LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021
via Resolution 2021-0019

AGENDA REVIEW AND LEGISLATIVE SESSIONS

Council meetings consist of two parts: The Agenda Review Session (starting at 3:30 P.M.) and the Legislative Session (starting at 6:00 P.M.). The Agenda Review Session is open to the public, but participation is limited to Council Members and appropriate staff. The Legislative Session also is open to the public, and public comment is taken on legislative items (except those that are adjudicatory or solely administrative in nature). Following the conclusion of the Legislative portion of the meeting, an Open Forum is held unless a majority of Council Members vote otherwise. Please see additional Open Forum information that appears at the end of the City Council agenda.

SPOKANE CITY COUNCIL AGENDA REVIEW SESSIONS (BEGINNING AT 3:30 P.M. EACH MONDAY) AND LEGISLATIVE SESSIONS (BEGINNING AT 6:00 P.M. EACH MONDAY) ARE BROADCAST LIVE ON CITY CABLE CHANNEL FIVE AND STREAMED LIVE ON THE CHANNEL FIVE WEBSITE. THE SESSIONS ARE REPLAYED ON CHANNEL FIVE ON THURSDAYS AT 6:00 P.M. AND FRIDAYS AT 10:00 A.M.

ADDRESSING THE COUNCIL

- **Public participation in Council meetings is governed by Council Rules 2.15 and 2.16. A complete copy of the council rules can be found here: City Council Rules.**
- **No member of the public may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their name and city of residence as a condition of recognition.**
- **Persons speaking at the podium shall verbally identify themselves by name, city of residency and, if appropriate, representative capacity.**
- **Speakers may be provided additional written or verbal instructions to ensure that verbal remarks are electronically recorded. Documents submitted for the record are identified and marked by the Clerk. (If you are submitting paper copies of documents to the Council Members, please provide a minimum of ten copies via the City Clerk. The City Clerk is responsible for officially filing and distributing your submittal.)**
- **To ensure that evidence and expressions of opinion are included in the record, and to ensure that decorum befitting a deliberative process is maintained, no modes of expression including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language, or personal insults are permitted. To prevent disruption of council meetings and visual obstruction of proceedings, members of the audience shall remain seated during council meetings.**
- **A speaker asserting a statement of fact may be asked to document and identify the source of the factual datum being asserted.**
- **When addressing the Council, members of the public shall direct all remarks to the Council President, and shall confine their remarks to the matters that are specifically before the Council at that time or, if speaking during Open Forum, shall confine their remarks to affairs of the city.**
- **City staff may testify at Council meetings, including open forum, providing the testimony is in compliance with the City of Spokane Code of Ethics and the staff follow the steps outlined in the City Council Rules of Procedure.**

SPEAKING TIME LIMITS: **Each person addressing the Council is limited to two minutes of speaking time, except during hearings and items under final consideration by the Council, for which three minutes will be allowed. The chair may allow additional time if the speaker is asked to respond to questions from the Council. Public testimony and consideration of an item may be extended to a subsequent meeting by a majority vote of the Council. Note: No public testimony shall be taken on amendments to consent or legislative agenda items, or solely procedural, parliamentary, or administrative matters of the Council.**

CITY COUNCIL AGENDA: **The City Council agendas may be obtained prior to Council Meetings by accessing the City's website at https://my.spokanecity.org/citycouncil/documents/.**

CONSENT AGENDA

The consent agenda consists of purchases and contracts for supplies and services provided to the city, as well as other agreements that arise (such as settlement or union agreements), and weekly claims and payments of previously approved obligations and biweekly payroll claims against the city. Any agreement over $50,000 must be approved by the city council. Typically, the funding to pay for these agreements has already been approved by the city council through the annual budget ordinance, or through a separate special budget ordinance. If the contract requires a new allocation of funds, that fact usually will be indicated in the summary of the contract in the consent agenda.

Unless a council member requests that an item be considered separately, the council approves the consent agenda as a whole in a single vote. Note: The consent agenda is no longer read in full by the city clerk. The public is welcome to testify on matters listed in the consent agenda, but individual testimony is limited to three minutes for the entire consent agenda.

Agenda Item Name	5100 - PURCHASE OF CATERPILLAR 308 MINI EXCAVATOR FOR WATER		

Agenda Wording

Fleet Services would like to purchase 1 Caterpillar 308 Mini Excavator from Western States Caterpillar of Liberty Lake, WA for $129,159.68 including sales tax and trade in value.

Summary (Background)

The Water Department uses mini excavators for projects in tight spaces or that require minimal impact to site landscaping. This unit will replace a unit that was purchased in 2021 that has proven ineffective and costly to maintain. The replaced unit will be traded in at fair market value toward this purchase.

What impacts would the proposal have on historically excluded communities?

None identified.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Data will not be collected.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Lifecycle cost data is collected by Fleet for future analysis.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Aligns with City CIP and Centralized Fleet Management Policy.

COMMERCIAL AUTOMOBILE BROAD FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
This endorsement modifies the Business Auto Coverage Form.

1. EXTENDED CANCELLATION CONDITION
Paragraph A.2.b. - CANCELLATION - of the COMMON POLICY CONDITIONS form IL 00 17 is deleted and replaced with the following:
b. 60 days before the effective date of cancellation if we cancel for any other reason.

2. BROAD FORM INSURED

A. Subsidiaries and Newly Acquired or Formed Organizations As Insureds
The Named Insured shown in the Declarations is amended to include:
1. Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
2. Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
(a) That is an "insured" under any other automobile policy;
(b) That has exhausted its Limit of Insurance under any other policy; or
(c) 180 days or more after its acquisition or formation by you, unless you have given us written notice of the acquisition or formation.

Coverage does not apply to "bodily injury" or "property damage" that results from an "accident" that occurred before you formed or acquired the organization.

B. Employees as Insureds
Paragraph A.1. - WHO IS AN INSURED - of SECTION II - LIABILITY COVERAGE is amended to add the following:
d. Any "employee" of yours while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

C. Lessors as Insureds
Paragraph A.1. - WHO IS AN INSURED - of SECTION II - LIABILITY COVERAGE is amended to add the following:
e. The lessor of a covered "auto" while the "auto" is leased to you under a written agreement if:
(1) The agreement requires you to provide direct primary insurance for the lessor; and
(2) The "auto" is leased without a driver.
Such leased "auto" will be considered a covered "auto" you own and not a covered **"auto" you hire.**
However, the lessor is an "insured" only for "bodily injury" or "property damage" resulting from the acts or omissions by:
1. You;
2. Any of your "employees" or agents; or
3. Any person, except the lessor or any "employee" or agent of the lessor, operating an "auto" with the permission of any of 1. and/or 2. above.

D. Persons And Organizations As Insureds Under A Written Insured Contract
Paragraph A.1 - WHO IS AN INSURED - of SECTION II - LIABILITY COVERAGE is amended to add the following:
f. Any person or organization with respect to the operation, maintenance or use of a covered "auto", provided that you and such person or organization have agreed under an express provision in a written "insured contract", written agreement or a written permit issued to you by a governmental or public authority to add such person or organization to this policy as an "insured".
However, such person or organization is an "insured" only:

"Includes copyrighted material of Insurance Services Office, Inc. with its permission"

(1) with respect to the operation, maintenance or use of a covered "auto"; and

(2) for "bodily injury" or "property damage" caused by an "accident" which takes place after:

(a) You executed the "insured contract" or written agreement; or

(b) The permit has been issued to you.

3. **FELLOW EMPLOYEE COVERAGE**
EXCLUSION B.5. - FELLOW EMPLOYEE - of SECTION II - LIABILITY COVERAGE does not apply.

4. **PHYSICAL DAMAGE - ADDITIONAL TEMPORARY TRANSPORTATION EXPENSE COVERAGE**
Paragraph A.4.a. - TRANSPORTATION EXPENSES - of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to provide a limit of $50 per day for temporary transportation expense, subject to a maximum limit of $1,000.

5. **AUTO LOAN/LEASE GAP COVERAGE**
Paragraph A. 4. - COVERAGE EXTENSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to add the following:

c. Unpaid Loan or Lease Amounts
In the event of a total "loss" to a covered "auto", we will pay any unpaid amount due on the loan or lease for a **covered "auto" minus:**

1. The amount paid under the Physical Damage Coverage Section of the policy; and
2. Any:
   a. Overdue loan/lease payments at the time of **the "loss";**
   b. Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
   c. Security deposits not returned by the lessor:
   d. Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease; and
   e. Carry-over balances from previous loans or leases.

We will pay for any unpaid amount due on the loan or lease if caused by:

1. Other than Collision Coverage only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
2. Specified Causes of Loss Coverage only if the Declarations indicate that Specified Causes of Loss Coverage is provided for any covered "auto"; or
3. Collision Coverage only if the Declarations indicate that Collision Coverage is provided for any **covered "auto.**

6. **RENTAL AGENCY EXPENSE**
Paragraph A. 4. - COVERAGE EXTENSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to add the following:

d. Rental Expense
We will pay the following expenses that you or any of your "employees" are legally obligated to pay because of a written contract or agreement entered into for use of a rental vehicle in the conduct of your business:
MAXIMUM WE WILL PAY FOR ANY ONE CONTRACT OR AGREEMENT:

1. $2,500 for loss of income incurred by the rental agency during the period of time that vehicle is out of use because of actual damage to, or "loss" of, that vehicle, including income lost due to absence of that vehicle for use as a replacement;
2. $2,500 for decrease in trade-in value of the rental vehicle because of actual damage to that vehicle arising out of a covered "loss"; and
3. $2,500 for administrative expenses incurred by the rental agency, as stated in the contract or agreement.
4. $7,500 maximum total amount for paragraphs 1., 2. and 3. combined.

7. **EXTRA EXPENSE - BROADENED COVERAGE**
Paragraph A.4. - COVERAGE EXTENSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to add the following:

e. Recovery Expense
We will pay for the expense of returning a stolen covered "auto" to you.

8. **AIRBAG COVERAGE**
Paragraph B.3.a. - EXCLUSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE does not apply to the accidental or unintended discharge of an airbag. Coverage is excess over any other collectible insurance or warranty specifically designed to provide this coverage.

9. **AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT - BROADENED COVERAGE**
Paragraph C.1.b. - LIMIT OF INSURANCE - of SECTION III - PHYSICAL DAMAGE is deleted and replaced with the following:

b. $2,000 is the most we will pay for "loss" in any one "accident" to all electronic equipment that reproduces, receives or transmits audio, visual or data signals which, at the time of "loss", is:
   (1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;
   (2) Removable from a permanently installed housing unit as described in Paragraph 2.a. above or is an integral part of that equipment; or
   (3) An integral part of such equipment.

10. **GLASS REPAIR-WAIVER OF DEDUCTIBLE**

"Includes copyrighted material of Insurance Services Office, Inc. with its permission"

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE the following is added:
No deductible applies to glass damage if the glass is repaired rather than replaced.

11. TWO OR MORE DEDUCTIBLES

Paragraph D.- DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to add the following:
If this *Coverage* Form and any other *Coverage* Form or policy issued to you by us that is not an automobile policy or *Coverage* Form applies to the same "accident", the following applies:

1. If the deductible under this Business Auto *Coverage* Form is the smaller (or smallest) deductible, it will be waived; or
2. If the deductible under this Business Auto *Coverage* Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

12. AMENDED DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

Paragraph A.2.a. - DUTIES IN THE EVENT OF AN ACCIDENT, CLAIM, SUIT OR LOSS of SECTION IV - BUSINESS AUTO CONDITIONS is deleted and replaced with the following:

a. In the event of "accident», claim, "suit" or "loss", you must promptly notify us when the "accident" is known to:
(1) You or your authorized representative, if you are an individual;
(2) A partner, or any authorized representative, if you are a partnership;
(3) A member, if you are a limited liability company; or
(4) An executive officer, insurance manager, or authorized representative, if you are an organization other than a partnership or limited liability company.

Knowledge of an "accident", claim, "suit" or "loss" by other persons does not imply that the persons listed *above* have such knowledge. Notice to us should include:
(1) How, when and where the "accident" or **"loss" occurred;**
(2) The "insured's" name and address; and
(3) To the extent possible, the names and addresses of any injured persons or **witnesses.**

13. WAIVER OF SUBROGATION

Paragraph A.5. - TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US of SECTION IV - BUSINESS AUTO CONDITIONS is deleted and replaced with the following:
5. We will waive the right of recovery we would otherwise have against another person or organization for "loss" to which this insurance applies, provided the "insured" has waived their rights of recovery against such person or organization under a contract or agreement that is entered into before such "loss".

To the extent that the "insured's" rights to *recover* damages for all or part of any payment made under this insurance has not been waived, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them. At our request, the insured will bring suit or transfer those rights to us and help us enforce them.

14. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

Paragraph B.2. - CONCEALMENT, MISREPRESENTATION or FRAUD of SECTION IV- BUSINESS AUTO CONDITIONS - is deleted and replaced with the following:
If you unintentionally fail to disclose any hazards existing at the inception date of your policy, we will not void *coverage* under this Coverage Form because of such failure.

15. AUTOS RENTED BY EMPLOYEES

Paragraph B.5. - OTHER INSURANCE of SECTION IV - BUSINESS AUTO CONDITIONS - is amended to add the following:
e. Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire. If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal **insurance.**

16. HIRED AUTO - COVERAGE TERRITORY

Paragraph B.7.b.(5). - POLICY PERIOD, COVERAGE TERRITORY of SECTION IV - BUSINESS AUTO CONDITIONS is deleted and replaced with the following:
(5) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 45 days or less; and

17. RESULTANT MENTAL ANGUISH COVERAGE

Paragraph C. of - SECTION V - DEFINITIONS is deleted and replaced by the following:
"Bodily injury" means bodily injury, sickness or disease sustained by any person, including mental anguish or death as a result of the "bodily injury" sustained by that person.

City of Spokane

CONTRACT RENEWAL #2 of 4

Title: OPERATION AND MAINTENANCE SERVICES FOR CNG SITE

This Contract Renewal is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **CLEAN ENERGY dba CLEAN ENERGY CORP.,** whose address is 4675 MacArthur Court, Suite 800, Newport Beach, California 92660 as ("Contractor"), individually hereafter referenced as a "Party", and together as the "Parties".

WHEREAS, the parties entered into a Contract wherein the Contractor agreed to provide Operation and Maintenance Services for the CNG Site, which is stated in the Contractor's September 15, 2023, Proposal attached to the original contract; and

WHEREAS, the initial contract provided for four (4) additional one (1) year renewals, with this being the second of those renewals;

-- NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.
The original Contract, dated December 18, 2023, and December 19, 2023, any previous amendment, renewals and / or extensions / thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE DATE.
This Contract Renewal shall become effective on October 1, 2025, and shall end September 30, 2026.

3. COMPENSATION.
The City shall pay an estimated maximum annual cost not to exceed **TWO HUNDRTED FIFTY THOUSAND AND 00/100 ($250,000.00)**, plus sales tax if applicable, for everything furnished and done under this Contract Renewal. This is the maximum amount to be paid under this Renewal, and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this Renewal document.

4. DEBARMENT AND SUSPENSION.
The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Renewal by having legally-binding representatives affix their signatures below.

BDA-DPX-VUT-N002-B	Farenhyt	External duplexer BDA and Fiber DAS family, one end, band #1: no internal duplexer into 136-174MHz, band #2: Narrow Filter nto 450-512MHz, band #3: Narrow Filter into 450-512MHz, band #4: Narrow Filter into 450-512MHz, Nema4 Cabinet.	Each	$ 12,017.56
CLSS-BC	Farenhyt	CLSS CHECKPOINT BARCODE LABELS (ROLL OF 1,000)	Each	$ 375.87
50160636-001	Farenhyt	CLSS GATEWAY KIT. INCLUDES 30” NUP CABLE AND LOCK AND KEY SET	Each	$ 74.80
HON-CGW-MBB	Farenhyt	CLSS GATEWAY, WITH ENCLOSURE (LOCK AND CABLE KIT, 50160636-001 SOLD SEPARATELY)	Each	$ 557.81
CCM2-ANTKIT-EXT2	Farenhyt	OPTIONAL DIVERSITY / SECONDARY ANTENNA KIT FOR CLSS DUAL SIM CELLULAR COMMUNICATION MODULE CCM2-AV-HON	Each	$ 105.77
CCM2-ANTKIT-OUT25	Farenhyt	OPTIONAL OUTDOOR ANTENNA KIT WITH 25' CABLE FOR CLSS DUAL SIM CELLULAR COMMUNICATION MODULE CCM2-AV-HON	Each	$ 273.89
CCM2-ANTKIT-OUT50	Farenhyt	OPTIONAL OUTDOOR ANTENNA KIT WITH 50' CABLE FOR CLSS DUAL SIM CELLULAR COMMUNICATION MODULE CCM2-AV-HON	Each	$ 425.00
CCM2-AV-HON	Farenhyt	CLSS DUAL SIM (Verizon, AT&T) CELLULAR COMMUNICATION MODULE FOR CLSS GATEWAY	Each	$ 402.05
6500-MMK US	Farenhyt	HEAVY DUTY MULTI-MOUNT KIT (FOR INSTALLATIONS PRONE TO VIBRATION OR WHERE THERE IS DIFFICULTY IN MAINTAINING THE SET ANGLE. WHEN INSTALLED WITH THE TRANSMITTER/RECEIVER UNIT, 6500-SMK MUST BE USED AS WELL)	Each	$ 316.39
6500-SMK	Farenhyt	SURFACE-MOUNT KIT FOR USE WITH THE BEAM1224 AND FSB-200 WHEN USING THE 6500-MMK HEAVY DUTY MULTI-MOUNT KIT	Each	$ 80.16
BEAMHK	Farenhyt	Beam detector heater kit	Each	$ 52.28
BEAMHKR	Farenhyt	BEAM HEATER KIT - REFLECTOR	Each	$ 258.77
BEAMLRK	Farenhyt	Long range kit required for applications greater than 230 feet	Each	$ 189.07
BEAMMMK	Farenhyt	Provides ceiling or wall mount capability with increased angular adjustment for transceiver or reflector	Each	$ 121.11

BEAMSMK	Farenhyt	Surface mount kit, conduit use	Each	$	67.52
OSI-R-SS	Farenhyt	CONVENTIONAL 4 WIRE IMAGING BEAM DETECTOR w/REFLECTOR	Each	$	1,501.17
2151	Farenhyt	SMOKE DETECTOR HEAD, PHOTO, LOW-PROFILE	Each	$	85.85
5151	Farenhyt	400 SERIES PLUG-IN 135 DEG. FIXED /RATE OF RISE, NEEDS BASE	Each	$	57.38
5602	Farenhyt	194 F FIXED TEMP/RATE OF RISE HEAT DET. SINGLE CIRCUIT	Each	$	25.08
5603	Farenhyt	135 F FIXED TEMP ONLY HEAT DET. SINGLE CIRCUIT	Each	$	25.08
5604	Farenhyt	194 F FIXED TEMP ONLY HEAT DET. SINGLE CIRCUIT	Each	$	25.08
5621	Farenhyt	135 F FIXED TEMP/RATE OF RISE HEAT DET. DUAL CIRCUIT	Each	$	45.90
5622	Farenhyt	194 F FIXED TEMP/RATE OF RISE HEAT DET. DUAL CIRCUIT	Each	$	46.33
5623	Farenhyt	135 F FIXED TEMP ONLY HEAT DET. DUAL CIRCUIT	Each	$	46.33
5624	Farenhyt	194 F FIXED TEMP ONLY HEAT DET. DUAL CIRCUIT	Each	$	46.33
2D51	Farenhyt	REPLACEMENT 4-WIRE HEAD	Each	$	110.43
2W-B	Farenhyt	2 WIRE PHOTO DETECTOR 12/24 VOLT	Each	$	70.13
2WTA-B	Farenhyt	I3 2-WIRE PHOTO W/ HEAT & SOUNDER	Each	$	90.10
2WT-B	Farenhyt	I3 2-WIRE PHOTO DETECTOR W/THERMAL, 12/24 VT, WITH BASE	Each	$	76.93
2WTR-B	Farenhyt	I3 2-WIRE PHOTO HEAT & FORM C RELAY	Each	$	100.30
4W-B	Farenhyt	I3 4-WIRE PHOTO DETECTOR 12/24 VOLT, WITH BASE	Each	$	78.20

MC-MP1502	Panasonic	The Intelligent controller MC-MP1502 is a feature rich and effective solution for controlling two openings and managing up to 64 openings. MC-MP1502 can supports 2 card readers for controlling two connected doors, which can expand to up to 64 doors/openings. The MC-MP1502 has 8 onboard inputs and 4 onboard outputs. (Includes 2 MonitorCast door licenses)	Each	$ 2,043.49
MC-MP2500	Panasonic	The Intelligent controller MC-MP2500 is a powerful intelligent controller with native network support and is scalable to 64 doors/openings. Built on the Mercury platform, the intelligent controller uses an on-board Ethernet port to connect to cloud or server based access control hosts. The intelligent controller performs access control, alarm management and scheduled operations — all in a single package.(Includes 0 MonitorCast door licenses) (No onboard IO connections) [SPECIAL ORDER]	Each	$ 2,078.32
MC-MP4502	Panasonic	MonitorCast Intelligent controller : MC-MP4502 is a intelligent controller that has direct hardware support for two openings and can scale to 64 access points. Built on proven Mercury hardware, this high-performance intelligent controller embeds extended applications. (Includes 2 MonitorCast door licenses) [SPECIAL ORDER]	Each	$ 2,644.41
MC-MR16IN-S3	Panasonic	Controller: The multi-device MC-MR16IN-S3 interface panel for support of 16 general-purpose input circuits. The circuits can be individually set for normally open or normally closed operations and can be declared supervised and non-supervised. Two dedicated programmable relay outputs can be configured for fail-safe or fail-secure operation. REQUIRES (RS485) CONNECTION FOR COMMUNICATION (Vender Model# MR16in-S3)	Each	$ 954.10

MC-MR16OUT-S3	Panasonic	Controller: The multi-device MC-MR16OUT-S3 interface panel provides 16 general-purpose outputs as Form C relay contacts. The MC-MR16OUT-S3, provides individually configurable parameters that can be set for timing and for fail-safe versus fail-secure modes. REQUIRES (RS485) CONNECTION FOR COMMUNICATION (Vender Model# MR16out-S3)	Each	$ 954.10
MC-MR50-S3	Panasonic	Controller: The high-performance MC-MR50 is an ideal choice for a compact and economical single-card reader interface panel. It is RS-485 connected and can be clustered or distributed depending on the installation requirements. The board is easy to install and supports Wiegand, clock and data, magnetic stripe, F2F, Supervised F2F, OSDP, keypad and biometrics reader technologies. (1 Rdr, 2 Inputs, 2 Outputs) (Includes 1 MonitorCast door licenses) (Vender Model# MR50-S3)	Each	$ 445.71
MC-MR52-S3B	Panasonic	Controller: The MC-MR52-S3B is a dual-card reader interface panel with on-board flexibility to connect to a wide range of security devices. This economical, high-performance device is easy to install and provides all the necessary I/O for controlling 2 doors with auxiliary point control and monitoring. Each unit can connect 2 card readers, 8 general-purpose input monitor points, and 6 control relays to any Mercury EP series intelligent controller. Two Door 2 Reader Weigand and OSDP, Inputs – 8 General purpose and 2 dedicated: Tamper and Power Monitor, Outputs – 6 Form-C Relays: Normally open contact (NO): 5a @ 30v resistive and Normally closed contact (NC): 3a @ 30v resistive, Primary power – 12 to 24v @ 500mA maximum, Reader Power – Pass-through or 12v regulated, 300mA each reader, Maximum Reader Distance is 500ft, Maximum RS485 Distance is 2,000 ft .(Includes 2 MonitorCast door licenses) (Vender Model# MR52-S3B)	Each	$ 935.20
MC-MR62E	Panasonic	Controller: The MC-MR62e is an IP-enabled interface module with on-board flexibility to connect a wide range of security devices. The MC-MR62e is easy to install and provides the required I/O for interfacing four card readers using OSDP protocol, 6 general-purpose input monitor points, and 4 control relays to any Authentic Mercury series intelligent controller. Two Door 4 Reader OSDP Only, 6 – Inputs, Outputs – Two Relays: Form-C contacts: 2a @30v resistive, Power Input – PoE+ (12.95w) or Power Input – 12v +/- 10%, 1.7A max, Power Output – PoE+ or 12v: Lock 12v @ 1A max, AES 128/256 bit data encryption, Maximum Reader Distance is 500ft .(Includes 2 MonitorCast door licenses) (Vender Model# MR62e)	Each	$ 945.14
MC-MRDT	Panasonic	Controller: The MC-MRDT Display Terminal provides robust c keypad/reader functionality in a single package. When combined with Mercury's EP series of intelligent access platforms, the unit provides an interactive link and truly integrated functionality to the terminal for end-user feedback and convenience. Even in challenging settings, the back-lit LCD yields clear information displays, thus providing access and alarm status feedback or other freeform messaging and instructions that the system generates. Deployed with the Mercury family of access platforms, the MRDT can create custom tasks with any of the 4 function keys, which can mimic system command console functionality at the doorway. (Vender Model# MRDT)	Each	$ 544.20
MC-MT11	Panasonic	Reader: MT11 MULTI-TECHNOLOGY READER MULLION MOUNT, DIMENSIONS: 5.91" X 1.72" X 0.81". POWER REQUIRED: 5-16 VDC (Vender Model# MT11)	Each	$ 352.75
MC-MT15	Panasonic	Reader: MT15 MULTI-TECHNOLOGY READER WALL MOUNT, DIMENSIONS: 5.1" X 3.25" X 0.76". POWER REQUIRED: 5-16 VDC (Vender Model# MT15)	Each	$ 357.00
MC-MTB15	Panasonic	MTB15: Single gang mount mobile enabled multi-technology reader	Each	$ 357.00
MC-MTK15	Panasonic	Reader: MTK15 MULTI-TECHNOLOGY READER WALL MOUNT WITH KEYPAD, DIMENSIONS: 5.1" X 3.25" X 0.76". POWER REQUIRED: 5-16 VDC, FOR RS-485 CAPABILITY ADD -485 TO PART NUMBER. (Vender Model# MTK15)	Each	$ 565.25
MC-MTKB15	Panasonic	MTKB15: Single gang mount mobile enabled multi-technology with keypad reader	Each	$ 576.30
MC-MUX8	Panasonic	Controller: The MC-MUX8 is an 8-port multi-device interface panel that provides flexible RS- 485 wiring management of diverse system installations. It is ideal for supporting wiring schemes such as star, home run or distances exceeding 4,000 feet. RS-232/485 TO 8 CHANNEL MUX (Vender Model# MUX8)	Each	$ 786.96
MC-PIM400-1501-LC	Panasonic	PIM400-1501-LC PANEL INTERFACE MODULE COMES W/ENCLOSURE TO SUPPORT A SINGLE MERCURY LP1501 AND WILL SUPPORT UP TO 16 AD-SERIES DEVICES/ACCESSORIES	Each	$ 2,082.50

635RACK4	Galaxy	635 4 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 2 DRM & Power Supply	Each	$ 3,870.00
635RACK6	Galaxy	635 6 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 3 DRM & Power Supply	Each	$ 4,590.00

635RACK8	Galaxy	635 8 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 4 DRM & Power Supply	Each	$ 5,310.00
635RACK2OSDP	Galaxy	635 2 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 1 DRM & Power Supply & 1 OSDP Module	Each	$ 2,655.00
635RACK4OSDP	Galaxy	635 4 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 2 DRM & Power Supply & 2 OSDP Modules	Each	$ 4,230.00
635RACK6OSDP	Galaxy	635 6 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 3 DRM & Power Supply & 3 OSDP Modules	Each	$ 5,130.00
635RACK8OSDP	Galaxy	635 8 Reader Rackmount Controller-Includes Rack Mount Controller Enclosure, 1 CPU, 4 DRM & Power Supply & 4 OSDP Modules	Each	$ 6,030.00
92-0603-50	Galaxy	2-Door Controller Box w/Power Supply (110V) & Wiring Harness (Small) No Boards	Each	$ 414.00
92-0603-71	Galaxy	2-Door Controller Box w/ 110v/220v Life Safety Power Supply, Battery & Brackets	Each	$ 504.00
92-0600-10	Galaxy	8-Door Controller Box w/ Altronix Power Supply & Wiring Harness (Medium) No Boards	Each	$ 585.00
92-0600-75	Galaxy	8-Door Controller Box w/ 2 Altronix Power Supplies & Wiring Harness (Medium) No Boards	Each	$ 720.00
92-0600-81	Galaxy	16-Door Controller Box w/ LSP Power Supply w/Battery and Cable (Large) No Boards	Each	$ 1,080.00
92-0650-00	Galaxy	635 Retrofit Plate Back Mount. To upgrade 500 to 600/635 does not include CPU or DRM. The kit is easy to install without fabrication or modifying the existing cabinet or conduit. Simple remove the current hardware and mount the retro fit plate into the existing cabinet.	Each	$ 576.00
92-0660-00	Galaxy	635 2dr Retrofit Plate Back Mount. To upgrade Satellite to 600/635 2 Reader Controller. Does not include CPU or DRM. The kit is easy to install without fabrication or modifying the existing cabinet or conduit. Simply remove the current hardware and mount the retro fit plate into the existing cabinet.	Each	$ 288.00
20-0635-50	Galaxy	635 Central Processing Unit **(CPU)** Rev. H Board. The CPU is responsible for managing the access control rules & data for the peripheral devices and communicating with the event server and loop communication server.	Each	$ 648.00
20-0235-10	Galaxy	635 Dual Reader Module (**DRM**). The DRM is mounted in the controller next to/under the CPU. All signals from the port connections are routed through the DRM to the CPU. The DRM contains the surge protection necessary to absorb electrical spikes and prevent damage to other devices.	Each	$ 711.00
20-0117-20	Galaxy	600/635 Digital Input/Output Board **(DIO)**. This board has 8 inputs and 4 outputs per board. The output relays are Form-C SPDT and can be wired normally or normally closed as needed.	Each	$ 738.00
20-0655-10	Galaxy	635 Dual Serial Interface Board **(DSI)**. Two serial channels per board. The RS-485 port supports the 600 relay output board general output or elevator control.****For use with 635 CPU's**	Each	$ 666.00
20-0720-00	Galaxy	700 Relay/Elevator Board **(ERM)**. Each relay board has eight Form-A SPST output relays. This board should be powered separate from the CPU & DSI. This board is used in general output panels and elevator control panels. (MUST HAVE DSI BOARD)	Each	$ 468.00
20-0710-00	Galaxy	700 Alarm Monitoring Module (**AMM**). The AMM allows the system to monitor up to (16) inputs devices (i.e. forced entry, low temperature, etc.), and notify the operator of changes detected. The module connects to a DSI Board using RS-485. As many as (16) AMM's may be daisy chained on a single DSI 485 channel up to 4000' in length.	Each	$ 468.00
20-0730-00	Galaxy	OSDP Module	Each	$ 360.00
92-0630-05	Galaxy	Remote DRM: Includes- DRM, Plastic enclosure, Tamper, NO POWER SUPPLY	Each	$ 810.00
92-0630-10	Galaxy	Remote DRM: Includes- DRM, Metal enclosure, Tamper, with Power Supply, Prewired	Each	$ 918.00
92-0630-15	Galaxy	**International** Remote DRM: Includes DRM, Metal Enclosure, Tamper with 220V Power Supply, Prewired	Each	$ 918.00
92-0630-05-OSDP	Galaxy	Remote DRM: Includes- DRM, Plastic enclosure, Tamper, **OSDP**, NO POWER SUPPLY	Each	$ 990.00
92-0630-10-OSDP	Galaxy	Remote DRM: Includes- DRM, Metal enclosure, Tamper, with Power Supply, **OSDP**, Prewired	Each	$ 1,098.00
92-0630-15-OSDP	Galaxy	**International** Remote DRM: Includes DRM, Metal Enclosure, Tamper with 220V Power Supply, **OSDP**, Prewired	Each	$ 1,098.00
44-0751-00	Galaxy	Controller Cabinet Lock	Each	$ 18.00

90-0714-60	Galaxy	Altronix SMP3Power Supply Charger, Single Output, 6/12/24VDC @ 2.5A, 24/28VAC, (For use w/600/635 Series 2 & 8 Reader Size Controllers) **SMP312CX Board w/ Xformer & Battery**	Each	$ 158.40
90-0714-53	Galaxy	12v 8ah Battery for SMP3 Power Supply	Each	$ 43.20
86-0726-00	Galaxy	Life Safety Power Supply Retrofit Kit **(Medium Controller)** Includes: Power Supply/Mounting Plate/Wiring Harness BATTERY NOT INCLUDED	Each	$ 361.80
86-0727-00	Galaxy	Life Safety Power Supply Retrofit Kit **(Large Controller)** Includes: Power Supply/Mounting Plate/Wiring Harness BATTERY NOT INCLUDED	Each	$ 385.20
81-0680-00	Galaxy	Factory Test Station Cable.	Each	$ 45.00
81-0670-00	Galaxy	600/635 Diagramming/Diagnostic Cable CBL 11701-B (WIDGET Cable)	Each	$ 18.00
81-0602-00	Galaxy	2 Door Ribbon cable (Small Controller)	Each	$ 10.80
81-0600-00	Galaxy	8 Door Ribbon cable (Medium Controller)	Each	$ 18.00
81-0600-80	Galaxy	16 Door Ribbon cable (Large Controller)	Each	$ 27.00
81-2100-00	Galaxy	Serial Programming Cable / CONFIGURATION CABLE	Each	$ 18.00
81-1015-00	Galaxy	Serial to USB Programming Cable	Each	$ 36.00
81-0630-00	Galaxy	600/635 Series 8 Dr Controller Double Power Supply Wiring Harness (Comes pre-installed on 6 & 8 Dr Configurations). Required for upgrading 2 & 4 Dr Controllers to 6 & 8 Dr Controllers. DOES NOT INCLUDE SECONDARY SMP3 POWER SUPPLY.	Each	$ 90.00
70-0600-00	Galaxy	600/635 Series Component Board Bracket 90° (Med & Lrg controllers)	Each	$ 9.00
70-0602-00	Galaxy	600/635 Series Component Board Bracket 22° (Small controllers)	Each	$ 9.00
92-0630-00	Galaxy	Stacker kit for use with the relay boards. 1 Set contains hardware to mount 2 relay boards.	Each	$ 41.40
92-0690-00	Galaxy	Factory Test Station: Allows for field reflashing of 600/635 Series CPU and Daughter boards	Each	$ 2,700.00
635CPUEXT6	Galaxy	Extend Warranty to 6 years on 635 CPU	Each	$ 189.00
635CPUEXT7	Galaxy	Extend Warranty to 7 years on 635 CPU	Each	$ 252.00
635CPUEXT8	Galaxy	Extend Warranty to 8 years on 635 CPU	Each	$ 315.00
635DRMEXT6	Galaxy	Extend Warranty to 6 years on 635 DRM	Each	$ 189.00
635DRMEXT7	Galaxy	Extend Warranty to 7 years on 635 DRM	Each	$ 252.00
635DRMEXT8	Galaxy	Extend Warranty to 8 years on 635 DRM	Each	$ 315.00
635DIOEXT6	Galaxy	Extend Warranty to 6 years on 635 DIO	Each	$ 189.00
635DIOEXT7	Galaxy	Extend Warranty to 7 years on 635 DIO	Each	$ 252.00
635DIOEXT8	Galaxy	Extend Warranty to 8 years on 635 DIO	Each	$ 315.00
635DSIEXT6	Galaxy	Extend Warranty to 6 years on 635 DSI	Each	$ 189.00
635DSIEXT7	Galaxy	Extend Warranty to 7 years on 635 DSI	Each	$ 252.00
635DSIEXT8	Galaxy	Extend Warranty to 8 years on 635 DSI	Each	$ 315.00
635REMEXT6	Galaxy	Extend Warranty to 6 years on 635 REM	Each	$ 189.00
635REMEXT7	Galaxy	Extend Warranty to 7 years on 635 REM	Each	$ 252.00
635REMEXT8	Galaxy	Extend Warranty to 8 years on 635 REM	Each	$ 315.00
92-0510-00	Galaxy	USB Enrollment Base (includes: USB Cable, US Transformer) NO READER	Each	$ 468.00
92-0520-00	Galaxy	USB Enrollment Base (includes: USB Cable, EURO Transformer) NO READER	Each	$ 468.00
P300HA	Galaxy	Enrollment Reader: Farpointe P-300HA: Cascade Proximity Reader	Each	$ 105.30
90-5400-00	Galaxy	Enrollment Reader: HID 6005 Prox Point	Each	$ 180.00
PR10	Galaxy	Enrollment Reader: Allegion PR10 Proximity Mini-Mullion	Each	$ 207.00
MT15	Galaxy	Enrollment Reader: Allegion MT15 Schlage Multi-Technology Single Gang / 200 bit	Each	$ 396.00
MT1575	Galaxy	Enrollment Reader: Allegion MT1575 Schlage Multi-Technology Single Gang / 75 bit	Each	$ 396.00
90-0845-00	Galaxy	Enrollment Reader: EZ Barcode Reader Indoor/Outdoor Swipe	Each	$ 1,071.00
43-5009-00	Galaxy	USB Enrollment Base - Plug-In Transformer (US)	Each	$ 63.00
43-1454-00	Galaxy	USB Enrollment Base - Plug-In Transformer (International)	Each	$ 63.00
57-1212-00	Galaxy	USB Enrollment Base - Plug-In Transformer (International) w/ (4) piece plug set	Each	$ 63.00

CSR-35L	Galaxy	Mobile-ready contactless smartcard reader; mullion and single-gang mount	Each	$ 297.00
CSR-35L-ST	Galaxy	Mobile-ready contactless smartcard reader with Switch™ Tech support; mullion and single-gang mount	Each	$ 358.20
CSR-6.2L	Galaxy	Mobile-ready contactless smartcard keypad and reader; mullion mount	Each	$ 538.20
CSR-6.2L-ST	Galaxy	Mobile-ready contactless smartcard keypad and reader with Switch™ Tech support; mullion mount	Each	$ 597.60
CSR-6.4L	Galaxy	Mobile-ready contactless smartcard keypad and reader; single-gang mount	Each	$ 538.20
CSR-6.4L-ST	Galaxy	Mobile-ready contactless smartcard keypad and reader with Switch™ Tech support; single-gang mount	Each	$ 597.60
PCR-35L	Galaxy	Long-range mobile-ready contactless reader; mullion and single-gang mount	Each	$ 347.40
PCR-35L-ST	Galaxy	NEW Mobile-ready proximity reader with Switch™ Tech support; supports Farpointe + certain HID® and AWID® 125-kHz Proximity protocols; mullion and single-gang mount	Each	$ 405.00
PCR-620L	Galaxy	Mobile-ready contactless keypad and reader; mullion mount	Each	$ 561.60
PCR-620L-ST	Galaxy	NEW Mobile-ready proximity keypad and reader with Switch™ Tech support; supports Farpointe + certain HID® 125-kHz Proximity protocols; mullion mount	Each	$ 621.00
PCR-640L	Galaxy	Mobile-ready contactless keypad and reader; single-gang mount	Each	$ 561.60
PCR-640L-ST	Galaxy	NEW Mobile-ready proximity keypad and reader with Switch™ Tech support; supports Farpointe + certain HID® 125-kHz Proximity protocols; single-gang mount	Each	$ 621.00
CMC-2	Galaxy	2.4GHz Mobile credential - supporting BLE-enabled smartphones	Each	$ 7.02
CSC-2	Galaxy	High-security clamshell-style card; MIFARE® DESFire® EV2	Each	$ 7.20
CSM-2P	Galaxy	High-security ISO-style composite card; MIFARE® DESFire® EV2	Each	$ 7.29
CSM-2S	Galaxy	High-Security ISO-Style Composite Card (printable) w/HiCo (2750e) Magnetic Stripe	Each	$ 7.56
CSK-2	Galaxy	High-security key fob-style tag; MIFARE® DESFire® EV2	Each	$ 8.28
P300HA	Galaxy	Supports Farpointe + certain HID® and AWID® 125-kHz Proximity protocols; mullion mount	Each	$ 105.30
P500HA	Galaxy	P-500-HA: Alps Proximity Reader (includes black and white cover). The model P-500 is designed to be mounted to a standard North American single-gang wall switch box.	Each	$ 124.20
P530HA	Galaxy	P-530-HA: EuroMount Proximity Reader (European & Asian Single Gang Box includes black and white covers). The model P-530 is designed to be mounted to a standard European-sized (60 mm) wall switch box.	Each	$ 124.20
P620HA	Galaxy	P-620-HA: Denali Mullion Mount Proximity Reader and Illuminated keypad. The model P-620 is designed to be mounted to metal door & window frames. IP67. Integrates both a proximity reader and keypad into a single unit making it ideal for applications requiring an access credential and/or personal identification number (PIN).	Each	$ 320.40
P640HA	Galaxy	P-640-HA: Patagonia Proximity Reader and Illuminated keypad. The model P-640 is designed to be mounted directly to standard North American sized single-gang wall box, IP67. Integrates both a proximity reader and keypad into a single unit making it ideal for applications requiring an access credential and/or personal identification number (PIN).	Each	$ 320.40
P710HA	Galaxy	P-710-HA: Andes Proximity Reader (black cover only). Delivering a longer read range, the model P-700 is intended for applications calling for heightened levels of convenience, such as parking lots and high-volume employee entrances.	Each	$ 442.80
P900HA	Galaxy	P-900-HA: Atlas Proximity Reader. The P900 is a high-performance design Long Range Reader. The P-900 offers a non-contact read range up to 20-inches (508 mm) and can be installed directly to a metal or plastic wall box and parking bollard. The longer read range of the P-900 adds convenience to a wide range of access applications, including turnstiles and parking control.	Each	$ 813.60
MCR-30-H	Galaxy	Supports Farpointe + certain Indala ASP Advantage Series Proximity formats + certain HID 125kHz Proximity protocols, Mullion Mount	Each	$ 207.00
MCR-50-H	Galaxy	Supports Farpointe + certain Indala ASP Advantage Series Proximity formats + certain HID 125kHz Proximity protocols, Single Gang Mount	Each	$ 207.00
MCR-64-H	Galaxy	Supports Farpointe + certain Indala ASP Advantage Series Proximity formats + certain HID 125kHz Proximity protocols, (reader+keypad) Single Gang Mount	Each	$ 378.00

EM-30-H	Galaxy	Supports Farpointe + certain EM Proximity formats + certain HID 125kHz Proximity protocols, Mullion Mount	Each	$ 131.40
EM-50-H	Galaxy	Supports Farpointe + certain EM Proximity formats + certain HID 125kHz Proximity protocols, Single Gang	Each	$ 144.00
EM-64-H	Galaxy	Supports Farpointe + certain EM Proximity formats + certain HID 125kHz Proximity protocols, (reader+keypad) Single Gang	Each	$ 378.00
P403HA	Galaxy	P-403HA Guardian Proximity Reader (Mullion) Vandal-resistant reader designed to mount to a metal door and window frames.	Each	$ 468.00
P405HA	Galaxy	P-405HA Guardian Proximity Reader (Single Gang) Vandal-resistant reader designed to mount to a standard North American single-gang wall switch box.	Each	$ 558.00
P410HA	Galaxy	P-410HA Guardian Proximity Reader (Double Gang) Vandal-resistant reader designed to mount to a standard North American double-gang wall switch box.	Each	$ 702.00
D403	Galaxy	D-403 Guardian Proximity Reader (Mullion) 13.56MHz Contactless Smardcard Reader; MIFARE/DESFire/EV1 & EV2 Support Vandal-resistant reader designed to mount to a metal door and window frames.	Each	$ 716.40
D405	Galaxy	D-405 Guardian Proximity Reader (Single Gang) 13.56MHz Contactless Smardcard Reader; MIFARE/DESFire/EV1 & EV2 Support Vandal-resistant reader. Vandal-resistant reader designed to mount to a standard North American single-gang wall switch box.	Each	$ 801.00
D410	Galaxy	D-410 Guardian Proximity Reader (Double Gang) 13.56MHz Contactless Smardcard Reader; MIFARE/DESFire/EV1 & EV2 Support Vandal-resistant reader Vandal-resistant reader designed to mount to a standard North American double-gang wall switch box.	Each	$ 936.00
P453HA	Galaxy	P-453HA Gibraltar Proximity Reader (Mullion) Bullet-resistant reader designed to be mounted to mullion, door or window frames.	Each	$ 684.00
P455HA	Galaxy	P-455HA Gibraltar Proximity Reader (Single Gang) Bullet-resistant reader designed to mount to standard North American single-gang wall switch boxes.	Each	$ 756.00
CC	Galaxy	Custom Credential Add-On. Must supply CC Code at time of order. /Card	Each	$ 0.63
95-0001-00	Galaxy	PSC-1: Standard Light Prox Card. The model PSC-1 is a clamshell style proximity card backed by a lifetime warranty. Vertical Hole punch only. (Farpointe Only)	Each	$ 2.61
95-0002-00	Galaxy	PSM-2P: Multi-Technology Printable Prox Card. The model PSM-2P is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging. (Farpointe Only)	Each	$ 5.40
95-0002-10	Galaxy	PSM-2S: Multi-Technology Printable Prox Card (ISO thin .031" thick w/magstripe) The model PSM-2S is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging with a magnetic stripe. (Farpointe Only)	Each	$ 5.85
95-0003-10	Galaxy	PSK-3: Prox Key Ring Tag. The model PSK-3 is a small proximity tag designed to be carried on a key ring, includes a re-enforcing brass eyelet, and is backed by a lifetime warranty. (Farpointe Only)	Each	$ 5.85
95-0004-00	Galaxy	PSI-4: Image Technology Printable Prox Card. The model PSI-4 is a thicker-format (0.046 inches (1.17 mm)) proximity card appropriate for dye sublimation imaging. (Farpointe Only) ****NOTE: Due to the thicker construction, this card may be incompatible with some card printers. Magicard printers accept the thicker credential.**	Each	$ 3.15
95-0005-00	Galaxy	PDT-1: Prox Disk Tag (small adhesive disk style, 3m adhesive) (Farpointe Only)	Each	$ 3.60
95-0001-20	Galaxy	PSC-1H: Standard Light Prox Card. The model PSC-1 is a clamshell style proximity card backed by a lifetime warranty. (125kHz HID Compatible)	Each	$ 2.61
95-0002-20	Galaxy	PSM-2PH: Multi-Technology Printable Prox Card. The model PSM-2P is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging. (125kHz HID Compatible)	Each	$ 5.40

95-0002-25	Galaxy	PSM-2SH: Multi-Technology Printable Prox Card (ISO thin .031" thick w/magstripe) The model PSM-2S is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging with a magnetic stripe. (125kHz HID Compatible)	Each	$ 5.85
PSK3H	Galaxy	PSK-3H: Prox Key Ring Tag. The model PSK-3 is a small proximity tag designed to be carried on a key ring, includes a re-enforcing brass eyelet, and is backed by a lifetime warranty. (125kHz HID Compatible)	Each	$ 5.85
95-0004-20	Galaxy	PSI-4H: Image Technology Printable Prox Card. The model PSI-4 is a thicker-format (0.046 inches (1.17 mm)) proximity card appropriate for dye sublimation imaging. *verify compatibility w/ card printer (125kHz HID Compatible)	Each	$ 3.15
95-0005-20	Galaxy	PDT-1H: Prox Disk Tag (small adhesive disk style, 3m adhesive) (125kHz HID Compatible)	Each	$ 3.60
95-0001-00-A	Galaxy	PSC-1A: Standard Light Prox Card. The model PSC-1 is a clamshell style proximity card backed by a lifetime warranty. (125 kHz AWID Compatible)	Each	$ 2.61
95-0002-00-A	Galaxy	PSM-2PA: Multi-Technology Printable Prox Card. The model PSM-2P is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging. (125 kHz AWID Compatible)	Each	$ 5.40
95-0002-10-A	Galaxy	PSM-2SA: Multi-Technology Printable Prox Card (ISO thin .031" thick w/magstripe) The model PSM-2S is an ISO-style multi technology style proximity card appropriate for dye sublimation imaging with a magnetic stripe.(125 kHz AWID Compatible)	Each	$ 5.85
95-0003-10-A	Galaxy	PSK-3A: Prox Key Ring Tag. The model PSK-3 is a small proximity tag designed to be carried on a key ring, includes a re-enforcing brass eyelet, and is backed by a lifetime warranty.(125 kHz AWID Compatible)	Each	$ 5.85
95-0004-00-A	Galaxy	PSI-4A: Image Technology Printable Prox Card. The model PSI-4 is a thicker-format (0.046 inches (1.17 mm)) proximity card appropriate for dye sublimation imaging.(125 kHz AWID Compatible)	Each	$ 3.15
95-0005-00-A	Galaxy	PDT-1A: Prox Disk Tag (small adhesive disk style, 3m adhesive)(125 kHz AWID Compatible)	Each	$ 3.60
WRR-22	Galaxy	WRR-22 Ranger Receiver Designed to output Transmitter data from buttons 1 and 2 over two separate Wiegand outputs and installs similar to a standard proximity reader into a Galaxy Control Panel	Each	$ 232.20
WRR-44	Galaxy	WRR-44 Ranger Receiver Designed to output Transmitter data from buttons 1, 2, 3 and 4 over four separate Wiegand outputs and installs similar to a standard proximity reader into a Galaxy Control Panel	Each	$ 378.00
RER-11	Galaxy	Long-Range Edge Receiver; 1-channel, up to 100-feet range; mounts to any flat surface	Each	$ 349.20
WRT-2M	Galaxy	WRT-2M Ranger Transmitter (No Proximity Insert) Mini 2-button Transmitter in a smaller design than standard Ranger Transmitters. **No Proximity Insert.**	Each	$ 26.91
WRT2B	Galaxy	WRT-2+B Ranger Transmitter (No Proximity Insert) 2-button clicker-type access credential w/ **No Proximity Insert**	Each	$ 36.45
WRT4B	Galaxy	WRT-4+B Ranger Transmitter (No Proximity Insert) 4-button clicker-type access credential w/ **No Proximity Insert**	Each	$ 38.70
WRT2+	Galaxy	WRT-2+ Ranger Transmitter (125kHz Farpointe Only) 2-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz HID Compatible	Each	$ 36.45
WRT4+	Galaxy	WRT-4+ Ranger Transmitter (125kHz Farpointe Only) 4-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz HID Compatible	Each	$ 38.70
WRT2H	Galaxy	WRT-2+H Ranger Transmitter (125kHz Farpointe/HID Compatible) 2-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz HID Compatible	Each	$ 36.45
WRT4H	Galaxy	WRT-4+H Ranger Transmitter (125kHz Farpointe/HID Compatible) 4-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz HID Compatible	Each	$ 38.70
WRT2A	Galaxy	WRT-2+A Ranger Transmitter (125kHz Farpointe/AWID Compatible) 2-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz AWID compatible.	Each	$ 36.45

WRT4A	Galaxy	WRT-4+A Ranger Transmitter (125kHz Farpointe/AWID Compatible) is a 4-button clicker-type access credential, featuring both long range (upon button push) and proximity operation @standard readers 125kHz AWID compatible.	Each	$ 38.70
WRT4S1	Galaxy	WRT-4+S1 Ranger Transmitter (Farpointe 13.56-MHz 1K memory smartcard) 4-button clicker-type access credential, featuring both long range (upon button push) w/ Farpointe 13.56-MHz 1K memory smartcard insert.	Each	$ 46.35
WRT2S4	Galaxy	WRT-2+S4 Ranger Transmitter (Farpointe 13.56-MHz 4K memory smartcard) 2-button clicker-type access credential, featuring both long range (upon button push) w/ Farpointe 13.56-MHz 4K memory smartcard insert.	Each	$ 46.35
WRT2D2	Galaxy	WRT-2+D2 2-Button Transmitter w/ DESFire EV2 13.56-MHz 2K memory smartcard insert	Each	$ 46.35
WRT4S4	Galaxy	WRT-4+S4 Ranger Transmitter (Farpointe 13.56-MHz 4K memory smartcard) 4-button clicker-type access credential, featuring both long range (upon button push) w/ Farpointe 13.56-MHz 4K memory smartcard insert.	Each	$ 49.05
WRT4D2	Galaxy	WRT-4+D2 4-Button Transmitter w/ DESFire EV2 13.56-MHz 2K memory smartcard insert	Each	$ 49.05
Delta3	Galaxy	Delta3: Multi Technology Contactless Smartcard Reader (Mullion)	Each	$ 303.30
Delta5	Galaxy	Delta5: Multi-Technology Contactless Smartcard Reader (Single-gang)	Each	$ 329.40
Delta5.3	Galaxy	Delta5.3: Multi-Technology Contactless Smartcard Reader (Single-gang) European-sized (60 mm) wall switch box, and other flat surfaces.	Each	$ 329.40
Delta6.2	Galaxy	Delta6.2: Multi-Technology Contactless Smartcard Reader & Keypad (Mullion-Mount)	Each	$ 550.80
Delta6.4	Galaxy	Delta6.4: Multi-Technology Contactless Smartcard Reader & Keypad (Single-gang)	Each	$ 550.80
DC11	Galaxy	DC1-1 Clamshell; MIFARE®-compliant, with 1K-byte memory	Each	$ 5.22
DC41	Galaxy	DC4-1 Clamshell; MIFARE®-compliant, with 4K-byte memory	Each	$ 7.02
DM-13	Galaxy	DM1-3 ISO-Style, PVC Printable; MIFARE®-compliant, with 1K-byte memory	Each	$ 5.49

MAXIMAL77E	Galaxy	MAXIMAL77E: Each are 24VDC @ 10 amp, non-power limited outputs	Each	$ 1,458.00
MAXIMAL75E	Galaxy	MAXIMAL75E: One is 12VDC @ 10 amp and one is 24VDC @ 10 amp, non-power limited outputs	Each	$ 1,422.00
R1224DC16CB	Galaxy	16 Output Power Supply/Charger - 12VDC or 24VDC @ 4.5 amp per bank of 4 outputs, 18 amp total supply current, PTC Class 2 power limited outputs, 2U EIA 19" Rack Mount Chassis, 115VAC input, UL Listed (UL1012), cUL Listed.	Each	$ 1,017.00

StrikeIt1	Galaxy	Dual Panic Device Power Controller - Independently or simultaneously controlled lock outputs for two 24VDC panic hardware devices with high inrush current requirements. Programmable 1 to 30 sec. timed lock release, Two follower relay outputs, Two delayed momentary relay outputs, One 12VDC & One 24VDC aux. power outputs rated @ 1 amp each, Fire Alarm disconnect, built-in battery charger, encl: 13.5"H x 13"W x 3.25"D, Accommodates up to 2 - 12VDC/7AH batteries, 115VAC input, UL Listed (UL294), cUL Listed. MEA & CSFM Approved.	Each	$ 729.00
StrikeIt2	Galaxy	Panic Device Power Controller - Controlled lock output for 24VDC panic hardware device with high inrush current requirements or a mag lock/electric strike, One 24VDC aux. power output rated @ 0.5 amp, built-in battery charger, encl. 8.5"H x 7.5"W x 3.5"D, Accommodates up to 2 - 12VDC/4AH batteries, 115VAC input. UL Listed (UL294), cUL Listed.	Each	$ 405.00
HubWay8Di	Galaxy	8 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 8 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed.	Each	$ 1,107.00
HubWay82Di	Galaxy	8 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 8 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed, includes 8 UL Listed Accessory HubWayAv Video Balun/Combiners for 24VAC cameras.	Each	$ 1,386.00
HubWay83Di	Galaxy	8 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 8 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed, includes 8 UL Listed Accessory HubWayDv Video Balun/Combiners for 12VDC cameras.	Each	$ 1,503.00
HubWay16Di	Galaxy	16 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 16 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed.	Each	$ 2,142.00
HubWay162Di	Galaxy	16 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 16 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed, includes 16 UL Listed Accessory HubWayAv Video Balun/Combiners for 24VAC cameras.	Each	$ 2,700.00
HubWay163Di	Galaxy	16 Channel Passive UTP Transceiver Hub with Integral Camera Power, Video/Data up to 750 ft., 16 amp total current, individually selectable 24VAC or 28VAC isolated PTC Class 2 power limited outputs, 1U EIA 19" Rack Mount Chassis, 115/230VAC Input, UL Listed (UL2044), cUL Listed, includes 16 UL Listed Accessory HubWayDv Video Balun/Combiners for 12VDC cameras.	Each	$ 2,943.00
SAV4D	Galaxy	4 Output CCTV Power Supply	Each	$ 203.40
SAV9D	Galaxy	9 Output CCTV Power Supply	Each	$ 212.40
SAV18D	Galaxy	18 Output CCTV Power Supply	Each	$ 284.40
SAV182D	Galaxy	18 Output CCTV Power Supply -	Each	$ 401.40
SAV36D	Galaxy	36 Output CCTV Power Supply	Each	$ 450.00
VertiLine8	Galaxy	8 Output Rack Mount CCTV Power Supply - 5 amp total current	Each	$ 801.00
VertiLine83	Galaxy	8 Output Rack Mount CCTV Power Supply - 10 amp total current	Each	$ 927.00
VertiLine16	Galaxy	16 Output Rack Mount CCTV Power Supply - 10 amp total current	Each	$ 1,062.00
VertiLine166	Galaxy	16 Output Rack Mount CCTV Power Supply - 14 amp total current.	Each	$ 1,233.00
R248ULI	Galaxy	8 Output Isolated Rack Mount CCTV Power Supply - 24VAC @ 12.5 amp, isolated fused Class 2 power limited outputs rated @ 1.56 amp each, 2U EIA 19" Rack Mount Chassis, 115VAC input, UL Listed (UL2044), cUL Listed.	Each	$ 792.00
R2416ULI	Galaxy	16 Output Isolated Rack Mount CCTV Power Supply - 24VAC @ 25 amp, isolated fused Class 2 power limited outputs rated @ 1.56 amp each, 2U EIA 19" Rack Mount Chassis, 115VAC input, UL Listed (UL2044), cUL Listed.	Each	$ 1,098.00

VertiLine16i	Galaxy	16 Output Isolated Rack Mount CCTV Power Supply - 24VAC or 28VAC @ 16 amp, isolated fused Class 2 power limited outputs rated @ 1 amp each, 1U EIA 19" Rack Mount Chassis, 115/230VAC input, UL Listed (UL2044), cUL Listed.	Each	$ 1,440.00
WPTV244175UL	Galaxy	4 Output Outdoor CCTV Power Supply - 24VAC @ 7 amp or 28VAC @ 6.25 amp, 3 - PTC Class 2 power limited outputs rated @ 2.5 amp & 1 - fused output rated @ 10 amp, NEMA 4/IP65 outdoor encl. 12"H x 8"W x 6"D, 115VAC input, UL Listed (UL2044), cUL Listed & CE Approved.	Each	$ 716.40
WPTV244300UL	Galaxy	4 Output Outdoor CCTV Power Supply - 24VAC @ 12.5 amp or 28VAC @ 10 amp, 3 - PTC Class 2 power limited outputs rated @ 2.5 amp & 1 - fused output rated @ 15 amp, NEMA 4/IP65 outdoor encl. 12"H x 8"W x 6"D, 115VAC input, UL Listed (UL2044), cUL Listed & CE Approved.	Each	$ 626.40
WPTV248UL	Galaxy	8 Output Outdoor CCTV Power Supply - 24VAC @ 3.5 amp or 28VAC @ 3 amp, fused outputs, NEMA 4/IP65 outdoor encl. 12"H x 8"W x 6"D, 115VAC input, UL Listed (UL2044), cUL Listed & CE Approved.	Each	$ 486.00
WPTV248175UL	Galaxy	8 Output Outdoor CCTV Power Supply - 24VAC @ 7 amp or 28VAC @ 6.25 amp, fused outputs, NEMA 4/IP65 outdoor encl. 12"H x 8"W x 6"D, 115VAC input, UL Listed (UL2044), cUL Listed & CE Approved.	Each	$ 729.00
WPTV248300UL	Galaxy	8 Output Outdoor CCTV Power Supply - 24VAC @ 12.5 amp or 28VAC @ 10 amp, fused outputs, NEMA 4/IP65 outdoor encl. 12"H x 8"W x 6"D, 115VAC input, UL Listed (UL2044), cUL Listed & CE Approved.	Each	$ 639.00
T2428100C	Galaxy	Transformer - 24VAC/100VA (4 amp) or 28VAC/100VA (3.5 amp), encl. 5.625"H x 7"W x 4.5"D, 115VAC input.	Each	$ 189.00
T2428175C	Galaxy	Transformer - 24VAC/175VA (7.25 amp) or 28VAC/175VA (6 amp), encl. 5.625"H x 7"W x 4.5"D, 115VAC input.	Each	$ 279.00
T2428300E	Galaxy	Transformer - 24VAC/300VA (12.5 amp) or 28VAC/300VA (10 amp), encl. 8.5"H x 7.5"W x 3.5"D, 115VAC input.	Each	$ 374.40
T2856C	Galaxy	Transformer - 28VAC/56VA (2 amp), encl. 5.625"H x 7"W x 4.5"D, 115VAC input.	Each	$ 171.00
6062	Galaxy	6062 Multi-Function Timer - 12VDC or 24VDC operation, SPDT contacts rated @ 8 amp/115VAC, 1 sec. to 60 min. adjustable timing range. One second momentary relay activation at the end of timing cycle.	Each	$ 39.60
DL1	Galaxy	Door Control Timer - 12 to 24 Volt AC or DC operation, SPDT contact rated @ 3 amp/120VAC/28VDC, Use with magnetic locks & electric strikes.	Each	$ 68.40
DL3	Galaxy	Door Control Timer w/sounder - 12 to 24 Volt AC or DC operation, SPDT contact rated @ 3 amp/120VAC/28VDC, Use with magnetic locks & electric strikes.	Each	$ 93.60
PT724A	Galaxy	1 Channel 365 day/24 hr. Annual Event Timer - 12 to 24 volt AC or DC operation, SPDT contact rated @ 10 amp/115VAC/28VDC, 50 daily/weekly events, 350 weekly block events, 10 holiday exceptions, LCD display, built-in battery charger.	Each	$ 165.60
PT724AE	Galaxy	1 Channel 365 day/24 hr. Annual Event Timer - 12 to 24 volt AC or DC operation, SPDT contact rated @ 10 amp/115VAC/28VDC, 50 daily/weekly events, 350 weekly block events, 10 holiday exceptions, LCD display, built-in battery charger, encl. 8.5"H x 7.5"W x 3.5"D.	Each	$ 234.00
TEMPO2	Galaxy	Universal Two Stage Timer - 12 or 24 volt AC or DC operation, SPDT contact rated @ 2 amp/115VAC/28VDC, adjustable timing range 1 sec.-60 seconds timed door release, daily weekly test mode, one shot activation, door prop alarm, EEProm memory, LCD Display.	Each	$ 93.60
ACM4	Galaxy	4 Output Access Power Controller Module - Converts one (1) 12 to 24 volt AC or DC input into four (4) fused power outputs, individually selectable Fail-Safe/Fail-Secure outputs or dry form "C" contacts, fire alarm disconnect is selectable by output, UL Listed sub-assembly.	Each	$ 117.00
ACM4CB	Galaxy	4 Output Access Power Controller Module - Converts one (1) 12 to 24 volt AC or DC input into four (4) PTC power outputs, individually selectable Fail-Safe/Fail-Secure outputs, fire alarm disconnect is selectable by output, UL Listed sub-assembly.	Each	$ 117.00
ACM8	Galaxy	8 Output Access Power Controller Module - Converts one (1) 12 to 24 volt AC or DC input into eight (8) fused power outputs, individually selectable Fail-Safe/Fail-Secure outputs or dry form "C" contacts, fire alarm disconnect is selectable by output, UL Recognized Component.	Each	$ 153.00

ACM8CB	Galaxy	8 Output Access Power Controller Module - Converts one (1) 12 to 24 volt AC or DC input into eight (8) PTC power outputs, individually selectable Fail-Safe/Fail-Secure outputs, fire alarm disconnect is selectable by output, UL Recognized Component.	Each	$ 153.00
MOM5	Galaxy	5 Output Access Power Distribution Module - Converts one (1) 12VDC or 24VDC input into five (5) power outputs, PTC Class 2 power limited outputs rated @ 2.5 amp, Fire Alarm interface, UL Recognized.	Each	$ 72.00
PD4UL	Galaxy	4 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into four (4) fused power outputs, UL Recognized.	Each	$ 45.00
PD4ULCB	Galaxy	4 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into four (4) PTC power outputs, UL Recognized.	Each	$ 45.00
PD8UL	Galaxy	8 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into eight (8) fused power outputs, UL Recognized.	Each	$ 50.40
PD8ULCB	Galaxy	8 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into eight (8) PTC power outputs, UL Recognized.	Each	$ 50.40
PD16W	Galaxy	16 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into sixteen (16) fused power outputs, UL Recognized.	Each	$ 73.80
PD16WCB	Galaxy	16 Output Power Distribution Module - Converts AC or DC power input (28 volts @ 14 amp max.) into sixteen (16) PTC power outputs, UL Recognized.	Each	$ 73.80
VR1	Galaxy	Power Conversion Module - Converts 24VAC or 24VDC input into 12VDC rated @ 1 amp, Modular connector/cable assembly. High impact insulated housing.	Each	$ 59.40
VR1T	Galaxy	Power Conversion Module - Converts 24VAC or 24VDC input into 12VDC rated @ 1 amp, spring terminals. High impact insulated housing.	Each	$ 55.80
VR2T	Galaxy	Power Conversion Module - Converts 24VAC or 24VDC input into 12VDC rated @ 0.5 amp spring terminals. High impact insulated housing.	Each	$ 55.80
VR3T	Galaxy	Power Conversion Module - Converts 24VDC input into 12VDC rated @ 2 amp, screw terminals. High impact insulated housing.	Each	$ 77.40
VR5T	Galaxy	Power Conversion Module - Converts 24VAC or 24VDC input into 12VDC rated @ 3 amp, spring terminals. High impact insulated housing.	Each	$ 97.20
VR5BT	Galaxy	Power Conversion Module/Battery Charger - Converts 24VAC or 24VDC input into 12VDC rated @ 3 amp, spring terminals. High impact insulated housing.	Each	$ 100.80
VB1	Galaxy	Power Conversion Module - Converts 12-24VDC input into regulated 24VDC rated @ 0.75 amp, Modular connector/cable assembly. High impact insulated housing.	Each	$ 59.40
VB1T	Galaxy	Power Conversion Module - Converts 12-24VDC input into regulated 24VDC rated @ 0.75 amp output, screw terminals. High impact insulated housing.	Each	$ 55.80
90-0714-90	Galaxy	AL400ULX: 12VDC at 4AMP; 24VDC at 3AMP; UL Listed Burg. (UL603); Fire (UL1481); Access Control (UL294); MEA/CSFM Approved; CSA Listed. Includes: Large Cabinet, Cam Lock and Transformer. Use with UL Listed Galaxy Controllers.	Each	$ 369.00
90-0714-51	Galaxy	Altronix LPS3 Linear Power Supply Board. 12 or 24VDC @ 2.5A.(For use w/ 500 Series) **BOARD ONLY**	Each	$ 97.20
90-0714-60	Galaxy	Altronix SMP3Power Supply Charger, Single Output, 6/12/24VDC @ 2.5A, 24/28VAC, (For use w/600/635 Series 2 & 8 Reader Size Controllers) **SMP312CX Board w/ Xformer & Battery**	Each	$ 171.00
90-0714-01	Galaxy	Altronix SMP3Power Supply Charger, Single Output, 6/12/24VDC @ 2.5A, 24/28VAC, (For use w/^00/635 Series 2 & 8 Reader Size Controllers) **BOARD ONLY**	Each	$ 68.40
ACMS12	Galaxy	2-IN/12-CH FUSE ACC POWER CONT	Each	$ 372.60
ACMS12CB	Galaxy	2-IN/12-CH PTC ACC POWER CONT	Each	$ 372.60
PDS16	Galaxy	16 FUSED/2-INPUT PWR DIST MOD	Each	$ 160.20
PDS16CB	Galaxy	16 PTC/2-INPUT PWR DIST MOD	Each	$ 160.20
90-0714-92	Galaxy	AL400ULM: w/MOM5 multi-output Fire/Access interface installed	Each	$ 446.40
90-0714-02	Galaxy	AL400ULACM: w/ACM8 power controller Fire/Access interface installed	Each	$ 549.00

90-0714-04	Galaxy	AL400ULACM-CB: Same As Above With Circuit Breakers	Each	$ 549.00
90-0714-10	Galaxy	AL400ULPD8* w/PD8UL installed	Each	$ 405.00
90-0714-11	Galaxy	AL400ULPD8-CB* w/PD8UL-CB installed	Each	$ 405.00
90-0714-16	Galaxy	AL600ULX 12VDC or 24VDC at 6 AMP UL Listed Fire (UL 1481); Access Control (UL 294), MEA/CSFM Approved - CSA Listed. Includes Cabinet, Cam Lock and Transformer	Each	$ 486.00
90-0714-17	Galaxy	AL600ULX-R in Red Cabinet	Each	$ 495.00
90-0714-18	Galaxy	AL600ULB 12VDC or 24VDC at 6 AMP UL recognized component (Board only)	Each	$ 261.00
90-0714-40	Galaxy	AL600ULM with MOM5 multi-output Fire/Access interface installed	Each	$ 558.00
90-0714-19	Galaxy	AL600ULACM with ACM8 power controller Fire/Access interface installed	Each	$ 653.40
90-0714-20	Galaxy	AL600ULACM-CB Same as above with PTC's in place of fuses	Each	$ 653.40
90-0714-21	Galaxy	AL600ULACMJ* in BC600 enclosure	Each	$ 702.00
90-0714-25	Galaxy	AL600ULPD4* w/PD4UL installed	Each	$ 513.00
90-0714-26	Galaxy	AL600ULPD4-CB* w/PD4UL-CB installed	Each	$ 513.00
90-0714-28	Galaxy	AL600ULPD8-CB* w/PD8UL-CB installed	Each	$ 522.00
90-0714-29	Galaxy	AL600ULXPD16* w/two DP8UL installed	Each	$ 567.00
90-0714-30	Galaxy	AL600ULXPD16-CB* w/two PD8UL-CB installed	Each	$ 567.00
90-0714-31	Galaxy	AL600UL3 Triple Independent Voltage Supply. 1.5A at 5 VDC, 1.75A at 12 VDC, 3A at 24 VDC UL Listed Access Control (UL294)	Each	$ 720.00
90-0714-32	Galaxy	AL600UL3X in BC400 enclosure	Each	$ 747.00
90-0714-87	Galaxy	R615DC8UL - 12 volt 4 amp 8 output	Each	$ 603.00
90-0714-88	Galaxy	R615DC616UL - 12 volt 6 amp 16 output	Each	$ 675.00
90-0714-68	Galaxy	AL1012ULX – Power Supply/ Charger - 12 V DC @ 10 amp, AC and battery monitoring, non-power limited output	Each	$ 495.00
90-0714-55	Galaxy	AL1012ULACM – AL1012ULX with ACM8 Power controller Fire/Access Interface installed	Each	$ 666.00
90-0714-56	Galaxy	AL1024ULACM – 24 VDC@10 AMPS (UL294) 8 Fused Outputs for Access Control	Each	$ 711.00
90-0714-58	Galaxy	ALTV248UL – 24 VAC at 3.5 AMP Max, eight (8) fused outputs. UL Listed commercial CCTV equipment (UL2044) CSA Listed	Each	$ 234.00
90-0714-59	Galaxy	ALTV2416ULX – 24 VAC at 7 AMP Max, sixteen (16) fused outputs. UL Listed CCTV equipment (UL2044) CSA Listed	Each	$ 423.00
FPO75-M8NL4E2	Galaxy	Single Voltage - 4 control / 8 aux outputs 6A@12V or 3A@24V E2: 20H x 16W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,017.00
FPO150-B100M8NL4E2	Galaxy	Dual Voltage - 4 control / 8 aux outputs 4A@12V & 4A@24V E2: 20H x 16W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,251.00
FPO150-D8M8NL4E2	Galaxy	Single Voltage - 8 control / 8 aux outputs 12A@12V or 6A@24V. Enclosure(E2) 20H x 16W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,188.00
FPO150-B100D8M8NL4E2	Galaxy	Dual Voltage - 8 control / 8 aux outputs 4A@12 & 4A@24V. Enclosure(E2) 20H x 16W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,278.00
FPO150-2D82M8NL4E2	Galaxy	Single Voltage - 16 control / 16 aux outputs 12A@12V or 6A@24V. Enclosure(E2) 20H x 16W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,494.00
FPO150/250-2D82M8NL4E4	Galaxy	Dual Voltage - 16 control / 16 aux outputs 12A@12 & 10A@24V. Enclosure(E4) 24H x 20W x 4.5D, Fused Lock Output, Network Managed	Each	$ 1,953.00
RD150-16N	Galaxy	Rack mount DC 12V@12A or 24V@6A with 16 egress lock outputs, network monitoring	Each	$ 1,215.00
RD250-16N	Galaxy	Rack mount DC 12V@20A or 24V@10A with 16 egress lock outputs, network monitoring	Each	$ 1,233.00
RD250/250-16N	Galaxy	Rack mount DC dual voltage: 12V@20A and 24V@10A with 16 egress lock outputs, network monitoring	Each	$ 1,798.20
RBE	Galaxy	Rackmount Battery Enclosure. Fits up to four (4) 12VDC 8 amp hour batteries and can be configured for 12V, 24V, or simultaneous 12 and 24V use	Each	$ 531.00
FPO75-E1	Galaxy	75W power supply 6A/12V or 3A/24V, E1 enclosure	Each	$ 358.20

FPO75-E2	Galaxy	75W power supply 6A/12V or 3A/24V, E2 enclosure	Each	$ 414.00
FPO150-E1	Galaxy	150W power supply 12A/12V or 6A/24V E1 enclosure	Each	$ 468.00
FPO150-E2	Galaxy	150W power supply 12A/12V or 6A/24V E2 enclosure	Each	$ 531.00
E1	Galaxy	E1 enclosure size 12W x 14H x 4.5D	Each	$ 207.00
E2	Galaxy	E2 enclosure size 16W x 20H x 4.5D	Each	$ 273.60
E4	Galaxy	E4 enclosure size 20W x 24H x 4.5D	Each	$ 306.00
E5	Galaxy	E5 enclosure size 8.5W x 11H x 3D	Each	$ 126.00
90-0725-00	Galaxy	75W power supply board, 6A/12V or 3A/24V	Each	$ 228.60
FPO150	Galaxy	150W power supply board, 12A/12V or 6A/24V	Each	$ 387.00
FPO250	Galaxy	250W power supply board, 20A/12V or 10A/24V	Each	$ 486.00
D8	Galaxy	8 DC auxiliary outputs fused at 3A per output, each output selectable for Bus1 or Bus2	Each	$ 54.00
D8P	Galaxy	8 DC auxiliary outputs class 2 power limited at 2.5A per output, each output selectable for Bus1 or Bus2	Each	$ 54.00
F8	Galaxy	8 FAI controlled outputs fused at 3A per output, each output selectable for FAI, failsafe, fail-secure, Bus1 or Bus2	Each	$ 63.00
F8P	Galaxy	8 FAI controlled outputs class 2 power limited at 2.5A per output, each output selectable for FAI, failsafe, fail-secure, Bus1 or Bus2	Each	$ 63.00
C4	Galaxy	4 relay lock control outputs fused at 3A per output, each output selectable for FAI, fail-safe, failsecure, Bus1 or Bus2	Each	$ 93.60
C4P	Galaxy	4 relay lock control outputs class 2 power limited at 2.5A per output, each output selectable for FAI, fail-safe, fail-secure, Bus1 or Bus2	Each	$ 93.60
C8	Galaxy	8 relay lock control outputs fused at 3A per output, each output selectable for FAI, fai-safe, fail-secure, Bus1 or Bus2	Each	$ 118.80
B100	Galaxy	Secondary voltage power supply, 5-18V adjustable @ 4A max, class 2 power limited output	Each	$ 81.00
NPM130	Galaxy	Single port PoE midspan Injector (30W) IEEE.803at	Each	$ 124.20
M8	Galaxy	Eight output smart distribution module, fused at 3A per output (Requires NL4 Network Module)	Each	$ 300.60
M8P	Galaxy	Eight output smart distribution module, class 2 power limited at 2.5A per output (Requires NL4 Network Module)	Each	$ 300.60
NL4	Galaxy	Four port network monitoring module	Each	$ 462.60
RB8	Galaxy	Relay board for DC system. Current rating 8A	Each	$ 55.80
A05-005	Galaxy	AC Cable set (2)	Each	$ 32.40
A05-302	Galaxy	Camlock Set (3)	Each	$ 23.40
A05-304	Galaxy	Tamper Switch	Each	$ 13.95
EL-96000-SVM10	Galaxy	SVM™ (main application) per workstation, includes Free Administrator™ software (admin/reporting) • SVM is the main application for processing visitors (ID scanning, record creation, badge printing, check in and check out, etc.). • Customers must purchase 1 copy of SVM for every workstation (Windows XP or 7) where they wish to create new visitor records, print badges, etc. • The SVM database (MSDE, SQL Express, SQL Server or Oracle) can reside on any computer on the network (server is recommended), and any number of SVM workstations can share a central database. • NOTE: SVM is not installed on the server, only the SVM database goes on a server.	Each	$ 4,590.00
EL-96300-ADM10	Galaxy	Administrator™ (additional licenses) per workstation • Administrator is an enterprise-class, central administration utility for SVM. It provides the user with administration, monitoring and reporting functionality against the SVM database. Administrator is a separate application from SVM, and can be installed on any workstation that has network access to the SVM database. • Customers get 1 free copy of Administrator with each copy of SVM they buy. If a customer requires additional copies of Administrator, those can be purchased separately.	Each	$ 918.00

EL-98000-EADV10	Galaxy	eAdvance™ (web pre-registration) per web server • eAdvance is a web-based application that allows authorized employees to pre-register visitors through a simple web browser form on their own computer. The customer has full control over which employees are granted access to eAdvance, and whether the registrations entered by certain employees need to be approved by someone else in the company before being added to the SVM database. • eAdvance is sold as an enterprise license; customers only need 1 copy regardless of how many SVM stations they deploy or how many employees they have. • eAdvance is installed on a web server running Microsoft IIS. • For customers that do not have their own web server, EasyLobby provides a hosting service for an annual fee.	Each	$ 5,607.00
EL-96200-SAT	Galaxy	Satellite™ (check point station) per workstation • Satellite is used to control and monitor entry and exit at one or more internal locations or "check points" for visitors who have already been badged at an SVM workstation. Upon arrival at a Satellite station, the visitor badge is scanned (via barcode), and the Satellite station will display the visitor's photo, name and Clearance level and immediately inform the operator whether to allow the visitor entry into that area or whether to deny entry. The Clearance level is assigned to each visitor when they are badged by SVM. Satellite time stamps the visitor's entry and exit at that station via barcode scan. Satellite can also be used with EasyLobby's Gate Controller solution to open up to 4 gates or turnstiles or doors when a valid barcoded badge is scanned/read at those devices. • Customers must purchase 1 copy of Satellite for each location where this type of internal control and monitoring is desired • Satellite cannot create new visitor records, modify existing records, or print badges; it is a supplement to the SVM security architecture, not a substitute for SVM.	Each	$ 1,863.00
EL-97000-EKIOSK	Galaxy	eKiosk™ Web-based self-registration software for iPad and other tablet computer SVM software can also run in Kiosk mode (for unattended self-registration)	Each	$ 3,681.00
EL-AST-UPDATEA	Galaxy	AssureTec PRO software library updates for 1 year (data and authentication)	Each	$ 1,425.60

XNP-C9310R	Hanwha	Powered by WN7 and AI,8MP (4K UHD) @ 30FPS resolution, 6.91mm~214.64mm (31x) lens with Wise AF intelligent autofocus, adaptive Wise IR (250m), extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG triple codec with WiseStream III (based on AI engine) support, Analytics events based on AI engine:Object detection (Person/Face/ Vehicle/License plate), Virtual line (Crossing/ Direction), Virtual area (Loitering/Intrusion/Enter/Exit), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), AI object auto-tracking (Person/Vehicle) with target lock tracking, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IP67, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, PoE++/HPoE injector included, Operating Temperature -50°C~+55°C (-58°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 4,335.00
XNP-C9253	Hanwha	Powered by WN7 PTZ Plus with AI, 4K @ 30FPS resolution, 5mm~125mm (25x) lens, extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), Object auto-tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, Power: PoE+, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 3,825.00
XNP-9250	Hanwha	Powered by WN7 PTZ Plus with AI, 4K @ 30FPS resolution, 5mm~125mm (25x) lens, extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), Object auto-tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, Power: PoE+, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 3,655.00
XNO-A9084R	Hanwha	Powered by WN9, Outoor Network AI IR Vandal Bullet Camera, 8MP resolution @ 30FPS, 4.4~9.3mm(2.1x), (113°~47°) motorized varifocal lens, H.265/H.264/MJPEG codec, IR viewable length 40m (131.2ft), USB-C port for easy installation, Day & Night (ICR), extremeWDR (120dB), Hard-coated dome bubble, DIS with built-in gyro sensor, Handover, AI-based WiseStream, WiseNR Ⅱ (using AI engine), Dynamic privacy mask, IVA events based on AI engine (Motion & Object detection, Line crossing, IVA area, Slip & Fall, Sound classification), Classified object types (Person/Face/Vehicle/License plate), Object attributes (Person: Gender/Top/Bottom clothing color/Bag, Face: Age/Gender/Mask/Glasses, Vehicle: type/color), BestShot, Analytics events (Defocus, Motion, Tampering, Fog, Audio & Shock detection), AI-based business intelligence (People/Vehicle/Crowd counting, Queue management, Heatmap), Built-in microSD card slot (Up to 1TB), IP66/IP67, IK10, NEMA 4X, NEMA-TS 2(2.2.7.2-8, 2.2.8, 2.2.9), Operating temp: -40°C~+60°C (-40°F~+140°F), Power: PoE, Metal shielded RJ-45.	Each	$ 1,360.00

XNO-C9083R	Hanwha	Powered by WN7, Outdoor Network AI IR Bullet Camera, 4K resolution @ 30FPS, 4.4~9.3mm(2.1x) (112.1°~47.5°) motorized varifocal lens, Triple codec (H.265/H.264/MJPEG), IR viewable length 40m (131.2ft), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Hard-coated window, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/Licence plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, UL CAP certified, P66, IP67, NEMA4X, IK10, Operating temperature: -40°C~+55°C(-40°F ~ +131°F) Power: PoE/12VDC, Metal shielded RJ-45	Each	$ 1,530.00
XNO-9083R	Hanwha	Powered by WN7, X-Plus series, Outdoor Network AI IR Bullet Camera, 4K resolution @ 30FPS, 4.4~9.3mm(2.1x) (112.1°~47.5°) motorized varifocal lens, Triple codec (H.265/H.264/MJPEG), IR viewable length 50m (164ft), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Hard-coated window, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, FIPS 140-2, 2x micro SD card (512GB x2), P66, IP67, NEMA4X, IK10, Operating temperature: -50°C~+60°C(-58°F ~ +140°F), Power: PoE+/12VDC, Metal shielded RJ-45	Each	$ 1,657.50
XNO-9082R	Hanwha	Wisenet 7 X series network IR bullet camera, 4K (8MP Max) @ 30fps, motorized vari-focal lens 3x (2.8~8.4mm), triple codec H.265/H.264/MJPEG with WiseStreamII technology, Extreme WDR, USB and CVBS port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 131.23', shock detection, audio playback, true D/N, dual SD cards slots, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/24VAC/PoE, IP67/IP66, IK10, Nema 4X, -50°C ~ +60°C (-58°F ~ +140°F)	Each	$ 1,487.50
XND-A9084RV	Hanwha	Powered by WN9, Indoor Network AI IR Dome Camera, 8MP resolution @ 30FPS, 4.4~9.3mm (2.1x), (113°~47°) motorized varifocal lens, H.265/H.264/MJPEG codec, IR viewable length 40m (131.2ft), USB-C port for easy installation, Day & Night (ICR), extremeWDR (120dB), Hard-coated dome bubble, DIS with built-in gyro sensor, Handover, AI-based WiseStream, WiseNR Ⅱ (using AI engine), Dynamic privacy mask, IVA events based on AI engine (Motion & Object detection, Line crossing, IVA area, Slip & Fall, Sound classification), Classified object types (Person/Face/Vehicle/License plate), Object attributes (Person: Gender/Top/Bottom clothing color/Bag, Face: Age/Gender/Mask/Glasses, Vehicle: type/color), BestShot, Analytics events (Defocus, Motion, Tampering, Fog, Audio & Shock detection), AI-based business intelligence (People/Vehicle/Crowd counting, Queue management, Heatmap), Built-in microSD card slot (Up to 1TB), IP52, IK10, Operating temperature: -10°C~+50°C (14°F~+122°F), Power: PoE, Metal shielded RJ-45.	Each	$ 1,232.50
XND-C9083RV	Hanwha	Powered by WN7, Indoor Network AI IR Dome Camera, 4K resolution @ 30FPS, 4.4~9.3mm(2.1x) (112.1°~47.5°) motorized varifocal lens, Triple codec (H.265/H.264/MJPEG), IR viewable length 40m (131.2ft), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Hard-coated dome bubble, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, IP52, IK08, Operating temperature: -10 °C ~ 50 °C(14°F ~ +122°F), Power: PoE/12VDC, Metal shielded RJ-45	Each	$ 1,360.00

XNV-A9084R	Hanwha	Powered by WN9, Outdoor Network AI IR Vandal Dome Camera, 8MP resolution @ 30FPS, 4.4~9.3mm (2.1x), (113°~47°) motorized varifocal lens, H.265/H.264/MJPEG codec, IR viewable length 40m (131.2ft), USB-C port for easy installation, Day & Night (ICR), extremeWDR (120dB), Hard-coated dome bubble, DIS with built-in gyro sensor, Handover, AI-based WiseStream, WiseNR Ⅱ (using AI engine), Dynamic privacy mask, IVA events based on AI engine (Motion & Object detection, Line crossing, IVA area, Slip & Fall, Sound classification), Classified object types (Person/Face/Vehicle/License plate), Object attributes (Person: Gender/Top/Bottom clothing color/Bag, Face: Age/Gender/Mask/Glasses, Vehicle: type/color), BestShot, Analytics events (Defocus, Motion, Tampering, Fog, Audio & Shock detection), AI-based business intelligence (People/Vehicle/Crowd counting, Queue management, Heatmap), Built-in microSD card slot (Up to 1TB), IP66/IP67, IK10, NEMA 4X, NEMA-TS 2(2.2.7.2-8, 2.2.8, 2.2.9), Operating temp: -40°C~+50°C (-40°F~+122°F), Power: PoE, Metal shielded RJ-45. XND-9082RF	Hanwha	Wisenet 7 X-plus series network IR flush mount camera (plenum), 4K (8MP Max) @ 30fps, motorized vari-focal lens 3x (2.8~8.4mm), triple codec H.265/H.264/MJPEG with WiseStreamII technology, Extreme WDR, USB and CVBS port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 131.23', shock detection, audio playback, true D/N, dual SD cards slots, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, IP52, IK10, -25°C ~ +60°C (-13°F ~ +140°F)	Each	$ 1,275.00
XND-9082RV	Hanwha	Wisenet 7 X-plus series network IR vandal indoor camera, 4K (8MP Max) @ 30fps, motorized vari-focal lens 3x (2.8~8.4mm), triple codec H.265/H.264/MJPEG with WiseStreamII technology, Extreme WDR, USB and CVBS port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 131.23', shock detection, audio playback, true D/N, dual SD cards slots, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, IP52, IK10, -25°C ~ +60°C (-13°F ~ +140°F)	Each	$ 1,275.00
XNB-9003	Hanwha	Powered by WN7, X-Plus series, Box Camera, 8MP resolution @ 30FPS, Triple codec (H.265/H.264/MJPEG), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, FIPS 140-2, 2x micro SD card (512GB x2), Operating temperature: -10 °C ~ 55 °C(14°F ~ +131°F), Power: PoE+/12VDC, Metal shielded RJ-45	Each	$ 977.50
XNB-9002	Hanwha	Wisenet 7 X series network box camera, 4K (8MP Max) @ 30fps, triple codec H.265/H.264/MJPEG with WiseStreamII technology, Extreme WDR, USB and CVBS port for easy installation, advanced video analytics, sound classification and business analytics, shock detection, audio playback, true D/N, dual SD cards slots, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/24VAC/PoE, -10°C ~ +55°C (+14°F ~ +131°F)	Each	$ 850.00
XNF-9010RS	Hanwha	Stainless steel Fisheye, powered by WN7, 1/2.3" 12MP CMOS, Max resolution 3008x3008 @ 30FPS, 1.08mm fixed focal lends, Stereo graphic type lens, enhanced resolution for the peripheral regions, H.265, H.264, MJPEG codec supported, Fisheye, Single panorama, Double panorama, Quad view, On board dewarping, Digital PTZ, extreme WDR (120dB), WiseStream Ⅱ support, Wise IR, IR viewable length 26.2' (8m), Virtual channel support, selectable I/O port, Video Analytics, Heatmap, People counting, Queue management, Nylon dome, Handover, IP66/IP67/IP6K9K/IK10/NEMA4X, PoE, 12VDC	Each	$ 1,827.50
XNF-9013RV	Hanwha	Powered by WN7, 1/2.3" 12MP CMOS, Max resolution 3008x3008 @ 30FPS, 1.08mm fixed focal lens, Stereo graphic type lens, enhanced resolution for the peripheral regions, H.265, H.264, MJPEG codec supported, Fisheye, Single panorama, Double panorama, Quad view, On board dewarping, Digital PTZ, extreme WDR (120dB), WiseStream III support, Wise NR II, IR viewable length 42' (13m), Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Virtual channel support, selectable I/O port, Video Analytics, Heatmap, People counting, Queue management, Hard coated dome cover, Handover, IP66/IK10/NEMA4X, PoE+ (Wise Power), 12VDC	Each	$ 1,173.00

QNF-C9010	Hanwha	Q Series Network Indoor Fisheye Dome Camera, 12MP sensor, Max resolution 3008x3008 @ 20fps, 1.76mm fixed lens, H185°/V185°, H.265/H.264/MJPEG codec, WiseStreamIII (Based on AI engine), WiseNR Ⅱ (Based on AI engine), extremeWDR (120dB), Digital rotation, AI based motion detection, Classified object type: Person/Vehicle, Object attributes (Person: Top/Bottom Clothing Color, Vehicle: Color), IVA events based on AI engine: Virtual line (Crossing/Direction), Virtual area (Loitering/Intrusion/Enter/Exit/(Dis)Appear), BestShot, Analytics events (Defocus, Tampering), AI-based business intelligence (Heatmap, Queue management, People counting), Built-in microSD Card slot (Up to 256GB), IP42, Operating temp: -10°C~+40°C (+14°F~+104°F), Power: PoE, RJ45.	Each	$ 807.50
QNF-C9010V	Hanwha	Q Series Network Outdoor Fisheye Dome Camera, 12MP sensor, Max resolution 3008x3008 @ 20fps, 1.76mm fixed lens, H185°/V185°, H.265/H.264/MJPEG codec, WiseStreamIII (Based on AI engine), WiseNR Ⅱ (Based on AI engine), extremeWDR (120dB), Digital rotation, AI based motion detection, Classified object type: Person/Vehicle, Object attributes (Person: Top/Bottom Clothing Color, Vehicle: Color), IVA events based on AI engine: Virtual line (Crossing/Direction), Virtual area (Loitering/Intrusion/Enter/Exit/(Dis)Appear), BestShot, Analytics events (Defocus, Tampering), AI-based business intelligence (Heatmap, Queue management, People counting), Built-in microSD Card slot (Up to 256GB), IP66, IK10, NEMA 4X, Operating temp: -40°C~+55°C (-40°F~+131°F), Power: PoE, RJ45.	Each	$ 935.00
XNF-9010RV	Hanwha	Powered by WN7, 1/2.3" 12MP CMOS, Max resolution 3008x3008 @ 30FPS, 1.08mm fixed focal lends, Stereo graphic type lens, enhanced resolution for the peripheral regions, H.265, H.264, MJPEG codec supported, Fisheye, Single panorama, Double panorama, Quad view, On board dewarping, Digital PTZ, extreme WDR (120dB), WiseStream Ⅱ support, Wise IR, IR viewable length 32.8' (10m), Virtual channel support, Plugin support, selectable I/O port, Video Analytics, Heatmap, People counting, Queue management, Hard coated dome cover, Handover, IP66/IK10/NEMA4X, PoE, 12VDC	Each	$ 1,020.00
XNF-9010RVM	Hanwha	Powered by WN7, 1/2.3" 12MP CMOS, Max resolution 3008x3008 @ 30FPS, 1.08mm fixed focal lends, Stereo graphic type lens, enhanced resolution for the peripheral regions, H.265, H.264, MJPEG codec supported, Fisheye, Single panorama, Double panorama, Quad view, On board dewarping, Digital PTZ, extreme WDR (120dB), WiseStream Ⅱ support, Wise IR, IR viewable length 32.8' (10m), Virtual channel support, Plugin support, selectable I/O port, Video Analytics, Heatmap, People counting, Queue management, Hard coated dome cover, Handover, IP66/IK10/NEMA4X, EN50155 class T3, PoE, 12VDC, supports M12, Special order	Each	$ 1,071.00
TNS-9050IBC	Hanwha	Wisenet T network BCR (Barcode Reader Camera) for Barcode Reading and Video Monitoring. Mono: 4K, Color: 4K. Max 20fps @ 4K MONO/COLOR each. 25mm machine vision lens. Removable and replaceable LED module (32 LEDs module is default) Track barcodes on high speed conveyor belt moving at 2m/s (6.5ft/s). Preinstalled WiseBCR App support Barcode recognition. Currently 1D/2D Bar Code can be recognized(Code128 / Codabar / Interleaved 2 of 5) , M12 8pin Ethernet connect, Humidity control with AIR vent. EN 60068-2-6 (vibration resistance), EN 60068-2-27 (shock resistance). Operating temperature -40°C~+55°C, IP67, IK10, 24VDC.	Each	$ 8,075.00
QNV-C9083R	Hanwha	Wisenet Q network outdoor vandal dome camera, 4K @ 30fps, motorized vari-focal lens 3.2~10.2mm (H: 104°~31° / V: 55°~17°), triple codec H.265/H.264/MJPEG with Wisestream III (Based on AI engine), WiseNR Ⅱ (Based on AI engine), WDR 120dB, IR viewable length 30m (98ft), WiseMD based on AI engine, Classified object type: Person/Vehicle (vehicle type: car/bus/truck/motorcycle/bicycle); IVA events based on AI engine: Virtual line (Crossing/Direction), Virtual area (Loitering/Intrusion/Enter/Exit/(Dis)Appear), *Audio: Selectable(mic in/line in), defocus detection, hallway View, built-in SD card slot (1x256GB), video analytics, USB for easy installation, open platform, IP66, IK10, PoE, Operating temperature -30°C~+55°C(-22°F ~ +131°F) white color. * Alarm I/O and audio is supported through an optional cable (SPP-C7400)	Each	$ 790.50

QNO-C9083R	Hanwha	Wisenet Q network outdoor vandal bullet camera, 4K @ 30fps, motorized vari-focal lens 3.2~10.2mm (H: 104°~31° / V: 55°~17°), triple codec H.265/H.264/MJPEG with Wisestream III (Based on AI engine), WiseNR Ⅱ (Based on AI engine), WDR 120dB, IR viewable length 30m (98ft), WiseMD based on AI engine, Classified object type: Person/Vehicle (vehicle type: car/bus/truck/motorcycle/bicycle); IVA events based on AI engine: Virtual line (Crossing/Direction), Virtual area (Loitering/Intrusion/Enter/Exit/(Dis)Appear), Audio: Selectable(mic in/line in), defocus detection, hallway View, built-in SD card slot (1x256GB), video analytics, USB for easy installation, open platform, IP66, IK10, PoE, Operating temperature -30°C~+55°C(-22°F ~ +131°F) white color	Each	$ 790.50
QNV-C9011R	Hanwha	Wisenet Q mini network outdoor vandal dome camera, 4K @ 30fps, fix lens 3mm (H:108°/V: 59°), triple codec H.265/H.264/MJPEG with Wisestream III (Based on AI engine), WiseNR Ⅱ (Based on AI engine), WDR 120dB, IR viewable length 20m(65.62ft), WiseMD based on AI engine, Classified object type: Person/Vehicle (vehicle type: car/bus/truck/motorcycle/bicycle); IVA events based on AI engine: Virtual line (Crossing/Direction), Virtual area (Loitering/Intrusion/Enter/Exit/(Dis)Appear), defocus detection, hallway View, built-in SD card slot (1x256GB), video analytics, USB for easy installation, open platform, IP66, IK10, NEMA4X, PoE, Operating temperature -40°C~+55°C(-40°F ~ +131°F) white color.	Each	$ 551.65
QNF-9010	Hanwha	Wisenet Q series network Indoor fisheye dome camera, 12MP CMOS sensor, max resolution 3008x3008 @ 30fps, triple codec H.265/H.264/MJPEG with WiseStream II technology, WDR 120dB, business analytics (heatmap and people counting), built-in SD card slot (1x256GB), PoE	Each	$ 807.50
XNP-C8303RW	Hanwha	Powered by WN7 PTZ Plus with AI, 6MP @ 30FPS resolution, 5mm~150mm (30x) lens, build in wiper and adaptive Wise IR (200m), extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), Object auto-tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, PoE++/HPoE injector included, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 4,037.50
XNP-C8253R	Hanwha	Powered by WN7 PTZ Plus with AI, 6MP @ 30FPS resolution, 5mm~125mm (25x) lens, adaptive Wise IR (200m), extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), Object auto-tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, PoE++/HPoE injector included, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 3,782.50
XNP-C8253	Hanwha	Powered by WN7 PTZ Plus with AI, 6MP @ 30FPS resolution, 5mm~125mm (25x) lens, extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Analytics events based on AI engine: Object detection (Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events: Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification (with NW I/O box), Object auto-tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, lens heater for water/snow removal, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2(2.2.7, 2.2.8, 2.2.9), FIPS 140-2, Power: PoE+, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 3,570.00
XNP-8250	Hanwha	Powered by WN7, 6MP @ 30FPS resolution, 5mm~125mm (25x) lens, extreme WDR 120dB, Day & Night ICR, H.265, H.264, MJPEG codec support, Intelligent Analytics, Object auto tracking (Person/Vehicle), Target lock track, BLC, HLC, SSDR, built-in SD card slot (2x512GB), IP66, IK10, NEMA4X, NEMA-TS 2 (2.2.7, 2.2.8, 2.2.9), Power: PoE+, Operating Temperature -40°C~+55°C(-40°F ~ +131°F), (Compatible with I/O Box SPM-4210)	Each	$ 3,400.00

XNO-C8083R	Hanwha	Powered by WN7, Outdoor Network AI IR Bullet Camera, 6MP resolution @ 30FPS, 4.4~9.3mm(2.1x) (112.1°~47.5°) motorized varifocal lens, Triple codec (H.265/H.264/MJPEG), IR viewable length 40m (131.2ft), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Hard-coated window, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/Licence plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, UL CAP certified, P66, IP67, NEMA4X, IK10, Operating temperature: -40°C~+55°C(-40°F ~ +131°F), Power: PoE/12VDC, Metal shielded RJ-45	Each	$ 1,317.50
XNO-8083R	Hanwha	Powered by WN7, X-Plus series, Outdoor Network AI IR Bullet Camera, 6MP resolution @ 30FPS, 4.4~9.3mm(2.1x) (112.1°~47.5°) motorized varifocal lens, Triple codec (H.265/H.264/MJPEG), IR viewable length 50m (164ft), USB port for easy installation, Day & Night (ICR), extremeWDR (120dB), DIS with built-in Gyro sensor, Handover, Hard-coated window, Analytics events based on AI engine: Object detection(Person/Face/Vehicle/License plate), IVA (Virtual line/Area, Enter/Exit, Loitering, direction, intrusion), Analytics events : Defocus detection, Motion detection, Tampering, Fog detection, Audio detection, Sound classification, Shock detection, Appear/Disappear, FIPS 140-2, 2x micro SD card (512GB x2), P66, IP67, NEMA4X, IK10, Operating temperature: -50°C~+60°C(-58°F ~ +140°F), Power: PoE+/12VDC, Metal shielded RJ-45	Each	$ 1,487.50
XNO-8082R	Hanwha	Wisenet 7 X series network IR bullet camera, 6MP @ 30fps, motorized vari-focal lens 3x (2.8~8.4mm), triple codec H.265/H.264/MJPEG with WiseStreamII technology, Extreme WDR, USB and CVBS port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 131.23', shock detection, audio playback, true D/N, dual SD cards slots, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/24VAC/PoE, IP67/IP66, IK10, Nema 4X, -50°C ~ +60°C (-58°F ~ +140°F)	Each	$ 1,317.50

XND-8081REV	Hanwha	Wisenet X powered by Wisenet 5 network IR indoor dome camera with PoE Extender, PoE+ in PoE out, 5MP @30fps, Motorized Varifocal Lens (3.9mm ~9.4mm), triple codec H.265/H.264/MJPEG with WiseStream II technology,WDR 120dB, USB port for easy installation, advanced video analytics and sound classification, true D/N, dual SD card, hallway view, HLC, defog detection, DIS(Gyro), PoE/PoE+ , IP52, IK10, -25°C ~ +60°C (-13°F ~ +140°F)	Each	$ 1,360.00
XNV-8081RE	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor vandal dome camera with PoE Extender, PoE+ in PoE out, 5MP @30fps, Motorized Varifocal Lens (3.9mm ~9.4mm), triple codec H.265/H.264/MJPEG with WiseStream II technology,WDR 120dB, USB port for easy installation, advanced video analytics and sound classification, true D/N, dual SD card, hallway view, HLC, defog detection, DIS(Gyro), PoE/PoE+ , IP66/IP67/IP6K9K, IK10+, NEMA4X, -50°C ~ +60°C (-58°F ~ +140°F)	Each	$ 1,572.50
XNV-8081R	Hanwha	Wisenet X series Plus powered by Wisenet 5 IR network outdoor vandal dome camera, modular structure, 5MP @ 30fps, motorized vari-focal lens 2.6x (3.6~9.4mm) (102.5°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 164', shock detection, audio playback, true D/N, dual SD card, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, optional 24VAC, IP67/IP66/IP6K9K, IK10+, Nema 4X, -50°C ~ +60°C (-58°F ~ +140°F), white color, ivory skin included, optional black skin cover	Each	$ 1,530.00
XND-8081RF	Hanwha	Wisenet X series Plus powered by Wisenet 5 IR network indoor flush mount vandal dome camera, modular structure, 5MP @ 30fps, motorized vari-focal lens 2.6x (3.6~9.4mm) (102.5°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 164', shock detection, audio playback, true D/N, dual SD card, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, IP52, plenum housing	Each	$ 1,317.50
XND-8081RV	Hanwha	Wisenet X series Plus powered by Wisenet 5 IR network indoor vandal dome camera, modular structure, 5MP @ 30fps, motorized vari-focal lens 2.6x (3.6~9.4mm) (102.5°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics, sound classification and business analytics, high powered IR LEDs range of 164', shock detection, audio playback, built-in mic, true D/N, dual SD card, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, IP52, IK10, white color, ivory skin included, optional black skin cover	Each	$ 1,317.50
XNV-8081Z	Hanwha	Wisenet X series Plus powered by Wisenet 5 network outdoor vandal dome camera, modular structure, 5MP @ 30fps, motorized vari-focal lens 2.6x (3.6~9.4mm) (102.5°~38.7°), PTRZ, triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics, sound classification and business analytics, shock detection, audio playback, true D/N, dual SD card, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, optional 24VAC, IP67/IP66/IP6K9K, IK10+, Nema 4X, -50°C ~ +60°C (-58°F ~ +140°F), white color, ivory skin included, optional black skin cover	Each	$ 1,572.50
XND-8081VZ	Hanwha	Wisenet X series Plus powered by Wisenet 5 network indoor vandal dome camera, modular structure, 5MP @ 30fps, motorized vari-focal lens 2.6x (3.6~9.4mm) (102.5°~38.7°), PTRZ, triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics, sound classification and business analytics, shock detection, audio playback, built-in mic, true D/N, dual SD card, hallway view, HLC, defog detection, DIS (Gyro), 12VDC/PoE, IP52, IK10, white color, ivory skin included, optional black skin cover	Each	$ 1,360.00
XNF-8010R	Hanwha	Wisenet X powered by Wisenet 5 network indoor fisheye, 6MP CMOS sensor, 2048x2048 @ 30fps, 1.6mm fixed lens (192°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video, sound classification and business analytics, high powered IR LEDs range of 49', simple focus, dual SD card, HLC, defog detection, DIS, 12VDC/PoE	Each	$ 807.50

XNF-8010RW	Hanwha	Wisenet X powered by Wisenet 5 network indoor fisheye (white color), 6MP CMOS sensor, 2048x2048 @ 30fps, 1.6mm fixed lens (192°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video, sound classification and business analytics, high powered IR LEDs range of 49', simple focus, dual SD card, HLC, defog detection, DIS, 12VDC/PoE, white color	Each	$ 807.50
XNF-8010RV	Hanwha	Wisenet X powered by Wisenet 5 network outdoor vandal fisheye, 6MP CMOS sensor, 2048x2048 @ 30fps, 1.6mm fixed lens (192°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video, sound classification and business analytics, high powered IR LEDs range of 49', simple focus, dual SD card, HLC, defog detection, DIS, 12VDC/PoE, IP66, IK10, -40°C ~ +55°C (-40°F ~ +131°F)	Each	$ 892.50
XNF-8010RVM	Hanwha	Wisenet X powered by Wisenet 5 network mobile vandal fisheye, 6MP CMOS sensor, 2048x2048 @ 30fps, 1.6mm fixed lens (192°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video, sound classification and business analytics, high powered IR LEDs range of 49', simple focus, dual SD card, HLC, defog detection, DIS, For Mobile Application (M12 Connector) RJ45 to M12 adapter is NOT included, 12VDC/PoE, IP66, IK10, -40°C ~ +55°C (-40°F ~ +131°F)	Each	$ 977.50
XNV-8080RSA	Hanwha	Wisenet X powered by Wisenet 5 network IR stainless steel dome camera, 5MP @30fps, motorized vari-focal lens 2.4x (3.9~9.4mm) (92.1°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification, high powered IR LEDs range of 164', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, 12VDC/24VAC/PoE, IP67/IP6K9K/ IK10, Nema 4X, IP6K9K, -40°C ~ +55°C (-40°F ~ +131°F)	Each	$ 1,870.00
XNV-A8084R	Hanwha	Powered by WN9, Outdoor Network AI IR Vandal Dome Camera, 5MP resolution @ 30FPS, 3.3~9.3mm (2.8x), (113°~47°) motorized varifocal lens, H.265/H.264/MJPEG codec, IR viewable length 40m (131.2ft), USB-C port for easy installation, Day & Night (ICR), extremeWDR (120dB), Hard-coated dome bubble, DIS with built-in gyro sensor, Handover, AI-based WiseStream, WiseNR Ⅱ (using AI engine), Dynamic privacy mask, IVA events based on AI engine (Motion & Object detection, Line crossing, IVA area, Slip & Fall, Sound classification), Classified object types (Person/Face/Vehicle/License plate), Object attributes (Person: Gender/Top/Bottom clothing color/Bag, Face: Age/Gender/Mask/Glasses, Vehicle: type/color), BestShot, Analytics events (Defocus, Motion, Tampering, Fog, Audio & Shock detection), AI-based business intelligence (People/Vehicle/Crowd counting, Queue management, Heatmap), Built-in microSD card slot (Up to 1TB), IP66/IP67, IK10, NEMA 4X, NEMA-TS 2(2.2.7.2-8, 2.2.8, 2.2.9), Operating temp: -40°C~+50°C (-40°F~+122°F), Power: PoE, Metal shielded RJ-45.	Each	$ 1,232.50
XNV-8080R	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor vandal dome camera, 5MP @30fps, motorized vari-focal lens 2.4x (3.9~9.4mm) (92.1°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification, high powered IR LEDs range of 164', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, 12VDC/24VAC/PoE, IP67, IK10, Nema 4X, -40°C ~ +55°C (-40°F ~ +131°F)	Each	$ 1,317.50
XNV-8020R	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor vandal dome camera, 5MP @30fps, 3.7mm fixed focal lens (97.5°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification and business analytics, high powered IR LEDs range of 98', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, 12VDC/PoE, IP67, IK10	Each	$ 765.00
XNV-8030R	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor vandal dome camera, 5MP @30fps, 4.6mm fixed focal lens (77.9°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification and business analytics, high powered IR LEDs range of 98', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, 12VDC/PoE, IP67, IK10	Each	$ 765.00
XNV-8040R	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor vandal dome camera, 5MP @30fps, 7mm fixed focal lens (50.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification and business analytics, high powered IR LEDs range of 98', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, 12VDC/PoE, IP67, IK10	Each	$ 765.00

XNO-A8084R	Hanwha	Powered by WN9, Outdoor Network AI IR Vandal Bullet Camera, 5MP resolution @ 30FPS, 3.3~9.3mm (2.8x) (113°~47°) motorized varifocal lens, H.265/H.264/MJPEG codec, IR viewable length 40m (131.2ft), USB-C port for easy installation, Day & Night (ICR), extremeWDR (120dB), Hard-coated dome bubble, DIS with built-in gyro sensor, Handover, AI-based WiseStream, WiseNR Ⅱ (using AI engine), Dynamic privacy mask, IVA events based on AI engine (Motion & Object detection, Line crossing, IVA area, Slip & Fall, Sound classification), Classified object types (Person/Face/Vehicle/License plate), Object attributes (Person: Gender/Top/Bottom clothing color/Bag, Face: Age/Gender/Mask/Glasses, Vehicle: type/color), BestShot, Analytics events (Defocus, Motion, Tampering, Fog, Audio & Shock detection), AI-based business intelligence (People/Vehicle/Crowd counting, Queue management, Heatmap), Built-in microSD card slot (Up to 1TB), IP66/IP67, IK10, NEMA 4X, NEMA-TS 2(2.2.7.2-8, 2.2.8, 2.2.9), Operating temp: -40°C~+60°C (-40°F~+140°F), Power: PoE, Metal shielded RJ-45.	Each	$ 1,232.50
XNO-8080R	Hanwha	Wisenet X powered by Wisenet 5 network IR outdoor bullet camera, 5MP @30fps, motorized vari-focal lens 2.4x (3.7~9.4mm) (100.2°~38.7°), triple codec H.265/H.264/MJPEG with WiseStream II technology, 120dB WDR, USB port for easy installation, advanced video analytics and sound classification, high powered IR LEDs range of 164', true D/N, dual SD card, hallway view, HLC, defog detection, DIS, backbox included, 12VDC/24VAC/PoE, IP67, IK10, Nema 4X, -40°C ~ +55°C (-40°F ~ +131°F)	Each	$ 1,317.50

PNB-A9091RLPH	Hanwha	4K Moderate Speed (up to 75MPH) LPR Box Camera Kit with Enclosure and IR, Licensed with Wisenet Road AI. Max. 4K resolution, 12-50 mm lens, H.265, H.264, MJPEG codec, WiseStream III, Includes PoE+ Camera enclosure with Wall mount and IR LPR + MMCR: Make, Model & Color* Recognition on the Edge. 32GB Micro SD storage for up to 10,000 LPR/Vehicle images, Licensed open platform application for multiple regions/countries (USA, Canada, Mexico, Brazil, Uruguay, Paraguay, Argentina, Colombia, Chile) (* Color recognition only during day time)	Each	$ 3,281.00
PNV-A9081RLP	Hanwha	4K Low-Moderate Speed LPR Vandal Dome Camera with Wisenet Road AI. Max. 4K resolution, 4.5~10mm(2.2x) M-Varifocal(4K) lens, 0.05Lux@F1.6 (Color), 0Lux (B/W, IR LED on), Day & Night(ICR), WDR(120dB), H.265, H.264, MJPEG codec, WiseStream III, POE+, IP66/67/IP6K9K, IK10+, NEMA4X LPR + MMCR: Make, Model & Color* Recognition on the Edge. 32GB Micro SD storage for up to 10,000 LPR/Vehicle images, Licensed open platform application for multiple regions/countries. (* Color recognition only during day time)	Each	$ 2,592.50
TNO-7180RLP	Hanwha	High Speed Global Shutter Camera with Road AI 3MP, Max 60fps @3MP, 6.8~1220mm (18x) motorized varifocal lens, 32GB industrial Micro SD, Embedded Wisenet Road AI application, Adaptive IR, IP66, IK10, NEMA 4X, NEMA TS. (No PoE switch included)	Each	$ 3,825.00
PNO-A9311RLP	Hanwha	4K Low- Moderate Speed dedicated LPR Bullet Camera with Wisenet Road AI, Max. 4K resolution @ 30FPS, 0.05Lux@F1.6 (Color), 0Lux (B/W, IR LED on), WiseIR for LPR plate reads for approx. 200ft (61m), Day & Night(ICR), 6.91~214.64mm (31x) zoom lens, WDR(120dB) H.265, H.264, MJPEG codec, WiseStream Ⅱ, WiseStream Ⅲ (Using AI engine). Operating temperature: -40°C~+55°C(-40°F ~ +131°F), Power: PoE+/12VDC, Metal shielded RJ-45, IP66/IP67, IK10, NEMA4X Road AI, LPR application is pre-installed and licensed on the camera that provides LPR + MMCR (Make, Model & Color*) Recognition on the Edge. (* Color recognition only during day time)	Each	$ 2,975.00

PNO-A9081RLP	Hanwha	4K Low-Moderate Speed LPR Bullet Camera with Wisenet Road AI. TRTN-UA001	Hanwha	Environmental Sensor, Advanced BLE Detection Engine, Multi-Detection Capabilities (Vaping, THC, Aggression, Glass Breakage), Cloud-Integrated, Privacy-Compliant Design, Compatible with Major Security Systems and Dashboards. Real-time environmental monitoring, Detection coverage up to 15m. Precision analytics: Vaping, Aggression, Keyword detection, Health and environmental monitoring. BLE Radar with device tracking for loitering and unauthorized access management. Supported alerts include: Audio detection (Scream/Shout), Keyword triggers, and Smoke/Vape analytics; Installed software features: Customizable API alerts, real-time cloud sync, and 3rd Party VMS or Triton Cloud dashboard. Operating temperature: -20°C to +55°C (-4°F ~ +131°F). Power in: PoE+ (802.3af), Power out: PoE+ (802.3af), 12VDC backup. Modular mounting options for versatile installation. Durable IP66-rated casing, privacy-compliant (no camera).	Each	$ 2,006.00

TRTN-PR001	Hanwha	Enhanced Multi-Detection Capabilities (Vaping, THC, Aggression), Cloud-Integrated, Privacy-Compliant Design, Compatible with Major Security Systems. Detection coverage up to 15m, Precision analytics: Vaping, Keyword detection, Basic environmental monitoring. Supports customizable alerts for vaping, THC detection, and aggression events. Installed software features include real-time cloud sync, customizable API integrations, and a streamlined 3rd Party VMS/Triton dashboard Integration for management and alerts. Operating temperature: -10°C to +50°C (14°F ~ 122°F). Power: PoE+ (802.3af), optional 12VDC. Durable IP65-rated casing, privacy-compliant (no camera).	Each	$ 1,606.50
TRTN-VD001	Hanwha	Triton Vape Detector, Focused Single-Detection Capability for Vaping, Privacy-Compliant Design, Standalone Operation. Designed for environments requiring targeted vape detection with affordability and simplicity in mind. Detection coverage up to 15m. Optimized for high-accuracy vape detection to address vaping in schools, workplaces, and public spaces.Features: Real-time detection with customizable alerts for vape incidents. Integrated with the WAVE/Triton dashboard for monitoring and management. Operating temperature: 0°C to +40°C (32°F ~ 104°F). Power: 12VDC or PoE (802.3af).	Each	$ 1,207.00
TRTN-CL1	Hanwha	1-Year Triton Cloud Service provides seamless cloud integration for real-time monitoring, data storage, and alert management. It enables remote access to device data, scalable management of multiple sensors, and customizable notifications for incidents like vaping, aggression, or environmental changes. This service ensures secure data handling, privacy compliance, and compatibility with Triton dashboards and third-party systems, offering a streamlined and efficient solution for maintaining safety and compliance across facilities.	Each	$ 323.00
TRTN-CL5	Hanwha	5-Year Triton Cloud Service provides seamless cloud integration for real-time monitoring, data storage, and alert management. It enables remote access to device data, scalable management of multiple sensors, and customizable notifications for incidents like vaping, aggression, or environmental changes. This service ensures secure data handling, privacy compliance, and compatibility with Triton dashboards and third-party systems, offering a streamlined and efficient solution for maintaining safety and compliance across facilities.	Each	$ 1,368.50
TRTN-CL10	Hanwha	10-Year Triton Cloud Service provides seamless cloud integration for real-time monitoring, data storage, and alert management. It enables remote access to device data, scalable management of multiple sensors, and customizable notifications for incidents like vaping, aggression, or environmental changes. HV-GS980MX/18HSm	Hanwha	L3 Stackable Switch, 16x 100M/1/2.5/5G-T PoE++, 2x SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products.	Each	$ 4,037.50
HV-GS980MX/10HSm	Hanwha	L3 Stackable Switch, 8x 100M/1/2.5/5G PoE++, 2x SFP+ ports and a single fixed power supply, US Power Cord. Optimized to use with Hanwha network camera products.	Each	$ 3,442.50
HV-GS980MX/52PSm -10	Hanwha	L3 Stackable Switch, 40x 10/100/1000-T PoE+ , 8x 100M/1G/2.5G/5G-T PoE+, 4x SFP+ Ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products.	Each	$ 4,420.00
HV-GS980MX/28PSm-10	Hanwha	L3 Stackable Switch, 20x 10/100/1000-T PoE+ , 4x 100M/1G/2.5G/5G-T PoE+, 4x SFP+ Ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products.	Each	$ 3,740.00
HV-x540L-28XS-10	Hanwha	10 Gigabit Layer 3 Stackable Switch, 28x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 8,457.50
HV-x540L-28XTm-10	Hanwha	10 Gigabit Layer 3 Stackable Switch, 24x 100M/1/2.5/5/10G, 4x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 7,446.00
HV-x530-52GPXm-90	Hanwha	L3 Stackable Switch, 40x 10/100/1000-T PoE+ , 8x 100M/1G/2.5G/5G-T PoE+,4x SFP+ Ports and dual fixed PSU. TAA compliant. Optimized to use with Hanwha network camera products	Each	$ 9,167.25

HV-x250-18XTm-10	Hanwha	10 Gigabit Layer 3 Lite Stackable Switch, 16x 100M/1/2.5/5/10G, 2x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 5,049.00
HV-x250-28XTm-10	Hanwha	10 Gigabit Layer 3 Lite Stackable Switch, 24x 100M/1/2.5/5/10G, 4x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 6,060.50
HV-x250-18XS-10	Hanwha	10 Gigabit Layer 3 Lite Stackable Switch, 18x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 4,420.00
HV-x250-28XS-10	Hanwha	10 Gigabit Layer 3 Lite Stackable Switch, 28x SFP/SFP+ ports and a single fixed PSU, US Power Cord. Optimized to use with Hanwha network camera products	Each	$ 6,060.50
HV-IE360-12GHX- 980	Hanwha	Indusrial switch. 8x 10/100/1000T, 2x 100/1000X SFP, 2x 1/10G SFP+, Industrial Ethernet, Layer 3 Switch, PoE++ Support. TAA compliant. Optimized to use with Hanwha network camera products	Each	$ 3,230.00
HV-DRB50-48-1	Hanwha	DIN Rail Power supply. 50W DC output and 85 to 264V AC input voltage rating. Suitable for TS-35/7.5 and TS-35/15 DIN Rail mounts. Optimized to use with Hanwha network camera products	Each	$ 306.00
AT-GS970M/10PS-R-10	Hanwha	AT 8 x Gigabit Ethernet managed switch, 2 x SFP Uplink PoE+ 124W total PoE budget	Each	$ 722.50
AT-GS970M/18PS-R-10	Hanwha	AT 16 x Gigabit Ethernet managed switch , 2 x SFP Uplink, PoE+ 247W total PoE budget	Each	$ 1,096.50
AT-GS970M/28PS-10	Hanwha	AT 24 x Gigabit Ethernet managed switch, 4X SFP uplink ports, PoE+ 370W total PoE budget	Each	$ 1,445.00
AT-GS980M/52PS-10	Hanwha	AT 48 x Gigabit Ethernet managed Switch, 4x SFP uplink port, PoE+ 740W total PoE budget	Each	$ 2,550.00
AT-x530L-28GPX-90	Hanwha	AT 24 x Gigabit Ethernet PoE+ with advanced management features, 4x10 GB(SFP+) uplink ports, PoE+ 740W total PoE budget (NDAA and TAA compliant)	Each	$ 4,760.00
AT-x530L-28GPX-901	Hanwha	AT 24 x Gigabit Ethernet PoE+ with advanced management features, 4x10 GB(SFP+)uplink ports, PoE+ 740W total PoE budget	Each	$ 4,760.00
HV-x530-28GSX-90	Hanwha	Stackable Multi-Gigabit Layer 3 Dual PSU Switch, 24x. SFP Ports, 4x SFP+ Ports and dual fixed PSU, TAA compliant. Optimized to use with Hanwha network camera products	Each	$ 10,102.25
HV-x950-28XSQ-900	Hanwha	Advanced Layer 3 switch with SFP+ slot x 24- QSFP/QSFP28 slots x 4- Expansion slot x 1- Dual Hotswap PSU Bays. TAA compliant. Optimized to use with Hanwha network camera products	Each	$ 22,270.00
HV-x950-52XSQ-900	Hanwha	Advanced Layer 3 Stackable Switch. 48x 1/10G SFP+ slot, 4x 40/100G QSFP28 slot and 2x PSU bays. PSU must be ordered separately. Purchasing service needed. TAA compliant. Optimized to use with Hanwha network camera products	Each	$ 29,040.25
HV-PWR600-10	Hanwha	600W AC System Power Supply for x950 series switch. US Power cord. Optimized to use with Hanwha network camera products.	Each	$ 2,856.00
HV-PWR800 V2-10	Hanwha	800W AC Hot Swappable Power Supply for AT-x530DP and AT-x930 series switches. US Power cord. Optimized to use with Hanwha network camera products	Each	$ 3,400.00
AT-x530L-52GPX-90	Hanwha	AT 48 x Gigabit Ethernet PoE+ with advanced management features, 4x10GB (SFP+) uplink, 740W total PoE budget (NDAA and TAA compliant)	Each	$ 7,820.00
AT-x530L-10GHXm-90	Hanwha	AT 8 x 1/2.5/5 Gigabit Ethernet PoE++ switch with advanced management features, 2x 10GB (SFP+)uplink, 500W total PoE budget (NDAA and TAA compliant)	Each	$ 6,800.00
AT-x530L-18GHXm-90	Hanwha	AT 16 x 1/2.5/5 Gigabit Ethernet PoE++ switch with advanced management features, 2x 10GB (SFP+) uplink , 720W total PoE budget (NDAA and TAA compliant)	Each	$ 9,010.00
AT-x530DP-28GHXm-10	Hanwha	AT 20 x Gigabit Ethernet 4 x 1/2.5/5 Gigabit Ethernet PoE++ switch with advance management features 4 x 10GB (SFP+) uplink. PoE++ 1480 W total PoE budget. * hot swap psu's sold seperately, can take two psu.	Each	$ 5,695.00
AT-PWR1200	Hanwha	Hot swap power supply for AT-x530DP-28GHXm-10 switch.	Each	$ 3,230.00
AT-IE220-6GHX-K90	Hanwha	AT Industrial rugged switch with 4 x Gigabit Ethernet DIN Rail Mount, PoE++ and optional 2x 10G (SFP+). 180W total PoE budget *Power supply sold separately (NDAA and TAA compliant)	Each	$ 1,955.00
AT-IE220-10GHX-K90	Hanwha	AT Industrial rugged switch with 8 x Gigabit Ethernet, PoE++ and optional 2x 10G (SFP+). 240W total PoE budget *Power supply sold separately (NDAA and TAA compliant)	Each	$ 2,295.00

AT-IE340-12GP-980	Hanwha	AT Industrial rugged switch with 8 x Gigabit Ethernet 4x 1G SFP. PoE+ Total 240W (8/8 PoE at/af) *Power supply sold separately (NDAA and TAA compliant)	Each	$ 2,550.00
AT-IE340-20GP-980	Hanwha	AT Industrial rugged switch with 16 x Gigabit Ethernet 4x 1G SFP. PoE+ Total 240W (16 port PoE af & 8 PoE at) *Power supply sold separately (NDAA and TAA compliant)	Each	$ 3,485.00
AT-IE048-480	Hanwha	AT Power supply for Rugged switches, 480W @48Vdc, Industrial AC/DC power supply, DIN rail mount	Each	$ 850.00
AT-IE048-240	Hanwha	AT Power supply for Rugged switches, 240W @48Vdc, Industrial AC/DC power supply, DIN rail mount	Each	$ 722.50
SWT-G11MGHP	Hanwha	Hardened 11 Port - 2 x 100/1000/2500FX + 1 x 100/1000FX SFP Ports and 8 x 10/100/1000TX Ports Managed Switch, four 1000Mbps TX with 30W PoE, four 1000Mbps TX Combo Ports with 60W PoE, Hardened 48VDC 480Watt (10A) DIN Rail High Temp Power Supply (-40°C to +71°C With -40°C Start-Up) Included	Each	$ 3,272.50
SWT-F11MGHP	Hanwha	Hardened 3 FX SFP 100/1000/2500Mbps FX + 8 Port 10/100Mbps TX Ports Managed Switch 60 Watt PoE, Hardened 48VDC 480Watt (10A) DIN Rail High Temp Power Supply (-40°C to +71°C With -40°C Start-Up) Included	Each	$ 2,635.00
SBP-303HF	Hanwha	RJ-45 to Fiber mounting accessory for PTZ XNP-6320H/6321H, XNP-6550RH and QNP-6230H	Each	$ 228.65
TMC-FSTM1ACM-A	Hanwha	Hardened mini media fiber converter (A),100mbps, ST connector, multi-mode, 1 fiber , power supply included (not hardened), TMC-FSTM1-B required to work as a pair	Each	$ 620.50
TMC-FSTS1ACM-A	Hanwha	Hardened mini media fiber converter (A),100mbps, ST connector, single-mode, 1 fiber, power supply included (not hardened), TMC-FSTS1-B required to work as a pair	Each	$ 722.50
TMC-FSTM1PoEM-A	Hanwha	Hardened media fiber converter (A), 100mbps, ST Connector, multi-mode, 1 fiber, PoE+ output, 48V power supply included (not hardened), TMC-FSTM1-B required to work as a pair	Each	$ 765.00
TMC-FSTS1PoEM-A	Hanwha	Hardened media fiber converter (A), 100mbps, ST Connector, single-mode, 1 fiber, PoE+ output, 48V power supply included (not hardened), TMC-FSTS1-B required to work as a pair	Each	$ 871.25
TMC-FSTM1-B	Hanwha	Hardened media fiber converter (B), cage mountable, 100mbps, ST connector, multi-mode, 1 fiber, power supply included, TMC-FSTM1ACM-A or TMC-FSTM1PoEM-A required to work as a pair	Each	$ 620.50
TMC-FSTS1-B	Hanwha	Hardened media fiber converter (B), cage mountable, 100mbps, ST connector, single-mode, 1 fiber, power supply included, TMC-FSTS1ACM-A or TMC-FSTS1PoEM-A required to work as a pair	Each	$ 722.50
TMC-FSCM1ACM-A	Hanwha	Hardened mini media fiber converter (A),100mbps, SC connector, multi-mode, 1 fiber , power supply included (not hardened), TMC-FSCM1-B required to work as a pair	Each	$ 620.50
TMC-FSCS1ACM-A	Hanwha	Hardened mini media fiber converter (A),100mbps, SC connector, single-mode, 1 fiber, power supply included (not hardened), TMC-FSCS1-B required to work as a pair	Each	$ 722.50
TMC-FSCM1PoEM-A	Hanwha	Hardened media fiber converter (A), 100mbps, SC Connector, multi-mode, 1 fiber, PoE+ output, 48V power supply included (not hardened), TMC-FSCM1-B required to work as a pair	Each	$ 765.00
TMC-FSCS1PoEM-A	Hanwha	Hardened media fiber converter (A), 100mbps, SC Connector, single-mode, 1 fiber, PoE+ output, 48V power supply included (not hardened), TMC-FSCS1-B required to work as a pair	Each	$ 871.25
TMC-FSCM1-B	Hanwha	Hardened media fiber converter (B), cage mountable, 100mbps, SC connector, multi-mode, 1 fiber, power supply included, TMC-FSCM1ACM-A or TMC-FSCM1PoEM-A required to work as a pair	Each	$ 620.50
TMC-FSCS1-B	Hanwha	Hardened media fiber converter (B), cage mountable, 100mbps, SC connector, single-mode, 1 fiber, power supply included, TMC-FSCS1ACM-A or TMC-FSCS1PoEM-A required to work as a pair	Each	$ 722.50
TMC-GSFPM	Hanwha	10/100/1000Mbps Multi-Rate media converter, SFP, 100FX/1000FX selectable, small size, SFP module required	Each	$ 956.25
TMC-GSFP	Hanwha	10/100/1000Mbps Multi-Rate media converter, SFP, 100FX/1000FX selectable, SFP module required	Each	$ 956.25
TMC-GSFPPoEM	Hanwha	10/100/1000Mbps Multi-Rate media converter, SFP, 100FX/1000FX selectable, small size, PoE+, SFP module required	Each	$ 1,041.25
TMC-FSFPPoE30M	Hanwha	Hardened 100Mbps Media Converter, SFP, 48V PoE, Power Supply Included. 30w output, SFP module required	Each	$ 646.00
SFP-GRJC	Hanwha	Copper 10/100/1000Mbps RJ45, MSA Compliant	Each	$ 191.25
SFP-FLCM202	Hanwha	100Mbps, 1310nm, 2km, LC, 2 Fiber, Multi Mode, MSA Compliant	Each	$ 136.00
SFP-FLCS220	Hanwha	100Mbps, 1310nm, 20km, LC, 2 Fiber, Single Mode, MSA Compliant	Each	$ 144.50
SFP-FSCM102-A	Hanwha	100Mbps, 1310nm, 2km, SC, 1 Fiber, Pair with SFP-FSCM102-B, Multi Mode, MSA Compliant	Each	$ 221.00

Certificate Disclaimer

Alliant Insurance has recently updated their Certificate of Liability procedures to minimize unnecessary errors and to help clients and certificate holders understand the limitations and provisions outlined in their insurance policies. We will do so by adhering to the recommendations found in the recent Acord form manual and by staying compliant with state statute WAC 284-30-355 and (ORS)744.074(1)(e). Alliant aims to ensure clarity and accuracy in coverage interpretation while also protecting the interests of its clients and certificate holders.

While we can still add specific details such as job numbers, contract names, event dates, or specific locations on certificates, it's crucial to note that Alliant cannot bind our insurers to anything beyond what is specified in the endorsement. If the Additional Insured box is checked, individuals can refer to the Additional Insured endorsement attached to their certificate for detailed coverage information.

Ultimately, coverage is determined by the policy, its terms, and individual endorsements, and as established by the contract between the Named Insured and the Additional Insured. If there are any further inquiries or requests for clarification, please do not hesitate to reach out to us for further assistance.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
Any person or organization you have agreed in a written contract to add as an additional insured on your policy provided the written contract is executed prior to the "bodily injury", "property damage" or "personal and advertising injury"	Premises covered under this policy when required by written contract executed prior to the "bodily injury", "property damage" or "personal and advertising injury"
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
Any person or organization you have agreed in a written contract to add as an additional insured on your policy provided the written contract is executed prior to the "bodily injury", "property damage" or "personal and advertising injury"	Locations and operations covered under this policy when required by written contract executed prior to the "bodily injury", "property damage" or "personal and advertising injury"
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or

2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

Question Responses

Group	Reference Number	Question	Response
BACKGROUND			
	1	The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software, and all hardware is required to be compatible with these two systems.	I acknowledge and agree
	2	MULTIPLE AWARDS: Three (3) separate contract awards will result from this bid. The City may choose more than one Contractor making multiple awards, or the City reserves the option of grouping Contract awards to a single Contractor if most advantageous for the City.	I acknowledge and agree
	2.1	Master Public Works Contract for the install, repair, and upgrades of Security Camera Systems and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal option, not to exceed a total contract period of four years.	I acknowledge and agree

	2.2	Master Value Blanket Contract, to purchase spec'd Security Camera Systems, Video Management Software and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) Year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Payment will be made only for quantities actually ordered, delivered, accepted, or installed by Contractor. Items must adhere to stated specs listed on the Equipment Parts List and Cost Document. No Substitutes or Or-Equals will be considered.	I acknowledge and agree
	2.3	Master Services Contract for software upgrades, security alarm and security camera monitoring systems for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Monitoring may include but is not limited to: security monitoring, fire alarm monitoring, cellular communication, 24-hour automatic testing.	I acknowledge and agree
SUBMISSION OF BIDS			
	#1	Bid Responses shall be submitted electronically through the City of Spokane's bidding portal: https://spokane.procureware.com on or before the Due Date and time mentioned above. Hard, e-mailed or faxed copies and/or late bids shall not be accepted.	ACKNOWLEDGED
	#2	The City of Spokane is not responsible for bids electronically submitted late. It is the responsibility of the Bidder to be sure the bids are electronically submitted sufficiently ahead of time to be received no later than 1:00 P.m. Pacific Local Time, on the Bid Due Date.	ACKNOWLEDGED
	#3	All communication between the Bidder and the City upon receipt of this bid shall be via the "Clarification Tab" within ProcureWare. Any other communication will be considered unofficial and non-binding on the City of Spokane.	ACKNOWLEDGED

SECTION I. BID PREPARATION AND EVALUATION			
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	All materials submitted to the City in response to this competitive procurement shall become the property of the City and therefore public record and are subject to being released pursuant to a valid public records request. Washington state law mandates that all documents used, received, or produced by a governmental entity are presumptively public records, and there are few exemptions. RCW Ch. 41.56.	I acknowledge and agree
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	If you believe that some part of your response constitutes legally protected proprietary information, you MUST submit those portions of your response as a separate part of your response, and you MUST label it as “PROPRIETARY INFORMATION.” If a valid public records request is then received by the City for this information, you will be given notice and a 10-day opportunity to go to court to obtain an injunction to prevent the City from releasing this part of your response. If no injunction is obtained, the City is legally required to release the records.	I acknowledge and agree
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	The City will neither look for nor honor any claims of “proprietary information” that are not within the separate part of your response.	I acknowledge and agree

	SMALL BUSINESS	Bidder (is ___, is not ___) a small business concern. (A small business concern for the purpose of government procurement is a concern, including its affiliates, which is independently owned and operated, is not dominant in the field of operations in which it is bidding on government contracts, and can further qualify under the criteria concerning number of employees, average annual receipts, or other criteria as prescribed by the Small Business Administration).	Is	
	NON-COLLUSION	The Bidder certifies that his/her firm has not entered into any agreement of any nature whatsoever to fix, maintain, increase, or reduce the prices or competition regarding the items covered by this Bid invitation	I Certify	
	CONTRACTOR'S REPRESENTATION	The Contractor by making its Bid represents that it has read and understands the specifications of ITB 6438-25.	I acknowledge and agree	
	QUALIFICATION	Prior to the awards of Contracts, the Contractor shall be required to submit evidence of sufficient facilities, equipment, experience and financial ability to insure completion of the Work, unless waived by the City.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility. Bidder must meet the mandatory bidder responsibility criteria called out in City of Spokane Supplemental Bidder Responsibility Criteria Form to be considered a responsible bidder for the Installation, Repairs and Upgrades master contract.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility Criteria After bid opening and prior to award, the apparent low bidder, or contacted bidders, shall complete, sign and submit this form with attached documentation within twenty four (24) hours of notification.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility Criteria Bidders can choose to Download "Supplemental Bidder Responsibility Criteria Form With Work Experience Form" From The Bids Documents Tab and complete ahead of time. If you choose to complete ahead of time, please upload document here.	Supplemental Bidder Respnsibility - Completed.pdf	

	CJIS REQUIREMENTS	Due to the nature of our offices, we are considered secure locations according to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for "unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.	I acknowledge and I agree. I do not acknowledge and do not agree.	
	WASHINGTON STATE RETAIL SALES TAX.	A. GENERAL CONSTRUCTION. Retail sales tax, when applicable, will be paid as a separate item, and shall not be included in the Bid price. Sales tax shall be added on the amounts due the Contractor and the Contractor shall be responsible for making payment to the State. The City reserves the right to claim any exemption authorized by law.	I acknowledge and agree	
	REJECTION OF BIDS	The City reserves the right to reject any or all Bids, to waive minor deviations from the specifications, to waive minor informalities in Bid process whenever it is in the City's best interest, and to accept or reject all or part of this Request for Bids, at the prices shown.	I acknowledge and agree	
	PUBLIC WORK REQUIREMENTS-INSTALL, REPAIR, AND UPGRADES	The scope of work Install, Repair, and Upgrades for this Project constitutes a public work under state law. Contractors are warned to take into consideration statutory legal requirements, particularly, the payment of State prevailing wages, securing of a payment/performance bond from a Surety, and sales tax implications in making their Bids.	I acknowledge and agree	

	CERTIFICATION OF COMPLIANCE WITH WAGE PAYMENT STATUTES	Before award of a Public works contract, the bidder under consideration for award of a public works project must submit to the public agency a sworn statement that they have not willfully violated wage payment laws within the past three years in order to be considered a responsible bidder. (See RCW 39.04.350 as modified by SSB 5301, Laws of 2017, ch. 258.). This form is titled "Certification of Compliance with Wage Payment Statutes". This form must be submitted upon request by City.	I acknowledge and agree
	REGISTERED CONTRACTOR	The Contractor shall be a Washington State Registered "and" Licensed Contractor at time of Bid submittal.	I acknowledge and agree
	BUSINESS REGISTRATION REQUIREMENT	Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid business registration. The Vendor shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 1-360-705-6741 to obtain a business registration. If the Vendor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at 509-625-6070 to request an exemption status determination	I acknowledge and agree
	GRANT FUNDING/FEDERAL FUNDING	Grant funding and or federal funding may be used to make purchases on these master contracts. Please download, fill out and upload the attachment titled "Attachment 2 - Certification Regarding Debarment and Lobbying Form." This form can be downloaded from the documents section	10242025_ATTACHMENT 2 CERTIFICATION -Addendum - Completed.pdf

	EXCEPTIONS	If you took exception to any of the above, explain in detail.	No exceptions - Please note signed addendum is uploaded with Attachment 2 Certification. I did not see where to upload the signed Addendum

SECTION II. GENERAL REQUIREMENTS - Install, Repair, and Upgrades			
	SCOPE OF WORK	Unless otherwise stated, the Contractor shall furnish all labor, supervision, materials, tools, construction equipment, transportation, and other items of work and costs necessary to complete the specified Work, unless otherwise stated in this bid document.	I acknowledge and agree
	AWARD OF CONTRACT	City Council shall approve award of Contracts. Award of Contracts, when made, will be to lowest responsive responsible bidder based on rates and most favorable service response time. Unsuccessful Contractors will not automatically be notified of results. The contracts awarded from this Request for Bids will be for a 3-year period, with a 1-year renewal optional. The total contract period will not exceed four (4) years.	I acknowledge and agree
	AWARD OF CONTRACT – Install, Repair, and Upgrades	The winning Contractor shall receive a unit priced contract and, upon complete and accepted performance by the Contractor, the City shall issue payment in the applicable amount set forth on the Pricing Page for services performed. Annual spend is estimated at $300,000.00	I acknowledge and agree
	EXECUTION OF CONTRACT	Within ten (10) days of contract award, the Contractor shall sign and return to the City an executed copy of the contract and approved evidence of insurance unless otherwise mutually agreed by the City and Contractor.	I acknowledge and agree
	LIQUIDATED DAMAGES	If the Work is not completed within the stated completion time, the Contractor agrees to pay to the City Liquidated Damages (LD's) in the amount of ZERO ($0.00) for each and every day the Work remains uncompleted.	I acknowledge and agree
	PERMITS	The Contractor shall be responsible for obtaining at its expense all related and necessary permits required by regulatory agencies.	I acknowledge and agree

	GUARANTEE	The Contractor guarantees all work, labor, and materials for one (1) year following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor shall immediately place the work in a satisfactory condition, and further repair all damage caused by the condition or defect at its sole expense. This guarantee shall not apply to work which has been abused or neglected by the City.	I acknowledge and agree
	SUBCONTRACTORS	The Contractor shall not award any portion of the Work to any subcontractor without the City's prior approval. The Contractor shall be fully responsible to the City for the acts, errors, and omissions of its subcontractors. No contractual relationship shall be created between any subcontractor and the City.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	A. Prevailing Wage: The State prevailing rate of wages to be paid to all workmen, laborers or mechanics employed in the performance of any part of this Contract shall be in accordance with the provisions of Chapter 39.12 of the Revised Code of Washington (RCW) and the rules and regulations of the Washington State Department of Labor and Industries (L & I).	I acknowledge and agree

	PUBLIC WORKS REQUIREMENTS	B. Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. On call contracts must have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid must be submitted annually for all work completed within the previous twelve-month period of the unit priced contract. (RCW 35.22.620) Upon the anniversary date of the contract, labor rates may be adjusted according to the revised prevailing wages adopted by the Department of Labor and Industries at that time. In order to calculate the change in prevailing wages due to the Contractor, the Contractor shall provide to the City of Spokane a breakdown of the fully loaded labor rates for each classification of labor including hourly wage rates, fringe benefits, overhead and profit. The City of Spokane shall not pay for any price escalation for overhead, profit, equipment, material, or any other costs except for changes in the prevailing wages. The revised prevailing wages shall be effective for any Work issued after the anniversary date of the contract. The basis of modified prevailing wage rates applicable for the contract shall be calculated and issued in writing by the City of Spokane, but such changes shall not be included in a change order. To the extent that the contract sum changes, a change order will be issued as appropriate.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	C. Prevailing Wage: If apprentices are to be used, they must be registered with the State Apprenticeship Council; otherwise, they are to be paid State prevailing journeyman wages.	I acknowledge and agree

	PUBLIC WORKS REQUIREMENTS	D. Statement of Intent. 1. The Contractor and subcontractors will submit a “Statement of Intent to Pay Prevailing Wages” certified by the industrial statistician of the Department of Labor and Industries, prior to any work or payments. The “Statement of Intent to Pay Prevailing Wages” shall include: (1) the Contractor’s registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Prior to payment of funds held under RCW 39.12.040, the Contractor and subcontractors must submit an “Affidavit of Wages Paid” certified by the industrial statistician annually for all work completed within the previous twelve-month period of the unit priced contract (RCW 35.22.620). Hi Katelyn,
Yes, I noticed that on some of the responses that "I acknowledge and I agree. I do not acknowledge and do not agree" options were combined by mistake. Please let me know if you need anything else. Below are the responses to my questions:

SECTION 1. BID PREPERATION AND EVALUATION

CJIS Requirements: Due to the nature of our offices, we are considered secure locations according to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for "unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.

Importance: High

Hi Lorie,

We received your response to ITB# 6438-25 which will be forwarded to the facilities department for review, as Camtek was the single bidder. I need to clarify a few of the bid questions, as I'm sure you noticed the "I acknowledge and I agree. I do not acknowledge and do not agree" options were combined by mistake on the questions below when I created the bid.

Can you please confirm your selection for the questions listed below?

Subject: ITB# 6438-25 - Clarification Questions
Importance: High

Hi Lorie,

We received your response to ITB# 6438-25 which will be forwarded to the facilities department for review, as Camtek was the single bidder. I need to clarify a few of the bid questions, as I'm sure you noticed the "I acknowledge and I agree. I do not acknowledge and do not agree" options were combined by mistake on the questions below when I created the bid.

Can you please confirm your selection for the questions listed below?

SECTION 1. BID PREPERATION AND EVALUATION
CJIS Requirements: Due to the nature of our offices, we are considered secure locations according

to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for “unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.

SECTION II.GENERAL REQUIREMENTS - Monitoring and Software Upgrades
SCOPE OF WORK: Resulting contract will result in a 3(three) year master contract, with one-year optional renewal. The total contract period will not exceed 4(four) years. This contract will provide monitoring and software upgrade services to multiple city departments. Payment will be made only for quantities actually ordered and accepted. Estimated annual spend is$50,000.

INVOICES: Invoices must be submitted within 30days of performing the work. •Invoices shall include the location and type of services performed • Invoices shall reference and list OPR #2025-XXXX. Payment of invoices shall be contingent upon receipt of sufficient detail to permit identification of the services performed and compliance with contract conditions. Original invoices are required and shall not be approved for payment until all services per request have been satisfactorily performed. Invoices shall be emailed to facilitiesdepartment@spokanecity.org or mailed to the Facilities Management Department, 808 West Spokane Falls., Blvd, Spokane, Washington 99201.

PRICING - Monitoring and Software Upgrades: The winning Contractor shall receive a unit priced contract and, upon complete and accepted performance by the Contractor, the City shall issue payment in the applicable amount set forth on the Monitoring and Software Upgrades Pricing Page for services performed.

BID BOND

We, Camtek, Inc. as Principal, and The Ohio Casualty Insurance Company as Surety, are held and firmly bound unto the CITY OF SPOKANE, a Washington State municipal corporation, in the penal sum of FIVE PERCENT (5%) OF THE TOTAL AMOUNT BID, for the payment of which we jointly and severally bind ourselves, and our legal representatives and successors.

THE CONDITIONS OF THE OBLIGATION are that if the City of Spokane shall make timely award to the Principal for the

Public Works Contract – Installation, Repair and Upgrades of Security Cameras and Access Control Systems

according to the terms of the bid made by the Principal; and the Principal shall, within the specified time, enter into a contract with the City of Spokane and furnish bond(s) acceptable to the City, if required, then this obligation shall be null and void; otherwise it shall remain in full force and effect; but in no event will the surety's liability exceed this bond's face amount.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 24th day of October, 2025.

SUBCONTRACT AGREEMENT

THIS AGREEMENT is effective and made this 15th day of May, 2018, by and between **CAMTEK INC.**, 3815 E. Everett, Spokane, WA 99217 hereinafter called **"CAMTEK"**, and _____, _____ , _____, hereinafter called **"SUBCONTRACTOR"**.

1. THE CONTRACT DOCUMENTS: The Contract Documents, as defined and used in this Agreement, shall include: (a) the contract between the Prime Contractor and the Owner, including any and all terms, general conditions, supplementary conditions, special provisions, plans, technical specifications, or other terms incorporated therein ("the Main Contract"); (b) the subcontract between CAMTEK and the Contractor ("the Subcontract Agreement"); (c) this Lower Tier Subcontract Agreement; and (d) Addenda A and B to this Agreement. All of the terms in the Main Contract, the Subcontract Agreement, this Agreement, and the Addenda are expressly incorporated herein and made a part of this agreement. The Subcontractor agrees to be bound to CAMTEK to the same extent that CAMTEK is bound to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement and to assume to CAMTEK all obligations and responsibilities that CAMTEK owes to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement, to the extent of the Subcontractor's scope of work. Where there is any inconsistency between any terms, conditions, plans, or specifications contained in any of the Contract Documents, the term, condition, plan, or specification that imposes the greatest duty, scope, or responsibility on the Subcontractor shall prevail.

2. THE WORK: The Subcontractor agrees to furnish, perform, and pay for all services, labor, tools, equipment, supplies, and materials necessary to perform the following described

_____
_____.

The Subcontractor further represents and warrants that the work to be done and materials to be furnished Tier Subcontractor shall perform its work hereunder in a neat, skillful and workmanlike manner and the same shall be fit for its intended use both as to workmanship and materials.

3. PRICE AND PAYMENTS:

a. Contract Price. The total amount to be paid by CAMTEK to the Subcontractor for all work under this Agreement is the lump sum amount of **$** _____. The Contract Price is inclusive of all taxes of any kind or nature.

b. Progress Payments. Partial progress payments shall be made in an amount based on the percentage completion of the Subcontractor's work, as determined by CAMTEK and/or the Contractor and/or the Owner. The Subcontractor shall submit payment estimates no later than five (5) business days prior to the date CAMTEK is required to submit its application for payment to Contractor under the Subcontract Agreement. If the Subcontractor fails to provide its payment estimate within the time required, CAMTEK will wait until the next billing cycle before submitting application for payment for the Subcontractor's work. CAMTEK shall withhold five percent (5%) of each progress payment from the Subcontractor to ensure that the Subcontractor has paid all labor, materials, equipment, taxes, premiums, or other obligations and to ensure that the Subcontractor has faithfully performed its obligations under this Agreement. Partial progress payments shall be made within seven (7) days after CAMTEK receives payment from the Contractor for the Subcontractor's work. Receipt of payment from the Contractor is an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement. Receipt by CAMTEK of a fully executed lien release is also an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement.

c. Final Payment. Final payment shall be made to the Subcontractor, including retainage, in accordance with the terms of the Main Contract, the Subcontract Agreement, and any applicable State law. In any event, the following are absolute conditions precedent to the Subcontractor's receipt of final payment: (a) a full and final waiver and release of all claims and liens against the Owner, the Contractor, and CAMTEK from the Subcontractor as well as any lower-tier suppliers or subcontractors; (b) an affidavit that all laborers, subcontractors, suppliers, governmental agencies, taxes, premiums, etc. have been paid by the Subcontractor and its lower-tier suppliers and subcontractors; and (c) CAMTEK's receipt of final payment from the Contractor for the Subcontractor's work.

4. CHANGES TO THE WORK. CAMTEK reserves the right to order or cause any change in scope of this Agreement at any time. The Subcontractor shall proceed with the change upon written direction from CAMTEK. The Subcontractor agrees to perform the work as directed regardless of the Subcontractor's acceptance of the terms determined by the Owner or the Contractor or CAMTEK for the change. In the event the change is the result of the Owner's or Contractor's direction or as a result of some act or omission of the Owner or the Contractor, the Subcontractor shall pursue recovery of any claim for additional compensation in accordance with the pass-through requirements of Section 8.a herein, and in such case, the Subcontractor's recovery against the CAMTEK is expressly limited to the recovery, if any, that CAMTEK obtains from the Owner and/or the Contractor.

5. INSURANCE: Prior to proceeding with any work on site, the Subcontractor shall provide and maintain Workmen's Compensation and Employer's Liability Insurance for the protection of its employees, as required by law as an employer. The Subcontractor shall also provide and maintain in full force and effect during the term of this Subcontract, insurance including but not limited to, insurance covering the operation of automobiles, trucks and other vehicles, protecting the Subcontractor, CAMTEK, the Contractor, and the Owner against liability from damages because of injuries including death, suffered by persons, including employees of the Subcontractor, and liability from damages to property, arising from and growing out of the Subcontractor's operation in connection with the performance of this Subcontract. Said insurance shall include the operation of all automobiles, trucks and other vehicles that may be used in conjunction with the Subcontractor's work, irrespective of whether such equipment is located on the site. The Subcontractor's specific insurance requirements are set forth in Addendum B to this Agreement.

6. SCHEDULE AND PROGRESS AND DELAYS:

a. It is expressly agreed that time is of the essence of this Subcontract. The Subcontractor shall commence performance of its work as required by CAMTEK's or the Contractor's schedule or as otherwise directed or required by CAMTEK or the Contractor. CAMTEK retains the right to decide the time, order, and priority in which the various work items included in the Subcontract shall be performed, and CAMTEK makes no representation, warranty, promise, or guarantee of any kind that the Subcontractor may proceed with its work in any particular sequence. The Subcontractor agrees to cooperate with and coordinate its efforts with CAMTEK and other contractors and subcontractors.

b. The Subcontractor shall be liable to CAMTEK for any losses or expenses from delays caused by the Subcontractor, its agents, employees, or sub-subcontractors, including extended field overhead, extended supervision, extended home office overhead, liquidated damages, etc.

c. If the Subcontractor's work is delayed as a result of any conduct, act, or omission of the Owner or the Contractor, then Subcontractor shall pursue any claim for additional compensation or damages and any request for a time extension in accordance with the notice and claim requirements of the Main Contract and the Subcontract Agreement, and the

Subcontractor's sole remedy for any such claim shall be limited to amounts recovered against the Owner and/or the Contractor.

7. COMPLIANCE WITH LAW: The Subcontractor agrees to fully comply with all Federal, State and Local laws, ordinances and regulations, including but no limited to the Federal Occupational Safety and Health Act ("OSHA") and the Washington Industrial Safety and Health Act ("WISHA").

8. CLAIMS AND DISPUTES:

a. Disputes Involving the Owner or Contractor. If any dispute or controversy shall occur between the parties hereto that CAMTEK determines, in its sole discretion, is the result of some act or omission of the Owner or the Contractor, then the Subcontractor agrees to pursue such dispute or controversy in the manner set forth in the Main Contract, the Subcontract Agreement, or as otherwise required by law to pursue a claim against the Owner or the Contractor. The Subcontractor further agrees to be bound by the resolution of the dispute process with the Owner and/or the Contractor and shall not be entitled to any additional compensation or remedies other than those obtained in the dispute process with the Owner and/or the Contractor. The Subcontractor shall stay any action or arbitration against CAMTEK or its bonding company pending the resolution of any disputes involving the Owner and/or the Contractor.

b. Disputes Not Involving the Owner or Contractor-Arbitration. If any dispute or controversy shall occur between the parties hereto arising out of this Agreement that does not involve the Owner or the Contractor, such dispute shall be resolved pursuant to the construction industry rules of the American Arbitration Association in effect at the time of submission of the dispute to arbitration. The arbitration award shall be final and binding, and judgment may be entered on the award in any court of competent jurisdiction. In the event the Subcontractor commences a lawsuit to perfect any lien or bond rights, the Subcontractor agrees to stay such lawsuit pending submission of the dispute to arbitration. The prevailing party in any dispute arising under Section 7.b. of this Agreement shall be entitled to reimbursement for all attorney fees (or a reasonable sum therefore) and costs, irrespective of commencement of suit or arbitration.

9. TAXES, LICENSES, PERMITS, AND FEES: The Subcontractor shall pay all taxes, licenses, permits, and fees of every nature which may be imposed or charged by a governmental authority upon the labor, material or other things used in the performance of the work or upon the transaction between CAMTEK and the Subcontractor.

10. ASSIGNMENT: The Subcontractor shall not, in whole or in part, assign or subject this Subcontract or the proceeds thereof without the written consent of CAMTEK.

11. DEFAULT AND TERMINATION:

a. Termination by Owner or Contractor. Should the Main Contract or Subcontract Agreement be terminated by the Owner or Contractor in accordance with any provision contained in the Main Contract or the Subcontract Agreement for termination, or should CAMTEK be prevented or excused from continuing to furnish to the Contractor the work and materials hereby required to be provided by the Subcontractor, then this Agreement may at the option of CAMTEK be immediately terminated by CAMTEK. The Subcontractor's right to compensation, if any, shall be determined in accordance with the termination provisions of the Main Contract, the Subcontract Agreement, and Article 8 of this Agreement.

b. Default by Subcontractor. Should the Subcontractor be in any material default of any provisions contained in this Agreement for which the Subcontractor is unwilling or unable to remedy to the satisfaction of CAMTEK, acting reasonably, within five (5) days following receipt of written notice of said material default, CAMTEK may: (a) demand adequate assurance of Subcontractor's ability and/or intent to perform the requirements of this Agreement, which assurance must be provided within three (3) days; (b) supplement the work of the Subcontractor through other means; or (c) terminate this Agreement. In the event the Subcontractor is in any material default, then CAMTEK shall suspend all payments under this Agreement until CAMTEK can determine all losses, damages, claims, or expenses caused by the Subcontractor's default. If the total amount of losses, damages, claims, or expenses exceeds the amount remaining unpaid under this Agreement, then CAMTEK may offset the remaining amount and pursue recovery of the balance of said losses, damages, claims, or expenses against the Subcontractor. If the total amount of losses, damages, claims, or expenses is less than the amount remaining unpaid under this Agreement, then CAMTEK shall pay the remaining amount, after offsetting all such losses, damages, claims, and expenses. In the event CAMTEK's termination of this Agreement is deemed wrongful, the termination shall be treated as one for the convenience of the parties and Subcontractor's remedies shall be limited to the amount available under the termination for convenience provisions of the Main Contract, or if the Main Contract does not contain convenience termination provisions, then the Subcontractor's recovery shall be limited to compensation for the reasonable costs of work performed, plus a reasonable profit on the work actually performed.

12. NON-CONFORMING WORK AND WARRANTY. The Subcontractor warrants the materials and workmanship provided under this Agreement are new and are free from defects and conform to the requirements of the Contract Documents. For a period of one-year from the date of Substantial Completion of the work, as determined by the Owner, or for the warranty period contained in the Main Contract, whichever is greater, the Subcontractor shall make good, at its sole expense, all nonconforming work and all defects due to workmanship and/or materials furnished by the Subcontractor.

13. OTHER TERMS AND CONDITIONS: The following attachments are a part of this Subcontract Agreement. All required forms must be completed and returned with this Subcontract Agreement.

14. MISCELLANEOUS TERMS AND CONDITIONS.

a. Amendments and Waivers. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed by all parties hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

b. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

c. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the laws in force in the State of Washington.

c. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to the subject matter of this Agreement.

d. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement shall remain in full force and effect unless enforcement of the remaining terms defeats the essential purpose of the Agreement.

IN WITNESS WHEREOF the parties hereto have executed this Lower Tier Subcontract Agreement by their proper officers or duly authorized agents.

ADDENDUM A
INDEMNIFICATION ADDENDUM

Subcontractor agrees to defend, indemnify and hold harmless CAMTEK, the Contractor, and the project Owner from any and all claims, demands, losses and liabilities to or by third parties arising from, resulting from or connected with services performed or to be performed under this Lower Tier Subcontract Agreement by Subcontractor, its agents or employees, even though such claims may prove to be false, groundless or fraudulent, to the fullest extent permitted by law and subject to the limitations provided below.

Subcontractor's duty to indemnify CAMTEK, the Contractor, and the project Owner shall not apply to liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of CAMTEK, the Contractor, or the project Owner or their agents or employees. Subcontractor shall have a duty to indemnify CAMTEK, the Contractor, and the project Owner for liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the concurrent negligence of: (a) Subcontractor or its agents or employees, and (b) CAMTEK or its agents or employees, the Contractor or its agents or employees, or the project Owner or its agents or employees, but only to the extent of Subcontractor's negligence.

SUBCONTRACTOR SPECIFICALLY AND EXPRESSLY WAIVES ANY IMMUNITY THAT MAY BE GRANTED IT UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW, OR UNDER ANY OTHER APPLICABLE WORKER'S COMPENSATION LAWS THAT MAY APPLY TO THE WORK. Further, the indemnification obligation under this Subcontract Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefit acts, or other employee benefits acts, provided Subcontractor's waiver or immunity by the provisions of this paragraph extends only to claims against Subcontractor by CAMTEK, the Contractor, or the project Owner, and does not include, or extend to, any claims by Subcontractor's employees directly against Subcontractor.

Defense cost recovery shall include all fees (of attorneys and experts), and costs and expenses incurred in good faith. In addition, CAMTEK shall be entitled to recover compensation for all of its in-house expenses (including materials and labor) consumed in its defense.

THE UNDERSIGNED HEREBY CERTIFY THAT THIS ADDENDUM WAS MUTUALLY NEGOTIATED.

ADDENDUM B
INSURANCE ADDENDUM

Subcontractor shall maintain during the term of this Subcontract Agreement insurance coverage in the following minimum amounts, or that coverage required to be carried under the Main Contract or the Subcontract Agreement, whichever is greater. Subcontractor shall, before commencing work under this Lower Tier Subcontract Agreement, furnish to CAMTEK certificates of insurance naming CAMTEK and any other entity required or designated by the Main Contract or other contract documents as an additional insured.

A.	Workman's Compensation		Statutory
B.	Employer's Liability (Stop Gap Liability)		
		$1,000,000	Each Accident
	Bodily Injury by Accident	$1,000,000	Aggregate Limit
	Bodily Injury by Disease	$1,000,000	Each Employee
	Bodily Injury by Disease		
C.	Commercial General Liability		
	Per Occurrence	$1,000,000	
	General Aggregate	$2,000,000	
D.	Products/Completed Operations Aggregate	$2,000,000	
E.	Automobile Liability - Coverage to include Owned, Non-Owned & Hired Autos		
	Bodily Injury & Property Damage Combined Single Limit		

Such certificate shall indicate that the coverage includes contractual liability applicable to the indemnity provisions of this Lower Tier Subcontract Agreement. CAMTEK shall be provided thirty (30) days prior written notice of cancellation.

Further, if required by the Main Contract or other contract documents, the Owner and other parties shall also be added as additional insureds on Subcontractor's liability policies. **It is the Subcontractor's responsibility to determine what entities are to be named additional insured under the contract documents and cause such entities to be included as additional insureds.**

Such insurance shall be primary to any other liability insurance which CAMTEK , the Contractor and/or the Owner may have. Any insurance maintained by CAMTEK, the Contractor, and the Owner shall be excess and non-contributory with any insurance provided by Subcontractor. Further, the obligation to carry insurance required by this addendum and contract documents shall not limit or modify in any way other obligations assumed by Subcontractor under this Lower Tier Subcontract Agreement. It is Subcontractor' duty to ensure that it is in compliance with the requirements of this Addendum and with the contract documents, and CAMTEK shall not be under any duty to examine policies or certificates or other evidence of Subcontractor's insurance or to advise Subcontractor in the event that Subcontractor's insurance is not in compliance with this Addendum or the contract documents.

INVITATION TO BID #6438-25 – Purchase, Installation, Upgrade, Repair and Monitoring of Security Camera Systems, Video Software and Access Control Systems

This Addendum 1 to the above identified Invitation to provide answers to questions received. Questions are identified with "Q". Answers are identified with "A" and red text.

1. Q: I am wondering where the main RFP document is listed that describes the systems that are in place?

   A: Project information can be found in the "Bid Form" tab under this project in ProcureWare. Reference number 1 in the background section has been updated to say:

   "The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software and all hardware is required to be compatible with these two systems."

2. Q: Are you looking for just monitoring per building? If so, how many buildings?

   A: Anticipated Monitoring services under the monitoring and software upgrades contract are listed in the Monitoring and Software Upgrades Pricing Page uploaded in the documents section in ProcureWare. Contractor shall provide a flat fee per location and specify the billing frequency for each of the monitoring services listed for any location the City may choose to add for monitoring services.

3. Q: What is the current signaling on the monitoring? (POTS, Radio, Cell)

   A: The current signaling is cellular.

PUBLIC WORKS MASTER CONTRACT

Title: **INSTALL, REPAIR AND UPGRADES OF SECURITY CAMERA SYSTEMS**

This Master Contract is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **CAMTEK, INC.**, whose address is 3815 East Everett Avenue, Spokane, Washington 99217, as ("Contractor") individually hereafter referenced as a " Party", and together as the "Parties".

WHEREAS, the purpose of this Contract is to provide Installation, Upgrades, and Repairs of Security Camera Systems and Video Management Software, and Access Control Systems As-Needed; and

WHEREAS, the Contractor has been selected through PW ITB 6438-25 issued by the City.

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Contractor mutually agree as follows:

1. TERM OF CONTRACT.

The term of this Master Contract begins on January 1, 2026, and ends on December 31, 2028, unless amended by written Contract or terminated earlier under the provisions. The contract may be renewed for one (1) additional one-year contract period, not to exceed a total contract period of four (4) years, subject to mutual Contract.

2. TIME OF BEGINNING AND COMPLETION.

The Contractor shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Contract shall not be extended because of delays for which the Contractor is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Contractor's control.

3. SCOPE OF WORK.

The Contractor shall provide Install, Repair, and Upgrades of Security Camera Systems and Video Management Software, in accordance with their response to ITB attached as Exhibit C.

The Work is subject to City review and approval. The Contractor shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed

Work) requested by the City to determine the adequacy of the Work or Contractor's progress.

4. COMPENSATION / PAYMENT.

Total compensation for Contractor's on-call, as needed services under this Contract shall be a maximum amount not to exceed **ONE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS** (**$1,500,000.00**), plus applicable sales tax, in accordance with Response to Request to ITB, attached as Exhibit C. This is the maximum amount to be paid under this Contract for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

The Contractor will send its applications for payment to the City of Spokane Facilities Management Department, facilitiesdepartment@spokanecity.org Attn: Dave Steele. All invoices should include the City Clerk's File No. "OPR XXXX-XXXX" and an approved L & I Intent to Pay Prevailing Wage number. The final invoice should include an approved Affidavit of Wages Paid number. Payment will not be made without this documentation included on the invoice.

5. TAXES, FEES AND LICENSES.

A. Contractor shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Contract. It is the Contractor's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Contract shall be included in the project budgets.

6. PREVAILING WAGES.

A. The State prevailing rate of wages to be paid to all workmen, laborers or mechanics employed in the performance of any part of this Contract shall be in accordance with the provisions of Chapter 39.12 of the Revised Code of Washington (RCW) and the rules and regulations of the Washington State Department of Labor and Industries. (L&I).

B. State of Washington prevailing wage rates applicable for this public works project, which is located in Spokane County, may be found at the following website address of the Department of Labor and Industries:

https//fortress.wa.gov/lni/wagelookup/prvWagelookup.aspx

Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. On call contracts must have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid must be submitted annually for all work completed within the previous twelve-month period of the unit priced contract. (RCW 35.22.620)

Upon the anniversary date of the contract, labor rates may be adjusted according to the revised prevailing wages adopted by the Department of Labor and Industries at that time. In order to calculate the change in prevailing wages due to the Contractor, the Contractor shall provide to the City of Spokane a breakdown of the fully loaded labor rates for each classification of labor including hourly wage rates, fringe benefits, overhead and profit. The City of Spokane shall not pay for any price

escalation for overhead, profit, equipment, material, or any other costs except for changes in the prevailing wages. The revised prevailing wages shall be effective for any Work issued after the anniversary date of the contract. The basis of modified prevailing wage rates applicable for the contract shall be calculated and issued in writing by the City of Spokane, but such changes shall not be included in a change order. To the extent that the contract sum changes, a change order will be issued as appropriate.

C. **PREVAILING WAGES MULTI-YEAR CONTRACTS AND EXTENSION**. For multi-year contracts and/or contract extensions, prevailing wages rates must be updated annually, using the rates in effect at the beginning of each contract year (not calendar year), and intents and affidavits for prevailing wages paid my be submitted annually for all work completed during the previous 12 months. RCW 35.22.620.

D. A payment/performance bond is NOT required.

E. Statutory retainage is NOT required.

7. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Contractor shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

8. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Contractor agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American's With Disabilities Act, to the extent those laws are applicable.

9. INDEMNIFICATION.

The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity–asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Contract, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Consultant's/Contractor's/Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Consultant/Contractor/Company, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought

by the Consultant's/Contractor's/Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and Contract to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this Contract.

10. INSURANCE.

During the period of the Contract, the Contractor shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW Title 48;

A. **Worker's Compensation Insurance** in compliance with RCW 51, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of $1,000,000.

B. **General Liability** on an occurrence basis, with a combined single limit of not less than $1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Contract. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Contractor's services to be provided under this Contract.

i. Acceptable **supplementary Umbrella insurance** coverage combined with Contractor's General Liability insurance policy must be a minimum of $2,000,000, in order to meet the insurance coverage limits required in this Contract; and

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than $1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

D. **Professional Liability Insurance** with a combined single limit of not less than $1,000,000 each claim, incident or occurrence. This is to cover damages caused by the error, omission, or negligent acts related to the professional services to be provided under this Contract. The coverage must remain in effect for at least two (2) years after the Contract is completed.

E. **Cyber/Tech E & O** Technology Errors and Omissions Insurance, which includes Cyber Insurance coverage of not less than $2,000,000.00 per occurrence/aggregate.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Contractor or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Contract, the Contractor shall furnish acceptable Certificates Of Insurance (COI) upon the request of City. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Contractor's services under this Contract, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Contractor shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

11. SUBCONTRACTOR RESPONSIBILITY.

The Contractor must verify responsibility criteria for each first tier subcontractor, and a subcontractor of any tier that hires other subcontractors must verify responsibility criteria for each of its subcontractors. Verification shall include that each subcontractor, at the time of subcontract execution, meets the responsibility criteria listed in RCW 39.04.350(1) and possesses an electrical contractor license, if required by chapter 19.28 RCW, or an elevator contractor license, if required by chapter 70.87 RCW.

12. INDEPENDENT CONTRACTOR.

The Contractor is an independent Contractor. This Contract does not intend the Contractor to act as a City employee. The City has neither direct nor immediate control over the Contractor nor the right to control the manner or means by which the Contractor works. Neither the Contractor nor any Contractor employee shall be an employee of the City. This Contract prohibits the Contractor to act as an agent or legal representative of the City. The Contractor is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Contractor shall pay all income and other taxes as due.

13. ASSIGNMENT AND SUBCONTRACTING.

The Contractor shall not assign or subcontract its obligations under this Contract without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Contractor shall incorporate by reference this Contract, except as otherwise provided. The Contractor shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. **If City approves Contractor's request to utilize a subcontractor/s for a portion of the work to be performed, such approval shall be conditioned upon Contractor obtaining a payment bond for each subcontractor's work in advance of such work being performed and in an amount determined by the City.** The City's consent to any assignment or subcontract does not release the Contractor from liability or any obligation within this Contract, whether before or after City consent, assignment or subcontract.

14. TERMINATION.

Either party may terminate this Contract, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Contractor for all work previously authorized and performed prior to the termination date.

15. STANDARD OF PERFORMANCE.

The standard of performance applicable to Contractor's services will be the degree of skill and diligence normally employed by professional contractors in the region performing the same or similar Contracting services at the time the work under this Contract are performed.

16. ANTI KICK-BACK.

No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Contract.

17. CONSTRUAL.

The Contractor acknowledges receipt of a copy of the Contract documents and agrees to comply with them. The silence or omission in the Contract documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract

shall be construed neither in favor of nor against either party.

18. DEBARMENT AND SUSPENSION.

The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

19. CONTRACTOR'S ACKNOWLEDGEMENT AND WARRANTY.

The Contractor acknowledges that it has visited the site of the work, has examined it, and is qualified to perform the work required by this Contract.

The Contractor guarantees and warranties all work, labor and materials under this Contract for one (1) year following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor will immediately place the work in a condition satisfactory to the City and repair all damage caused by the condition or defect. The Contractor will repair or restore to the City's satisfaction, in accordance with the contract documents and at its expense, all property damaged by his performance under this Contract. This warranty is in addition to any manufacturers' or other warranty in the Contract documents.

20. MISCELLANEOUS PROVISIONS.

A. **Amendments/Modifications**: The City may modify this Contract and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the City, and the Contract time and compensation will be adjusted accordingly.

B. The Contractor, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers.

C. This Contract shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in a court of competent jurisdiction, located in Spokane County, Washington.

D. **Captions**: The titles of sections or subsections are for convenience only and do not define or limit the contents.

E. **Severability**: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Contract shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.

F. **Waiver**: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Contractor after the time the same shall have become due nor payment to the Contractor for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

G. **Entire Contract**: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire Contract between the City and the Contractor. If conflict occurs between Contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement

shall govern and be considered a part of this Contract to afford the City the maximum benefits.

H. **No personal liability**: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Contract, whether expressed or implied, nor for any statement or representation made or in any connection with this Contract.

I. Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all materials received or created by the City of Spokane are ***public records*** and are available to the public for viewing via the City Clerk's Records (online) or a valid Public Records Request (PRR).

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract by having legally-binding representatives affix their signatures below.

Certificate Disclaimer

Alliant Insurance has recently updated their Certificate of Liability procedures to minimize unnecessary errors and to help clients and certificate holders understand the limitations and provisions outlined in their insurance policies. We will do so by adhering to the recommendations found in the recent Acord form manual and by staying compliant with state statute WAC 284-30-355 and (ORS)744.074(1)(e). Alliant aims to ensure clarity and accuracy in coverage interpretation while also protecting the interests of its clients and certificate holders.

While we can still add specific details such as job numbers, contract names, event dates, or specific locations on certificates, it's crucial to note that Alliant cannot bind our insurers to anything beyond what is specified in the endorsement. If the Additional Insured box is checked, individuals can refer to the Additional Insured endorsement attached to their certificate for detailed coverage information.

Ultimately, coverage is determined by the policy, its terms, and individual endorsements, and as established by the contract between the Named Insured and the Additional Insured. If there are any further inquiries or requests for clarification, please do not hesitate to reach out to us for further assistance.

Question Responses

Group	Reference Number	Question	Response
BACKGROUND			
	1	The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software, and all hardware is required to be compatible with these two systems.	I acknowledge and agree
	2	MULTIPLE AWARDS: Three (3) separate contract awards will result from this bid. The City may choose more than one Contractor making multiple awards, or the City reserves the option of grouping Contract awards to a single Contractor if most advantageous for the City.	I acknowledge and agree
	2.1	Master Public Works Contract for the install, repair, and upgrades of Security Camera Systems and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal option, not to exceed a total contract period of four years.	I acknowledge and agree

	2.2	Master Value Blanket Contract, to purchase spec'd Security Camera Systems, Video Management Software and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) Year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Payment will be made only for quantities actually ordered, delivered, accepted, or installed by Contractor. Items must adhere to stated specs listed on the Equipment Parts List and Cost Document. No Substitutes or Or-Equals will be considered.	I acknowledge and agree
	2.3	Master Services Contract for software upgrades, security alarm and security camera monitoring systems for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Monitoring may include but is not limited to: security monitoring, fire alarm monitoring, cellular communication, 24-hour automatic testing.	I acknowledge and agree
SUBMISSION OF BIDS			
	#1	Bid Responses shall be submitted electronically through the City of Spokane's bidding portal: https://spokane.procureware.com on or before the Due Date and time mentioned above. Hard, e-mailed or faxed copies and/or late bids shall not be accepted.	ACKNOWLEDGED
	#2	The City of Spokane is not responsible for bids electronically submitted late. It is the responsibility of the Bidder to be sure the bids are electronically submitted sufficiently ahead of time to be received no later than 1:00 P.m. Pacific Local Time, on the Bid Due Date.	ACKNOWLEDGED
	#3	All communication between the Bidder and the City upon receipt of this bid shall be via the "Clarification Tab" within ProcureWare. Any other communication will be considered unofficial and non-binding on the City of Spokane.	ACKNOWLEDGED

SECTION II. GENERAL REQUIREMENTS - Install, Repair, and Upgrades			
	SCOPE OF WORK	Unless otherwise stated, the Contractor shall furnish all labor, supervision, materials, tools, construction equipment, transportation, and other items of work and costs necessary to complete the specified Work, unless otherwise stated in this bid document.	I acknowledge and agree
	AWARD OF CONTRACT	City Council shall approve award of Contracts. Award of Contracts, when made, will be to lowest responsive responsible bidder based on rates and most favorable service response time. Unsuccessful Contractors will not automatically be notified of results. The contracts awarded from this Request for Bids will be for a 3-year period, with a 1-year renewal optional. The total contract period will not exceed four (4) years.	I acknowledge and agree
	AWARD OF CONTRACT – Install, Repair, and Upgrades	The winning Contractor shall receive a unit priced contract and, upon complete and accepted performance by the Contractor, the City shall issue payment in the applicable amount set forth on the Pricing Page for services performed. Annual spend is estimated at $300,000.00	I acknowledge and agree
	EXECUTION OF CONTRACT	Within ten (10) days of contract award, the Contractor shall sign and return to the City an executed copy of the contract and approved evidence of insurance unless otherwise mutually agreed by the City and Contractor.	I acknowledge and agree
	LIQUIDATED DAMAGES	If the Work is not completed within the stated completion time, the Contractor agrees to pay to the City Liquidated Damages (LD's) in the amount of ZERO ($0.00) for each and every day the Work remains uncompleted.	I acknowledge and agree
	PERMITS	The Contractor shall be responsible for obtaining at its expense all related and necessary permits required by regulatory agencies.	I acknowledge and agree

	GUARANTEE	The Contractor guarantees all work, labor, and materials for one (1) year following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor shall immediately place the work in a satisfactory condition, and further repair all damage caused by the condition or defect at its sole expense. This guarantee shall not apply to work which has been abused or neglected by the City.	I acknowledge and agree
	SUBCONTRACTORS	The Contractor shall not award any portion of the Work to any subcontractor without the City's prior approval. The Contractor shall be fully responsible to the City for the acts, errors, and omissions of its subcontractors. No contractual relationship shall be created between any subcontractor and the City.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	A. Prevailing Wage: The State prevailing rate of wages to be paid to all workmen, laborers or mechanics employed in the performance of any part of this Contract shall be in accordance with the provisions of Chapter 39.12 of the Revised Code of Washington (RCW) and the rules and regulations of the Washington State Department of Labor and Industries (L & I).	I acknowledge and agree

	PUBLIC WORKS REQUIREMENTS	B. Prevailing Wage: The State of Washington prevailing wage rates applicable for this public works project, which is located in Spokane County, may be found at the following website address of the Department of Labor and Industries: https://secure.lni.wa.gov/wagelookup/. Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. On call contracts must have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid must be submitted annually for all work completed within the previous twelve-month period of the unit priced contract. (RCW 35.22.620) Upon the anniversary date of the contract, labor rates may be adjusted according to the revised prevailing wages adopted by the Department of Labor and Industries at that time. In order to calculate the change in prevailing wages due to the Contractor, the Contractor shall provide to the City of Spokane a breakdown of the fully loaded labor rates for each classification of labor including hourly wage rates, fringe benefits, overhead and profit. The City of Spokane shall not pay for any price escalation for overhead, profit, equipment, material, or any other costs except for changes in the prevailing wages. The revised prevailing wages shall be effective for any Work issued after the anniversary date of the contract. The basis of modified prevailing wage rates applicable for the contract shall be calculated and issued in writing by the City of Spokane, but such changes shall not be included in a change order. To the extent that the contract sum changes, a change order will be issued as appropriate.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	C. Prevailing Wage: If apprentices are to be used, they must be registered with the State Apprenticeship Council; otherwise, they are to be paid State prevailing journeyman wages.	I acknowledge and agree

	PUBLIC WORKS REQUIREMENTS	D. Statement of Intent. 1. The Contractor and subcontractors will submit a “Statement of Intent to Pay Prevailing Wages” certified by the industrial statistician of the Department of Labor and Industries, prior to any work or payments. The “Statement of Intent to Pay Prevailing Wages” shall include: (1) the Contractor’s registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Prior to payment of funds held under RCW 39.12.040, the Contractor and subcontractors must submit an “Affidavit of Wages Paid” certified by the industrial statistician annually for all work completed within the previous twelve-month period of the unit priced contract (RCW 35.22.620).	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	E. Filing Fees 1. The Contractor is responsible for the fees for the approval of 1) "Statements of Intent to Pay Prevailing Wages" and 2) "Affidavits of Wages Paid forms and shall make all applications directly to L and I.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	F. Department of Labor and Industries' Public Works and Prevailing Wage Training 1. As of July 1, 2019 contractors must have fulfilled the Department of Labor and Industries' Public Works and Prevailing Wage Training Requirement before bidding and/or performing work on public works projects under RCW 39.04.350 and RCW 39.06.020	I acknowledge and agree

Invoices shall be emailed to facilitiesdepartment@spokanecity.org or mailed to the Facilities Management Department, 808 West Spokane Falls., Blvd, Spokane, Washington 99201.	I acknowledge and agree
RETAINAGE	Pursuant to chapter 60.28 RCW, the City will retain five percent (5%) from the monies earned by the Contractor. This Retainage shall be held as a trust fund for the protection and payment: (1) to the State of taxes and fees owed by the Contractor; and (2) of any person, mechanic, subcontractor, or material man who performs any labor or furnishes any supplies toward the Work. Release of Retainage will be made at a minimum of forty five (45) days following final acceptance of the Work; provided the following conditions are met: a. The City has received from the Contractor and each subcontractor a copy of the “Statement of Intent to Pay Prevailing Wages” and an “Affidavit of Wages Paid”, approved by the State Department of Labor and Industries (L & I). b. On contracts greater than $35,000, the City has received releases from the State Departments of Revenue (DOR), Labor & Industries and Employment Security. c. No claims, as provided by law, have been filed against the Retainage.	I acknowledge and agree

	RETAINAGE	In the event a claim is filed, the Contractor shall be paid a portion of the Retainage, which is less than the amount sufficient to pay the claim and potential legal costs.	I acknowledge and agree
	BID BOND	The bid shall be accompanied by a copy of bid bond/bid security payable to the order of the City of Spokane, in an amount of not less than five percent (5%) of the estimated total contract amount. Bid bonds must be by a surety company authorized to do business as a surety in Washington State. In addition to the bid deposit types included in this section, a bidder may have on file with the City Clerk an annual bid bond approved by the City Attorney. The City reserves the right to request an official copy of the Bid Bond/Bid Security from the awarded supplier, at a later date.	I acknowledge and agree
	BID BOND	Bidder shall upload a copy of Bid Bond/Bid Security here. Bid will be considered non-responsive if not uploaded.	10242025_BID BOND Completed.pdf
	PERFORMANCE AND PAYMENT BOND	The Contractor shall furnish, at its sole expense, a Performance Bond and a Payment Bond equal to one hundred percent (100%) of the estimated 3-year contract price of $900,000.00 (estimated $300,000.00 annually). The bond shall insure faithful and complete performance of the contract and payment of all obligations to laborers and material men arising from the Project. The bond shall be executed by a Surety company authorized to do business in Washington State and shall remain in effect for one (1) year following final acceptance of the Work. Unless approved by the City, the Surety's name shall appear on the United States Treasury Department's list of authorized Sureties - Circular 570.	I acknowledge and agree
	EXCEPTIONS	If you took exception any of the above, explain in detail.	
SECTION III. TECHNICAL REQUIREMENTS - Install, Repair, and Upgrades			

	Performance	Unless otherwise stated, the Contractor will be responsible for the furnishing of all labor, supervision, materials, tools, construction equipment, transportation, and other items of work and costs necessary for the proper performance and completion of the described Work. The apparent silence or omission as to any detail of any Work to be done or materials to be furnished and required for the proper performance of the Work, shall be regarded as meaning that the best general practice is to prevail, and that material and workmanship of the best quality are to be used, and interpretation of the scope of work shall be made upon this basis. Hi Katelyn,
Yes, I noticed that on some of the responses that "I acknowledge and I agree. I do not acknowledge and do not agree" options were combined by mistake. Please let me know if you need anything else. Below are the responses to my questions:

SECTION 1. BID PREPERATION AND EVALUATION

CJIS Requirements: Due to the nature of our offices, we are considered secure locations according to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for "unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.

If the citation was appealed and a decision has been issued, state the case number and the date of the decision.
Part F: Environmental
In the last five (5) years, has the bidder received serious citations from government environmental enforcement agencies on projects for which the bidder was the contractor?
□ Yes ☒ No
If "Yes," attach a separate signed / dated statement describing each serious citation, including information about the dates of the citations, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed and a decision has been issued, state the case number and the date of the decision.
Part G: Utilization Requirements
In the last five (5) years, has it been determined by a government agency that the bidder did not comply with disadvantaged business enterprises, apprenticeship or other similar utilization requirements on public works projects?
□ Yes ☒ No
Part H: Discrimination
Has the bidder or any of its owners, officers or partners been found guilty of violating or failing to comply with discrimination laws in contracting, employment or provision of public services?
□ Yes ☒ No
If "Yes", attach a separate signed / dated statement identifying the type of violation, who was involves, the name of the public agency, year of the investigation, the resolution in court or administrative process, and the grounds for the findings.
Part I. Prevailing Wage
In the last five (5) years, has the bidder received prevailing wage violations as determined by the applicable state or federal government agency monitoring prevailing and/or Davis Bacon wage compliance?
□ Yes ☒ No
If "Yes," attach a separate signed/dated statement listing the prevailing wage violations, along with an explanation of each violation and how it was resolved. The City shall evaluation these explanations and the resolution of each violation to determine whether the violations demonstrate a pattern of failure to pay prevailing wages to workers unless there are extenuating circumstances acceptable to the City.

SUBCONTRACT AGREEMENT

THIS AGREEMENT is effective and made this 15th day of May, 2018, by and between **CAMTEK INC.**, 3815 E. Everett, Spokane, WA 99217 hereinafter called **"CAMTEK"**, and _____, _____ , _____, hereinafter called **"SUBCONTRACTOR"**.

1. THE CONTRACT DOCUMENTS: The Contract Documents, as defined and used in this Agreement, shall include: (a) the contract between the Prime Contractor and the Owner, including any and all terms, general conditions, supplementary conditions, special provisions, plans, technical specifications, or other terms incorporated therein ("the Main Contract"); (b) the subcontract between CAMTEK and the Contractor ("the Subcontract Agreement"); (c) this Lower Tier Subcontract Agreement; and (d) Addenda A and B to this Agreement. All of the terms in the Main Contract, the Subcontract Agreement, this Agreement, and the Addenda are expressly incorporated herein and made a part of this agreement. The Subcontractor agrees to be bound to CAMTEK to the same extent that CAMTEK is bound to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement and to assume to CAMTEK all obligations and responsibilities that CAMTEK owes to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement, to the extent of the Subcontractor's scope of work. Where there is any inconsistency between any terms, conditions, plans, or specifications contained in any of the Contract Documents, the term, condition, plan, or specification that imposes the greatest duty, scope, or responsibility on the Subcontractor shall prevail.

2. THE WORK: The Subcontractor agrees to furnish, perform, and pay for all services, labor, tools, equipment, supplies, and materials necessary to perform the following described

_____
_____.

The Subcontractor further represents and warrants that the work to be done and materials to be furnished Tier Subcontractor shall perform its work hereunder in a neat, skillful and workmanlike manner and the same shall be fit for its intended use both as to workmanship and materials.

3. PRICE AND PAYMENTS:

a. Contract Price. The total amount to be paid by CAMTEK to the Subcontractor for all work under this Agreement is the lump sum amount of **$** _____. The Contract Price is inclusive of all taxes of any kind or nature.

b. Progress Payments. Partial progress payments shall be made in an amount based on the percentage completion of the Subcontractor's work, as determined by CAMTEK and/or the Contractor and/or the Owner. The Subcontractor shall submit payment estimates no later than five (5) business days prior to the date CAMTEK is required to submit its application for payment to Contractor under the Subcontract Agreement. If the Subcontractor fails to provide its payment estimate within the time required, CAMTEK will wait until the next billing cycle before submitting application for payment for the Subcontractor's work. CAMTEK shall withhold five percent (5%) of each progress payment from the Subcontractor to ensure that the Subcontractor has paid all labor, materials, equipment, taxes, premiums, or other obligations and to ensure that the Subcontractor has faithfully performed its obligations under this Agreement. Partial progress payments shall be made within seven (7) days after CAMTEK receives payment from the Contractor for the Subcontractor's work. Receipt of payment from the Contractor is an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement. Receipt by CAMTEK of a fully executed lien release is also an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement.

c. Final Payment. Final payment shall be made to the Subcontractor, including retainage, in accordance with the terms of the Main Contract, the Subcontract Agreement, and any applicable State law. In any event, the following are absolute conditions precedent to the Subcontractor's receipt of final payment: (a) a full and final waiver and release of all claims and liens against the Owner, the Contractor, and CAMTEK from the Subcontractor as well as any lower-tier suppliers or subcontractors; (b) an affidavit that all laborers, subcontractors, suppliers, governmental agencies, taxes, premiums, etc. have been paid by the Subcontractor and its lower-tier suppliers and subcontractors; and (c) CAMTEK's receipt of final payment from the Contractor for the Subcontractor's work.

4. CHANGES TO THE WORK. CAMTEK reserves the right to order or cause any change in scope of this Agreement at any time. The Subcontractor shall proceed with the change upon written direction from CAMTEK. The Subcontractor agrees to perform the work as directed regardless of the Subcontractor's acceptance of the terms determined by the Owner or the Contractor or CAMTEK for the change. In the event the change is the result of the Owner's or Contractor's direction or as a result of some act or omission of the Owner or the Contractor, the Subcontractor shall pursue recovery of any claim for additional compensation in accordance with the pass-through requirements of Section 8.a herein, and in such case, the Subcontractor's recovery against the CAMTEK is expressly limited to the recovery, if any, that CAMTEK obtains from the Owner and/or the Contractor.

5. INSURANCE: Prior to proceeding with any work on site, the Subcontractor shall provide and maintain Workmen's Compensation and Employer's Liability Insurance for the protection of its employees, as required by law as an employer. The Subcontractor shall also provide and maintain in full force and effect during the term of this Subcontract, insurance including but not limited to, insurance covering the operation of automobiles, trucks and other vehicles, protecting the Subcontractor, CAMTEK, the Contractor, and the Owner against liability from damages because of injuries including death, suffered by persons, including employees of the Subcontractor, and liability from damages to property, arising from and growing out of the Subcontractor's operation in connection with the performance of this Subcontract. Said insurance shall include the operation of all automobiles, trucks and other vehicles that may be used in conjunction with the Subcontractor's work, irrespective of whether such equipment is located on the site. The Subcontractor's specific insurance requirements are set forth in Addendum B to this Agreement.

6. SCHEDULE AND PROGRESS AND DELAYS:

a. It is expressly agreed that time is of the essence of this Subcontract. The Subcontractor shall commence performance of its work as required by CAMTEK's or the Contractor's schedule or as otherwise directed or required by CAMTEK or the Contractor. CAMTEK retains the right to decide the time, order, and priority in which the various work items included in the Subcontract shall be performed, and CAMTEK makes no representation, warranty, promise, or guarantee of any kind that the Subcontractor may proceed with its work in any particular sequence. The Subcontractor agrees to cooperate with and coordinate its efforts with CAMTEK and other contractors and subcontractors.

b. The Subcontractor shall be liable to CAMTEK for any losses or expenses from delays caused by the Subcontractor, its agents, employees, or sub-subcontractors, including extended field overhead, extended supervision, extended home office overhead, liquidated damages, etc.

c. If the Subcontractor's work is delayed as a result of any conduct, act, or omission of the Owner or the Contractor, then Subcontractor shall pursue any claim for additional compensation or damages and any request for a time extension in accordance with the notice and claim requirements of the Main Contract and the Subcontract Agreement, and the

Subcontractor's sole remedy for any such claim shall be limited to amounts recovered against the Owner and/or the Contractor.

7. COMPLIANCE WITH LAW: The Subcontractor agrees to fully comply with all Federal, State and Local laws, ordinances and regulations, including but no limited to the Federal Occupational Safety and Health Act ("OSHA") and the Washington Industrial Safety and Health Act ("WISHA").

8. CLAIMS AND DISPUTES:

a. Disputes Involving the Owner or Contractor. If any dispute or controversy shall occur between the parties hereto that CAMTEK determines, in its sole discretion, is the result of some act or omission of the Owner or the Contractor, then the Subcontractor agrees to pursue such dispute or controversy in the manner set forth in the Main Contract, the Subcontract Agreement, or as otherwise required by law to pursue a claim against the Owner or the Contractor. The Subcontractor further agrees to be bound by the resolution of the dispute process with the Owner and/or the Contractor and shall not be entitled to any additional compensation or remedies other than those obtained in the dispute process with the Owner and/or the Contractor. The Subcontractor shall stay any action or arbitration against CAMTEK or its bonding company pending the resolution of any disputes involving the Owner and/or the Contractor.

b. Disputes Not Involving the Owner or Contractor-Arbitration. If any dispute or controversy shall occur between the parties hereto arising out of this Agreement that does not involve the Owner or the Contractor, such dispute shall be resolved pursuant to the construction industry rules of the American Arbitration Association in effect at the time of submission of the dispute to arbitration. The arbitration award shall be final and binding, and judgment may be entered on the award in any court of competent jurisdiction. In the event the Subcontractor commences a lawsuit to perfect any lien or bond rights, the Subcontractor agrees to stay such lawsuit pending submission of the dispute to arbitration. The prevailing party in any dispute arising under Section 7.b. of this Agreement shall be entitled to reimbursement for all attorney fees (or a reasonable sum therefore) and costs, irrespective of commencement of suit or arbitration.

9. TAXES, LICENSES, PERMITS, AND FEES: The Subcontractor shall pay all taxes, licenses, permits, and fees of every nature which may be imposed or charged by a governmental authority upon the labor, material or other things used in the performance of the work or upon the transaction between CAMTEK and the Subcontractor.

10. ASSIGNMENT: The Subcontractor shall not, in whole or in part, assign or subject this Subcontract or the proceeds thereof without the written consent of CAMTEK.

11. DEFAULT AND TERMINATION:

a. Termination by Owner or Contractor. Should the Main Contract or Subcontract Agreement be terminated by the Owner or Contractor in accordance with any provision contained in the Main Contract or the Subcontract Agreement for termination, or should CAMTEK be prevented or excused from continuing to furnish to the Contractor the work and materials hereby required to be provided by the Subcontractor, then this Agreement may at the option of CAMTEK be immediately terminated by CAMTEK. The Subcontractor's right to compensation, if any, shall be determined in accordance with the termination provisions of the Main Contract, the Subcontract Agreement, and Article 8 of this Agreement.

b. Default by Subcontractor. Should the Subcontractor be in any material default of any provisions contained in this Agreement for which the Subcontractor is unwilling or unable to remedy to the satisfaction of CAMTEK, acting reasonably, within five (5) days following receipt of written notice of said material default, CAMTEK may: (a) demand adequate assurance of Subcontractor's ability and/or intent to perform the requirements of this Agreement, which assurance must be provided within three (3) days; (b) supplement the work of the Subcontractor through other means; or (c) terminate this Agreement. In the event the Subcontractor is in any material default, then CAMTEK shall suspend all payments under this Agreement until CAMTEK can determine all losses, damages, claims, or expenses caused by the Subcontractor's default. If the total amount of losses, damages, claims, or expenses exceeds the amount remaining unpaid under this Agreement, then CAMTEK may offset the remaining amount and pursue recovery of the balance of said losses, damages, claims, or expenses against the Subcontractor. If the total amount of losses, damages, claims, or expenses is less than the amount remaining unpaid under this Agreement, then CAMTEK shall pay the remaining amount, after offsetting all such losses, damages, claims, and expenses. In the event CAMTEK's termination of this Agreement is deemed wrongful, the termination shall be treated as one for the convenience of the parties and Subcontractor's remedies shall be limited to the amount available under the termination for convenience provisions of the Main Contract, or if the Main Contract does not contain convenience termination provisions, then the Subcontractor's recovery shall be limited to compensation for the reasonable costs of work performed, plus a reasonable profit on the work actually performed.

12. NON-CONFORMING WORK AND WARRANTY. The Subcontractor warrants the materials and workmanship provided under this Agreement are new and are free from defects and conform to the requirements of the Contract Documents. For a period of one-year from the date of Substantial Completion of the work, as determined by the Owner, or for the warranty period contained in the Main Contract, whichever is greater, the Subcontractor shall make good, at its sole expense, all nonconforming work and all defects due to workmanship and/or materials furnished by the Subcontractor.

13. OTHER TERMS AND CONDITIONS: The following attachments are a part of this Subcontract Agreement. All required forms must be completed and returned with this Subcontract Agreement.

ATTACHMENT A	INDEMNIFICATION ADDENDUM
ATTACHMENT B	INSURANCE ADDENDUM
ATTACHMENT C	SUBCONTRACTOR VERIFICATION AND INFORMATION

14. MISCELLANEOUS TERMS AND CONDITIONS.

a. Amendments and Waivers. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed by all parties hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

b. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

c. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the laws in force in the State of Washington.

c. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to the subject matter of this Agreement.

d. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement shall remain in full force and effect unless enforcement of the remaining terms defeats the essential purpose of the Agreement.

IN WITNESS WHEREOF the parties hereto have executed this Lower Tier Subcontract Agreement by their proper officers or duly authorized agents.

ADDENDUM A
INDEMNIFICATION ADDENDUM

Subcontractor agrees to defend, indemnify and hold harmless CAMTEK, the Contractor, and the project Owner from any and all claims, demands, losses and liabilities to or by third parties arising from, resulting from or connected with services performed or to be performed under this Lower Tier Subcontract Agreement by Subcontractor, its agents or employees, even though such claims may prove to be false, groundless or fraudulent, to the fullest extent permitted by law and subject to the limitations provided below.

Subcontractor's duty to indemnify CAMTEK, the Contractor, and the project Owner shall not apply to liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of CAMTEK, the Contractor, or the project Owner or their agents or employees. Subcontractor shall have a duty to indemnify CAMTEK, the Contractor, and the project Owner for liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the concurrent negligence of: (a) Subcontractor or its agents or employees, and (b) CAMTEK or its agents or employees, the Contractor or its agents or employees, or the project Owner or its agents or employees, but only to the extent of Subcontractor's negligence.

SUBCONTRACTOR SPECIFICALLY AND EXPRESSLY WAIVES ANY IMMUNITY THAT MAY BE GRANTED IT UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW, OR UNDER ANY OTHER APPLICABLE WORKER'S COMPENSATION LAWS THAT MAY APPLY TO THE WORK. Further, the indemnification obligation under this Subcontract Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefit acts, or other employee benefits acts, provided Subcontractor's waiver or immunity by the provisions of this paragraph extends only to claims against Subcontractor by CAMTEK, the Contractor, or the project Owner, and does not include, or extend to, any claims by Subcontractor's employees directly against Subcontractor.

Defense cost recovery shall include all fees (of attorneys and experts), and costs and expenses incurred in good faith. In addition, CAMTEK shall be entitled to recover compensation for all of its in-house expenses (including materials and labor) consumed in its defense.

THE UNDERSIGNED HEREBY CERTIFY THAT THIS ADDENDUM WAS MUTUALLY NEGOTIATED.

ADDENDUM B
INSURANCE ADDENDUM

Subcontractor shall maintain during the term of this Subcontract Agreement insurance coverage in the following minimum amounts, or that coverage required to be carried under the Main Contract or the Subcontract Agreement, whichever is greater. Subcontractor shall, before commencing work under this Lower Tier Subcontract Agreement, furnish to CAMTEK certificates of insurance naming CAMTEK and any other entity required or designated by the Main Contract or other contract documents as an additional insured.

A.	Workman's Compensation		Statutory
B.	Employer's Liability (Stop Gap Liability)		
		$1,000,000	Each Accident
	Bodily Injury by Accident	$1,000,000	Aggregate Limit
	Bodily Injury by Disease	$1,000,000	Each Employee
	Bodily Injury by Disease		
C.	Commercial General Liability		
	Per Occurrence	$1,000,000	
	General Aggregate	$2,000,000	
D.	Products/Completed Operations Aggregate	$2,000,000	
E.	Automobile Liability - Coverage to include Owned, Non-Owned & Hired Autos		
	Bodily Injury & Property Damage Combined Single Limit		

Such certificate shall indicate that the coverage includes contractual liability applicable to the indemnity provisions of this Lower Tier Subcontract Agreement. CAMTEK shall be provided thirty (30) days prior written notice of cancellation.

Further, if required by the Main Contract or other contract documents, the Owner and other parties shall also be added as additional insureds on Subcontractor's liability policies. **It is the Subcontractor's responsibility to determine what entities are to be named additional insured under the contract documents and cause such entities to be included as additional insureds.**

Such insurance shall be primary to any other liability insurance which CAMTEK , the Contractor and/or the Owner may have. Any insurance maintained by CAMTEK, the Contractor, and the Owner shall be excess and non-contributory with any insurance provided by Subcontractor. Further, the obligation to carry insurance required by this addendum and contract documents shall not limit or modify in any way other obligations assumed by Subcontractor under this Lower Tier Subcontract Agreement. It is Subcontractor' duty to ensure that it is in compliance with the requirements of this Addendum and with the contract documents, and CAMTEK shall not be under any duty to examine policies or certificates or other evidence of Subcontractor's insurance or to advise Subcontractor in the event that Subcontractor's insurance is not in compliance with this Addendum or the contract documents.

ADDENDUM NO. 1

INVITATION TO BID #6438-25 – Purchase, Installation, Upgrade, Repair and Monitoring of Security Camera Systems, Video Software and Access Control Systems

This Addendum 1 to the above identified Invitation to provide answers to questions received. Questions are identified with "Q". Answers are identified with "A" and red text.

1. Q: I am wondering where the main RFP document is listed that describes the systems that are in place?

   A: Project information can be found in the "Bid Form" tab under this project in ProcureWare. Reference number 1 in the background section has been updated to say:

   "The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software and all hardware is required to be compatible with these two systems."

2. Q: Are you looking for just monitoring per building? If so, how many buildings?

   A: Anticipated Monitoring services under the monitoring and software upgrades contract are listed in the Monitoring and Software Upgrades Pricing Page uploaded in the documents section in ProcureWare. Contractor shall provide a flat fee per location and specify the billing frequency for each of the monitoring services listed for any location the City may choose to add for monitoring services.

3. Q: What is the current signaling on the monitoring? (POTS, Radio, Cell)

   A: The current signaling is cellular.

City Clerk's No. OPR 2025-0830

City of Spokane

PERSONAL SERVICE MASTER CONTRACT

Title: **SECURITY MONITORING SERVICES & SOFTWARE UPGRADES**

This Master Contract is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **CAMTEK, INC.**, whose address is 3815 East Everett, Spokane, Washington 99217, as ("Company"), individually hereafter referenced as a "Party", and together as the "Parties".

The parties agree as follows:

1. PERFORMANCE.
The Company shall provide Security Monitoring Services and software upgrades to the City pursuant to ITB 6438-25 and Company's Proposal dated October 24, 2025, which is attached as Exhibit B and made part of this Contract. In the event of a conflict between the Company and this City Contract, the terms of this contract will control.

2. TERM OF AGREEMENT.
The term of Master Contract begins on January 1, 2026, and shall run through December 31, 2028, unless amended by written agreement or terminated earlier under the provisions. The contract may be renewed for one (1) additional one-year contract period, not to exceed a total of four (4) years, subject to mutual agreement.

3. COMPENSATION / PAYMENT.
Total compensation for Company's services under this Contract shall not exceed **ONE HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS ($150,000.00)**, plus applicable sales tax, unless modified by a written amendment to this Contract.

The Company shall submit its applications for payment to City of Spokane Facilities Management Department, facilitiesdepartment@spokanecity.org, Attn: Dave Steele. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Company's application except as provided by state law. If the City objects to all or any portion of the invoice, it shall notify the Company and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

4. TAXES, FEES AND LICENSES.

A. Company shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Contract. It is the Company's sole responsibility to monitor and determine changes or

the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Contract shall be included in the project budgets.

5. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Company shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Company does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

6. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Company agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American's With Disabilities Act, to the extent those laws are applicable.

7. INDEMNIFICATION.

The Company shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Company's negligence or willful misconduct under this Contract, including attorneys' fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and Contract to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this Contract.

8. INSURANCE.

During the period of the Contract, the Company shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW:

A. **Worker's Compensation Insurance** in compliance with RCW 51, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of $1,000,000;

B. **General Liability Insurance** on an occurrence basis, with a combined single limit of not less than $1,000,000.00 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Contract. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Company's services to be provided under this Contract;

i. Acceptable supplementary Umbrella coverage in combination with Commercial General Liability policy shall be a minimum of $2,000,000.00 in order to meet the minimum insurance coverages required under this contract; and

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than $1,000,000.00 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

D. **Professional Liability Insurance** with a combined single limit of not less than $1,000,000.00 each claim, incident or occurrence. This is to cover damages caused by the error, omission, or negligent acts related to the professional services to be provided under this Agreement. The coverage must remain in effect for at least two (2) years after the Agreement is completed.

E. **Cyber/Tech E & O** Technology Errors and Omissions Insurance, which includes Cyber Insurance coverage of not less than $2,000,000.00 per occurrence/aggregate.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Company or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Contract, the Company shall furnish a current and acceptable Certificate of Insurance (COI) upon request of the City. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Company's services under this Contract, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Company shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

9. DEBARMENT AND SUSPENSION.

The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

10. AUDIT.

The Company and its sub-contractor shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Contract. The Company and its sub-contractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

11. ASSIGNMENT AND SUBCONTRACTING.

The Company shall not assign or subcontract its obligations under this Contract without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Company shall incorporate by reference this Contract, except as otherwise provided. The

Company shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Company from liability or any obligation within this Contract, whether before or after City consent, assignment or subcontract.

12. TERMINATION.

Either party may terminate this Contract, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Company for all work previously authorized and performed prior to the termination date.

13. STANDARD OF PERFORMANCE.

The standard of performance applicable to Company's services will be the degree of skill and diligence normally employed by professional Company performing the same or similar services at the time the services under this Contract are performed.

14. OWNERSHIP AND USE OF RECORDS AND DOCUMENTS.

Original documents, drawings, designs, reports, or any other records developed or created under this Contract shall belong to and become the property of the City. All records submitted by the City to the Company shall be safeguarded by the Company. The Company shall make such data, documents and files available to the City upon the City's request. If the City's use of the Company's records or data is not related to this project, it shall be without liability or legal exposure to the Company.

Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all materials received or created by the City of Spokane are ***public records*** and are available to the public for viewing via the City Clerk's Records (online) or a valid Public Records Request (PRR).

15. ANTI KICK-BACK.

No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Contract.

16. MISCELLANEOUS PROVISIONS.

A. **Amendments/Modifications**: This Contract may be modified by the City in writing when necessary, and no modification or Amendment of this Contract shall be effective unless signed by an authorized representative of each of the parties hereto.

B. The Company, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Company shall comply with the requirements of this Section.

C. This Contract shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in a court of competent jurisdiction, located in Spokane County, Washington.

D. **Captions**: The titles of sections or subsections are for convenience only and do not define or limit the contents.

E. **Severability**: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Contract shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.

F. **Waiver**: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Company after the time the same shall have become due nor payment to the Company for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

G. **Entire Contract**: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire Contract between the City and the Company. If conflict occurs between Contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Contract to afford the City the maximum benefits.

H. **No personal liability**: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Contract, whether expressed or implied, nor for any statement or representation made or in any connection with this Contract.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract by having legally-binding representatives affix their signatures below.

EXHIBIT A

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
   b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
   c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
   d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.

2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.

3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

   Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

   1. The lower tier contractor certified, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

   2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.

4. I understand that a false statement of this certification may be grounds for termination of the contract.

Certificate Disclaimer

Alliant Insurance has recently updated their Certificate of Liability procedures to minimize unnecessary errors and to help clients and certificate holders understand the limitations and provisions outlined in their insurance policies. We will do so by adhering to the recommendations found in the recent Acord form manual and by staying compliant with state statute WAC 284-30-355 and (ORS)744.074(1)(e). Alliant aims to ensure clarity and accuracy in coverage interpretation while also protecting the interests of its clients and certificate holders.

While we can still add specific details such as job numbers, contract names, event dates, or specific locations on certificates, it's crucial to note that Alliant cannot bind our insurers to anything beyond what is specified in the endorsement. If the Additional Insured box is checked, individuals can refer to the Additional Insured endorsement attached to their certificate for detailed coverage information.

Ultimately, coverage is determined by the policy, its terms, and individual endorsements, and as established by the contract between the Named Insured and the Additional Insured. If there are any further inquiries or requests for clarification, please do not hesitate to reach out to us for further assistance.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
Any person or organization you have agreed in a written contract to add as an additional insured on your policy provided the written contract is executed prior to the "bodily injury", "property damage" or "personal and advertising injury"	Premises covered under this policy when required by written contract executed prior to the "bodily injury", "property damage" or "personal and advertising injury"
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
Any person or organization you have agreed in a written contract to add as an additional insured on your policy provided the written contract is executed prior to the "bodily injury", "property damage" or "personal and advertising injury"	Locations and operations covered under this policy when required by written contract executed prior to the "bodily injury", "property damage" or "personal and advertising injury"
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or

2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

Question Responses

Group	Reference Number	Question	Response
BACKGROUND			
	1	The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software, and all hardware is required to be compatible with these two systems.	I acknowledge and agree
	2	MULTIPLE AWARDS: Three (3) separate contract awards will result from this bid. The City may choose more than one Contractor making multiple awards, or the City reserves the option of grouping Contract awards to a single Contractor if most advantageous for the City.	I acknowledge and agree
	2.1	Master Public Works Contract for the install, repair, and upgrades of Security Camera Systems and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal option, not to exceed a total contract period of four years.	I acknowledge and agree

	2.2	Master Value Blanket Contract, to purchase spec'd Security Camera Systems, Video Management Software and access control system components as-needed for various City of Spokane departments and properties. Initial contract term will be for a three (3) Year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Payment will be made only for quantities actually ordered, delivered, accepted, or installed by Contractor. Items must adhere to stated specs listed on the Equipment Parts List and Cost Document. No Substitutes or Or-Equals will be considered.	I acknowledge and agree
	2.3	Master Services Contract for software upgrades, security alarm and security camera monitoring systems for various City of Spokane departments and properties. Initial contract term will be for a three (3) year period, with one (1) 1-year renewal options, not to exceed a total contract period of four years. Monitoring may include but is not limited to: security monitoring, fire alarm monitoring, cellular communication, 24-hour automatic testing.	I acknowledge and agree
SUBMISSION OF BIDS			
	#1	Bid Responses shall be submitted electronically through the City of Spokane's bidding portal: https://spokane.procureware.com on or before the Due Date and time mentioned above. Hard, e-mailed or faxed copies and/or late bids shall not be accepted.	ACKNOWLEDGED
	#2	The City of Spokane is not responsible for bids electronically submitted late. It is the responsibility of the Bidder to be sure the bids are electronically submitted sufficiently ahead of time to be received no later than 1:00 P.m. Pacific Local Time, on the Bid Due Date.	ACKNOWLEDGED
	#3	All communication between the Bidder and the City upon receipt of this bid shall be via the "Clarification Tab" within ProcureWare. Any other communication will be considered unofficial and non-binding on the City of Spokane.	ACKNOWLEDGED

SECTION I. BID PREPARATION AND EVALUATION			
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	All materials submitted to the City in response to this competitive procurement shall become the property of the City and therefore public record and are subject to being released pursuant to a valid public records request. Washington state law mandates that all documents used, received, or produced by a governmental entity are presumptively public records, and there are few exemptions. RCW Ch. 41.56.	I acknowledge and agree
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	If you believe that some part of your response constitutes legally protected proprietary information, you MUST submit those portions of your response as a separate part of your response, and you MUST label it as “PROPRIETARY INFORMATION.” If a valid public records request is then received by the City for this information, you will be given notice and a 10-day opportunity to go to court to obtain an injunction to prevent the City from releasing this part of your response. If no injunction is obtained, the City is legally required to release the records.	I acknowledge and agree
	PROPRIETARY INFORMATION/PUBLIC DISCLOSURE	The City will neither look for nor honor any claims of “proprietary information” that are not within the separate part of your response.	I acknowledge and agree

	QUALIFICATION	Prior to the awards of Contracts, the Contractor shall be required to submit evidence of sufficient facilities, equipment, experience and financial ability to insure completion of the Work, unless waived by the City.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility. Bidder must meet the mandatory bidder responsibility criteria called out in City of Spokane Supplemental Bidder Responsibility Criteria Form to be considered a responsible bidder for the Installation, Repairs and Upgrades master contract.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility Criteria After bid opening and prior to award, the apparent low bidder, or contacted bidders, shall complete, sign and submit this form with attached documentation within twenty four (24) hours of notification.	I acknowledge and agree	
	QUALIFICATION	Supplemental Bidder Responsibility Criteria Bidders can choose to Download "Supplemental Bidder Responsibility Criteria Form With Work Experience Form" From The Bids Documents Tab and complete ahead of time. If you choose to complete ahead of time, please upload document here.	Supplemental Bidder Respnsibility - Completed.pdf	

	CJIS REQUIREMENTS	Due to the nature of our offices, we are considered secure locations according to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for "unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.	I acknowledge and I agree. I do not acknowledge and do not agree.	
	WASHINGTON STATE RETAIL SALES TAX.	A. GENERAL CONSTRUCTION. Retail sales tax, when applicable, will be paid as a separate item, and shall not be included in the Bid price. Sales tax shall be added on the amounts due the Contractor and the Contractor shall be responsible for making payment to the State. The City reserves the right to claim any exemption authorized by law.	I acknowledge and agree	
	REJECTION OF BIDS	The City reserves the right to reject any or all Bids, to waive minor deviations from the specifications, to waive minor informalities in Bid process whenever it is in the City's best interest, and to accept or reject all or part of this Request for Bids, at the prices shown.	I acknowledge and agree	
	PUBLIC WORK REQUIREMENTS-INSTALL, REPAIR, AND UPGRADES	The scope of work Install, Repair, and Upgrades for this Project constitutes a public work under state law. Contractors are warned to take into consideration statutory legal requirements, particularly, the payment of State prevailing wages, securing of a payment/performance bond from a Surety, and sales tax implications in making their Bids.	I acknowledge and agree	

	CERTIFICATION OF COMPLIANCE WITH WAGE PAYMENT STATUTES	Before award of a Public works contract, the bidder under consideration for award of a public works project must submit to the public agency a sworn statement that they have not willfully violated wage payment laws within the past three years in order to be considered a responsible bidder. (See RCW 39.04.350 as modified by SSB 5301, Laws of 2017, ch. 258.). This form is titled "Certification of Compliance with Wage Payment Statutes". This form must be submitted upon request by City.	I acknowledge and agree
	REGISTERED CONTRACTOR	The Contractor shall be a Washington State Registered "and" Licensed Contractor at time of Bid submittal.	I acknowledge and agree
	BUSINESS REGISTRATION REQUIREMENT	Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid business registration. The Vendor shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 1-360-705-6741 to obtain a business registration. If the Vendor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at 509-625-6070 to request an exemption status determination	I acknowledge and agree
	GRANT FUNDING/FEDERAL FUNDING	Grant funding and or federal funding may be used to make purchases on these master contracts. Please download, fill out and upload the attachment titled "Attachment 2 - Certification Regarding Debarment and Lobbying Form." This form can be downloaded from the documents section	10242025_ATTACHMENT 2 CERTIFICATION -Addendum - Completed.pdf

	EXCEPTIONS	If you took exception to any of the above, explain in detail.	No exceptions - Please note signed addendum is uploaded with Attachment 2 Certification. I did not see where to upload the signed Addendum

SECTION II. GENERAL REQUIREMENTS - Install, Repair, and Upgrades			
	SCOPE OF WORK	Unless otherwise stated, the Contractor shall furnish all labor, supervision, materials, tools, construction equipment, transportation, and other items of work and costs necessary to complete the specified Work, unless otherwise stated in this bid document.	I acknowledge and agree
	AWARD OF CONTRACT	City Council shall approve award of Contracts. Award of Contracts, when made, will be to lowest responsive responsible bidder based on rates and most favorable service response time. Unsuccessful Contractors will not automatically be notified of results. The contracts awarded from this Request for Bids will be for a 3-year period, with a 1-year renewal optional. The total contract period will not exceed four (4) years.	I acknowledge and agree
	AWARD OF CONTRACT – Install, Repair, and Upgrades	The winning Contractor shall receive a unit priced contract and, upon complete and accepted performance by the Contractor, the City shall issue payment in the applicable amount set forth on the Pricing Page for services performed. Annual spend is estimated at $300,000.00	I acknowledge and agree
	EXECUTION OF CONTRACT	Within ten (10) days of contract award, the Contractor shall sign and return to the City an executed copy of the contract and approved evidence of insurance unless otherwise mutually agreed by the City and Contractor.	I acknowledge and agree
	LIQUIDATED DAMAGES	If the Work is not completed within the stated completion time, the Contractor agrees to pay to the City Liquidated Damages (LD's) in the amount of ZERO ($0.00) for each and every day the Work remains uncompleted.	I acknowledge and agree
	PERMITS	The Contractor shall be responsible for obtaining at its expense all related and necessary permits required by regulatory agencies.	I acknowledge and agree

	GUARANTEE	The Contractor guarantees all work, labor, and materials for one (1) year following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor shall immediately place the work in a satisfactory condition, and further repair all damage caused by the condition or defect at its sole expense. This guarantee shall not apply to work which has been abused or neglected by the City.	I acknowledge and agree
	SUBCONTRACTORS	The Contractor shall not award any portion of the Work to any subcontractor without the City's prior approval. The Contractor shall be fully responsible to the City for the acts, errors, and omissions of its subcontractors. No contractual relationship shall be created between any subcontractor and the City.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	A. Prevailing Wage: The State prevailing rate of wages to be paid to all workmen, laborers or mechanics employed in the performance of any part of this Contract shall be in accordance with the provisions of Chapter 39.12 of the Revised Code of Washington (RCW) and the rules and regulations of the Washington State Department of Labor and Industries (L & I). 	PUBLIC WORKS REQUIREMENTS	B. Prevailing Wage: The State of Washington prevailing wage rates applicable for this public works project, which is located in Spokane County, may be found at the following website address of the Department of Labor and Industries: https://secure.lni.wa.gov/wagelookup/. Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. On call contracts must have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid must be submitted annually for all work completed within the previous twelve-month period of the unit priced contract. (RCW 35.22.620) Upon the anniversary date of the contract, labor rates may be adjusted according to the revised prevailing wages adopted by the Department of Labor and Industries at that time. In order to calculate the change in prevailing wages due to the Contractor, the Contractor shall provide to the City of Spokane a breakdown of the fully loaded labor rates for each classification of labor including hourly wage rates, fringe benefits, overhead and profit. The City of Spokane shall not pay for any price escalation for overhead, profit, equipment, material, or any other costs except for changes in the prevailing wages. The revised prevailing wages shall be effective for any Work issued after the anniversary date of the contract. The basis of modified prevailing wage rates applicable for the contract shall be calculated and issued in writing by the City of Spokane, but such changes shall not be included in a change order. To the extent that the contract sum changes, a change order will be issued as appropriate.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	C. Prevailing Wage: If apprentices are to be used, they must be registered with the State Apprenticeship Council; otherwise, they are to be paid State prevailing journeyman wages.	I acknowledge and agree

	PUBLIC WORKS REQUIREMENTS	D. Statement of Intent. 1. The Contractor and subcontractors will submit a “Statement of Intent to Pay Prevailing Wages” certified by the industrial statistician of the Department of Labor and Industries, prior to any work or payments. The “Statement of Intent to Pay Prevailing Wages” shall include: (1) the Contractor’s registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Prior to payment of funds held under RCW 39.12.040, the Contractor and subcontractors must submit an “Affidavit of Wages Paid” certified by the industrial statistician annually for all work completed within the previous twelve-month period of the unit priced contract (RCW 35.22.620).	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	E. Filing Fees 1. The Contractor is responsible for the fees for the approval of 1) "Statements of Intent to Pay Prevailing Wages" and 2) "Affidavits of Wages Paid forms and shall make all applications directly to L and I.	I acknowledge and agree
	PUBLIC WORKS REQUIREMENTS	F. Department of Labor and Industries' Public Works and Prevailing Wage Training 1. As of July 1, 2019 contractors must have fulfilled the Department of Labor and Industries' Public Works and Prevailing Wage Training Requirement before bidding and/or performing work on public works projects under RCW 39.04.350 and RCW 39.06.020	I acknowledge and agree

Hi Katelyn,
Yes, I noticed that on some of the responses that "I acknowledge and I agree. I do not acknowledge and do not agree" options were combined by mistake. Please let me know if you need anything else. Below are the responses to my questions:

SECTION 1. BID PREPERATION AND EVALUATION

CJIS Requirements: Due to the nature of our offices, we are considered secure locations according to the Washington State Patrol ACCESS division which manages the security of Criminal Justice Information. Any unescorted vendor must be fingerprinted and his or her background check completed prior to working in our building. In addition to this, individuals must also complete Criminal Justice Security Awareness Training and be certified in Security and Privacy: Basic Role. This certification allows for "unescorted access to physically secured location". This training is coordinated by our office. If awarded the bid, we will work with your employees for fingerprinting and background checks. The security training will include an online presentation and short quiz taking about 30-40 minutes total.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 24th day of October, 2025.

SUBCONTRACT AGREEMENT

THIS AGREEMENT is effective and made this 15th day of May, 2018, by and between **CAMTEK INC.**, 3815 E. Everett, Spokane, WA 99217 hereinafter called **"CAMTEK"**, and _____, _____ , _____, hereinafter called **"SUBCONTRACTOR"**.

1. THE CONTRACT DOCUMENTS: The Contract Documents, as defined and used in this Agreement, shall include: (a) the contract between the Prime Contractor and the Owner, including any and all terms, general conditions, supplementary conditions, special provisions, plans, technical specifications, or other terms incorporated therein ("the Main Contract"); (b) the subcontract between CAMTEK and the Contractor ("the Subcontract Agreement"); (c) this Lower Tier Subcontract Agreement; and (d) Addenda A and B to this Agreement. All of the terms in the Main Contract, the Subcontract Agreement, this Agreement, and the Addenda are expressly incorporated herein and made a part of this agreement. The Subcontractor agrees to be bound to CAMTEK to the same extent that CAMTEK is bound to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement and to assume to CAMTEK all obligations and responsibilities that CAMTEK owes to the Contractor and to the Owner under the Main Contract and the Subcontract Agreement, to the extent of the Subcontractor's scope of work. Where there is any inconsistency between any terms, conditions, plans, or specifications contained in any of the Contract Documents, the term, condition, plan, or specification that imposes the greatest duty, scope, or responsibility on the Subcontractor shall prevail.

2. THE WORK: The Subcontractor agrees to furnish, perform, and pay for all services, labor, tools, equipment, supplies, and materials necessary to perform the following described

_____
_____.

The Subcontractor further represents and warrants that the work to be done and materials to be furnished Tier Subcontractor shall perform its work hereunder in a neat, skillful and workmanlike manner and the same shall be fit for its intended use both as to workmanship and materials.

3. PRICE AND PAYMENTS:

a. Contract Price. The total amount to be paid by CAMTEK to the Subcontractor for all work under this Agreement is the lump sum amount of **$** _____. The Contract Price is inclusive of all taxes of any kind or nature.

b. Progress Payments. Partial progress payments shall be made in an amount based on the percentage completion of the Subcontractor's work, as determined by CAMTEK and/or the Contractor and/or the Owner. The Subcontractor shall submit payment estimates no later than five (5) business days prior to the date CAMTEK is required to submit its application for payment to Contractor under the Subcontract Agreement. If the Subcontractor fails to provide its payment estimate within the time required, CAMTEK will wait until the next billing cycle before submitting application for payment for the Subcontractor's work. CAMTEK shall withhold five percent (5%) of each progress payment from the Subcontractor to ensure that the Subcontractor has paid all labor, materials, equipment, taxes, premiums, or other obligations and to ensure that the Subcontractor has faithfully performed its obligations under this Agreement. Partial progress payments shall be made within seven (7) days after CAMTEK receives payment from the Contractor for the Subcontractor's work. Receipt of payment from the Contractor is an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement. Receipt by CAMTEK of a fully executed lien release is also an absolute condition precedent to any obligation of CAMTEK to make payment under this agreement.

c. Final Payment. Final payment shall be made to the Subcontractor, including retainage, in accordance with the terms of the Main Contract, the Subcontract Agreement, and any applicable State law. In any event, the following are absolute conditions precedent to the Subcontractor's receipt of final payment: (a) a full and final waiver and release of all claims and liens against the Owner, the Contractor, and CAMTEK from the Subcontractor as well as any lower-tier suppliers or subcontractors; (b) an affidavit that all laborers, subcontractors, suppliers, governmental agencies, taxes, premiums, etc. have been paid by the Subcontractor and its lower-tier suppliers and subcontractors; and (c) CAMTEK's receipt of final payment from the Contractor for the Subcontractor's work.

4. CHANGES TO THE WORK. CAMTEK reserves the right to order or cause any change in scope of this Agreement at any time. The Subcontractor shall proceed with the change upon written direction from CAMTEK. The Subcontractor agrees to perform the work as directed regardless of the Subcontractor's acceptance of the terms determined by the Owner or the Contractor or CAMTEK for the change. In the event the change is the result of the Owner's or Contractor's direction or as a result of some act or omission of the Owner or the Contractor, the Subcontractor shall pursue recovery of any claim for additional compensation in accordance with the pass-through requirements of Section 8.a herein, and in such case, the Subcontractor's recovery against the CAMTEK is expressly limited to the recovery, if any, that CAMTEK obtains from the Owner and/or the Contractor.

5. INSURANCE: Prior to proceeding with any work on site, the Subcontractor shall provide and maintain Workmen's Compensation and Employer's Liability Insurance for the protection of its employees, as required by law as an employer. The Subcontractor shall also provide and maintain in full force and effect during the term of this Subcontract, insurance including but not limited to, insurance covering the operation of automobiles, trucks and other vehicles, protecting the Subcontractor, CAMTEK, the Contractor, and the Owner against liability from damages because of injuries including death, suffered by persons, including employees of the Subcontractor, and liability from damages to property, arising from and growing out of the Subcontractor's operation in connection with the performance of this Subcontract. Said insurance shall include the operation of all automobiles, trucks and other vehicles that may be used in conjunction with the Subcontractor's work, irrespective of whether such equipment is located on the site. The Subcontractor's specific insurance requirements are set forth in Addendum B to this Agreement.

6. SCHEDULE AND PROGRESS AND DELAYS:

a. It is expressly agreed that time is of the essence of this Subcontract. The Subcontractor shall commence performance of its work as required by CAMTEK's or the Contractor's schedule or as otherwise directed or required by CAMTEK or the Contractor. CAMTEK retains the right to decide the time, order, and priority in which the various work items included in the Subcontract shall be performed, and CAMTEK makes no representation, warranty, promise, or guarantee of any kind that the Subcontractor may proceed with its work in any particular sequence. The Subcontractor agrees to cooperate with and coordinate its efforts with CAMTEK and other contractors and subcontractors.

b. The Subcontractor shall be liable to CAMTEK for any losses or expenses from delays caused by the Subcontractor, its agents, employees, or sub-subcontractors, including extended field overhead, extended supervision, extended home office overhead, liquidated damages, etc.

c. If the Subcontractor's work is delayed as a result of any conduct, act, or omission of the Owner or the Contractor, then Subcontractor shall pursue any claim for additional compensation or damages and any request for a time extension in accordance with the notice and claim requirements of the Main Contract and the Subcontract Agreement, and the

Subcontractor's sole remedy for any such claim shall be limited to amounts recovered against the Owner and/or the Contractor.

7. COMPLIANCE WITH LAW: The Subcontractor agrees to fully comply with all Federal, State and Local laws, ordinances and regulations, including but no limited to the Federal Occupational Safety and Health Act ("OSHA") and the Washington Industrial Safety and Health Act ("WISHA").

8. CLAIMS AND DISPUTES:

a. Disputes Involving the Owner or Contractor. If any dispute or controversy shall occur between the parties hereto that CAMTEK determines, in its sole discretion, is the result of some act or omission of the Owner or the Contractor, then the Subcontractor agrees to pursue such dispute or controversy in the manner set forth in the Main Contract, the Subcontract Agreement, or as otherwise required by law to pursue a claim against the Owner or the Contractor. The Subcontractor further agrees to be bound by the resolution of the dispute process with the Owner and/or the Contractor and shall not be entitled to any additional compensation or remedies other than those obtained in the dispute process with the Owner and/or the Contractor. The Subcontractor shall stay any action or arbitration against CAMTEK or its bonding company pending the resolution of any disputes involving the Owner and/or the Contractor.

b. Disputes Not Involving the Owner or Contractor-Arbitration. If any dispute or controversy shall occur between the parties hereto arising out of this Agreement that does not involve the Owner or the Contractor, such dispute shall be resolved pursuant to the construction industry rules of the American Arbitration Association in effect at the time of submission of the dispute to arbitration. The arbitration award shall be final and binding, and judgment may be entered on the award in any court of competent jurisdiction. In the event the Subcontractor commences a lawsuit to perfect any lien or bond rights, the Subcontractor agrees to stay such lawsuit pending submission of the dispute to arbitration. The prevailing party in any dispute arising under Section 7.b. of this Agreement shall be entitled to reimbursement for all attorney fees (or a reasonable sum therefore) and costs, irrespective of commencement of suit or arbitration.

9. TAXES, LICENSES, PERMITS, AND FEES: The Subcontractor shall pay all taxes, licenses, permits, and fees of every nature which may be imposed or charged by a governmental authority upon the labor, material or other things used in the performance of the work or upon the transaction between CAMTEK and the Subcontractor.

10. ASSIGNMENT: The Subcontractor shall not, in whole or in part, assign or subject this Subcontract or the proceeds thereof without the written consent of CAMTEK.

11. DEFAULT AND TERMINATION:

a. Termination by Owner or Contractor. Should the Main Contract or Subcontract Agreement be terminated by the Owner or Contractor in accordance with any provision contained in the Main Contract or the Subcontract Agreement for termination, or should CAMTEK be prevented or excused from continuing to furnish to the Contractor the work and materials hereby required to be provided by the Subcontractor, then this Agreement may at the option of CAMTEK be immediately terminated by CAMTEK. The Subcontractor's right to compensation, if any, shall be determined in accordance with the termination provisions of the Main Contract, the Subcontract Agreement, and Article 8 of this Agreement.

b. Default by Subcontractor. Should the Subcontractor be in any material default of any provisions contained in this Agreement for which the Subcontractor is unwilling or unable to remedy to the satisfaction of CAMTEK, acting reasonably, within five (5) days following receipt of written notice of said material default, CAMTEK may: (a) demand adequate assurance of Subcontractor's ability and/or intent to perform the requirements of this Agreement, which assurance must be provided within three (3) days; (b) supplement the work of the Subcontractor through other means; or (c) terminate this Agreement. In the event the Subcontractor is in any material default, then CAMTEK shall suspend all payments under this Agreement until CAMTEK can determine all losses, damages, claims, or expenses caused by the Subcontractor's default. If the total amount of losses, damages, claims, or expenses exceeds the amount remaining unpaid under this Agreement, then CAMTEK may offset the remaining amount and pursue recovery of the balance of said losses, damages, claims, or expenses against the Subcontractor. If the total amount of losses, damages, claims, or expenses is less than the amount remaining unpaid under this Agreement, then CAMTEK shall pay the remaining amount, after offsetting all such losses, damages, claims, and expenses. In the event CAMTEK's termination of this Agreement is deemed wrongful, the termination shall be treated as one for the convenience of the parties and Subcontractor's remedies shall be limited to the amount available under the termination for convenience provisions of the Main Contract, or if the Main Contract does not contain convenience termination provisions, then the Subcontractor's recovery shall be limited to compensation for the reasonable costs of work performed, plus a reasonable profit on the work actually performed.

12. NON-CONFORMING WORK AND WARRANTY. The Subcontractor warrants the materials and workmanship provided under this Agreement are new and are free from defects and conform to the requirements of the Contract Documents. For a period of one-year from the date of Substantial Completion of the work, as determined by the Owner, or for the warranty period contained in the Main Contract, whichever is greater, the Subcontractor shall make good, at its sole expense, all nonconforming work and all defects due to workmanship and/or materials furnished by the Subcontractor.

13. OTHER TERMS AND CONDITIONS: The following attachments are a part of this Subcontract Agreement. All required forms must be completed and returned with this Subcontract Agreement.

14. MISCELLANEOUS TERMS AND CONDITIONS.

a. Amendments and Waivers. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed by all parties hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

b. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

c. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the laws in force in the State of Washington.

c. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to the subject matter of this Agreement.

d. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement shall remain in full force and effect unless enforcement of the remaining terms defeats the essential purpose of the Agreement.

IN WITNESS WHEREOF the parties hereto have executed this Lower Tier Subcontract Agreement by their proper officers or duly authorized agents.

ADDENDUM A
INDEMNIFICATION ADDENDUM

Subcontractor agrees to defend, indemnify and hold harmless CAMTEK, the Contractor, and the project Owner from any and all claims, demands, losses and liabilities to or by third parties arising from, resulting from or connected with services performed or to be performed under this Lower Tier Subcontract Agreement by Subcontractor, its agents or employees, even though such claims may prove to be false, groundless or fraudulent, to the fullest extent permitted by law and subject to the limitations provided below.

Subcontractor's duty to indemnify CAMTEK, the Contractor, and the project Owner shall not apply to liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of CAMTEK, the Contractor, or the project Owner or their agents or employees. Subcontractor shall have a duty to indemnify CAMTEK, the Contractor, and the project Owner for liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the concurrent negligence of: (a) Subcontractor or its agents or employees, and (b) CAMTEK or its agents or employees, the Contractor or its agents or employees, or the project Owner or its agents or employees, but only to the extent of Subcontractor's negligence.

SUBCONTRACTOR SPECIFICALLY AND EXPRESSLY WAIVES ANY IMMUNITY THAT MAY BE GRANTED IT UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW, OR UNDER ANY OTHER APPLICABLE WORKER'S COMPENSATION LAWS THAT MAY APPLY TO THE WORK. Further, the indemnification obligation under this Subcontract Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefit acts, or other employee benefits acts, provided Subcontractor's waiver or immunity by the provisions of this paragraph extends only to claims against Subcontractor by CAMTEK, the Contractor, or the project Owner, and does not include, or extend to, any claims by Subcontractor's employees directly against Subcontractor.

Defense cost recovery shall include all fees (of attorneys and experts), and costs and expenses incurred in good faith. In addition, CAMTEK shall be entitled to recover compensation for all of its in-house expenses (including materials and labor) consumed in its defense.

THE UNDERSIGNED HEREBY CERTIFY THAT THIS ADDENDUM WAS MUTUALLY NEGOTIATED.

ADDENDUM B
INSURANCE ADDENDUM

Subcontractor shall maintain during the term of this Subcontract Agreement insurance coverage in the following minimum amounts, or that coverage required to be carried under the Main Contract or the Subcontract Agreement, whichever is greater. Subcontractor shall, before commencing work under this Lower Tier Subcontract Agreement, furnish to CAMTEK certificates of insurance naming CAMTEK and any other entity required or designated by the Main Contract or other contract documents as an additional insured.

A.	Workman's Compensation		Statutory
B.	Employer's Liability (Stop Gap Liability)		
		$1,000,000	Each Accident
	Bodily Injury by Accident	$1,000,000	Aggregate Limit
	Bodily Injury by Disease	$1,000,000	Each Employee
	Bodily Injury by Disease		
C.	Commercial General Liability		
	Per Occurrence	$1,000,000	
	General Aggregate	$2,000,000	
D.	Products/Completed Operations Aggregate	$2,000,000	
E.	Automobile Liability - Coverage to include Owned, Non-Owned & Hired Autos		
	Bodily Injury & Property Damage Combined Single Limit		

Such certificate shall indicate that the coverage includes contractual liability applicable to the indemnity provisions of this Lower Tier Subcontract Agreement. CAMTEK shall be provided thirty (30) days prior written notice of cancellation.

Further, if required by the Main Contract or other contract documents, the Owner and other parties shall also be added as additional insureds on Subcontractor's liability policies. **It is the Subcontractor's responsibility to determine what entities are to be named additional insured under the contract documents and cause such entities to be included as additional insureds.**

Such insurance shall be primary to any other liability insurance which CAMTEK , the Contractor and/or the Owner may have. Any insurance maintained by CAMTEK, the Contractor, and the Owner shall be excess and non-contributory with any insurance provided by Subcontractor. Further, the obligation to carry insurance required by this addendum and contract documents shall not limit or modify in any way other obligations assumed by Subcontractor under this Lower Tier Subcontract Agreement. It is Subcontractor' duty to ensure that it is in compliance with the requirements of this Addendum and with the contract documents, and CAMTEK shall not be under any duty to examine policies or certificates or other evidence of Subcontractor's insurance or to advise Subcontractor in the event that Subcontractor's insurance is not in compliance with this Addendum or the contract documents.

INVITATION TO BID #6438-25 – Purchase, Installation, Upgrade, Repair and Monitoring of Security Camera Systems, Video Software and Access Control Systems

This Addendum 1 to the above identified Invitation to provide answers to questions received. Questions are identified with "Q". Answers are identified with "A" and red text.

1. Q: I am wondering where the main RFP document is listed that describes the systems that are in place?

   A: Project information can be found in the "Bid Form" tab under this project in ProcureWare. Reference number 1 in the background section has been updated to say:

   "The City of Spokane is seeking bids from qualified contractors to supply, install, upgrade, repair and monitor security camera systems, video management software, and access control system components referenced on the Parts Price list and Exhibit A – Comprehensive Parts List uploaded to the documents section of ProcureWare. There is City-wide standardization on the use of the Galaxy Access Control / badge system and the Ocularis Video / Camera Monitoring software and all hardware is required to be compatible with these two systems."

2. Q: Are you looking for just monitoring per building? If so, how many buildings?

   A: Anticipated Monitoring services under the monitoring and software upgrades contract are listed in the Monitoring and Software Upgrades Pricing Page uploaded in the documents section in ProcureWare. Contractor shall provide a flat fee per location and specify the billing frequency for each of the monitoring services listed for any location the City may choose to add for monitoring services.

3. Q: What is the current signaling on the monitoring? (POTS, Radio, Cell)

   A: The current signaling is cellular.

Agenda Wording

The Facilities Department in partnership with the Purchasing Department has completed the procurement process for landscaping maintenance and snow and ice removal for three separate sites.

Summary (Background)

City of Spokane Intermodal Facility, the Public Defenders/Prosecutor's building, and City Hall require snow and ice removal. The Intermodal facility and Public Defenders/Prosecutor's building also require landscaping services. This will provide a master contract for these services at these sites but allow for others sites to be added if necessary. American Sprinkler Repair and Landscaping LLC, located at 2109 S. Balfour Blvd, Spokane Valley, WA 99206, has been awarded the three year contract with one one-year renewal, at the total price of $66,979.16 annually.

What impacts would the proposal have on historically excluded communities?

Each of these sites is a public facing location and provide a variety of services related to multi-modal transportation, general public services, and legal services to the Spokane community and the Spokane area at large. These locations are critical public facing locations and require prompt and ongoing plowing, de-icing for safety and access as well as continual annual landscape maintenance.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

N/A

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

N/A

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Each of these sites is a public facing location and provide a variety of services related to multi-modal transportation, general public services, and legal services to the Spokane community and the Spokane area at large. These locations are critical public facing locations and require landscape maintenance. This contract supports gerneral city policy and the cromprehensive plan.

CITY OF SPOKANE

MASTER PREVENTATIVE MAINTENANCE AGREEMENT

Title: LANDSCAPING AND SNOW REMOVAL SERVICES FOR MULTIPLE LOCATIONS

This Agreement is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **AMERICAN SPRINKLER REPAIR AND LANDSCAPE, LLC,** whose address is 2109 South Balfour Boulevard, Spokane Valley, Washington 99206, as ("Contractor"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the purpose of this Agreement is to provide Landscaping and Snow Removal Services For Multiple City of Spokane Locations; and

WHEREAS, the Contractor was selected through RFQ 6455-25.

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Contractor mutually agree as follows:

1. TERM OF AGREEMENT.
The term of this Agreement begins on December 1, 2025, and shall run through November 30, 2028, unless amended by written agreement or terminated earlier under the provisions. This Contract may be renewed by written agreement of the parties not to exceed one (1) additional one (1) year renewal period.

2. TIME OF BEGINNING AND COMPLETION.
The Contractor shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Agreement shall not be extended because of delays for which the Contractor is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Contractor's control.

3. SCOPE OF WORK.
The Contractor's General Scope of Work for this Agreement is described in Contractor's Response to the City's Request for Qualifications which is attached as Attachment C and made a part of this Agreement. In the event of a conflict or discrepancy in the Agreement documents, this City Agreement controls.

The Work is subject to City review and approval. The Contractor shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed Work) requested by the City to determine the adequacy of the Work or Contractor's progress.

4. COMPENSATION / PAYMENT.

Total annual compensation for Contractor's as-needed services under this unit priced Agreement shall be a maximum amount not to exceed **SIXTY-SIX THOUSAND NINE HUNDRED SEVENTY-NINE AND 16/100 DOLLARS ($66,979.16)**, plus applicable taxes, and in accordance with the Pricing Response in Attachment C.

This is the maximum amount to be paid under this Agreement for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Agreement.

The Contractor shall submit its applications for payment to City of Spokane Facilities Management Department, facilitiesdepartment@spokanecity.org Attn: Dave Steele. All invoices should include the City Clerk's File No. "OPR XXXX-XXXX" and an approved L & I Intent to Pay Prevailing Wage Number. The final invoice should include an approved Affidavit of Wages Paid number. Payment will not be made without this documentation included on the invoice. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Contractor's application except as provided by state law. If the City objects to all or any portion of the invoice, it shall notify the Contractor and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

5. TAXES, FEES AND LICENSES.

A. Contractor shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. It is the Contractor's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.

6. PREVENTATIVE MAINTENANCE.

The following Preventative Maintenance requirements apply to the Work under this Agreement:

A. The Contractor shall pay state prevailing wages. The Contractor and all subcontractors will submit a "Statement of Intent to Pay Prevailing Wages," certified by the industrial statistician of the Department of Labor and Industries, prior to any payments. The "Statement of Intent to Pay Prevailing Wages" shall include: (1) the Contractor's registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by a Contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the pre-filed statement or statements of intent to pay prevailing wages on file with the City. At the end of the work, the Contractor and subcontractors must submit an "Affidavit of Wages Paid," certified by the industrial statistician.

B. **STATEMENT OF INTENT TO PAY PREVAILING WAGES TO BE POSTED**. For contracts in excess of $10,000, the Contractor and each subcontractor required to pay the prevailing rate of wages shall post in a location readily visible at the job

site: (1) a copy of a "Statement of Intent to Pay Prevailing Wages" approved by the industrial statistician of the Washington State Department of Labor and Industries (L & I); and (2) the address and telephone number of the industrial statistician of the Department of Labor and Industries where a complaint or inquiry concerning prevailing wages may be made.

C. A payment/performance bond is NOT required.

D. Statutory retainage is NOT required.

7. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Contractor shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

8. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Contractor agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American's With Disabilities Act, to the extent those laws are applicable.

9. INDEMNIFICATION.

The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity–asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

10. **INSURANCE.** During the period of the Agreement, the Company shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW:

A. **Worker's Compensation Insurance** in compliance with RCW 51, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of $1,000,000.

B. **General Liability Insurance** on an occurrence basis, with a combined single limit of not less than $1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Company's services to be provided under this Agreement.

i. Acceptable **supplementary Umbrella insurance** coverage combined with Company's General Liability insurance policy must be a minimum of $2,000,000, in order to meet the insurance coverage limits required in this Agreement; and

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than $1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Company or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Company shall furnish acceptable Certificates of Insurance (COI) upon request by the City. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Company's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Company shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

11. SUBCONTRACTOR RESPONSIBILITY.

The Contractor must verify responsibility criteria for each first tier subcontractor, and a subcontractor of any tier that hires other subcontractors must verify responsibility criteria for each of its subcontractors. Verification shall include that each subcontractor, at the time of subcontract execution, meets the responsibility criteria listed in RCW 39.04.350(1) and possesses an electrical contractor license, if required by chapter 19.28 RCW, or an elevator contractor license, if required by chapter 70.87 RCW.

12. INDEPENDENT CONTRACTOR.

The Contractor is an independent Contractor. This Agreement does not intend the Contractor to act as a City employee. The City has neither direct nor immediate control over the Contractor nor the right to control the manner or means by which the Contractor works. Neither the Contractor nor any Contractor employee shall be an employee of the City. This Agreement prohibits the Contractor to act as an agent or legal representative of the City. The Contractor is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave,

vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Contractor shall pay all income and other taxes as due.

13. ASSIGNMENT AND SUBCONTRACTING.
The Contractor shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Contractor shall incorporate by reference this Agreement, except as otherwise provided. The Contractor shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Contractor from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

14. TERMINATION.
Either party may terminate this Agreement, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Contractor for all work previously authorized and performed prior to the termination date.

15. STANDARD OF PERFORMANCE.
The standard of performance applicable to Contractor's services will be the degree of skill and diligence normally employed by professional contractors in the region performing the same or similar Contracting services at the time the work under this Agreement are performed.

16. ANTI KICK-BACK.
No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Agreement shall have or acquire any interest in the Agreement, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Agreement.

17. CONSTRUAL.
The Contractor acknowledges receipt of a copy of the Agreement documents and agrees to comply with them. The silence or omission in the Agreement documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

18. DEBARMENT AND SUSPENSION.
The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

19. CONTRACTOR'S ACKNOWLEDGEMENT AND WARRANTY.
The Contractor acknowledges that it has visited the site of the work, has examined it, and is qualified to perform the work required by this Agreement.

The Contractor guarantees and warranties all work, labor and materials under this Agreement for two (2) years following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor will immediately place the work in a condition satisfactory to the City and repair all damage caused by the condition or defect. The Contractor will repair or restore to the City's satisfaction, in accordance with the contract documents and at its expense, all property damaged by his performance under this Agreement. This warranty is in addition to any manufacturers' or other warranty in the Agreement documents.

20. MISCELLANEOUS PROVISIONS.

A. **Amendments/Modifications**: The City may modify this Agreement and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the City, and the Agreement time and compensation will be adjusted accordingly.

B. The Contractor, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers.

C. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in a court of competent jurisdiction, located in Spokane County, Washington.

D. **Captions**: The titles of sections or subsections are for convenience only and do not define or limit the contents.

E. **Severability**: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.

F. **Waiver**: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Contractor after the time the same shall have become due nor payment to the Contractor for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

G. **Entire Agreement**: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Contractor. If conflict occurs between Agreement documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Agreement to afford the City the maximum benefits.

H. **No personal liability**: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

I. Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all materials received or created by the City of Spokane are ***public records*** and are available to the public for viewing via the City Clerk's Records (online) or a valid Public Records Request (PRR).

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
   b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
   c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
   d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.

2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.

3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

   Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

   1. The lower tier contractor certified, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

   2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.

4. I understand that a false statement of this certification may be grounds for termination of the contract.

C. Coverages

1. Employee Benefit Liability Coverage

a. The following is added to **Section I - Coverages**:

EMPLOYEE BENEFIT LIABILITY COVERAGE

(1) Insuring Agreement

(a) We will pay those sums that the insured becomes legally obligated to pay as damages caused by any act, error or omission of the insured, or of any other person for whose acts the insured is legally liable, to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend against any "suit" seeking damages to which this insurance does not apply. We may, at our discretion, investigate any report of an act, error or omission and settle any claim or "suit" that may result. But:

1) The amount we will pay for damages is limited as described in **C.** Coverages, **1.** Employee Benefit Liability Coverage, **c.** Limits Of Insurance of this endorsement; and

2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

(b) This insurance applies to damages only if the act, error or omission is negligently committed in the "administration" of your "employee benefit program"; and

1) Occurs during the policy period; or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2) Occurred prior to the "first effective date" of this endorsement provided:

a) You did not have knowledge of a claim or "suit" on or before the "first effective date" of this endorsement.

You will be deemed to have knowledge of a claim or "suit" when any insured listed under **C.** Coverages, **1.** Employee Benefit Liability Coverage, **b.** Who Is An Insured, **(1)** of this endorsement or any "employee" authorized by you to give or receive notice of a claim or "suit":

i) Reports all, or any part, of the act, error or omission to us or any other insurer;

ii) Receives a written or verbal demand or claim for damages because of the act, error or omission; and

b) There is no other applicable insurance.

(2) Exclusions

This insurance does not apply to:

(a) Bodily Injury, Property Damage Or Personal And Advertising Injury

"Bodily injury", "property damage" or "personal and advertising injury".

(b) Dishonest, Fraudulent, Criminal Or Malicious Act

Damages arising out of any intentional, dishonest, fraudulent, criminal or malicious act, error or omission, committed by any insured, including the willful or reckless violation of any statute.

(c) Failure To Perform A Contract

Damages arising out of failure of performance of contract by any insurer.

(d) Insufficiency Of Funds

Damages arising out of an insufficiency of funds to meet any obligations under any plan included in the "employee benefit program".

(e) Inadequacy Of Performance Of Investment/Advice Given With Respect To Participation

Any claim based upon:

1) Failure of any investment to perform;

2) Errors in providing information on past performance of investment vehicles; or

3) Advice given to any person with respect to that person's decision to participate or not to participate in any plan included in the "employee benefit program".

(f) Workers' Compensation And Similar Laws

Any claim arising out of your failure to comply with the mandatory provisions of any workers' compensation, unemployment compensation insurance, social security or disability benefits law or any similar law.

(g) ERISA

Damages for which any insured is liable because of liability imposed on a fiduciary by the Employee Retirement Income Security Act of 1974, as now or hereafter amended, or by any similar federal, state or local laws.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(h) Available Benefits

Any claim for benefits to the extent that such benefits are available, with reasonable effort and cooperation of the insured, from the applicable funds accrued or other collectible insurance.

(i) Taxes, Fines Or Penalties

Taxes, fines or penalties, including those imposed under the Internal Revenue Code or any similar state or local law.

(j) Employment-Related Practices

Any liability arising out of any:

1) Refusal to employ;

2) Termination of employment;

3) Coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination or other employment-related practices, acts or omissions; or

4) Consequential liability as a result of **1)**, **2)** or **3)** above.

This exclusion applies whether the insured may be held liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

(3) Supplementary Payments

Section **I** - Supplementary Payments - Coverages **A** and **B** also apply to this Coverage, however **1.b.** and **2.** of the Supplementary Payments provision do not apply.

b. Who Is An Insured

As respects Employee Benefit Liability Coverage, **Section II - Who Is An Insured** is replaced by the following:

(1) If you are designated in the Declarations as:

(a) An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

(b) A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds but only with respect to the conduct of your business.

(c) A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.

(d) An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

(e) A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

(2) Each of the following is also an insured:

(a) Each of your "employees" who is or was authorized to administer your "employee benefit program";

(b) Any persons, organizations or "employees" having proper temporary authorization to administer your "employee benefit program" if you die, but only until your legal representative is appointed; or

(c) Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(3) Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if no other similar insurance applies to that organization. However, coverage under this provision:

(a) Is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and

(b) Does not apply to any act, error or omission that was committed before you acquired or formed the organization.

c. Limits Of Insurance

As respects Employee Benefit Liability Coverage, **Section III - Limits Of Insurance** is replaced by the following:

(1) The Limits of Insurance shown in Section **B.** Limits Of Insurance, **1.** Employee Benefit Liability Coverage of this endorsement and the rules below fix the most we will pay regardless of the number of:

(a) Insureds;

(b) Claims made or "suits" brought;

(c) Persons or organizations making claims or bringing "suits";

(d) Acts, errors or omissions; or

(e) Benefits included in your "employee benefit program".

(2) The Aggregate Limit shown in Section **B.** Limits Of Insurance, **1.** Employee Benefit Liability Coverage of this endorsement is the most we will pay for all damages because of acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".

(3) Subject to the limit described in **(2)** above, the Each Employee Limit shown in Section **B.** Limits Of Insurance, **1.** Employee Benefit Liability Coverage of this endorsement is the most we will pay for all damages sustained by any one "employee", including damages sustained by such "employee's" dependents and beneficiaries, as a result of:

(a) An act, error or omission; or

(b) A series of related acts, errors or omissions, regardless of the amount of time that lapses between such acts, errors or omissions;

negligently committed in the "administration" of your "employee benefit program".

However, the amount paid under this endorsement shall not exceed, and will be subject to the limits and restrictions that apply to the payment of benefits in any plan included in the "employee benefit program."

(4) Deductible Amount

(a) Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of the Deductible Amount shown in Section **B.** Limits Of Insurance, **1.** Employee Benefit Liability Coverage of this endorsement as applicable to Each Employee. The limits of insurance shall not be reduced by the amount of this deductible.

(b) The Deductible Amount shown in Section **B.** Limits Of Insurance, **1.** Employee Benefit Liability Coverage of this endorsement applies to all damages sustained by any one "employee", including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.

(c) The terms of this insurance, including those with respect to:

1) Our right and duty to defend the insured against any "suits" seeking those damages; and

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, or claim;

apply irrespective of the application of the Deductible Amount.

(d) We may pay any part or all of the Deductible Amount to effect settlement of any claim or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the Deductible Amount as we have paid.

d. Additional Conditions

As respects Employee Benefit Liability Coverage, **Section IV - Commercial General Liability Conditions** is amended as follows:

(1) Item **2.** Duties In The Event Of Occurrence, Offense, Claim Or Suit is replaced by the following:

2. Duties In The Event Of An Act, Error, Omission, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a claim. To the extent possible, notice should include:

(1) What the act, error or omission was and when it occurred; and

(2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

(2) Item **4.** Other Insurance is replaced by the following:

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this Employee Benefit Liability Coverage, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **c.** below applies. If this insurance

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **b.** below.

b. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

c. No Coverage

This insurance shall not cover any loss for which the insured is entitled to recovery under any other insurance in force previous to the effective date of this Employee Benefit Liability Coverage.

e. Additional Definitions

As respects Employee Benefit Liability Coverage, **Section V - Definitions** is amended as follows:

(1) The following definitions are added:

1. "Administration" means:

a. Providing information to "employees", including their dependents and beneficiaries, with respect to eligibility for or scope of "employee benefit programs";

b. Interpreting the "employee benefit programs";

c. Handling records in connection with the "employee benefit programs"; or

d. Effecting, continuing or terminating any "employee's" participation in any benefit included in the "employee benefit program".

However, "administration" does not include:

a. Handling payroll deductions; or

b. The failure to effect or maintain any insurance or adequate limits of coverage of insurance, including but not limited to unemployment insurance, social security benefits, workers' compensation and disability benefits.

2. "Cafeteria plans" means plans authorized by applicable law to allow "employees" to elect to pay for certain benefits with pre-tax dollars.

3. "Employee benefit programs" means a program providing some or all of the following benefits to "employees", whether provided through a "cafeteria plan" or otherwise:

a. Group life insurance; group accident or health insurance; dental, vision and hearing plans; and flexible spending accounts; provided that no one other than an "employee" may subscribe to such benefits and such benefits are made generally available to those "employees" who satisfy the plan's eligibility requirements;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Profit sharing plans, employee savings plans, employee stock ownership plans, pension plans and stock subscription plans, provided that no one other than an "employee" may subscribe to such benefits and such benefits are made generally available to all "employees" who are eligible under the plan for such benefits;

c. Unemployment insurance, social security benefits, workers' compensation and disability benefits; and

d. Vacation plans, including buy and sell programs; leave of absence programs, including military, maternity, family, and civil leave; tuition assistance plans; transportation and health club subsidies.

4. "First effective date" means the date upon which coverage was first effected in a series of uninterrupted renewals of insurance coverage.

(2) The following definitions are deleted in their entirety and replaced by the following:

5. "Employee" means a person actively employed, formerly employed, on leave of absence or disabled, or retired. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

18. "Suit" means a civil proceeding in which money damages because of an act, error or omission to which this insurance applies are alleged. "Suit" includes:

a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent;

b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits with our consent; or

c. An appeal of a civil proceeding.

2. Unintentional Failure To Disclose Hazards

Section IV - Commercial General Liability Conditions, 6. Representations is amended by the addition of the following:

Based on our dependence upon your representations as to existing hazards, if unintentionally you should fail to disclose all such hazards at the inception date of your policy, we will not reject coverage under this Coverage Part based solely on such failure.

3. Damage To Premises Rented To You

a. The last paragraph of **2. Exclusions** under **Section I - Coverage A - Bodily Injury And Property Damage Liability** is replaced by the following:

Exclusions **c.** through **n.** do not apply to damage by fire, explosion, lightning, smoke or soot to premises while rented to you or temporarily occupied by you with permission of the owner, for which the amount we will pay is limited to the Damage To Premises Rented To You Limit as described in Section **III** - Limits Of Insurance.

b. The insurance provided under Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability applies to "property damage" arising out of water damage to premises that are both rented to and occupied by you.

As respects Water Damage Legal Liability, as provided in Paragraph **3.b.** above:

The exclusions under Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability, **2.** Exclusions, other than **i.** War and the Nuclear Energy Liability Exclusion (Broad Form), are deleted and the following are added:

This insurance does not apply to:

(a) "Property damage":

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(i) Assumed in any contract or agreement; or

(ii) Caused by or resulting from any of the following:

1) Wear and tear;

2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

3) Smog;

4) Mechanical breakdown, including rupture or bursting caused by centrifugal force;

5) Settling, cracking, shrinking or expansion;

6) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals; or

7) Presence, growth, proliferation, spread or any activity of fungus, including mold or mildew, and any mycotoxins, spores, scents or byproducts produced or released by fungi.

(b) "Property damage" caused directly or indirectly by any of the following:

(i) Earthquake, volcanic eruption, landslide or any other earth movement;

(ii) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;

(iii) Water under the ground surface pressing on, or flowing or seeping through:

1) Foundations, walls, floors or paved surfaces;

2) Basements, whether paved or not; or

3) Doors, windows or other openings.

(c) "Property damage" caused by or resulting from water that leaks or flows from plumbing, heating, air conditioning, fire protection systems, or other equipment, caused by or resulting from freezing, unless:

(i) You did your best to maintain heat in the building or structure; or

(ii) You drained the equipment and shut off the water supply if the heat was not maintained.

(d) "Property damage" to:

(i) Plumbing, heating, air conditioning, fire protection systems, or other equipment or appliances; or

(ii) The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet or ice, whether driven by wind or not.

c. Limit Of Insurance

With respect to the insurance afforded in Paragraphs **3.a.** and **3.b.** above, the Damage To Premises Rented To You Limit as shown in the Declarations is amended as follows:

(1) Paragraph **6.** of Section **III** - Limits Of Insurance is replaced by the following:

6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** - Bodily Injury And Property Damage Liability for damages because of "property damage" to any one premises:

a. While rented to you, or temporarily occupied by you with permission of the owner;

b. In the case of damage by fire, explosion, lightning, smoke or soot, while rented to you; or

c. In the case of damage by water, while rented to and occupied by you.

(2) The most we will pay is limited as described in Section **B.** Limits Of

Insurance, **3.** Damage To Premises Rented To You of this endorsement.

4. Supplementary Payments

Under **Section I - Supplementary Payments - Coverages A and B**:

a. Paragraph **1.b.** is replaced by the following:

Up to the limit shown in Section **B.** Limits Of Insurance, **4.a.** Bail Bonds of this endorsement for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

b. Paragraph **1.d.** is replaced by the following:

All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to the limit shown in Section **B.** Limits Of Insurance, **4.b.** Loss Of Earnings of this endorsement per day because of time off from work.

5. Medical Payments

The Medical Expense Limit of Any One Person as shown in the Declarations is amended to the limit shown in Section **B.** Limits Of Insurance, **5.** Medical Payments of this endorsement.

6. 180 Day Coverage For Newly Formed Or Acquired Organizations

Section II - Who Is An Insured is amended as follows:

Subparagraph **a.** of Paragraph **3.** is replaced by the following:

a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

7. Waiver Of Subrogation

Section IV - Commercial General Liability Conditions, 8. Transfer Of Rights Of Recovery Against Others To Us is amended by the addition of the following:

We waive any right of recovery against any additional insured under this endorsement, because of any payment we make under this endorsement, to whom the insured has waived its right of recovery in a written contract, written agreement, written permit or written authorization. Such waiver by us applies only to the extent that the insured has waived its right of recovery against such additional insured prior to loss.

8. Automatic Additional Insured - Specified Relationships

a. The following is added to **Section II - Who Is An Insured**:

(1) Any person(s) or organization(s) described in Paragraph **8.a.(2)** of this endorsement (hereinafter referred to as additional insured) whom you are required to add as an additional insured under this Coverage Part by reason of a written contract, written agreement, written permit or written authorization.

(2) Only the following persons or organizations are additional insureds under this endorsement, and insurance coverage provided to such additional insureds is limited as provided herein:

(a) Managers Or Lessors Of Premises

The manager or lessor of a premises leased to you you are required per Paragraph **8.a.(1)** of this endorsement to provide insurance, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by you or those acting on your behalf in connection with the ownership, maintenance or use of that part of the premises leased to you, subject to the following additional exclusions:

This insurance does not apply to:

(i) Any "occurrence" which takes place after you cease to be a tenant in that premises;

(ii) Structural alterations, new construction or demolition operations performed by or on be-

half of such additional insured.

(b) Lessor Of Leased Equipment

Any person(s) or organization(s) from whom you lease equipment you are required per Paragraph **8.a.(1)** of this endorsement to provide insurance. Such person(s) or organization(s) are insureds only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person(s) or organization(s). A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends. However, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

(c) Vendors

Any person or organization (referred to below as vendor) you are required per Paragraph **8.a.(1)** of this endorsement to provide insurance, but only with respect to liability for "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions:

(i) The insurance afforded the vendor does not apply to:

1) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

2) Any express warranty unauthorized by you;

3) Any physical or chemical change in the product made intentionally by the vendor;

4) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

5) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

6) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

7) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

8) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

a) The exceptions contained in Paragraphs **(c)(i)4)** or **6)** of this endorsement; or

b) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(ii) This insurance does not apply to any insured person or organization:

1) From whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products; or

2) When liability included within the "products-completed operations hazard" has been excluded under this Coverage Part with respect to such products.

(d) State Or Governmental Agency Or Subdivision Or Political Subdivision - Permits Or Authorizations Relating To Premises

Any state or governmental agency or subdivision or political subdivision you are required per Paragraph **8.a.(1)** of this endorsement to provide insurance, subject to the following additional provision:

This insurance applies only with respect to the following hazards for which the state or governmental agency or subdivision or political subdivision has issued a permit or authorization in connection with premises you own, rent or control and to which this insurance applies:

(i) The existence, maintenance, repair, construction, erection or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners or decorations and similar exposures;

(ii) The construction, erection or removal of elevators; or

(iii) The ownership, maintenance or use of any elevators covered by this insurance.

(e) Mortgagee, Assignee Or Receiver

Any person or organization you are required per Paragraph **8.a.(1)** of this endorsement to provide insurance, but only with respect to their liability as mortgagee, assignee or receiver and arising out of the ownership, maintenance or use of the premises by you. However, this insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(3) The insurance afforded to additional insureds described in Paragraph **8.a.(1)** of this endorsement:

(a) Only applies to the extent permitted by law;

(b) Will not be broader than that which you are required by the written contract, written agreement, written permit or written authorization to provide for such additional insured; and

(c) Does not apply to any person, organization, vendor, state, governmental agency or subdivision or political subdivision, specifically named as an additional insured under any other provision of, or endorsement added to, this Coverage Part, provided such other provision or endorsement covers the injury or damage for which this insurance applies.

b. With respect to the insurance afforded to the additional insureds described in Paragraph **8.a.(1)** of this endorsement, the following is added to **Section III - Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

(1) Required by the written contract, written agreement, written permit or written authorization described in Paragraph **8.a.(1)** of this endorsement. For the purpose of determining the required amount of insurance only, we will include the minimum amount of any Umbrella liability or Excess Liability coverage required for that additional insured in that written contract, written agreement, written permit or written authorization; or

(2) Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

c. Section IV - Commercial General Liability Conditions is amended to include the following:

Automatic Additional Insured Provision

This insurance applies only if the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" offense is committed:

(1) During the policy period; and

(2) Subsequent to your execution of the written contract or written agreement, or the issuance of a written permit or written authorization, described in Paragraph **8.a.(1)**.

d. Section IV - Commercial General Liability Conditions is amended as follows:

Condition **4.** Other Insurance is amended to include:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured per Paragraph **8.a.(1)** of this endorsement provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract, agreement, permit or authorization described in **8.a.(2)** of this endorsement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

9. Property Damage To Borrowed Equipment

a. The following is added to Exclusion **2.j.** Damage To Property under Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability:

Paragraphs **(3)** and **(4)** of this exclusion do not apply to tools or equipment loaned to you, provided they are not being used to perform operations at the time of loss.

b. With respect to the insurance provided by this section of the endorsement, the following additional provisions apply:

(1) The Limits of Insurance shown in the Declarations are replaced by the limits shown in Section **B.**

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Limits Of Insurance, **9.** Property Damage To Borrowed Equipment of this endorsement with respect to coverage provided by this endorsement. These limits are inclusive of and not in addition to the limits being replaced. The Limits of Insurance shown in Section **B.** Limits Of Insurance, **9.** Property Damage To Borrowed Equipment of this endorsement fix the most we will pay in any one "occurrence" regardless of the number of:

(a) Insureds;

(b) Claims made or "suits" brought; or

(c) Persons or organizations making claims or bringing "suits".

(2) Deductible Clause

(a) Our obligation to pay damages on your behalf applies only to the amount of damages for each "occurrence" which are in excess of the Deductible Amount shown in Section **B.** Limits Of Insurance, **9.** Property Damage To Borrowed Equipment of this endorsement. The limits of insurance will not be reduced by the application of such deductible amount.

(b) Section **IV** - Commercial General Liability Conditions, **2.** Duties In The Event Of Occurrence, Offense, Claim Or Suit, applies to each claim or "suit" irrespective of the amount.

(c) We may pay any part or all of the deductible amount to effect settlement of any claim or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as has been paid by us.

10. Employees As Insureds - Specified Health Care Services And Good Samaritan Services

Paragraph **2.a.(1)(d)** under Section **II** - Who Is An Insured does not apply to:

1) Your "employees" who provide professional health care services on your behalf as a duly licensed nurse, emergency medical technician or paramedic in the jurisdiction where an "occurrence" or offense to which this insurance applies takes place; or

2) Your "employees" or "volunteer workers", other than an employed or volunteer doctor, providing first aid or good samaritan services during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

11. Broadened Notice Of Occurrence

Paragraph **a.** of Condition **2. Duties In The Event Of Occurrence, Offense, Claim Or Suit** under **Section IV - Commercial General Liability Conditions** is replaced by the following:

a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

(1) How, when and where the "occurrence" or offense took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

This requirement applies only when the "occurrence" or offense is known to any insured listed under Paragraph **1.** of Section **II** - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or offense.

12. Nonowned Aircraft

The following is added to Exclusion **2.g. Aircraft, Auto Or Watercraft** under **Section I - Coverage A - Bodily Injury And Property Damage Liability**:

This exclusion does not apply to an aircraft you do not own, provided that:

a. The pilot in command holds a current effective certificate, issued by a duly constituted authority of the United States of America or Canada, designating that person as a commercial or airline transport pilot;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. The aircraft is rented with a trained, paid crew; and

c. The aircraft does not transport persons or cargo for a charge.

13. Bodily Injury Redefined

Section V - Definitions, 3. "Bodily injury" is replaced by the following:

3. "Bodily injury" means bodily harm or injury, sickness, disease, disability, humiliation, shock, fright, mental anguish or mental injury, including care, loss of services or death resulting from any of these at any time.

14. Expected Or Intended Injury Redefined

The last sentence of Exclusion **2.a. Expected Or Intended Injury** under **Section I - Coverage A - Bodily Injury And Property Damage Liability** is replaced by the following:

This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

15. Former Employees As Insureds

The following is added to Paragraph **2.** under **Section II - Who Is An Insured:**

2. Each of the following is also an insured:

Any of your former "employees", directors, managers, members, partners or "executive officers", including but not limited to retired, disabled or those on leave of absence, but only for acts within the scope of their employment by you or for duties related to the conduct of your business.

16. Voluntary Property Damage Coverage

a. **Section I - Coverages** is amended to include the following:

COVERAGE D - VOLUNTARY PROPERTY DAMAGE COVERAGE

(1) Insuring Agreement

(a) We will pay the cost to repair or replace "property damage" to property of others arising out of operations incidental to your business when:

1) Damage is caused by you; or

2) Damage occurs while in your possession.

At your written request, we will make this payment regardless of whether you are at fault for the "property damage".

If you, at our request, replace, or make any repairs to, damaged property of others, the amount we will pay under Voluntary Property Damage Coverage will be determined by your actual cost to replace or repair the damaged property, excluding any profit or overhead.

Any payment we make under Voluntary Property Damage Coverage shall not be interpreted as an admission of liability by you or by us.

It shall be your duty, not our duty, to defend any claim or "suit" to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered.

(b) This insurance applies to "property damage" only if:

1) The "property damage" takes place in the "coverage territory"; and

2) The "property damage" occurs during the policy period.

(2) Exclusions

This insurance does not apply to "property damage" that would be excluded by Coverage **A** - Bodily Injury And Property Damage Liability, **2.** Exclusions, except for **j.** Damage To Property, Paragraphs **(3)**, **(4)**, **(5)** and **(6)**, **k.** Damage To Your Product, and **l.** Damage To Your Work.

(3) Definitions

For purposes of Voluntary Property Damage Coverage only, the following definitions under **Section V - Definitions** are replaced by the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

13. "Occurrence" means an incident, including continuous or repeated exposure to substantially the same general harmful conditions that result in "property damage".

17. "Property damage" means physical injury to tangible property. Electronic data is not tangible property, and "property damage" does not include disappearance, abstraction or theft.

As used in this definition, electronic data means information, facts or programs, stored as or on, created or used on, transmitted to or from computer software, including systems and applications software, hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

b. Care, Custody Or Control Liability Coverage

For purposes of the coverage provided by Care, Custody Or Control Liability Coverage in this endorsement only:

(1) Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability, **2.** Exclusions, **j.** Damage To Property, Paragraphs **(3)**, **(4)** and **(5)** do not apply to "property damage" to the property of others described therein.

(2) It shall be your duty, not our duty, to defend any claim or "suit" to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered.

This Paragraph **(2)** supersedes any provision in the Coverage Part to the contrary.

(3) "Property damage" for which Care, Custody Or Control Liability Coverage provides coverage shall be deemed to be caused by an "occurrence" but shall not serve to limit or restrict the applicability of any exclusion for "property damage" under this Coverage Part.

c. Limits Of Insurance And Deductibles

For purposes of the coverage provided by Voluntary Property Damage Coverage and Care, Custody Or Control Liability Coverage, **Section III - Limits Of Insurance** is amended to include the following:

(1) The Limits of Insurance shown in the Declarations are replaced by the limits shown in Section **B.** Limits Of Insurance, **16.** Voluntary Property Damage Coverage and Care, Custody Or Control Liability Coverage in this endorsement. These limits are inclusive of, and not in addition to, the limits being replaced. The Limits of Insurance shown in the Schedule fix the most we will pay regardless of the number of:

(a) Insureds;

(b) Claims made or "suits" brought; or

(c) Persons or organizations making claims or bringing "suits".

(2) **(a)** Subject to **(3)** below, the Voluntary Property Damage Coverage Each Occurrence Limit Of Insurance is the most we will pay for the sum of damages under Voluntary Property Damage Coverage;

(b) The Care, Custody Or Control Liability Coverage Each Occurrence Limit Of Insurance is the most we will pay for the sum of damages under Care, Custody Or Control Liability Coverage;

because of all "property damage" arising out of any one "occurrence".

(3) The Voluntary Property Damage Coverage, Aggregate Limit Of Insurance is the most we will pay for the sum of all damages under Voluntary Property Damage Coverage. This limit applies separately to each "coverage term".

(4) Deductible Clause

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(a) Our obligation to pay damages on your behalf applies only to the amount of damages for each "occurrence" which are in excess of the Deductible Amount shown in Section **B.** Limits Of Insurance, **16.** Voluntary Property Damage Coverage and Care, Custody Or Control Liability Coverage. The limits of insurance will not be reduced by the application of such Deductible Amount.

(b) Section **IV** - Commercial General Liability Conditions, **2.** Duties In The Event Of Occurrence, Offense, Claim Or Suit, applies to each claim or "suit" irrespective of the amount.

(c) We may pay any part or all of the Deductible Amount to effect settlement of any claim or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the Deductible Amount as has been paid by us.

17. Broadened Contractual Liability - Work Within 50' Of Railroad Property

Section V - Definitions, 9. "Insured contract" is amended as follows:

a. Paragraph **c.** is replaced by the following:

c. Any easement or license agreement;

b. Paragraph **f.(1)** is deleted in its entirety.

18. Alienated Premises

Exclusion **2.j.** Damage To Property, Paragraph **(2)** under Section **I -** Coverage **A -** Bodily Injury And Property Damage Liability does not apply if the premises are "your work".

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Contract Amendment STA Spokane WA, NTE $73,484

Summary (Background)

This program has been in place since 2012. It enables City staff to utilize the City-issued Spokane Transit Authority (STA) Pass as a transit pass for public transportation to and from work.

What impacts would the proposal have on historically excluded communities?

N/A All employees are eligible for this benefit as a means for free transportation to and from work giving broader commuting access to employees from all communities.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

N/A all employees are eligible for this benefit

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Human Resources will review the monthly bills and collect feedback from employees and departments on level and quality of service along with wait and turnaround times for results.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Providing access to mass transit promotes environmentally sustainable travel to and from the work location which reduces carbon emissions from single occupant vehicles and wear and tear on city roadways. Additionally, it is a benefit to employees which enables the city to be competitive in the labor market, aligns with our goal of becoming an employer of choice and developing a 21st Century Workforce. It is a major part of our CTR program required by the State Department of Transportation

City of Spokane

CONTRACT RENEWAL #2 of 3

Title: PUBLIC RECORDS REQUEST PLATFORM

This Contract Renewal is made and entered into by and between the **City of Spokane** as ("City"), a Washington municipal corporation, and **GRANICUS, LLC.,** whose address is 408 Saint Peter Street, Suite 600, Saint Paul, Minnesota 55102, as ("Company"), individually hereafter referenced as a "Party", and together as the "Parties".

WHEREAS, the parties entered into a Contract wherein the Company agreed to provide Public Records Request Platform, in accordance with the Master Service Agreement; and

WHEREAS, the original Contract provided for three (3) additional one-year (1) renewals, with this being the second of those renewals, therefore this Contract needs to be formally renewed by this written Contract Renewal document; and

-- NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.
The original Contract, dated December 10, 2022, and December 11, 2022, any previous amendments, renewals and / or extensions / thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE DATE.
This Contract Renewal shall become effective on December 1, 2025, and shall end November 30, 2026.

3. COMPENSATION.
The City shall pay an estimated maximum annual cost not to exceed **FIFTY-ONE THOUSAND SEVENTY-NINE DOLLARS AND 84/100 ($51,079.84)** plus tax if applicable, for everything furnished and done under this Contract Renewal. This is the maximum amount to be paid under this Renewal, and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this Renewal document.

4. DEBARMENT AND SUSPENSION.
The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or

ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Renewal by having legally-binding representatives affix their signatures below.

Title: CO-MANAGED LOGRHYHM SERVICES

This Contract Renewal is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **SHI INTERNATIONAL CORP.,** whose address is 290 Davidson Avenue, Somerset, New Jersey 08873 as ("Company"), individually hereafter referenced as a "Party", and together as the "Parties".

WHEREAS, the parties entered into a Contract wherein the Company agreed to resell Co-Managed LogRhyhm Services in accordance with the Company's Pricing Proposal dated December 18, 2023, and pursuant to the terms and conditions of Washington DES Contract No. 14922-01/NASPO Contract No. CTR060028; and

WHEREAS, the initial contract provided for three (3) additional one (1) year renewals, with this being the second of those renewals.

WHEREAS, the original Contract insurance requirements, thus the original Contract needs to be amended to include - "Technology E&O/Cyber Insurance with a combined single limit of not less than $5,000,000 each claim, incident, or occurrence."

NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.
The original Contract, dated February 14, 2024, and February 15, 2024, any previous amendments, renewals and / or extensions / thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE DATE.
This Contract Renewal shall become effective on January 1, 2026, and shall end December 31, 2026.

3. COMPENSATION.
The City shall pay an additional amount not to exceed **SEVENTY-FOUR THOUSAND THREE HUNDRED TWENTY-FOUR AND 28/100 DOLLARS** (**74,324.28**), plus sales tax, in accordance with Company's Quote Number #26728776, dated October 8, 2025, for everything furnished and done under this Contract Renewal. This is the maximum amount to be paid under this Renewal, and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this Renewal document.

4. DEBARMENT AND SUSPENSION.
The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

INTERLOCAL AGREEMENT/LEASE FOR USE OF SPACE

This Lease is entered into between Spokane County Fire Protection District No. 9 (the "District"), a municipal corporation, and the City of Spokane (the "City"), a municipal corporation, who shall be collectively referred to as the "Parties" or singularly as a party, for purposes of using District space for its backup communications operations ("City Services" or the "Permitted Use").

WHEREAS, the City of Spokane Police Department is in need of backup communications space that is set forth in Exhibit F of the Lease attached hereto as Exhibit 1; WHEREAS, the District has available space for the City to perform City services for the consideration set forth in the Lease attached hereto as Exhibit 1;

WHEREAS, the District recognizes the benefits conferred by the City as they positively impact the District's statutory mission set forth under RCW 52.02.020, therefore necessitating in a reduction of rent paid by the City as referenced in the attached Lease; and

WHEREAS, the District desires to lease the space set forth in Exhibit A to the City upon the terms and conditions of the lease set forth in Exhibit 1.

THEREFORE, in consideration of the promises set forth herein and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties agree as follows:

1. **Lease.** The District shall lease to the City of Spokane the space designated in Exhibit 1 hereto upon the terms and conditions therein.

2. **Term.** This Agreement shall terminate upon termination of the Lease set forth in Exhibit 1.

3. **Consideration.** The consideration for this Agreement is set forth in Exhibit 1.

4. **Dispute Resolution**

   Prior to any other action, the Fire Chief of the District and a designated agent of the City shall meet and attempt to negotiate a resolution to any and all disputes.

   If the parties are unable to resolve the dispute through negotiation, either party may request mediation through a process to be mutually agreed to in good faith between the parties. Mediation shall be initiated within 30 days of the request. The parties shall share equally the costs of mediation and shall be responsible for their own costs in preparation and participation in the mediation, including expert witness fees and reasonable attorney's fees.

   If a mediation process cannot be agreed upon or if the mediation fails to resolve the dispute then, within 30 calendar days, either party may submit the matter to binding arbitration according to the procedures of the Superior Court Rules for Mandatory Arbitration, including the Local Mandatory Arbitration Rules of the Spokane County Superior Court, Spokane County, Washington, as amended, unless the parties agree in writing to an

alternative dispute resolution process. The arbitration shall be before a disinterested arbitrator with both parties sharing equally in the cost of the arbitrator. The location of the arbitration shall be mutually agreed or established by the assigned Arbitrator, and the laws of the State of Washington will govern its proceedings. Each party shall be responsible for its own costs in preparing for and participating in the arbitration, including expert witness fees and reasonable attorney's fees.

Unless otherwise agreed in writing, this dispute resolution process shall be the sole, exclusive and final remedy to or for either party for any dispute regarding this Agreement, and its interpretation, application or breach, regardless of whether the dispute is based in contract, tort, any violation of federal law, state statute or local ordinance or for any breach of administrative rule or regulation and regardless of the amount or type of relief demanded.

This dispute resolution mechanism shall apply to this Agreement and the Lease set forth in Exhibit 1 hereto. Nothing herein limits either party's right to seek injunctive relief, unlawful detainer, or re-entry/self-help as expressly permitted by this Agreement, the Lease, or law.

5. Hold Harmless/Indemnification

Indemnification by Spokane County Fire Protection District No. 9 (Party 1)

Spokane County Fire Protection District No. 9 ("Party 1") shall indemnify, defend, and hold harmless the City of Spokane ("Party 2") and its officers, agents, and employees from and against any and all claims, actions, suits, liabilities, losses, costs, expenses, and damages of any kind whatsoever arising out of or resulting from any negligent act or omission of Party 1, its officers, agents, or employees in performing obligations under this Agreement. In the event any such claim or suit is brought against Party 2, Party 1 shall, at its sole expense, defend the same, provided that Party 2 reserves the right to participate in the defense if any governmental authority principle is implicated. If final judgment is rendered against Party 2, its officers, agents, or employees, or jointly against Party 2 and Party 1 and their respective officers, agents, or employees, Party 1 shall fully satisfy such judgment.

Indemnification by the City of Spokane (Party 2)

The City of Spokane ("Party 2") shall indemnify, defend, and hold harmless Spokane County Fire Protection District No. 9 ("Party 1") and its officers, agents, and employees from and against any and all claims, actions, suits, liabilities, losses, costs, expenses, and damages of any kind whatsoever arising out of or resulting from any negligent act or omission of Party 2, its officers, agents, or employees in performing obligations under this Agreement. In the event any such claim or suit is brought against Party 1, Party 2 shall, at

its sole expense, defend the same, provided that Party 1 reserves the right to participate in the defense if any governmental authority principle is implicated. If final judgment is rendered against Party 1, its officers, agents, or employees, or jointly against Party 1 and Party 2 and their respective officers, agents, or employees, Party 2 shall fully satisfy such judgment.

Concurrent Negligence and Waiver of Immunity

City of Spokane and the District acknowledge and agree that if any such claims, actions, suits, liabilities, losses, costs, expenses, or damages arise from the concurrent negligence of both parties, their officers, agents, or employees, this indemnification provision shall be enforceable only to the extent of each party's respective negligence. For the limited purpose of enforcing this indemnification provision, each party expressly waives its immunity under Title 51 RCW, including with respect to any claims, suits, or causes of action brought by one party's employee(s) against the other party.

Neither party shall be deemed to be an agent of the other during the performance of this Agreement.

6. **RCW 39.34 Provisions.** This Agreement shall be administered by the Fire Chief of the District and the chief executive officer or designee of the City. Other than the leasehold interest set forth in Exhibit 1, no property shall exchange hands pursuant to this Agreement. This Agreement does not create a new agency. This Agreement shall be listed by subject on the District's website. Irrespective of this Agreement, neither party hereto shall be prevented from entering into similar interlocal agreements. This Agreement shall be ratified by the respective governing bodies of each agency.

LEASE AGREEMENT

Property Address: 3801 E. Farwell Rd, Mead, WA 99021

THIS LEASE AGREEMENT (the "Lease") is entered into and effective as of this 15th Day of October 2025 between Spokane County Fire Protection District No. 9, a political subdivision of the State of Washington ("Landlord"), and the City of Spokane, a Washington State Municipal Corporation (“Tenant"), who shall hereinafter be referred to collectively as the “Parties” or singularly as a “party.”

RECITALS

WHEREAS, the Tenant requires certain premises to conduct public safety communications, including 911/dispatch operations, backup communications, training, staging, equipment storage, a server/communications room, a tower and related radio/IT infrastructure, and other lawful activities ancillary thereto; and

WHEREAS, the Tenant may provide certain improvements at no cost or obligation to the Landlord, with said improvements to be removed at the expiration of the Lease or to remain on the Premises for an agreed-upon amount; and

WHEREAS, the Parties recognize the importance of the Tenant’s backup public-safety communications services in furtherance of the Landlord’s mission; and

WHEREAS, the Tenant recognizes its obligation to hold harmless the Landlord from liabilities arising from the use of the Premises; and

WHEREAS, both Parties hereto are possessed of statutory authority to enter into this Lease.

THEREFORE, the Parties agree as follows:

1. LEASE SUMMARY.

a. Leased Premises. The leased real estate i) consists of an agreed area of 448.64 square feet and is outlined on the floor plan attached as Exhibit A (the "Premises"); ii) is located on the land legally described on attached Exhibit B; and iii) is commonly known as SCFD9 Administration Building and comprises a portion of Spokane County Parcel No. _____. The Premises contain the following elements previously located thereon by Tenant as more fully set forth in Exhibit A hereto:

b. Lease Commencement Date. The term of this Lease shall be for a period of eighteen (18) months (the “Initial Term”) and shall commence on October 15, 2025 or such earlier or later date as provided in Section 3 (the "Commencement Date").

c. Lease Termination Date. This Lease shall terminate 18 months from the Commencement Date (the “Termination Date”) unless extended by Tenant pursuant to the provisions of Section 3 herein.

d. Base Rent. The base monthly rent shall be $448.00 US Dollars monthly during the full initial term of this Lease and any renewal thereof (referred hereto as the "Base Rent"). Rent shall be payable at Landlord's address shown in Section 1 (g) below, or such other place designated in writing by Landlord. The Base Rent may increase each year by the lesser of 2% or the amount of increase in CPI-W in the Seattle-Tacoma-Bellevue area measured from June of the previous Lease year. If the option or options to renew provided for herein are exercised the parties agree that rent shall be recalculated to the then current fair market value using generally accepted appraisal practices, effective as of the first day of each renewal term.

e. Security Deposit. No security deposit is required.

f. Permitted Use. The Premises shall be used only for 911/dispatch operations, training, staging, equipment storage, server/communications room, tower and related radio/IT infrastructure, and other lawful activities ancillary to the foregoing (the "Permitted Use").

g. Notice and Payment Addresses

    a. Landlord: SCFD9 Administration 3801 East Farwell Rd, Mead, WA 99021

    b. Tenant: City of Spokane, 808 West Spokane Falls Blvd, Spokane, WA 99201

h. Leasehold Excise Tax. Because both parties hereto are municipal corporations exempt from property taxes, this Lease is not subject to the Leasehold Excise Tax established under RCW 82.29A.

2. PREMISES.

a. Lease of Premises. Landlord leases to Tenant, and Tenant leases from Landlord, the Premises upon the terms specified in this Lease.

b. Acceptance of Premises. Except as specified elsewhere in this Lease, Landlord makes no representations or warranties to Tenant regarding the Premises, including the physical or structural condition of the Premises or the condition of all mechanical, electrical, and other systems on the Premises. Tenant shall be responsible for performing any work necessary to bring the Premises into a condition satisfactory to Tenant. By signing this Lease, Tenant acknowledges that it has had an adequate opportunity to investigate the Premises; acknowledges responsibility for making any

corrections, Designated Upgrades, and repairs to the Premises and acknowledges that the time needed to complete any such items shall not delay the Commencement Date.

c. Tenant Improvements. All tenant improvements to be completed by Tenant as set forth in Exhibit E hereto (the "Tenant's Work"), shall be the Tenant's responsibility for design, payment, and performance of all such work. Tenant shall be deemed to have accepted the Premises in their then condition. At the conclusion of the Lease, Tenant shall return the Premises to its use prior to the Lease or shall remove any Tenant Improvements unless the parties agree otherwise in writing.

3. TERM.

The term of this Lease shall commence on the Commencement Date specified in Section 1.

a. Early Possession. Tenant currently occupies a portion of the Premises. Such occupancy shall not advance the Commencement Date or the Termination Date set forth in Section 1, but otherwise all terms and conditions of this Lease shall nevertheless apply during the period of early occupancy before the Commencement Date.

b. Delayed Possession. Tenant's obligations under this Lease arise regardless of Tenant delaying occupation of the entire Premises.

c. Early Termination (Recapture). Landlord may terminate this Lease and recapture the Premises prior to the termination date if the Premises become necessary for fire protection/EMS purposes in Landlord's reasonable discretion. Such termination shall be preceded by not less than five (5) months' prior written notice to Landlord to Tenant.

d. Option to Extend. With the approval of the Landlord, the Tenant may extend this Lease for an additional six-month period if Tenant notifies the Landlord in writing of its intent to exercise this option no later than 120 days prior to the Termination Date.

4. RENT.

a. Payment of Rent. Tenant shall pay Landlord without notice, demand, deduction or offset, in lawful money of the United States, the monthly Base Rent stated in Section 1 in advance on or before the first day of each month during the Lease term beginning on the Commencement Date and shall also pay any other additional payments due to Landlord ("Additional Rent"), including assessments when required under this Lease. Payments for any partial month at the beginning or end of the Lease shall be prorated. All payments due to Landlord under this Lease, including late fees and interest, shall also constitute Additional Rent, and upon failure of Tenant to pay any such costs, charges or expenses, Landlord shall have the same rights and remedies as otherwise provided in this Lease for the failure of Tenant to pay rent.

b. Late Charges; Default Interest. If any sums payable by Tenant to Landlord under this Lease are not received within five (5) business days after their due date, Tenant shall pay Landlord an amount equal to the greater of $100 or five percent (5%) of the delinquent amount for the cost of collecting

and handling such late payment in addition to the amount due and as Additional Rent. All delinquent sums payable by Tenant to Landlord and not paid within five (5) business days after their due date shall, at Landlord's option, bear interest at the rate of fifteen percent (15%) per annum, or the highest rate of interest allowable by law, whichever is less (the "Default Rate"). Interest on all delinquent amounts shall be calculated from the original due date to the date of payment.

c. Less Than Full Payment. Landlord's acceptance of less than the full amount of any payment due from Tenant shall not be deemed an accord and satisfaction or compromise of such payment unless Landlord specifically consents in writing to payment of such lesser sum as an accord and satisfaction or compromise of the amount which Landlord claims. Any portion that remains to be paid by Tenant shall be subject to the late charges and default interest provisions of this Section 4.

5. SECURITY DEPOSIT. No security deposit is required under this Lease

6. USES. The Premises shall be used only for the Permitted Use specified in Section 1 above, and for no other business or purpose without the prior written consent of Landlord. No act shall be done on or around the Premises that is unlawful or that will increase the existing rate of insurance on the Premises, the Building, or the Property, or cause the cancellation of any insurance on the Premises, the Building, or the Property. Tenant shall not commit or allow to be committed any waste upon the Premises, or any public or private nuisance. Tenant shall not do or permit anything to be done on the Premises, the Building, or the Property which will obstruct or interfere with the rights of other tenants or occupants of the Property, or their employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees or to injure or annoy such persons.

7. COMPLIANCE WITH LAWS. Tenant shall not cause or permit the Premises to be used in any way which violates any law, ordinance, or governmental regulation or order. Landlord represents to Tenant that, as of the Commencement Date, to Landlord's knowledge, but without duty of investigation, and with the exception of any Tenant's Work, the Premises comply with all applicable laws, rules, regulations, or orders, including without limitation, the Americans With Disabilities Act, if applicable, and Landlord shall be responsible to promptly cure at its sole cost any noncompliance which existed on the Commencement Date. Tenant shall be responsible for complying with all laws applicable to the Premises because of the Permitted Use, and Tenant shall be responsible for making any changes or Designated Upgrades as may be required by law, rule, regulation, or order for Tenant's Permitted Use at its sole cost and expense.

8. ASSESSMENTS. Tenant shall within 60 days of notice from Landlord reimburse to Landlord the amount of all assessments levied against the Property that are attributable to Premises, calculated based on relative square footage of land. Tenant shall pay all assessments, liens and license fees levied, assessed or imposed by any authority having the direct or indirect power to assess or attached any such liens, related to or required by Tenant's use of the Premises. Tenant shall remain liable for any taxes or assessments on its personal property located on the Premises.

9. COMMON AREAS.

a. The term "Common Areas" means all areas, facilities and building systems that are provided and designated from time to time by Landlord for the general non-exclusive use and convenience of Tenant with other tenants and which are not leased or held for the exclusive use of a particular tenant. To the extent that such areas and facilities exist within the Property, Common Areas include hallways, entryways, stairs, elevators, driveways, walkways, terraces, docks, loading areas, restrooms, trash facilities, parking areas and garages, roadways, pedestrian sidewalks, landscaped areas, security areas, lobby or mall areas, common heating, ventilating and air conditioning systems, common electrical service, equipment and facilities, and common mechanical systems, equipment and facilities. Tenant shall comply with reasonable rules and regulations concerning the use of the Common Areas adopted by Landlord from time to time. Without advance notice to Tenant and without any liability to Tenant, Landlord may change the size, use, or nature of any Common Areas, erect improvements on the Common Areas or convert any portion of the Common Areas to the exclusive use of Landlord or selected tenants, so long as Tenant is not thereby deprived of the substantial benefit of the Premises. Landlord reserves the use of exterior walls and the roof, and the right to install, maintain, use, repair and replace pipes, ducts, conduits, and wires leading through the Premises in areas which will not materially interfere with Tenant's use thereof.

b. Use of the Common Areas. Tenant shall have the non-exclusive right, in common with such other tenants to whom Landlord has granted or may grant such rights, to use the Common Areas. Tenant shall abide by rules and regulations adopted by Landlord from time to time and shall use its best efforts to cause its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees to comply with those rules and regulations, and not interfere with the use of Common Areas by others.

10. DESIGNATED UPGRADES. Tenant may make alterations, additions, or improvements to the Premises, referred to as “Tenant Upgrades” only with the prior written consent of Landlord, which shall not be unreasonably withheld, conditioned, or delayed. Landlord shall have thirty (30) days in which to respond to Tenant's request for any Tenant Upgrades so long as such request includes the name of Tenant's contractors and reasonably detailed plans and specifications therefor. Tenant shall perform all work at Tenant's expense and in compliance with all applicable laws and shall complete all Designated Upgrades in accordance with plans and specifications approved by Landlord, using contractors approved by Landlord, and in a manner so as not to unreasonably interfere with other tenants. Tenant shall pay, when due, or furnish a bond for payment all claims for labor or materials furnished to or for Tenant at or for use in the Premises, which claims are or may be secured by any mechanics or materialmen's' liens against the Premises or the Property or any interest therein. Tenant shall remove all Tenant Upgrades at the end of the Lease term unless

Landlord conditioned its consent on leaving a specified Alteration at the Premises, in which case Tenant shall not remove such Alteration, and it shall become Landlord's property. Such consent shall be given at the time the Landlord approves the Tenant Upgrade in writing. Tenant shall immediately repair any damage to the Premises caused by removal of Tenant Upgrades. Tenant may recover the reasonable cost of Tenant Upgrades remaining on the Premises upon written request of the Landlord, upon termination of the Lease.

Landlord anticipates making upgrades to the premises consisting of he parking lot, sidewalk/ADA, drainage and related safety/access upgrades identified in Exhibit D (collectively, "Premises Upgrades") Landlord shall be responsible for all aspects of the Premises Upgrades, subject to the terms and conditions set forth herein..

The Tenant shall remit to Landlord a lump sum payment of 12.62% of the aforementioned Premises Upgrades, no later than thirty (30) days after completion of those Premises Upgrades.

11. REPAIRS AND MAINTENANCE; SURRENDER. Tenant shall, at its sole expense, maintain the leased square footage of the Premises in good condition and promptly make all ordinary repairs and replacements necessary to keep the Premises safe and in good condition. The parties acknowledge that this agreement is a ground lease, and as such Landlord shall be responsible to maintain the premises in such a condition that enables Tenant to use of the space as set forth in this Lease, but has no obligation to make ordinary repairs or maintenance obligations required of Tenant . If Tenant fails to perform Tenant's obligations under this Section, Landlord may at Landlord's option enter upon the Premises after ten (10) days' prior notice to Tenant and put the same in good order, condition and repair and the cost thereof together with interest thereon at the default rate set forth in Section 4 shall be due and payable as additional rent to Landlord together with Tenant's next installment of Base Rent. Landlord shall first provide Tenant with a written description of the deficiencies in the Tenant's obligations as to repairs and maintenance,so as to give Tenant no less than ten calendar days to correct any deficiencies. Upon expiration of the Lease term, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises, together with all keys, to Landlord in as good condition as when received by Tenant from Landlord or as thereafter improved, reasonable wear and tear and insured casualty excepted.

12. ACCESS AND RIGHT OF ENTRY. After twenty-four (24) hours' notice from Landlord (except in cases of emergency, when no notice shall be required), Tenant shall permit Landlord and its agents, employees, and contractors to enter the Premises at all reasonable times to make repairs, inspections, Premises Upgrades or improvements at Landlord's expense except when such repairs, inspections, Premise Upgrades or improvements are necessitated by Tenant's misuse of the Premises, provided that Landlord shall use reasonable efforts to minimize interference with Tenant's use and enjoyment of the Premises. This Section shall not impose any repair or other obligation upon Landlord or Tenant not expressly stated elsewhere in this Lease. After reasonable notice to Tenant, Landlord shall have the right to enter the Premises for the purpose of (a) showing the Premises to prospective purchasers or lenders at any time, and to prospective tenants within

one hundred eighty (180) days prior to the expiration or sooner termination of the Lease term; and (b) posting "for lease" signs within one hundred eighty (180) days prior to the expiration or sooner termination of the Lease term.

13. DESTRUCTION OR CONDEMNATION.

a. Damage and Repair. Damage to the Premises or improvements thereon shall not relieve Tenant of the obligation to pay Rent except as provided below. If as a result of fire or other casualty the improvements on the Premises are rendered 50% unoccupiable then Tenant may, within thirty days of the date of fire or casualty, elect to terminate this Lease by sending written notice of such election to Landlord. Tenant shall be obligated to remove improvements as otherwise required under this Lease.

b. Condemnation. If the Premises, the portion of the Building or the Property necessary for Tenant's occupancy, or 50% or more of the rentable area of the Property are made untenantable by eminent domain, or conveyed under a threat of condemnation, this Lease shall terminate at the option of either Landlord or Tenant as of the earlier of the date title vests in the condemning authority or the condemning authority first has possession of the Premises or the portion of the Property taken by the condemning authority. All Rents and other payments shall be paid to that date. If the condemning authority takes a portion of the Premises or of the Building or the Property necessary for Tenant's occupancy that does not render them untenantable, then this Lease shall continue in full force x and effect and the Rent shall be equitably reduced based on the proportion by which the floor area of any structures is reduced. The reduction in Rent shall be effective on the earlier of the date the condemning authority first has possession of such portion or title vests in the condemning authority. The Premises or the portion of the Building or the Property necessary for Tenant's occupancy shall not be deemed untenantable if twenty- five percent (25%) or less of each of those areas are condemned. Landlord shall be entitled to the entire award from the condemning authority attributable to the value of the Premises or the Building or the Property and Tenant shall make no claim for the value of its leasehold. Tenant shall be permitted to make a separate claim against the condemning authority for moving expenses if Tenant may terminate the Lease under this Section, provided that in no event shall Tenant's claim reduce Landlord's award.

14. INSURANCE.

a. Tenant's Liability Insurance. During the Lease term, Tenant shall pay for and maintain commercial general liability insurance with broad form property damage and contractual liability endorsements. This policy shall name Landlord, its property manager (if any), and other parties designated by Landlord as additional insureds using an endorsement form acceptable to Landlord, and shall insure Tenant's activities and those of Tenant's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees with respect to the Premises against loss, damage or liability for personal injury or bodily injury (including death) or

loss or damage to property with a combined single limit of not less than $2,000,000, and a deductible of not more than $10,000. Tenant's insurance will be primary and noncontributory with any liability insurance carried by Landlord. Landlord may also require Tenant to obtain and maintain business income coverage for at least six (6) months, business auto liability coverage, and, if applicable to Tenant's Permitted Use, liquor liability insurance and/or warehouseman's coverage. If the Term of this Lease is extended, at each extension the amount and type of coverage required herein shall be updated to then current industry standard coverages.

b. Tenant's Property Insurance. During the Lease term, Tenant shall pay for and maintain special form clauses of loss coverage property insurance (with coverage for earthquake if required by Landlord's lender and, if the Premises are situated in a flood plain, flood damage) for all of Tenant's personal property, fixtures, and equipment in the amount of their full replacement value, with a deductible of not more than $10,000.

c. Miscellaneous. Tenant's insurance required under this Section shall be with companies rated A-VII or better in Best's Insurance Guide, and which are admitted in the State in which the Premises are located. No insurance policy shall be cancelled or reduced in coverage and each such policy shall provide that it is not subject to cancellation or a reduction in coverage except after thirty (30) days prior written notice to Landlord. Tenant shall deliver to Landlord upon commencement of the Lease and from time to time thereafter, copies of the insurance policies or evidence of insurance and copies of endorsements required by this Section. In no event shall the limits of such policies be considered as limiting the liability of Tenant under this Lease. If Tenant fails to acquire or maintain any insurance or provide any policy or evidence of insurance required by this Section, and such failure continues for three (3) days after notice from Landlord, Landlord may, but shall not be required to, obtain such insurance for Landlord's benefit and Tenant shall reimburse Landlord for the costs of such insurance upon demand. Such amounts shall be Additional Rent payable by Tenant hereunder and in the event of non-payment thereof, Landlord shall have the same rights and remedies with respect to such non-payment as it has with respect to any other non-payment of Rent hereunder.

d. Landlord's Insurance. Landlord shall not be required to carry any insurance under this Lease.

e. Waiver of Subrogation. Landlord and Tenant hereby release each other and any other tenant, their agents, or employees, from responsibility for, and waive their entire claim of recovery for any loss or damage arising from any cause covered by property insurance required to be carried or otherwise carried by each of them. Each party shall provide notice to the property insurance carrier or carriers of this mutual waiver of subrogation and shall cause its respective property insurance carriers to waive all rights of subrogation against the other. This waiver shall not apply to the extent of the deductible amounts to any such property policies or to the extent of liabilities exceeding the limits of such policies.

f. In the alternative to the insurance requirements above, Landlord shall accept Tenant's documentation that Tenant is self-insured with coverage through its excess insurance carriers, provided that Tenant's insurance shall be at or better than the limitations set forth above.

15. INDEMNIFICATION.

a. Indemnification by Tenant. Tenant shall defend, indemnify, and hold Landlord and its property manager (if any) harmless against all liabilities, damages, costs, and expenses, including attorneys' fees, for personal injury, bodily injury (including death) or property damage arising from any negligent or wrongful act or omission of Tenant or Tenant's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees on or around the Premises, or arising from any breach of this Lease by Tenant. Tenant shall use legal counsel reasonably acceptable to Landlord in defense of any action within Tenant's defense obligation.

b. Indemnification by Landlord. Landlord shall defend, indemnify and hold Tenant harmless against all liabilities, damages, costs, and expenses, including attorneys' fees, for personal injury, bodily injury (including death) or property damage arising from any negligent or wrongful act or omission of Landlord or Landlord's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees on or around the Premises, or arising from any breach of this Lease by Landlord. Landlord shall use legal counsel reasonably acceptable to Tenant in defense of any action within Landlord's defense obligation. Neither party shall be deemed to be an agent of the other during the performance of this lease.

c. Waiver of Immunity. Landlord and Tenant each specifically and expressly waive any immunity that each may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Neither party's indemnity obligations under this Lease shall be limited by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under the Worker Compensation Acts, Disability Benefit Acts or other employee benefit acts.

d. Exemption of Landlord from Liability. Except to the extent of claims arising out of Landlord's negligence, wrongful act, ommission or intentional misconduct, Landlord shall not be liable for injury to Tenant's business or assets or any loss of income therefrom or for damage to any property of Tenant or of its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, or any other person in or about the Premises.

e. Survival. The provisions of this Section 15 shall survive expiration or termination of this Lease.

16. ASSIGNMENT AND SUBLETTING. Tenant shall not assign, sublet, mortgage, encumber or otherwise transfer any interest in this Lease (collectively referred to as a "Transfer") or any part of the Premises, without first obtaining Landlord's written consent, which consent may be withheld in Landlord's sole discretion. No Transfer shall relieve Tenant of any liability under this Lease notwithstanding Landlord's consent to such Transfer. Consent to any Transfer shall not operate as

a waiver of the necessity for Landlord's consent to any subsequent Transfer. A “Transfer” shall not include a merger or consolidation by Tenant with another public agency. As a condition to Landlord's approval, if given, any potential assignee or sublessee otherwise approved by Landlord shall assume all obligations of Tenant under this Lease and shall be jointly and severally liable with Tenant and any guarantor, if required, for the payment of Rent and performance of all terms of this Lease. In connection with any Transfer, Tenant shall provide Landlord with copies of all assignments, subleases and assumption agreement or documents.

18. LIENS. Tenant shall not subject the Landlord's assets to any liens or claims of lien. Tenant shall keep the Premises free from any liens created by or through Tenant shall indemnify and hold Landlord harmless from liability for any such liens including, without limitation, liens arising from any Designated Upgrades. If a lien is filed against the Premises by any person claiming by, through or under Tenant, Tenant shall, within ten (10) days after Landlord's demand, at Tenant's expense, either remove the lien or furnish to Landlord a bond in form and amount and issued by a surety satisfactory to Landlord, indemnifying Landlord and the Premises against all liabilities, costs, and expenses, including attorneys' fees, which Landlord could reasonably incur as a result of such lien.

19. DEFAULT. The following occurrences shall each constitute a default by Tenant (an "Event of Default"):

a. Failure to Pay. Failure by Tenant to pay any sum, including Rent, due under this Lease following five (5) days' notice from Landlord of the failure to pay.

b. Vacation/Abandonment. Vacation by Tenant of the Premises (defined as an absence for at least sixty (60) consecutive days without prior notice to Landlord), or abandonment by Tenant of the Premises (defined as an absence of ninety (90) days or more while Tenant is in breach of some other term of this Lease). Tenant's vacation or abandonment of the Premises shall not be subject to any notice or right to cure.

c. Insolvency. Tenant's insolvency or bankruptcy (whether voluntary or involuntary); or appointment of a receiver, assignee or other liquidating officer for Tenant's business; provided, however, that in the event of any involuntary bankruptcy or other insolvency proceeding, the existence of such proceeding shall constitute an Event of Default only if such proceeding is not dismissed or vacated within sixty (60) days after its institution or commencement.

d. Levy or Execution. The taking of Tenant's interest in this Lease or the Premises, or any part thereof, by execution or other process of law directed against Tenant, or attachment of Tenant's interest in this Lease by any creditor of Tenant, if such attachment is not discharged within fifteen (15) days after being levied.

e. Other Non-Monetary Defaults. The breach by Tenant of any agreement, term or covenant of this Lease other than one requiring the payment of money and not otherwise enumerated in this Section or elsewhere in this Lease, which breach continues for a period of thirty (30) days after notice by Landlord to Tenant of the breach.

f. Failure to Take Possession. Failure by Tenant to take possession of the Premises on the Commencement Date or failure by Tenant to commence any Tenant Improvement in a timely fashion. Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event less than thirty (30) days after notice by Tenant to Landlord. If Landlord fails to cure any such default within the allotted time, Tenant's sole remedy shall be to seek actual money damages (but not consequential or punitive damages) for loss arising from Landlord's failure to discharge its obligations under this Lease. Nothing herein contained shall relieve Landlord from its duty to perform of any of its obligations to the standard prescribed in this Lease. Any notice periods granted herein shall be deemed to run concurrently with and not in addition to any default notice periods required by law.

20. REMEDIES. Landlord shall have the following remedies upon an Event of Default. Landlord's rights and remedies under this Lease shall be cumulative, and none shall exclude any other right or remedy allowed by law.

a. Termination of Lease. Landlord may terminate Tenant's interest under the Lease, as in the case in section 3.c, but no act by Landlord other than notice of termination from Landlord to Tenant shall terminate this Lease. The Lease shall terminate on the date specified in the notice of termination. Upon termination of this Lease, Tenant will remain liable to Landlord for damages in an amount equal to the Rent and other sums that would have been owing by Tenant under this Lease for the balance of the Lease term, less the net proceeds, if any, of any reletting of the Premises by Landlord subsequent to the termination, after deducting all of Landlord's Reletting Expenses (as defined below). Landlord shall be entitled to either collect damages from Tenant monthly on the days on which rent or other amounts would have been payable under the Lease, or alternatively, Landlord may accelerate Tenant's obligations under the Lease and recover from Tenant: (i) unpaid rent which had been earned at the time of termination; (ii) the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of rent loss that Tenant proves could reasonably have been avoided; (iii) the amount by which the unpaid rent for the balance of the term of the Lease after the time of award exceeds the amount of rent loss that Tenant proves could reasonably be avoided (discounting such amount by the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus 1 %); and (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under the Lease, or which in the ordinary course would be likely to result from the Event of Default, including without limitation Reletting Expenses described below.

b. Re-Entry and Reletting. Landlord may continue this Lease in full force and effect, and without demand or notice, re-enter and take possession of the Premises or any part thereof, expel the Tenant from the Premises and anyone claiming through or under the Tenant, and remove the personal property of either, acknowledging a duty to mitigate damages pertaining to said expulsion or removal. Landlord may relet the Premises, or any part of them, in Landlord's or Tenant's name for the account of Tenant, for such period of time and at such other terms and conditions as Landlord,

in its discretion, may determine. Landlord may collect and receive the rents for the Premises. To the fullest extent permitted by law, the proceeds of any reletting shall be applied: first, to pay Landlord all Reletting Expenses (defined below); second, to pay any indebtedness of Tenant to Landlord other than rent; third, to the rent due and unpaid hereunder; and fourth, the residue, if any, shall be held by Landlord and applied in payment of other or future obligations of Tenant to Landlord as the same may become due and payable, and Tenant shall not be entitled to receive any portion of such revenue. Re-entry or taking possession of the Premises by Landlord under this Section shall not be construed as an election on Landlord's part to terminate this Lease unless a notice of termination is given to Tenant. Landlord reserves the right following any re-entry or reletting, or both, under this Section to exercise its right to terminate the Lease. Tenant will pay Landlord the Rent and other sums which would be payable under this Lease if repossession had not occurred, less the net proceeds, if any, after reletting the Premises and after deducting Landlord's Reletting Expenses. "Reletting Expenses" is defined to include all expenses incurred by Landlord in connection with reletting the Premises, including without limitation, all repossession costs, brokerage commissions and costs for securing new tenants, attorneys' fees, remodeling and repair costs, costs for removing persons or property, costs for storing Tenant's property and equipment, and costs of tenant improvements and rent concessions granted by Landlord to any new Tenant, prorated over the life of the new lease.

c. Waiver of Redemption Rights. Tenant, for itself, and on behalf of any and all persons claiming through or under Tenant, including creditors of all kinds, hereby waives and surrenders all rights and privileges which they may have under any present or future law, to redeem the Premises or to have a continuance of this Lease for the Lease term, or any extension thereof.

d. Nonpayment of Additional Rent. All costs which Tenant is obligated to pay to Landlord pursuant to this Lease shall in the event of nonpayment be treated as if they were payments of Rent, and Landlord shall have the same rights it has with respect to nonpayment of Rent.

e. Failure to Remove Property. If Tenant fails to remove any of its property from the Premises at Landlord's request following an uncured Event of Default, Landlord may, at its option, remove and store the property at Tenant's expense and risk. If Tenant does not pay the storage cost within five (5) days of Landlord's request, Landlord may, at its option, have any or all of such property sold at public or private sale (and Landlord may become a purchaser at such sale), in such manner as Landlord deems proper, without notice to Tenant. Landlord shall apply the proceeds of such sale: (i) to the expense of such sale, including reasonable attorneys' fees actually incurred; (ii) to the payment of the costs or charges for storing such property; (iii) to the payment of any other sums of money which may then be or thereafter become due Landlord from Tenant under any of the terms hereof; and (iv) the balance, if any, to Tenant. Nothing in this Section shall limit Landlord's right to sell Tenant's personal property as permitted by law or to foreclose Landlord's lien for unpaid rent.

21. NON-WAIVER. Landlord's waiver of any breach of any provision contained in this Lease shall not be deemed to be a waiver of the same provision for subsequent acts of Tenant. The acceptance by Landlord of Rent or other amounts due by Tenant hereunder shall not be deemed to be a waiver of any previous breach by Tenant.

22. HOLDOVER. If Tenant shall, without the written consent of Landlord, remain in possession of the Premises and fail to return them to Landlord after the expiration or termination of this Lease, the tenancy shall be a holdover tenancy and shall be on a month-to-month basis, which may be terminated according to Washington law. During such tenancy, Tenant agrees to pay to Landlord 150% of the rate of rental last payable under this Lease, unless a different rate is agreed upon by Landlord. All other terms of the Lease shall remain in effect. Tenant acknowledges and agrees that this Section does not grant any right to Tenant to holdover, and that Tenant may also be liable to Landlord for any and all damages or expenses which Landlord may have to incur as a result of Tenant's holdover. The aforementioned increase in the rental rate shall not commence until 30 days after Tenant holds over.

23. NOTICES. All notices under this Lease shall be in writing and effective (i) when delivered in person or via overnight courier to the other party, (ii) three (3) days after being sent by registered or certified mail to the other party at the address set forth in Section 1; or (iii) upon confirmed transmission by facsimile or email to the other party at the facsimile numbers set forth in Section 1. The addresses for notices and payment of rent set forth in Section 1 may be modified by either party only by written notice delivered in conformance with this Section.

24. COSTS AND ATTORNEYS' FEES. If Tenant or Landlord engage the services of an attorney to collect monies due or to bring any action for any relief against the other, declaratory or otherwise, arising out of this Lease, including any suit by Landlord for the recovery of Rent or other payments, or possession of the Premises, the losing party shall pay the prevailing party a reasonable sum for attorneys' fees in such action, whether in mediation or arbitration, at trial, on appeal, or in any bankruptcy proceeding.

25. TRANSFER OF LANDLORD'S INTEREST. This Lease shall not be assignable by Landlord without the consent of Tenant, which shall not be unreasonably condition or delayed. In the event of any transfer or transfers of Landlord's interest in the Premises, other than a transfer for collateral purposes only, upon the assumption of this Lease by the transferee, Landlord shall be automatically relieved of obligations and liabilities accruing from and after the date of such transfer, including any liability for any retained security deposit or prepaid rent, for which the transferee shall be liable, and Tenant shall attorn to the transferee, although the transferee must expressly assuming all obligations of this Lease prior to such assignment.

26. LANDLORD'S LIABILITY. Anything in this Lease to the contrary notwithstanding, covenants, undertakings and agreements herein made on the part of Landlord are made and intended not as personal covenants, undertakings, and agreements for the purpose of binding Landlord personally or the assets of Landlord but are made and intended for the purpose of binding

only the Landlord's interest in the Premises, as the same may from time to time be encumbered. In no event shall Landlord or its partners, shareholders, or members, as the case may be, ever be personally liable hereunder.

27. RIGHT TO PERFORM. If Tenant shall fail to timely pay any sum or perform any other act on its part to be performed hereunder, Landlord may make any such payment or perform any such other act on Tenant's behalf. Tenant shall, within ten (10) days of demand, reimburse Landlord for its expenses incurred in making such payment or performance. Landlord shall (in addition to any other right or remedy of Landlord provided by law) have the same rights and remedies in the event of the nonpayment of sums due under this Section as in the case of default by Tenant in the payment of Rent.

28. HAZARDOUS MATERIALS. As used herein, the term "Hazardous Material" means any hazardous, dangerous, toxic, or harmful substance, material or waste including biomedical waste which is or becomes regulated by any local governmental authority, the State of Washington or the United States Government, due to its potential harm to the health, safety or welfare of humans or the environment. Landlord represents and warrants to Tenant that, to Landlord's knowledge without duty of investigation, there is no Hazardous Material on, in, or under the Premises as of the Commencement Date except as may otherwise have been disclosed to Tenant in writing before the execution of this Lease. If there is any Hazardous Material on, in, or under the Premises as of the Commencement Date which has been or thereafter becomes unlawfully released through no fault of Tenant, then Landlord shall indemnify, defend and hold Tenant harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses including without limitation sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees, incurred or suffered by Tenant either during or after the Lease term as the result of such contamination. Tenant shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about, or disposed of on the Premises or the Property by Tenant, its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, except with Landlord's prior consent and then only upon strict compliance with all applicable federal, state and local laws, regulations, codes and ordinances. If Tenant breaches the obligations stated in the preceding sentence, then Tenant shall indemnify, defend and hold Landlord harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses including, without limitation, diminution in the value of the Premises or the Property; damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises or the Property, or elsewhere; damages arising from any adverse impact on marketing of space at the Premises or the Property; and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees incurred or suffered by Landlord either during or after the Lease term. These indemnifications by Landlord and Tenant include, without limitation, costs incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work, whether or not required by any federal, state or local governmental agency or political subdivision, because of Hazardous Material present in the Premises, or in soil or ground

water on or under the Premises. Tenant shall immediately notify Landlord of any inquiry, investigation or notice that Tenant may receive from any third party regarding the actual or suspected presence of Hazardous Material on the Premises. Without limiting the foregoing, if the presence of any Hazardous Material brought upon, kept or used in or about the Premises or the Property by Tenant, its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, results in any unlawful release of any Hazardous Materials on the Premises or the Property, Tenant shall promptly take all actions, at its sole expense, as are necessary to return the Premises or the Property to the condition existing prior to the release of any such Hazardous Material; provided that Landlord's approval of such actions shall first be obtained, which approval may be withheld at Landlord's sole discretion. The provisions of this Section 32 shall survive expiration or termination of this Lease. Tenant shall not be liable for Hazardous Materials determined to exist on the Premises prior to Tenant’s use of the Premises.

29. QUIET ENJOYMENT. So long as Tenant pays the Rent and performs all of its obligations in this Lease, Tenant's possession of the Premises will not be disturbed by Landlord or anyone claiming by, through or under Landlord subject to the terms of this Lease.

30. MERGER. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger and shall, at the option of Landlord, terminate all or any existing subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any or all of such subtenancies.

31. GENERAL.

a. Heirs and Assigns. This Lease shall apply to and be binding upon Landlord and Tenant and their respective heirs, executors, administrators, successors, and assigns.

b. Brokers' Fees. Tenant represents and warrants to Landlord that it has not engaged any broker, finder or other person who would be entitled to any commission or fees for the negotiation, execution or delivery of this Lease and shall indemnify and hold harmless Landlord against any loss, cost, liability or expense incurred by Landlord as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made by or on behalf of Tenant. Landlord represents and warrants to Tenant that except for Landlord's Broker, if any, described and disclosed in Section 37 of this Lease, it has not engaged any broker, finder or other person who would be entitled to any commission or fees for the negotiation, execution or delivery of this Lease and shall indemnify and hold harmless Tenant against any loss, cost, liability or expense incurred by Tenant as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made by or on behalf of Landlord.

c. Entire Agreement. This Lease contains all of the covenants and agreements between Landlord and Tenant relating to the Premises. No prior or contemporaneous agreements or understandings pertaining to the Lease shall be valid or of any force or effect and the covenants and agreements

of this Lease shall not be altered, modified, or amended except in writing, signed by Landlord and Tenant.

d. Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision of this Lease.

e. Force Majeure. Time periods for either party's performance under any provisions of this Lease (excluding payment of Rent) shall be extended for periods of time during which the party's performance is prevented due to circumstances beyond such party's control, including without limitation, fires, floods, earthquakes, lockouts, strikes, embargoes, governmental regulations, acts of God, public enemy, war or other strife.

f. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of Washington.

g. Memorandum of Lease. Neither this Lease nor any memorandum or "short form" thereof shall be recorded without Landlord's prior consent.

h. Submission of Lease Form Not an Offer. One party's submission of this Lease to the other for review shall not constitute an offer to lease the Premises. This Lease shall not become effective and binding upon Landlord and Tenant until it has been fully signed by both of them.

i. No Light, Air or View Easement. Tenant has not been granted an easement or other right for light, air or view to or from the Premises. Any diminution or shutting off of light, air or view by any structure which may be erected on or adjacent to the Building shall in no way effect this Lease or the obligations of Tenant hereunder or impose any liability on Landlord.

j. Authority of Parties. Each party signing this Lease represents and warrants to the other that it has the authority to enter into this Lease, that the execution and delivery of this Lease has been duly authorized, and that upon such execution and delivery, this Lease shall be binding upon and enforceable against the party on signing.

k. Time. "Day" as used herein means a calendar day and "business day" means any day on which commercial banks are generally open for business in the state where the Premises are situated. Any period of time which would otherwise end on a non-business day shall be extended to the next following business day. Time is of the essence of this Lease.

l. Utilities/Building Maintenance. Landlord shall be responsible for maintenance and payment of all utilities including, but not limited to, electricity and heating and cooling. Landlord shall also be responsible for snow removal and landscaping/watering. Upon monthly invoice, Tenant shall pay its pro rata share of utilities based upon its proportionate share of the square footage used on the Property. By way of example only: If the monthly utilities cost $1,000, and Tenant occupies 13% of the Property, Tenant shall remit $130 in monthly utilities after invoice by the Landlord.

32. Conflicts. In the event of any conflict between the interlocal agreement executed and this Lease, the terms of this Lease shall control.

33. AGENCY DISCLOSURE. At the signing of this Lease, neither party is represented by a broker. Any agreement with any broker shall be set forth in a separate writing, pursuant to RCW 18.86.080 or any recodification thereof. This Lease shall not be construed to provide for compensation to any broker.

34. WARRANTIES. LANDLORD HAS MADE NO REPRESENTATIONS OR WARRANTIES CONCERNING THE PREMISES; THE MEANING OF THE TERMS AND CONDITIONS OF THIS LEASE; LANDLORD'S OR TENANT'S FINANCIAL STANDING; ZONING OR COMPLIANCE OF THE PREMISES WITH APPLICABLE LAWS; SERVICE OR CAPACITY OF UTILITIES; OPERATING COSTS; OR HAZARDOUS MATERIALS, ALTHOUGH LANDLORD MUST REPORT TO TENANT OF ALL KNOWN OR REASONABLY DISCOVERABLE DEFECTS OF THE PREMISES. LANDLORD AND TENANT ARE EACH ADVISED TO SEEK INDEPENDENT LEGAL ADVICE ON THESE AND OTHER MATTERS ARISING UNDER THIS LEASE.

IN WITNESS WHEREOF this Lease has been executed the date and year first above written.

35. EXHIBITS. The following exhibits are incorporated into this Lease as if fully set forth herein:

Agenda Item Name	ENGINEERING SERVICES FOR THE UPRIVER DAM SPILLWAY GATE		

Agenda Wording

Upriver Dam is a hydroelectric facility licensed by the Federal Energy Regulatory Commission (FERC). This item is for contracting an engineering subconsultant to assist the Water Department with the design of the 8 spillway gates that need to be replaced. Additional concurrent work includes concrete rehabilitation and moisture migration reduction measures. This work fulfills spillway rehabilitation obligations to the FERC.

Summary (Background)

This Contract is with Schnabel Engineering of Seattle and is for design only and is expected to be completed in 2027 with construction beginning with a separate contract after design. Additional funding (loan) from the USACE CWIFP program has been applied for and is expected to be awarded to the city which would cover 80% of projects costs and require a 20% match identified in the CIP program. Construction Management services may be included through this contract. If acquired, those services will be negotiated and awarded in the future.

What impacts would the proposal have on historically excluded communities?

Public works services and projects are designed to serve all citizens and businesses. We strive to offer a consistent level of service to all, to distribute public investment throughout the community and to respond to gaps in services identified in various City plans. We recognize the need to maintain affordability and predictability for utility customers and we are committed to delivering work that is both financially and environmentally responsible.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

N/A

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Public Works follows the City's established procurement and public works bidding regulations and policies to bring items forward, and then uses contract management best practices to ensure desired outcomes and regulatory compliance.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This work is consistent with annual budget strategies to limit costs and approved projects in the 6-year CIP.

Council Subcommittee Review

Project is included in the 6-year CIP program.

City of Spokane
CONSULTANT AGREEMENT

Title: ENGINEERING SERVICES
RFQu 6417-25

This Consultant Agreement is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **SCHNABEL ENGINEERING, LLC.**, whose address is 16300 Christensen Road, Suite 350, Seattle, Washington 98188-3422, as ("Firm"), individually hereafter referenced as a "Party", and together as the "Parties".

WHEREAS, the purpose of this Agreement is to provide Engineering services for Upriver Dam Spillway Rehabilitation; and

WHEREAS, the Firm was selected from Request for Qualifications No. 6417-25 issued by the City.

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Firm mutually agree as follows:

1. TERM OF AGREEMENT.
The term of this Agreement begins on December 19, 2025, and ends on January 31, 2028, unless amended by written agreement or terminated earlier under the provisions

2. TIME OF BEGINNING AND COMPLETION.
The Firm shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Agreement shall not be extended because of delays for which the Firm is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Firm's control.

3. SCOPE OF WORK.
The General Scope of Work for this Agreement is described in Firm's Response to Request for Qualifications 6417-25, which is attached as Exhibit B and made a part of this Agreement. In the event of a conflict or discrepancy in the contract documents, this City Agreement controls.

The Work is subject to City review and approval. The Firm shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed Work) requested by the City to determine the adequacy of the Work or Firm's progress.

4. COMPENSATION.
Total compensation for Firm's services under this Agreement shall not exceed **ONE MILLION FOUR HUNDRED TWENTY-THREE THOUSAND TWO HUNDRED AND NO/100 DOLLARS**

($1,423,200.00), plus tax if applicable. This is the maximum amount to be paid under this Agreement for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Agreement.

5. PAYMENT.

The Firm shall submit its applications for payment to City of Spokane Water and Hydroelectric Department, 914 East North Foothills Drive, Spokane, Washington 99207. **Payment will be made via direct deposit/ACH** within forty-five (45) days after receipt of the Firm's application except as provided by state law. If the City objects to all or any portion of the invoice, it shall notify the Firm and pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

6. REIMBURSABLES

The reimbursables under this Agreement are to be included, and considered part of the maximum amount not to exceed (above), and require the Firm's submittal of appropriate documentation and actual itemized receipts, the following limitations apply.

A. City will reimburse the Firm at actual cost for expenditures that are pre-approved by the City in writing and are necessary and directly applicable to the work required by this Contract provided that similar direct project costs related to the contracts of other clients are consistently accounted for in a like manner. Such direct project costs may not be charged as part of overhead expenses or include a markup. Other direct charges may include, but are not limited to the following types of items: travel, printing, cell phone, supplies, materials, computer charges, and fees of subconsultants.

B. The billing for third party direct expenses specifically identifiable with this project shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts, subconsultant paid invoices, and other supporting documents used by the Firm to generate invoice(s) to the City. The original supporting documents shall be available to the City for inspection upon request. All charges must be necessary for the services provided under this Contract.

C. The City will reimburse the actual cost for travel expenses incurred as evidenced by copies of receipts (excluding meals) supporting such travel expenses, and in accordance with the City of Spokane Travel Policy, details of which can be provided upon request.

D. **Airfare**: Airfare will be reimbursed at the actual cost of the airline ticket. The City will reimburse for Economy or Coach Fare only. Receipts detailing each airfare are required.

E. **Meals:** Meals will be reimbursed at the Federal Per Diem daily meal rate for the city in which the work is performed. *Receipts <u>are not</u> required as documentation.* The invoice shall state "the meals are being billed at the Federal Per Diem daily meal rate", and shall detail how many of each meal is being billed (e.g. the number of breakfasts, lunches, and dinners). The City will not reimburse for alcohol at any time.

F. **Lodging:** Lodging will be reimbursed at actual cost incurred up to a maximum of the published General Services Administration (GSA) Index for the city in which the work is performed (*the current maximum allowed reimbursement amount can be provided upon request*). Receipts detailing each day / night lodging are required. The City will not reimburse for ancillary expenses charged to the room (e.g. movies, laundry, mini bar, refreshment center, fitness center, sundry items, etc.)

G. **Vehicle mileage**: Vehicle mileage will be reimbursed at the Federal Internal Revenue Service Standard Business Mileage Rate in affect at the time the mileage expense is incurred. Please note: payment for mileage for long distances traveled will not be more than an equivalent trip round-trip airfare of a common carrier for a coach or economy class ticket.

H. **Rental Car:** Rental car expenses will be reimbursed at the actual cost of the rental. Rental car receipts are required for all rental car expenses. The City will reimburse for a standard car of a mid-size class or less. The City will not reimburse for ancillary expenses charged to the car rental (e.g. GPS unit).

I. **Miscellaneous Travel** (e.g. parking, rental car gas, taxi, shuttle, toll fees, ferry fees, etc.): Miscellaneous travel expenses will be reimbursed at the actual cost incurred. Receipts are required for each expense of $10.00 or more.

J. **Miscellaneous other business expenses** (e.g. printing, photo development, binding): Other miscellaneous business expenses will be reimbursed at the actual cost incurred and may not include a markup. Receipts are required for all miscellaneous expenses that are billed.

Subconsultant: Subconsultant expenses will be reimbursed at the actual cost incurred and a four percent (4%) markup. Copies of all Subconsultant invoices that are rebilled to the City are required.

7. TAXES, FEES AND LICENSES.

A. Firm shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. It is the Firm's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. Where required by state statute, ordinance or regulation, Firm shall pay and maintain in current status all taxes necessary for performance. Firm shall not charge the City for federal excise taxes. The City will furnish Firm an exemption certificate where appropriate.

C. The Director of Finance and Administrative Services may withhold payment pending satisfactory resolution of unpaid taxes and fees due the City.

D. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.

8. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Firm shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

9. SOCIAL EQUITY REQUIREMENTS.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. Firm agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Firm. Firm shall seek inclusion of woman and minority business for subcontracting. A woman or minority business is one that self-identifies to be at least 51% owned by a woman and/or minority. Such firms do not have to be certified by the State of Washington.

10. INDEMNIFICATION.
The Firm shall indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity caused by third parties for bodily injury (including death) and/or property damage to the extent caused by the Firm's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Firm to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Firm's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Firm, its agents or employees. The Firm specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Firm's own employees against the City and, solely for the purpose of this indemnification and defense, the Firm specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Firm recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

11. INSURANCE.
During the period of the Agreement, the Firm shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW Title 48;

A. Worker's Compensation Insurance in compliance with RCW 51, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of $1,000,000.

B. General Liability on an occurrence basis, with a combined single limit of not less than $1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Firm's services to be provided under this Agreement.

i. Acceptable **supplementary Umbrella insurance** coverage combined with Firm's General Liability insurance policy must be a minimum of $2,000,000, in order to meet the insurance coverage limits required in this Agreement; and

C. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than $1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

D. Professional Liability Insurance with a combined single limit of not less than $1,000,000 each claim, incident or occurrence. This is to cover damages caused by the error, omission, or negligent acts related to the professional services to be provided under this Agreement. The coverage must remain in effect for at least two (2) years after the Agreement is completed.

There shall be no cancellation, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Firm or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Firm shall furnish acceptable Certificates Of Insurance (COI) upon request by the City. The certificate shall specify the City of

Spokane is included as “Additional Insured” specifically for Firm’s services under this Agreement, excluding Professional Liability Insurance, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction level. The Firm shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

12. DEBARMENT AND SUSPENSION.
The Firm has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and “Debarment and Suspension”, codified at 29 CFR part 98.

13. AUDIT.
Upon request, the Firm shall permit the City and any other governmental agency (“Agency”) involved in the funding of the Work to inspect and audit all pertinent books and records. This includes work of the Firm, any subconsultant, or any other person or entity that performed connected or related Work. Such books and records shall be made available upon reasonable notice of a request by the City, including up to three (3) years after final payment or release of withheld amounts. Such inspection and audit shall occur in Spokane County, Washington, or other reasonable locations mutually agreed to by the parties. The Firm shall permit the City to copy such books and records at its own expense. The Firm shall ensure that inspection, audit and copying rights of the City is a condition of any subcontract, agreement or other arrangement under which any other persons or entity may perform Work under this Agreement.

14. INDEPENDENT FIRM.
A. The Firm is an independent Firm. This Agreement does not intend the Firm to act as a City employee. The City has neither direct nor immediate control over the Firm nor the right to control the manner or means by which the Firm works. Neither the Firm nor any Firm employee shall be an employee of the City. This Agreement prohibits the Firm to act as an agent or legal representative of the City. The Firm is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Firm shall pay all income and other taxes as due. The Firm may perform work for other parties; the City is not the exclusive user of the services that the Firm provides.
B. If the City needs the Firm to Work on City premises and/or with City equipment, the City may provide the necessary premises and equipment. Such premises and equipment are exclusively for the Work and not to be used for any other purpose.
C. If the Firm works on the City premises using City equipment, the Firm remains an independent Firm and not a City employee. The Firm will notify the City Project Manager if s/he or any other Workers are within ninety (90) days of a consecutive 36-month placement on City property. If the City determines using City premises or equipment is unnecessary to complete the Work, the Firm will be required to work from its own office space or in the field. The City may negotiate a reduction in Firm fees or charge a rental fee based on the actual costs to the City, for City premises or equipment.

15. KEY PERSONS.
The Firm shall not transfer or reassign any individual designated in this Agreement as essential to the Work, nor shall those key persons, or employees of Firm identified as to be involved in the Project Work be replaced, removed or withdrawn from the Work without the express written consent of the City, which shall not be unreasonably withheld. If any such individual leaves the

Firm's employment, the Firm shall present to the City one or more individuals with greater or equal qualifications as a replacement, subject to the City's approval, which shall not be unreasonably withheld. The City's approval does not release the Firm from its obligations under this Agreement.

16. ASSIGNMENT AND SUBCONTRACTING.

The Firm shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Firm shall incorporate by reference this Agreement, except as otherwise provided. The Firm shall require that all subconsultants comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Firm from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

17. CITY ETHICS CODE.

A. Firm shall promptly notify the City in writing of any person expected to be a Firm Worker (including any Firm employee, subconsultant, principal, or owner) and was a former City officer or employee within the past twelve (12) months.
B. Firm shall ensure compliance with the City Ethics Code by any Firm Worker when the Work or matter related to the Work is performed by a Firm Worker who has been a City officer or employee within the past two (2) years.
C. Firm shall not directly or indirectly offer anything of value (such as retainers, loans, entertainment, favors, gifts, tickets, trips, favors, bonuses, donations, special discounts, work or meals) to any City employee, volunteer or official that is intended, or may appear to a reasonable person to be intended, to obtain or give special consideration to the Firm. Promotional items worth less than $25 may be distributed by the Firm to a City employee if the Firm uses the items as routine and standard promotional materials. Any violation of this provision may cause termination of this Agreement. Nothing in this Agreement prohibits donations to campaigns for election to City office, so long as the donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

18. NO CONFLICT OF INTEREST.

Firm confirms that the Firm or workers have no business interest or a close family relationship with any City officer or employee who was or will be involved in the Firm selection, negotiation, drafting, signing, administration or evaluation of the Firm's work. As used in this Section, the term Firm includes any worker of the Firm who was, is, or will be, involved in negotiation, drafting, signing, administration or performance of the Agreement. The term "close family relationship" refers to: spouse or domestic partner, any dependent parent, parent-in-law, child, son-in-law, daughter-in-law; or any parent, parent in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

19. ERRORS AND OMISSIONS, CORRECTIONS.

Firm is responsible for professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of the Firm under this Agreement in the delivery of a final work product. The standard of care applicable to Firm's services will be the degree of skill and diligence normally employed by professional engineers or Firms performing the same or similar services at the time said services are performed. The Final Work Product is defined as a stamped, signed work product. Firm, without additional compensation, shall correct or revise errors or mistakes in designs, drawings, specifications, and/or other Firm services immediately upon notification by the City. The obligation provided for in this Section regarding acts or omissions resulting from this Agreement survives Agreement termination or expiration.

20. INTELLECTUAL PROPERTY RIGHTS.

A. Copyrights. The Firm shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Firm for the Work, whether or not the Work is completed. The Firm grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Firm for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials) and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.

B. Patents: The Firm assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, the Firm does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Firm created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Firm has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, the Firm grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.

C. The City may make and retain copies of such documents for its information and reference with their use on the project. The Firm does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project, and the City releases the Firm from liability for any unauthorized reuse of such documents.

D. The City agrees that any subsequent reuse or modification of the “works made for hire” by the City or any party obtaining them through the City will be at the City’s sole risk and without liability to the Firm.

21. CONFIDENTIALITY.

Notwithstanding anything to the contrary, City will maintain the confidentiality of Firm’s materials and information only to the extent that is legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Firm’s materials or information and the City determines there are exemptions only the Firm can assert, City will endeavor to give Firm notice. Firm will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Firm does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

22. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Firm’s performance, shall first be through negotiations, if possible, between the Firm’s Project Manager and the City’s Project Manager. It shall be referred to the Director and the Firm’s senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to mediation, arbitration and/or alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the Agreement. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Firm to

correct such work prior to the City payment. The City will provide to the Firm an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Firm provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed. Waiver of any of these rights is not deemed a future waiver of any such right or remedy available at law, contract or equity.

23. TERMINATION.

A. For Cause: The City or Firm may terminate the Agreement if the other party is in material breach of this Agreement, and such breach has not been corrected to the other party's reasonable satisfaction in a timely manner. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.

B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Firm's own employees, sabotage, or superior governmental regulation or control. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.

C. For Convenience: Either party may terminate this Agreement without cause, upon thirty (30) days written notice to the other party.

D. Actions upon Termination: if termination occurs not the fault of the Firm, the Firm shall be paid for the services properly performed prior to the actual termination date, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Firm agrees this payment shall fully and adequately compensate the Firm and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.

E. Upon the Firm's receipt of payment for all amounts due under this Agreement, the Firm shall provide the City with the most current design documents, contract documents, writings and other products the Firm has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Firm harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Firm's work product.

24. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: (a) the New Work is not reasonable to solicit separately; (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Firm at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identified or main purposes of the Agreement. The City may make exceptions for immaterial changes, emergency or sole source conditions, or other situations required in City opinion. Certain changes are not New Work subject

to these limitations, such as additional phases of Work anticipated at the time of solicitation, time extensions, Work Orders issued on an On-Call contract, and similar. New Work must be mutually agreed and issued by the City through written Addenda. New Work performed before an authorizing Amendment may not be eligible for payment.

25. MISCELLANEOUS PROVISIONS.

A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.

B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.

C. Americans with Disabilities Act (ADA): Specific attention by the designer is required in association with the Americans with Disabilities Act (ADA) 42 U.S.C. 12101-12213 and 47 U.S.C. 225 and 611, its requirements, regulations, standards and guidelines, which were updated in 2010 and are effective and mandatory for all State and local government facilities and places of public accommodation for construction projects including alteration of existing facilities, as of March 15, 2012. The City advises that the requirements for accessibility under the ADA, may contain provisions that differ substantively from accessibility provisions in applicable State and City codes, and if the provisions of the ADA impose a greater or equal protection for the rights of individuals with disabilities or individuals associated with them than the adopted local codes, the ADA prevail unless approval for an exception is obtained by a formal documented process. Where local codes provide exceptions from accessibility requirements that differ from the ADA Standards; such exceptions may not be permitted for publicly owned facilities subject to Title II requirements unless the same exception exists in the Title II regulations. It is the responsibility of the designer to determine the code provisions.

D. The Firm, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Firm shall comply with the requirements of this Section.

E. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in the Superior Court of Spokane County.

F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.

G. Captions: The titles of sections or subsections are for convenience only and do not define or limit the contents.

H. Severability: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.

I. Waiver: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Firm after the time the same shall have become due nor payment to the Firm for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

J. Additional Provisions: This Agreement may be modified by additional terms and conditions (“Special Conditions”) which shall be attached to this Agreement as an Exhibit. The parties agree that the Special Conditions shall supplement the terms and conditions of the Agreement, and in the event of ambiguity or conflict with the terms and conditions of the Agreement, these Special Conditions shall govern.

K. Entire Agreement: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Firm. If conflict occurs between contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this contract to afford the City the maximum benefits.

L. Negotiated Agreement: The parties acknowledge this is a negotiated agreement, that they have had this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship.

M. No personal liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

Subject: **Scope of Work for Engineering Services for Upriver Dam Spillway Rehabilitation, City of Spokane RFQu 5417-25OK**
Schnabel Proposal No. 25310026.00P

Dear Mr. St. Pierre:

SCHNABEL ENGINEERING, LLC (Schnabel) is pleased to submit our proposed scope and budget for Engineering Services for the Upriver Dam Spillway Rehabilitation including radial gate replacement, hoist replacement, hoist electrical supply replacement, miscellaneous concrete repairs, and left bank seepage mitigation. Our proposal is organized into the following sections:

1. Background
2. Scope of Services
3. Schedule
4. Project Fees
5. Contract Terms and Conditions

1.0 BACKGROUND

The Upriver Dam Spillway, originally constructed in 1936, continues to operate with components dating back to its initial build. Over time, the condition of the spillway gates has significantly deteriorated, with multiple operational issues and structural deformations observed. Both the gates and hoists have reached the end of their service life and must be replaced to ensure the dam's continued safe and reliable operation.

In addition, the concrete piers, walls, and abutments within the spillway have experienced degradation and require rehabilitation to mitigate moisture migration and preserve the long-term structural integrity of the dam. Finally, there is elevated levels of seepage through the left bank and left abutment wall. This scope serves to address these issues.

2.0 SCOPE OF SERVICES

Based on RFQu 5417-25, our review of existing information, conversations with City staff, and a site visit, we understand the required scope of design services to broadly include:

1. Design of replacement of eight radial gates and trunnion assemblies
2. Design of replacement of eight hoists, wire ropes, and supporting electrical and controls
3. Design of concrete repairs to abutment walls, spillway ogee surface, spillway bay piers, and operator's bridge
4. Design of left bank seepage mitigation
5. Structural inspection of Gates 1-2, and 4-8 (7 gates total)
6. Installation of maintenance access to radial gates from operator's deck
7. Installation of permanent access from left bank to spillway using a ladder or similar

Related to this design, the scope will also include a 3D point cloud survey, site visits, a review of existing documentation, regular meetings, and preparation and submittal of applicable agency permit applications. We have developed our scope and budget with the following phases:

1. Project management (Section 2.1)
2. Initial assessment and site visit (Section 2.2)
3. Gate Inspection (Section 2.3)
4. Design engineering and permitting support (Section 2.4)
5. Bidding support (Section 2.5)
6. Construction support (Section 2.6)

2.1 Project Management

Efforts to manage the project staff, schedule, and finances is included in this scope and budget. This includes coordination among the project team and with the City. Anticipated meetings facilitated by Schnabel are summarized in Table 1. An agenda will be sent out at least three business days in advance of the meeting. Meeting notes will be sent out within three business days after the meeting.

Table 1 Anticipated Meetings

Meeting Purpose	Approximate Date	Location
Inspection Findings Review	1/30/2026	Virtual
Monthly Status	January 2025 – December 2026 (10 total)	Virtual
30 % Design Review	3/23/2026	Virtual
60 % Design Review	6/1/2026	Onsite
90 % Design Review	11/16/2026	Virtual
Prebid Meeting	5/31h/2027	Onsite
Table Notes: Design review meetings are scheduled for 1 week after submittal delivery and intended to summarize design and collect initial verbal feedback.		

2.2 Initial assessment and site visit

We will review relevant existing documentation provided by the city including inspection reports, studies, existing drawings, and the STID. At a minimum, we anticipate this documentation to include:

1. As-built drawings for the spillway, gates, and left abutment
2. As-built drawings for the fuse plug and any modifications to the left abutment
3. STID, DSSMP and most recent DSSMR

4. Most recent inspection reports pertaining to the spillway, gates, and left abutment
5. Geotechnical investigation reports

An initial site visit and assessment will be conducted with a goal of obtaining more detailed site information to inform the repair or replacement designs. A mechanical, structural, electrical, and civil engineer will conduct the inspection. Some primary areas warranting more definition include:

1. Trunnion support corbels
2. Concrete deterioration
3. Left bank abutment wall and seepage
4. Operators deck and hoist support points
5. Electrical service

A site visit and assessment report will be developed which will recommend a more detailed scope of repair and replacement design. The report will focus on observations. Recommendations will be high level and narrative based. Planning level cost estimates will be included.

Assumptions:

1. Civil engineer: onsite for 1 day
2. Electrical engineer onsite: 1 day
3. Mechanical engineer onsite: 1 day
4. Structural engineer onsite: 2 days
5. No confined space, work in the water, or work at heights is anticipated.
6. If the initial assessment and site visit reveal any significant findings that impact the scope of work, Schnabel will work with the City to adjust our scope of services and fees as appropriate.

2.2.1 Survey

A 3-dimensional (3D) point cloud scan will be taken of the site to capture the 3D location of relevant above ground and above-water elements and surfaces. This scan will be used in conjunction with record drawings to create an existing conditions model of the site. This will be the basis for the new gate design, new hoist layout, and concrete repair design. This 3D point cloud will not be globally located or substitute an official land or topographic survey.

A contingent budget of $10,000 has been included to cover a potential land survey should it be required for earthwork in the left embankment.

2.3 Gate Inspection

Schnabel will provide a qualified inspection team consisting of one inspecting engineer from Schnabel with at least SPRAT Level I certification and one SPRAT Level III subconsultant to prepare all anchor points and provide safety oversight and rescue capabilities.

A hands-on visual inspection of gates 1, 2, and 4-8 (7 gates) will be performed. Deformations outlined in previous inspections will be measured and compared. Observations will be noted, locations identified and photographed. An inspection report will be developed by describing the general findings. Comprehensive photo logs will be attached to the report.

Assumptions:

1. Inspection will be 5 or fewer days

2.4 Design Engineering and Permitting

The design and associated report, calculations, and permitting documents will be developed as 30%, 60%, 90%, 100%, and issued for bid (IFB) submittals as summarized in Table 2-2. The deliverables will be submitted as a draft report (MS Word format) with the appendices shown in Table 2-3.

Calculations supporting the designs for the elements outlined in the following sections will be appended to a design report. The design report will summarize the scope of the design, referenced standards, analysis and design methods and assumptions, and summarized results.

An anticipated drawing count for each engineering discipline is summarized in Table 2-2. The design drawings will include a site plan with construction limits, access, and lay down area. Site layout and topography will be based on aerial imagery, 3D point cloud scan, and publicly available lidar topography; a land survey budget has been included should it be required. No bathymetric survey is required. Drawings will reference the vertical datum of the City's preference. Demolition drawings will indicate removal of existing features to be replaced in the project such as gates and hoists.

A Construction Potential Failure Mode Analysis (CPFMA) will be required by the FERC. We will facilitate the CPFMA during the 60% review meeting on the draft 60% design. We have included the following roles in our budget: facilitator, geotechnical subject matter expert (SME), structural SME, mechanical SME, and note taker. We have assumed the PFMA will occur onsite and take no longer than 12 hours. We will document the results and submit them as Appendix J (Table 2-3).

Applicable CSI formatted technical specifications will be developed and submitted at the delivery milestones summarized in Table 2-3.

2.4.1 Gate Replacement and Access Platform Design

The replacement gate design will include a design of the following elements: skin plate, vertical ribs, horizontal beams, strut arms, strut arm braces, seals, trunnion assembly, and trunnion pin. A permanent metal ladder will be designed for the downstream face of each pier between the operator's deck and top of pier. The top of pier railing will be modified to allow access to a new walkway on each gate arm or an access platform crossing from pier-to-pier. The design will include an analysis of the existing trunnion assembly anchorages. The following design standards will apply:

- USACE EM-1110-2-2107 Design of Hydraulic Steel Structures (2022)
- USACE EM-1110-2-2702 Design of Spillway Tainter Gates (2000)
- AISC Steel Construction Manual, 16th edition (2022)
- AWS D1.1 Structural Welding Code (2010)

The design method will include a finite element model of primary members and plates. Applicable load combinations specified in USACE guidelines will be included. Members and connections will be designed with applicable code specified methods. The gate will be modeled and drawings produced in Autodesk Revit 2025. Design of replacement seal plate embedments, trunnion yoke, and trunnion anchorages have been included; however, the requirement for these designs will be pending the results of the initial inspection (Section 2.1).

Assumptions:

1. All eight gates are constructed with similar geometry to the nearest 3”; only one set of analysis and design computations is required. Separate drawings have been assumed to account for bay-specific deviations within the 3” assumed variability.
2. The replacement gates will exhibit the same width, height, and radius of the existing gate system.
3. Piers have sufficient capacity to support the gates and do not need to be analyzed.
4. Applicable design water surface elevations are provided by existing documentation. No hydraulic or hydrologic analysis is required.
5. A greaseless bearing is assumed, omitting the need for a grease line installation and related maintenance.

2.4.2 Bridge Load Rating

The replacement gate, hoists, and modern loading requirements set forth by USACE EM-1110-2-2107 may increase loading on the operator’s bridges. Furthermore, the existing report by LSB dated February 2025 indicates extreme gate condition may overstress the bridge.

A bridge load rating has been included to confirm adequate capacity of the bridge for the applied loads. This rating will account for the increased loading from the new gantry crane.

Assumptions:

1. The bridge condition is acceptable.
2. No design to increase the capacity of the bridge has been included to increase the capacity of the bridge should it have insufficient capacity. Surficial concrete repairs have been included.

2.4.3 Hoist Replacement Mechanical Design

The replacement hoist design will include a design of the following elements: Hoist machinery including motor, reduction gearing, shafting, couplings, brakes, indication equipment, wire ropes and wire rope connection to gate, machinery supports, and enclosures. The design of the hoist will adhere to the following design codes:

- USACE EM-1110-2-2610, Mechanical and Electrical Design for Lock and Dam Operating Equipment (2025)
- AISC Steel Construction Manual, 16th edition (2022)
- AWS D1.1 Structural Welding Code (2010)
- Wire Rope Technical Board, Wire Rope User’s Manual (4th Edition)
- USACE EM-1110-2-3200, Wire Rope for Civil Works Structures

- ANSI/AGMA 6001-E08, Design and Selection of Components for Enclosed Gear Drives

Loads will be calculated based on provided structural and hydraulic loads based on the load combinations noted in EM-2610. The hoist will be modeled in Autodesk Inventor and drawings produced in Autodesk Revit to maintain consistency with the structural set.

Assumptions:

1. All eight hoists will be identical and will be wire rope hoists with a similar arrangement to the existing.
2. Hoist and wire rope geometry will remain the same, meaning no modification will be required to the bridge beyond new post-installed anchors to secure machinery supports.
3. Hoist load will not increase such that an increased number of wire ropes is required, which may force spillway bridge modification.
4. The hoist indication will include a rotary cam limit switch to measure discrete positions and a digital encoder. No lever arm or other direct indicating limit switches will be included in the design.
5. Only manual auxiliary operation is assumed.
6. The hoist will use manufacturer provided enclosed reducers and other machinery components and avoid custom-designed elements where possible. Open gearing will not be provided unless loading exceeds off-the-shelf enclosed reducers.
7. Machinery covers will be performance specified on all exposed rotating elements.
8. The hoist will be designed per EM-2610 to withstand the locked rotor torque of the motor. No load limiting systems will be included. Custom wound motors, to limit maximum torque, may be considered depending on sizing of machinery and design limitations.

2.4.4 Hoist Replacement Electrical Design

As a subconsultant to Schnabel, H2E, Inc. will provide electrical engineering between the switchgear adjacent to the spillway (left side) and each gate actuator. Electrical engineering will include design of the power supply and controls. The electrical design scope is anticipated to result in the following drawings:

1. Network Diagram – interface of VFD communication with existing network (1 drawing)
2. One-line Diagram Updates (1 drawing)
    a. Distribution to existing 480V Panelboard will remain as is, however VFDs will be added along with new Gate Motors
3. Load List (1 drawing)
4. Control & Instrument Device List (I/O List) (1 drawing)
5. Cable/Conduit/Tray Schedule (Power & Control) (1 drawing)
6. Cable Block Diagram (1 drawing)
7. Vendor Coordination and Review - VFDs
8. Electrical Equipment Plans (8 drawings)
    a. Equipment Locations
    b. Diagrammatic Raceway Routing
    c. Equipment Grounding per NEC
    d. Dam Lighting
9. Control Drawings – for 8 Gates (9 drawings)
    a. Gate Control Station Layouts/Bill of Materials (8 Bill of Materials)

        i. Local pushbuttons for Gate Motor Starter
    b. Gate Control Schematics (8 drawings)
    c. Gate Control/Starter Wiring (8 drawings)
        i. For each Gate, anticipate Hand/Off/Auto, Raise, Lower, Travel Limit Switches, Load Cells, and Tension
10. Sensors
    a. VFD Control Schematics/Wiring (8 drawings)

Bid and Construction Phase (2027):

1. Responses to bidder questions during bidding: up to 16 hours
2. Responses to RFI questions during construction in 2027: up to 24 hours
3. Review of contractor submittals in 2027: up to 36 hours

Assumptions:

1. Scope is based upon walkdown with Schnabel and the City of Spokane as well as provided documents and drawings by the City of Spokane.
2. Scope is limited to H2E's understanding of the requirements, as reflected in the ETO herein. If additional scope is required, H2E will coordinate with Schnabel/City of Spokane to determine the path forward.
3. Scope Exclusions:
    a. The City of Spokane has indicated there are no changes to remote pushbutton/SCADA control. Scope is limited to changes in Local Control.
    b. The PLC Cabinet will not be modified as part of this scope, except for new I/O added for Gate Control. The PLC Cabinet is undergoing modernization under a separate project.
    c. No changes to existing Spillway Dam Controls/Emergency Generator Room Local Control Panel, including the existing Gate Position displays.
    d. No changes in Spillway Emergency Power.
    e. No changes in existing power distribution outside of Gate Motor Power and Control.
4. PLC Programming to be performed by The City of Spokane.
5. No procurement services or supply of equipment or hardware form part of this scope.
6. No Acceptance Testing or Startup/Commissioning services form part of this scope. Startup/Commissioning requirements will be outlined in the technical specifications to be provided by the contractor and/or supplier.
7. Electrical plan will accommodate gate installations occurring at different times.

2.4.5 Concrete Repairs

General areas of concrete repair will be identified from the initial site visit and 3D point cloud scan. Typical details – one for shallow repairs and one for deep repairs – will generally apply. Areas on the abutment walls, piers, and spillway face requiring shallow and deep repairs will be identified in the drawings. Repair details will include the necessary removal directions, anchorages, and materials to replace missing, deteriorated, and/or delaminated surface concrete.

A general tabulation of repair quantities will be developed based on the field inspection. As constructed repair quantities may deviate from the initial bid tabulation based.

The following design standards will be referenced in the development of the repair approach:

- ACI 311.7 Specification for Inspection of Concrete Construction (2018)
- ACI MNL-2(19) Manual of Concrete Inspection (2019)
- ACI 562-25 Code Requirements for Assessment, Repair, and Rehabilitation of Existing Concrete Structures and Commentary (2025)
- USACE EM-1110-2-2002 Evaluation and Repair of Concrete Structures (1995)
- US Bureau of Reclamation (USBR) Guide to Concrete Repair (2015)

Assumptions:

1. Concrete repairs will be surficial. Repair design will include removal of deteriorated concrete and include anchorage – as needed – to competent underlying concrete. The repair design will gross concrete member section is acceptable (i.e. the concrete section's capacity to resist applied moment and shear load has not been impacted by identified deterioration). No global stability or strength analysis or design will be included as part of the concrete repair design.

2.4.6 Left Bank Seepage Mitigation

The intention of the left bank seepage mitigation design is not to eliminate or cutoff seepage through the left bank. Adding a defensive measure for internal erosion and enhancing surveillance and monitoring will be the design objectives. Therefore, the design will focus on filtering, collecting, and measuring seepage through the left bank. To aid in the design, a seepage analysis coupled with an internal erosion evaluation will be performed. The evaluation will maximize the use of existing information, but an intrusive field investigation may be required to advance the evaluation and design. The design of the seepage mitigation will adhere to the following design standards:

- USACE EM 1110-2-1901 Seepage Analysis and Control for Dams (1993); Appendix D: Filter and Drain Design and Construction
- FERC Guidelines for Drilling and Near Embankment Dams and Their Foundations (2016)
- FERC Engineering Guidelines for the Evaluation of Hydropower Project: Chapter 4 Embankment Dams (2006)
- USACE EM 1110-2-2300 General Design and Construction Considerations for Earth and Rock-Fill Dams (2004)
- US Bureau of Reclamation (USBR) Design Standards No. 13: Embankment Dams, Chapter 5: Protective Filters

Assumptions:

1. A FERC approved Drilling Program Plan (DPP) will be required for an intrusive field investigation program. Schnabel will prepare the DPP for approval by the City and FERC.
2. Steady-state seepage analyses will be performed on a maximum of three cross sections.
3. Limited slope stability analysis will be performed to verify the construction and implementation of the proposed seepage collection system will not significantly impact the stability of the embankment. This analysis will not serve as analysis of record.
4. This estimate will be refined as the design progresses and mutually agreed upon prior to initiating work.

5. No drilling will be performed in the existing fuse plug.

2.4.7 Agency Permit Application Preparation and Submittal

As a subconsultant to Schnabel, Kimley-Horn (KH) will provide permit support on this project. Their base environmental scope will include:

1. Desktop environmental constraints memorandum, including review of publicly available environmental databases, environmental site records review for potential contamination, mapping, permit matrix, permitting schedule, and regulatory strategy.
2. Environmental comments on the 30%, 60%, 90%, and 100% percent design deliverables.
3. Preparation of FERC letter request for designation as non-Federal representative for Section 106 consultation; preparation of letter and meeting support for DAHP and tribal consultation. Up to 30 hours of tribal consultation support are included in this scope of work and additional support can be provided at hourly rate.
4. Development of technical studies required for SEPA and/or permit applications including:
    a. Project description
    b. Habitat/aquatic resources assessment and reconnaissance-level biological surveys
    c. Cultural resources assessment including background research, fieldwork, and historic property inventory form preparation
5. Preparation of the State Environmental Policy Act (SEPA) Review checklist using ecology's template and the aforementioned technical studies as attachments.
6. Preparation of an Environmental Questionnaire and environmental documentation necessary to prepare CWIFP loan application documents on behalf of the City and obtain coverage under the Programmatic Environmental Assessment and FONSI for the loan program. Assumes approximately 54 hours of support for this task and that no project-specific EA will be necessary for NEPA compliance.
7. Preparation of all interim submittals, applications, documentation, and response to comments/resubmittals leading up to issuance/project approval by permitting agencies.

SEPA Checklist Assumptions:

1. Two rounds of review by the City prior to finalizing the SEPA checklist. If additional effort is required beyond the budgeted amount, Kimley-Horn can prepare an additional scope and fee.
2. The City will make and issue a significance determination and be responsible for completing any necessary public and agency notifications and consultations.
3. Determination of Nonsignificance (DNS) will be made and the City will retain the DNS after considering all timely comments received.
4. SEPA does not require preparing responses to comments received during the comment period; therefore, comment responses are not included in this scope.
5. Includes up to two 1-hour phone calls with the City and the Client to coordinate SEPA review and processing. SEPA review costs will be paid by Schnabel or the City.
6. NEPA document will not need to be prepared. Should the project trigger the need for a NEPA document, a separate scope and fee can be provided.

Assumptions for Base Environmental Scope:

1. Project will be obtaining funding through USACE's CWIFP loan program and the USACE will have sufficient control over how funds are used such that compliance with the National Environmental Policy Act will be required. This scope assumes that the USACE will agree that this project falls within the parameters established by the CWIFP's Programmatic EA and that a project-specific EA will not be necessary.
2. The scope does not include preparation of an Aquatic Resources Delineation Report, Biological Assessment, or formal consultation with USFWS under Section 7 of the Endangered Species Act or WDFW. Should formal consultation be required, Kimley-Horn can provide such services at an additional scope and fee.
3. Kimley-Horn assumes that we will be allowed appropriate access to all areas of the site and that the site reconnaissance shall be conducted as a single event.
4. Inclement weather, hazardous conditions, and site access issues will not prevent access to the site.
5. Areas to be surveyed are free of dense vegetation that would inhibit safe pedestrian movement; the ground surface is accessible to field personnel and their tools.
6. This scope accounts for the new recordation of up to five cultural resources within the Area of Potential Effects (APE) on the applicable Washington site record forms, as well as a site update for the dam.
7. Recordation or evaluation of cultural resources outside of the APE are excluded from this scope.
8. This scope excludes any subsurface excavation for inventory or evaluation of archaeological resources.
9. This scope includes only the evaluation of the survey area as provided by the Client. The scope does not include species specific protocol surveys or protected species permitting.
10. The current scope and budget do not address any additional archaeological surveys that may be required if the Project footprint expands or staging areas are added to the project or monitoring that may be required during construction (see Base + Scenario below).
11. If requested, Kimley-Horn will coordinate and lead a regulator site visit such as a USACE jurisdictional determination (JD) verification site visit. USACE Seattle District personnel may request to visit the study area to verify aquatic resource boundaries and classifications to inform JD issuance. Kimley-Horn will coordinate, as needed, through e-mails, telephone conversations, and follow-up letters/documentation, and provide any information requested or required by the regulator to conduct the site visit and fill associated data gaps. Similarly, one of the requirements of the CWIFP loan is that the CWIFP team may conduct compliance site visits during construction. Costs associated with these optional tasks are included in the contingency tasks described below.
12. The proposed project will qualify for a Nationwide Permit and not require a Section 401/404 Individual Permit.
13. Preparation of permit applications and conducting agency meetings
14. Coordination with agencies such as the Department of Ecology, Department of Natural Resources, DAHP, U.S. Army Corps of Engineers, WDFW, USFWS/NOAA Fisheries, and Spokane County, as required. We assume preparation of one JARPA and up to 70-hours of permit support. Kimley-Horn will complete the JARPA form through the Office for Regulatory Innovation & Assistance (ORIA) to apply for required federal, state, and local environmental permits. Completion of the JARPA form includes preparing a complete application package to submit to each agency. An application package includes construction drawings, site and vicinity maps, site photographs, SEPA decision letter, wetland delineation report, mitigation plan, and any

exemption documentation that may be applicable. The JARPA form can be used to apply for the following permits, some or all of which may be required for the proposed project:

a. Federal: USACE Clean Water Act Section 10 and Section 404 Permits
b. Federal: USCG Private Aids to Navigation
c. State: Washington Department of Ecology Section 401 Water Quality Certification
d. State: Washington Department of Fish and Wildlife Hydraulic Project Approval
e. State: Washington Department of Natural Resources Aquatic Use Authorization
f. Local: Shoreline Substantial Development Permit
g. Local: Shoreline Condition Use Permit
h. Local: Shoreline Variance
i. Local: Shore Exemption

A Water Quality Monitoring Plan and Aquatic Resources Mitigation plan are not included.

Contingency Tasks: Based on the results of the desktop and regulatory assessment in Task 2, and design scope described herein, additional environmental services may be required including the following tasks:

- Formal Aquatic Resources Delineation and Report
- Phase I Environmental Site Assessment
- Additional biological and archaeological surveys
- NPDES Construction Stormwater Permit and SWPPP (if ground disturbance of one acre or more)
- Regulatory Site Visits for the USACE jurisdictional determination and CWIFP compliance inspection, if required.

The additional costs associated with these additional tasks are approximately $75,000.

2.5 Bidding Support

Bid support will include development of bid items and quantities, facilitation of an onsite pre-bid meeting, answering bidder questions (up to 32 hours assumed), and review of contractor bid packages. Construction quantities will be supplied for each drawing deliverable.

Assumptions:

1. The City of Spokane will develop non-technical contract specifications; Schnabel will provide requested design and construction information.
2. The City will facilitate an e-bid session (or equivalent)

2.6 Construction Support

Non-field time will be included to support the beginning of construction. Field observation will be negotiated under a separate contract. The current scope and budget includes:

- Facilitation of a virtual pre-construction meeting including development of agenda, running the meeting, and following meeting notes
- Up to 32 hours of RFI review and response

- Up to 80 hours of shop drawing review and response

3.0 SCHEDULE

The anticipated schedule for this project is shown in Attachment A to this letter.

Assumptions:

1. Notice to proceed is provided on or by 12/19/2025.
2. The City will provide all review comments in writing within 2 weeks of submittal.
3. Agency reviews are 90 days or less at the 60% and 100% design phases.

4.0 PROJECT FEES

Our fees are summarized below in Table 4-1 and are for the specific scope of services detailed herein. The fee for work requested beyond the scope of services included herein will be based on our current unit prices at the time the work is authorized. Our current Schedule of Personnel Fees is included as Attachment B.

Notes:
1) Including access gate access platform and spillway stilling basin ladder access.
2) Schnabel only. H2E and Kimley-Horn bid and construction support budget included in their fee.

5.0 CONTRACT TERMS AND CONDITIONS

We understand the City of Spokane's Terms and Conditions included in Attachment 1 of RFQu 5417-25 will apply to services to be provided under this proposed agreement.

The city of Spokane travel policy (ADMIN 0410-24-04) shall apply to this contract.

If, in the City's judgment, it would be more efficient or cost effective, the City reserves the right to perform some of the above tasks on the project. For example, the City may elect to do the surveying and/or environmental permit preparation and/or review.

Agenda Wording

Municipal Court received $2,000 from Smith-Barbieri Progressive Fund to support Therapeutic Courts.

Summary (Background)

The Smith-Barbieri Progressive Fund opens a grant period nearly every October. For 2025, a grant period was not opened. Based on prior awards, and the work Therapeutic Courts do to support those in our community aligning with the mission of the Smith-Barbieri Progressive Fund, an award was provided to Municipal Court. The funding from Smith-Barbieri Progressive Fund will be utilized to purchase clothing, shoes, hygiene items, snacks, and other items needed by participants engaged in Therapeutic Courts.

Agenda Item Name	REQUEST TO ADD FUNDS TO EXISTING INCLEMENT WEATHER CONTRACTS		

Agenda Wording

CHHS seeks to add funds to current Inclement Weather contracts which are set to expire on December 31, 2025.

OPR 2024-0984 - The Salvation Army (The Way Out Shelter)–$45,000.

Summary (Background)

CHHS requests that the inclement weather contracts be amended to include additional funds per contract for the following providers: 1. The Way Out Center (The Salvation Army) Singles ($45,000) 2. House of Charity and St. Margrets (Catholic Charities of Eastern Washington) Singles and Families ($70,000) 3. Revive Inclement Weather Beds (Revive) Singles and Small Families ($22,000) The total amount added to the Inclement Weather allocation from 1590 in 2024/2025 was $800,000. The amount spent/incumbered as of November 25, 2025 (for all inclement weather beds) is hovering around $525,000 and we anticipate surging for all of December 2025. We will continue to update the community and City Council on the amounts spent and number of days surged as the year continues. These updates are done by way of the CHHS Newsletter-the Newsletter is typically published every other month except during the Winter months where more community activity requires consistent touch points by CHHS, so we try to do monthly publications!

What impacts would the proposal have on historically excluded communities?

Most IW beds are filled by community providers and self-referrals. All individuals are welcomed.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

All providers are required to enter data into HMIS and the ShelterMe App.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Because data is entered into HMIS, we are able to reliably check the utilizations of the IW beds along with a providers general shelter bed utilization. If IW beds are NOT fully utilized this should be taken into consideration as it concerns community need, marketing, etc.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The provision of IW beds is consistent with SMC, Five-Year Plan to Prevent and End Homelessness, and our Consolidated Plan.

CITY OF SPOKANE

CONTRACT AMENDMENT E

Title: INCLEMENT WEATHER SHELTER BEDS

THIS CONTRACT AMENDMENT ("AMENDMENT") is between the **CITY OF SPOKANE** as ("CITY"), a Washington municipal corporation, and **THE SALVATION ARMY** whose address is 222 E INDIANA AVE, SPOKANE, WA 99202 as ("SUBRECIPIENT"). Individually hereafter referenced as a "PARTY", and together as the "PARTIES".

WHEREAS, for purposes of this AMENDMENT, deleted contract language is shown in strikethrough and double parentheses ex. ((~~language~~)), and new or revised language is shown as underlined ex. language.

WHEREAS, the SUBRECIPIENT has identified a need for additional resources to sustain Inclement Weather Shelter operations through December 31, 2025, and the CITY therefore seeks to allocate additional General Fund dollars to the existing Inclement Weather contracts to ensure the continued delivery of services through the end of the contract term; and

-- NOW, THEREFORE, in consideration of these terms, the PARTIES mutually agree as follows:

1. CONTRACT DOCUMENTS.
   The original CONTRACT, any previous amendments, addendums and/or extensions/renewals thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE DATE.
   This CONTRACT AMENDMENT shall become effective on October 1, 2025.

3. AMENDMENT.
   SECTION 3: BUDGET
   The total amount CITY shall pay SUBRECIPIENT is increased by **FORTY-FIVE THOUSAND AND NO/100 DOLLARS ($45,000.00)** which equates to a new total CONTRACT amount not to exceed **TWO HUNDRED FIFTEEN THOUSAND AND NO/100 DOLLARS ($215,000.00)** for everything furnished and done under the original CONTRACT and this AMENDMENT. This is the maximum amount to be paid under this AMENDMENT and original CONTRACT and shall not be exceeded without the prior written authorization of the CITY, memorialized with the same formality as the original CONTRACT and this AMENDMENT document.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this CONTRACT AMENDMENT by having legally-binding representatives affix their signatures below.

Agenda Wording

CHHS seeks to add funds to current Inclement Weather contracts which are set to expire on December 31, 2025.

OPR 2024-1022 - Catholic Charities of Eastern Washington (The House of Charity and St. Margaret's)–$70,000

Summary (Background)

CHHS requests that the inclement weather contracts be amended to include additional funds per contract for the following providers: 1. The Way Out Center (The Salvation Army) Singles ($45,000) 2. House of Charity and St. Margrets (Catholic Charities of Eastern Washington) Singles and Families ($70,000) 3. Revive Inclement Weather Beds (Revive) Singles and Small Families ($22,000) The total amount added to the Inclement Weather allocation from 1590 in 2024/2025 was $800,000. The amount spent/incumbered as of November 25, 2025 (for all inclement weather beds) is hovering around $525,000 and we anticipate surging for all of December 2025. We will continue to update the community and City Council on the amounts spent and number of days surged as the year continues. These updates are done by way of the CHHS Newsletter-the Newsletter is typically published every other month except during the Winter months where more community activity requires consistent touch points by CHHS, so we try to do monthly publications!

What impacts would the proposal have on historically excluded communities?

Most IW beds are filled by community providers and self-referrals. All individuals are welcomed.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

All providers are required to enter data into HMIS and the ShelterMe App.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Because data is entered into HMIS, we are able to reliably check the utilizations of the IW beds along with a providers general shelter bed utilization. If IW beds are NOT fully utilized this should be taken into consideration as it concerns community need, marketing, etc.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The provision of IW beds is consistent with SMC, Five-Year Plan to Prevent and End Homelessness, and our Consolidated Plan.

City Clerk's No. OPR 2025-0862

CITY OF SPOKANE

CONTRACT

Title: GRANT MANAGEMENT SYSTEM SOFTWARE SERVICES

THIS CONTRACT is between the **CITY OF SPOKANE**, a Washington State municipal corporation, as ("City"), and **EUNA SOLUTIONS, INC.**, whose address is 1155 Perimeter Center West, Suite 500, Sandy Springs, GA 30338, as ("Company"), individually hereafter referenced as a “Party”, and together as the “Parties”.

The parties agree as follows:

1. PERFORMANCE. The Company will provide Grants Management System Software Services for the City of Spokane, in accordance with Company’s State of Work dated October 22, 2025, attached as Exhibit B and selected through Co-operative procurement, SourceWell #060624-GTH. In the event of a discrepancy between the documents this City Contract controls.

2. CONTRACT TERMS. The Contract shall begin on the effective date of January 1, 2026, and run through December 31, 2031, unless amended by written agreement or terminated earlier under the provisions.

3. COMPENSATION. Total compensation under this Contract shall not exceed **FIFTY-EIGHT THOUSAND THREE HUNDRED FORTY AND 93/100 ($58,340.93) annually,** plus tax if applicable, for everything furnished and done under this Contract. This is the maximum amount to be paid under this Contract for the work described in Section 1 above and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

4. PAYMENT. The Company shall send its application for payment to City of Spokane Community, Housing, and Human Services Department, Sixth Floor, City Hall, 808 West Spokane Falls Boulevard, Spokane, Washington 99201-3317. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Company’s application except as provided by state law.

5. COMPLIANCE WITH LAWS. Each party shall comply with all applicable federal, state, and local laws and regulations.

6. AMENDMENTS. This Contract may be amended at any time by mutual written agreement.

7. ANTI-KICKBACK. No officer or employee of the City of Spokane, having the power or duty

to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Contract.

8. TERMINATION FOR CONVENIENCE. for Convenience. Customer may terminate this Agreement without cause by giving sixty (60) days advance written notice to EUNA of its election to terminate this Agreement pursuant to this provision. In the event of such termination, Customer agrees to pay a "**SaaS Recovery Amount**" equivalent to 50% of the subscription fees for the remainder of the initial term of the Order Form.

9. INSURANCE. During the period of the Agreement, the Company shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW:

A. **Worker's Compensation Insurance** in compliance with RCW 51, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of $1,000,000.

B. **General Liability Insurance** on an occurrence basis, with a combined single limit of not less than $1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Company's services to be provided under this Agreement.

   i. Acceptable **supplementary Umbrella insurance** coverage combined with Company's General Liability insurance policy must be a minimum of $2,000,000, in order to meet the insurance coverage limits required in this Agreement;

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than $1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles; and

D. **Cyber/Technology Errors and Omissions Insurance**, which includes cyber insurance coverage, with limits of at least $5,000,000 per claim and in the aggregate.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Company or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Company shall furnish acceptable Certificates of Insurance (COI) upon request by the City. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Company's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Company shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

10. INDEMNIFICATION. The Company shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Company's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of

the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

11. DEBARMENT AND SUSPENSION. The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

12. SEVERABILITY. In the event any provision of this Contract should become invalid, the rest of the Contract shall remain in full force and effect.

13. STANDARD OF PERFORMANCE. The silence or omission in the Contract regarding any detail required for the proper performance of the work, means that the Company shall perform the best general practice.

14. NONDISCRIMINATION. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Company agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Company.

15. BUSINESS REGISTRATION REQUIREMENT. Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Company shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Company does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

16. AUDIT / RECORDS. The Company and its subcontractors shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Contract. The Company and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

17. CONFIDENTIALITY/PUBLIC RECORDS. Notwithstanding anything to the contrary, City will maintain the confidentiality of Company's materials and information only to the extent that is

legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Company's materials or information and the City determines there are exemptions only the Company can assert, City will endeavor to give Company notice. Company, at its own expense, will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Company does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

18. DISPUTES. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.

Hours may shift from one implementation phase or function to another at the discretion of Euna Grants to support fulfillment of the SOW. Unless explicitly stated otherwise in this SOW, all implementation services will be delivered remotely.

The Euna Grants Implementation Methodology moves through the following phases: Kick-off, Discovery, Design, Configuration, Testing, Training, and Deployment. This methodology is reflected through services offered to the Customer. Upon execution of the Agreement, the Euna Grants System will be provisioned in **Euna Grants Microsoft Azure Multi-Tenant Commercial Cloud** and available for Customer's use. Implementation Hours will assist the Customer in further defining Customer use cases and configuring the Euna Grants System, within its configuration parameters, to best satisfy those use cases. Implementation phases include:

Kick-Off

- The Euna Grants Implementation Team will conduct a kick-off meeting inclusive of expectation setting, early requirements gathering, confirmation of customer's related business goals and objectives, and identification of customer and Euna Grants teams, roles, and responsibilities.
- The Kick-Off will include at a minimum the following resources from the Customer:
    - Executive sponsor
    - Implementation project lead
    - Key functional stakeholders

Discovery and Design

- The Euna Grants Implementation Team will conduct requirements gathering, or Discovery, and Design review sessions related to the Customer and programs in each relevant stage of the grant lifecycle:
    - Grant Seeker: ☒ pre-award, ☒ awarding, ☒post-award, ☒reporting, and ☐ subrecipient management

  - Grant Maker: ☒ pre-award, ☐ awarding, ☒ post-award, ☒ reporting, and ☒ recipient management

- Discovery and Design review sessions will include the following types of resources from the Customer, as applicable to the subject matter of the session:
  - Implementation project lead
  - Program / Grants Subject Matter Experts (SMEs)
  - Legal, Contracting, and/or Procurement Staff
  - Financial Staff
  - Technology SMEs
- Euna Grants expect resources to be segmented against session topics. For example, Grants SMEs are involved with grants process mapping sessions while financial resources are involved with financial mapping and cash flow discovery sessions.
- Design review sessions will take place in an iterative process throughout the discovery and design stages.
- As part of this phase, Euna Grants will document:
  - All relevant grant business processes
  - Customer's related business goals and objectives
  - Implementation Project Plan
- Prior to the conclusion of this phase and as a prerequisite to Configuration and Testing, Customer will be required to sign off on:
  - All relevant grant business processes
  - Customer's related business goals and objectives
  - Implementation Project Plan

Configuration and Testing

- **Configuration**
  - The Euna Grants implementation team will configure the Euna Grants System to support the grant business processes and report requirements as agreed in the Discovery and Design phases.
- **Testing**
  - Euna Grants will test all business processes and configure Euna Grants System options and review with Customer prior to Training and Deployment.
  - Prior to the conclusion of this phase and as a prerequisite to Training and Deployment, Customer will be required to sign off on Euna Grants System configuration.

Training

- Euna Grants will design and conduct user training and provide relevant training assets for Euna Grants System usage in the form of (i) user guides, (ii) pre-recorded, standard trainings available on the Euna Grants Support Portal, and (iii) recordings of live trainings delivered to Customer.
- Euna Grants may segment training to relevant user groups, such as:
  - Customer Implementation Team
  - Customer Program Managers
  - Customer Financial users
  - Customer Technical users / System Admins
  - Reviewers (external)
  - Applicants (external)
  - Recipients (external)
- As part of this phase, Euna Grants will document the Training Plan.
- Prior to commencement of training, Customer will be required to sign-off on the documented Training Plan.

Euna Solutions, Inc. (USA)
1155 Perimeter Center West, Suite 500
Sandy Springs, GA 30338

Deployment

- An approved set of configurations in Euna Grants will be released to the customer for use in the already provisioned production environment in accordance with the timeline set forth in the Implementation Project Plan.

Implementation Closeout

Euna Grants will document agreed upon implementation of closeout activities within the Implementation Project Plan. Formal implementation closeout will require sign-off by Customer that all tasks are complete.

Project Schedule

A refined Implementation Project Plan will be a Euna Grants deliverable from the Discovery phase. Unless the Implementation Project Plan explicitly establishes a timeline to the contrary, all Implementation Hours will expire two hundred and forty (240) calendar days from execution of the Agreement. Any change to the Implementation Project Plan that would impact the then-current completion date of the implementation requires a written Change Order.

Technical Services

In addition to the aforementioned services, Euna Grants will provide the following marked ☒ services:

☒ **Single Sign On (SSO)**
If checked, Customer will receive a license to utilize Euna Grants SSO capability. Euna Grants supports SAML, OAUTH, and WS-Federation services to integrate with external authentication providers and will integrate with the customer's Active Directory implementation out-of-the-box. User roles and sign-on details will be managed by the Customer, including password requirements and security.

☐ **Grant Seeker Expense Automated Integration with existing Financial System**
If checked, see Exhibit A-1. If not checked, Euna Grants will not support the movement of data between systems using import/export templates.

☐ **Grant Maker Payment / Accounts Payable (AP) Integration with existing Financial System**
If checked, see Exhibit A-2. If not checked, Euna Grants will not support the movement of data between systems using import/export templates.

☒ **Data Migration**
If checked, see Exhibit A-3. If not checked, Euna Grants will not migrate any existing historical data.

☐ **Application Programming Interface (API) Access**
If checked, Customer will receive a license to access Euna Grants API. API documentation will be made available to the Customer to be utilized by the Customer to build the integration. Technical assistance requested by Customer regarding initial configuration will be counted as Implementation Hours.

Further ongoing support is detailed in **Exhibit B – Support**.

Change Order Requests

Any modifications to this SOW, including changes to the then-current completion date of the implementation identified in the Implementation Project Plan, require a written amendment ("**Change Order**") executed by the Parties. In the event that, in Euna's judgement, any such modification would necessitate an increase in the total cost of Implementation Hours, Euna Grants will prepare a written cost proposal as part of the Change Order for Customer's approval or rejection. No services that would increase the total cost of Implementation Hours will be commenced without a fully executed Change Order.

Customer Obligations

Successful implementation of Euna solution within the timeline established by the Implementation Project Plan requires the Customer's active participation, collaboration, and coordination. Customer will:

- Provide a single point of contact to Euna for coordinating the scheduling of all implementation activities with Customer.
- Provide timely responses to scheduling requests and at a minimum within two (2) business days of receipt of the request. Implementation hours may be charged to the customer for the time required by Euna to illicit a response.
- Ensure the availability of necessary Customer personnel for scheduled implementation activities.
- Provide a minimum of two (2) full business days' notice to Euna of Customer's need to cancel and/or reschedule a scheduled implementation activity. Implementation hours may be charged to the customer for scheduled unused meeting time without proper notice.
- Deliver to Euna Grants and/or input into the Euna System all required information or data in accordance with deadlines set forth in the Implementation Project Plan.

Euna Grants Obligations

In addition to the services set forth in this SOW, Euna Grants will:

- Be responsible for calculating and reporting expended and remaining hours to the Customer on a monthly basis.
- Provide timely responses to client communications within two (2) business days of receipt of the request.
- Provide a minimum of two (2) full business days' notice to Customer of Euna Grants need to reschedule a scheduled implementation activity.

Exhibit A-1
Grant Seeker Expense Integration – Statement of Work

Euna Grants will configure an interface to run on a pre-defined schedule, to occur no more frequently than once per ☐ day ☒ week, that will integrate expense transactions from Customer's financial system of record, Mitchell Humphrey, into Euna Grants. The integration will be limited to Euna Grants Standard Data Elements associated with Expense records. The connector will be configured using a third-party iPaaS tool, Workato, following the conclusion of the Discovery, Configuration, & Testing phases of AmpliFund's implementation plan.

The integration will be configured in accordance with the configuration and mapping rules defined during implementation, leveraging the Customer's identifiers and chart of accounts elements as the key elements for mapping each relevant expense transaction. Additional details will be captured as part of the requirements gathering phase for this project, including connectivity details, filters and parameters, and additional mapping requirements as needed.

Customer Obligations:

1. Customer will provide comprehensive responses to the Requirements Gathering Workbook provided to Customer as part of implementation outlined in Exhibit A.
2. Customer will provide any existing process documentation (e.g., workflow diagrams, SOPs) related to Customer's grant financial processes.
3. Customer will provide a consistent and standard method for providing Euna Grants access to the desired expense transactions to integrate.
4. Customer will provide examples of Expense Reports with detail from Customer's financial system.
5. The current structure of the Customer's chart of accounts will include segments (i.e., fields) that will allow the Euna Grants System to identify the grant in which to associate a given transaction.
6. Customer will make available via either (i) API endpoint(s) or (ii) a regularly delivered and consistently formatted flat file (in .csv or comparable format) the transactions and associated data required for mapping via the interface.
    a. If integrating via API, Customer will provide documentation of the authentication protocol and integration endpoint(s).
7. The current structure of the Customer's chart of accounts will include segment(s) that can be used to identify the specific Budget Line Item to which a transaction is to be posted.
8. The current structure of the Customer's chart of accounts will include segment(s) that can be used to identify whether a transaction is Grant-Funded, Cash-Match, or In-Kind Match.
9. If indirect costs are to be captured in the financial system, the current structure of the Customer's chart of accounts will include segment(s) that can be used to identify those indirect costs.
10. Customer will provide requisite test data sets.
11. Customer will make available personnel resource(s), such as a financial systems analyst, a third-party financial system representative, or comparable role, that can provide the necessary information to support the discovery and configuration phase of the implementation plan, including, but not limited to:
    a. Strong understanding of the Customer's current chart of accounts
    b. Ability to produce sample data sets, exports, and other relevant material necessary for evaluation
    c. Knowledge of Customer's financial system capabilities related to the API or export tools required to support the integration (i.e., interoperability functionality).

EXHIBIT A-2
Grant Maker Payment / Accounts Payable (AP) Integration – Statement of Work

Integration will be identified from the kick-off as an independent workstream that runs simultaneously to the standard Grant Maker implementation and program configuration expectations. This integration has direct inputs to Euna Grants use and recipient management within the broader use of Euna Grants and therefore must be addressed at the onset of the Grant Maker implementation. This workstream will follow a similar methodology as described in Exhibit A with thorough discovery, design, configuration, and testing phases prior to deployment.

The integration will be configured in accordance with the configuration and mapping rules defined during implementation, leveraging the Customer's identifiers as the key elements for mapping each relevant transaction. Additional details will be captured as part of the requirements gathering phase for this project, including connectivity details, filters and parameters, and additional mapping requirements as needed.

The integration will consist of at most two integration points: (i) an outbound file inclusive of all payments to be processed for each batch, and (ii) an inbound file to update records in AmpliFund. The outbound file will be generated by Euna Grants in accordance with the Customer's system requirements, and the inbound file will be processed by Euna Grants and applied to the associated payment records as defined by the integration mapping requirements.

Any changes to the agreed-upon scope, requirements, or other aspects of the integration that occur after the initial go-live must follow the defined Change Order process.

Customer Obligations:

1. The Customer's system can accept files (fixed-width, csv, delimited) or API posts
2. All necessary Customer systems will be available and operational at the agreed and specified time of outbound file generation and processing will occur at the specified time on a daily basis.
3. Customer will agree on a mutually established, standardized set of mapping rules that will apply to all payments.
4. Customer will limit record ID's used to synchronize data between the systems to existing GUID's, ID's, Serials, or custom-fields created and managed by the Customer.
5. Customer will provide access to Customer's technical resources as needed, and will adhere to mutually agreed communication protocols and schedules.
6. Customer will provide a test environments and valid test data to support development and UAT.
7. Customer's vendor records will already be created and available in the required format, and this information can be stored and transmitted from Euna Grants but will not be created as part of the integration.

Exhibit A-3
Data Migration - Statement of Work

Data Migration will be identified from the kick-off as an independent workstream that runs simultaneously to the standard AmpliFund Lifecycle implementation and program configuration expectations. This data migration workstream has direct inputs to AmpliFund a holistic viewpoint from the broader grant portfolio perspective and expectations for active utilization of the system and therefore must be addressed as part of the implementation. This workstream will follow a similar methodology as described in Exhibit A with thorough discovery, design, configuration, and testing phases prior to deployment.

The AmpliFund Implementation team works with customer resources to understand applicable data points for migration into AmpliFund. The data migration strategy relies on a flat file transfer process that includes extracting data from a legacy database, excel spreadsheets, and pdf/word grant agreements for data mapping gap analysis, gap mitigation plan, data extraction, transformation, and loading into AmpliFund.

Available import templates that include all objects, fields, and field types that are part of standard data migration are available at the following URL: Click Here

Project Specific Information
AmpliFund anticipates working with the Customer to identify specific data sets and details that will include historical information across the county. This includes grant detail information to allow for better comprehensive reporting. Grant data may include, but is not limited to:

- Grant Name
- Grant Manager
- Grant Manager email
- Funding information
- Award Amount
- Award Start and End Dates
- Award details including
    - Performance plans and submitted metrics
    - Budgets, expenses, and payment requests

Note: documents are not included in this data migration project but can be uploaded at any time by AmpliFund users.

Specific data points, and impact, will be identified throughout the implementation. Data migration services mirror the implementation phases and are incorporated into the discovery and design phases. Included within this process is a systems inventory to identify source material, data mapping analysis, and a mapping plan to define the end points that data will reside in within AmpliFund, as well as a testing process to ensure the Customer-provided content follows the agreed upon configuration requirements. Customer staff will need to share legacy data from existing system(s) and transform the data into the appropriate format. AmpliFund can support this process as needed but would expect the county to do most of the work needed to transform the data into the appropriate format. The Customer will help define the appropriate mapping of the data into AmpliFund. AmpliFund will test prior to loading. Through the testing process, the AmpliFund Implementation team will provide test results and recommendations as needed prior to migration into production.

If the Customer would like AmpliFund to provide additional support to take ownership of cleaning up Customer data and/or populating the data migration templates, AmpliFund will need to estimate additional service hours as an outcome of the Discovery and Design phase of implementation. Additional costs may be required after reviewing the data migration project in more detail.

In addition, Customer users can configure the system and data entry can be done through the intuitive user interface and does not require any level of programming.

Assumptions:

- All extraction, transformation, mapping, and other requirements are complete and signed off by agreed upon date as outlined in the Implementation Project Plan.
- File types for system upload are limited to: Word, Excel, Power Point, PDF, Text, Tiff, PNG, JPEG, CSV or BMP
- Standard Data Migration templates will be the primary tool used to migrate any historical grant data into AmpliFund
- File types for data migration import are limited to: Excel or CSV
- All files provided have an available key field(s) to identify the associated recipient/award/invoice/expense etc. object.

AmpliFund will create a standard “AmpliFund User” in all required accounts for the data entry

EXHIBIT B
Support

All capitalized terms that are used but not defined in this Exhibit will have the meanings ascribed to them in the body of the Agreement.

1. Support. Euna Grants will provide technical support and customer service ("Support") to Customer on an ongoing basis during the Term of the Agreement.

    (i) Through Euna Grants online support portal, Customer will have access to the most up-to-date support documentation, user guides, videos, release notes, and import templates, as well as regularly scheduled, live virtual training sessions on core functionality.

    (ii) Customer may request additional Support by contacting Euna Grants at **216-377-5500,** via email at **support@amplifund.zendesk.com** or through the online chat functionality available on the Platform. Telephonic and online chat support are available during normal business hours, defined as 8:00am – 8:00pm ET, Monday through Friday, except for national holidays in the United States. Customers may submit support tickets, feature requests and bug reports through the Platform at any time.

2. Scheduled Maintenance Downtime. Euna Grants may perform schedule maintenance Monday through Friday, between the hours of 10 PM – 11PM ET. In the event maintenance is required outside these established windows, Euna Grants will make reasonable efforts to notify customers in advance.

3. Uptime. Euna Grants guarantees 99.9% up time of the Platform, exclusive of scheduled maintenance periods. Status of the Platform may be accessed by Clicking Here

1.0 PURPOSE

This Statement of Work (SOW) ensures expectations are documented and understood by all entities engaged in this project.

2.0 PROJECT OVERVIEW

To meet the goals of Spokane, Euna Solutions will rapidly deploy Euna Solutions cloud-hosted, Commercial-off-the-shelf (COTS) Software-as-a-Service (SaaS) grants management system. Euna Solutions implementation will utilize a "Self-Service" model providing a flexible on-boarding experience at the client's pace and discretion.

3.0 SOFTWARE-AS-A-SERVICE / COMMERCIAL-OFF-THE-SHELF

Euna Solutions is a cloud-hosted, Commercial-off-the-shelf (COTS) SaaS grants management platform. The system is compatible with any hardware device that provides Internet access via a modern web browser and requires minimal internal IT support beyond the initial implementation.

Euna Solutions is specifically built for managing the full grants management lifecycle and will standardize and streamline processes so that Spokane staff can save time, increase transparency, reduce redundancies, data entry, mitigate compliance risk, and improve organizational collaboration and knowledge.

Euna Solutions provides ongoing innovation with continual updates, leading to:

- Consistently updated software features and functions
- Improved data sharing with systems
- Uniform Grant Guidance training, indirect cost support and fund maximization, and access to additional learning resources
- Improved internal control and regulatory requirements compliance

4.0 PROJECT SCOPE AND TASKS

This project will implement Euna Solutions' grants management solution for the Spokane using on-demand training and support.

Euna Solutions tasks:

1. Email Primary Contact with *Add New User* form
2. Load new users and departments from the completed *Add New User* form
3. Activate Spokane Euna Solutions account
4. Email Primary Contact with standard training video links and user manuals

Spokane tasks:

1. Complete *Add New User* form
2. Log in and setup user accounts using the activation email
3. Confirm receipt of training materials

Attachment I – End User License Agreement

This agreement, including all documents referenced and incorporated below and the Order Form which by this reference is incorporated herein (collectively, this "**Agreement**"), is a binding agreement between Euna Solutions, Inc. (referred to as "**Licensor**" or "**EUNA**," as part of the EUNA brand) and the entity identified on the Order Form as the Customer ("**Customer**"). EUNA and Customer are sometimes individually referred to as a "**Party**" and collectively referred to as the "**Parties**." The Parties agree as follows:

LICENSOR PROVIDES THE SAAS OFFERING, PROFESSIONAL SERVICES, SOFTWARE AND DOCUMENTATION SOLELY ON THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT AND ON THE CONDITION THAT CUSTOMER ACCEPTS AND FULLY COMPLIES WITH THEM. BY CHECKING THE "ACCEPT" BOX ON THE ORDER FORM OR ISSUING A PURCHASE ORDER AFTER REVIEWING THESE TERMS YOU (A) ACCEPT THIS AGREEMENT AND AGREE THAT CUSTOMER IS LEGALLY BOUND BY ITS TERMS AND CONDITIONS; AND (B) REPRESENT AND WARRANT THAT: (I) YOU ARE OF LEGAL AGE TO ENTER INTO A BINDING AGREEMENT; AND (II) IF CUSTOMER IS A CORPORATION, GOVERNMENTAL ORGANIZATION, OR OTHER LEGAL ENTITY, YOU HAVE THE RIGHT, POWER, AND AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF CUSTOMER AND BIND CUSTOMER TO ITS TERMS. IF CUSTOMER DOES NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, LICENSOR WILL NOT AND DOES NOT LICENSE OR PROVIDE THE SAAS OFFERING, PROFESSIONAL SERVICES, SOFTWARE OR OTHER DELIVERABLE TO CUSTOMER AND YOU MUST NOT DOWNLOAD, USE OR ACCESS THE SAAS OFFERING, SOFTWARE OR DOCUMENTATION OR OTHERWISE RECEIVE THE PROFESSIONAL SERVICES.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR YOUR OR CUSTOMER'S ACCEPTANCE OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, NO LICENSE IS GRANTED (WHETHER EXPRESSLY, BY IMPLICATION, OR OTHERWISE) UNDER THIS AGREEMENT WITHOUT AN APPLICABLE ORDER FORM AND PAYMENT OF ALL REQUIRED FEES, COSTS AND AMOUNTS. THIS AGREEMENT EXPRESSLY EXCLUDES ANY RIGHT CONCERNING ANY SAAS OFFERING, PROFESSIONAL SERVICES, SOFTWARE OR DOCUMENTATION THAT CUSTOMER DID NOT ACQUIRE LAWFULLY OR THAT IS NOT A LEGITIMATE, AUTHORIZED COPY OF LICENSOR'S SAAS OFFERING, SOFTWARE OR DOCUMENTATION.

1. Definitions.

a. "**Authorized User**" means Customer's employees, consultants, contractors, and agents (i) who are authorized by Customer to access and use the SAAS Offering under the rights granted to Customer pursuant to this Agreement and the applicable Order Form, and (ii) for whom access to the SAAS Offering has been purchased hereunder.

b. "**Confidential Information**" means any information relating to a Disclosing Party (as defined in Section 9), its business, technology, suppliers, licensors, resellers, distributors, customers, and third parties to whom the Disclosing Party has an obligation of confidentiality, whether in tangible or intangible form, which is either marked or designated as "confidential" or "proprietary," or disclosed under circumstances indicating its confidential or proprietary nature, or otherwise would be known to be confidential or proprietary by a reasonable person.

c. "**Customer Data**" means, other than Diagnostic Data, information, data, and other content, in any form or medium, that is submitted, posted, or otherwise transmitted by or on behalf of Customer or an Authorized User through the SAAS Offering or Professional Services, as applicable.

d. "**Customer Data Compromise**" means any actual or reasonably suspected unauthorized access to or acquisition of computerized Data that compromises the security, confidentiality, or integrity of the Data, or the ability of Client to access the Data.

e. "**Deliverable**" means all documents, work product and other materials that are delivered to Customer under this Agreement or prepared by or on behalf of the EUNA in the course of performing the Professional Services or providing the SAAS Offering, including any items identified as such in the applicable Order Form.

f. "**Diagnostic Data**" means all aggregated and de-identified information that EUNA's systems or applications automatically collect regarding Customer's use of the SAAS Offering and its performance, including to compile statistical and performance information related to the provision and operation of the SAAS Offering.

g. "**Documentation**" means the applicable training, informational or support videos and documentation relating to (i) the use of and access to the SAAS Offering and (ii) any error corrections, bug fixes, enhancements, improvements, new releases, maintenance releases and updates thereto, provided by EUNA to Customer in any format.

h. "**Fees**" means the fees set forth in the applicable Order Form.

i. "**Intellectual Property Rights**" (i) all United States and foreign patents, patent applications, and certificates of invention, and all continuations, continuations in part, extensions, renewals, divisions, re-issues and re-examinations relating thereto; (ii) all moral rights and copyrights in any work of authorship or other work recognized by applicable Law, including all copyright registrations issued by the United States Register of Copyrights and applications therefor, together with any renewal or extension thereof, or by similar authority in any other jurisdiction, and all rights deriving therefrom; (iii) all, whether registered or unregistered, trademarks, service marks, domain names, trade names and trade dress, and all goodwill relating thereto; (iv) all rights in all trade secrets, know-how, and confidential information; and (v) other intellectual property rights protectible under any Laws or international conventions throughout the world, and in each case including the right to apply for registrations, certificates, or renewals with respect thereto and the right to prosecute, enforce, obtain damages relating to, settle or release any past, present, or future infringement or misappropriation thereof.

j. "**Law**" means all applicable laws (including those arising under common law), statutes, codes, rules, regulations, reporting or licensing requirements, ordinances and other pronouncements having the effect of law in the United States, any foreign country or any domestic or foreign state, county, city or other political subdivision, including those promulgated, interpreted or enforced by any governmental or regulatory authority.

k. "**MFA (Multi-Factor Authentication)**" means a security process that requires users to verify their identity using two or more independent credentials before gaining access to a system. These credentials fall into three categories:

i. Something you know – like a password or PIN.

ii. Something you have – such as a smartphone, security token, or smart card.

iii. Something you are – biometric identifiers like fingerprints or facial recognition.

l. "**Order Form**" means the order form between the Parties that incorporates this Agreement.

m. "**Public Facing Software**" means a portion of the Software made available by the Customer to members of the general public.

n. "**SAAS IP**" means the SAAS Offering and the Documentation. For the avoidance of doubt, SAAS IP includes proprietary data structures, database schemas, metadata, Diagnostic Data and any information, data, or other content derived from EUNA's monitoring of Customer's access to or use of the SAAS IP but does not include Customer Data.

o. "**SAAS Offering**" means the software-as-a-service offering, including any integrated platform offering, as set out in the applicable Order Form.

p. "**Professional Services**" means the services set out in the applicable Order Form and any associated statement of work attached or referenced in the Order Form ("Statement of Work"), if applicable.

q. "**Term**" has the meaning set forth in Section 10 a.

r. "**Third-Party Products**" means any third-party products described in the applicable Order Form provided with or incorporated into the SAAS Offering.

2. Professional Services. Subject to and conditioned on Customer's payment of Fees and compliance with all other terms and conditions of this Agreement, EUNA shall provide to Customer the Professional Services in accordance with the applicable Order Form and Statement of Work.

3. Software Subscription.

a. Provision of Access. Subject to and conditioned on Customer's payment of Fees and compliance with all other terms and conditions of this Agreement, EUNA hereby grants Customer a non-exclusive, non-sublicensable, non-transferable (except in compliance with Section 22) right to access and use the SAAS Offering during the Term, solely for use by Authorized Users in accordance with the terms and conditions herein. Such use is limited to Customer's internal use. EUNA shall provide to Customer the necessary information to allow Customer to access the SAAS Offering. The total number of Authorized Users will not exceed the number set forth in the applicable Order Form, except as expressly agreed to in writing by the Parties and subject to any appropriate adjustment of the Fees payable hereunder.

b. Public Facing Software. Notwithstanding the definition of Authorized Users, Customer is permitted to provide access to its constituents that are solely utilizing public facing functionalities of the SAAS Offering that do not otherwise require a specific license from EUNA.

c. Documentation License. Subject to and conditioned on Customer's payment of Fees and compliance with the terms and conditions of this Agreement, EUNA hereby grants to Customer a non-exclusive, non-sublicensable, non-transferable (except in compliance with Section 22) license to use the Documentation during the Term solely for Customer's internal business purposes in connection with its use of the SAAS Offering.

d. Optional Features. EUNA shall provide all extensions, enhancements, and other changes, which are logical improvements to the SAAS Offering and to which EUNA makes generally available on a commercial basis, without charge, to other licensees of the EUNA SAAS Offering. Updates do not include any new software products that are then made generally available on a commercial basis as separate, price-listed options or additions to the SAAS Offering nor do they include any Professional Services that may be required for implementation.

e. Use Restrictions. Customer shall not use the SAAS Offering for any purposes beyond the scope of the access granted in this Agreement or the applicable Order Form. Customer shall not at any time, directly or indirectly, and shall not permit any Authorized Users to: (i) copy, modify, or create derivative works of the SAAS Offering or Documentation, in whole or in part; (ii) rent, lease, lend, sell, license, sublicense, assign, distribute, publish, transfer, or otherwise make available the SAAS Offering or Documentation to a third party; (iii) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to any software component of the SAAS Offering, in whole or in part; (iv) remove any proprietary notices from the SAAS Offering or Documentation; or (v) use the SAAS Offering or Documentation in any manner or for any purpose that causes such SAAS Offering or Documentation to infringe, misappropriate, or otherwise violate any Intellectual Property Right or other right of any person, or that violates any applicable Law.

f. Suspension. Notwithstanding anything to the contrary in this Agreement, EUNA may temporarily suspend Customer's and any Authorized User's access to any portion or all of the SAAS Offering if: (i) EUNA reasonably determines that (A) there is a threat or attack on any of the SAAS IP; (B) Customer's or any Authorized User's use of the SAAS IP disrupts or poses a

security risk to the SAAS IP or to any other customer or vendor of EUNA; (C) Customer or any Authorized User is using the SAAS IP for fraudulent or illegal activities; (D) subject to applicable Law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or (E) EUNA's provision of the SAAS Offering to Customer or any Authorized User is prohibited by applicable Law; (ii) any vendor of EUNA has suspended or terminated EUNA's access to or use of any third-party services or products required to enable Customer to access or use the SAAS Offering each a ("**Service Suspension**"). EUNA shall use commercially reasonable efforts to resume providing access to the SAAS Offering as soon as reasonably possible after the event giving rise to the Service Suspension is investigated, contained, remediated, and cured. EUNA will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any Authorized User may incur as a result of a Service Suspension.

g. Diagnostic Data. Notwithstanding anything to the contrary in this Agreement, EUNA may monitor Customer's use of the SAAS Offering and collect and compile Diagnostic Data. As between EUNA and Customer, all right, title, and interest in Diagnostic Data, and all Intellectual Property Rights therein, belong to and are retained solely by EUNA. Customer acknowledges that EUNA may compile Diagnostic Data based on Customer Data input into the SAAS Offering. Customer agrees that EUNA may (i) make Diagnostic Data publicly available in compliance with applicable Law, and (ii) use Diagnostic Data to the extent and in the manner permitted under applicable Law. EUNA agrees to process Customer Data available in accordance with EUNA's privacy policy which is available upon request and online at https://Eunasolutions.com/privacy-policy/. EUNA may update its privacy policy from time to time and such updated privacy policy will be effective and applicable upon posting.

4. Customer Obligations.

a. For Professional Services. In connection with the Professional Services, Customer shall:

(i) cooperate with EUNA in its performance of the Professional Services and provide access to Customer's premises, employees, contractors, and equipment as required to enable EUNA to provide the Professional Services;

(ii) provide Cooperation, as defined herein, and perform Customer facing milestones and Customer deliverables necessary to enable EUNA to continue to perform under the Order Form and Statement of Work; and

(iii) take all steps necessary, including obtaining any required licenses or consents, to prevent Customer-caused delays in EUNA's provision of the Professional Services.

b. For the SAAS Offering. In connection with the SAAS Offering:

(i) Customer agrees to be responsible and liable for all uses of the SAAS Offering and Documentation resulting from access provided by Customer, directly or indirectly, whether such access or use is permitted by or in violation of this Agreement. Without limiting the generality of the foregoing, Customer agrees to be responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User that would constitute a breach of this Agreement if taken by Customer will be deemed a breach of this Agreement by Customer. Customer shall use reasonable efforts to make all Authorized Users aware of this Agreement's provisions as applicable to such Authorized User's use of the SAAS Offering and shall cause Authorized Users to comply with such provisions.

(ii) EUNA may from time to time make Third-Party Products available to Customer. For purposes of this Agreement, such Third-Party Products are subject to their own terms and conditions and the applicable flow-through provisions.

(iii) EUNA will use commercially reasonable efforts to implement the SAAS Offering. Customer acknowledges and agrees that Customer's timely provision of (and EUNA's access to) Customer's assistance, cooperation, and complete and

accurate feedback, approvals, information, and data from Customer's officers, agents and employees as is reasonably requested by EUNA (collectively, "**Cooperation**") is essential to the implementation and operation of the SAAS Offering, and that EUNA shall not be liable for any deficiency, delay or failure in implementing or operating the SAAS Offering if such deficiency, delay or failure results from Customer's failure to provide full Cooperation as required hereunder. Cooperation will include designating a project manager to interface with EUNA during the course of EUNA's implementation or provision of the SAAS Offering. If Customer repeatedly fails to provide Cooperation, EUNA may terminate this Agreement in accordance with Section 10(b)(ii).

5. Fees and Expenses.

a. Fees. Except for Fees that Customer has successfully disputed, Customer shall pay the Fees without offset or deduction. Unless otherwise provided in the applicable Order Form, US Customers shall pay the Fees in US dollars within thirty (30) days from the date of the applicable invoice and Canadian Customers shall pay the fees in CAD dollars within thirty (30) days from the date of the applicable invoice. If Customer fails to make any payment when due, without limiting EUNA's other rights and remedies: (i) EUNA may charge interest on the past due amount at the rate of 1% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable Law; (ii) if such failure continues for thirty (30) days or more, and in addition to all other remedies available under this Agreement or at law (which EUNA does not waive by the exercise of any rights hereunder), EUNA may suspend Customer's and its Authorized Users' access to any portion or all of the Professional Services and the SAAS Offering until such amounts are paid in full.

b. Taxes. Fees do not include any taxes. Customer is exempt by Law from payment of State and local sales tax and federal excise tax. In the event that taxes are assessed by any governmental body on any Deliverable provided under this Agreement, in which Customer is not exempted from paying, EUNA shall have the option to terminate the Agreement in lieu of assessment of the taxes against EUNA, provided however that Customer shall have the option to pay EUNA all such tax amounts which have been properly invoiced, at Customer's discretion, to avoid termination of this Agreement. Customer shall provide EUNA with a valid tax exemption certificate upon request.

6. Service Levels and Support.

a. Service Levels. Subject to and conditioned upon Customer's payment of Fees and compliance with the terms and conditions of this Agreement, EUNA will use commercially reasonable efforts to make the SAAS Offering available in accordance with the service levels set out in the provided service level documentation posted from time to time on EUNA's website at www.eunasolutions.com/sla/ (the "**Service Level Agreement**").

b. Support. Subject to and conditioned upon Customer's payment of Fees and compliance with the terms and conditions of this Agreement, EUNA will use commercially reasonable efforts to provide the support services described in the support services documentation posted from time to time on EUNA's website at www.eunasolutions.com/sla/ (the "**Service Level Agreement**").

c. Updates. EUNA reserves the right to modify the Service Level Agreement from time to time effective immediately by posting an updated policy at the links referenced above. EUNA's support obligations extend solely to Customer's designated support contacts. Customer acknowledges and agrees that, as between Customer and EUNA, Customer shall be solely responsible to provide any and all support to all other third parties. Unless otherwise stated in the Service Level Policy, EUNA shall not have any obligation to provide support services to any third parties.

7. Representations, Limited Warranties, and Disclaimer.

a. Representations. Each Party hereby represents and warrants that: (i) it has the full corporate right, power and authority to enter into this Agreement and to perform the acts required hereunder; and (ii) the execution of this Agreement by such

Party, and the performance by such Party of its obligations and duties hereunder, do not and will not violate any agreement to which such Party is bound or any obligation of such Party.

b. Warranties for Professional Services. EUNA warrants that it will perform the Professional Services:

(i) in accordance with the terms and subject to the conditions set out in the respective Statement of Work or Order Form and this Agreement;

(ii) using personnel of commercially reasonable skill, experience, and qualifications; and

(iii) in a timely, workmanlike, and professional manner in accordance with generally recognized industry standards for similar services.

c. Warranties for the SAAS Offering. EUNA warrants that during the Term, the SAAS Offering will conform in all material respects to the Documentation when accessed and used in accordance with the Documentation. EUNA does not make any warranties, representations or guarantees regarding uptime or availability of the SAAS Offering except to the extent specifically included in the applicable Service Level Policy. THE FOREGOING WARRANTIES, REPRESENTATIONS AND GUARANTEES DO NOT APPLY AND EUNA STRICTLY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS AND GUARANTEES WITH RESPECT TO ANY THIRD-PARTY PRODUCTS OR ANY FAILURE IN PERFORMANCE CAUSED BY THIRD-PARTY PRODUCTS.

d. Remedies. EUNA's sole and exclusive liability and Customer's sole and exclusive remedy for breach of the warranties, representations and guarantees in this Agreement shall be as follows:

(i) EUNA shall use reasonable commercial efforts to promptly cure any such breach; provided, that if EUNA cannot cure such breach within sixty (60) days after Customer's written notice of such breach, Customer may, at its option, terminate this Agreement by serving written notice of termination.

(ii) For Professional Services, Customer's remedy for breach of the foregoing warranties, representations and guarantees shall be the re-performance of the relevant Professional Services free of charge to the extent the breach was caused solely by EUNA. The foregoing remedy shall not be available unless Customer provides written notice of such breach (which notice reasonably describes the breach and the deficiencies identified by Customer) within thirty (30) days after delivery of such Professional Service or Deliverable to Customer.

(iii) For any such breach involving a failure to meet the commitments in the Service Level Policy, EUNA's sole obligation and Customer's exclusive remedy shall be for EUNA to perform the remedies set forth in the Service Level Policy.

e. Disclaimer of Warranties. EXCEPT FOR THE LIMITED WARRANTIES SET FORTH IN THIS SECTION OF THE AGREEMENT, THE PROFESSIONAL SERVICES, DELIVERABLES, SAAS OFFERING AND EUNA IP ARE PROVIDED "AS IS" AND EUNA HEREBY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS AND GUARANTEES WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. EUNA SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. EXCEPT FOR THE LIMITED WARRANTIES SET FORTH IN THIS SECTION, EUNA MAKES NO WARRANTY, REPRESENTATION OR GUARANTEE OF ANY KIND THAT THE PROFESSIONAL SERVICES, DELIVERABLES, EUNA IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S, AN AUTHORIZED USER'S, OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER PROFESSIONAL, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

8. Intellectual Property.

a. Deliverables. All Intellectual Property Rights in and to the Deliverables except for any Confidential Information of Customer shall be owned by EUNA. If any derivative work is created by Customer from the SaaS Offering EUNA shall own all right, title and interest in and to such derivative work.

b. SAAS IP and Documentation. Customer acknowledges that, as between Customer and EUNA, EUNA owns all right, title, and interest, including all Intellectual Property Rights, in and to the SAAS IP and Documentation and, with respect to Third-Party Products, the applicable third-party providers own all right, title, and interest, including all Intellectual Property Rights, in and to the Third-Party Products.

c. Customer Data. EUNA acknowledges that, as between EUNA and Customer, Customer either (i) owns all right, title, and interest, including all Intellectual Property Rights, in and to the Customer Data, or (ii) has a valid license with the right to sublicense the Customer Data to EUNA as provided herein. Customer hereby grants to EUNA a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary for EUNA to provide the SAAS Offering to Customer, and a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to reproduce, distribute, modify, and otherwise use and display Customer Data incorporated within the Diagnostic Data. Customer represents, warrants and agrees that: (A) it will comply with applicable Law, including the Laws of the territories and jurisdictions from which any Customer Data is obtained or pertains, in collecting, using, disclosing, transmitting and in soliciting the transmission of Customer Data into or with the SAAS Offering as contemplated under this Agreement; (B) prior to transmitting (or soliciting the transmission of) any Customer Data to EUNA through the SAAS Offering, Customer shall have all applicable consents and approvals required for the transmission of such Customer Data to EUNA; and (C) EUNA's use, storage, disclosure and other processing of Customer Data in accordance with this Agreement or Customer's instructions or direction will not cause EUNA or any of its vendors to violate any applicable Law or infringe the rights of any individual or third party.

d. Passwords. Customer is responsible for the confidentiality and use of its passwords, other credentials, and account, and in no event shall EUNA be liable for any loss of information of Customer or other claims arising from unauthorized access to the SAAS Offering as a result of the failure by Customer to protect the confidentiality of its passwords, other credentials or account.

e. Prohibited Information. Except as necessary to utilize the SAAS Offering, Customer shall not transmit, disclose or otherwise provide (or cause or allow to be transmitted or provided to EUNA): (i) health information, medical information, health insurance card information, policy identification numbers, or any other information that would cause EUNA to be classified as a "business associate" under the Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA") or similar designation under other Laws, (ii) information that causes EUNA to be subject to any Laws beyond those Laws generally applicable to all cloud service providers, (iii) security passwords or credentials, and/or (iv) data revealing race, ethnicity, political opinions, religion, sexual orientation, philosophical beliefs or trade union membership or any other information identified under applicable Law as "sensitive information," "private information," or like designation (collectively, "**Prohibited Information**"). If Customer transmits or provides to EUNA any Prohibited Information, Customer shall indemnify and hold EUNA harmless from and against any claims and liability arising from the transmission to EUNA of any Prohibited Information or any processing of such information by EUNA, and EUNA shall have no liability or obligation whatsoever with respect to such Prohibited Information or Customer Data provided to EUNA.

f. Feedback. If Customer or any of its employees or contractors provides, sends or transmits any communications or materials to EUNA by mail, email, telephone, or otherwise, suggesting or recommending changes to the SAAS Offering, Documentation, Software, Professional Services, or any of EUNA's Intellectual Property Rights, including without limitation, the SAAS IP and new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("**Feedback**"), EUNA is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback. Customer hereby assigns and agrees to assign to EUNA, and will cause its employees, contractors and/or agents to assign to EUNA, all right, title, and interest in and to the Feedback, including all Intellectual Property Rights in the Feedback, to EUNA without further consideration. EUNA is free to use, without any attribution or

compensation to any party, any ideas, know-how, concepts, techniques, or other Intellectual Property Rights contained in the Feedback, for any purpose whatsoever, although EUNA is not required to use any Feedback.

g. Reservation of Rights. EUNA reserves all rights not expressly granted to Customer in this Agreement. Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to Customer or any third party any Intellectual Property Rights or other right, title, or interest in or to the Professional Services or SAAS IP.

9. Confidentiality.

a. Generally. From time to time during the Term, either Party (as the "**Disclosing Party**") may disclose or make available to the other Party (as the "**Receiving Party**") Confidential Information. Confidential Information shall at all times remain the property of the Disclosing Party. The Receiving Party shall: (A) protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party protects its own Confidential Information, but in no event with less than a commercially reasonable degree of care; (B) not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and (C) except as permitted in this Agreement, not disclose any such Confidential Information to any person or entity, except to the Receiving Party's representatives (including EUNA's affiliates and third party service providers) who need to know the Confidential Information to assist the Receiving Party, act on its behalf, or to exercise its rights or perform its obligations under this Agreement. The obligations in this section do not apply to Confidential Information that: (i) is or becomes generally available to the public other than as a result of the Receiving Party's breach of this Section; (ii) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (iii) was in the Receiving Party's possession prior to the Disclosing Party's disclosure hereunder; or (iv) was or is independently developed by the Receiving Party without using any Confidential Information of the Disclosing Party.

b. Permitted Disclosures. Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required to establish a Party's rights under this Agreement, including to make required court filings. If a Receiving Party is faced with judicial or governmental action to disclose Confidential Information of the Disclosing Party, the Receiving Party must, if legally permissible, notify the Disclosing Party forthwith and, at the Disclosing Party's request, provide reasonable assistance in opposing such action at the Disclosing Party's cost and expense.

c. Destruction. On the expiration or termination of the Agreement, the Receiving Party shall promptly destroy all copies of the Disclosing Party's Confidential Information in its possession or control and upon request certify in writing to the Disclosing Party that such Confidential Information has been destroyed, provided, however, that a Receiving Party may retain Confidential Information relevant to any pending or threatened litigation or governmental investigation and EUNA may retain Customer's Confidential Information in accordance with its information retention policies and Section 15.a, below.

d. Irreparable Harm. Each Party acknowledges that Confidential Information may constitute unique, valuable, proprietary and trade secret information of the Disclosing Party, and that unauthorized disclosure thereof by the Receiving Party may cause irreparable injury to the Disclosing Party. Accordingly, each Party acknowledges and agrees that monetary damages may not be adequate in the event of a default of this Article 9 and, therefore, that the Disclosing Party may be entitled to injunctive or other affirmative relief, without such constituting an election of remedies, and that the Disclosing Party will not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Article 9, and each Party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

e. Duration. Each Party's obligations of non-disclosure with regard to Confidential Information are effective as of the Effective Date and will expire five years from the date first disclosed to the Receiving Party; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable Law), such obligations of

non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable Law.

10. Term, Termination, and Survival.

a. Term. The term of this Agreement (the "**Term**") commences on the Effective Date of this Agreement and will continue in effect for as long as there is an outstanding Order Form in place. Each Order Form will continue for the applicable term listed in such Order Form until terminated by either Party in accordance with this Agreement. The termination or expiration of an Order Form will not affect or otherwise terminate this Agreement or any other Order Form covering other products or services in effect at such time.

b. User Subscriptions. All user subscriptions in an Order Form shall automatically renew for an additional one-year at the end of the then current subscription term listed on the Order Form, unless the Customer gives the other notice of non-renewal at least thirty (30) days before the end of the relevant subscription term. The per-unit pricing during any such renewal term of the subscription shall be the same as that during the prior term unless EUNA gives written notice of a pricing increase at least thirty (30) days before the end of such prior term, in which case the pricing increase shall be effective upon renewal and thereafter.

c. Termination for Convenience. Customer may terminate this Agreement without cause by giving sixty (60) days advance written notice to EUNA of its election to terminate this Agreement pursuant to this provision. In the event of such termination, Customer agrees to pay a "**SaaS Recovery Amount**" equivalent to 50% of the subscription fees for the remainder of the initial term of the Order Form.

d. Termination for Cause. In addition to any other express termination right set forth in this Agreement:

(i) either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such breach; or

(ii) either Party may terminate this Agreement, effective immediately upon written notice to the other Party, if the other Party: (A) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (B) files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency Law; (C) makes or seeks to make a general assignment for the benefit of its creditors; or (D) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

e. Effect of Expiration or Termination. Upon expiration or earlier termination of this Agreement, EUNA will immediately cease providing any Professional Services and Customer shall immediately discontinue use of the SAAS Offering. No expiration or termination will affect Customer's obligation to pay all Fees that may have become due before such expiration or termination or entitle Customer to any refund.

f. Non-Appropriation. In the event Customer is not granted an appropriation of funds at any time during the Term and the non–appropriation did not result from an act or omission by Customer, Customer shall have the right to terminate this Agreement on the last day of the fiscal period for which appropriations were received without penalty or expense to Customer, except as to the portion of the payments for which funds shall have been appropriated and budgeted. At least ninety (90) days prior to the end of Customer's fiscal period, Customer shall certify in writing that (1) funds have not been appropriated for the next fiscal period, (b) such non-appropriation did not result from any act or failure to act by Customer; and (c) Customer has exhausted all funds legally available to pay EUNA. If Customer terminates this Agreement because of non-appropriation of funds, Customer may not purchase or lease during the subsequent fiscal period, software and/or service performing the same function as, or functions taking the place of those performed by the software and/or service

provided by EUNA; however, that these restrictions shall not be applicable if or to the extent that the application of these restrictions would affect the validity of this Agreement.

g. Survival. Sections 3.g, 4, 5, 7, 8, 9, 10, 11, 12, and 14-34 survive any termination or expiration of this Agreement. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement.

11. Indemnification.

a. EUNA Indemnification.

(i) EUNA SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS CUSTOMER FROM AND AGAINST ANY AND ALL LOSSES, DAMAGES, LIABILITIES, COSTS (INCLUDING REASONABLE ATTORNEYS' FEES) ("**LOSSES**") INCURRED BY CUSTOMER RESULTING FROM ANY THIRD-PARTY CLAIM, SUIT, ACTION, OR PROCEEDING ("**THIRD-PARTY CLAIM**") THAT THE SAAS OFFERING OR PROFESSIONAL SERVICES, OR ANY USE OF THE SAAS OFFERING OR PROFESSIONAL SERVICES IN ACCORDANCE WITH THIS AGREEMENT, INFRINGES OR MISAPPROPRIATES SUCH THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS OR FOR ANY THIRD PARTY CLAIM BASED ON CONTRACTOR'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, PROVIDED THAT CUSTOMER PROMPTLY NOTIFIES EUNA IN WRITING OF SUCH THIRD-PARTY CLAIM, COOPERATES WITH EUNA, AND ALLOWS EUNA SOLE AUTHORITY TO CONTROL THE DEFENSE AND SETTLEMENT OF SUCH THIRD-PARTY CLAIM.

(ii) If a Third-Party Claim is made or appears possible, Customer agrees to permit EUNA, at EUNA's sole discretion, to (A) modify or replace the SAAS Offering or Professional Services or component or part thereof, to make it non-infringing, (B) obtain the right for Customer to continue use, or (C) terminate the license for the SAAS Offering and Professional Services and provide a pro rata refund to Customer. If EUNA determines that none of these alternatives is reasonably available, EUNA may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer.

(iii) This Section will not apply to the extent that the alleged infringement arises from: (A) use of the SAAS Offering or Professional Services in combination with data, software, hardware, equipment, or technology not provided by EUNA or authorized by EUNA in writing; (B) modifications to the SAAS Offering or Professional Services not made by EUNA; or (C) Customer Data; or (D) Third-Party Products.

b. Customer Indemnification. CUSTOMER SHALL INDEMNIFY, HOLD HARMLESS, AND, AT EUNA'S OPTION, DEFEND EUNA AND ITS AFFILIATES, AND THEIR RESPECTIVE INVESTORS, DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS (COLLECTIVELY, THE "EUNA GROUP") FROM AND AGAINST ANY LOSSES RESULTING FROM ANY THIRD-PARTY CLAIM (I) THAT THE CUSTOMER DATA, OR ANY USE OF THE CUSTOMER DATA IN ACCORDANCE WITH THIS AGREEMENT, INFRINGES, VIOLATES OR MISAPPROPRIATES SUCH THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS OR ANY LAW, OR (II) BASED ON CUSTOMER'S OR ANY AUTHORIZED USER'S (A) NEGLIGENCE OR WILLFUL MISCONDUCT; (B) USE OF THE SERVICES OR SAAS OFFERING IN A MANNER NOT AUTHORIZED BY THIS AGREEMENT; (C) USE OF THE SERVICES OR SAAS OFFERING IN COMBINATION WITH DATA, SOFTWARE, HARDWARE, EQUIPMENT, OR TECHNOLOGY NOT PROVIDED BY EUNA OR AUTHORIZED BY EUNA IN WRITING; OR (D) MODIFICATIONS TO THE PROFESSIONAL SERVICES OR SAAS OFFERING NOT MADE BY EUNA, PROVIDED THAT CUSTOMER MAY NOT SETTLE ANY THIRD-PARTY CLAIM AGAINST ANY OF THE EUNA GROUP UNLESS EUNA CONSENTS TO SUCH SETTLEMENT, AND FURTHER PROVIDED THAT EUNA WILL HAVE THE RIGHT, AT ITS OPTION, TO DEFEND THE EUNA GROUP AGAINST ANY SUCH THIRD-PARTY CLAIM OR TO PARTICIPATE IN THE DEFENSE THEREOF BY COUNSEL OF ITS OWN CHOICE.

c. Sole Remedy. THIS SECTION SETS FORTH CUSTOMER'S SOLE REMEDIES AND EUNA'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE PROFESSIONAL SERVICES OR SAAS OFFERING INFRINGES, MISAPPROPRIATES, OR OTHERWISE VIOLATES ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

Euna Solutions, Inc. (USA)
1155 Perimeter Center West, Suite 500
Sandy Springs, GA 30338

12. Limitation of Liability.

a. NOTWITHSTANDING OBLIGATIONS SET FORTH IN SECITON 11 (INDEMNIFICATION), IN NO EVENT SHALL EUNA BE LIABLE TO CUSTOMER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE, OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGE WAS FORESEEABLE AND WHETHER OR NOT EUNA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

b. NOTWITHSTANDING OBLIGATIONS SET FORTH IN SECITON 11 (INDEMNIFICATION), IN NO EVENT SHALL EUNAS AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE AGGREGATE AMOUNTS PAID OR PAYABLE TO EUNA PURSUANT TO THE APPLICABLE ORDER FORM IN THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM. ADDITIONALLY, IN NO EVENT WILL EUNA BE LIABLE FOR ANY CLAIM BROUGHT BY CUSTOMER MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION AROSE OR REASONABLY SHOULD HAVE BEEN DISCOVERED.

c. UNDER NO CIRCUMSTANCES SHALL EUNA HAVE ANY LIABILITY OR RESPONSIBILITY FOR THE ACCURACY OF ANY CUSTOMER DATA THAT IS INPUTTED INTO THE SAAS OFFERING.

13. Press Release. The Parties may issue a joint press release announcing the launch of the SAAS Offering and Customer's use thereof. Such press releases shall be subject to Customer's approval. If the Customer provides express permission in advance, during the Term, EUNA may list Customer as a customer of EUNA, and Customer grants EUNA a non-exclusive, royalty-free, worldwide license to use any trademarks, service marks, or trade names of Customer in order to display such marks on EUNA's website and marketing materials.

14. Information Security. Each Party will maintain reasonable administrative, technical and physical safeguards which are consistent with industry standards to protect the security, confidentiality and integrity of, and to protect against threats or hazards to the integrity of, and the unlawful, intentional, unauthorized or accidental destruction, loss, alteration, theft, misappropriation, disclosure, access or use of the other Party's Confidential Information, Intellectual Property, and, (i) in the case of EUNA, the Customer Data, and (ii) in the case of Customer, the SAAS IP. Euna shall report, either orally or in writing, to Customer any Customer Data Compromise, or circumstance that could have resulted in unauthorized access to or disclosure or use of encrypted Customer Data. Euna shall make the report to Customer immediately upon discovery of the unauthorized disclosure, but in no event more than forty-eight (48) hours after reasonable belief there has been such unauthorized use or disclosure.

15. Export of Data.

a. Customer Data. Upon termination, cancellation, expiration, or other conclusion of this Agreement, Customer may request that EUNA remove Customer Data from EUNA's production systems. Customer acknowledges that as part of a commercially reasonable backup strategy, EUNA does maintain long term archival backups that may continue to contain Customer Data after termination of this Agreement. EUNA agrees not to utilize such archival backups for the specific purpose of accessing Customer Data after termination of this Agreement, unless specifically authorized to do so by Customer.

b. Data Extraction. During the Term of this Agreement, Customer may utilize the standard functionality of the SAAS Offering for its intended purpose, including the ability to download data and copies of documents loaded into or generated by the SAAS Offering. Customer shall have the right to retain a copy of all downloaded documents. During the Term of and within thirty (30) days following termination of this Agreement, Customer may request EUNA to provide consulting services to Customer in order to perform a custom extract of Customer data from the SAAS Offering. EUNA will provide the requested

consulting services for an hourly rate set forth in the Order Form or Statement of Work. Custom data extracts will be provided electronically in a text delimited flat file format (or other mutually acceptable format) and will be scrubbed of all EUNA proprietary data structures. Customer and EUNA will work together to determine a list of the specific data elements to be provided, at which point EUNA will provide an estimate of the time required to extract the data. Once the estimate has been provided, if Customer wishes EUNA to proceed with the data extract, Customer will make a mobilization payment of fifty percent (50%) of the estimated amount to EUNA. After receipt of this payment, EUNA will then have thirty (30) days to deliver the data extracts to Customer. Customer shall have thirty (30) days upon receipt of the data to review for acceptance. Upon acceptance, EUNA will provide Customer with a final accounting of hours and Customer shall be responsible for payment of the additional consulting fees.

16. Authorized Reseller Status; Option to Purchase Affiliate Products. GTY Technology Holdings Inc. is the parent company to multiple other SaaS companies under the Euna brand, including Euna Solutions, Inc. in the U.S. (such subsidiaries, "Affiliates"). These Affiliates sell purpose-built products and services for the public sector ("Affiliate Products"). As of the Effective Date, Affiliates include Euna Solutions Inc., CityBase Inc., and Streamlink Software Inc. dba Amplifund. In addition to the products and services that are the subject of this Agreement, Customer has the option to purchase from either Euna, as an authorized reseller, or Affiliates, the Affiliate Products on same terms of the Agreement. Notwithstanding the foregoing, Customer understands that different order forms, statement of work(s), and product specific service level agreements may apply. Customer will be provided the Affiliate's additional product terms and will have the opportunity to review and consent to such terms.

17. Entire Agreement. This Agreement, including and together with the Order Form referencing this SAAS and Services Agreement, and any Statements of Work, policies, and other documents referenced and incorporated herein or in the Order Form, constitutes the sole and entire agreement of the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, regarding such subject matter. The Parties acknowledge and agree that if there is any conflict between the terms and conditions of this Agreement and the terms and conditions of any Order Form, the Order Form followed by the Service Level Policy shall supersede and control. To the extent the Order Form links to legal terms other than this SAAS and Services Agreement or a Statement of Work, those terms shall not apply.

18. Notices. All notices, requests, consents, claims, demands, waivers and other communications under this Agreement must be in writing and addressed to the other Party at its address in the Order Form (or to such other address that the receiving Party may designate from time to time in accordance with this Section). For Notices to EUNA, legal@Eunasolutions.com shall be sent a courtesy email notification. Unless otherwise agreed herein, all Notices must be delivered by personal delivery, nationally recognized overnight courier or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) on receipt by the receiving Party; and (b) if the Party giving the Notice has complied with the requirements of this Section.

19. Severability. If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or provision is invalid, illegal or unenforceable, the court may modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

20. Amendments. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party.

21. Waiver. No waiver by any Party of any of the provisions of this Agreement shall be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver

thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

22. Assignment. Neither Party shall assign, transfer, delegate or subcontract any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party. Any purported assignment or delegation in violation of this Section shall be null and void. No assignment or delegation shall relieve Customer of any of its obligations under this Agreement. Notwithstanding the foregoing, EUNA may assign this Agreement and any of its rights or delegate any of its obligations to any affiliate, subsidiary, or to any person acquiring all or substantially all of EUNA's assets without Customer's consent.

23. Successors and Assigns. This Agreement is binding on and inures to the benefit of the Parties to this Agreement and their respective permitted successors and permitted assigns.

24. Relationship of the Parties. The relationship between the Parties is that of independent contractors. The details of the method and manner for performance of the Services by EUNA shall be under its own control, Customer being interested only in the results thereof. EUNA shall be solely responsible for supervising, controlling, and directing the details and manner of the completion of the Professional Services and the provision of the SAAS Offering. Nothing in this Agreement shall give Customer the right to instruct, supervise, control, or direct the details and manner of the completion of the Professional Services or the provision of the SAAS Offering. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.

25. No Third-Party Beneficiaries. This Agreement benefits solely the Parties to this Agreement and their respective permitted successors and assigns and nothing in this Agreement, express or implied, confers on any other person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

26. Choice of Law.

a. **US CUSTOMERS**: This Agreement and all related documents, and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute are governed by, and construed in accordance with, the Laws of the State of Washington, United States of America, without giving effect to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the Laws of any jurisdiction other than those of the State of Washington, United States of America.

b. **CANADIAN CUSTOMERS**: The rights and obligations of the parties and all interpretations and performance of this Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, Canada, without regard to conflicts of laws principles. The parties agree that the provisions of the United Nations Convention on Contracts for the International Sale of Goods do not apply to this Agreement.

27. Choice of Forum.

a. **US CUSTOMERS**: Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind whatsoever against the other Party in any way arising from or relating to this Agreement, including all exhibits, schedules, attachments and appendices attached to this Agreement, and all contemplated transactions, including contract, equity, tort, fraud and statutory claims, in any forum other than the courts of the State of Washington, and any appellate court from any thereof. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees to bring any such action, litigation or proceeding only in the courts of the State of Washington. Each Party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

b. **CANADIAN CUSTOMERS**: Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind whatsoever against the other Party in any way arising from or relating to this Agreement, including all exhibits, schedules, attachments and appendices attached to this Agreement, and all contemplated transactions, including contract, equity, tort, fraud and statutory claims, in any forum other than the courts of the Province of Ontario, and any appellate court from any thereof. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees to bring any such action, litigation or proceeding only in the courts of the Province of Ontario. Each Party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

28. Export Regulation. Customer shall comply with all applicable Laws, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), that prohibit or restrict the export or re-export of the SAAS Offering or any Customer Data outside the US.

29. WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMEN IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

30. Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

31. Force Majeure. "**Force Majeure Events**" means events beyond a Party's reasonable control, including without limitation acts of nature, labor disputes, the stability or availability of the Internet or a portion thereof, actions by a governmental authority (such as a moratorium on any activities related to this Agreement or changes in Laws), telecommunication or Internet network failures or brown-outs, failures or unavailability of third party systems, networks or software, flood, earthquake, fire, lightning, epidemics, war, acts of terrorism, riots, civil disturbances, sabotage, power grid failures, and denial of service attacks and other hacking attacks. Neither Party shall be liable for any loss, damage or penalty resulting from delays or failures in performance resulting from Force Majeure Events (except for any obligations of Customer to make payments to EUNA hereunder). The Party affected by the Force Majeure Event will promptly notify the other Party and will resume performance when the Force Majeure Event is no longer effective and the impact has been remediated.

32. Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance, and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity, or otherwise.

33. Government Use. The SAAS Offering, Documentation are "commercial items" as that term is defined in FAR 2.101, consisting of "commercial computer software" and "commercial computer software documentation," respectively, as such terms are used in FAR 12.212 and DFARS 227.7202. If the SAAS Offering or Documentation are being acquired by or on behalf of the U.S. Government, then, as provided in FAR 12.212 and DFARS 227.7202-1 through 227.7202-4, as applicable, the U.S. Government's rights in the foregoing will be only those specified in this Agreement. Customer's rights in the SAAS Offering and Documentation are limited to those expressly granted in Section 3.

A. ADDITIONAL INSURED - LESSORS OF LEASED EQUIPMENT

Under **Section II - Who Is An Insured**, the following is added:

Any person or organization that is an equipment lessor is an insured, but only with respect to liability for "bodily injury", "property damage", "personal and advertising injury" caused, in whole or in part, by your acts or omissions in the maintenance, operation or use by you of equipment leased to you by such equipment lessor.

The insurance provided to such equipment lessor does not apply to any "bodily injury" or "property damage" caused by an "occurrence" that takes place, or "personal and advertising injury" caused by an offense that is committed after the equipment lease expires.

B. ADDITIONAL INSURED - OWNERS, MANAGERS OR LESSORS OF PREMISES

Under **Section II - Who Is An Insured**, the following is added:

Any person or organization that is a premises owner, manager or lessor is an insured, but only with respect to liability arising out of the ownership, maintenance or use of that part of any premises leased to you.

The insurance provided to such premises owner, manager or lessor does not apply to:

1. Any "bodily injury" or "property damage" caused by an "occurrence" that takes place, or "personal and advertising injury" caused by an offense that is committed, after you cease to be a tenant in that premises; or
2. Structural alterations, new construction or demolition operations performed by or on behalf of such premises owner, manager or lessor.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

C. ADDITIONAL INSURED - PRIMARY AND NON-CONTRIBUTORY

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

1. The additional insured is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

D. ADDITIONAL INSURED - VENDORS

Under **Section II - Who Is An Insured**, the following is added:

Any person or organization that is a vendor and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury" or "property damage" that:

1. Is caused by an "occurrence" that takes place after you have signed and executed that contract or agreement; and
2. Arises out of "your products" which are distributed or sold in the regular course of such vendor's business.

The insurance provided to such vendor is subject to the following provisions:

1. The limits of insurance provided to such vendor will be the limits which you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.
2. The insurance provided to such vendor does not apply to:
   a. Any express warranty not authorized by you;
   b. Any change in "your products" made by such vendor;
   c. Repackaging, unless unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of part under instructions from the manufacturer, and then repackaged in the original container;
   d. Any failure to make such inspections, adjustments, tests or servicing as vendors agree to perform or normally undertake to perform in the regular course of business, in connection with the distribution or sale of "your products";
   e. Demonstration, installation, servicing or repair operations, except such operations performed at such vendor's premises in connection with the sale of "your products"; or
   f. "Your products" which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or on behalf of such vendor.

Coverage under this provision does not apply to:

1. Any person or organization from whom you have acquired "your products", or any ingredient, part or container entering into, accompanying or containing such products; or
2. Any vendor for which coverage as an additional insured specifically is scheduled by endorsement.

E. ADDITIONAL INSURED - WRITTEN CONTRACT OR AGREEMENT

Under **Section II - Who Is An Insured**, the following is added:

Any person or organization that is not otherwise an insured under this Coverage Part and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury" or "property damage" that:

1. Is caused by an "occurrence" that takes place after you have signed and executed that contract or agreement; and
2. Is caused, in whole or in part, by your acts or omissions in performance of your ongoing operations to which that contract or agreement applies or the acts or omissions of any person or organization performing such operations on your behalf.

The limits of insurance provided to such insured will be the limits which you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.

F. AGGREGATE LIMIT PER LOCATION

1. Under **Section III - Limits Of Insurance,** the following is added:

The General Aggregate Limit applies separately to each of your "locations" owned by or rented or leased to you.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. Under **Section V - Definitions**, the following is added:

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

G. AMATEUR ATHLETIC PARTICIPANTS

Under **Section II - Who Is An Insured**, the following is added:

Any person representing you while participating in amateur athletic activities that you sponsor. However, no such person is an insured for:

1. "Bodily injury" to:

a. A co-participant, your "employee" or "volunteer worker" while participating in amateur athletic activities that you sponsor; or

b. You, any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company), or any "executive officer" (if you are an organization other than a partnership, joint venture, or limited liability company); or

2. "Property damage" to property owned by, occupied or used by, rented to, in the care, custody, or control of, or over which physical control is being exercised for any purpose by:

a. A co-participant, your "employee" or "volunteer worker"; or

b. You, any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company), or any "executive officer" (if you are an organization other than a partnership, joint venture, or limited liability company).

H. BODILY INJURY

Under **Section V - Definitions**, the definition of "bodily injury" is deleted and replaced by the following:

"Bodily injury" means physical injury, sickness, or disease sustained by a person, including death resulting from any of these. "Bodily injury" also means mental injury, mental anguish, humiliation, or shock sustained by a person, if directly resulting from physical injury, sickness, or disease sustained by that person.

I. BROADENED NAMED INSURED

Under **Section II - Who Is Insured**, the following is added:

Any person or organization named in the Declarations and any organization you own, newly acquire or form, other than a partnership, joint venture, or limited liability company, and over which you maintain more than 50% of the interests entitled to vote generally in the election of the governing body of such organization will qualify as a Named Insured if there is no other similar insurance available to such organization until the end of the policy period.

Coverage under this provision does not apply to any person or organization for which coverage is excluded by endorsement.

J. BROADENED PROPERTY DAMAGE - BORROWED EQUIPMENT, CUSTOMERS' GOODS AND USE OF ELEVATORS

The insurance for "property damage" liability is subject to the following:

1. Under **Section I - Coverages**, **Coverage A**, **Bodily Injury and Property Damage Liability**, paragraph **2.**, **Exclusions**, item **j.**, **Damage To Property** is amended as follows:

a. The exclusion for personal property in the care, custody or control of the insured does not apply to "property damage" to equipment you borrow while at a job site and provided it is not being used by anyone to perform operations at the time of loss.

b. The exclusions for:

(1) Property loaned to you;

(2) Personal property in the care, custody or control of the insured; and

(3) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it;

do not apply to "property damage" to "customers' goods" while on your premises nor do they apply to "property damage" arising from the use of elevators at premises you own, rent, lease or occupy.

2. Subject to the Each Occurrence Limit, the most we will pay for "property damage" to "customers' goods" is $25,000 per "occurrence".

3. Under **Section V - Definitions**, the following is added:

"Customers' goods" means goods of your customer on your premises for the purpose of being:

a. Repaired; or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Used in your manufacturing process.

4. Under **Section IV - Commercial General Liability Conditions**, the insurance afforded by this provision is excess over any other valid and collectible property insurance (including any deductible) available to the insured whether such insurance is primary, excess, contingent or on any other basis. Any payments by us will follow the Other Insurance - Excess Insurance provisions.

K. GOOD SAMARITAN SERVICES

1. Under **Section II - Who Is Insured**, paragraph **2.**, item **d.**, the following is added:

   This exclusion does not apply to your employees or volunteer workers, other than an employed or volunteer physician, rendering "Good Samaritan services".

2. Under **Section V - Definitions**, the following definition is added:

   "Good Samaritan services" means any emergency medical services for which no compensation is demanded or received.

L. DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

Under **Section IV - Commercial General Liability Conditions**, paragraph **2.**, **Duties In The Event Of Occurrence, Claim or Suit** is amended to include the following:

1. The requirements that you must:

a. Notify us of an "occurrence" offense, claim or "suit"; and

b. Send us documents concerning a claim or "suit" apply only when such accident claim, "suit" or loss is known to:

(1) You, if you are an individual;

(2) A partner, if you are a partnership;

(3) An executive officer of the corporation or insurance manager, if you are a corporation; or

(4) A manager, if you are a limited liability company.

2. The requirement that you must notify us as soon as practicable of an "occurrence" or an offense that may result in a claim does not apply if you report an "occurrence" to your workers compensation insurer which later develops into a liability claim for which coverage is provided by this policy. However, as soon as you have definite knowledge that the particular "occurrence" is a liability claim rather than a workers' compensation claim, you must comply with the Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition.

M. EXPECTED OR INTENDED INJURY OR DAMAGE (PROPERTY DAMAGE)

Under **Section I - Coverages**, **Coverage A**, **Bodily Injury And Property Damage Liability**, paragraph **2.**, **Exclusions**, item **a.**, **Expected Or Intended Injury**, is deleted and replaced by the following:

a. Expected or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured.

This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

N. DAMAGE TO PREMISES RENTED TO YOU

If damage to premises rented to you is not otherwise excluded from this policy or coverage part, then the following provisions apply:

1. The last paragraph under **2. Exclusions** of **Section I - Coverage A - Bodily Injury And Property Damage Liability** is deleted and replaced by the following:

   Exclusions **c.** through **n.** do not apply to damage by fire, lightning, explosion, "smoke", or leakage from automatic fire protective systems to premises while rented to you or temporarily occupied by you with the permission of the owner, including the contents of premises rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to this coverage as described in **Section III - Limits Of Insurance**.

2. The paragraph immediately after Sub-paragraph **j.(6)** of Paragraph **2. Exclusions** of **Section I - Coverage A - Bodily Injury And Property Damage Liability** is deleted and replaced by the following:

   Paragraphs **(1)**, **(3)** and **(4)** of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion, "smoke", or leakage from automatic fire protective systems) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in **Section III - Limits Of Insurance**.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. Paragraph **6.** of **Section III - Limits Of Insurance** is deleted and replaced by the following:

   6. Subject to Paragraph **5.** above, the greater of:

   a. $500,000; or

   b. The Damage To Premises Rented To You Limit shown in the Declarations;

   is the most we will pay under Coverage **A** for damages because of "property damage" to premises while rented to you, or in the case of damage by fire, lightning, explosion, "smoke", or leakage from automatic fire protective systems, while rented to you or temporarily occupied by you with permission of the owner, including the contents of such premises rented to you for a period of seven or fewer consecutive days.

4. Subparagraph **b.(1)(a)(ii)** of Paragraph **4. Other Insurance** of **Section IV - Commercial General Liability Conditions** is deleted and replaced by the following:

   (ii) That is fire, lightning, explosion, "smoke" or leakage from automatic fire protective systems insurance for premises rented to you or temporarily occupied by you with permission of the owner, or for personal property of others in your care, custody or control;

5. Subparagraph **a.** of Definition **9.** "Insured contract" of **Section V - Definitions** is deleted and replaced by the following:

   a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning, explosion, "smoke" or leakage from automatic fire protective systems to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract".

6. As used in this provision "smoke" does not include smoke from agricultural smudging, industrial operations or a "hostile fire".

O. MEDICAL PAYMENTS

1. Under **Section I - Coverages**, **Coverage C**, **Medical Payments**, paragraph **1.**, **Insuring Agreement**, the requirement that expenses are incurred and reported to us within one year of the date of the accident is changed to three years.
2. The Medical Expense Limit is $15,000 per person or the amount shown in the Declarations as the Medical Expense Limit, whichever is greater.
3. This provision **O.** does not apply if **Coverage C**, **Medical Payments**, is otherwise excluded either by the provisions of the Coverage Form or by endorsement.

P. NON-OWNED AIRCRAFT

1. Under **Section I - Coverages**, **Coverage A**, **Bodily Injury and Property Damage Liability**, item **2.**, **Exclusions**, item **g.**, **Aircraft, Auto Or Watercraft**, does not apply to an aircraft that is:

   a. Hired, chartered or loaned with a paid crew; and

   b. Not owned by any insured.

2. The insurance afforded by this provision **P.** is excess over any other valid and collectible insurance (including any deductible or Self Insured Retention) available to the insured, whether such insurance is primary, excess, contingent or on any other basis. Any payments by us will follow the Other Insurance - Excess Insurance provisions in the Commercial General Liability Conditions.

Q. NON-OWNED WATERCRAFT

1. Under **Section II - Who Is Insured**, is amended as follows:

   To include as an insured for any watercraft that is covered by this policy, any person who, with your expressed or implied consent, either uses or is responsible for the use of a watercraft. However, no person or organization is an insured with respect to:

   a. "Bodily injury" to a co-"employee" of the person operating the watercraft; or

   b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.

2. In the exception to the **Aircraft, Auto Or Watercraft** exclusion under **Coverage A**, **Bodily Injury And Property Damage Liability**, the limitation on the length of a watercraft is increased to 75 feet.
3. The insurance afforded by this provision **Q.** is excess over any other valid and collectible insurance (including any deductible or Self Insured Retention) available to the insured, whether such insurance is primary, excess, contingent or on any other basis. Any payments by us will follow the Other Insurance - Excess Insurance provisions in the Commercial General Liability Conditions.

R. NEWLY ACQUIRED OR FORMED ORGANIZATIONS

Under **Section II - Who Is An Insured**, item **3.a.** is deleted and replaced by the following:

a. Coverage under this provision is afforded only until the end of the current policy period.

S. SUPPLEMENTARY PAYMENTS

Under **Section I - Coverages**, **Supplementary Payments - Coverages A and B** is amended as follows:

1. The limit for the cost of bail bonds is amended to $2,500; and
2. The limit for reasonable expenses incurred by the “insured” is amended to $500 a day.

T. UNINTENTIONAL OMISSION

Under **Section IV - Commercial General Liability Conditions**, paragraph **6.**, **Representations**, the following is added:

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

U. WAIVER OF SUBROGATION - BLANKET

Under **Section IV - Commercial General Liability Conditions**, paragraph **8.**, **Transfer of Rights of Recovery Against Others to Us** the following is added:

We will waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of your ongoing operations done under a written contract or agreement with that person or organization and included in “your work” or the "products-completed operations hazard". This waiver applies only to persons or organizations with whom you have a written contract, executed prior to the “bodily injury” or “property damage”, that requires you to waive your rights of recovery.

INTERLOCAL AGREEMENT FOR
ANIMAL CARE AND CONTROL SERVICES
IN THE CITY OF SPOKANE

THIS AGREEMENT, made and entered into by and between **Spokane County**, a political subdivision of the State of Washington, having offices for the transaction of business at 1116 West Broadway Avenue, Spokane, Washington 99260, hereinafter referred to as "COUNTY," and City of Spokane**,** a municipal corporation of the State of Washington, having offices for the transaction of business at 808 W Spokane Falls Blvd., Spokane, Washington 99201, hereinafter referred to as "CITY," (hereinafter individually referred to as "PARTY" and jointly referred to as the "PARTIES.")

W I T N E S S E T H:

WHEREAS, pursuant to the provisions of RCW 36.32.120(6), the Board of County Commissioners of Spokane County, Washington has the care of County property and the management of County funds and business; and

WHEREAS, chapter 39.34 RCW (Interlocal Cooperation Act), authorizes counties and cities to contract with each other to perform certain functions which each may legally perform; and

WHEREAS, pursuant to RCW 36.32.120(7), the Board of County Commissioners of Spokane County may enact ordinances dealing with animal control within the unincorporated areas of Spokane County; and

WHEREAS, the **City of Spokane** may enact ordinances dealing with animal control within its boundaries; and

WHEREAS, Spokane County has established an Animal Control Department managed by an Animal Protection Director and maintains an animal Care and Control facility through Spokane County Regional Animal Protection Services ("SCRAPS") that provides animal control and enforcement as authorized by RCW 16.52.015 and RCW 16.52.011(2)(c); and

WHEREAS, the **City of Spokane** desires to employ the services of Spokane County to perform certain animal control functions within the boundaries of the **CITY.**

NOW THEREFORE for and in consideration of the mutual promises set forth hereinafter the PARTIES do mutually agree as follows:

<u>SECTION NO. 1:</u> PURPOSE

The purpose of the Agreement is to reduce to writing the PARTIES' understanding as to the terms and conditions under which COUNTY, through its Animal Care and Control Agency "SCRAPS" will provide "Animal Control Services" to CITY within its boundaries. It is the intent of the PARTIES that Animal Control Services to be provided by COUNTY will be consistent with the

DRAFT

CITY's Strong Mayor-City Council form of government provided for in Spokane City Charter Section 4 chapter and within the statutory responsibilities of a CITY Animal Care and Control Agency and as defined by RCW 16.52.011 and in RCW 16.52.015.

For the purpose of this Agreement, Animal Control Services shall encompass the duties and functions which the SCRAPS customarily provides within the unincorporated areas of Spokane County. Said services shall include:

1. Enforcement of CITY's Animal Control Ordinance;
2. Enforcement of CITY's Inherently Dangerous Mammals/Reptiles Ordinance;
3. Enforcement of CITY's Dangerous Dog Ordinances and applicable 16.08 RCW
4. Enforcement of chapter 16.52 RCW (Prevention of Cruelty to Animals);
5. Enforcement of chapter 16.54 RCW (Abandoned Animals)

Enforcement includes those items set forth in ATTACHMENT "A" SCOPE OF SERVICES, attached hereto and incorporated by reference, as they relate to Animal Control Services which include: (1) Animal Control Services, (2) Animal Care and Control Facility Services, (3) Animal Control Ordinance/ Licenses/ Fees/ Penalties Services, (4) Citizen Complaint Process, and (5) Activity Specific Reporting Services.

COUNTY, at its discretion, may conduct surveys within CITY for unlicensed dogs and cats.

To the extent it has not already done so, the CITY shall promptly enact an ordinance or resolution that includes license, fee, penalty, enforcement, appeal, impound redemption and animal care and control facility provisions that are substantially the same as those of Title 5 Spokane County Code as now in effect or hereafter amended. The CITY shall advise the COUNTY of any CITY animal control ordinances that differ from those of the COUNTY and of any amendments to the CITY Animal Control Ordinance adopted subsequent to the effective date of this Agreement.

If a conflict arises between CITY's Animal Control Ordinance and COUNTY's Animal Control Ordinance, COUNTY's ordinance shall govern. COUNTY and COUNTY Animal Protection Officers shall incur no legal or contractual obligation to enforce CITY Animal Control Ordinances that contradict COUNTY Animal Control Ordinances unless expressly enumerated in this Agreement.

COUNTY shall provide CITY with a copy of Chapter 5.04 and Chapter 5.12 of the Spokane County Code and all subsequent modifications/amendments thereto. CITY shall provide COUNTY with copies of its adopted/amended Ordinances substantially identical to Chapters 5.04 and 5.12 of the Spokane County Code.

CITY shall authorize the COUNTY to act on its behalf in undertaking the following:

1. Determining the eligibility for and issuing licenses under the terms of the CITY Ordinance, subject to the conditions set forth in such laws. COUNTY license fees are currently codified in SCC 5.04.030. CITY may set a higher license fee following the terms specified in this Agreement.

DRAFT

2. Enforcing the terms of the City Ordinance, including the power to issue enforcement notices and orders and to deny, suspend or revoke licenses issued thereunder.
3. Conducting administrative appeals of those COUNTY licensing determinations made and enforcement actions taken on behalf of the CITY. Such appeals shall be conducted by the CITY's Hearing Examiner or following the COUNTY's administrative appeals procedure or office on behalf of the CITY unless either the CITY or the COUNTY determines that the particular matter should be heard by the CITY.

CITY shall provide legal counsel to prosecute and defend on appeal any civil infractions, administrative hearings, and, if applicable, municipal criminal violations that are to be heard in CITY's municipal court, hearing examiner, or similar CITY adjudicative entity. Criminal violations under the Revised Code of Washington or Spokane County Code shall be referred to the Spokane County Prosecutor's Office. The COUNTY shall provide legal counsel to prosecute all felonies.

In performing the above services, COUNTY will provide such personnel, as it deems necessary as well as all vehicles and materials of any kind or nature whatsoever at no additional cost outside service fees to CITY.

Standards of performance, discipline of employees, and other matters incidental to providing such Animal Control Services to include control/supervision of personnel shall remain in COUNTY. All persons employed in the performance of Animal Control Services shall be COUNTY employees. COUNTY SCRAPS Director agrees to meet and confer with CITY with respect to staff assigned to provide Animal Control Services. Issues of discipline or performance will be specifically left to COUNTY. Nothing herein contained shall make any employee of COUNTY an employee of CITY.

SECTION NO. 2: DURATION

This Agreement shall have an "effective date" of January 1, 2026 and expire on December 31, 2030 unless terminated as outlined in Section 10.

SECTION NO. 3: COST OF SERVICES AND PAYMENTS

CITY shall pay COUNTY the actual costs for Animal Control Services provided under this Agreement, pursuant to the terms and conditions set forth in ATTACHMENT "B" COSTS AND PAYMENT, attached hereto and incorporated by reference.

SECTION NO. 4: EXTRAORDINARY COSTS

In the event of unplanned and/or unbudgeted for and significant expenses related to the provision of Animal Control Services, CITY shall be financially responsible for the associated expenses. Unplanned for Animal Control Services that may result in the accrual of extraordinary costs may include but are not limited to the legal seizure or impound of CITY animals necessitating extended on-site holding, offsite boarding, or non-routine veterinary care. Notice of any extraordinary costs will be given pursuant to the Section NO. 5: NOTICE.

SECTION NO. 5: NOTICE

All notices or other communications given hereunder shall be deemed given on: (i) the day such notices or other communications are received when sent by personal delivery; or (ii) the third day following the day on which the same have been mailed by first class delivery, postage prepaid addressed to the PARTIES at the address set forth below for such Party, or at such other address as the PARTIES shall from time-to-time designate by notice in writing to the other Party:

SECTION NO 6: COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original, but such counterparts shall together constitute but one and the same.

SECTION NO. 7: ASSIGNMENT

No PARTY may assign in whole or in part its interest in this Agreement without the approval of all other PARTIES.

SECTION NO. 8: LIABILITY

COUNTY and CITY shall be responsible for damage to persons or property resulting from negligence on the part of itself, its employees, agents, or its officers. Neither COUNTY nor CITY assumes any responsibility to the other PARTY for the consequences of any act or omission of any person, firm or corporation not party to this Agreement.
COUNTY will indemnify and hold CITY harmless from any and all loss, claim or damage including but not limited to reasonable attorney's fees, demands, losses and liabilities to or by third parties, to the extent arising from the negligent acts of omissions of COUNTY's employees, agents, and officers.

DRAFT

CITY will indemnify and hold COUNTY harmless from any and all loss, claims or damage, including but not limited to reasonable attorney's fees, demands, losses and liabilities to or by third parties, to the extent arising from the negligent acts and omissions of CITY's employees, agents, and officers.

SECTION NO. 9: RELATIONSHIP OF THE PARTIES

The PARTIES intend that an independent contractor relationship will be created by this Agreement. No agent, employee, servant or representative of COUNTY shall be deemed to be an employee, agent, servant or representative of CITY for any purpose. Likewise, no agent, employee, servant or CITY representative shall be deemed to be an employee, agent, servant or representative of COUNTY for any purpose.

SECTION NO. 10: MODIFICATION/TERMINATION

This Agreement may be modified in writing by agreement of both PARTIES.

CITY may terminate this Agreement for convenience by notifying COUNTY no later than July 1st that it intends to terminate this agreement for the following calendar year. Should CITY provide notice, the date of termination shall be December 31. Written notice may be provided by email and/or other electronic means.

COUNTY may terminate this Agreement by providing CITY written notice of its intent to terminate this Agreement 90 days prior to the intended date of termination. Written notice may be provided by email and/or other electronic means.

Upon termination, CITY shall be obligated to pay for only those Animal Control Services rendered prior to the date of termination based upon a pro rata division of those costs Attachment "B", attached hereto and incorporated by reference.

Upon termination, at CITY's option, COUNTY shall continue to provide Animal Control Services to completion for those criminal/infraction cases filed prior to the effective date of termination, pursuant to Attachment "B", attached hereto and incorporated by reference.

SECTION NO. 11: PROPERTY AND EQUIPMENT

The ownership of all property and equipment utilized by COUNTY in providing Animal Control Services shall remain with COUNTY unless specifically and mutually agreed by the PARTIES.

SECTION NO. 12: ALL WRITINGS CONTAINED HEREIN/BINDING EFFECT

This Agreement contains terms and conditions agreed upon by the PARTIES. The PARTIES agree that there are no other understandings, oral or otherwise, regarding the subject matter of this Agreement. No changes or additions to this Agreement shall be valid or binding upon the PARTIES unless such change or addition is in writing, executed by the PARTIES. This Agreement shall be binding upon the PARTIES hereto, their successors and assigns.

DRAFT

SECTION NO. 13: DISPUTE RESOLUTION

Any dispute or controversy arising out of or relating to this Agreement, or breach thereof, shall be settled by the following procedure:

Level 1: Before entering into Level 2 or Level 3 of this Dispute Resolution Procedure (DRP), designated representatives of each Party shall enter into a series of meetings for the purpose of resolving the dispute or controversy. The Level 1 period shall begin when one Party gives written notice to the other by certified mail, personal, or electronic service. Such notice shall identify the dispute or controversy with particularity and state that the Party is commencing this Level 1 procedure to resolve the dispute. After receipt of such notice the Parties shall meet either in person or through electronic means. Should the dispute not be resolved within thirty (30) calendar days of the commencement of the Level 1 period, the dispute shall be advanced to Level 2.

Level 2: Only after the Parties have completed Level 1 of the DRP without resolving the dispute or controversy and before entering into Level 3 of the DRP, the Parties shall enter into a mediation process. Each Party shall bear its own costs in preparing for and conducting mediation, except that the joint costs, if any, of the actual mediation proceeding shall be shared equally by the Parties. The Parties shall select a mutually agreeable mediator in Spokane County, Washington to aid the Parties in resolving the dispute or controversy. The mediator shall be a licensed attorney in the State of Washington and not be an employee or former employee of either Party. The mediation shall be held at a mutually agreeable date, time, and location. The Parties shall act in good faith as to resolving disputes through mediation.

Level 3: Only after the completion of both Levels 1 and 2 above without a satisfactory resolution of the dispute or controversy, either party may bring suit in in the courts of competent jurisdiction within Spokane County, Washington.

If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, court costs, and all expenses (including taxes) even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

SECTION NO. 14: VENUE STIPULATION

This Agreement has been and shall be construed as having been made and delivered within the State of Washington and it is mutually understood and agreed by each Party that this Agreement

DRAFT

shall be governed by the laws of the State of Washington both as to interpretation and performance. Any action at law, suit in equity or judicial proceeding for the enforcement of this Agreement, or any provision hereto, shall be instituted only in court of competent jurisdiction within Spokane County, Washington.

SECTION NO. 15: SEVERABILITY

It is understood and agreed among the PARTIES that if any parts, terms or provisions of this Agreement are held by the courts to be illegal, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the PARTIES shall not be affected regarding the remainder of the Agreement. If it should appear that any part, term or provision of this Agreement conflicts with any statutory provision of the State of Washington, then the part, term or provision thereof that may be in conflict shall be deemed inoperative and null and void insofar as it may be in conflict therewith and this Agreement shall be deemed to modify to conform to such statutory provision.

SECTION NO. 16: HEADINGS

The section headings appearing in this Agreement have been inserted solely for convenience and ready reference. In no way, do they purport to, and shall not be deemed to define, limit or extend the scope or intent of the sections to which they pertain.

SECTION NO. 17: DESIGNATION OF ADMINISTRATOR

COUNTY appoints the COUNTY SCRAPS Director or his/her designee as its agent for the purposes of administering the terms of this Agreement. COUNTY SCRAPS Director agrees to meet with CITY on a periodic basis agreeable to both PARTIES, but no less than one time per year, to review the services being provided herein. The Animal Protection Director or his/her designee will immediately notify the CITY Mayor or his/her designee of any Animal Control emergency within CITY.

SECTION NO. 18: RECORDS

All public records prepared, owned, used or retained by COUNTY and/or SCRAPS in conjunction with providing Animal Control Services under the terms of this Agreement shall be deemed County property and shall be made available to CITY upon request by CITY Mayor. COUNTY or SCRAPS will notify CITY of any public disclosure request under chapter 42.56 RCW for copies or viewing of such records as well as COUNTY'S response thereto.

SECTION NO. 19: ASSURANCE

COUNTY represents and assures CITY that no other city will receive more favored treatment in receipt of Animal Control Services than made available to CITY for similar services.

DRAFT

SECTION NO. 20: EXECUTION AND APPROVAL

The PARTIES warrant that the officers executing below have been duly authorized to act for and on behalf of the party for purposes of confirming this Agreement.

SECTION NO. 21: NO THIRD-PARTY BENEFICIARIES

Nothing in this Agreement is intended to give, or shall give, whether directly or indirectly, any benefit or right, greater than that enjoyed by the public, to third persons.

SECTION NO. 22: MONTHLY REPORT

The SCRAPS Director shall prepare a monthly performance and service utilization report. The monthly performance and service utilization report shall include, among other matters, performance measurements/indicators such as annual number of pet licenses sold/issued, calls for service, emergency calls, and animal impounds.

SECTION NO. 23: RCW 39.34 REQUIRED CLAUSES

a) **PURPOSE:** See Section No. 1 above.

b) **DURATION:** See Section No. 2 above.

c) **ORGANIZATION OF SEPARATE ENTITY AND ITS POWERS**: No new or separate legal or administrative entity is created to administer the provisions of this Agreement.

d) **RESPONSIBILITIES OF THE PARTIES**: See provisions above.

e) **AGREEMENT TO BE FILED**: This Agreement shall be listed by subject on each Party's web site or other electronically retrievable public source.

f) **FINANCING**: Each party shall be responsible for the financing of its contractual obligations under its normal budgetary process.

g) **TERMINATION:** See Section No. 10 above.

h) **PROPERTY UPON TERMINATION**: See Section No. 10 above.

ATTACHMENT "A" SCOPE OF SERVICES

The COUNTY through the Spokane County Regional Animal Protection Service ("SCRAPS") will provide Animal Control Services to the CITY within the CITY's boundaries. The COUNTY shall enforce CITY animal control ordinances within the CITY's boundaries as City's contracted animal authority as authorized in RCW 16.52.015 and RCW 16.52.011(2)(c).

For the purpose of this Agreement, Animal Control Services shall include:

1. Enforcement of CITY's Animal Control Ordinance as consistent with COUNTY's Animal Control Ordinances;
2. Enforcement of CITY's Inherently Dangerous Mammals/Reptiles Ordinance as consistent with COUNTY's Animal Control Ordinances;
3. Enforcement CITY's Dangerous Dog Ordinances and applicable 16.08 RCW;
4. Enforcement of chapter 16.52 RCW (Prevention of Cruelty to Animals);
5. Enforcement of chapter 16.54 RCW (Abandoned Animals)

Animal Control Services include: (1) Animal Control Services, (2) Animal Care and Control Facility Services, (3) Animal Control Ordinance/ Licenses/ Fees/ Penalties Services, (4) Citizen Complaint Process, and (5) Activity Specific Reporting Services

(1) ANIMAL CONTROL SERVICES

Animal Control Services include the operation of a customer service center, the dispatch of Animal Protection Officers in response to calls, and the handling of calls in the field by Animal Protection Officers including the collection and delivery of animals to the SCRAPS Animal Care and Control Facility.

A. Customer Service Center

i. The County will operate an animal control and protection customer service center five days every week.(excluding holidays and County-designated furlough days, if applicable) for a minimum of seven and a half (7.5) hours per day (normal business hours). The County may adjust the days of the week the customer service center operates to match the operating hours of field operation service days.

ii. The animal control customer service center will provide callers with guidance, education, options and alternative resources if appropriate for the given situation.

iii. When the customer service center is not in operation, callers will hear a recorded message stating, if they are reporting a non-emergency to either leave a voice message, submit an online message, or call back during regular business hours. In the case of an emergency, the callers will be transferred to an after-hours customer service center to file an emergency report. The customer service center will contact an Animal Protection Officer to relay incidents classified as an emergent situation.

B. Animal Protection Officers (APO)

i. The County will divide the area receiving Animal Control Services into service areas. Animal Control service areas will be maintained by SCRAPS and subject to change based on jurisdictional needs and operational adjustments. An example of service areas will be maintained on SCRAPS website. The County shall ascertain appropriate staffing levels for service areas. City may consult with the County regarding City's needs to help County appropriately allocate APO services to the service area and help meet City's needs.

ii. The County shall make reasonable efforts for an APO to respond to high priority calls during regular APO service hours on the day such a call is received. The County shall retain full discretion as to the order in which high priority calls are responded. High priority calls include those calls that pose an emergent danger to the community. Emergent means the totality of the circumstances indicate the need for immediate attention and urgency based on behavior of the animal demonstrating a present and/or developing risk of harm to the community including:

- Emergent animal bite
- Emergent dangerous dog
- Emergent injured animal
- Law enforcement (LE)/fire assist (i.e., dispatch) calls or specific LE requests (Example; Owner arrested/hospitalized no person available to provide care to the animal during owner/keeper's absence.)
- Emergent animal cruelty

iii. Lower priority calls include all calls that are not high priority calls. These calls will be addressed by an APO or customer service center staff over the telephone, referral to other resources, or by dispatching an APO as necessary or available, as determined necessary and appropriate in the sole discretion of the County. Particularly in the busier seasons of the year (spring through fall), lower priority calls may only receive a telephone response from the Animal Protection Officer or customer service center. Lower priority calls are non-emergent requests for service, including but not limited to:

- Non-emergent high priority events
- Patrol request: APO requested to patrol a specific area due to possible animal control code violations,
- Dog or Cat at Large
- Stray Dog or Cat Confined
- Barking Dog
- Deceased Dog or Cat

DRAFT

iv. The following Animal Control Service resources will be available for dispatch into any service area as the County deems appropriate.

1. A Field Operations Manager will provide oversight of and backup for APOs.
2. Staff will be available to perform animal cruelty investigations, to respond to animal cruelty cases, and to prepare related reports (subject to vacation/sick leave/training/etc.).
3. Not less than 1 APO will be on call every day at times that are not regular APO service hours (including the days per week that are not included within regular APO service hours), to respond to high priority calls posing an extreme life and safety danger, as determined by the County. These services are referred to as Emergency Services Examples include but are not limited to

    - Emergent Injured Animal
    - Emergent Aggressive Dog at Large
    - Emergent Animal Bite
    - Law Enforcement or Fire Department Assist (Example; Owner arrested or hospitalized no person available to provide care during owner's absence)

4. The Parties understand that rural areas of the County will generally receive a less rapid response time from APOs than urban areas.

v. Animal Protection Officers are tasked with investigating and enforcing the state and local animal control ordinances . APOs are responsible for issuing warnings, infractions, citations, and writing/executing search warrants as it pertains to enforcement of the local and state animal control ordinances. Examples of call types that animal protection officers respond to include but are not limited to the following.

- Barking Investigation
- Bite Investigation
- No Rabies Vaccination
- Cat at Large
- Dog at Large
- Dog/Cat Exhibiting Vicious Propensities
- Dog Chasing Vehicle
- Dogs Running in Pack
- Dangerous Dog Declaration
- Dangerous Dog Inspection
- Dangerous Dog Violation
- Potentially Dangerous Dog Declaration
- Potentially Dangerous Dog Violation
- Unlicensed Dog/Cat
- Illegal Kennel

DRAFT

- Private Kennel Inspection
- Commercial Kennel Inspection
- Public Nuisance
- Inherently Dangerous Mammals/Reptiles Inspection
- Inherently Dangerous Mammals/Reptiles Violation
- Park Patrol
- Failure to Report Hit-By-Car Animal
- Theft of Pet
- Animal Cruelty
- Animal Fighting
- Animal Neglect
- Abandoned Animal
- Illegal Tethering
- Unsafe Confinement
- Animals Unattended in Vehicle/Enclosed Space

COUNTY will recognize the following performance measures pertaining to Animal Control Services and shall attempt to monitor the following to better improve its services:

- Volume of and average response time to high priority calls.
- Volume of and average response time to low priority calls.

(2) ANIMAL CARE AND CONTROL FACILITY SERVICES

Facility services involve caring for and placing abandoned, stray, abused, and/or neglected dogs, cats, and sometimes other domesticated animals within capacity and capacity for care limitations utilizing Association of Shelter Veterinarian guidelines or other noted best practices at the discretion of the SCRAPS Director. The Public Service Counter at the facility will be open to the public not less than 30 hours per week and not less than 5 days per week, excluding holidays and COUNTY designated furlough days, for purposes of pet redemption, adoption, sales services and (as may be offered from time to time) animal surrenders. The Public Service Counter at the facility may be open for additional hours if practicable within available resources. Facility services include:

- Post-impound animal care includes foster placement and/or in-facility housing, daily feeding and cleaning, behavior/personality assessment (if deemed necessary), enrichment, and routine veterinary care;
- The County will maintain a volunteer/foster care function at the Facility to encourage use of volunteers working at the facility and use of foster families to provide fostering/transitional care between facility and permanent homes for adoptable animals;
- Veterinary services will be provided to only those animals in SCRAPS possession and will include animal exams, treatment and minor procedures, spay/neuter and sometimes other surgeries. Limited emergency veterinary services will be available

DRAFT

during non-business hours, through third-party contractors, and engaged if and when the County determines necessary;

- Animal placement includes reunification with owners (redemptions), adoption into new homes, and transfer to partner animal rescue organizations;
- Animals deemed "dangerous" pursuant to the Spokane County Code are quarantined and held pending adjudication and/or compliance with legal restrictions;
- Operating policies, codes, public fee structures, and partnerships are aimed at reducing the number of animals impounded and minimizing their lengths of stay. Efforts to reduce the animals impounded include only accepting owner surrendered animals in exigent circumstances or at the SCRAPS Director's discretion.
- Operations include the maintenance of a crematorium or other means to properly dispose of deceased animals;
- The County will maintain a pet license program to comply with Spokane County Code Title 5;

The operating policy of SCRAPS will be to restrict euthanasia to only those cases which are authorized consistent with Spokane County Code Title 5. No euthanasia will be performed without the express approval of the SCRAPS Director. The COUNTY shall publish SCRAPS Euthanasia Animal Control Policy. CITY recognizes SCRAPS euthanasia policy authorizes euthanasia when legally mandated, in the interests of public safety for dangerous animals, in cases of behavioral issues, or when issues with the physical health of the animal require euthanasia. SCRAPS agrees to take all reasonable steps to avoid euthanasia of animals due to lack of physical capacity in its facility. These thresholds will be established in SCRAPS euthanasia policy. If CITY disagrees with COUNTY's euthanasia practices or policies, CITY and COUNTY shall confer on mutually agreeable solutions. If CITY remains unsatisfied, CITY may terminate this Agreement consistent with the outlined termination for convenience procedures.

The COUNTY is encouraged to transfer animals impounded from within the city of Spokane to sanctuaries, rescues, care facilities and shelters to reduce shelter capacity at SCRAPS. If animals that originated from CITY are to be euthanized solely due to lack of capacity, absent extraordinary circumstances SCRAPS shall provide CITY at least three (3) business days' notice, as notice is defined in Section 5 of this Agreement, prior to euthanasia for lack of physical capacity for any animal originated in the CITY. If CITY objects to euthanasia due to capacity, it shall respond before the three-day period expires, at which point it shall take ownership of the animals in question to arrange transfer or disposition. If CITY does not respond or cannot provide an alternative location to transfer the animals, CITY shall have forfeited rights to the animals in question.

(3) ANIMAL CONTROL ORDINANCE/ LICENSES/ FEES/ PENALTIES SERVICES

In conjunction with the enforcement of the CITY'S Animal Control Ordinance, the CITY shall adopt and keep current by appropriate legislative action an Animal Control Ordinance substantially identical to that adopted by the COUNTY as it presently exists or as it may hereinafter be

modified/amended, to include all licenses/fees/penalties. This responsibility shall not be deemed a restriction upon the CITY's legislative power. The CITY may enact ordinances dealing with animal control within its boundaries. All revenues realized from licenses/fees/penalties collected by the COUNTY or SCRAPS shall be retained by SCRAPS. CITY may specify higher license fee for animals in its jurisdiction than currently defined in SCC 5.04.030 so long as it provides written notice to COUNTY and a reasonable time to implement the fee increase. CITY shall bear the costs of system changes or any additional costs borne by the COUNTY solely for COUNTY's cost to implement CITY's higher license fees. COUNTY shall attempt to notify CITY regarding an estimate of this cost. Unless otherwise specified by CITY, additional license fees collected for CITY shall to offset CITY's cost of services for SCRAPS. In case of any other financial arrangements desired by CITY, it shall specify how it intends the funds to be collected and must bear the reasonable costs of establishing and implementing the systems to do so.

The COUNTY shall provide the CITY with a copy of its Animal Control Ordinance presently codified in Chapter 5.04 of the Spokane County Code and all subsequent modifications/amendments thereto. The CITY shall provide the COUNTY with copies of its adopted/amended Animal Control Ordinance substantially identical to Chapter 5.04 of the Spokane County Code.

The CITY shall provide legal counsel to prosecute any citations/complaints issued by the COUNTY in providing Services in any court of lawful jurisdiction except if the enforcement constitutes a felony or is filed in the Spokane County District Court for prosecution by the Spokane County Prosecutor's Office.

The COUNTY may conduct surveys within the CITY for unlicensed dogs and cats.

In performing Animal Control Services, the COUNTY will provide all necessary personnel, vehicles, and materials.

(4) CITIZEN SERVICE COMPLAINT PROCESS

Any CITY concern regarding the provision of services under this Agreement may be forwarded to the Advisory Board (see "Exhibit C") for consideration at their next scheduled meeting. Failure to resolve the concern by the Advisory Board shall result in the concern being immediately forwarded to the CEO for resolution. If the CITY is not satisfied by the decision of the CEO, it may seek dispute resolution pursuant to SECTION No. 17.

(5) ACTIVITY SPECIFIC REPORTING SERVICES

Activity-specific statistics shall be shared monthly with CITY and include the following:

- The number of requests for service by type.
- The number of impounded animals, their disposition and reason for euthanasia.
- The number of emergency requests for service.

ATTACHMENT "B" COSTS AND PAYMENT

CALCULATION OF COST

CITY shall pay COUNTY the actual costs for Animal Control Services provided under this agreement. The cost for Animal Control Services under this Agreement shall be calculated as follows:

Cost of Service = (SCRAPS Prior Month Actual Expenses x Percentage (%) of CITY Activity Study {Prior Month}) – Prior Month Licensing Revenue Fees for CITY

Attachment's B-1, B-2 and B-3 are attached for illustrative purposes of how SCRAPS determines a percentage of service for a year. Under this Agreement, SCRAPS shall determine CITY Activity study on a monthly basis for its calculation of cost.

EXAMPLE: Cost of Service for Spokane County = ($262,127 x 21.77%) - $19,451.00 = $37,614.05 for September 2025.

CITY shall pay COUNTY based upon the Cost of Service calculation.

BILLING

COUNTY will bill CITY by the 15th of the month immediately following the month of service. The invoice to CITY will be due to the COUNTY by the 5th day of the following month.

CAPITAL IMPROVEMENTS

Capital expenses will be identified and included in the budget process; proposed budget and capital for the following budget year will be provided to CITY by end of Quarter 3. Depreciation over asset useful life will be calculated; CITY will reimburse cost based on percentage of CITY Activity Study and will be included in monthly invoice.

METHOD OF PAYMENT

The CITY agrees to make payment in the amount and manner stipulated herein and in amount(s) specified under CALCULATION OF COST – ATTACHMENT "B" COSTS AND PAYMENT.

A. The method of payment will be at the CITY's sole discretion using any of the methods listed below. The annual cost submitted by the COUNTY and accepted by the CITY is inclusive of

DRAFT

applicable payment terms, as well as any and all fees incurred by the vendor through their financial institutions in accepting any of the above referenced payment methods. No additional fees or charges to the COUNTY shall apply, unless otherwise preapproved by the COUNTY.

The method of payment options that the CITY may use, at its sole discretion, are:

1. Automated Clearing House (ACH); or
2. Electronic Payment ("E-Payment" or "ePayables").

B. Unless the PARTIES agree otherwise, pay requests will be numbered sequentially beginning with "Pay Request 1". If the billing cannot be identified or the charges correlated with this Agreement it shall be returned without action.

C. Date of payment of an invoice shall be the date appearing on the warrant issued in payment of the invoice.

D. Moneys past due may bear a finance charge as stipulated by law. The current rate is 1% per month.

E. Identification of final invoice: In order for both Parties to close their books and records, COUNTY will clearly state "FINAL INVOICE" on the COUNTY's final/last billing to the CITY. This certifies that all services have been properly performed and all applicable charges and costs have been invoiced to the CITY.

Attachment "C" SCRAPS ADVISORY BOARD

Meetings

- Meet: Once every 2 months
- Location: 6815 E. Trent Ave. Spokane Valley WA 99212
- Time: TBD

Member Specifications

- Current Members: Posted on Spokane County website
- Term: Posted on Spokane County website

Details:

The SCRAPS Advisory Board (Advisory Board) will consist of seven (7) members. The seven members shall consist of two individuals representing Spokane County, two individuals from each of the two largest municipal ILA holders, and one representative for the remaining cities and towns that contract for animal control services with the County. The Board of County Commissioners shall select two members by vote. County shall identify the two largest municipal ILA holders by population. These municipalities shall each select two members for the Advisory Board. The remaining municipalities shall consult to nominate a member for the Advisory Board. If the municipalities cannot select a single individual, they shall propose candidates to the Advisory Board to select a member from amongst the group of candidates. A majority of the Advisory Board shall constitute a quorum for purposes of voting. At a minimum, the Advisory Board shall meet six times per year on an every two months schedule on the 3rd Tuesday of each of scheduled six months unless the SCRAPS Director or the Advisory Board decides more frequent meetings are necessary. The SCRAPS Director or his/her designee shall attend all Advisory Board meetings.

Appointments shall be for 2-year terms, from July 1 of the first year of appointment, through June 30 of the second year of appointment. The years shall consist of 12 calendar months each, for a total of 24 months. Service on the Advisory Board is voluntary. Members of the Advisory Board serve as representatives of the people in Spokane County and the municipal jurisdictions within the county. Members should have an understanding of the role and purpose of animal control agencies and should strive to improve their knowledge of animal control best practices and ethics.

Purpose

The purpose of Advisory Board is to provide advisory oversight of the execution of services provided by SCRAPS to all contracting party jurisdictions and SCRAPS corresponding

implementation of SCRAPS policies. In that capacity, the Advisory Board will transact its advisory role by utilizing current knowledge and exercising critical thinking and analysis to increase SCRAPS business efficiency, communication practices, and overall best practices for high-quality animal control and protection service to the citizens of Spokane County.

Duties

The Advisory Board will review response protocols and recommend potential changes to further the goal of supporting the most appropriate use of animal control service resources countywide. The Advisory Board may provide advice and recommendation(s) on any matters referred to them by SCRAPS or any contracting jurisdiction. The County will in good faith consider such recommendations but reserves the right to make final operational decisions. If there is a SCRAPS policy, process or other operational change, the change will be communicated to the Advisory Board by the SCRAPS Director for review by the Advisory Board and potential additional advice and recommendation.

Agenda Item Name	SBO-YEAR-END ADJUSTMENT FOR HOTEL/MOTEL LODGING TAX FUND

Agenda Wording

As a best practice, the Budget Office analyzes funds in the fourth quarter to make sure they can end the year within budget. The Hotel/Motel Lodging Tax Fund has been identified as needing additional funding to ensure it ends 2025 at or under budget in order to keep up with the collected tax.

Summary (Background)

The City of Spokane currently levies a special excise tax on any transient accommodations as allowable by RCW 67.28.181. This tax is set to expire in 2043, unless extended by a vote of the people. The City currently uses this tax revenue to provide a portion of the funding for the Spokane Public Facilities District, which owns and operates four facilities including the Spokane Veterans Memorial Arena, the First Interstate Center for the Arts, the Spokane Convention Center, and The Podium. The pass-through payments the City will need to make to the Spokane Public Facilities District are expected to exceed the current budget by $1,000,000. During 2025-26 budget, revenue was adjusted up, but expense was not. This SBO matches the expense line to revenue received.

AMENDING ORDINANCE NO. C36626, ENTITLED IN PART, “AN ORDINANCE ADOPTING A BIENNIAL BUDGET FOR THE CITY OF SPOKANE”, AND AMENDING IT TO PROVIDE ADDITIONAL APPROPRIATION TO THE HOTEL/MOTEL LODGING TAX FUND, AND DECLARING AN EMERGENCY.

WHEREAS, subsequent to the adoption of the biennial budget Ordinance No. C36626, as above entitled in part, and which passed the City Council December 9, 2024, it is necessary to make changes in the appropriations of the Hotel/Motel Lodging Tax Fund, which changes could not have been anticipated or known at the time of making such budget ordinance; and

WHEREAS, this ordinance has been on file in the City Clerk’s Office for five days;

NOW, THEREFORE, the City Council of Spokane does ordain:

Section 1. That in the budget of the Hotel/Motel Lodging Tax Fund, and the budget annexed thereto with reference to the Fund, the following changes be made:

1) Increase appropriation by $1,000,000.
A) Of the increased appropriation, $1,000,000 is provided solely for the pass-through payment to the Spokane Public Facilities District.

Section 2. It is, therefore, by the City Council declared that an urgency and emergency exists for making the changes set forth herein, such urgency and emergency arising from the need to provide additional appropriation to the Hotel/Motel Lodging Tax Fund, and because of such need, an urgency and emergency exists for the passage of this ordinance, and also, because the same makes an appropriation, it shall take effect and be in force immediately upon its passage.

Agenda Item Name	AN ORDINANCE RELATING TO ANIMAL CONTROL REGULATIONS

Agenda Wording

An ordinance relating to animal control regulations, amending section 10.74.010 and 10.74.110, and declaring an emergency

Summary (Background)

Spokane County initiated the dispute resolution process set forth in Interlocal Agreement OPR 2020-0066 (SCRAPS contract) after the Council's passage of ORD C36445 in 09/2023. The City and the County worked through the dispute resolution process to address the County's issues with language contained in City's ordinance. This proposed ordinance amends language established by ORD C36445 to better meet the shared goals of the City and County's animal control practices. The current ILA is set to conclude at the end of FY2025 and a new ILA is needed for the City to move forward as a user of SCRAPS. These amendments are the first step in establishing a 2026 contract with Spokane County.

ORDINANCE NO. C36803

An ordinance relating to animal control regulations amending section 10.74.030, 10.74.090 and 10.74.100 and declaring an emergency.

WHEREAS, Spokane County initiated the dispute resolution process set forth in the current Interlocal Agreement (ILA), OPR 2020-0066, after the Council's passage of Ordinance C36445 in September of 2023; and

WHEREAS, the City and the County worked through the dispute resolution process to address potential ILA amendments and amendments to the City's ordinance; and

WHEREAS, the current ILA is set to expire on December 31, 2025 and the City intends to enter into a new ILA for animal control services with the County; and

WHEREAS, this ordinance serves to align the SMC with the County's Ordinance upon adoption of a new ILA by amending SMC 10.74.030 to repeal language in the Ordinance that presently excepts out of adoption Spokane County Code (SCC) animal control ordinance Sections 5.04.060 (Impounding of Dogs) and 5.04.066 (Impounding of Cats) making them applicable to, and enforceable by, Spokane County in the provision of its services to the City in the new ILA upon its adoption; and

WHEREAS, to further support the alignment of the SMC with the County's Ordinance for purposes of adoption of a new ILA with the County, this ordinance also amends SMC 10.74.090 and 10.74.100 to specify that these SMCs do not apply to the County's provision of animal control services under the new ILA upon adoption of the same; and

WHEREAS, the SMC 10.74.090 (Impounding of Dogs) and 10.74.100 (Impounding of Cats) remains applicable to any other animal services and/or animal control entity; and

WHEREAS, the City is currently dependent on the existing contractual relationship with Spokane County, acting through the Spokane County Regional Animal Protection Service (SCRAPS) for animal control services within the city limits, and the lack of an agreed contractual framework for such services with SCRAPS the City is confronted with a possible cessation of animal control services, which cessation poses a threat to public peace, health, and safety of the residents and visitors of Spokane, and requires immediate action to prevent or mitigate the threat; and

WHEREAS, the normal course of legislative procedures of the City cannot timely address the threat of possible cessation of animal control services without causing or exacerbating ha**rm** to the community or government functions; and

WHEREAS, the adoption of this ordinance is necessary for the immediate preservation of the public peace, health, and safety of the residents and visitors of Spokane and shall

become effective immediately upon passage upon the affirmative vote of five members of the City Council;

NOW THEREFORE, the City of Spokane does ordain:

Section 1. That section 10.74.030 of the Spokane Municipal Code is amended to read as follows:

Section 10.74.030 Sections Not Adopted

The following sections of chapters 5.04 and 5.12 of the Spokane County Code (SCC) are not adopted by reference and are expressly deleted.

5.04.032 Declaration of dangerous dog – Administrative appeal hearing and appeal – Impounding of dog

5.04.033 Determination of potentially dangerous dog – Notice, administrative review, and appeal

5.04.035 Registration of dangerous dogs – Requirements – Annual Fee

5.04.036 Dangerous dog – Identification

((~~5.04.060 Impounding of dogs – Notice of owner or keeper – Redemption – Fee~~))

((~~5.04.066 Impounding of cats – Notice of owner or keeper – Redemption – Fee~~))

5.12.100 Enforcement provisions

Section 2. That section 10.74.090 of the Spokane Municipal Code is amended to read as follows:

Section 10.74.090 Impounding of dogs – Notice of owner or keeper – Redemption – Fee

A. The director may impound any dog(s) committing any of the acts prohibited by this code or chapter 16.08 RCW, and any dog determined by the director to be in danger of being subjected to cruel treatment as defined by this chapter or chapter 16.52 RCW or abandoned under 16.54 RCW, or found to be sick, injured or dead.
B. The director upon impounding a dog shall record the breed, color and sex of the dog, and whether or not the dog is wearing a current license tag. If the dog is currently licensed, the director shall also record the name and address of the owner or keeper and the number of the license tag. If the dog is not returned to its owner or keeper, the director shall notify the owner or keeper either by mail,

telephone or in-person that the dog has been impounded and where it may be redeemed. Any dog identified as currently licensed and impounded pursuant to this chapter shall be held for the owner or keeper for at least one hundred twenty hours from the time of impoundment. Any unlicensed dog shall be held for the owner or keeper for at least seventy-two hours from the time of impoundment.

C. Any impounded dog not redeemed after the expiration of the holding period as provided in subsection (B) of this section shall be deemed abandoned and ownership shall be vested in SCRAPS, and with the approval of the director the dog may be adopted out, transferred to an animal shelter or animal rescue whose standards for euthanasia are consistent with SMC 10.74.110(E). All adoptions shall be conducted pursuant to Spokane County Code Section 5.04.064.

D. Notwithstanding the holding periods referenced in subsection (B) of this section, the director may authorize any unlicensed impounded dog be humanely euthanized if a veterinarian licensed in the state of Washington determines the dog is severely injured, sick, diseased, or suffering. The director may authorize any unlicensed impounded dog be humanely euthanized if a veterinarian licensed in the state of Washington determines the dog is an untreatable threat to the safety of other animals or people and such determination is presented to and approved by a majority vote of the SCRAPs Advisory Board.

E. Any dog impounded pursuant to this section may be redeemed by the owner or keeper upon compliance with the redemption procedures in Spokane County Code Section 5.04.110 and payment of all redemption fees as prescribed in the department fee schedule.

F. Any dog running at large during a rabies quarantine shall be immediately impounded by SCRAPS and kept at the animal care and control facility or an animal shelter for the remainder of the quarantine at the owner's or keeper's expense.

G. Upon adoption of a new Interlocal Agreement (ILA) with Spokane County for the provision of animal control services, and so long as such ILA remains in effect, the requirements of this section do not apply to Spokane County. Rather, Spokane County Code (SCC) 5.04.060 (Impounding of Dogs) applies to the County's provision of services in the new ILA. The requirements of this section otherwise remain valid law applicable to any other animal control and/or services entity providing animal control and/or care services to the City of Spokane.

Section 3. That section 10.74.100 of the Spokane Municipal Code is amended to read as follows:

Section 10.74.100 Impounding of cats – Notice of owner or keeper – Redemption – Fee

A. The director may impound any cat(s) committing any of the acts prohibited by this code that is in danger of being subjected to cruel treatment, as defined by this chapter or chapter 16.52 and 16.54 RCW, or found to be sick, injured or dead.

B. The director upon the impounding of a cat shall record the breed, color and sex of the cat, and whether or not the cat is wearing a current license tag. If currently licensed, the director shall also record the name and address of the owner or keeper and the number of the license tag. If the cat is not returned to its licensed owner or keeper, the director shall notify the cat's owner or keeper either by mail, or telephone or personal notice that the cat has been impounded and where it may be redeemed. Any cat identified as currently licensed and impounded pursuant to this chapter shall be held for the owner or keeper for at least one hundred twenty hours from the time of impoundment. The length of time an unlicensed cat is to be held depends on the temperament of the animal, if the animal is sick or injured, space available in the animal care and control facility, and whether placement through adoption or transfer to an animal shelter or animal rescue approved by the director is available.

C. Any impounded cat not redeemed after the expiration of the holding period as provided in subsection (B) of this section shall be deemed abandoned and ownership shall be vested in SCRAPS, and with the approval of the director the cat may be adopted out, transferred to an animal shelter or animal rescue whose standards for euthanasia are consistent with SMC 10.74.110(E). All adoptions shall be conducted pursuant to Spokane County Code Section 5.04.064.

D. Notwithstanding the holding periods referenced in subsection (B) of this section, the director may authorize any unlicensed impounded cat be humanely euthanized if a veterinarian licensed in the state of Washington determines the cat is severely injured, sick, diseased, or suffering. The director may authorize any unlicensed impounded cat be humanely euthanized if a veterinarian licensed in the state of Washington determines the cat is an untreatable threat to the safety of other animals or people and such determination is presented to and approved by a majority vote of the SCRAPs Advisory Board.

E. Any cat impounded pursuant to this section may be redeemed by the owner or keeper upon compliance with the redemption procedures in Spokane County Code Section 5.04.110 and payment of all redemption fees as prescribed in the department fee schedule.

F. Any cat running at large during a rabies quarantine shall be immediately impounded by SCRAPS and kept at the animal care and control facility or an animal shelter for the remainder of the quarantine at the owner's or keeper's expense.

G. Upon adoption of a new Interlocal Agreement (ILA) with Spokane County for the provision of animal control services, and so long as such ILA remains in effect, the requirements of this section do not apply to Spokane County. Rather, Spokane County Code (SCC) 5.04.066 (Impounding of Cats) applies to the County's provision of services in the new ILA. The requirements of this section otherwise remain valid law applicable to any other animal control and/or services entity providing animal control and/or care services to the City of Spokane.

Section 4. Clerk Corrections. Upon approval by the city attorney, the city clerk is authorized to make necessary corrections to this ordinance, including scrivener's errors or clerical mistakes; references to other local, state, or federal laws, rules, or regulations; or numbering or referencing of ordinances or their sections and subsections.

Section 5. Emergency Findings. Pursuant to Section 01.01.080 Spokane Municipal Code, the City Council declares that an urgency and emergency exists such that this ordinance is needed for the immediate preservation of the public peace, health, or safety, and/or for the immediate support of City government and its existing public institutions, and that because of such need, this ordinance shall be effective immediately under Section 19 of the City Charter, upon the affirmative vote of five members of the City Council.

RESOLUTION No. 2025 - 0117

A RESOLUTION DECLARING 2025 AS THE YEAR OF COOPERATIVES IN SPOKANE AND CALLING ON THE CITY OF SPOKANE TO EXPLORE ALL OPTIONS TO SUPPORT THE DEVELOPMENT AND RESILIENCE OF LOCAL COOPERATIVE DEVELOPMENT

WHEREAS, Cooperatives, or “co-ops” are businesses that are owned and democratically controlled by their members – those who own the business, use its services, or buy its goods – which range in size from the local corner store to Fortune 500 companies, restaurants, grocery stores, utilities, and credit unions; and

WHEREAS, Cooperatives create inclusive economic participation by empowering individuals through shared ownership and democratic decision – making and ensuring that residents have a direct stake in both the success or their businesses and communities and the profit of their labor; and

WHEREAS, Cooperatives act as anchor businesses in the community, allowing profits to be equitably re-circulated to local stakeholders, and provide a stable source of jobs and wealth across generations; and

WHEREAS, Cooperatives further build entrepreneurship through their investments in their workforce to build business and financial skills, and cultivate local leaders who steward their business and community for the long term; and

WHEREAS, research proves that cooperatives also retain workers longer than traditional businesses, driven in part because cooperatives provide higher wages, more flexible working hours, and better benefits than typical businesses; and

WHEREAS, the average Spokanite interacts with cooperatives on a regular basis, with the Spokane area hosting dozens of cooperatives, ranging from food cooperatives to housing cooperatives, worker cooperatives, credit unions, and many others; and

WHEREAS, the number of cooperatives continue to grow annually due to both new start-up cooperatives and the conversion of existing businesses into cooperatives; and

WHEREAS, cooperatives often provide leadership and fill gaps within their industries in the City, such as organizing businesses to advocate, bringing healthy food to low-income neighborhoods, building wealth for immigrant communities, and facilitating job training for returning citizens; and

WHEREAS, cooperatives also offer business succession assistance by providing a collective structure that allows employees or community members to gradually take over ownership and decision-making responsibilities; which ensures stability and business viability through times of transition; and

WHEREAS, profitable businesses and the jobs they provide are saved when retiring owners sell to their employees through a worker cooperative or an employee stock ownership plan; and

WHEREAS, many cities are investing in programs focused on strategic outreach, community education, legislative support, and technical and financial assistance to support cooperatives in their mission to build equitable wealth across the community; and

WHEREAS, the City of Spokane demonstrates its commitment to cooperatives by joining the global proclamation of the United Nations General Assembly designating 2025 as the Year of Cooperatives, and recognize that cooperatives promote participation in the development of local inclusive communities to strengthen economic and social development.

NOW, THEREFORE, be it resolved by the City Council of the City of Spokane that we declare 2025 as the Year of Cooperatives in Spokane and commit to exploring all options to support the development and resilience of local cooperative businesses.

ADOPTED by the City Council this ____ day of December, 2025.

Section 5. Repeals SMC Chapter 06.06 (Spokane Public Library)
Section 6. Effective Date
Section 7. Severability
Section 8. Clerical Errors

Section 1. Repeals SMC Chapter 03.01A (Executive and Administrative Organization)

- This repeals the former Executive and Administrative chapter This chapter is to be replaced with SMC 03.01B to reflect the updated organizational structure.

Section 2. Creates a new SMC Chapter 03.01B (Executive and Administration)

- This new chapter establishes the City of Spokane's administrative branch structure, made up of divisions and the administrative departments within each division. The new structure also clarifies stand-alone administrative departments and the divisions and departments that are concurrently board-governed.

Article I – Administrative Branch

New SMC Section 03.01B.010 (Divisions Defined and Established)

- This section establishes a definition of division as "an organizational unit of two or more administrative departments focused on providing accountable, efficient, and effective City services within a general functional area of City government."

- This section formalizes the current appointment process for division directors, which is currently silent in the municipal code. This section carries over the existing language of SMC 03.01A.100 (adopted through SMC C35428 in 2016), providing the timeline for department head approval, extending that requirement formally to division directors

where the code is currently silent.

- This section formally establishes seven organizational units that meet the definition of a division:

City of Spokane Administrative Divisions
Communications and Marketing
Community and Economic Development
Finance and Administration
Housing and Human Services
Public Works
Spokane Police
Transportation and Sustainability

- The Office of Neighborhood Services and Customer Experience Department (known as MySpokane/311) is currently within the Communications and Marketing Department vertical and therefore meets the definition of a division as defined in this ordinance.

- Because the Office of Neighborhood Services falls within the Communications and Marketing Division, the Neighborhood, Housing, and Human Services division title is changed to the Housing and Human Services Division.

- The Brown Administration is proposing the creation of a new Transportation and Sustainability Division that consists of the Street Department and Parking Services. The creation of this new division streamlines and builds upon the existing transportation safety initiatives established by the Administration and Council.

- The current City Attorney (Legal), Fire, Human Resources, and Information Technology divisions do not consist of two or more codified administrative departments and therefore do not meet the definition of 'division' as defined in this proposed ordinance.

- There are two board-governed divisions also recognized in this section:

Board-governed Division	Governing Board
Spokane Parks and Recreation	Spokane Park Board
Spokane Public Library	Spokane Public Library Board of Trustees

New SMC Section 03.01B.011 (Administrative Departments Defined and Established)

- This section carries over the existing language of SMC 03.01A.205, which defines an administrative department as an organizational unit with at least three employees, with no more than two employees exempt from civil service.

- This section carries over the existing language of SMC 03.01A.100 (adopted through SMC C35428 in 2016), providing the timeline for department head approval.

DRAFT

- This section carries over language that the appointment and termination of classified staff follow the civil service system as described in Section 55 of the City Charter (SMC 03.01A.100(A)(4)).

- This section codifies 24 administrative departments within the seven divisions:

Communications and Marketing Division
Office of Neighborhood Services
Spokane 311
Community and Economic Development Division
Arts, Culture, and Historic Preservation
Development Services
Planning Services
Finance and Administration Division
Accounting
Facilities Management
Fleet Services
Grants Management
Information Technology
Management and Budget
Purchasing and Contracts
Housing and Human Services Division
Housing and Homelessness Services
Family and Youth Services
Public Works Division
Engineering Services
Integrated Capital Management
Solid Waste Collection
Solid Waste Disposal
Wastewater Management
Water and Hydroelectric Services
Spokane Police
Administration and Investigation
Analytics, Research, and Technology
Patrol
Transportation and Sustainability Division
Parking Services
Street

- This section codifies four stand-alone administrative departments that do not fall within any division:

Stand-alone Administrative Departments
City Attorney
City Clerk
Human Resources
Spokane Fire Department
Spokane United 911 Network

- Finally, this section codifies the three stand-alone departments that are administered concurrently by governing boards.

Board-governed Administrative Department	Governing Board
Civil Service	Civil Service Commission
Police Ombuds	Office of the Police Ombuds Commission
Retirement	Spokane Employees' Retirement System Board

Article II – Executive

New SMC Section 03.01B.020 (Office of the Mayor)

- This section carries over and consolidates SMC 03.01A.100, SMC 03.01A.110, and SMC 03.01A.120 into a single section.

New SMC Section 03.01B.021 (Office of Civil Rights, Equity, and Inclusion (OCREI))

- This section carries over SMC 03.01A.252.

- This section clarifies that the Director of the Office of Civil Rights, Equity, and Inclusion is the staff liaison to the Spokane Human Rights Commission. This reflects current operational practice.

Article III – City of Spokane Divisions

New SMC Section 03.01B.030 (Communications and Marketing)

- This section codifies the Communications and Marketing Division, consisting of the following departments and offices:

Communications and Marketing Division
Administrative Departments
Neighborhood Services
Spokane 311
Offices
Creative Services
Web Services

DRAFT

- MySpokane/311 is currently referred to as Customer Experience in the code. This section changes the name of the Customer Experience department to Spokane 311.

- This section establishes the Office of Creative Services, which provides consultation on and produces video, audio, photography, graphics, and digital imaging to support all City communications and marketing, including the programming of City Channel 5.

New SMC Section 03.01B.031 (Community and Economic Development)

- This section codifies the Community and Economic Development Division, consisting of the following departments:

Community and Economic Development Division
Administrative Departments
Arts, Culture & Historic Preservation
Code Enforcement
Development Services
Planning Services

- This section updates the name of Historic Preservation to reflect the department's new arts and culture duties.

- This section reflects the separation of Code Enforcement and Parking Services duties into two separate departments. The parking services duties are reassigned to the Transportation and Sustainability Division.

New SMC Section 03.01B.032 (Finance and Administration)

- This section codifies the Finance and Administration Division, consisting of the following departments and offices:

Finance and Administration Division
Administrative Departments
Facilities Management
Fleet Services
Grants Management
Information Technology
Management and Budget
Purchasing and Contracts
Offices
Internal Auditor
Performance Management
Risk Management
Taxes and Licenses

- This section reflects the division name change from Finance, Treasury and Administration to Finance and Administration.

- This section creates the Grants Management Department within the Finance and Administration Division.

- This section includes Information Technology as a department within the Finance and Administration Division.

- This section reflects that Risk Management is an office within the Finance Administration Division and no longer a department.

New SMC Section 03.01B.033 (Housing and Human Services)

- This section codifies the Housing and Human Services Division, consisting of the following departments:

Housing and Human Services Division
Administrative Departments
Housing and Homeless Services
Family and Youth Services

- This section separates the duties currently encompassed by the Community, Housing, and Human Services Department into two separate departments: Housing and Homeless Services and Family and Youth Services.

- This section clarifies that the Housing and Human Services Division serves as the staff liaison to the Community, Housing, and Human Services (CHHS) Board. This reflects existing operational practice.

New SMC Section 03.01B.034 (Public Works)

- This section codifies the Public Works Division, consisting of the following departments and offices:

Public Works Division
Administrative Departments
Engineering Services
Integrated Capital Management
Solid Waste Collection
Solid Waste Disposal
Wastewater Management
Water and Hydroelectric Services
Offices
Utility Billing

DRAFT

- This section reflects the reassignment of the Street Department to the Transportation and Sustainability Division.

New SMC Section 03.01B.035 (Spokane Police Department)

- This section codifies the Spokane Police Department, consisting of the following departments within the division:

Spokane Police Department
Administrative Departments
Administration and Investigation
Analytics, Research, and Technology
Patrol

- This section reflects the department updates made by the Council through Ordinance C36747 on September 15, 2025. Additionally, this section reflects a new department within the Spokane Police: Analytics, Research, and Technology.

New SMC Section 03.01B.036 (Transportation and Sustainability)

- This section codifies the Transportation and Sustainability Division, consisting of the following departments:

Transportation and Sustainability Division
Administrative Departments
Parking Services
Street

- This section reflects the new Parking Services department with separate duties from Code Enforcement within the Community and Economic Development Division.

- This section reflects a reassignment of the Street Department to the Transportation and Sustainability Division from the Public Works Division.

Article IV – Communications and Marketing Division

New SMC Section 03.01B.040 (Neighborhood Services (ONS))

- This section re-codifies the Office of Neighborhood Services as a department within the Communications and Marketing Division. This reflects current operational practice.

New SMC Section 03.01B.041 (Spokane 311)

- This section re-codifies the Customer Experience Department (also known as My Spokane/311) as Spokane 311 within the Communications and Marketing Division. This reflects current operational practice.

Article V – Community and Economic Development Division

New SMC Section 03.01B.050 (Arts, Culture, and Historic Preservation)

- This section reflects the integration of arts and culture duties into the existing Office of Historic Preservation, which is an existing department within the Community and Economic Development Division.

- This section reflects that the Historic Preservation Officer serves as the liaison to the Spokane City/County Historic Landmarks Commission.

- This section also reflects that Arts, Culture, and Historic Preservation staff also serve as the administrative liaisons to the Arts Commission.

New SMC Section 03.01B.051 (Code Enforcement)

- This section recodifies the Code Enforcement and Parking Services Department as Code Enforcement within the Community and Economic Development Division. This reflects a separation of the Parking Services duties, which are reassigned to the Transportation and Sustainability Division.

ORD C36795 (WILKERSON/TELIS AMENDMENT)(12-10-25) v2

PURPOSE OF AMENDMENT: If adopted, this amendment will (1) add language clarifying that interim appointments extending 180 days beyond the initial appointment or 180 days beyond council extension will terminate, and (2) removes duplicative language in SMC 02.005.010 concerning approval of department heads.

1. Insert a new section 1 in the ordinance to read as follows, and renumber remaining sections of the ordinance accordingly:

Section 1. That Section 02.005.010 of the Spokane Municipal Code is amended to read as follows:

Section 02.005.010 Council President and City Council

A. As provided in the City Charter a City Council President and six City Council Members constitute the City Council, which is the legislative body of the City. The City Council President and City Council Members have no administrative authority over personnel matters except the Council President and the Council Members:

1. Appoint, evaluate and discharge the Hearing Examiner;

2. appoint, evaluate, and discharge the City Council's full-time, seasonal, project and interim staff, as provided in Section 02.005.030;

((~~3. approve the appointment by the Mayor of the City Attorney, the City Clerk, and the permanent, acting, or interim administrative head in each department and division; provided:~~

a. ~~any person appointed for the position of department head on a permanent basis shall be placed on the city council agenda by the mayor within 30 days of the appointment and considered for approval pursuant to section 24 of the city charter;~~

b. ~~persons appointed for the job positions of interim or acting department head shall serve as such for up to 180 days, which period can be extended for up to an additional 180 days by city council resolution;~~))

((4)) 3. appoint nominees of the Mayor to boards, commissions, and other official City agencies, unless otherwise provided;

((~~5~~)) 4. hire, supervise, evaluate, and discharge their individual legislative assistants.

B. The Council President reviews the preparation of the agenda for City Council meetings, briefings, and study session meetings and presides at meetings of the City Council. The Council President also serves as the Mayor Pro Tem. The Council President shall serve as the primary signatory on all Council budgetary, expenditure, and appropriation matters as related to the Council Office budget; consistent with City procedures and policies.

C. City Council agenda items shall be submitted and processed consistent with the City Council Rules of Procedure and administrative policies and procedures.

D. The City Council shall establish standing and ad hoc committees by rule to assist in the performance of its assigned duties.

E. Any City Council committee with more than three Council Members as committee members shall be considered a committee of the whole City Council. All meetings of such a committee shall be considered a City Council meeting with the appropriate public meeting notice. No legislative action may be taken at any standing or ad hoc committee unless the committee meeting was noticed as a special meeting in compliance with the Washington Open Public Meetings Act (OPMA) and applicable City Council Rules of Procedure.

F. All standing committee meetings shall be open to the public except when the committee adjourns into executive session. Participation in a standing committee meeting shall be limited to standing committee members, appropriate staff, other individuals recognized by the committee, and members of the public who sign up to testify pursuant to council rules. Participation by Council Members, including deliberation and voting, shall be open to all Council Members when the standing committee is meeting as a committee of the whole and as a special Council meeting.

2. In section 2 of the ordinance, relating to Article I, strike new sections 03.01B.010 and 03.01B.011 and substitute the following in their place:

Article I. Administrative Branch

Section 03.01B.010 Administrative Divisions Defined and Established

A. A City of Spokane administrative division is an organizational unit with administrative responsibility over two or more administrative departments focused on providing accountable, efficient, and effective City services within a general functional area of City government. An administrative division shall consist of no more than two employees exempt from civil service. Except as otherwise provided, the administrative divisions listed in this chapter shall have all the rights and powers granted and duties imposed by authority of the laws of the state and the

charter and ordinances of the City now existing or subsequently adopted, subject to the general supervision and control of the Mayor.

B. Administrative divisions may promulgate public rules in the form and manner set forth in Chapter 3.14 of the Spokane Municipal Code.

C. Pursuant to Section 24 of the City of Spokane Charter, the Mayor appoints all administrative heads and assistant administrative heads of each division. The appointment of the administrative head of each division is subject to approval by the Spokane City Council. A resolution approving the appointment shall be placed on the City Council's agenda within thirty (30) calendar days of the appointment. Any person appointed by the Mayor as an administrative head of a division in an interim or acting capacity may serve up to 180 calendar days and may be extended for up to an additional 180 calendar days by City Council resolution. Any interim appointment shall be deemed terminated 180 days after the initial interim appointment or the city council's extension of the initial interim appointment, as applicable.

D. The City of Spokane consists of the following divisions:

City of Spokane Administrative Divisions
Communications and Marketing
Community and Economic Development
Finance and Administration
Housing and Human Services

Section 03.01B.011 Administrative Departments Defined and Established

A. A City of Spokane administrative department is an organizational unit that has been authorized through the City of Spokane budget to employ at least three employees, with no more than two employees exempt from civil service. Except as otherwise provided, the administrative departments and offices listed in this chapter shall have all the rights and powers granted and duties imposed by authority of the laws of the state and the charter and ordinances of the City now existing or subsequently adopted, subject to the general supervision and control

of the Mayor.

B. Administrative departments may consist of one or more offices organized by function or program.

C. Administrative departments and offices may promulgate public rules in the form and manner set forth in Chapter 3.14 of the Spokane Municipal Code.

D. Pursuant to Section 24 of the City of Spokane Charter, the Mayor appoints all administrative heads and assistant administrative heads in each department. The appointment of the administrative head of each department is subject to approval by the Spokane City Council. A resolution requesting Council approval of the appointment shall be placed on the City Council's agenda within thirty (30) calendar days of the appointment. Any person appointed by the Mayor as an administrative head of an administrative department in an interim or acting capacity may serve up to 180 calendar days and may be extended for up to an additional 180 calendar days by City Council resolution. Any interim appointment shall be deemed terminated 180 days after the initial interim appointment or the city council's extension of the initial interim appointment, as applicable.

E. The appointment and termination of persons within the classified service shall follow the procedures of the civil service system as provided in Section 55 of the City Charter.

ORDINANCE NO. C36783

An ordinance vacating the alley between Euclid Ave and vacated Cleveland Ave and between Nevada St. and vacated Columbus St

WHEREAS, a petition for the vacation of the alley between Euclid Ave and vacated Cleveland Ave and between Nevada St. and vacated Columbus St has been filed with the City Clerk representing 100% of the abutting property owners, and a hearing has been held on this petition before the City Council as provided by RCW 35.79; and

WHEREAS, the City Council has found that the public use, benefit and welfare will best be served by the vacation of said public way; -- NOW, THEREFORE,

The City of Spokane does ordain:

Section 1. That the alley between the south line of Euclid Ave and the center of vacated Cleveland Ave and between Nevada St. and vacated Columbus St is hereby vacated. Parcel number not assigned. Located within the Northeast Quarter of Section 08, Township 25 North, Range 43 East, W.M.

Section 2. An easement is reserved and retained over and through the entire vacated area for the utility services of Avista Utilities, Lumen, and Comcast to protect existing and future utilities.

Vacating Streets, Alleys and Other Public Right-of-Ways

Rev.20250114

For both residential and commercial property owners, vacating an unused or unneeded street, alley or other public right-of-way can be a valuable option. If your property is adjacent to an unused street, you might consider a street vacation.

The below list of required items can be submitted in person on the 3rd floor of City Hall or can be mailed to the address listed at the bottom of this page.

(Applications must be for the entire block. Appropriate justification must be submitted with this application in order to deviate from this standard.)

☑ **Completed Vacation Application**
The vacation application must be filled out and signed by the adjacent land owners.

☐ **Application Fee**
A link to pay the application fee will be provided after all the checklist items are received.

☑ **Site Plan**
A dimensioned site plan showing the conceptual layout of the vacated right-of-way after it has been vacated and developed. If the right-of-way is to remain the same after being vacated please indicate this on the site plan. If the vacation area abuts other right-of-ways, the site plan must show how the vacated right-of-way will be closed and how it will interact with the remaining right-of-way.

☑ **Written Narrative**
A written narrative describing the purpose or reason for the proposed right-of-way vacation, a description of what is proposed for the vacated area, and a description of how the vacation is a benefit to the public.

☑ **Responses to the Below Questions**

- Is the right-of-way no longer required for public use or access?
- How will the use of the right-of-way change after it becomes private property.
- Will the vacation result in any parcel of land being denied sole access to a public right-of-way?
- Are there any utilities in the right-of-way and if so do you plan to relocate them? If the utilities are not relocated, the City will retain no-build easements in the final vacation ordinace for the purveyors.

1. The Application

An application requesting the vacation of a street, alley or other public right-of-way should be filed with the City of Spokane, Development Services Center on the Third Floor of City Hall (see application on back). The Development Services Center may be contacted at 509-625-6300.

The application must be signed by the property owners representing at least 66 2/3% of the frontage bordering the right-of-way to be vacated. However, we recommend that you obtain 100% of the bordering property owners' signatures.

2. Proposal Review

When the application is filed, the Development Services Center will review the vacation proposal and verify ownership. Copies of the application will be sent to all concerned City departments and private utilities requesting comments.

3. Public Hearing

After all comments are received and reviewed the Spokane City Council will set a date for a public hearing on the vacation request and notify property owners by mail. The applicant will need to post notices on the site of the proposed vacation.

Prior to the hearing, the Development Services Center will make a recommendation as to the vacation's feasibility to the City Council. The recommendation will include the specific requirements of the vacation, such as drainage, street closure and necessary easements.

The property owner is responsible for paying for the expense of closing the right-of-way. The cost may include removal and replacement of concrete, asphalt, and other items.

4. Payment for Land

Payment for vacated land falls into two categories: for right-of-way that was dedicated less than 25 years ago, the City of Spokane charges one-half the assessed value; for right-of-way that was dedicated more than 25 years ago, the full assessed value will be charged. The value will be based on the unimproved land value of the adjoining property(s), as determined by the Spokane County Assessor's Office.

5. City Council Action

If the City Council approves the vacation application at the public hearing, the Development Services Center will submit an ordinance to the Council for approval which outlines the terms and conditions of the vacation. The ordinance may retain easements for the construction, repair, and maintenance of public and private utilities and services.

When the applicant completes all conditions, final reading of the ordinance will be made.

The City does not determine ownership of the vacated area. It is determined by the original platting of the right-of-way. Typically this would mean that the property would go one-half to the adjoining properties on each side of the vacated area.

This process will take three to six months, possibly more, depending on the circumstances.

Date 8/26/2025

I hereby make application for the vacation of Alleyway east of Nevada between Euclid and Cleveland

from Euclid to Cleveland

The reasons for the vacation are:

Increase in criminal activity. Threats to public safety, including local businesses, Gonzaga Family Haven residents, and students at Gonzaga Preparatory School.

Public benefits to be derived from the vacation are:

Controlled access to the alleyway, with monitoring via cameras by Gonzaga Prep. Coordinating with SPD on enforcment of criminal behavior (trespassing) the alleyway.

Written Narrative

Gonzaga Preparatory School, together with our neighbors, is requesting the vacation of the alleyway located east of Nevada Street, between Euclid Avenue and Cleveland Avenue. This alley is not used by the school or by adjacent businesses. Instead, it has become a consistent nuisance and a threat to public safety due to frequent criminal activity.

Our school security officers track illegal activity, and this alleyway represents the single most pressing safety concern for our students. Neighbors adjacent to the alley share these concerns.
The alleyway runs along the fence line of our athletic fields. Over the past several months, safety concerns have increased significantly. When incidents occur and we contact the Spokane Police Department (SPD) officers inform us that they cannot act on much of the activity because the alley is public right-of-way rather than private property. SPD has suggested that the appropriate remedy is to vacate the alley, install gates at both ends, and post "No Trespassing" signs. This would allow SPD to intervene more effectively when illegal behavior occurs.

As part of this proposal, Gonzaga Preparatory School and our neighbors intend to:

- Install gates at the north and south entrances to the alley, as shown on the attached map.
- Provide keys to all adjacent property owners, utility providers, and relevant government agencies.
- Post "No Trespassing" signage along the alley.
- Install security cameras to monitor the space.
- Partner with SPD to enforce trespassing violations.

This approach balances safety with ongoing access for neighbors, utilities, and public agencies.

Response to Questions

Is the right-of-way no longer required for public use or access?
Yes. Due to criminal activity, none of the adjacent businesses use the alley for property access. In the event that access is needed, all businesses and easement holders will retain access via the locked gates.

How will the use of the right-of-way change after it becomes private property?
The alley will be closed to public use. Access will be restricted to adjacent property owners, easement holders, and authorized utility providers, who will be given keyed entry.

Will the vacation result in any parcel of land being denied sole access to a public right-of-way?
No. All adjacent property owners will continue to have access to the alleyway.

Are there any utilities in the right-of-way, and if so, do you plan to relocate them?
Yes, there are existing utilities in the alleyway. We do not plan to relocate them. The City and utility providers will retain no-build easements under the final vacation ordinance and will be provided keys to ensure access whenever required.

STREET VACATION REPORT
October 2, 2025

LOCATION: Alley east of Nevada and between Euclid and vacated Cleveland

PROPONENT: Gonzaga University Preparatory School

PURPOSE: To control access to aid in crime prevention

HEARING: December 15, 2025

REPORTS:

PRIVATE UTILITY COMPANIES

AVISTA UTILITIES – We do currently have gas and electrical services running in and across this alley (for the entire length of the vacation) to serve the parcels to the east. We will need to reserve easements within this alley for the entire width of the right-of-way.

COMCAST – We do have plant on the eastside of the alley attached to the pole line that we would need access for repairs and customer service.

ADDRESSING - No comments

BICYCLE ADVISORY BOARD – The Bicycle Advisory Board voted unanimously to recommend the proposed vacation of right-of-way known as the Gonzaga Prep Alley not be approved by City Council. The Board determined that the proposed vacation would result in the permanent hindrance of access for people walking and biking, and noted that the people accessing their home, school, and place of work would be better served if the City improved the alley for people walking and biking.

DEVELOPER SERVICES – CURRENT PLANNING – No comments

DEVELOPER SERVICES - TRAFFIC – No comments

FIRE DEPARTMENT – Fire has no issues with the vacation of alley

INTEGRATED CAPITAL MANAGEMENT – Confirm that other businesses on the west side of the alley no longer need access or can be provided with an alternative access point. Specifically ensure that Hopkins Subaru can still access their back gate.

PARKS DEPARTMENT - No comments

PLANNING & ECONOMIC DEVELOPMENT – No comments

POLICE DEPARTMENT - No comments

SOLID WASTE MANAGEMENT – Solid Waste has no concerns

SPOKANE REGIONAL EMERGENCY COMMUNICATIONS – No comments

STREET DEPARTMENT – The Street Department does not object to vacating the alley.

STREET DEPARTMENT COMMENTS 2 – Install city standard driveway approach. Are businesses losing the access to the rear of properties?

WASTEWATER MANAGEMENT – Wastewater Management has no assets in the area. Therefore, provided onsite runoff is maintained and treated on site, we have no objection to the vacation.

WATER DEPARTMENT – Long services should be re-tapped on Nevada Street and existing services to be killed on Euclid

RECOMMENDATION: Engineering recommends against vacating this alley however if City Council decides to vacate, it is recommended that the vacating ordinance be prepared subject to the following conditions:

1. An easement as requested by Lumen, Avista Utilities, and Comcast shall be retained to protect existing and future utilities.

2. The existing curb returns at the entrance to the alley will need to be removed and full height curb and sidewalk must be placed across the entrance to the right-of-way. If access is still desired, a driveway approach must be installed across the entrance.

3. The existing water service lines serving 2928 N Nevada and 3012 N Nevada currently run down the alley will need to be capped/abandoned at the main in Euclid. Those properties will then need to be reconnected to the water main in Nevada Street.

4. The proponent shall pay to the City of Spokane the assessed valuation for the vacated land as defined by the latest information from the County Assessor's Office. This is calculated to be $33,750.40 and is to be deposited to Budget Account #3200 49199 99999 39510.

5. That the final reading of the vacation be held in abeyance until all of the above conditions are met and that the above conditions are met by December 1. 2026.

RE: ALLEY VACATION APPLICATION – NARRATIVE

We are proposing a partial vacation of an existing alley located south of W College Ave and North of W Bridge Ave in Spokane, Washington. The purpose of this vacation is to maximize the land use and support the area's future growth by creating additional housing opportunities which would be a benefit to the public and align with City's growth and planning goals. The alley is currently not in use, please see attached photos, and there will be no parcel of land denied access to the public right-of-way with the vacation of this alley.

The proposed vacation includes approximately 240 lineal feet of the western portion of the existing alley, extending from W Bridge Ave to the eastern property line of 2718 W Bridge Ave. The vacated right-of-way is intended to accommodate portions of the proposed residential lots, internal access roads, and pedestrian sidewalks. The affected properties, 2718 W Bridge Ave, 2725 W College Ave, and 2722 W Bridge Ave, each maintain right-of-way access from either W college Ave or W Bridge Ave. Additionally, the site improvements include internal access roads and a 22-ft wide access easement connecting the remaining eastern portion of the Alley to W College Ave, supporting efficient site circulation. As a result, the western portion of the existing alley is no longer required for public access or circulation.

There will be five parcels directly affected by the alley vacation. Among these parcels, two property owners are in favor of the alley vacation, and one is opposed. The two owners in favor are Good Neighbor Companies, LLC (parcels 25133.0517 and 25133.0508) and Grant Cashen (parcel 25133.0516). The owner against is Melodi Sue Wynne (parcels 25133.0503 and 25133.0504) and she has stated that she is not interested in an alley vacation and is against any development in the area. Although there are only three property owners directly affected by the alley vacation there are three additional parcels that are adjacent to the existing alley to the east, where it is not being proposed to be vacated: Becky Phillips (parcel 25133.0505) who is aware of the proposal and has no concerns, Steffan Wachholtz (parcel 25133.0506) who supports the vacation and has no concerns, and Andy Louie (parcel 25133.0507) who has provided no response to attempts at contact.

In addition to the alley vacation, the proposal includes rerouting the 10-inch and 12-inch existing sanitary sewer mains that currently cross private property to enter the alley. These existing sewer mains will be removed and rerouted along public right-of-way as needed for the vacation of the alley and for future site development.

Please see the attached alley vacation and utility exhibits for additional information.

STREET VACATION REPORT
9/25/2025

LOCATION: A portion of the alley between College and Bridge, from Summit to Lindeke

PROPONENT: Good Neighbor Companies, LLC

PURPOSE: To consolidate property for future development

HEARING: November 17, 2025

REPORTS:

PRIVATE UTILITY COMPANIES

AVISTA UTILITIES – Avista has reviewed the proposed street vacation and notes that we maintain electric services throughout the alley and a 2" main gas line , thus access to pole and services is required.

Avista requests the following language be added as a condition of approval:

1. Property owner(s) shall coordinate with Avista to secure a utility easement for access to electrical services and gas services located in vacated Linke-Bridge Alley. Easement shall be recorded and referenced on final Record of Survey.
2. 10' feet in width are required for our electrical services, centered on the line (5' feet on either side). 5' feet in width are required for our gas services, centered on the line (2.5' on either side).

COMCAST – We do have a cable plant on the Avista poles in that easement. As we always do if Avista changes something there we will change with them.

EXTENET – We have no assets in the area.

STREET DEPARTMENT - The alley that will remain will need to be 20’ wide per design standards.

Add alley returns rather than a driveway.

WASTEWATER MANAGEMENT - In answer to your questions below,

- Yes, we have a sewer pipeline existing in the RW that is being proposed for vacation. According to our legal department, in general providing an easement to replace this RW reduces our leverage in terms of maintaining access. In practice we have found this to be true. Therefore, we opposed this vacation unless the sewer is rerouted within a public ROW and the following condition are met.
- The new ROW is of sufficient width to accommodate maintenance for the depth of sewer (typically a minimum of twice the sewer depth but not less than 20 feet or 30 feet if water pipe is also in ROW).
- The rerouted sewer does not reduce the pipe capacity.
- Sewers must be designed to meet all City design standards, including pipe slopes.
- Existing sewer services to properties and buildings to remain must be maintained. Notably, the existing sewer service to parcel 25133.0503 @ 2718 W Bridge Ave. will likely need to be replaced /rerouted/reconnected according to the proposed layout provided. This is not addressed in their proposed layout.
- If the alley is vacated, all stormwater for that vacated portion must be properly managed and maintained on site.
- In the additional information (attached) provided that proposes rerouting public sewers, the color-coded map identifies the blue hatched as a new 22-ft alley, which would be public ROW, but also as an Access and Utility Easement that implies it's private property. This needs to be clarified as to which is being proposed. Also, our comments do not imply a review or acceptance of the proposed sewer rerouting.

WATER DEPARTMENT - RW Vacation Request for Comments
Requirements:

1. Kill water service at the main in Lindeke Street for 2711 W College.
2. Add a new service for 2718 W Bridge from the proposed water main in the proposed alley and kill the existing service at the main in Lindeke Street.

RECOMMENDATION: Engineering understands that some of the neighbors are against this vacation and we understand the concerns that these neighbors have. Engineering also believes that the petition meets the minimum requirements to take this petition to a hearing if Council chooses to.

1. An easement as requested by Lumen and Avista Utilities, shall be retained to protect existing and future utilities.

2. Plans for termination and closure of the existing right-of-way must be accepted by the City of Spokane Developer Services Department and the must either be completed or bonded for.

   This closure work must include the following:

   1. The existing public sewer main running through the alley must be rerouted out of the RW vacation area. Additional RW may need to be dedicated.
   2. The existing water service for 2711 W College will need to be killed at the main and a new service added to the main in College.
   3. The existing water service for 2718 W Bridge that currently runs through the alley must be killed at the main in Lindeke. The property will then need to be reconnected to the new main to be installed in the newly dedicated alley.

3. The proponent shall pay to the City of Spokane the assessed valuation for the vacated land as defined by the latest information from the County Assessor's Office. This is calculated to be $51,124.31 and is to be deposited to Budget Account #3200 49199 99999 39510. If a 22' north/south alley dedication is built as proposed, the City would give a credit for the newly dedicated RW and will use the same valuation for the dedicated land as defined by the latest information from the County Assessor's Office. The adjusted total in this case would be a cost of $9,793.03 for the vacated land

4. That the final reading of the vacation be held in abeyance until all of the above conditions are met and that the above conditions are met by December 1, 2026.

Rebecca & John Phillips
2708 W. Bridge Avenue
Spokane, WA, 99201
Philhawk79@gmail.com
August 25th, 2025

Dear Councilman Zappone, Councilwoman Klitzke, and fellow City Council Members,

My name is Rebecca Phillips and my husband John, and I are the owner (since 2020) and occupants (since 2011) of 2708 W. Bridge Avenue. I am writing this letter on behalf of us and the neighboring property owners of the 2700 block of west College and west Bridge Avenues in Spokane, Washington to object to the proposed alley vacation of the western part of the alley that runs between College and Bridge Avenues, and the creation of a 'new' alley running north to south from College Avenue to the existing east side of the alley.

In discussions amongst ourselves, we question the need for access to and from the site via the alley, considering there is ample frontage along College Avenue for two access points for the development using the existing, public, paved street. There is also access from Summit Boulevard at the northwest corner of the parcel at the College/Summit intersection.

While we understand and respect that each property owner has the right to do whatever the city codes allow them to do on their own property, we fear that vacating the alley and allowing traffic flow through the alley would encroach on the peace of the neighborhood and have a negative effect on it, especially on the physical and mental health of the occupants of the parcels on the 2700 block directly adjacent to the alley.

Collectively, we are concerned that the alley vacation would impose unnecessary stress on us and decrease our quality of life due to the additional access points and increased alley traffic from the proposed development of 2725 W. College Avenue. While we expect and prepare for increased traffic on our public roadways with the influx of new housing units, alley traffic at this level is not expected or usual in a quiet residential setting in the City of Spokane, and it would be extremely difficult for us to prepare our lots to minimize our exposure to this unhealthy, unwelcome, and unexpected alley use.

Studies have shown exposure to increased and constant motor vehicle traffic noise could cause non-auditory health effects, including cardiovascular disease, metabolic effects, sleep disturbances or cognitive impairments, inflammation and oxidative stress and age-related diseases*. It also increases stress levels and causes other physical and mental health issues in all citizens, especially the very young and the elderly citizens, due the increased exposure to vehicle exhaust and noise from engines and tire/surface friction. For citizens that have any of these pre-existing conditions, exacerbation of medical and mental health issues can have a real and definite effect on one's quality of life. Speaking specifically for myself and John, we already suffer from high blood pressure, congestive heart failure, and respiratory diseases and the consequences of increased, unnecessary, and chronic noise exposure at this proximity could be problematic and decrease our life expectancies.

We have known for quite some time that the lot was going to be developed and we appreciate that this will help address the need for housing in our area, but we also believed that we would have the alley as a buffer between the new development and our existing houses and that

buffer would help us preserve the quiet, modest life-style that we currently enjoy and have grown accustomed to, without having to worry about the excessive intrusion on our health.

Before you make your decision, we respectively implore you to visit the websites listed below read what medical professional and environmental experts have learned about the correlation between traffic and human health issues, and factor in the effects that this alley vacation will have on the health and quality of life for us existing residents, along with the negative impacts it will make now and in the future. Once it is done, it cannot be undone.

With Gratitude and Respect,

John & Rebecca Phillips, 2708 W Bridge Ave

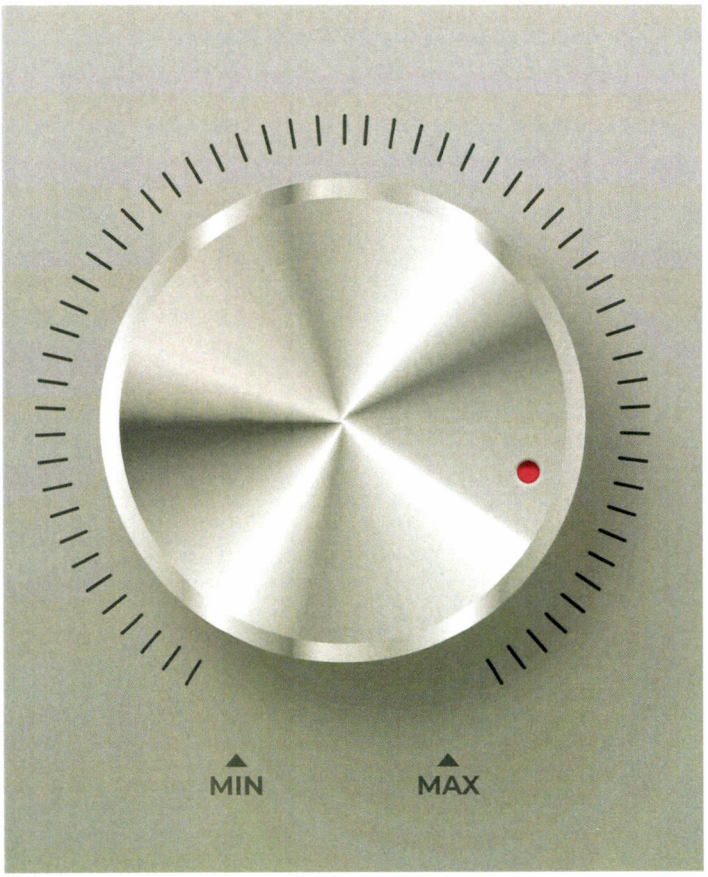
Noise and Health



Noise pollution is more than a nuisance. It's a health risk.

Nature, Nurture

Research at Risk

Airplanes pierce the night. Leaf blowers interrupt fall mornings. Quiet gives way to air conditioners, pounding music, construction equipment, street traffic, barking dogs, sirens.

For half a century, U.S. agencies such as the EPA have deemed noise pollution "a growing danger to the health and welfare of the Nation's population." The European Environmental Agency reports that noise ranks second only to air pollution as the environmental exposure most harmful to public health.

Yet, in sectors from government regulation to health care practice, the threats posed by noise remain "often underestimated," according to the International Commission on Biological Effects of Noise.

Researchers and clinicians are trying to change this. They've shown that noise pollution not only drives hearing loss, tinnitus, and hypersensitivity to sound, but can cause or exacerbate cardiovascular disease; type 2 diabetes; sleep disturbances; stress; mental health and cognition problems, including memory impairment and attention deficits; childhood learning delays; and low birth weight. Scientists are investigating other possible links, including to dementia.

Continued funding uncertainty jeopardizes promising HMS research advances.

Research also reveals how noise pollution connects with climate change. Many contributors to global warming generate noise, chief among them transportation and fossil fuel extraction and processing. Urban sprawl and deforestation destroy natural carbon absorption reservoirs while removing natural sound buffers. Technologies that help people deal with climate change, like air conditioners and generators, can be noisy. Conversely, certain climate mitigation strategies such as creating green spaces in concrete jungles offer opportunities to muffle noise.

Wanted: better models

Estimates hold that chronic noise exposure contributes to 48,000 new cases of heart disease in Europe each year and disrupts the sleep of 6.5 million people. Quantifying noise pollution's contribution to health problems and death in the United States, however, remains a challenge because of poor measuring and monitoring, says Peter James, an HMS associate professor of population medicine in Harvard Pilgrim Health Care Institute's Department of Population Medicine. This makes it harder to determine the best policies and medical practices for care.

"The U.S. hasn't really funded noise control or noise research since the 1980s," says James. "It's a big problem. We need to prioritize this so we can really pin down how noise affects health."

> To say the onus is on the individual to fix their noise exposure is not feasible.

James helps colleagues apply existing noise modeling data to large cohort studies, such as the Nurses' Health Study, to analyze participants' noise exposures and health outcomes. The models have low resolution, however, and working with them can be frustrating: researchers can't be sure whether a negative finding means noise doesn't contribute to a particular outcome, such as something as seemingly unrelated as menopause onset, or the data weren't robust enough to reveal a connection. James hopes to augment epidemiological data with input from participants using sensors and apps, which can deliver precise location and health information.

"Given what we do know, noise is too significant an issue for us to sit around and wait to have perfect data," he says.

James led a seminal 2017 study, published in *Environmental Health Perspectives*, which shows that people in neighborhoods with low socioeconomic status and higher proportions of residents of color bear the brunt of noise pollution in this country.

"We want our patients to reduce their exposure as much as possible, such as wearing ear plugs or investing in soundproofing insulation, but that's not possible for

many who live in the noisiest areas," he says. "To say the onus is on the individual to fix their noise exposure is not feasible."

Heart, felt

Another branch of inquiry focuses on how vibrations from noise can cause impairments. Part of the answer lies in the stress-response system. Researchers have found that the more people are bothered by noise, the greater the health risks they face from it. Yet, even those who tune out noise pollution, whether when awake or asleep, experience autonomic stress reactions.

Ahmed Tawakol, an HMS associate professor of medicine at Massachusetts General Hospital, and Michael Osborne, an HMS instructor in medicine at Mass General, have used advanced PET scanning to show that transportation noise is associated with heightened activity of the amygdala relative to regulatory cortical regions. Amygdalar activity can trigger stress pathways, including inflammation, that can lead to cardiovascular and metabolic diseases. Participants with a higher ratio of amygdalar to cortical activity had more risk for adverse outcomes in follow-up. The link persisted even after accounting for other disease risk factors.

In the clinic, Tawakol and Osborne say that evidence supports strategic intervention rather than trying to squeeze questions about noise into each patient encounter.

"If a patient mentions noise as a cause of stress, especially if they have or are at risk of cardiovascular disease, I'd certainly recommend personal noise mitigation strategies and stress reduction techniques," Osborne says.

As researchers reveal the mechanisms and magnitude of noise-induced illness, clinicians will become better equipped to identify at-risk patients and prescribe effective solutions.

ABSTRACT

Noise pollution is a pervasive environmental issue with significant adverse effects on human health. This abstract explores the impact of noise pollution on both physical and mental well-being, emphasizing its role in increasing risks for cardiovascular diseases, hearing loss, sleep disturbances, and cognitive impairments. Vulnerable populations, including children and the elderly, are particularly affected by high noise levels, which exacerbate stress, anxiety, and depression, and impair cognitive development in children. The economic implications of noise pollution are considerable, with substantial costs associated with healthcare and productivity losses, as well as negative effects on community cohesion and quality of life. Effective noise management is essential, requiring robust regulations, improved urban planning, and heightened public awareness. Further research is needed to understand the long-term health impacts, refine noise reduction technologies, and assess effects on specific populations. Interdisciplinary studies will be crucial in developing comprehensive strategies to mitigate the health impacts of noise pollution.

1. INTRODUCTION

1.1 Definition of Noise Pollution

Noise pollution, also known as environmental noise or sound pollution, refers to the presence of excessive or harmful levels of noise in the environment that disrupts the normal acoustic balance and adversely affects human health and well-being. According to the World Health Organization (WHO, 2018); Miedema and Oudshoorn (2001), noise pollution is defined as "unwanted or harmful sound emitted by various sources, which can interfere with normal activities such as sleeping, conversation, and working, and can contribute to adverse health effects" (WHO, 2018; Miedema & Oudshoorn, 2001). Noise pollution is typically characterized by its intensity, duration, and frequency, and it can have various sources.

1.2 Importance of Understanding Health Impacts

Studying the impacts of noise pollution on human health is crucial due to the wide range of adverse health effects associated with excessive noise exposure. According to the World Health Organization (WHO, 2018), noise pollution is linked to several health issues, including cardiovascular diseases, hearing loss, and sleep disturbances. The WHO report emphasizes that understanding these impacts is essential for developing effective public health strategies and mitigating the negative effects of noise pollution on populations (WHO, 2018).

Research by Basner et al. (2014) highlights that chronic exposure to high levels of noise can lead to significant health problems such as hypertension, heart disease, and stroke. The study underscores the importance of studying noise pollution's health impacts to inform public health policies and preventive measures. By identifying and quantifying these health risks, researchers can provide evidence-based recommendations to reduce exposure and protect public health (Basner et al., 2014).

1.3 Impact on Mental Health and Cognitive Function

The impact of noise pollution on mental health and cognitive function is another critical area of research. A study by Stansfeld and Matheson (2003) found that noise exposure is associated with increased stress, anxiety, and depression. The study highlights the need for comprehensive research into how noise pollution affects mental well-being and cognitive performance, as these effects can have far-reaching implications for individuals' quality of life and overall health (Stansfeld & Matheson, 2003).

Additionally, research by Stansfeld et al. (2005) discusses the effects of noise pollution on cognitive development in children. The study indicates that exposure to high levels of environmental noise can impair children's learning abilities and academic performance. Understanding these impacts is crucial for developing strategies to protect vulnerable populations, such as children, from the detrimental effects of noise pollution (Stansfeld et al., 2005).

1.4 Social and Economic Implications

Examining the social and economic implications of noise pollution is also vital. A study by Babisch (2006) explores the economic costs associated with noise-induced health problems, including medical expenses and productivity losses. The research emphasizes that quantifying these costs can help policymakers

and stakeholders make informed decisions about noise management and interventions. By addressing the economic burden of noise pollution, societies can better allocate resources and implement effective measures to reduce noise exposure (Babisch, 2006). Furthermore, research by Weinstein (1978) investigates the broader social impacts of noise pollution, including its effects on social behavior and community well-being. The study highlights that noise pollution can lead to reduced quality of life and social cohesion, underscoring the importance of studying these aspects to develop holistic approaches to noise management and improve overall community health (Weinstein, 1978).

1.5 The Aims of the Review

The comprehensive summaries of the literature are essential to understanding the breadth and depth of research on noise pollution and its health impacts. The primary aim of this review is to summarize and analyze the existing literature on the health effects of noise pollution. A meta-analysis by Basner et al. (2014) supports the importance of such reviews, emphasizing that synthesizing existing research helps in understanding the overall impact of noise pollution on health. The meta-analysis consolidates data from multiple studies to draw broader conclusions about noise-induced health risks. This method of summarization is crucial for developing evidence-based recommendations and public health strategies (Basner et al., 2014).

Another key objective of this review is to analyze the specific health effects of noise pollution as reported in the literature. Research by Babisch (2006) highlights the need for detailed analysis of how noise exposure affects various health outcomes, including cardiovascular disease, hearing loss, and sleep disorders (Babisch, 2006).

Moreover, the review aims to explore the mechanisms through which noise pollution affects health, as discussed by World Health Organization (2011). Understanding these mechanisms is essential for developing targeted interventions and policies. The analysis of existing literature will focus on identifying common pathways and risk factors associated with noise exposure, thereby contributing to more effective noise management strategies (World Health Organization, 2011).

Finally, the review aims to inform policy and practice by providing a consolidated perspective on the health impacts of noise pollution. According to WHO (2018), summarizing and analyzing the literature helps policymakers and practitioners make informed decisions about noise control measures. By presenting a comprehensive overview of the health effects, the review can guide the development of more effective regulations and public health initiatives aimed at reducing noise pollution and its adverse effects (WHO, 2018).

2. SOURCES AND TYPES OF NOISE POLLUTION

2.1 Transportation Noise

2.1.1 Road Traffic Noise

Road traffic noise is a significant source of environmental noise pollution in urban and suburban areas. According to a study by van Kempen et al. (2002), road traffic contributes substantially to overall noise levels, with vehicles generating noise through engine operation, tire-road interactions, and aerodynamic effects. This type of noise is particularly pervasive due to the high volume of vehicles and the continuous nature of road traffic. The study highlights that road traffic noise is associated with various health problems, including increased risk of cardiovascular diseases, increased stress levels and hearing impairment (van Kempen et al., 2002).

A study by Basner et al. (2014) examines the impact of traffic noise on residential areas, noting that vehicles such as cars, trucks, and buses generate high levels of noise that can contribute to elevated noise pollution levels. The study highlights how traffic noise affects public health by increasing stress levels, causing sleep disturbances, contributing to cardiovascular problems, hypertension and impaired cognitive function. The study underscores the need for effective noise management strategies to mitigate the adverse effects of traffic noise on urban populations (Basner et al., 2014).

Another research by Babisch (2006) further explores the health impacts of road traffic noise, emphasizing its correlation with stress-related disorders and sleep disturbances. The study suggests that chronic exposure to road traffic noise can lead to hypertension and elevated cortisol levels. By examining the relationship between road traffic noise and health outcomes, this research underscores the importance of addressing road traffic noise as a public health concern (Babisch, 2006).

2.1.2 Aviation Noise

Aviation noise is another major source of environmental noise, especially in areas near airports. Research by Miedema and Oudshoorn (2001) indicates that noise from aircraft operations can significantly impact residents living near airports, with noise levels potentially reaching high decibels during takeoff and landing. The study finds that aviation noise is linked to adverse health effects, including sleep disturbances, cardiovascular problems, and cognitive impairments in children (Miedema & Oudshoorn, 2001).

The work by Ising and Kruppa (2004) supports these findings, noting that exposure to aviation noise can lead to chronic stress and exacerbate existing health conditions. The study emphasizes the need for effective noise mitigation strategies around airports to protect public health and improve the quality of life for those affected by aviation noise (Ising & Kruppa, 2004).

2.1.3 Railway Noise

Railway noise, generated by trains and associated infrastructure, is a significant contributor to environmental noise pollution, particularly in areas near railways. A review by Basner et al. (2011) discusses the sources of railway noise, including the noise from train engines, rail-wheel interactions, and the operation of signaling equipment. The study highlights that railway noise can have substantial health impacts, including increased risk of cardiovascular disease, sleep disruption, and reduced quality of life for those living close to railways (Basner et al., 2011).

Additionally, research by Dratva et al. (2012); Van Kempen & Babisch, (2012) explores the specific health effects of railway noise, including its association with stress and annoyance. The study finds that prolonged exposure to railway noise can lead to adverse health outcomes such as hypertension and psychological distress. The research underscores the need for targeted interventions to reduce railway noise and mitigate its impact on public health (Dratva et al., 2012; Van Kempen & Babisch, 2012).

2.2 Industrial Noise

Industrial activities are another major source of noise pollution, with factories and manufacturing plants often producing high levels of noise due to machinery, equipment, and production processes. A study by Stansfeld & Matheson (2003) investigates noise pollution from industrial sources, finding that industrial noise can significantly impact nearby communities by contributing to high noise levels and disrupting daily activities. Research by Basner et al. (2014) indicates that industrial operations, such as manufacturing and processing, produce continuous and often loud noise that can affect workers and nearby communities. The studies emphasizes that noise from industrial sources can lead to hearing loss, sleep disturbances, increased risk of cardiovascular diseases and other health problems (Basner et al., 2014; Stansfeld & Matheson, 2003).

Moreover, research by Van Loenhout et al. (2016) explores the environmental impact of industrial noise, noting that it can affect not only human health but also wildlife and ecosystems. The study emphasizes the importance of implementing noise control measures in industrial settings to reduce the environmental and health impacts of noise pollution (Van Loenhout et al., 2016).

2.2.1 Factory Noise

Factory noise is a significant environmental concern, particularly in industrialized regions where manufacturing activities are concentrated. Research by Neitzel & Seixas (2005) highlights that factory noise primarily originates from machinery, equipment, and production processes. The study notes that this type of noise can lead to various health problems, including hearing loss, stress, and reduced work performance. The constant exposure to high levels of noise in factories necessitates effective noise control measures to protect workers' health and improve workplace conditions (Neitzel & Seixas, 2005).

Another study by Nelson et al. (2005) emphasizes the occupational health risks associated with factory noise. The research finds that prolonged exposure to high noise levels in factories is linked to an increased risk of developing noise-induced hearing loss and other auditory disorders. The study advocates for stringent regulations and the implementation of noise reduction strategies to mitigate these risks and ensure a safer working environment (Nelson et al., 2005).

2.2.2 Construction Site Noise

Construction sites are known for generating significant amounts of noise due to the use of heavy machinery, demolition activities, and material handling. A review by Van Kempen & Babisch (2012) discusses the sources of noise at construction sites, including excavators, bulldozers, and cranes. The study highlights the impact of construction noise on nearby residents and workers, noting that it can lead to sleep disturbances, increased stress levels, and cardiovascular issues (Van Kempen & Babisch, 2012). Research by Berglund et al. (2020) further explores the health impacts of construction noise, finding that it can lead to increased stress levels, sleep disturbances, and reduced quality of life for those living or working near construction sites. The study advocates for the implementation of noise abatement strategies and regulations to minimize the impact of construction noise on affected communities (Berglund et al., 2020).

Additionally, research by Neitzel & Seixas (2005) explores the health effects of construction noise on workers. The study reports that exposure to high noise levels on construction sites can result in auditory fatigue, decreased concentration, and heightened risk of accidents. The research underscores the need for implementing effective noise control measures and providing hearing protection to reduce these adverse effects (Neitzel & Seixas, 2005).

2.2.3 Mining Noise

Mining operations, including both surface and underground mining, generate substantial noise due to drilling, blasting, and machinery. Research by Berglund et al. (2000) examines the sources of noise in mining activities and its impact on both workers and surrounding communities. The study finds that mining noise can contribute to hearing loss, cardiovascular problems, and sleep disorders among workers. It also affects the quality of life of nearby residents, emphasizing the need for improved noise management practices in the mining industry (Dahlberg, 2000).

Another study by Neitzel & Seixas (2005) assesses the health impacts of mining noise, focusing on its effects on worker safety and health. The research highlights that prolonged exposure to mining noise can lead to significant health issues, including hearing impairment, increased blood pressure, and stress-related disorders. The study advocates for the development of noise control technologies and policies to mitigate these health risks and enhance occupational safety (Neitzel & Seixas, 2005).

2.3 Community Noise

2.3.1 Recreational Activities

Recreational activities, such as loud music events, sports games, and outdoor gatherings, contribute significantly to community noise pollution. A study by Stansfeld and Clark (2015) examines the impact of recreational noise on local communities, particularly focusing on noise from outdoor concerts and sports events. The research highlights that such activities often generate noise levels that exceed acceptable limits, leading to increased noise complaints and health issues among residents. The study emphasizes the need for effective noise management practices during recreational events to mitigate their impact on community well-being (Stansfeld & Clark, 2015).

Research by Basner and McGuire (2018) further explores the health effects of noise from recreational activities, noting that exposure to high levels of noise can cause stress, sleep disturbances, and hearing impairment. The study suggests that noise regulations and noise control measures should be implemented to reduce the adverse effects of recreational noise on public health (Basner & McGuire, 2018).

2.3.2 Public Events

Public events, such as festivals, parades, and demonstrations, are major sources of community noise. A study by Stansfeld et al. (2005) investigates the impact of public events on noise levels and community health. The research finds that large public gatherings often lead to elevated noise levels, which can affect the quality of life of nearby residents. The study highlights the importance of balancing the benefits of public events with the need to manage noise levels to protect community health and well-being (Stansfeld et al., 2005).

Additionally, research by Basner et al. (2014) examines the long-term effects of noise from public events on residents. The study notes that frequent exposure to high noise levels from public events can lead to chronic health issues, including cardiovascular problems and psychological stress. The research advocates for the implementation of noise control strategies and effective event planning to minimize health risks associated with public events (Basner et al. 2014).

2.3.3 Social Gatherings

Social gatherings, such as parties, weddings, and neighborhood events, contribute to community noise pollution, particularly in residential areas. A study by Fields (1993) explores the impact of social gathering noise on residential communities, focusing on noise from private parties and family events. The research finds that noise from these activities can lead to significant disturbances for neighbors, including sleep disruptions and increased stress levels. The study highlights the need for community-based noise regulations and strategies to manage noise from social gatherings (Fields, 1993).

Research by Kang et al (2016) supports these findings, noting that social gathering noise can exacerbate existing health conditions and reduce overall quality of life for residents. The study emphasizes the importance of public education and awareness campaigns to encourage responsible noise management during social events (Kang et al.2016).

Additionally, research by Jarosińska et al. (2018) explores the role of noise regulations in managing noise from social events. The study emphasizes the importance of balancing the need for community events with the need to protect residents from excessive noise pollution. It advocates for the development of guidelines and policies to manage noise levels during public gatherings (Jarosińska et al., 2018).

2.4 Residential Noise

2.4.1 Household Activities

Household activities, including loud appliances, home renovations, and parties, contribute significantly to residential noise pollution. Research by Passchier-Vermeer and Passchier (2000) explores the impact of common household noise sources, such as vacuum cleaners, washing machines, and power tools. The study highlights that these activities can lead to noise levels that disrupt daily life and affect residents' well-being. It emphasizes the importance of noise control measures, such as using quieter appliances and scheduling noisy activities during less sensitive times, to mitigate these effects (Passchier-Vermeer & Passchier, 2000).

Another study by Basner et al. (2014) investigates the health impacts of household noise, finding that exposure to high levels of noise from household activities can result in sleep disturbances, increased stress levels, and cardiovascular issues. The study recommends implementing noise-reducing technologies and improving building insulation to address these health concerns (Basner et al., 2014).

2.4.2 Pets

Pets, particularly dogs and cats, can contribute to residential noise through barking, meowing, and other vocalizations. Research by Appleby et al. (2002) examines the impact of pet noise on residents, noting that pet-related noise can cause significant disturbances and stress for neighbors. The study highlights the need for responsible pet ownership practices, such as training and managing pets' vocalizations, to reduce the impact of pet noise on the community (Appleby et al., 2002).

Additionally, research by Evans and Lepore (1993) explores the psychological effects of pet noise on residents. The study finds that persistent noise from pets can exacerbate existing mental health conditions and contribute to overall stress. The research advocates for public awareness campaigns and community guidelines to address pet noise and improve residential harmony (Evans, & Lepore, 1993).

2.4.3 Neighbors

Noise from neighbors, including loud music, parties, and social gatherings, is a common issue in residential areas. A study by Stansfeld et al. (2003) investigates the effects of neighbor noise on health, finding that noise from neighboring properties can lead to sleep disturbances, increased stress, and reduced quality of life. The research emphasizes the importance of establishing clear noise regulations and promoting good neighborly relations to manage residential noise effectively (Stansfeld et al., 2003).

Research by Brown and van Kamp (2009) further explores the impact of neighbor noise, focusing on the relationship between residential noise and mental health. The study finds that chronic exposure to noise from neighbors is associated with higher levels of anxiety and depression. It highlights the need for community-based interventions and noise management strategies to address these health impacts (Brown & van Kamp 2009).

3. HEALTH IMPACTS OF NOISE POLLUTION

3.1 Hearing Loss

3.1.1 Chronic Noise Exposure and Hearing Impairment

Chronic exposure to high noise levels is a well-documented cause of hearing impairment. A seminal study by Nelson et al. (2005) reviews the effects of occupational noise exposure on hearing loss, emphasizing that long-term exposure to loud environments significantly increases the risk of both sensorineural and conductive hearing loss. The study highlights that workers in industries such as manufacturing, construction, and mining are particularly vulnerable to hearing damage due to consistent exposure to high noise levels (Nelson et al., 2005).

Further research by Serra et al. (2005) explores the relationship between noise exposure and hearing impairment in non-occupational settings. The study finds that individuals exposed to high noise levels from recreational activities, such as concerts and loud music, also face a heightened risk of hearing loss. The research underscores the importance of protective measures and public awareness to prevent hearing damage from recreational noise (Serra et al., 2005).

3.1.2 Tinnitus and Noise Exposure

Tinnitus, characterized by a persistent ringing or buzzing in the ears, is often associated with chronic noise exposure. A comprehensive review by Henry (2005) examines the link between noise exposure and tinnitus, noting that prolonged exposure to high noise levels can lead to the development and exacerbation of tinnitus. The review highlights that tinnitus can be both a primary condition and a secondary effect of hearing loss caused by noise exposure (Henry, 2005).

In addition, a study by Shore et al. (2016) investigates the mechanisms underlying noise-induced tinnitus. The research reveals that noise-induced hearing damage can lead to alterations in auditory processing pathways, contributing to the perception of tinnitus. The study emphasizes the need for continued research into tinnitus prevention and treatment strategies, particularly in populations exposed to high levels of noise (Shore et al., 2016).

3.2 Cardiovascular Effects

3.2.1 Hypertension

Research indicates a strong correlation between noise pollution and the development of hypertension. A study by Babisch (2008) investigates how chronic exposure to traffic noise affects blood pressure. The research highlights that long-term exposure to elevated noise levels from road traffic can lead to an increase in systolic and diastolic blood pressure, contributing to the development of hypertension. The study concludes that noise pollution is a significant risk factor for high blood pressure and recommends implementing noise control measures to mitigate these effects (Babisch, 2008).

Further research by Van Kempen and Babisch (2012) explores the relationship between noise pollution and hypertension in urban environments. The study finds that individuals living in high-noise areas, such as near busy roads or industrial zones, are at a greater risk of developing hypertension compared to those in quieter areas. The research emphasizes the importance of urban planning and noise abatement strategies to address the cardiovascular risks associated with noise pollution (Van Kempen & Babisch, 2012).

3.2.2 Heart Attacks

The association between noise pollution and heart attacks has been well-documented in several studies. A study by Sørensen et al. (2012) examines the impact of noise exposure on the incidence of myocardial infarction. The research shows that individuals exposed to high levels of noise from sources like road traffic and industrial activities have an increased risk of heart attacks. The study suggests that noise pollution acts as a stressor that contributes to cardiovascular events by elevating stress hormones and disrupting normal physiological processes (Sørensen et al., 2012).

Research by Babisch (2014) provides further evidence of the link between noise pollution and heart attacks. The study analyzes data from multiple cities and finds a significant correlation between long-term exposure to environmental noise and the incidence of myocardial infarction. The research highlights the need for effective noise control measures to reduce the burden of cardiovascular diseases related to noise exposure (Babisch, 2014).

3.2.3 Stroke

Noise pollution has also been associated with an increased risk of stroke. A study by Sørensen et al. (2011) investigates the relationship between environmental noise and the incidence of stroke. The research finds that individuals exposed to high levels of noise, particularly from road traffic, are at a greater risk of experiencing stroke compared to those in quieter environments. The study attributes this risk to the effects of noise on blood

pressure and stress levels, which can contribute to stroke (Sørensen et al., 2011).

Further research by Halonen et al. (2015) explores the effects of noise pollution on stroke risk, focusing on urban populations. The study shows that exposure to chronic noise pollution is linked to an increased incidence of stroke, highlighting the role of noise as a significant public health issue. The study recommends integrating noise reduction strategies into public health policies to address the cardiovascular risks associated with noise pollution (Halonen et al., 2015).

3.3 Mental Health

3.3.1 Stress

Noise pollution has been shown to significantly impact mental health, particularly through increased stress levels. A study by Stansfeld and Matheson (2003) reviews the relationship between environmental noise and psychological stress. The research finds that chronic exposure to high levels of noise from traffic and industrial sources can lead to elevated stress responses, including higher levels of cortisol, a stress hormone. The study emphasizes that managing environmental noise is crucial for reducing stress-related health issues (Stansfeld & Matheson, 2003).

Another study by Evans and Lepore (1993) investigates the effects of noise pollution on stress among urban populations. The study shows that individuals living in high-noise environments experience higher levels of perceived stress, which can negatively affect overall well-being. The research suggests that noise mitigation strategies and improved urban planning are essential for addressing the stress-related impacts of noise pollution (Evans & Lepore, 1993).

3.3.2 Anxiety

Noise pollution is also linked to increased anxiety levels. A study by Tortorella et al. (2022) examines the correlation between noise exposure and anxiety disorders. The research finds that chronic exposure to environmental noise is associated with higher anxiety levels and increased prevalence of anxiety disorders among affected individuals. The study highlights the need for public health interventions and noise reduction policies to address anxiety related to noise pollution (Tortorella et al., 2022).

Further research by WHO (2018) provides additional evidence on the impact of noise pollution on mental health, focusing on anxiety. The report discusses how noise can disrupt sleep and contribute to anxiety disorders, particularly in urban areas with high noise levels. The World Health Organization emphasizes the importance of reducing noise pollution to improve mental health outcomes and quality of life (WHO, 2018).

3.3.4 Depression

The relationship between noise pollution and depression has been well-documented in various studies. Research by Liu et al. (2021) investigates the effects of noise pollution on depressive symptoms. The study finds that exposure to high levels of noise from sources like road traffic and construction can contribute to the development of depression. The research suggests that reducing noise exposure through urban planning and noise abatement measures can help mitigate these effects (Liu et al., 2021).

A study by Sygna et al. (2014) explores the impact of noise pollution on depressive disorders, finding a significant correlation between chronic noise exposure and increased risk of depression. The research highlights the role of noise in exacerbating mental health conditions and advocates for comprehensive noise management strategies to address these issues (Sygna et al., 2014).

3.4 Sleep Disturbance

3.4.1 Insomnia

Noise pollution is a well-documented contributor to sleep disturbances, including insomnia. A study by Basner et al. (2014) investigates the effects of environmental noise on sleep quality and insomnia. The research shows that exposure to high levels of noise, particularly from road traffic and aircraft, can lead to significant disruptions in sleep patterns and an increased incidence of insomnia. The study highlights that persistent noise exposure can lead to difficulties in falling asleep, frequent awakenings, and reduced overall sleep duration (Basner et al., 2014).

Further research by Miedema and Vos (1998) explores the relationship between noise exposure and insomnia in urban populations. Their study finds that individuals exposed to chronic noise pollution are at a higher risk of developing insomnia symptoms. The research suggests that noise mitigation strategies, such as sound insulation and reduced noise emissions, are crucial for improving sleep quality and reducing the prevalence of insomnia (Miedema & Vos, 1998).

3.4.2 Sleep Apnea

The impact of noise pollution on sleep apnea has also been studied extensively. Research by Halonen et al. (2012) examines how noise exposure contributes to the development and exacerbation of sleep apnea. The study finds that individuals exposed to high levels of environmental noise are at an increased risk of developing sleep apnea, a condition characterized by repeated interruptions in breathing during sleep. The research attributes this risk to the physiological stress responses triggered by chronic noise exposure, which can disrupt normal sleep patterns and exacerbate sleep apnea (Halonen, et al., 2012).

Additionally, a study by Basner and McGuire (2018) investigates the relationship between noise pollution and obstructive sleep apnea. The research shows that noise-induced sleep disturbances can contribute to the severity of sleep apnea, highlighting the need for effective noise control measures to manage sleep-related health issues. The study emphasizes that addressing noise pollution can be beneficial in reducing the impact of sleep apnea on affected individuals (Basner & McGuire, 2018).

3.5 Cognitive Function

3.5.1 Cognitive Performance

Noise pollution has been shown to negatively impact cognitive performance, affecting various aspects of mental functioning. A study by Hygge et al. (2002) examines how exposure to environmental noise impairs cognitive performance in adults. The research finds that chronic noise exposure, particularly from traffic, can lead to decreased performance on tasks requiring attention, problem-solving, and working memory. The study highlights that noise pollution disrupts cognitive processes by increasing stress and reducing the ability to focus (Hygge et al., 2002).

Further research by Jahncke et al. (2011) explores the effects of noise on cognitive performance in office environments. The study demonstrates that noise exposure impairs performance on tasks involving complex cognitive processes, such as reading comprehension and mental arithmetic. The researchers attribute these effects to the cognitive load imposed by background noise, which competes with the mental resources needed for task performance (Jahncke et al., 2011).

3.5.2 Learning

The impact of noise pollution on learning, particularly in educational settings, has been extensively studied. A seminal study by Evans and Lepore (1993) investigates the effects of noise on children's learning outcomes in schools. The research finds that high levels of classroom noise negatively affect students' ability to learn, leading to lower academic performance. The study emphasizes that noise pollution disrupts the learning environment, making it harder for students to concentrate and absorb information (Evans & Lepore, 1993).

Another study by Shield and Dockrell (2008) examines the relationship between noise exposure and learning in primary school children. The research highlights that exposure to traffic noise and other environmental noise sources can adversely affect children's academic achievement and cognitive development. The study calls for noise control measures in schools to improve learning conditions and support better educational outcomes for children (Shield & Dockrell, 2008).

3.5.3 Memory

Noise pollution has also been linked to impairments in memory function. A study by Hygge et al. (2002) explores how noise affects memory performance in young adults. The research finds that exposure to noise disrupts memory consolidation processes, leading to poorer recall and retention of information. The study suggests that the interference caused by noise can hinder the ability to encode and retrieve memories effectively (Hygge et al., 2002).

Research by Stansfeld et al. (2005) investigates the impact of noise pollution on memory in children. The study finds that children exposed to high levels of environmental noise exhibit deficits in both working memory and long-term memory. The research highlights that noise-induced stress and cognitive overload contribute to these memory impairments, underscoring the need for quieter learning environments to support cognitive development (Stansfeld et al., 2005).

3.6 Impact on Children

3.6.1 Child Development

Noise pollution can significantly impact child development, affecting various aspects of physical and cognitive growth. A study by Stansfeld and Clark (2015) examines the effects of environmental noise on children's development, finding that exposure to high levels of noise can hinder cognitive development and emotional regulation. The research highlights that children in noisy environments are at risk of developmental delays, including issues with language acquisition and executive function (Stansfeld & Clark, 2015).

Further research by Berglund et al. (2000) supports these findings, showing that noise pollution can disrupt early childhood development. The study indicates that noise exposure during critical developmental periods can lead to long-term developmental challenges, including impaired social skills and lower academic achievement. The research emphasizes the importance of reducing noise exposure to support optimal child development (Berglund et al., 2000).

3.6.2 Academic Performance

The impact of noise pollution on academic performance in children has been well-documented. A study by Haines et al. (2001) investigates how noise affects children's academic outcomes in schools. The research finds that chronic exposure to noise from traffic and other sources can lead to reduced academic performance, particularly in areas such as reading and mathematics. The study underscores the need for noise control measures in educational settings to improve learning conditions and academic achievement (Haines et al., 2001).

Another study by Evans and Lepore (1993) explores the relationship between noise exposure and academic performance among school-aged children. The findings reveal that higher levels of environmental noise are associated with lower scores on standardized tests and decreased overall academic performance. The research highlights the detrimental effects of noise on cognitive processes essential for learning and academic success (Evans & Lepore, 1993).

3.6.3 Behavioral Issues

Noise pollution can also contribute to behavioral issues in children, such as increased aggression and hyperactivity. A study by Evans and Lepore (1993) examines the relationship between noise exposure and behavioral problems in children. The research finds that chronic noise exposure is associated with increased levels of aggression, impulsivity, and behavioral difficulties. The study suggests that noise acts as a stressor, negatively influencing children's behavior and social interactions (Evans & Lepore, 1993).

Further investigation by Hygge et al. (2002) supports these findings, showing that noise pollution can lead to heightened stress responses and behavioral issues in children. The study highlights that noise exposure can exacerbate existing behavioral problems and contribute to new issues, such as attention deficits and increased anxiety. The research emphasizes the need for interventions to reduce noise exposure and mitigate its effects on child behavior (Hygge et al., 2002).

4. GLOBAL AND REGIONAL TRENDS IN NOISE POLLUTION

4.1 Low-Income Communities

Low-income communities often experience higher levels of exposure to noise pollution due to their proximity to sources of noise such as major roads, industrial areas, and airports. Research by Evans and Marcynyszyn (2004) highlights that socio-economic disparities lead to increased noise exposure for disadvantaged populations. The study shows that lower-income neighborhoods are more likely to be located near high-traffic areas and industrial facilities, resulting in higher noise levels compared to wealthier neighborhoods (Evans & Marcynyszyn, 2004).

Additionally, a study by Carrier et al. (2016) finds that socio-economic factors contribute to greater exposure to environmental noise in low-income communities. The research suggests that these communities are often situated in areas with inadequate noise barriers and are more exposed to noise from transportation and industrial sources (Carrier et al., 2016).

The health impacts of noise pollution are disproportionately severe in low-income communities, where residents are more vulnerable to noise-related health problems. Research by Basner et al. (2014) shows that individuals in disadvantaged communities experience higher rates of cardiovascular diseases, mental health issues, and hearing loss due to chronic noise exposure. The study emphasizes that the compounded effects of socio-economic disadvantage and noise pollution exacerbate health disparities in these populations (Basner et al., 2014).

Moreover, a study by Ising and Kruppa (2004) highlights that low-income communities are more likely to suffer from stress-related health conditions linked to noise pollution. The research finds that chronic exposure to high noise levels contributes to increased stress and associated health problems, such as hypertension and anxiety, which are more prevalent in socio-economically disadvantaged groups (Ising & Kruppa, 2004).

Disadvantaged communities often lack the resources necessary to mitigate the effects of noise pollution, including access to noise barriers, soundproofing, and other noise reduction measures. A study by Haines et al. (2002) examines the socio-economic barriers to noise mitigation in low-income neighborhoods, finding that these communities are less likely to have the financial means to invest in noise-reducing measures or to advocate for noise abatement policies (Haines et al., 2002).

Furthermore, research by Evans and Marcynyszyn (2004) shows that low-income communities face greater challenges in implementing effective noise control measures. The study finds that inadequate housing conditions and limited community resources contribute to higher exposure to noise pollution and poorer health outcomes in these areas (Evans & Marcynyszyn, 2004).

4.2 Global Overview: Trends in Noise Pollution

Global trends indicate that noise pollution is a growing concern, with significant increases in noise levels due to urbanization, industrialization, and transportation. The World Health Organization (WHO) highlights that noise pollution is prevalent in many urban areas worldwide, with growing evidence of its impact on health and well-being. The WHO's report on environmental noise pollution underscores the widespread issue of increasing noise levels in cities and the need for effective management strategies (WHO, 2018).

Additionally, the United Nations Environment Programme (UNEP) reports that noise pollution has become a global environmental issue, with urban areas experiencing elevated noise levels from traffic, construction, and industrial activities. The UNEP's Global Environmental Outlook emphasizes the need for comprehensive noise management and reduction strategies to address this growing problem (Citaristi, 2022).

The health impacts of noise pollution are increasingly recognized as a significant public health issue. According to the WHO, exposure to high levels of environmental noise is associated with various health problems, including cardiovascular diseases, hearing loss, and mental health issues. The WHO's Environmental Noise Guidelines provide a comprehensive overview of the adverse health effects related to noise pollution and offer recommendations for managing noise exposure (WHO, 2018). In low- and middle-income countries often face higher exposure levels due to rapid urbanization and limited noise control measures. This underscores the need for targeted interventions to address noise pollution in high-risk regions.

4.3 Regional Focus

In North America, noise pollution is a significant issue due to high levels of urbanization and transportation infrastructure. Research by Babisch (2011) discusses the increasing noise levels in major North American cities and their associated health impacts. The study highlights that city like New York and Los Angeles experience elevated noise levels from traffic, which contributes to various health problems including cardiovascular diseases and impaired sleep quality (Babisch, 2011).

A study by Stansfeld and Matheson (2003) further explores the impact of noise pollution in Europe, emphasizing the correlation between noise exposure and adverse health effects. The research highlights that chronic exposure to noise is associated with

increased risks of hypertension, heart disease, and stress-related conditions in European populations (Stansfeld & Matheson, 2003).

Asia faces significant challenges related to noise pollution due to rapid urbanization and industrialization. A study by Das and Basak (2020) examines noise pollution trends in major Asian cities, revealing high levels of noise from traffic and construction activities. The research highlights that these elevated noise levels are associated with a range of health problems, including hearing loss, cardiovascular diseases, and mental health issues (Das & Basak, 2020).

4.4 Technological Solutions in Noise Reduction

4.4.1 Quieter Machinery

Advancements in machinery design have significantly contributed to noise reduction. Modern engineering practices focus on reducing noise emissions from industrial and construction equipment. For example, research by Bies et al. (2017) highlights the development of quieter machinery through improved design and material selection. The study discusses innovations such as quieter engines and mufflers, which have been effective in lowering noise levels in various industrial applications (Bies et al., 2017).

Similarly, the International Organization for Standardization (ISO) has established standards for reducing noise from machinery. ISO 11688-1:1995 provides guidelines for the design and construction of machinery to minimize noise emissions. The implementation of these standards has led to significant improvements in machinery noise control, benefiting both industrial workers and nearby communities (Manvell, 2024).

4.4.2 Sound Insulation Materials

The development of advanced sound insulation materials has played a crucial role in reducing noise pollution. Materials such as acoustic panels, foams, and composites are designed to absorb and block sound effectively. Research by Gao et al. (2022) reviews the latest innovations in sound insulation materials, including the use of porous materials and acoustic metamaterials, which offer enhanced sound attenuation properties (Gao et al. 2022).

Furthermore, advancements in building construction have integrated these materials into architectural designs to improve noise control. For example, the use of double-glazed windows and acoustic insulation in walls and floors has been shown to significantly reduce indoor noise levels (Crocker et al., 2018). These solutions are widely implemented in both residential and commercial buildings to enhance acoustic comfort.

4.4.3 Noise-Canceling Devices

Noise-canceling technology has advanced significantly with the development of active noise control systems. These systems use microphones and speakers to detect and counteract unwanted noise through sound wave interference. Research by Lee et al. (2021) provides a comprehensive review of noise-canceling technologies, including adaptive algorithms and real-time noise reduction systems used in headphones and other personal devices (Lee et al., 2021).

In addition to consumer electronics, noise-canceling technology is also being applied in larger-scale environments such as aircraft cabins and offices. The integration of these systems has been shown to improve acoustic comfort and reduce the impact of noise pollution on health and productivity (Hsu et al., 2014).

4.5 Public Awareness and Education: Role in Reducing Noise Pollution Exposure

4.5.1 Public Awareness Campaigns

Public awareness campaigns are essential for educating individuals about the health risks associated with noise pollution and encouraging behavioral changes to reduce exposure. Research by Basner et al. (2014) highlights the effectiveness of noise pollution awareness campaigns in urban settings. The study demonstrates that increased public awareness leads to higher community engagement in noise reduction efforts and supports the implementation of noise control measures (Basner et al., 2014).

Additionally, the World Health Organization (WHO) emphasizes the importance of public education in managing noise pollution. The WHO's guidelines on noise pollution recommend targeted public awareness campaigns to inform citizens about the health impacts of noise and promote practices that can mitigate exposure (WHO, 2018).

4.5.2 Community Engagement

Community engagement plays a critical role in addressing noise pollution by involving local residents in noise reduction initiatives and policy-making processes. A study by King et al. (2009) explores successful community engagement strategies in noise management, highlighting that involving community members in decision-making fosters a sense of ownership and responsibility, leading to more effective noise control outcomes (King et al., 2009).

Furthermore, the European Environment Agency (EEA) reports that community involvement in noise pollution management can significantly enhance the effectiveness of noise abatement strategies. The EEA's report underscores that community-driven initiatives, such as local noise monitoring and reporting systems, contribute to a better understanding of noise issues and promote collective action to reduce noise pollution (EEA, 2014).

4.5.3 Educational Programs

Educational programs targeting schools and workplaces are vital for raising awareness about noise pollution and promoting preventive measures. A study by Basner et al. (2014) examines the impact of educational programs on noise awareness in schools, finding that such programs effectively increase students' understanding of noise pollution and encourage them to adopt quieter behaviors (Basner et al., 2014).

Moreover, workplace noise education programs are crucial for protecting employees from noise-related health issues. Research by Lusk et al. (1999) highlights the success of workplace educational initiatives in reducing noise exposure and preventing occupational hearing loss. The study indicates that well-designed educational programs can lead to significant improvements in noise management practices and employee health (Lusk et al., 1999).

5. CHALLENGES AND FUTURE DIRECTIONS

5.1 Research Gaps: Identifying Areas for Further Study

While significant research has been conducted on the health impacts of high-level noise exposure, there is a need for further investigation into the long-term effects of low-level noise exposure. Research by Münzel et al. (2018) emphasizes the gap in understanding how chronic exposure to low-level noise affects health outcomes over extended periods. This includes potential impacts on cardiovascular health, mental health, and overall quality of life. The study suggests that more longitudinal research is needed to better understand these effects and inform public health recommendations (Münzel et al., 2018).

Additionally, the World Health Organization (WHO) has identified a need for further studies on low-level noise exposure to address this research gap. Their review indicates that while high-level noise exposure is well-documented, the health consequences of prolonged exposure to lower levels of noise remain underexplored, particularly in terms of chronic health conditions and vulnerable populations (WHO, 2018).

5.1.1 Impact of Emerging Noise Sources

The rapid development of new technologies and changes in urban environments have introduced new sources of noise pollution, which require further research. For instance, the rise of electric vehicles (EVs) presents new challenges for noise monitoring and regulation. Research by Campello-Vicente (2017) highlights that while EVs are generally quieter than traditional vehicles, they may still contribute to noise pollution in different ways, such as increased noise from tire friction and road surface interactions. Understanding the full impact of these emerging sources is crucial for developing effective noise control strategies (Campello-Vicente, 2017).

Moreover, the proliferation of digital and virtual technologies, such as online gaming and virtual reality, introduces novel noise sources that may impact residential and commercial noise environments. A study by Baliatsas et al. (2016) suggests that these new forms of noise require additional research to assess their potential health impacts and to develop appropriate mitigation measures (Baliatsas et al., 2016).

5.2 Policy Challenges: Barriers to Effective Noise Pollution Control

5.2.1 Political Challenges

Political challenges often impede the implementation of effective noise pollution control policies. One significant issue is the lack of political will or prioritization of noise pollution in comparison to other environmental and public health issues. Research by Stansfeld and Matheson (2003) highlights how noise pollution is frequently deprioritized in policy agendas, despite its significant impact on public health. This lack of prioritization can lead to insufficient regulatory measures and enforcement (Stansfeld & Matheson, 2003).

Furthermore, political fragmentation and differing priorities across jurisdictions can complicate efforts to address noise pollution comprehensively. For example, decentralized decision-making in federal systems can result in inconsistent noise regulations and enforcement practices, as noted by Miedema and Oudshoorn (2001) in their study on noise policy in the European Union (Miedema & Oudshoorn, 2001).

5.2.2 Economic Challenges

Economic factors also play a crucial role in the effectiveness of noise pollution control measures. Implementing noise control technologies and infrastructure improvements often requires significant financial investment, which can be a barrier for both governments and businesses. A study by Guski et al. (2017) discusses how economic constraints can limit the adoption of advanced noise reduction technologies and the enforcement of noise regulations, particularly in lower-income regions (Guski et al., 2017).

Additionally, the economic impacts of noise regulations on industries can lead to resistance against stringent noise control measures. For instance, industries may argue that noise reduction measures increase operational costs, leading to lobbying against such regulations. This economic resistance can delay or hinder the implementation of effective noise control policies (Andersen & Liefferink, 1997).

5.2.3 Social Challenges

Social challenges, including public awareness and community engagement, also affect noise pollution control efforts. Research by Basner et al. (2014) indicates that public awareness of noise pollution and its health impacts is often low, which can reduce the pressure on policymakers to address the issue. Without widespread public concern, there is less motivation for governments to prioritize and enforce noise control measures (Basner et al., 2014).

Furthermore, socio-economic disparities can exacerbate the challenges of noise pollution control. Low-income communities, which often experience higher levels of noise pollution, may lack the resources and political influence to advocate for effective noise control policies. Research by Morello-Frosch and Shenassa (2006) shows that marginalized communities are disproportionately affected by noise pollution and face greater challenges in achieving noise mitigation due to limited resources and political clout (Morello-Frosch & Shenassa, 2006).

5.3 Innovative Approaches: Future Directions for Research and Policy

5.3.1 Integration of Noise Mapping

Integrating advanced noise mapping techniques into urban planning is a crucial step toward more effective noise pollution management. Noise maps provide detailed spatial information about noise levels and sources, allowing for targeted interventions. Research by Gaja (2003) highlights the benefits of noise mapping for identifying high-exposure areas and evaluating the effectiveness of noise reduction strategies. The integration of noise maps into urban planning can guide the design of noise barriers, zoning regulations, and land-use planning to minimize exposure in sensitive areas (Gaja, 2003).

Furthermore, advancements in noise mapping technology, such as the use of geographic information systems (GIS) and real-time monitoring, can enhance the accuracy and utility of noise maps. A study by Steele (2001) demonstrates how GIS-based noise mapping can support more effective policy development and public awareness efforts by providing dynamic and interactive noise information. Continued research into improving noise mapping technologies and methodologies is essential for advancing noise control efforts (Steele, 2001)

5.3.2 Urban Planning Strategies

Urban planning strategies that incorporate noise reduction principles can significantly mitigate noise pollution. Incorporating noise considerations into land-use planning and building design helps create quieter and healthier urban environments. Yang and Kang (2005) underscores the importance of integrating noise considerations into urban planning to reduce exposure and improve public health outcomes. Strategies such as the strategic placement of green spaces, noise barriers, and the use of sound-insulating materials in building construction are effective approaches (Yang & Kang, 2005).

Additionally, adopting "smart city" concepts that leverage data analytics and real-time monitoring can enhance urban planning efforts. A study by Ahvenniemi et al. (2017) explores how smart city technologies can be used to monitor and manage noise pollution more effectively. These technologies can provide real-time noise data, enabling dynamic adjustments to urban planning and noise control measures based on current conditions (Ahvenniemi et al., 2017).

5.3.3 Public Participation and Policy Innovation

Engaging the public in noise pollution management and policy development is another innovative approach. Public participation can enhance the effectiveness of noise control measures by incorporating local knowledge and preferences. Research by Koseoglu et al. (2017) highlights the benefits of involving communities in noise pollution management, including improved acceptance and compliance with noise reduction strategies (Koseoglu et al., 2017).

Innovative policy approaches, such as the use of economic incentives and behavioral interventions, can also support noise reduction efforts. A study by Dzhambov et al. (2020) explores the potential of economic tools, such as noise-related taxes or subsidies, to encourage noise reduction in both residential and industrial contexts. Integrating behavioral interventions, such as public awareness campaigns and community-based noise management programs, can further support these efforts (Dzhambov et al., 2020).

CONCLUSIONS

Noise pollution adversely affects both physical and mental health, with significant consequences for vulnerable groups such as children and the elderly. High noise levels are linked to an increased risk of cardiovascular diseases, hearing loss, sleep disturbances, and cognitive impairments. Additionally, noise pollution exacerbates stress, anxiety, and depression, and impairs cognitive development in children.

The economic costs of noise pollution are substantial, encompassing healthcare expenses and productivity losses, while also negatively impacting community cohesion and quality of life. This underscores the urgent need for effective noise management strategies, which include the implementation of regulations, enhanced urban planning, and increased public awareness.

To better address these challenges, further research is essential. More studies are needed to understand the long-term health effects of noise pollution, refine noise reduction technologies, and explore the impacts on specific populations. Interdisciplinary research will be crucial in developing comprehensive solutions and improving noise control strategies.
