELLER AS LIQUIDATED DAMAGES. BUYER AND SELLER AGREE THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGES THAT SELLER MIGHT SUFFER IN THE EVENT OF BUYER’S DEFAULT HEREUNDER. BUYER AND SELLER AGREE THAT THE AMOUNT OF LIQUIDATED DAMAGES PROVIDED FOR IN THIS SECTION IS A FAIR AND REASONABLE ESTIMATE OF SUCH DAMAGES. THE FOREGOING PROVISION SHALL IN NO WAY LIMIT OR IMPAIR SELLER’S RIGHT OR ABILITY TO RECOVER FROM BUYER ATTORNEY’S FEES TO WHICH SELLER MAY OTHERWISE BE ENTITLED UNDER THIS AGREEMENT OR ANY SUMS WHICH MAY BECOME DUE TO SELLER BASED UPON ANY INDEMNITY PROVIDED BY SELLER PURSUANT TO THE TERMS OF THIS AGREEMENT.

13. Default by Seller; Remedies. Seller will be in default under this Agreement if (i) Seller fails to perform all of its obligations under Section 6.4(a) on or before the Closing Date, or (ii) Seller fails to perform any of its obligations under this Agreement within three (3) Business Days after Buyer provides Seller with notice of such failure (a “Seller Default”). Upon a Seller Default, Buyer may, as its sole and exclusive remedy for such Seller Default, either: (y) terminate this Agreement in its entirety by delivery of notice of termination to Seller, whereupon the Earnest Money shall be immediately returned to Buyer or (z) continue this Agreement pending Buyer’s action for specific performance hereunder provided appropriate proceedings are commenced by Buyer within forty-five (45) days following Seller’s Default and thereafter prosecuted with diligence. Buyer agrees that under no circumstances shall Buyer file a lis pendens action against the Property unless Buyer is seeking option (z) above.

Anything in this Agreement to the contrary notwithstanding, with respect to all matters affecting title to the Real Property, Buyer acknowledges and agrees that it is relying upon the Title Policy. If Buyer has a claim under the Title Policy and the subject matter of that claim also constitutes a breach of any warranty made by Seller in this Agreement or the Deed, Buyer agrees that it will look first to its Title Policy for recovery on such claim, and Buyer shall not assert any claim against Seller for a breach of a representation, warranty or covenant with respect to such claim unless and until Buyer has pursued its remedies against the Title Company to a final judgment and has not been made whole. The time period for bringing a claim against Seller for a breach of a representation or warranty relating to title to the Real Property will be tolled during the pendency of any action by Buyer against Title Company.

14. Brokerage. Seller and Buyer have not engaged a broker in connection with this Agreement. Seller and Buyer hereby agree to indemnify, defend and hold each other harmless from and against any and all Claims arising out of any claim for commissions, fees, or other similar compensation or charges relating to the transaction contemplated in this Agreement, or the consummation thereof, which may be made by any third party as the result of the acts of Seller or Buyer or their respective representatives. The obligations of the Parties under this Section 14 will survive Closing.

15. Miscellaneous.

15.1 Attorneys’ Fees. Should any Party hereto bring any action against any other Party related in any way to this Agreement, the substantially prevailing party shall be awarded its or their reasonable attorneys’ fees and costs incurred for prosecution, defense, consultation, or advice in connection with such action.
15.2 Escrow Agent. The Escrow Agent hereby accepts its designation as the Escrow Agent under this Agreement and agrees to hold and disburse the Earnest Money as provided in this Agreement. The provisions of this Agreement will constitute joint instructions to the Escrow Agent to consummate the purchase in accordance with the terms and provisions of this Agreement, provided, however, that the Parties shall execute such additional escrow instructions, not inconsistent with the provisions of this Agreement, as may be deemed reasonably necessary to carry out the intentions of the Parties as expressed in this Agreement. The provisions of this Section 15.2 will survive the Closing or termination of this Agreement.

15.3 Notices. All notices required or permitted under this Agreement must be in writing and will be deemed to have been properly given (i) upon delivery, if delivered in person, (ii) upon delivery, if sent by electronic mail, provided that such notice is also promptly thereafter delivered in accordance with another permissible method of delivery, (iii) one (1) Business Day after having been deposited for overnight delivery with any reputable overnight courier service, or (iv) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

15.4 Survival. Unless expressly provided otherwise in this Agreement, the representations and warranties of Seller contained in this Agreement will survive Closing for a
period of one (1) year (the “Survival Period”). Seller shall not be liable to Buyer by reason of a breach of any of Seller’s representations or warranties unless the Buyer notifies the Seller of such breach (the “Warranty Notice”) prior to the expiration of the Survival Period, and gives the Seller an opportunity to cure any such breach within a reasonable period of time after delivery of the Warranty Notice. Any proceeding with respect to Seller’s alleged breach of any representation or warranty must be commenced within the Survival Period, and if not commenced within such time period, Buyer will be deemed to have waived its Claims for such breach or default. Seller’s aggregate liability to Buyer by reason of a breach of one or more of Seller’s representations or warranties shall not exceed One Hundred Twenty Five Thousand Dollars ($125,000). Seller’s liability will be limited to actual damages and will not include consequential, special, punitive or incidental damages.

15.5 Governing Law/Venue. The laws of the State of Washington govern the enforcement, and interpretation of this Agreement. The venue for any action related to this Agreement will be in Spokane County, Washington.

15.6 Integration; Modification; Waiver. This Agreement, the recitals to this Agreement, exhibits, and closing documents pursuant to this Agreement are hereby incorporated into this Agreement and, together with the Agreement, constitute the complete and final expression of the agreement of the Parties relating to the Property. There are no oral promises, conditions, representations, understandings, interpretations or terms of any kind as conditions or inducements to the execution hereof or in effect between the Parties. This Agreement cannot be modified, or any of the terms hereof waived, except by an instrument in writing (referring specifically to this Agreement) executed by the Party against whom enforcement of the modification or waiver is sought.

15.7 Counterpart Execution. This Agreement may be executed in several counterparts and transmitted via facsimile or other electronic transmission, each of which will be fully effective as an original and all of which together will constitute one and the same instrument.

15.8 Headings; Construction. The headings used throughout this Agreement have been inserted for convenience and reference only and do not constitute matters to be construed in interpreting this Agreement. Words of any gender used in this Agreement will be construed to include any other gender, and words in the singular number will be construed to include the plural, and vice versa, unless the context requires otherwise. The words “herein,” “hereof,” “hereunder,” and other similar compounds of the word “here” when used in this Agreement refer to the entire Agreement and not to any particular provision or section. The terms “includes,” “including,” or “include” as used herein shall be interpreted as being non-exclusive and shall be read to mean, respectively, “includes without limitation, “including, without limitation” and “include without limitation.”

15.9 Deadlines and Dates. Any deadline, unless otherwise set forth in this Agreement, will expire at 5:00 p.m., Pacific Time. Should any deadline or date in this Agreement fall on a day other than a Business Day, such deadline or date will be extended until 5:00 p.m., Pacific Time, on the next Business Day.

15.10 Severability. If for any reason any provision of this Agreement is determined by a tribunal of competent jurisdiction to be legally invalid or unenforceable, the validity of the remainder of the Agreement will not be affected and such provision will be deemed modified to the minimum extent necessary to make such provision consistent with applicable law and, in its modified form, such provision will then be enforceable and enforced.
15.11 **Time of the Essence.** Time is of the essence of this Agreement and of the obligations of the Parties to purchase and sell the Property, it being acknowledged and agreed by and between the Parties that any delay in effecting the Closing pursuant to this Agreement may result in loss or damage to the Party in full compliance with its obligations hereunder.

15.12 **Invalid Provisions.** If any one or more of the provisions of this Agreement, or the applicability of any such provision to a specific situation, is held invalid or unenforceable, such provision will be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Agreement and all other applications of any such provision will not be affected thereby.

15.13 **Binding Effect.** This Agreement is binding upon and inures to the benefit of Seller and Buyer, and their respective successors and permitted assigns.

15.14 **Further Acts.** In addition to the acts recited in this Agreement to be performed by Seller and Buyer, Seller and Buyer agree to perform or cause to be performed at the Closing or after the Closing any and all such further acts as may be reasonably necessary to consummate the transactions contemplated in this Agreement.

15.15 **Assignment.** Buyer shall not assign this Agreement without Seller’s prior written consent, which consent may be withheld in Seller’s sole and absolute discretion; provided, however, that Buyer shall have the right to assign its rights under this Agreement without first obtaining Seller’s consent if such assignment is to a special purpose entity in which Buyer or its principals hold an ownership interest or control. No such assignment shall release Buyer from any of its obligations under this Agreement. Any assignment made in violation of this Section shall be void.

15.16 **Other Parties.** The relationship of the Parties hereto is solely that of Seller and Buyer with respect to the Property and no joint venture or other partnership exists between the Parties hereto. Neither Party has any fiduciary relationship hereunder to the other. The provisions of this Agreement are not intended to benefit any third parties.

15.17 **1031 Exchange.** Buyer may purchase the Property and Seller may sell the Property by completing one or more Code §1031 tax-deferred exchange(s). Each Party agrees to cooperate with the other in effecting such an exchange; provided, however, the cooperating Party will not incur any additional liability or financial obligations as a consequence of any such exchange.

15.18 **Sole Discretion.** If a Party is given the right to exercise its sole or absolute discretion, neither the other Party nor any third party (including, without limitation, an arbitrator) will have the right to challenge said exercise, whether reasonable or unreasonable, on any grounds whatsoever.

15.19 **Confidentiality.** Seller and Buyer agree that there will be no press or other publicity release or communication to any third party concerning the transaction contemplated in this Agreement without the prior written consent of the other. Notwithstanding the foregoing, prior to Closing, either Party shall have the right to disclose information with respect to the Property to its officers, directors, members, partners, employees, attorneys, accountants, environmental auditors, engineers, current and potential lenders, investors, insurers and permitted assignees under this Agreement and other consultants to the extent necessary to evaluate the transactions contemplated hereby and the Property provided that all such persons are told that such information is confidential and agree to keep such information confidential. If Buyer
acquires the Property from Seller, either Party may disclose any information concerning the Property or the transactions contemplated hereby that the disclosing Party wishes to disclose; provided that any press release or other public disclosure by either Party regarding this Agreement or the transactions contemplated herein, and the wording of same, must be approved by the non-disclosing Party. The provisions of this Section shall survive the Closing or any termination of this Agreement.

15.20 Disclaimer—Preparation of Agreement. This Agreement has been negotiated by the Parties. Buyer and Seller agree that no presumption will apply in favor or against any Party in respect of the interpretation or enforcement of this Agreement. Each Party is advised to have this Agreement reviewed by independent legal and tax counsel prior to its execution. By executing this Agreement, each such Party represents: (i) that it has read and understands this Agreement, (ii) that it has had the opportunity to obtain independent legal and tax advice regarding this Agreement and (iii) that it has obtained such independent advice or has freely elected not to do so.

Legal Description

[To be inserted.]
FORM OF AVIGATION EASEMENT

This AVIGATION EASEMENT (“Easement”) is made and entered into this ____ day of __________, 2022 (“Effective Date”), by WEST PLAINS DEVELOPMENT, L.L.C., a Washington limited liability company (“Grantor”) for the benefit of SPOKANE AIRPORT, by and through its Airport Board, a joint operation of the City of Spokane and County of Spokane, municipal corporations of the State of Washington, and the UNITED STATES OF AMERICA (collectively, the “Grantees”).

B. In consideration of Seller agreeing to sell the Property to Grantor, Grantor desires to provide Grantees an easement over the Property for the unobstructed passage of all Aircraft, on the terms and conditions set forth in this Easement. For purposes of this Easement, “Aircraft” means any contrivance now known or hereafter invented, used or designed for navigation of, or flight in, the air.

1. **Recitals.** The recitals set forth above are incorporated by reference in this Easement as though fully set forth herein.

2. **Grant of Avigation Easement for Benefit of Grantees.** Grantor hereby grants and conveys to Grantees, for themselves, their heirs, administrators, executors, successors and assigns an easement over and across the airspace above the surface of the Property for the unobstructed passage and avigation of all Aircraft by whomsoever owned and operated. Grantees’ foregoing avigation easement shall include the right to (i) emit such noise, vibrations, fumes, dust, fuel particles and other incidents typically resulting from the operation of Aircraft, (ii) increase the noise impact to the Property by virtue of an increase in flight frequencies, altering flight paths, or changing types of Aircraft pursuant to the continued growth and expansion of Spokane International Airport and Felts Field Airport (collectively, the “Airports”), or (iii) prevent the use of the Property in a manner that constitutes an Aircraft hazard, including, without limitation, (a) interfering with the operations of radio or electronic facilities used by any Aircraft, (b) making it difficult for pilots to distinguish between airfield lights and other lights, or (c) implementing a use that (1) results in glare in the eyes of Aircraft pilots, (2) impairs visibility in the vicinity of any Aircraft flight path, (3) creates thermal plumes hazardous to Aircrafts, (4) endangers the landing, taking off, or maneuvering of any Aircraft, (5) creates a wildlife attractant that in Grantees’ sole discretion and opinion, could create a bird or wildlife strike hazard or otherwise interfere with Aircraft operations, or (6) creates a potential hazard of a fire accelerant or secondary explosion resulting from an Aircraft crash on the Property.

   It is further understood and acknowledged that it is reasonable to expect that ongoing expansion of the Airports and attendant improvements will cause Aircraft effects to change, potentially increasing flight frequencies, alteration of flight paths and changing of Aircraft types as the operations of the Airports grow and expand which may have a greater future deleterious impact to the Property of the nature described in this Section.

3. **Negative Covenants.** Grantor hereby specifically disclaims any intention to create any other easements on the Property by this Easement, except as otherwise specifically provided herein. Grantor shall not erect, construct, alter, maintain, or allow to grow, any vegetation, object, structure, wall, fence or barrier (“Obstruction”) of any kind on or in the Property that would increase the Federal Aviation Administration (“FAA”) landing, approach, or departure minimum height requirements for Aircraft, or prevent or unreasonably impair the free access of any Aircraft to travel through the airspace above the surface of the Property, unless such Obstruction is specifically consented to by all appropriate Grantees. If any Obstruction violates the height restrictions described herein this Section 3, then any of the Grantees shall have the right to enter the Property to remove such Obstruction at Grantor’s sole cost and expense. Grantor shall not create or cause interference with or utilize the Property in any way contrary to (i) Spokane County Zoning Code, Chapters 14.700 and 17C.180 or (ii) any FAA requirements and regulations.

4. **Indemnification.** Grantor shall indemnify, defend and hold harmless Grantees, their heirs, administrators, executors, successors and assigns from all claims, demands, or suits in law or equity arising from Grantor’s intentional or negligent acts or breach of its obligations under this Easement.

5. **Not a Public Dedication.** The easements established by this Easement shall be for the benefit of and restricted solely to the use of Grantees, their heirs, administrators, executors, successors and assigns and shall be used only for the purposes described herein. Nothing contained in this Easement shall be deemed to be a public dedication of any portion of the Property described herein in the general public or for the general public or for any public purposes whatsoever.
6. **Covenants Run With the Land.** This Easement shall remain in effect until said Easement, as existing, enlarged or relocated, is abandoned or ceases to be used for Aircraft travel and Airports purposes. The covenants given and the easements granted pursuant to this Easement shall be deemed to be covenants running with the Property and shall be binding upon and benefit the heirs, successors in interest, assignors and devisees of Grantor and Grantees. The Property is the servient estate.

7. **Consent to Modification.** This Easement and any provision, covenant, or easement contained herein may be terminated, extended, modified, or amended only with the written consent of the Grantor and all appropriate Grantees; provided, however, that no termination, extension, modification, or amendment of this Easement shall be effective unless a written instrument setting forth the terms thereof has been executed as herein provided, acknowledged, and recorded in the offices of the Spokane County Recorder.

8. **Not a Partnership.** By this Easement, the Grantor does not, and any successors or assigns of Grantor shall not, in any way or for any purpose become partners or joint venturers with any of the Grantees, or of any of their respective successors or assigns.

9. **Construction.** Wherever used herein, unless the context shall otherwise provide, the singular form shall include the plural, the plural shall include the singular, and the use of any gender will include all genders. The section headings set forth herein are for convenience and reference only and are not intended to describe, interpret, define, or otherwise affect the content, meaning, or intent of this Easement or any section or provision hereof.

10. ** Entire Easement; Interpretation.** This Easement constitutes the entire Easement with respect to the subject matter hereof. It is expressly agreed that there are no verbal understandings or other easements that in any way change the terms, covenants and conditions herein set forth. References to Grantor and Grantees shall also be deemed to refer to their respective successors and assigns.

11. **Miscellaneous.** This Easement shall be governed by the laws of the state of Washington. Any action related to this Easement shall be brought in Superior Court in Spokane County, Washington.

This ACCESS AND UTILITY EASEMENT AGREEMENT ("Agreement") is granted effective the ______ day of _____________, 20____, by SPOKANE AIRPORT, by and through its Airport Board, created pursuant to the provisions of Section 14.08.200 of the Revised Code of Washington, a joint operation of the City of Spokane and County of Spokane, municipal corporations of the State of Washington (the “Grantor”) for the benefit of WEST PLAINS DEVELOPMENT, L.L.C., a Washington limited liability company (the “Grantee”). The Grantor and Grantee may hereinafter be individually referred to as a “Party” or collectively as the “Parties”.

A. The Grantor is the owner of that real property situated in the county of Spokane, state of Washington and legally described on Schedule 1 attached hereto and incorporated herein by this reference (the “Grantor Property”).

B. The Grantee is the owner of that real property situated in the county of Spokane, state of Washington and legally described on Schedule 2 attached hereto and incorporated herein by this reference (the “Grantee Property”).

1. **Grant of Easement.**

   a. **Grant of Easement to Grantee.** Grantor hereby grants, conveys, warrants and delivers to Grantee, and Grantee’s invitees, successors and assigns, a non-exclusive easement under, upon, over, through and across, the Grantor Property for:

Grantor shall not grant easement rights to any other person or entity in the Grantor Property; provided, however, nothing contained in this Agreement shall be construed as excluding Grantor or Grantor’s tenants, invitees, successors, and assigns from making use of the Grantor Property to the extent such use does not unreasonably interfere with Grantee’s use for the purposes described herein. Nothing contained in this Agreement shall be deemed to be a public dedication of any portion of the Easements in the general public or for any public purposes whatsoever.

4. **Installation; Maintenance.** Grantee, at Grantee’s sole cost and expense, shall be solely responsible for the cost of the initial installation, construction and maintenance of the Easements, if any, on and under the Grantor Property in respect of Grantee’s use of the Easements and for obtaining all required permits and approvals associated therewith. Grantee shall provide Grantor with no less than ninety (90) days’ advanced written notice prior to commencing the installation of any material improvements, and shall thereafter exercise commercially reasonable efforts to coordinate its construction activities with any design and/or improvement installation requests timely made by Grantor, which Grantor requests may not be unreasonably conditioned or delayed.

5. **Indemnification.** Grantee and its successors and assigns shall indemnify and hold harmless Grantor from and against any claim, cost, expense, or liability of any nature, including but not limited to, damage done to the improvements, resulting from the use of the Grantor Property by Grantee or its invitees, successors, and assigns. 7. **Not a Partnership.** By this Agreement, the Parties do not, and any successors or assigns of the Parties shall not, in any way or for any purpose become partners or joint venturers of the other, or of any Party’s successors or assigns.

9. **Entire Agreement; Interpretation.** This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof. By executing this Agreement, the Parties specifically intend that this Agreement shall supersede all prior agreements and understandings between the Parties relating to the subject matter of this Agreement. It is expressly agreed that there are no verbal understandings or other agreements which in any way change the terms, covenants and conditions herein set forth.

10. **Dispute Resolution.** The Parties agree that any dispute or claim arising by, between or among them in respect of any provision of this Agreement, including, but not limited to the Maintenance Cost, the Parties so involved shall meet and confer in good faith to fairly and equitably resolve the dispute. If the Parties cannot resolve the issue or dispute, then the dispute shall be resolved in accordance with Section 12 below.

11. **Miscellaneous.** The recitals provided at the outset of this Agreement are hereby incorporated by reference in this Agreement as though fully set forth herein. In the event a Party commences an action related to this Agreement, the prevailing Party in such action shall be entitled to recover its attorneys’ fees and costs incurred therein, including any on appeal. This Agreement shall be governed by the laws of the state of Washington. Any action related to this Agreement shall be brought in Superior Court in Spokane County, Washington, and the Parties hereby waive the right to remove such matters to federal court or otherwise seek an alternate venue. FINDINGS:

A. The Washington State Legislature passed the Growth Management Act ("GMA") in 1990, requiring among other things, the development of a Comprehensive Plan (RCW 36.70A).

B. The City of Spokane adopted a Comprehensive Plan in May of 2001, and substantially amended it in 2017, in compliance with the requirements of the GMA, and has provided for periodic updates and annual amendments, as allowed under GMA.

C. Under GMA, comprehensive plans generally may be amended no more frequently than once per year. All amendment proposals must be considered concurrently to be evaluated for their cumulative effect. Also, the amendment period should be timed to coordinate with budget deliberations.

D. SMC 17G.020 provides the process by which applications to amend the Comprehensive Plan should be processed, wherein SMC 17G.020.025 establishes a threshold review process to be undertaken by an ad hoc City Council committee known as the “docketing committee.”

E. Notice of the ad hoc committee meeting was provided via email to all neighborhood council leadership in the City on January 28, 2022.

F. The docketing committee reviews comprehensive plan amendment applications from the public at the threshold review stage for compliance with six specific criteria, codified in SMC 17G.020.026.

G. The docketing committee met on February 1, 2022 at 12:00 pm in an online meeting via the WebEx software, and reviewed applications Z21-280COMP, Z21-281COMP, Z21-282COMP, Z21-283COMP, and Z21-284COMP (the "Applications").

H. Staff provided an overview of the decision criteria for threshold review of a Comprehensive Plan amendment application as prescribed by SMC 17G.020.026, Threshold Review Decision Criteria.

I. Written public comments received as of January 31, 2022 were forwarded to the committee.
CONCLUSIONS:

Based upon the application materials, staff, and public comments received, the docketing committee concludes that all proposed amendments to the Comprehensive Plan satisfy the threshold review criteria, as detailed in SMC 17G.020.026, and recommend to the City Council that the proposals should be included in the Annual Comprehensive Plan Amendment Work Program for 2022, subject to the following.

1. The docketing committee finds, regarding applications Z21-280COMP (W Cora Ave), Z21-281COMP (S Freya St), Z21-282COMP (E 31st Ave), Z21-283COMP (E 27th Ave), and Z21-284COMP (W Francis Ave):
   a) The proposed amendments present matters appropriately addressed through the comprehensive plan.
   b) The proposed amendments do not raise policy or land use issues that are more appropriately addressed by an ongoing work program approved by the City Council or by a neighborhood or subarea planning process.
   c) The proposed amendments can be reasonably reviewed within the resources and time frame of the Annual Comprehensive Plan Amendment Work Program.
   d) When expansion of the geographic scope of an amendment proposal is being considered, shared characteristics with nearby, similarly situated property have been identified and the expansion is the minimum necessary to include properties with those shared characteristics.
   e) The proposed amendments are generally consistent with current general policies in the comprehensive plan for site-specific amendment proposals. The proposed amendments are also consistent with policy implementation in the Countywide Planning Policies, the GMA, or other state or federal law, and the Washington Administrative Code.
   f) The proposed amendments are not the same as or substantially similar to a proposal that was considered in the previous year's threshold review process but was not included in the Annual Comprehensive Plan Amendment Work Program.
   g) State law does not require, nor has a decision of a court or administrative agency directed, such changes.

RECOMMENDATION:

Based on the foregoing findings and conclusions, the docketing committee voted to recommend the following:
• Application **File Z21-280COMP (W Cora Ave)** is recommended to be included in the work program, with the inclusion of the similarly situated east 30 feet of adjacent parcel 35063.2005, and requesting that staff provide details for the consideration of City Council on the portion of adjacent parcel 35064.3801 currently designated for Residential 4-10 uses on the Land Use Plan Map.

• Application **File Z21-281COMP (S Freya St)** is recommended to be included in the work program, with the inclusion of nearby similarly situated parcels 35222.4701 through 35222.4704 and parcels 35222.4814 through 35222.4817.

• Application **File Z21-282COMP (E 31st Ave)** is recommended to be included in the work program, with the inclusion of nearby similarly situated parcel 35331.0014, provided the property owner (Spokane Transit Authority) assents.

• Application **File Z21-283COMP (E 27th Ave)** is recommended to be included in the work program, with the inclusion of nearby similarly situated parcels 35284.0307 through 35284.0310.

• Application **File Z21-284COMP (E Francis Ave)** is recommended to be included in the work program, with the inclusion of nearby similarly situated parcels 36312.0503, 36312.0703, and 36312.0822.

2021-2022 Proposed Comprehensive Plan Amendments

Under Revised Code of Washington (RCW) 36.70A.130, the City may generally amend the comprehensive plan once a year. During the application acceptance period in September and October of 2021, the City received five private applications to amend the Land Use Plan Map. Furthermore, there are three city-sponsored applications proposed for consideration. Each of the applications are listed in the following table, along with the pages in this packet where more information can be found for each.

The process for each year’s consideration of amendments is laid out in the Municipal Code under SMC 17G.020. For your reference, the following graphic provides a rough outline of the process, which generally takes 12-14 months to complete.

![Process Outline]

**Threshold Criteria**

SMC 17G.020.026 states that any application to be included in the annual work program should meet the following criteria:

A. The proposed amendment presents a matter appropriately addressed through the comprehensive plan; and

B. The proposed amendment does not raise policy or land use issues that are more appropriately addressed by an ongoing work program approved by the City Council or by a neighborhood or subarea planning process; and

C. The proposed amendment can be reasonably reviewed within the resources and time frame of the Annual Comprehensive Plan Amendment Work Program; and

D. When expansion of the geographic scope of an amendment proposal is being considered, shared characteristics with nearby, similarly situated property have been identified and the expansion is the minimum necessary to include properties with those shared characteristics; and

E. The proposed amendment is consistent with current general policies in the comprehensive plan for site-specific amendment proposals. The proposed amendment must also be consistent with policy implementation in the Countywide Planning Policies, the GMA, or other state or federal law, and the Washington Administrative Code; and

F. The proposed amendment is not the same as or substantially similar to a proposal that was considered in the previous year’s threshold review process, but was not included in the Annual Comprehensive Plan Amendment Work Program, unless additional supporting information has been generated; or

G. State law required, or a decision of a court or administrative agency has directed such a change.

**Notes:** This proposal would alter the land use and zoning designation of one parcel adjacent to an existing commercial area on West Francis Avenue. Note that the houses shown in the aerial below have been removed by permit and construction on a new commercial use is underway. Additionally, the boundary shown below originally contained three parcels, but the applicant was granted a boundary line adjustment last year combining the three parcels. That action was separate and independent from the proposed Comprehensive Plan Amendment.

Dear Docketing Committee:

While this seems to be yet another request to extend the Office district further south of Francis, it is not the case. I have attached a map illustrating the existing Office designation and you will readily see that this is no deeper than the adjoining designations for Office as seen for the Wells Fargo Bank located at Francis and Monroe. Moreover, it resolves a zone split caused by the original fixed dimensional designation depth along Francis that has no regard for the platted lot patterns which, in this case created a zone split between office and residential.

To conclude, this request will enable the complete use of the site now under construction for Office Retail use and will enable better placement of onsite storm drainage and parking lot improvements. I trust the Committee will concur that the complete site should be uniformly zoned for the primary use.

Respectfully Submitted

<tr>
<td>Summary (Background)</td>
<td>The City of Spokane has had an ongoing service contract agreement with Spokane Treatment and Recovery Services or STARS (previously known as Spokane Detox). The current, five-year contract expires at the end of February. The Spokane Fire Department wishes to renew this five-year contract with STARS with a 2022 maximum annual amount of $107,958. Increases to the annual amount will be allowable as to adjust for CPI. The partnership between the Fire, Police and STARS provides transportation of public inebriates from locations largely centered in the downtown area to sobering and detoxification facilities operated by STARS. The Fire Department provides a van that is operated by a driver who is an employee of STARS. The van has regularly scheduled hours during each day of the week that coincide with times of the day that historically coincide with higher concentrations of inebriated individuals. The van makes regularly scheduled sweeps through downtown Spokane and identifies individuals who are intoxicated and transports them to the STARS facility located at 105 W. 3rd Ave. Additionally, when Spokane Fire Department or Spokane Police Department personnel encounter an inebriated individual, they request the van to respond after having evaluated the individual to rule out any medical conditions that require transport to the hospital. The STARS facility is designed to provide support services to people with Alcohol Use Disorder who are experiencing withdrawal symptoms. STARS maintains a staff of Substance Use Disorder Treatment professionals who engage with the individual after arriving at the STARS facility. In 2021, this program resulted in 458 van responses, transporting intoxicated people to a facility where they could safely detoxify and, in a number of cases, start treatment for the addiction. And, by removing the individual from a public place, improved the overall experience in downtown Spokane. The STARS Van has also provided transportation support for the Spokane Fire Department’s Behavioral Response Unit when an individual needed transportation to an appropriate behavioral health treatment setting.</td>

Operations Impacts
What impacts would the proposal have on historically excluded communities?

In many communities, people suffering from Substance Use Disorder and congregate in public areas have little to no access to sobering, treatment, and support services. This program is a relatively unique partnership between a treatment organization and the Fire Departments. In many communities, chronic inebriates are largely left unsupported and untreated while remaining in public areas. This program not only identifies the chronic inebriate, it also provides transportation out of the downtown corridor and to appropriate detoxification and treatment facilities.

STARS also has a contractual relationship with Providence that includes a STARS substance use treatment professional at the Emergency Department who facilitates moving the individual from the Emergency Department setting to the STARS facility for treatment. Together, these two programs improve access to Substance Use Disorder treatment.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

The Spokane Fire Department and STARS collaborate on data collection and analysis. STARS is one of only a few fully integrated treatment organizations in the State of Washington. One of the main tenets of Washington State’s effort to transform the health care system is promoting and measuring the impact of fully integrated treatment of individuals experiencing Substance Use Disorder. Most, if
not all the clients served by the program are unhoused, below the poverty level for income and most suffer from co-occurring substance use disorder and behavioral issues.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

The Fire Department tracks the number of requests for the STARS Van and reviews charts to assure that the correct use of the van occurs. The Fire Department then collaborates with STARS to measure the program’s efficacy. Some metrics include number of people who enter substance use treatment, success of the treatment, re-direct of individuals to the emergency department. The Fire Department’s Integrated Medical Services Manager is a member of the STARS Board of Directors which allows us to stay abreast of program performance.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The problem of chronic inebriates in the downtown corridor is a major concern for City Leaders and Business Owners. Inebriated individuals lying on sidewalks, inside doorways to restaurants and congregating in locations in and around hotels, restaurants, parks, and other places of public gatherings represent a barrier to a quality downtown environment. The regular sweeps of the downtown area by the STARS Van in addition to the van responding to requests received from Fire and Law Enforcement addresses these barriers. We believe that this program has proven its contribution to managing chronic, public inebriates from the downtown corridor and represents an innovative approach to providing compassionate care to these individuals.
SOLE SOURCE RESOLUTION NO. 2022-0029

A Sole Source Resolution declaring SPOKANE TREATMENT AND RECOVERY SERVICES (STARS) as a sole source provider for transportation of intoxicated individuals in the downtown corridor to the STARS sobering facility and authorizing the City to enter into a five (5) year contract for an annual not to exceed cost of $109,000, with an annual CPI increase between one percent and four percent, not including taxes, if applicable.

WHEREAS, the program allows Spokane Fire Department (SFD) and the Spokane Police Department (SPD) personnel to request the STARS transport van when First Response Personnel encounter an intoxicated individual in the downtown corridor. STARS then responds in a van and transports the individual to the STARS detoxification and sobering units that STARS operates at their facility at 105 W Third Avenue, Spokane, WA; and

WHEREAS, when not engaged and with SFD and/or SPD requests, the STARS driver makes regular sweeps through the downtown corridor in search of intoxicated individuals who can then also be transported to the STARS facility for sobering and possible treatment; and

WHEREAS, STARS is a licensed alcohol and chemical dependency recovery facility; and

WHEREAS, this is a unique program in that it is the only recovery program in the area that combines transportation and recovery services together; and

WHEREAS, ultimately, this program reduces the number of chronic inebriates in the downtown corridor, improving the overall downtown environment. No other chemical dependency organization operates with this model in the community.

WHEREAS, the 2022 public bid limit for these services is $50,000.00;

-- Now, Therefore,

BE IT RESOLVED by the City Council for the City of Spokane that it hereby declares SPOKANE TREATMENT AND RECOVERY SERVICES (STARS) as a sole source provider for the transporting of intoxicated individuals in the downtown corridor to the STARS sobering facility and authorizes without further council action the City Fire
Department to enter into a five (5) year Personal Services contract at an annual not to exceed cost of $109,000, not including taxes if applicable.

A. The City shall pay STARS EIGHT THOUSAND NINE HUNDRED NINETY-SIX AND 50/100 DOLLARS ($8,996.50) per month for a maximum of ONE HUNDRED SEVEN THOUSAND NINE HUNDRED FIFTY-EIGHT AND NO/100 DOLLARS ($107,958.00) annually, as full compensation for everything furnished and done under this Agreement. After successful completion of the initial year of this Agreement, $8,996.50 annual Compensation amount shall be increased by an amalgamated amount of the combined Consumer Price Indices (CPI) - CPI-U and CPI-W. For the last number of years this amount has consistently been calculated at between one percent (1%) and four percent (4%) increases.

B. STARS shall pay the City ONE AND NO/100 DOLLAR ($1.00) for lease of the van during the Agreement term.

4. PAYMENT. STARS shall send its application for payment to the Spokane Fire Station No.1, Accounting Division, 44 West Riverside Avenue, Spokane, Washington 99201. If the City objects to all or any portion of the invoice, it shall notify STARS and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

5. TAXES, FEES AND LICENSES.

A. Company shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. It is STARS’ sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.
6. CITY OF SPOKANE BUSINESS LICENSE.
Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. STARS shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If STARS does not believe it is required to obtain a business registration, it may contact the City’s Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

7. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.
No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. STARS agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American’s With Disabilities Act, to the extent those laws are applicable.

8. INDEMNIFICATION.
STARS shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from STARS’ negligence or willful misconduct under this Agreement, including attorneys’ fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of STARS’ agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of STARS, its agents or employees. STARS specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by STARS’ own employees against the City and, solely for the purpose of this indemnification and defense, STARS specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. STARS recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

9. INSURANCE.
During the period of the Agreement, STARS shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW:

A. **Worker’s Compensation Insurance** in compliance with RCW 51.12.020, which requires subject employers to provide workers’ compensation coverage for all their subject workers and Employer’s Liability Insurance in the amount of $1,000,000;

B. **General Liability Insurance** on an occurrence basis, with a combined single limit of not less than $1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Agreement. It shall provide that the City, its officers and employees are additional
insureds but only with respect to STARS’ services to be provided under this Agreement;

i. Acceptable **supplementary Umbrella insurance** coverage combined with Company’s General Liability insurance policy must be a minimum of $1,000,000, in order to meet the insurance coverage limits required in this Agreement; and

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than $1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without sixty (60) days written notice from STARS or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, STARS shall furnish acceptable Certificates of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as “Additional Insured” specifically for Company’s services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. STARS shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

9. **DEBARMENT AND SUSPENSION.**
STARS has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and “Debarment and Suspension”, codified at 29 CFR part 98.

10. **AUDIT.**
STARS and its sub-contractor shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Agreement. STARS and its sub-contractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Agreement, the federal law shall prevail.

11. **ASSIGNMENT AND SUBCONTRACTING.**
STARS shall not assign or subcontract its obligations under this Agreement without the City’s written consent, which may be granted or withheld in the City’s sole discretion. Any subcontract made by STARS shall incorporate by reference this Agreement, except as otherwise provided. STARS shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City’s consent to any assignment or subcontract does not release STARS from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

12. **TERMINATION.**
Either party may terminate this Agreement, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay STARS for all work previously authorized and performed prior to the termination date.
13. **STANDARD OF PERFORMANCE.**
The standard of performance applicable to Company’s services will be the degree of skill and
diligence normally employed by professional Company performing the same or similar services
at the time the services under this Agreement are performed.

14. **OWNERSHIP AND USE OF RECORDS AND DOCUMENTS.**
Original documents, drawings, designs, reports, or any other records developed or created under
this Agreement shall belong to and become the property of the City. All records submitted by the
City to STARS shall be safeguarded by STARS. STARS shall make such data, documents and
files available to the City upon the City’s request. If the City’s use of STARS' records or data is
not related to this project, it shall be without liability or legal exposure to STARS.

Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all
materials received or created by the City of Spokane are **public records** and are available to the
public for viewing via the City Clerk’s Records (online) or a valid Public Records Request (PRR).

15. **ANTI KICK-BACK.**
No officer or employee of the City of Spokane, having the power or duty to perform an official act
or action related to this Agreement shall have or acquire any interest in the Agreement, or have
solicited, accepted or granted a present or future gift, favor, service or other thing of value from
or to any person involved in this Agreement.

16. **MISCELLANEOUS PROVISIONS.**
   A. **Amendments/Modifications:** This Agreement may be modified by the City in
      writing when necessary, and no modification or Amendment of this Agreement
      shall be effective unless signed by an authorized representative of each of the
      parties hereto.
   B. **STARS,** at no expense to the City, shall comply with all laws of the United States
      and Washington, the Charter and ordinances of the City of Spokane; and rules,
      regulations, orders and directives of their administrative agencies and officers.
      Without limiting the generality of this paragraph, STARS shall comply with the
      requirements of this Section.
   C. This Agreement shall be construed and interpreted under the laws of Washington.
      The venue of any action brought shall be in a court of competent jurisdiction,
      located in Spokane County, Washington.
   D. **Captions:** The titles of sections or subsections are for convenience only and do
      not define or limit the contents.
   E. **Severability:** If any term or provision is determined by a court of competent
      jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall
      not be affected, and each term and provision shall be valid and enforceable to the
      fullest extent permitted by law.
   F. **Waiver:** No covenant, term or condition or the breach shall be deemed waived,
      except by written consent of the party against whom the waiver is claimed, and
      any waiver of the breach of any covenant, term or condition shall not be deemed
      a waiver of any preceding or succeeding breach of the same or any other covenant,
      term of condition. Neither the acceptance by the City of any performance by
      STARS after the time the same shall have become due nor payment to STARS for
      any portion of the Work shall constitute a waiver by the City of the breach or default
      of any covenant, term or condition unless otherwise expressly agreed to by the
      City in writing.
G. **Entire Agreement:** This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and STARS. If conflict occurs between Agreement documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Agreement to afford the City the maximum benefits.

H. **No personal liability:** No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

## Agenda Wording

During 2015/2016, the City created a department housing both procurement and grant accounting functions and appointed a department director that gained expertise in these separate functional areas.

## Summary (Background)

These functions are unique enough that they are commonly separate and distinct financial disciplines. As such, the Administration respectfully requests amending SMC so that the "Grants, Contracts and Purchasing Department" is described as the "Contracts and Purchasing Department" that focuses solely on procurement activities. Additionally, the CHHS grant, accounting, and financial reporting functions would be serviced by the Accounting Department.
