Further, keep the following City Council Rules in mind:

Rule 2.2 OPEN FORUM

- A. At the 6:00 p.m. legislative session, prior to the consideration of consent or legislative items, the Council shall hold an open forum unless a majority of Council Members vote otherwise. The open forum shall have 15 (fifteen) spaces of two minutes each available and members of the public who have not spoken during open forum during that calendar month will be prioritized for spaces ahead of those who have spoken during that calendar month.
- B. Members of the public can sign up for open forum in the hour preceding the legislative session, or at the conclusion of the briefing session, whichever is later, via the virtual testimony form linked in the meeting packet or in person outside Council Chambers. Each speaker must sign themselves using their true first and last name. Members of the public who are unable to sign up during the sign up period or who attempt to sign up late will not be added to the list of speakers. The order of the speakers will be determined at the discretion of the chair. Each speaker shall be limited to no more than two minutes unless a majority of the Council Members in attendance vote on an alternate time limit.
- C. No action, other than a statement of Council Members' intent to address the matter in the future, points of order, or points of information will be taken by Council Members during an open forum.
- D. The open forum is a limited public forum and all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak in open forum regarding items on that week's current agenda or the next week's advanced agenda, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during open forum shall address their comments to the Council President and shall maintain decorum as laid out in Rule 2.15(E). Legal or personal matters between private parties that do not impact the governance of the City of Spokane are not a permissible topic of open forum testimony.

Rule 2.7 SERVICE ANIMALS AT CITY COUNCIL MEETINGS

- A. For purposes of these Rules, only dogs that are individually trained to do work or perform tasks for a person with a disability are recognized as service animals. Dogs or other animals whose sole function is to provide comfort or emotional support do not qualify as service animals under these Rules. Service animals are permitted to accompany people with disabilities in City Council meetings, as well as all areas where members of the public are allowed to go.
- B. Service animals must, at all times while present in a City Council meeting, be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices, in which case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Rule 2.15 PARTICIPATION OF MEMBERS OF THE PUBLIC IN COUNCIL MEETINGS

- A. Members of the public may address the Council regarding the following items during the Council's legislative session: the consent agenda as a whole, all first reading ordinances together (with the exception of first reading ordinances associated with Hearings, which shall be taken separately), final readings of regular and special budget ordinances, emergency ordinances, special consideration items, hearing items, and other items before the City Council requiring Council action, except those that are adjudicatory or solely administrative in nature. This rule shall not limit the public's right to speak on issues that are not part of the current or advanced agendas during open forum.
- B. No member of the public may speak without first being recognized for that purpose by the chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. Council Members must be recognized by the chair for the purpose of obtaining the floor.

- C. Each person speaking in a public Council meeting shall verbally identify themselves by true first and last name, city of residence, and, if appropriate, representative capacity.
- D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded, and documents submitted for the record are identified and marked by the Clerk.
- E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language or obscene speech, physically pounding the dais or other furniture, yelling, or personal comments or verbal insults about any individual will be permitted.
- F. A speaker asserting a statement of fact may be asked by a Council Member to document and identify the sources of the factual datum being asserted.
- G. When addressing the Council, members of the public shall direct all remarks to the Council President, shall refrain from remarks directed personally to any Council Member or any other individual, and shall confine remarks to the matters that are specifically before the Council at that time.
- H. City employees may participate in public comment, including open forum, providing they are in compliance with the City of Spokane Code of Ethics and they do the following:
 - 1. Announce at the beginning of their testimony that they are there in their personal capacity or their capacity as a member of a relevant board, commission, committee or community group;
 - 2. Protect confidential information, including, but not limited to, confidential financial information and attorney-client communications;
 - 3. Do not use, or be perceived to use, City funds, including giving testimony during paid work time or while in uniform; or City property, including using a City-issued computer or cell phone, in giving testimony.
- I. When any person, including members of the public, City staff, and others, are addressing the Council, Council Members shall observe the same decorum and process, as the rules require among the members *inter se*. That is, a Council Member shall not engage the person addressing the Council in colloquy but shall speak only when granted the floor by the Council President. All persons and/or Council Members shall not interrupt one another. The duty of mutual respect and avoiding unlawful harassment set forth in Rule 1.2 and the rules governing debate set forth in *Robert's Rules of Order, newly revised*, shall extend to all speakers before the City Council. The City Council's Director of Policy and Government Relations and/or City Attorney shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak. All persons attending City Council Meetings or City Council sponsored meetings shall refrain from unlawfully harassing other attendees or risk being removed and/or prohibited from attending future meetings.

Rule 2.16 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

- A. Members of the public can sign up to give testimony in the hour preceding the legislative session, or at the conclusion of the briefing session, whichever is later, via the virtual testimony form linked in the meeting packet or in person outside Council Chambers. Each speaker must sign themselves using their true first and last name. Members of the public who are unable to sign up during the sign up period or who attempt to sign up late will not be added to the list of speakers. The order of the speakers shall be determined at the discretion of the chair.
- B. The City Council shall take public testimony on all matters included on its legislative agenda as described at Rule 2.15(A), with those exceptions stated in Rule 2.16(B). Public testimony shall be limited to the final Council action, except that public testimony shall be allowed at the first reading of ordinances. Public testimony shall be limited to three (3) minutes per speaker unless the time limit is adjusted by a majority vote of the Council. The chair may allow additional time if the speaker is asked to respond to questions from the Council. Public testimony and consideration of an item may be extended to a subsequent meeting by a majority vote of the Council.
- C. No public testimony shall be taken on amendments to consent or legislative agenda items, votes to override a Mayoral veto, or solely procedural, parliamentary, or administrative matters of the Council.
- D. Public testimony will be taken on consent and legislative items that are moved to Council's regular briefing session or study session unless a majority of Council votes otherwise during the meeting in which the items are moved.
- E. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented at the discretion of the Council President:

1. Following an assessment by the chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within their presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes may be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the allotted time between or among themselves.
 - c. Following the presentation of the proponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the proponents who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same amount of time which was allotted to the proponents.
 - e. Following the presentation by the opponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the opponents who wishes to speak on behalf of the opponents' position.
 - f. Up to ten (10) minutes of rebuttal time may be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three (3) minutes to present their position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the chair may grant the same procedural and time allowances to each group or groups, as stated previously.
 4. In the event that the side for which individuals wish to speak is not identified, those wishing to give testimony shall be granted three (3) minutes to present their position after all sides have made their initial presentations and before each side's rebuttal period.
- F. The time taken for staff or Council Member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.
- G. Testimony may also be submitted by mail to City Council Office, Spokane City Hall, 808 W. Spokane Falls Blvd., Spokane, WA, 99201, by email to all Council Members, or via the Contact form on the Council's website.

LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021
via Resolution 2021-0019

The County is seeking the City's agreement on an amendment to the County revitalization increment area (a tax increment financing economic development tool) and interlocal agreement for the Beacon Hill project.

Summary (Background)

The County adopted Resolution No. 2013-1021 which created the Increment Area after obtaining the written agreement for the use of community revitalization financing with taxing districts that levy at least 75 percent of the regular property tax on property within the Increment Area before it may use Community Revitalization Financing. This interlocal agreement amendment, amends City of Spokane previously approved interlocal OPR 2013-0548 because the County no longer plans to issue bonds.

**SECOND AMENDED AND RESTATED COMMUNITY
REVITALIZATION FINANCING AND
TAX INCREMENT AREA AGREEMENT**

This Second Amended and Restated Community Revitalization Financing and Tax Increment Area Agreement (this "Agreement") is made and entered into as of the dates set forth below by and between the City of Spokane, Washington, a Washington municipal corporation (the "City") and Spokane County, Washington, a political subdivision of the State of Washington (the "County") who are hereinafter singularly referred to as a "Party" or collectively referred to as the "Parties."

W I T N E S S E T H:

WHEREAS, the City is a first-class charter city duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington (the "State") now in force; and

WHEREAS, the County is a Class A county duly organized and existing under and by virtue of the Constitution and the laws of the State (the "County") now in force; and

WHEREAS, the Board of County Commissioners of Spokane County, Washington (the "Board") is authorized to conduct proceedings and to create increment areas from which property taxes are to be appropriated to finance public improvements pursuant to chapter 39.89 RCW; and

WHEREAS, pursuant to Resolution No. 2013-1021, adopted by the Board on November 5, 2013, the County created Increment Area No. 2013-01 (the "Increment Area") to finance certain public improvements within such increment area using community revitalization financing; and

WHEREAS, the County adopted Resolution No. 2013-1021 which created the Increment Area after obtaining the written agreement for the use of community revitalization financing with taxing districts that levy at least 75 percent of the regular property tax on property within the Increment Area before it may use community revitalization financing; and

WHEREAS, most of the territory encompassed by the Increment Area lies within the City's corporate boundaries; and

WHEREAS, as authorized by Resolution No. 2013-1021, the County executed the Community Revitalization Financing and Tax Increment Area Agreement with the City on November 5, 2013 (the "Original Agreement"); and

WHEREAS, Exhibit "A" to the Original Agreement identifies within the Increment Area a sub-area referred to as the "Beacon Hill Sub-Area"; and

WHEREAS, Exhibit "B" to the Original Agreement sets forth a description of Public Improvements; and

WHEREAS, the County and the City have agreed that the Public Improvements identified in Section 1 on Exhibit B to the Original Agreement as City Public Improvements (the "City Public Improvements") may be constructed by or at the direction of the City and that all or a portion of the costs of the City Public Improvements will be financed through the use of community revitalization financing, to the extent that "tax allocation revenues," as defined in RCW 39.89.020(8) ("Tax Allocation Revenues") are available pursuant to the terms and conditions of the Original Agreement; and

WHEREAS, the County and the City have further agreed that the Public Improvements identified in Section 2 on Exhibit B to the Original Agreement as Beacon Hill Sub-Area Improvements (the "Beacon Hill Sub-Area Improvements") may be constructed pursuant to the terms and conditions of the Original Agreement and that all or a portion of the costs of the Beacon Hill Sub-Area Improvements will be financed through the use of community revitalization financing, to the extent that Tax Allocation Revenues are available pursuant to the terms and conditions of the Original Agreement; and

WHEREAS, the County and the City acknowledge and agree that the Public Improvements constructed within the Increment Area must meet all applicable state and local laws, including the City of Spokane Comprehensive Plan and the development regulations and engineering standards adopted to implement that plan; and

WHEREAS, as authorized by Resolution No. 2018-0873, the Board authorized certain amendments to the Original Agreement and approved the execution of the "Amended and Restated Community Revitalization Financing and Tax Increment Area Agreement," entered into on December 4, 2018, by and between the City and the County (the "Amended Agreement"); and

WHEREAS, as authorized by Resolution No. 2019-1521, the Board authorized certain amendments to the Amended Agreement and approved the execution of the "First Amendment to Amended and Restated Community Revitalization Financing and Tax Increment Agreement," entered into August 30, 2021, by the County and entered into December 1, 2020, by the City of Spokane (the "First Amendment"); and

WHEREAS, the Original Agreement, Amended Agreement, and First Amendment are all referred to hereinafter as the "Agreements"; and

WHEREAS, the Agreements contemplate the County selling bonds, delivering the proceeds of such bonds to the City, and the City designing, bidding, constructing, and financing or paying for Beacon Hill Sub-Area Improvements using the bond proceeds; and

WHEREAS, the County no longer plans to issue bonds, and the County and City wish to amend the Agreements to, among other things, clarify that the Beacon Hill Sub-Area Improvements may be constructed and installed by a private developer pursuant to a reimbursement agreement between the County and the private developer.

NOW, THEREFORE, the City and the County each mutually agree as follows:

Section 1. This Agreement shall continue until the earlier of: (a) such time as Tax Allocation Revenues are no longer necessary or obligated to pay the costs of any of the Public Improvements as set forth on Exhibit B hereto; or (b) December 31, 2043.

Section 2. The City and the County each hereby agree to the use of community revitalization financing to finance a portion of the costs of the Public Improvements, in an amount not to exceed \$30,000,000.00. The Public Improvements set forth on Exhibit B hereto may be constructed within the Increment Area. Any Public Improvement located within the City will be owned by the City. All Public Improvements constructed within the Increment Area must meet all applicable state and local laws, including the City of Spokane Comprehensive Plan and the development regulations and engineering standards adopted to implement that plan. Any deviation from such City standards must be approved by the City in the City's discretion.

Section 3. The City and the County each agree to apportion regular property taxes (as defined in RCW 39.89.020(6)), in the manner set forth in RCW 39.89.070(1), until the expiration of the term of this Agreement; provided, in no case shall Tax Allocation Revenues be used to pay more than

\$30,000,000 in "public improvement costs," as defined in RCW 39.89.020(5) ("Public Improvement Costs"). The County anticipates the Public Improvements and consequent private improvements will increase total property tax levies within the Increment Area.

Section 4. (a) Pursuant to this Agreement, the City and the County each agree: (1) that the City Public Improvements will be constructed by or at the direction of the City; and (2) to participate in the use of community revitalization financing to finance all or a portion of the costs of the City Public Improvements in the Increment Area as authorized under chapter 39.89 RCW.

(b) The City and the County each agree that all Tax Allocation Revenues generated in the Increment Area excluding the Beacon Hill Sub-Area during the term of this Agreement (the "City Allocation") shall be used to pay the Public Improvement Costs of the City Public Improvements. The County and the City agree that the County shall transfer the City Allocation to the City monthly within ten business days of the County's receipt of Tax Allocation Revenues comprising the City Allocation.

(c) The City agrees that Tax Allocation Revenues comprising the City Allocation shall be used solely to pay the costs of the City Public Improvements and shall be applied to such costs only to the extent they constitute Public Improvement Costs as defined in and as permitted by chapter 39.89 RCW. The City shall from time to time as reasonably requested by the County provide to the County evidence reasonably acceptable to the County (e.g. invoices, contracts, work orders or other verifiable written documents) of the Public Improvement Costs paid, incurred or anticipated to be incurred in connection with the City Public Improvements.

Section 5. (a) The City and the County each agree that all Tax Allocation Revenues generated in the Beacon Hill Sub-Area of the Increment Area during the term of this Agreement (collectively, the "Beacon Hill Sub-Area Allocation"), shall be used to pay the Public Improvement Costs of the Beacon Hill Sub-Area Improvements which improvements can be installed by a private developer under the authority of an executed Reimbursement Agreement.

(b) The County shall create and shall continue to maintain a segregated account with the County Treasurer designated as the "Beacon Hill Sub-Area Fund" (the "Beacon Hill Fund"), into which it shall deposit the Beacon Hill Sub-Area Allocation, and which shall be used solely for the purposes of and in the following order of priority: (1) reimbursing the City's Public Improvement Costs of any Beacon Hill Sub-Area Improvements upon the City's request; or (2) otherwise paying the Public Improvement Costs of the Beacon Hill Sub-Area Improvements. In no event shall Tax Allocation Revenues be used to reimburse or pay a private developer for any costs for which the developer has received reimbursement from the City of Spokane pursuant to a development agreement.

Section 6. Nothing in this Agreement obligates the City to in any way whatsoever with respect to designing, bidding, constructing, financing, or paying for the Beacon Hill Sub-Area Improvements, or any portion thereof. Notwithstanding the foregoing, any actual costs incurred by the City in connection with the Beacon Hill Sub-Area Improvements shall be Public Improvement Costs and shall be paid or reimbursed from Tax Allocation Revenues available in the Beacon Hill Fund.

Section 7. Nothing expressed in or to be implied from this Agreement is intended to give, or shall be construed to give, any person, other than the County and the City, any benefit or legal or equitable right (including without limitation, any third party beneficiary rights), remedy or claim under or by virtue of this Agreement, and all provisions hereof will be solely between the County and the City.

Section 8. This Agreement contains all the terms and conditions agreed upon by the City and the County with respect to the subject matter hereof. No other understanding, oral or otherwise, regarding the

subject matter of this Agreement shall be deemed to exist or to bind either the City or the County, other than those imposed by operation of law.

Section 9. This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original, but such counterparts shall together constitute but one and the same Agreement.

Section 10. This Agreement supersedes and replaces the:

- (a) Community Revitalization Financing and Tax Increment Area Agreement between the City and County authorized by Resolution No. 2013-1021 referred to herein as the Original Agreement,
- (b) Certain amendments to the Original Agreement between the City and County authorized by Resolution No. 2018-0783 referred to herein as the Amended Agreement, and
- (c) Certain amendments to the Amended Agreement between the City and County authorized by Resolution No. 2019-1521 referred to herein as the First Amendment.

IN WITNESS WHEREOF, the Parties have executed the Agreement and it shall be effective as of the last date of execution.

Interlocal Agreement Amendment for the Beacon Hill Community Revitalization Financing District	

This interlocal agreement and amendment is focused on the economic redevelopment of a significant property within the City of Spokane's Targeted Investment Area (STIA) boundary. That boundary includes 34 or Spokane most distressed Census tracts with: high poverty (20% or more), and/or low Median Family Income (<80% AMI), and/or high unemployment (> 1.5X National rate).

Helps target the development of new housing within our Spokane Targeted Investment Area (STIA):

- building stronger neighborhoods by targeting economic reinvestment to our most economically distressed census tracts,
- encouraging more housing opportunities, including affordable housing opportunities,
- increasing the supply of mixed-income multifamily housing opportunities,
- helping accomplish the planning goals required under the Growth Management Act, chapter 36.70A RCW, and
- promoting community development, neighborhood revitalization, and availability of affordable housing.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Agenda Item Name	East Sprague BID Administration and Operations Agreement Extension
Summary (Background)	<p>The City and the East Spokane Business Association (ESBA) entered into a contract in September 2017 (OPR 2017-0796) to administer the East Sprague Business Improvement District (BID), organized as a parking and business improvement area under Washington law. SMC 04.31C.090 and RCW 35.87A.110 allow the City to contract with an appropriate business association for administering and operating the BID. This is the second of two, four-year extensions provided for in the original contract agreement with ESBA.</p> <p>In addition to the contract extension, several agreement amendments have been made to clarify the responsibilities of ESBA as the BID manager. Clarifying language was added to make clear what clean and green and district beautification services should entail, as well as updating requirements for progress reports.</p> <p>The contract extension would be effective January 1, 2023, to December 31, 2026. As this is the last contract extension, the City will need to go out to RFP to select a BID manager prior to expiration of the contract.</p>

Operations Impacts What impacts would the proposal have on historically excluded communities? In administering the BID contract, ESBA is tasked with assisting existing and potential businesses that want to be located with the East Sprague BID, and this can include women and minority owned businesses that benefit from an entity that can manage district-wide marketing and events to attract customers that support local Spokane businesses.	

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

ESBA, the BID contract manager, completes an annual management plan as part of the annual special assessment process, which includes information on how the BID serves rate payers. No specific information is broken down by racial, gender identity, or other metrics at this time. Feedback from ratepayers to the ESBID Ratepayer Board is one avenue through which both the City and ESBA knows if ratepayers believe they are receiving services commensurate with the collected special assessment. Some data sources include changes to the total assessed value of properties within the BID, crime statistics, and business license data for businesses licensed to addresses within the BID.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Effectiveness of the proposed changes would be collected annually during the special assessment process, and as analyzed in the annual management plan ESBA completes as the BID contract manager. The ability to maintain, or expand, services as funded through the special assessments would be a positive indicator that the BID is self-sufficient. Another sign of effectiveness is the annual East Sprague BID Ratepayer Board meeting that occurs every December, where ratepayers may further weigh in on the proposed BID management plan and services for the upcoming year.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The creation and continuation of the East Sprague BID achieves a large goal from the 2014 East Sprague Targeted Investment Pilot (TIP) Advisory Board's Implementation Plan, in alignment with the recommendations from the Smart Growth America technical assistance grant report on how to achieve an economically vibrant neighborhood through targeted public and private investments.

Renewing the BID manager contract furthers the goal of investing in key centers and corridors, especially business improvement districts and public development agencies, with a focus on small or local Spokane businesses. This aligns with the vision and values of Comprehensive Plan Chapter 7, [Economic Development](#), and policy ED 1.2.

Operations Impacts	

What impacts would the proposal have on historically excluded communities?

Therapeutic Courts build stronger and safer communities by providing accountability to justice-involved individuals by utilizing a problem-solving approach to crime to help individuals become productive members of the community. Veterans Court and Community Court work to address factors impacting participant's criminal behavior, substance use/mental health disorders, provide access to resources, and address victim needs. Therapeutic Courts attempt to enhance the lives of individual participants by addressing the underlying causes for court involvement, while ensuring public safety.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Therapeutic Courts utilize various data metrics to analyze the effectiveness of the program and to ensure justice involved individuals are not excluded based on racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities. The data is shared with the multidisciplinary team for analysis.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Therapeutic Courts will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access Therapeutic Courts on any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The participants of Therapeutic Courts often face adversary and barriers at every step as they attempt to exit homelessness, address substance use and mental health disorders, and become productive members of the community. The funds received will enhance the Veterans Court and Community Court programs as we work to improve the participant's lives and the community. Improving community safety is a critical element in the City's criminal justice reform efforts.

We are pleased to offer the following:

Community Court: \$8,000 for the use of purchasing warm clothing, transportation and other basic needs items.

Veterans Court: \$5,000 for the purchase of transportation and basic need items

In regards to the transportation/bus passes have you applied to purchase bus passes at 50% off the price with STA? If not, we are able to purchase at 50% off and would like to facilitate the bus pass purchase in order to maximize our investment for you. INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

Spokane Municipal Court

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and Spokane Municipal Court, hereinafter referred to as "SUB-RECIPIENT."

NOW THEREFORE, in consideration of the authority provided to WTSC in RCW 43.59 and RCW 39.34, terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT:

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listing/Catalog of Federal Domestic Assistance (CFDA) #20.600, for traffic safety grant project 2023-AG-4779-Spokane Municipal DUI Court.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both parties, but not earlier than October 1, 2022, and remain in effect until September 30, 2023 unless terminated sooner, as provided herein.

3. STATEMENT OF WORK

The SUB-RECIPIENT shall carry out the provisions of the traffic safety project described here as the Statement of Work (SOW). If the SUB-RECIPIENT is unable to fulfill the SOW in any manner on this project, the SUB-RECIPIENT must contact the WTSC program manager immediately and discuss a potential amendment. All Federal and State regulations will apply.

3.1 SCOPE OF WORK

3.1.1 Problem ID and/or Opportunity

Impaired driving continues to be the most common contributing factor in Washington's traffic fatalities, represented in more than half of all traffic fatalities year after year. Impaired driving often stems from the driver having additions to alcohol and/or impairing substances. These drivers are at a high risk to repeatedly drive while impaired.

Treatment for high-risk impaired drivers is important and so is having an intensive monitoring program, such as DUI Courts. The DUI Court model is an NHTSA-approved countermeasure that has shown to have a positive impact in reducing impaired driving of successful participants. DUI Courts are one of the few countermeasures that provide the ongoing monitoring of these high-risk individuals that lead to strong reductions in impaired driving during the program, and also long after graduation out of the program. According to the National Center for DWI Courts, DUI Court participants are 19% less likely to reoffend, while DUI Courts save taxpayers' money, improve public safety, and serve to change participants' thinking and behavior.

3.1.2 Project Purpose and Strategies

The purpose of this project is to ensure that participants of Spokane Municipal DUI Court maintain sobriety, by providing funding to pay for drug and alcohol screening for participants who do not have the financial means to pay for these services.

Strategies used:

Countermeasures That Work (2021): Strategy 3.1 DWI Courts

WTSC Impaired Driving Strategic Plan (2022): Support the use of drug testing, electronic monitoring, and sober support meetings to assist in recidivism reduction.

3.2 PROJECT GOALS, OBJECTIVES AND MEASURES

Goal 1 - Ensure that 100% of DUI Court participants are tested at least monthly for drug and alcohol use.

Objective	Objective Details	Completion Date
Develop participant screening policy to identify financial barriers to pay for urinalysis testing services.	Send WTSC this policy when complete.	10/31/2022
Conduct drug and alcohol testing using urinalysis methods for all DUI Court participants per phase structure, ranging from 3 to 8 times per month.		09/30/2023
Provide analysis of testing results to WTSC each quarter.		
Attach a summary report to each quarterly progress report. This report should include data such as:		09/30/2023
• Number and percentage of DUI Court participants who are tested each quarter.		
• Test results.		
• Number of DUI Court participants who are sanctioned due to positive drug or alcohol test.		

Measure	Reporting Frequency	Type	Target
---------	---------------------	------	--------

Number of DUI Court participants who are determined to be eligible for financial assistance for drug and alcohol testing.	Quarterly	Process	25
Percentage of DUI Court participants receiving financial assistance who do not have a positive drug or alcohol test during the reporting period.	Quarterly	Process	100
Percentage of DUI Court participants eligible for financial support who are tested each quarter.	Quarterly	Outcome	100

3.3. COMPENSATION

3.3.1. The cost of accomplishing the work described in the SOW will not exceed \$50,000.00. Payment for satisfactory performance of the work shall not exceed this amount unless the parties mutually agree to a higher amount in a written Amendment to this Agreement executed by both parties.

3.3.2. If the SUB-RECIPIENT intends to charge indirect costs, an Indirect Cost Rate must be established in accordance with WTSC policies, and a federally-approved cost allocation plan may be required to be submitted to the WTSC before any performance is conducted under this Agreement.

The SUB-RECIPIENT must provide appropriate documentation (receipts) to support reimbursement requests, including the A-40 Travel Authorization form if required.

Pre-approval must also be gained if funding from this agreement is used to purchase a portion of an item with a purchase price of \$5,000 or higher. Approval for these purchases will be facilitated by WTSC. WTSC will notify the SUB-RECIPIENT when approval has been gained or denied. Failure to receive pre-approval will preclude reimbursement. SUB-RECIPIENT will provide WTSC with purchase price, quote, manufacturer, description of its use in the project, and documentation showing that it is made in America. Any equipment purchased with NHTSA funds, must be used exclusively for traffic safety purposes or the cost must be pro-rated.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT agrees that its obligations under this Section extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents in the performance of this agreement. For this purpose, the SUB-RECIPIENT, **by mutual negotiation**, hereby waives with respect to WTSC only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions chapter 51.12 RCW.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

18. INDEPENDENT CAPACITY

The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

19. INSURANCE COVERAGE

19.1. The SUB-RECIPIENT shall comply with the provisions of Title 51 RCW, Industrial Insurance, if required by law.

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving them a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

22. RIGHT OF INSPECTION

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or

revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30 day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this

Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either party may terminate this Agreement, without cause or reason, with 30 days written notice to the other party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

31. WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the “lower tier participant”) is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled “Instructions for Lower Tier Certification” including the “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 33.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred,

suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 34.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

36. FEDERAL LOBBYING

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation,

renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

legislator to favor or oppose the adoption of any specific legislative proposal pending before any state or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

Operations Impacts (If N/A, please give a brief description as to why)

What impacts would the proposal have on historically excluded communities?

The Spokane Municipal Court and each of the existing and future therapeutic courts does not control who comes into court but does control how individuals are treated when they come into court. The Court prides itself in working toward the highest level of accessible justice ensuring an equitable, open, and fair service to the citizens and visitors of the City of Spokane. The inclusiveness of the court does not discriminate against race, age, gender, or socio-economic status. The Spokane Municipal Court includes several therapeutic courts such as the Spokane Municipal Community Court, which is a nationally recognized Mentor Court based upon the identified creative approaches to community partnership, openness to all, and provision of services.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

The Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

The Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The development and implementation of a Domestic Violence Intervention Therapeutic Court, funding to provide necessary treatment and reduce criminogenic needs and barriers is a critical element of the City's criminal justice reform efforts.

APPLICATION FOR GRANT FUNDING

Therapeutic Courts and Community Justice Counselors in Courts of Limited Jurisdiction

☒ My court does not have an existing therapeutic court program or any community justice counselors. Spokane Municipal Court has existing therapeutic courts but is seeking to develop and implement a new therapeutic court. In addition, the Court and Community Justice Services has the first Community Justice Counselors in the state but is seeking additional CJC's to support the Court's request.

☐ My court has an existing therapeutic court program that it would like to expand or would like to hire additional community justice counselors.

☐ My court has an existing therapeutic court program, and we need additional funding to maintain it.

8. Please describe your court's proposed program or your court's need for community justice counselors, including your planned start date and target population. If you have an existing program, please describe your program and how your program will expand with this grant funding.

The City of Spokane is a mid-size city, fourth largest in the state, yet still has four of the top 10 lowest income ZIP Codes in the state with an estimated 19.4% of city residents being at or below the poverty line with homelessness and behavioral health concerns being an important challenge. Data obtained from the Spokane Municipal Court indicates that between 2016 and 2021 there was an average of 846 Assault 4 – DV charges filed and 606 Violation of No Contact Order charges filed per year. Additionally, the outlined period shows a total of 10,717 domestic violence related charges filed, or an average of 1,786 charges filed per year. Nationally, statistics have shown that nearly 80% (8,773 of the cases noted above) of Domestic Violence related offenses are drug and/or alcohol involved and that addressing domestic violence, substance use, and/or mental health issues simultaneously has shown to be the most effective manner in reducing violent crime. Spokane's high rate of domestic violence crime has been a primary focus of the City Administration, and the AOC grant opportunities provides the best resource to develop a therapeutic court to effectively address the City's domestic violence problem. Currently the Municipal Court operates therapeutic courts in the areas of Community Court, Veteran's Court, DUI Court, and a joint-operated Mental Health Court with Spokane County District Court but does not have a therapeutic court designed and dedicated to address the high rate of domestic violence with and/or without illicit drug use and alcohol involvement.

The Court proposes funding for two dedicated full-time Community Justice Counselors, a Community Justice Specialist, funding for Domestic Violence Intervention Treatment, as well as annual funding streams for cell phones and phone cards, bus passes, transitional housing, drug testing, and to cover an inter-local agreement with a licensed physician to provide Medically Assisted Treatment (MAT) to qualified participants. The Domestic Violence Intervention Therapeutic Court team members will match in-kind all time, space, supplies, technology, and compensation towards funding received from the Administrative Office of Courts including any operational expenses associated with any FTE hired from the AOC funding.

The Municipal Court proposes to develop and launch a Domestic Violent Intervention Therapeutic Court (DVITC) beginning in the first quarter of 2023. The DVITC will be designed to address RCW 10.99 and WAC 388-60B providing the highest level of case management and supervision available for those individuals involved in domestic violence and/or suffering from substance use disorders. The creation of a Domestic Violence Intervention Therapeutic Court will provide eligible defendants detailed risk and needs assessment(s) based on the Ontario Domestic Assault Risk Assessment, Michigan Alcoholism Screening Test, Kessler Psychological Distress Scale, and Ohio Risk Assessment System – Community Supervision Tool creating individualized case plans and intervention strategies incorporating domestic violence intervention treatment, substance use disorder treatment (including Medically Assisted Treatment), and mental health treatment as required. The DVITC will provide additional participant support by way of cell phone and transportation assistance, transitional housing assistance, drug testing support, and a multidisciplinary team providing wrap around services to overcome identified barriers

and criminogenic needs. The Community Justice Counselors will be the primary case managers of the DVITC participants ensuring intervention strategies, community resources, and cognitive behavioral techniques and therapies are applied correctly and within best practices.

The Spokane Community Justice Services department is comprised of a Pretrial Services Unit, Electronic Monitoring Unit, and Alpha Case Management unit. The incorporation of Community Justice Services allows for each DVITC participant to have Electronic Monitoring (alcohol detection and/or global positioning satellite tracking “GPS”) applied, if required. The Pretrial Services Unit will have the ability to screen eligible defendants in-custody providing financial, risk, and need information to parties. In addition, the Pretrial Services Unit will screen defendants prior to first appearance to determine potential therapeutic court applicants and provide notice to parties to decrease entry time into the therapeutic court. The enhanced program will address the high rate of domestic violence, drug abuse, and addiction involved domestic violence, improve harm reduction strategies to support domestic violence victims, and increase the referral rate and compliance rate of treatment services.

9. Briefly explain how your court’s program does or will comply with evidence-based best practices if chosen to receive grant funding.

The Municipal Court has a long history of therapeutic court operation and has an established pattern of implementing and maintaining evidence-based practices. The Domestic Violence Intervention Therapeutic Court will incorporate evidence-based practices as outlined by the National Association of Drug Court Professional and National Drug Court Institute key components for therapeutic courts. The DVITC will incorporate a multidisciplinary team (MDT) of substance use, mental health, and domestic violence professionals along with members of the Spokane Police Domestic Violence Unit, Spokane Prosecutor’s Office, Spokane Public Defender’s Office, Municipal Court, and Community Justice Services. The MDT will work cohesively following core competencies of each defined member including obtaining National and Regional training. Wraparound services will be established to ensure participants receive the community support to address dynamic risk factors and identified targeted treatment needs. Each participant will be required to participate in a 7-day a week, 365 day a year, randomized drug testing which will be paid for by, and through, the AOC grant. The DVITC will utilize sustainable incentives and appropriate sanctions associated with written rules and guidelines outlined in a participant handbook. The DVITC will have a defined 133 datapoints that will be tracked from first appearance to entry into the DVITC and the progress through the program and beyond completion. The data will be analyzed bi-monthly to analyze trends and identify areas of improvement to reach the DVITC program goals.

The Domestic Violence Intervention Therapeutic Court will utilize validated risk and needs assessment tools to ensure each participant meets the eligibility criteria of the program. The Community Justice Counselors, through the Community Justice Services Department, will assess participants to determine risk level, criminogenic needs and non-criminogenic barriers and refer participants to programs and services defined as evidence-based including cognitive behavioral interventions. The focus of the DVITC will be those individuals who have been assessed as Moderate to High Risk and Moderate to High Need, ensuring those individuals who require a higher level of care are receiving the appropriate identified supervision and services. Research has demonstrated that programs that adhere to the principles of risk, need, and responsivity and use a cognitive behavioral approach are the most effective at reducing recidivism (domestic assault/violence). In addition to targeting the most intensive supervision and services for people who are most likely to reoffend (risk principle), DVITC will focus treatment on criminogenic needs (dynamic factors that contribute to the likelihood of reoffending), such as criminal thinking or attitude (needs principle). DVITC will be implemented in a way that promotes active participation (e.g., making accommodations for language or literacy issues) and will rely on methods that are effective with people in the criminal justice system, such as cognitive behavioral programs (responsivity principle).

10. Briefly explain how your court's program does or will address racial inequities and increase access to the courts.

The Spokane Municipal Court and each of the existing and future therapeutic courts does not control who comes into court but does control how individuals are treated when they come into court. The Court prides itself in working toward the highest level of accessible justice ensuring an equitable, open, and fair service to the citizens and visitors of the City of Spokane. The inclusiveness of the court does not discriminate against race, age, gender, or socio-economic status. The Spokane Municipal Court includes several therapeutic courts such as the Spokane Municipal Community Court, which is a nationally recognized Mentor Court based upon the identified creative approaches to community partnership, openness to all, and provision of services.

The identified Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

11. Briefly explain how your court collaborates with other courts and community partners to address substance use disorder and the behavioral health needs of defendants.

The Spokane Municipal Court and therapeutic court programs foundations are built upon a collaborative community partnership approach to address various mental health and substance abuse disorders. The focus of the therapeutic court is addressing the underlying causes of law enforcement contact which are identified through the Court's use of validated risk and need assessment tools. Participants are referred to select providers to obtain full assessments or evaluations to determine what level of need and case management is appropriate. The DVITC will incorporate the various identified issues as part of an individualized, targeted, behavioral modification case plan for each participant.

The AOC funding opportunity will assist the Spokane Municipal Court in developing and implementing the City's first Domestic Violence focused therapeutic court which will allow for strong community partnerships with local advocacy offices, housing shelters, social service agencies, and treatment agencies who are trained and licensed to provide domestic violence treatment services as well as mental health, substance use, and social services. Due to nearly 73% of defendants engaged with the Spokane Municipal Court being at, or below, the 125% poverty threshold, having the financial means to provide this required treatment to address domestic assaults and violence is a critical component of the Court's request. In addition, the multi-disciplinary team will incorporate key justice system stakeholders while incorporating treatment providers, domestic violence advocates, and community peer members to support the behavioral changes of the DVITC participants.

12. Provide a justification statement, including priority of costs for potential funding.

The City of Spokane Municipal Court seeks an award of the Washington State Administrative Office of the Courts. The City of Spokane is home to 220,000 residents and resides within Spokane County, Washington, with a service population of over 500,000 citizens. The Court receives on average over 7,000 criminal and 10,000 infraction filings a year and is a court of limited jurisdiction. The Court request a great allowance totaling \$714,818 split between the Therapeutic Court Grant and Community Justice Counselors Grant solicitations to develop and implement a Domestic Violence Intervention Therapeutic Court (DVITC) for defendants charged with an eligible Domestic Violence offense with, or without, drug and alcohol involvement. Participants must qualify as Moderate/High Risk and Moderate/High Need of committing a supervision violation or recidivating. Presently, Community Justice Services supervises 1,900 defendants, with over 2,000 case files. Approximately 36%, or 684 cases, under community supervision are directly related to domestic assaults/violence and 70%, or 1,330 cases, are directly related to drugs or alcohol. The Court will

utilize this award to engage eligible defendants in an evidence-based approach, incorporating risk-need-responsivity supervision model. The award will provide two Community Justice Counselors (total compensation is \$110,000 per CJC) who will assess, case manage, and supervise each DVITC participant applying best practices in community supervision and therapeutic court best practices to reduce no contact order violations, recidivism, supervision violations, victim harassment/harm, and improve victim/public safety through supervision strategies. Funding will also be used to hire a Community Justice Specialist to assist the Community Justice Counselors and Therapeutic Court Coordinator in implementing and operating the DVITC program and ensuring community engagement and participation is strongly maintained. The Court will utilize treatment services and participant services funding to pay for Domestic Violence Intervention Treatment (not covered by insurance), drug and alcohol testing, electronic monitoring, contracting with a local medical provider to incorporate a Medically Assisted Treatment component, transportation assistance, phone assistance, housing assistance, and program meals, snacks, and water. The Court will utilize a new Court/CJS management system to track participants from arrest through program completion. The data collected will include social demographic information, urinalysis testing, treatment compliance, sanction/incentive history, assessment and re-assessment outcomes and pre/post DVITC recidivism data. The Community Justice Counselors and Community Justice Specialist will coordinate and facilitate evidence-based programs and coordinate services between justice and treatment partners. The Spokane Municipal Court has not previously received an AOC grant for Therapeutic Court development or Community Justice Counselor hiring. The Community Justice Services department includes Community Justice Counselors and Specialists, the first in the state.

The DVITC will be designed to address RCW 10.99 and WAC 388-60B providing the highest level of case management and supervision available for those individuals involved in domestic violence and/or suffering from substance use disorders. The creation of a Domestic Violence Intervention Therapeutic Court will provide eligible defendants detailed risk and needs assessment(s) based on the Ontario Domestic Assault Risk Assessment, Michigan Alcoholism Screening Test, Kessler Psychological Distress Scale, and Ohio Risk Assessment System – Community Supervision Tool creating individualized case plans and intervention strategies incorporating domestic violence intervention treatment, substance use disorder treatment (including Medically Assisted Treatment), and mental health treatment as required. The DVITC will provide additional participant support by way of cell phone and transportation assistance, transitional housing assistance, drug testing support, and a multidisciplinary team providing wrap around services to overcome identified barriers and criminogenic needs. The Community Justice Counselors will be the primary case managers of the DVITC participants ensuring intervention strategies, community resources, and cognitive behavioral techniques and therapies are applied correctly and within best practices.</p> <p>On July 20, 2022, the Washington State Administrative Office of the Courts provided notice to the Court that a quick grant submission in June 2022 was approved funding the above request to develop and implement a new Domestic Violence Intervention Therapeutic Court. Operations Impacts (If N/A, please give a brief description as to why)

What impacts would the proposal have on historically excluded communities?

The Spokane Municipal Court and each of the existing and future therapeutic courts does not control who comes into court but does control how individuals are treated when they come into court. The Court prides itself in working toward the highest level of accessible justice ensuring an equitable, open, and fair service to the citizens and visitors of the City of Spokane. The inclusiveness of the court does not discriminate against race, age, gender, or socio-economic status. The Spokane Municipal Court includes several therapeutic courts such as the Spokane Municipal Community Court, which is a nationally recognized Mentor Court based upon the identified creative approaches to community partnership, openness to all, and provision of services.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

The Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

The Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The development and implementation of a Domestic Violence Intervention Therapeutic Court, funding to provide necessary treatment and reduce criminogenic needs and barriers is a critical element of the City's criminal justice reform efforts.

Therapeutic Courts build stronger and safer communities by providing accountability to justice-involved individuals by utilizing a problem-solving approach to crime to help individuals become productive members of the community. Veterans Court and Community Court work to address factors impacting participant's criminal behavior, substance use/mental health disorders, provide access to resources, and address victim needs. Therapeutic Courts attempt to enhance the lives of individual participants by addressing the underlying causes for court involvement, while ensuring public safety.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Therapeutic Courts utilize various data metrics to analyze the effectiveness of the program and to ensure justice involved individuals are not excluded based on racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities. The data is shared with the multidisciplinary team for analysis.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Therapeutic Courts will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access Therapeutic Courts on any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary court team.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The participants of Therapeutic Courts often face adversary and barriers at every step as they attempt to exit homelessness, address substance use and mental health disorders, and become productive members of the community. The funds received will enhance the Veterans Court and Community Court programs as we work to improve the participant's lives and the community. Improving community safety is a critical element in the City's criminal justice reform efforts.

What impacts would the proposal have on historically excluded communities? <p>The Spokane Municipal Court and each of the existing and future therapeutic courts does not control who comes into court but does control how individuals are treated when they come into court. The Court prides itself in working toward the highest level of accessible justice ensuring an equitable, open, and fair service to the citizens and visitors of the City of Spokane. The inclusiveness of the court does not discriminate against race, age, gender, or socio-economic status. The Spokane Municipal Court includes several therapeutic courts such as the Spokane Municipal Community Court, which is a nationally recognized Mentor Court based upon the identified creative approaches to community partnership, openness to all, and provision of services.</p>	
How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities? <p>The Domestic Violence Intervention Therapeutic Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. RESOLUTION NO. 2022-0097

A resolution affirming the use and importance of dams as a sustainable and reliable source of essential functions on which the citizenry has come to depend.

WHEREAS, Spokane and Eastern Washington have come to depend on the life-enhancing services and purposes productive dams provide such as:

- (1) Ample amounts of inexpensive, fresh water – dams help recharge the aquifer by increasing water pressure through the created reservoirs upriver, creating an abundant supply of water resulting in inexpensive water for drinking and other purposes
- (2) Reliable source of irrigation water – Dam reservoirs provide year-round access to irrigation for tens of thousands of acres of farmland in Central and Eastern Washington
- (3) Electrical Generation – Over 50% of electricity provided to the citizens of Spokane is generated through hydropower and hydropower dams are the primary reason Washington ranks at the top of the states with the best energy infrastructure in the nation
- (4) Flood Control – Without the Spokane River dam system, Spokane would flood most years in the spring.
- (5) Water Storage – Without the Spokane River dam system, summer river levels would be greatly diminished
- (6) Navigation and Transportation – The Columbia-Snake system of dams provides the largest wheat export corridor in the nation
- (7) Recreation – Lake Spokane (Long Lake) is created by the Long Lake Dam (Nine-Mile Dam) and Lake Roosevelt is created by the Grand Coulee Dam. Without those dams and others, our communities would lose access to lake activities such as fishing, boating, paddle boarding, kayaking, birdwatching, and other recreational pursuits that are currently enabled by the dams.

WHEREAS, the Biden administration, Senator Patty Murray, and Governor Jay Inslee have spoken in favor of potentially removing the lower Snake River dams in Eastern Washington; and

WHEREAS, estimates for the destruction and replacement of the lower Snake River dams and their services range from \$11-77 Billion dollars with a congressional plan that costs \$33 Billion dollars; and

WHEREAS, the destruction or dismantling of productive Eastern Washington Dams would have irreversible effects on the life, health, and prosperity of Eastern Washington residents;

NOW, THEREFORE, BE IT RESOLVED that the City of Spokane recognizes the irreplaceable uses and functions of Eastern Washington dams, including the Upriver Dam in Spokane, and how our citizens have come to depend on them for essential services for life; and

BE IT ALSO RESOLVED that the City of Spokane discourages any plan or legislation that would promote the removal of productive Eastern Washington dams in thought or action; and

BE IT ALSO RESOLVED that the City of Spokane recognizes that dams and fish coexist and encourages the continued effort to protect salmon and other fish species by investments in fish ladders, safer turbines, and other reasonable measures.

- A. The City of Spokane, as a municipal government, has a duty to protect public safety to foster safe, livable, and affordable housing for everyone.

- D. Washington Law and the Spokane Municipal Code already authorizes Code Enforcement to inspect residential properties within the City for compliance with state and municipal safety and habitability standards with the consent of the resident or by court order. - B. Code enforcement shall not impose a fee or charge to landlords or tenants for the cost of the inspection itself.
- C. All inspections by Code Enforcement of the interior of a residential unit must be made with the consent of the tenant or upon the authority of an order of a court with jurisdictional and constitutional authority to provide such an order.
- D. Code Enforcement shall utilize the additional financial resources secured under this chapter to create dedicated inspectors for residential rental housing, who also act as ombuds and facilitators to resolve conflicts between tenants, landlords and property managers and support education and voluntary compliance with the Spokane Municipal Code while enforcing all available remedies for those individuals who willfully refuse to comply.

Section 10.57.101 Portable Background and Credit Checks

A. Purpose and Intent.

1. The screening of a prospective tenant's rental history, financial history, and criminal background is a common aspect of renting residential real property.
2. While tenants usually pay a fee associated with this screening each time they apply for a unit, state law requires that fees collected can only cover the actual cost of screenings performed. Multiple applications for rental housing currently require prospective tenants to pay multiple fees which can be burdensome to prospective tenants, especially in a tight rental market, and in any event do not provide any financial benefit to landlords.
3. The intent of this section is to ensure landlords get the data they need to make an informed decision about a prospective tenant at no cost to the landlord and in compliance with state law, while ensuring that prospective tenants are not unduly burdened by the need to pay multiple background and credit check fees.

B. Portable background and credit checks program.

1. No later than one hundred twenty (120) days from the effective date of this section, the City of Spokane's department of neighborhood services and code enforcement shall publish a request for qualifications ("RFQ") from organizations that have the capability to provide certified universal background and credit checks.
2. The content of the report must comply with state and federal laws and housing requirements and would be decided by the Spokane City Council upon the recommendation of an advisory group that must include representatives from the landlord, tenant and social services housing organizations.

3. All portable background and credit checks conducted under this section shall be valid for ninety (90) days from the date of issuance, and, beginning on January 1, 2024, and except as otherwise provided in this section, all landlords renting residential real property located in Spokane shall be required to accept a timely portable background and credit check report when making decisions concerning whether to rent to a prospective tenant.
4. Prospective tenants are responsible for paying the fee for the portable background and credit check and landlords cannot be charged for it.
5. Notwithstanding the remainder of this section, landlords may use a second background and credit screening service other than the portable background and credit check service established by this section, but shall not impose any additional fee on a prospective tenant for conducting a second check.
6. Nothing in this section restricts a landlord from asking a prospective tenant about their criminal, credit or rental history, or making a decision on whether or not to rent to an individual based on that history.

Section 10.57.102 Residential Rental Property Mitigation Program.

- A. The department of code enforcement shall operate a rental property mitigation program, which is intended to assist in the repair of residential rental properties that are damaged during a tenancy where a government or nonprofit operated program, that provides housing support to low income individuals, referred the tenant to the landlord or provided a portion of their rent or damage deposit, and through no fault of the landlord.
- B. The department of neighborhood services and code enforcement is authorized to establish public rules for the operation of the rental property mitigation fund, and shall publish and accept public comment on such rules for sixty (60) days prior to the effective date of the rules for the program.
- C. The City's fund will be supplemental to any similar state or federal program, and will only be used after the applicant has completed a timely and complete application for those funds, exhausted the tenant's damage deposit, and still has not been fully compensated for the damage.

Section 10.57.103 Legal Services and Relocation Program

- A. City of Spokane will invest in attorney services for tenant legal services and mediation costs, with a focus on habitability and violations of the Residential Landlord Tenant Act ("RLTA") issues. The city investment would provide seed money for first year of salary and benefits for an attorney and reasonable litigation costs, including mediation fees, and then legal fees from successful representation

would sustain the attorney(s) and funds for costs for the long term. The fund will also provide immediate relocation funds to tenants living in rental units that in the reasonable judgment of the program attorney are below the standards of habitability and likely to be able to recover relocation funds from their landlord.

B. Program requirements:

1. Focus on units that clearly fall below standard of habitability in consultation with Code Enforcement and violations of the RLTA.
2. Provide prompt relocation funds from City directly to the tenant once it appears that landlord will likely be liable under state law and then collect from the landlord and any settlement funds a reimbursement to the relocation funds used to fund the attorney positions.
3. Build capacity for needed services.

Section 10.57.104 Anti-Retaliation Protections

A. Purpose and Intent.

Due to fears of retaliation, tenants may fear speaking up about housing habitability issues or organizing as tenants. State law provides some protection against retaliation, but the City of Spokane intends to provide additional protections.

B. Prohibition on retaliation.

1. No landlord or owner or manager of residential rental real property in Spokane may intimidate any person because that person is engaging in activities designed to make other persons aware of, or encouraging such other persons to exercise, rights granted or protected by the fair housing laws, or engaging in political speech or political organizing.
2. No person may threaten any employee or agent with dismissal or an adverse employment action, or take such adverse employment action, for any effort to assist any person in the exercise of their fair housing rights.
3. For purposes of this section, “fair housing laws” and “fair housing rights” include the federal Fair Housing Act, the Washington Law Against Discrimination, and Title 18 of the Spokane Municipal Code.
4. If the City of Spokane Housing Ombudsman, or their designee, determine that a landlord has retaliated against a tenant for making a complaint, the landlord may be cited the maximum available penalty.

Section 07.08.139 Code Enforcement Fund

- A. There is established a special revenue fund entitled “code enforcement fund” into which shall be paid all revenues derived from code enforcement operations((=)) and seventy percent of all business license fees received by the City that include at least one registration for a residential rental unit.
- B. As provided in the annual budget, the code enforcement fund is appropriated to salaries and wages, maintenance and operations, debt service and capital improvements. The city council may also provide for additional revenues to be paid into such fund from time to time from any available funds of the City.
- C. The funds received from landlord registration business license fees shall be used exclusively to fund expenses related to the investigation, enforcement and ombuds function of laws related to the habitability and safety of residential rental units within the City of Spokane.

Section 07.08.145 Residential Rental Property Mitigation Fund

- A. As provided in the annual budget, the “residential rental property mitigation fund” is appropriated to provide for payment of repairs to units of residential real property in Spokane which are damaged during a residential tenancy and not due to the fault of the landlord, as established by SMC 10.57.060. The city council may also provide for additional revenues to be paid into such fund from time to time from any available funds of the City, including an initial investment of startup money.

- A. Except as otherwise provided in this paragraph, when a registrant operates two or more businesses in the City, or two or more business locations within the City, whether or not related, a separate City business registration is required for each business or business location. For purposes of this paragraph, a single registrant

that is in the business of renting multiple residential real property units in Spokane may register as a single business, but must list all residential units by street address separately as required in SMC 10.57.020(B).

- B. If a single business has at least one permanent location in the City and also conducts business on a temporary or seasonal basis from temporary or mobile locations, such as from portable stands or vehicles, the registrant must obtain a secondary location registration for each such location or stand or vehicle directly from the City as provided in SMC 8.01.070.
1. To the extent such temporary or mobile activities include those activities defined in SMC 10.40.010 (Itinerant Vendor Designation) the requirements of that chapter shall also apply.
 2. The chief of police may temporarily suspend or relocate a secondary location registration allowing business activity on or adjacent to a public street or other public place within the boundaries of a permitted special event under chapter 10.39 SMC when such business activity may conflict with the special event.

Section 5. That there is enacted a new section 07.08.150 of the Spokane Municipal Code to read as follows:
