2026 Town Hall Meetings (Pilot)

City Council will be piloting a new format for district town hall meetings in 2026. The Council Member seatmates from each district will collaborate to host a community engagement effort that best meets the needs of each district. The format of this effort will likely be unique for each district. District 3 will host their community engagement effort in the spring; District 2 in the summer; and District 1 in the fall. Each of these efforts will be publicly noticed and communicated in more detail once the plan for each event is finalized.

If you have any questions or need clarification regarding the above schedule, please contact the City Clerk's Office at 625-6350 or clerks@spokanecity.org.
