LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021
via Resolution 2021-0019

CONSENT AGENDA

The consent agenda consists of purchases and contracts for supplies and services provided to the city, as well as other agreements that arise (such as settlement or union agreements), and weekly claims and payments of previously approved obligations and biweekly payroll claims against the city. Any agreement over \$50,000 must be approved by the city council. Typically, the funding to pay for these agreements has already been approved by the city council through the annual budget ordinance, or through a separate special budget ordinance. If the contract requires a new allocation of funds, that fact usually will be indicated in the summary of the contract in the consent agenda.

Unless a council member requests that an item be considered separately, the council approves the consent agenda as a whole in a single vote. Note: The consent agenda is no longer read in full by the city clerk. The public is welcome to testify on matters listed in the consent agenda, but individual testimony is limited to three minutes for the entire consent agenda.

0680 - MAGNET FORENSICS SOFTWARE AND TRAINING

Agenda Wording

Spokane Police Department seeks approval for the purchase of Magnet Forensics Software to perform cellphone, DVR, and computer forensics.

Summary (Background)

The Spokane Police Department digital forensics team will use this purchase to evaluate digital forensic tools and determine a long-term strategy for forensic exams and software. Additionally, the training quote will allow us to provide forensic training to the newer members of the team.

What impacts would the proposal have on historically excluded communities?

This project will aid in solving violent crimes. The Department will use this tool for the benefit of people from all backgrounds.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

The department can analyze the program success by crime victim demographics and show how the tool aids people from historically excluded communities.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

The SPD digital forensics team already tracks the efficacy of digital forensic tools, generating a report for each digital forensic examination. This purchase is to evaluate Magnet tools and we will collect data to determine if we should expand our use of Magnet or maintain our current system.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This project aligns with the Spokane Police Department's Strategic Plan which seeks to reduce gun violence. Digital forensic tools are instrumental in solving major crimes cases and cases involving firearms.

FORENSIC ANALYTICS LIMA SCANNERS

Agenda Wording

Spokane Police Department seeks approval to purchase two drive test scanners for verifying cellular network search warrant data.

Summary (Background)

The Spokane Police Department needs to purchase two cellular network drive test scanners for use in investigations. This purchase would be funded using the 2023 Byrne technology grant utilizing the lowest of three quotes for procurement. The majority of major crimes investigations involve data from cellular networks (obtained through a cellular carrier search warrant). To verify the accuracy of the data, SPD utilizes a drive test scanner to evaluate the cellular network. This is an industry best practice.

What impacts would the proposal have on historically excluded communities?

This purchase will enable the department to test and verify the accuracy of cellular network data. This tool will be used in major crimes cases involving citizens of all backgrounds including those from historically excluded communities.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

The department has no plans to collect data regarding the impact of the cellular network scanner on different demographic groups. The department will collect data, success stories, and lessons learned on the use of the cellular network scanner.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

The department performed lengthy field testing of the scanners to ensure they are the right solution for this need. Additionally, the department will collect data, success stories, and lessons learned on the use of the cellular network scanners.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This proposal aligns with the Spokane Police Department's strategic plan and aligns with industry best practices for utilizing cellular network data in investigations and in court.

The Purchase Orders shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.
- 5.11.2 NO AUTOMATIC RENEWAL. Contractor shall not include any automatic renewal provisions in their quotes or ordering documents. Any such automatic renewal provisions will have no effect and will not be binding to the Purchasing Entity. Upon the expiration of the initial Purchase Order term, Purchasing Entity, at its sole discretion, may send a request to Contractor to renew the Purchase Order. If there is no such request for extension, the parties will have no further obligations to each other under the Cooperative Purchasing Contract and this Participating Addendum.
- 5.11.3 TERMINATION FOR NON-APPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW. Enterprise Services may suspend or terminate this Participating Addendum and Purchasing Entities may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchasing Entities, if it’s determined that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Participating Addendum or applicable Purchase Order; or (b) that a change in available funds affects Purchasing Entity’s ability to pay under the applicable Purchase Order. If a written notice is delivered under this provision, Purchasing Entity will reimburse Contractor for Products properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for non-appropriation or reduction of funds or changes in law, Purchasing Entity will have no obligation or liability to Contractor.
- 5.11.4 TERMINATION FOR PUBLIC CONVENIENCE. Purchasing Entity, for public convenience, may terminate the Purchase Order; Provided, however, that such termination for public convenience must, in the Purchasing Entity’s judgment, be in the best interest of the State of Washington; and

Provided further, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and Provided further, that such termination for public convenience shall not relieve any Purchasing Entity from payment for Products/Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, Purchasing Entity shall have no obligation or liability to Contractor.

5.11.5 PURCHASER OBLIGATIONS – EXPIRATION. Except for equipment leases under groups C, sub-group C1, and sub-group C2, orders placed on this contract prior to expiration will not extend for more than five (5) years beyond the expiration or termination of this Participating Addendum. Equipment leases under groups C, sub-group C1, and sub-group C2 will not extend beyond ten (10) years. Upon expiration of this Participating Addendum, notwithstanding any provision to the contrary, in no event shall a Purchasing Entity's Purchase Order pursuant to this Participating Addendum that is executed prior to expiration of this Participating Addendum allow for Contractor to provide Products and/or Services more than five (5) years beyond the expiration date of the Participating Addendum, except for equipment leases under groups C, sub-group C1, and sub-group C2. Equipment leases under groups C, sub-group C1, and sub-group C2 will not extend beyond ten (10) years.

5.11.6 CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of a Purchase Order, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Products and/or Services sold hereunder and all provisions of the Participating Addendum that, by their nature, would continue beyond the expiration, termination, or cancellation of the Purchase Order shall so continue and survive; and (b) promptly return to Purchasing Entity all keys, badges, and other materials supplied by Purchasing Entity for the performance of such Purchase Order.

6. **NO RE-STOCKING FEE.** Contractor and/or Authorized Fulfillment Partner(s) shall not charge purchasing entities a re-stocking fee for products not accepted by Purchasing Entity throughout the term of this Participating Addendum.
7. **LEASE AGREEMENTS.** Leasing or renting equipment is allowed throughout the term of the Participating Addendum. Purchasing Entities that are state agencies, must follow the Office of Financial Management (OFM) Statewide Administrative and Accounting Manual (SAAM), policy [85.72.25](#) and [90.40.45](#) regarding any leases of equipment.

9. CONTRACTOR'S AUTHORIZED FULFILLMENT PARTNERS: Contractor shall not subcontract, assign, or otherwise transfer its obligations under the Cooperative Purchasing Contract and this Participating Addendum without Enterprise Services' prior written consent. Violation of this condition shall constitute a material breach establishing grounds for termination of this Participating Addendum.

- (a) **AUTHORIZED FULFILLMENT PARTNER AUTHORIZATION.** Contractor is authorized, without additional approval by Enterprise Services, to utilize its Authorized Fulfillment Partners to provide sales and service support to Purchasers hereunder; *provided*, however, that such participation shall be in accordance with the terms and conditions set forth in the Cooperative Purchasing Contract and this Participating Addendum. Contractor shall ensure any Authorized Fulfillment Partners to be utilized under this Participating Addendum are registered in WEBS and the Payee Desk per Section 5.1 of this Participating Addendum. Contractor shall maintain a list of such Authorized Fulfillment Partners utilized for this Participating Addendum, and upon request, promptly provide Enterprise Services with such list and any updates.
- (b) **CONTRACTOR RESPONSIBILITY FOR AUTHORIZED FULFILLMENT PARTNERS.** Contractor shall be responsible to ensure that all requirements of the Cooperative Purchasing Contract (including, but not limited to, insurance requirements, indemnification, Washington state business registration, etc.) flow down to any and all Authorized Fulfillment Partners. In no event shall the existence of a subcontract between Contractor and its Authorized Fulfillment Partner operate to release or reduce Contractor's liability to the Participating State or any Purchasing Entity for any breach of the Cooperative Purchasing Contract or this Participating Addendum. As to Participating State and Purchasing Entity hereunder, Contractor shall have full and complete responsibility and liability for any act or omission by Contractor's Authorized Fulfillment Partner.
- (c) **PURCHASER PAYMENT REGARDING CONTRACTOR'S AUTHORIZED FULFILLMENT PARTNERS.** Notwithstanding any provision to the contrary, the parties understand and agree that for any contract sales or service provided pursuant to the Cooperative Purchasing Contract and this Participating Addendum, Purchaser payment shall be made directly to Contractor as the awarded vendor pursuant to the competitive procurement; *provided*, however, that, in the event any such sales or services are performed by a Authorized Fulfillment Partner for Contractor, Contractor may instruct such Purchaser to make payment for such sales or services to Contractor's identified Authorized

Fulfillment Partner. Regardless of whether Contractor instructs a Purchaser to make such payment to Contractor's Authorized Fulfillment Partner, Contractor shall remain responsible for performance.

- (d) **CONTRACT SALES REPORTING.** Notwithstanding any provision to the contrary, Contractor shall report to Enterprise Services total contract sales, delineated by purchaser, made by each individual Authorized Fulfillment Partner, and also report total contract sales, delineated by purchaser, on a consolidated Contractor 'roll-up' basis. Contractor shall maintain records supporting such reports in accordance with the Cooperative Purchasing Contract records retention requirements.
- (e) **SMALL, DIVERSE, AND VETERAN BUSINESS INCLUSION GOALS.** Contractor shall make commercially reasonable efforts to include Washington State small, diverse, and veteran-owned businesses as Authorized Fulfillment Partners, as defined by [RCW 39.26.010 \(22a\)](#), [RCW 39.26.010 \(22b\)](#), and [RCW 43.60A.190 \(2\)](#)

10. ORDERS. Unless the parties to the applicable Purchase Order agree in writing that another contract or agreement applies to such Purchase Order, any Purchase Order placed by a Purchasing Entity for products and/or services available from the Cooperative Purchasing Contract shall be deemed to be a sale under (and governed by the prices and other terms and conditions of) the Cooperative Purchasing Contract as conditioned by this Participating Addendum.

11. GENERAL.

11.1 ENTIRE AGREEMENT; MODIFICATION. This Participating Addendum and the Cooperative Purchasing Contract, together, set forth the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. This Participating Addendum may not be modified except in writing signed by the Parties.

11.2 PUBLIC INFORMATION. This Participating Addendum, all related documents, and all records created as a result of the Participating Addendum and Cooperative Purchasing Contract, are subject to public disclosure as required by Washington's Public Records Act, RCW chapter 42.56. Consistent with the Public Records Act, to the extent that any such Contractor document or record – in whole or in part – includes information exempted or protected from disclosure by the Public Records Act, Contractor may mark such document or record – the exempted or protected portions only – with the specific basis for protection under the Public Records Act. In the event that Enterprise Services receives a public records disclosure request that pertains to such properly marked documents or records, Enterprise Services shall notify Contractor of such disclosure request and of the date that the records will be released to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining such disclosure. In the event Contractor fails to file a motion for a court order enjoining such disclosure, Enterprise Services shall release the requested documents on the date specified. Contractor's failure properly to identify exempted or protected information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are protected or exempt from disclosure.

11.3 **AUTHORITY.** Each party to this Participating Addendum, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Participating Addendum and that its execution, delivery, and performance of this Participating Addendum has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

11.4 **ELECTRONIC SIGNATURES.** An electronic signature or electronic record of this Participating Addendum or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Participating Addendum or such other ancillary agreement for all purposes.

11.5 **COUNTERPARTS.** This Participating Addendum may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Participating Addendum at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Participating Addendum.

EXECUTED AND EFFECTIVE as of the date and year first above written.

Certificate of Insurance Notice

Due to the 2012 changes to the **Washington Administrative Code (WAC 284-30-355)**, which strictly regulates the use of Certificates of Insurance and similar insurance forms we are required by the State of Washington to use the most recent Certificate ACORD® form. **We have attached a copy for your reference.**

We no longer add primary, additional insured, waiver of subrogation **verbiage or specific endorsement or form numbers in the description of operations section.** The only information intended to go in this section is job/project/location/vehicle related.

When applicable, the certificate will have the **additional insured and/or waiver of subrogation box checked next to the affected coverage and any related endorsements will be attached to the certificate.** A copy of the underlying insurance policy may also be available upon request.

In addition, we cannot amend the cancellation section of a certificate. In the event of cancellation, the company will abide by the cancellation provisions of the policy. The insurance policy provisions regarding notice of cancellation are afforded to the First Named Insured. These provisions do not extend to Certificate Holders, Additional Insureds, or any other third party, unless they are the mortgagee or loss payee.

We appreciate your understanding of the limitations imposed on our agency by these regulatory requirements. Please contact us at 113.certRequest@bbrown.com if you have any questions about the Certificate of Insurance that you have been provided.

WAC 284-30-355 Certificates of Insurance.

(1) The following definitions apply to this section.

(a) "Certificate" or "certificate of insurance" means any document, without regard to title or description, that is issued by an insurer, insurance producer, or surplus line broker as evidence of property or casualty insurance coverage. Certificate or certificate of insurance as used in this section does not include an insurance policy, insurance binder, an automobile insurance identification or information card, or a certificate issued to a person or entity that has purchased coverage under a group master policy.

(b) "Certificate holder" means any person, other than a policyholder, that requests, obtains, or possesses a certificate.

(c) "Property" means the insurance coverages described in RCW 48.11.040.

(d) "Casualty" means the insurance coverages described in RCW 48.11.070.

(e) "Insurance binder" means a temporary document that serves as evidence of insurance until the insurance policy is issued.

(f) "Insurance policy" means the executed insurance policy issued to the named insured as part of an insurance transaction as defined in RCW 48.01.060.

(2) This section applies to all:

(a) Certificate holders, policyholders, insurers, insurance producers, surplus line brokers; and

(b) Certificates issued as evidence of insurance coverage for risks located in this state without regard to where a certificate holder, policyholder, insurer, insurance producer, or surplus line broker is located.

(3) (a) If a certificate holder is named within the policy or endorsement and the policy or endorsement requires notice to be provided to the certificate holder, a certificate holder only possesses a right to notice of:

- (i) Cancellation;
- (ii) Nonrenewal; or

() A material change, or any similar notice concerning the insurance policy.

(b) The insurance policy governs the terms and conditions of the notice, including the timing of the notice.

(4) No person may knowingly demand or require an insurer, insurance producer, surplus line broker, or policyholder to issue a certificate that contains any false or misleading information or that purports to alter, amend, or extend the coverage provided by the insurance policy.

(5) No person may knowingly issue or circulate a certificate that contains any false or misleading information or that purports to alter, amend, or extend the coverage provided by the insurance policy.

(6) No person may issue, demand, or require, either in addition to or in lieu of a certificate, a document that contains any false or misleading information or that purports to alter, amend, or extend the coverage provided by the insurance policy.

(7) (a) Nothing in this section affects or excuses a person's obligation to obtain an insurance policy for the benefit of a third party that conforms to specific contractual or legal requirements.

(b) Notwithstanding any requirement, term, or condition of any contract, the insurance coverage provided by the referenced policy of insurance is subject to all the terms, exclusions, and conditions of

the policy. A certificate of insurance does not confer new or additional rights beyond what the referenced policy of insurance provides.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COMMERCIAL AUTOMOBILE BROAD FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

To the extent that the provisions of this endorsement provide broader benefits to the "insured" than other provisions of the Coverage Form, the provisions of this endorsement apply.

1. BROAD FORM INSURED

Paragraph .1. - WHO IS AN INSURED - of Section II - Liability Coverage is amended to add the following:

d. Subsidiaries and Newly Acquired or Formed Organizations

The Named Insured shown in the Declarations is amended to include:

- (1) Any legal business entity other than a partnership or joint venture, formed as a subsidiary in which you have an ownership interest of more than 50% on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
- (2) Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
 - (a) That is a partnership or joint venture,
 - (b) That is an "insured" under any other policy,
 - (c) That has exhausted its Limit of Insurance under any other policy, or
 - (d) 180 days or more after its acquisition or formation by you, unless you have given us notice of the acquisition or formation.

Coverage does not apply to "bodily injury" or "property damage" that results from an "accident" that occurred before you formed or acquired the organization.

e. Employees as Insureds

- (1). Any "employee" of yours while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

f. Lessors as Insureds

- (1). The lessor of a covered "auto" while the "auto" is leased to you under a written agreement if:
 - (a) The agreement requires you to provide direct primary insurance for the lessor and
 - (b) The "auto" is leased without a driver.

Such a leased "auto" will be considered a covered "auto" you own and not a covered "auto" you hire.

g. Additional Insured if Required by Contract

- (1) When you have agreed, in a written contract or written agreement, that a person or organization be added as an additional insured on your business auto policy, such person or organization is an "insured", but only to the extent such person or organization is liable for "bodily injury" or "property damage" caused by the conduct of an "insured" under paragraphs a. or b. of Who Is An Insured with regard to the ownership, maintenance or use of a covered "auto."

The insurance afforded to any such additional insured applies only if the "bodily injury" or "property damage" occurs:

 - (a) During the policy period, and
 - (b) Subsequent to the execution of such written contract, and

- (c) Prior to the expiration of the period of time that the written contract requires such insurance be provided to the additional insured.

(2) How Limits Apply

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

- (a) The limits of insurance specified in the written contract or written agreement; or
- (b) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

(3) Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

(4) Duties in The Event Of Accident, Claim, Suit or Loss

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the additional insured shall be required to comply with the provisions in LOSS CONDITIONS 2. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS – OF SECTION IV – BUSINESS AUTO CONDITIONS, in the same manner as the Named Insured.

2. Primary and Non-Contributory if Required by Contract

Only with respect to insurance provided to an additional insured in A.1.g. - Additional Insured If Required by Contract, the following provisions apply:

(1) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Other Insurance 5.d.

(2) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, by the method described in SECTION IV- Business Auto Conditions, B. General Conditions, Other Insurance 5.d.

3. AUTOS RENTED BY EMPLOYEES

Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire.

The SECTION IV- Business Auto Conditions, B. General Conditions, 5. OTHER INSURANCE Condition is amended by adding the following:

- e. If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal insurance.

4. AMENDED FELLOW EMPLOYEE EXCLUSION

EXCLUSION 5. - FELLOW EMPLOYEE - of SECTION II - LIABILITY COVERAGE does not apply if you have workers' compensation insurance in-force covering all of your "employees".

Coverage is excess over any other collectible insurance.

5. HIRED AUTO PHYSICAL DAMAGE COVERAGE

If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage Coverages provided are extended to "autos" you hire or borrow, subject to the following limit.

The most we will pay for "loss" to any hired "auto" is:

- (1) \$100,000;
- (2) The actual cash value of the damaged or stolen property at the time of the "loss"; or
- (3) The cost of repairing or replacing the damaged or stolen property,

whichever is smallest, minus a deductible. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will also cover loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss, subject to a maximum of \$1000 per "accident".

This extension of coverage does not apply to any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

obligation for any difference between the actual cash value of the "auto" at the time of the "loss" and the "outstanding balance" of the loan/lease.

"Outstanding balance" means the amount you owe on the loan/lease at the time of "loss" less any amounts representing taxes; overdue payments; penalties, interest or charges resulting from overdue payments; additional mileage charges; excess wear and tear charges; lease termination fees; security deposits not returned by the lessor; costs for extended warranties, credit life Insurance, health, accident or disability insurance purchased with the loan or lease; and carry-over balances from previous loans or leases.

\$1,500 is the most we will pay for "loss" in any one "accident" to all electronic equipment (other than equipment designed solely for the reproduction of sound, and accessories used with such equipment) that reproduces, receives or transmits audio, visual or data signals which, at the time of "loss", is:

(1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;

(2) Removable from a permanently installed housing unit as described in Paragraph 2.a. above or is an integral part of that equipment; or

(3) An integral part of such equipment.

c. For each covered "auto", should loss be limited to electronic equipment only, our obligation to pay for, repair, return or replace damaged or stolen electronic equipment will be reduced by the applicable deductible shown in the Declarations, or \$250, whichever deductible is less.

10. EXTRA EXPENSE - BROADENED COVERAGE

Under Paragraph A. - COVERAGE - of SECTION III - PHYSICAL DAMAGE COVERAGE, we will pay for the expense of returning a stolen covered "auto" to you.

11. GLASS REPAIR - WAIVER OF DEDUCTIBLE

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

No deductible applies to glass damage if the glass is repaired rather than replaced.

12. TWO OR MORE DEDUCTIBLES

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

If another Hartford Financial Services Group, Inc. company policy or coverage form that is not an automobile policy or coverage form applies to the same "accident", the following applies:

(2) If the deductible under this Business Auto Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

The requirement in LOSS CONDITIONS 2.a. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS - of SECTION IV - BUSINESS AUTO CONDITIONS that you must notify us of an "accident" applies only when the "accident" is known to:

(1) You, if you are an individual;

(2) A partner, if you are a partnership;

(3) A member, if you are a limited liability company; or

(4) An executive officer or insurance manager, if you are a corporation.

14. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

If you unintentionally fail to disclose any hazards existing at the inception date of your policy, we will not deny coverage under this Coverage Form because of such failure.

15. HIRED AUTO - COVERAGE TERRITORY

SECTION IV, BUSINESS AUTO CONDITIONS, PARAGRAPH B. GENERAL CONDITIONS, 7. - POLICY PERIOD, COVERAGE TERRITORY - is added to include the following:

(6) For short-term hired "autos", the coverage territory with respect to Liability Coverage is anywhere in the world provided that if the "insured's" responsibility to pay damages for "bodily injury" or "property damage" is determined in a "suit," the "suit" is brought in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

16. WAIVER OF SUBROGATION

Paragraph 5. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - of SECTION IV - BUSINESS AUTO CONDITIONS A. Loss Conditions is amended by adding the following:

- b. The auto must be replaced and a copy of a bill of sale or new lease agreement received by us within 60 calendar days of the date of "loss,"

20. VEHICLE WRAP COVERAGE

In the event of a total loss to an "auto" for which Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form, then such Physical Damage Coverages are amended to add the following:

2. Maximum Annual Aggregate

The Maximum Annual Aggregate Limit is the most we will pay for the sum of:

- 4. Project General Aggregate Limit**
- Subject to 2. above:

Such Project General Aggregate is the most we will pay for all damages under **Coverage A Bodily Injury and Property Damage Liability**, or **Coverage C Medical Payments**, with the following exceptions:
 - (1) "Bodily injury" or "property damage" included in the "products-completed operations hazard"; or

 - c. Any payments made under this paragraph 4., for damages for "bodily injury", "property damage", or medical expenses under Coverage C, shall reduce the Maximum Annual Aggregate Limit and the Project General Aggregate for that "project". Such payments shall not reduce the General Aggregate Limit or the Products-Completed Operations Aggregate Limit nor shall they reduce any other Project General Aggregate Limit.

5. Products-Completed Operations Aggregate Limit

The Products-Completed Operations Aggregate Limit is the most we will pay for damages under **Coverage A - Bodily Injury and Property Damage Liability** because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

6. Personal And Advertising Injury Limit

The Damage to Premises Rented to You Coverage is not subject to any Project General Aggregate Limit, but will erode the General Aggregate Limit.

9. Medical Expense Limit

Subject to 3. or 4. above, whichever applies, the Medical Expense Any One Person Limit is the most we will pay under **Coverage C Medical Payments** for all medical expenses because of "bodily injury" sustained by any one person.

Such Medical Payments Coverage is subject to either the Project General Aggregate Limit or the General Aggregate Limit as provided in paragraphs 3. or 4. above.

10. How Limits Apply To Additional Insureds

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

- (1) The limits of insurance specified in the written contract or written agreement; or
- (2) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

11. If More Than One Limit of Insurance Applies

If more than one limit of insurance under this Coverage Part and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this Coverage Part and such endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit".

However, this paragraph 11. does not apply to the Medical Expense Limit for Coverage C.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

"Project" means a jobsite including premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right of way of a railroad.

SECTION I - COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:
 - (1) The amount we will pay for damages is limited as described in Section III - Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:
 - (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (2) The "bodily injury" or "property damage" occurs during the policy period; and
 - (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
 - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

(1) Professional health care services such as:

- (a) Medical, surgical, dental, laboratory, x-ray or nursing services or treatment, advice or instruction, or the related furnishing of food or beverages;
- (b) Any health or therapeutic service, treatment, advice or instruction; or

(2) First aid services, which include:

- (a) Cardiopulmonary resuscitation, whether performed manually or with a defibrillator; or
- (b) Services performed as a Good Samaritan.

For the purpose of determining the limits of insurance, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

However, this Incidental Medical Malpractice And Good Samaritan Coverage provision applies only if you are not engaged in the business or occupation of providing any of the services described in this provision.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

- (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
- (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

However, this subparagraph does not apply to:

- (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;

(2) A watercraft you do not own that is:

(a) Less than 51 feet long; and

(6) An aircraft that is not owned by any insured and is hired, chartered or loaned with a paid crew. However, this exception does not apply if the insured has any other insurance for such "bodily injury" or "property damage", whether the other insurance is primary, excess, contingent or on any other basis.

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

However:

The limits of insurance that apply to additional insureds is described in Section III - Limits Of Insurance.

How this insurance applies when other insurance is available to the additional insured is described in the Other Insurance Condition in Section IV - Commercial General Liability Conditions.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III - LIMITS OF INSURANCE

1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

2. General Aggregate Limit

The General Aggregate Limit is the most we will pay for the sum of:

- b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
- c. Damages under Coverage B.

3. Products-Completed Operations Aggregate Limit

The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Personal And Advertising Injury Limit

Subject to 2. above, the Personal and Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Each Occurrence Limit

Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:

- a. Damages under Coverage A; and
- b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Damage To Premises Rented To You Limit

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

7. Medical Expense Limit

Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

8. How Limits Apply To Additional Insureds

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

- a. The limits of insurance specified in the written contract or written agreement; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insureds Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs a. and b. apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or the additional insured is a partnership;

- (3) Any manager, if you or the additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or the additional insured is a corporation;
- (5) Any trustee, if you or the additional insured is a trust; or
- (6) Any elected or appointed official, if you or the additional insured is a political subdivision or public entity.

This duty applies separately to you and any additional insured.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I - Coverage A - Bodily Injury And Property Damage Liability;

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion j. of Section I - Coverage A - Bodily Injury And Property Damage Liability;

(6) When You Are Added As An Additional Insured To Other Insurance

Any other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

Any other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this coverage part.

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium

computation, and send us copies at such times as we may request.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and
- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business that exist at the inception date of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the

nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION I - COVERAGES

INSURING AGREEMENTS

A. Umbrella Liability Insurance

But, the amount we will pay as "damages" is limited as described in **Section IV - LIMITS OF INSURANCE.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under **Section II - INVESTIGATION, DEFENSE, SETTLEMENT.**

2. This insurance applies to "bodily injury", "property damage" or "personal and advertising injury" only if:
 - a. The "bodily injury", "property damage" or "personal and advertising injury" occurs during the "policy period"; and

This duty applies separately to you and any additional insured.

To the extent possible, notice should include:

- a. How, when and where the "occurrence" took place;
 - b. The names and addresses of any injured persons and witnesses; and
 - c. The nature and location of any injury or damage arising out of the "occurrence" or "offense".
2. If a claim is made or "suit" is brought against any insured, you must:
 - a. Immediately record the specifics of the claim or "suit" and the date received; and

- b. Notify us in writing as soon as practicable if the claim is likely to exceed the amount of the "self-insured retention" or "underlying insurance", whichever applies.

3. You and any other involved insured must:

- a. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit" involving or likely to involve a sum in excess of any "self-insured retention" or "underlying insurance", whichever applies";
- b. Authorize us to obtain records and other information;
- c. Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- d. Assist us, upon our request in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this policy or any "underlying insurance" or "self-insured retention" may apply.

4. No insured will, except at that insured's own cost, make or agree to any settlement for a sum in excess of:

- a. The total limits of "underlying insurance"; or
- b. The "self-insured retention" if no "underlying insurance" applies without our consent.

5. No insureds will, except at that insured's own cost, make a payment, assume any obligation, or incur any expenses, other than first aid, without our consent.

D. Assistance And Cooperation Of The Insured

The "insured" shall:

1. Cooperate with us and comply with all the terms and conditions of this policy; and
2. Cooperate with any of the underlying insurers as required by the terms of the "underlying insurance" and comply with all the terms and conditions thereof.

The "insured" shall enforce any right of contribution or indemnity against any person or organization who may be liable to the "insured" because of "bodily injury", "property damage" or "personal and advertising injury" with respect to this policy or any "underlying insurance".

E. Legal Action Against Us

No person or organization has a right under this policy:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

- b. To sue us on this policy unless all of its terms and those of the "underlying insurance" have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but, we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the limit of liability. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

F. Appeals

In the event the "insured" or the "insured's" underlying insurer elects not to appeal a judgment in excess of the "underlying insurance" or the "self-insured retention," we may elect to make such appeal, at our cost and expense.

If we so elect, we shall be liable in addition to the applicable Limit of Insurance, for the:

1. Taxable costs;
 2. Disbursements; and
 3. Additional interest incidental to such appeal;
- But in no event will we be liable for "damages" in excess of the applicable aggregate Limit of Insurance.

If a judgment is rendered in excess of the limits of "underlying insurance" and we offer to pay our full share of such judgment, but you or your underlying insurers elect to appeal it, you, your underlying insurers or both will bear:

- a. The cost and duty of obtaining any appeal bond;
- b. The taxable costs, disbursements and additional interest incidental to such appeal; and
- c. Any increase in damages over the amount the matter could have been settled for after the verdict was entered and before the appeal was filed.

G. Other Insurance

This policy shall apply in excess of all "underlying insurance" whether or not valid and collectible. It shall also apply in excess of other valid and collectible insurance (except other insurance purchased specifically to apply in excess of this insurance) which also applies to any loss for which insurance is provided by this policy.

These excess provisions apply, whether such other insurance is stated to be:

1. Primary;
2. Contributing;
3. Excess; or
4. Contingent.

H. Transfer Of Rights Of Recovery Against Others To Us

1. Transfer Of Rights Of Recovery

If the insured has rights to recover all or a part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after a loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

- a. Recoveries shall be applied to reimburse:

- (1) First, any interest (including the Named Insured) that paid any amount in excess of our limit of liability;
- (2) Second, us, along with any other insurers having a quota share interest at the same level;
- (3) Third, such interests (including the Named Insured) of whom this insurance is excess.

However, a different apportionment may be made to effect settlement of a claim by agreement signed by all interests.

- b. Reasonable expenses incurred in the exercise of rights of recovery shall be apportioned among all interests in the ratio of their respective losses for which recovery is sought.

2. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the "insured" has waived any rights of recovery against any person or organization for all or part of any payment we have made under this policy, we also waive that right, provided the "insured" waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

I. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. Notice to any agent, or knowledge possessed by any agent or any other person shall not effect a waiver or a change in any part of this policy, or stop us from asserting any rights under the terms of this policy.

The Named Insured first shown in the Declarations is authorized on behalf of all "insureds" to agree with us on changes in the terms of this policy.

If the terms are changed, the changes will be shown in an endorsement issued by us and made a part of this policy.

J. Separation Of Insureds

Except with respect to the Limits of Liability, and any rights or duties specifically assigned in this policy to the Named Insured first shown in the declarations, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

K. Maintenance Of Underlying Insurance

Policies affording in total the coverage and limits stated in the Schedule of Underlying Insurance Policies shall be maintained in full effect during the currency of this policy. Your failure to comply with the foregoing shall not invalidate this policy, but in the event of such failure, we shall be liable only to the extent that we would have been liable had you complied herewith.

The Named Insured first shown in the Declarations shall give us written notice as soon as practicable of any of the following:

1. Any change in the coverage or in the limits of any "underlying insurance", including but not limited to a change from occurrence coverage to claims made coverage;
2. Termination of part or all of one or more of the policies of "underlying insurance";
3. Reduction or exhaustion of an aggregate limit of liability of any "underlying insurance".

The "self-insured retention" shall not apply should the "underlying insurance" be exhausted by the payment of claims or "suits" which are also covered by this policy.

L. Cancellation

1. The Named Insured first shown in the Declarations may cancel this policy by mailing or delivering to us or to any of our authorized agents advance written notice of cancellation.
2. We may cancel this policy by mailing or delivering to the Named Insured first shown in the Declarations at the address shown in this policy, written notice of cancellation at least:
 - a. 10 days before the effective date of cancellation if such Named Insured fails to pay the premium or any installment when due; or
 - b. 30 days before the effective date of cancellation if we cancel for any other reason.
3. If notice is mailed, proof of mailing will be sufficient proof of notice. Notice will state the effective date of cancellation. The "policy period" will end on that date.

Delivery of such notice by the Named Insured first shown in the Declarations or by us will be equivalent to mailing.

4. If the Named Insured first shown in the Declarations cancels, the refund may be less than pro rata, but we will retain any minimum premium stated as such in the Declarations. If we cancel, the refund will be pro rata. The cancellation will be effective even if we have not made or offered a refund.

M. Non-Renewal

1. If we decide not to renew, we will mail or deliver to the Named Insured first shown in the Declarations, at the address shown in this policy, written notice of non-renewal at least 30 days before the end of the "policy period".
2. If notice is mailed, proof of mailing will be sufficient proof of notice.
3. If we offer to renew but such Named Insured does not accept, this policy will not be renewed at the end of the current "policy period".

N. Workers' Compensation Agreement

With respect to "bodily injury" to any officer or other employee arising out of and in the course of employment by you, you represent and agree that you have not abrogated and will not abrogate your common-law defenses under any Workers' Compensation Law by rejection of such law or otherwise. If at any time during the "policy period" you abrogate such defenses, the insurance for "bodily injury" to such officer or other employee automatically terminates at the same time.

O. Bankruptcy Or Insolvency

In the event of the bankruptcy or insolvency of the "insured" or any entity comprising the "insured", we shall not be relieved of any of our obligations under this policy.

P. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. The statements in the Schedule Of Underlying Insurance Policies are accurate and complete;
- c. The statements in a. and b. are based upon representations you made to us;
- d. We have issued this policy in reliance upon your representations; and
- e. If unintentionally you should fail to disclose all hazards at the inception of this policy, we shall not deny coverage under this policy because of such failure.

- (3) After the "pollutants" or any property in which the "pollutants" are contained are moved from any "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of an "auto", covered by the "underlying insurance" or its parts, if:

- (1) The "pollutants" escape, seep, migrate, or are discharged or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury," "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in paragraphs 6.b and 6.c. of the definition of "mobile equipment".

Paragraphs b. and c. above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon an "auto" covered by the "underlying insurance" if:

- (1) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of the "auto"; and
- (2) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.

"Damages" include prejudgment interest awarded against the "insured" on that part of the judgment we pay.

"Damages" do not include:

1. Fines;
2. Penalties; or
3. Damages for which insurance is prohibited by the law applicable to the construction of this policy.

Subject to the foregoing, "damages" include damages for any of the following which result at any time from "bodily injury" to which this policy applies:

5. Care and loss of services or consortium.

"Insured" means any person or organization qualifying as an insured in the applicable WHO IS AN INSURED provision of this policy. 1. With respect to "bodily injury" or "property damage": an accident, including continuous or

repeated exposure to substantially the same general harmful conditions, and

1. The date of cancellation of this policy; or
2. The expiration date stated as such in the Declarations.

"Self-insured retention" means the amount stated as such in the Declarations which is retained and payable by the "insured" with respect to each "occurrence".

"Underlying insurance" means the insurance policies listed in the Schedule of Underlying Insurance Policies, including any renewals or replacements thereof, which provide the underlying coverages and limits stated in the Schedule of Underlying Insurance Policies. The limit of "underlying insurance" includes:

1. Any deductible amount;
2. Any participation of any "insured"; and
3. Any "self-insured retention" above or beneath any such policy;

Less the amount, if any, by which the aggregate limit of such insurance has been reduced by any payment relating to any act, error, omission, injury, damage or offense for which insurance is provided by this policy, including Medical Payments Coverage as described in the "underlying insurance." The coverages and limits of such policies and any such deductible amount, participation or "self-insured retention" shall be deemed to be applicable regardless of:

1. Any defense which any underlying insurer may assert because of the "insured's" failure to comply with any condition of its policy; or
2. The actual or alleged insolvency or financial impairment of any underlying insurer or any "insured".

The risk of insolvency or financial impairment of any underlying insurer or any "insured" is borne by you and not by us.

As evidence of the insurance coverage(s) required by this Agreement, the Company shall furnish acceptable Certificates of Insurance (COI) upon request by the City. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Company's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Company shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

11. INDEMNIFICATION. The Company shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Company's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against

and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

12. DEBARMENT AND SUSPENSION. The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

13. SEVERABILITY. In the event any provision of this Contract should become invalid, the rest of the Contract shall remain in full force and effect.

14. STANDARD OF PERFORMANCE. The silence or omission in the Contract regarding any detail required for the proper performance of the work, means that the Company shall perform the best general practice.

15. NONDISCRIMINATION. The Company agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Company.

16. BUSINESS REGISTRATION REQUIREMENT. Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Company shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Company does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

17. AUDIT / RECORDS. The Company and its subcontractors shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Contract. The Company and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

18. CONFIDENTIALITY/PUBLIC RECORDS. Notwithstanding anything to the contrary, City will maintain the confidentiality of Company's materials and information only to the extent that is legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Company's materials or information and the City determines there are exemptions only the Company can assert, City will endeavor to give Company notice. Company, at its own expense, will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Company does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

19. DISPUTES. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.

3. COMPENSATION / PAYMENT.

Total compensation for Company's services under this Agreement shall not exceed **EIGHTY THOUSAND AND NO/100 DOLLARS (\$80,000.00)**, plus tax, for everything furnished and done under this Contract. This is the maximum amount to be paid under this Contract for the work described in Section 1 above and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

The Company shall submit its applications for payment to Office of the Mayor, 7th Floor – City Hall, 808 West Spokane Falls Boulevard, Spokane, Washington 99201. Payment will be made via direct deposit/ACH within thirty (30) days after receipt of the Company's application except as provided by state law. If the City objects to all or any portion of the invoice, it shall notify the Company and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

4. TAXES, FEES AND LICENSES.

- A. Company shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. - B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.

5. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Agency shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. 6. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Company agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American's With Disabilities Act, to the extent those laws are applicable.

7. INDEMNIFICATION.

The Company shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Company's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Company to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

It shall include contractual liability coverage for the indemnity provided under this Agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Agency's services to be provided under this Agreement.

The Company shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Company shall incorporate by reference this Agreement, except as otherwise provided. The Company shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Company from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

13. TERMINATION.

Either party may terminate this Agreement, with or without cause, by thirty (30) days written notice to the other party. In the event of such termination, the City shall pay the Company for all work previously authorized and performed prior to the termination date.

The standard of performance applicable to Company's services will be the degree of skill and diligence normally employed by professional Companies performing the same or similar services at the time the services under this Agreement are performed.

15. OWNERSHIP AND USE OF RECORDS AND DOCUMENTS.

All records submitted by the City to the Company shall be safeguarded by the Company. The Company shall make such data, documents and files available to the City upon the City's request. If the City's use of the Company's records or data is not related to this project, it shall be without liability or legal exposure to the Company.

Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all materials received or created by the City of Spokane are **public records** and are available to the public for viewing via the City Clerk's Records (online) or a valid Public Records Request (PRR).

- F. **Waiver:** No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Company after the time the same shall have become due nor payment to the Company for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- G. **Entire Agreement:** This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the

Company. If conflict occurs between Agreement documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Agreement to afford the City the maximum benefits.

TECHNICAL PROPOSAL

DCG's technical proposal describes our understanding of the requirements along with a comprehensive proposed approach, methodology, and work plan. Section A discusses the scope of work and our approach and methodology, including recommendations to improve current processes. Section B includes a detailed work plan and schedule.

In the Informal Request for Proposals (in both the technical and management proposal sections), the City asks how the Consultant will respond proactively to issues and scope changes. We would like to address this question first as it relates to the technical and management proposals.

Regular proactive communication with the City on its existing priorities, new opportunities, and emerging challenges is essential. The City's elected officials and staff are managing dynamic issues and key long-term projects and initiatives in a constantly changing environment. Our goal is to continue working to understand the City's changing landscape and to adapt to circumstances in real-time. In some cases that requires us to reevaluate with a client whether to shift priorities and scope. Our firm is committed to being flexible and creative with all its clients; we focus on the most urgent, emerging issues while also working to advance long-term objectives. If at any time, the City feels we are not being proactive in responding to its real-time issues, we will address that concern immediately. That said, this has not been an issue during our firm's almost five-year relationship with the City.

A. Project Requirements & Proposed Approach/Methodology to Complete Scope Successfully

The scope of work in Section 2 of the Informal Request for Proposals lists 13 activities (or groups of activities) that the Consultant will perform. DCG has grouped these activities into five (5) categories (federal agenda development, client-consultant communication, strategy, thought leadership and coalition building, and relationship-building and advocacy) to best and succinctly describe our understanding of what is expected and the approach we would take to achieve success.

1. Federal Agenda Development (scope item #1).

We understand the Consultant will be responsible for working closely with the City to develop an annual federal agenda that includes specific priorities and action items. We also understand the Consultant will be expected to engage in advocating for the totality of the federal agenda, while recognizing that the City's priorities will shift over time due to its changing needs and the evolution of the local and federal policymaking process.

Past Work and Process. When we were initially onboarded to support the City's federal advocacy in 2020, DCG worked with and supported the City in developing a comprehensive federal agenda. We helped the City refine and revise its agenda in 2024. We worked with the City annually from 2021 to today to identify specific priorities for the new calendar year and next federal fiscal year. This included, but was not limited to, developing congressionally directed spending (CDS)/community project funding (CPF) requests (commonly referred to as earmarks) for submission to the Washington congressional delegation. In these processes, DCG engaged with the City's elected officials and staff to identify broad interests and priorities, researched and outlined proposals for the City to consider, tested ideas with the congressional delegation, helped secure community support, and worked with the City to finalize and submit its requests.

Current Efforts. For calendar year 2025 and federal FY26, we are working with the City to develop specific priorities following the 2024 election recognizing that the FY25 appropriations process (and the City's SMART initiative earmark) is still pending. During February 2025, we will review the City's updated federal agenda and recommend areas where it can engage with the federal government on the reconciliation process, FY26 appropriations process, and issues such as immigration, economic development, transportation, water and wastewater infrastructure, and other issues. As 2025 will be an especially dynamic year, the City will likely want to revisit the last federal agenda adopted in 2024 as a result of the new Administration and Congress.

Recommendations Moving Forward. DCG recommends the City establish a federal agenda process that more closely aligns with the cadence of federal policymaking and that reflects the flexibility the City embraces in its state lobbying approach. For example, the City may want to consider a deeper reboot of its federal agenda every two years following federal elections and a simple update at the end of non-election years. Additionally, there is typically a timing disconnect between the desire to finalize a federal agenda going into the next calendar year and the fact that CDS/CPF requests are still being developed January-March. We can work with the City to determine an agenda development schedule that meets your internal and external needs.

2. Client-Consultant Communication (scope items #5, 8, 11, 12, and 13)

Five (5) of the City's 13 scope activities involve or relate to communication between the Consultant and the City. These scope items can be summarized as:

- Initiate regular contact with the City to ascertain direction and report on the status of City priorities.
- Monitor, report, advise, and provide recommendations on the budget/appropriations process, new funding opportunities or emerging funding proposals, long-standing policy proposals, emerging policy proposals, and regulatory announcements that could affect the City and region.
- At a cadence determined by the City, provide regular oral and written reports to the Mayor and City Council, including through regular participation in legislative team meetings.

Approach and Recommendations. DCG would recommend establishing a regular cadence of communication with its federal lobbying team with meeting agendas that facilitate information sharing and strategizing around its federal affairs workplan. We believe this communication should be separate and distinct from the current legislative team call as that engagement is focused on state level advocacy and does not occur with as much regularity outside of the state legislative session as we think would benefit the City in executing its federal agenda workplan. We welcome the opportunity to continue to participate in the state level calls, and vice versa, as it provides valuable information and ideas. We would recommend the following approach:

- DCG would continue to attend the state legislative team calls because the information is helpful and there are issues with a federal nexus.
- Establish monthly federal meetings with an agenda that is based on a federal policy and funding tracker, like the process the City uses during the state session. The scope of that tracker would tie into the City's federal agenda and appropriations requests, and over time would help establish a specific list of issues, programs, regulations, authorizing bills, funding opportunities, and appropriations bills that DCG can track and advise the City on in real-time.

- Generate weekly email updates that briefly capture what is happening in DC in the coming week and flag new grant opportunities.
- As it does now, DCG would engage with City staff multiple times a week to share time-sensitive information, meet on specific topics, respond to questions, coordinate scheduling, and meet deadlines related to the appropriations process.

3. Strategy and Positioning (scope items #2, 3, 6 and 8)

Four (4) of the City's 13 scope activities involve or relate to providing strategic advice to the City. These scope items can be summarized as:

- Advise the City on, position it to benefit from, and create access to current or proposed federal legislation, initiatives and funding that advance its priorities related to economic development, transportation and infrastructure, housing, public safety, sustainability, and other specific issues/projects identified as priorities.
- Advise the City on emerging legislation, regulations, and other federal activities that may affect the City and region.

Approach and Recommendations. The approach and recommendations described in the Client-Consultant Communication section establish the foundation for advising the City on potential opportunities and challenges. This structure will allow us to collectively develop strategies that best position the City to secure the benefits of federal policy and funding while also mitigating or avoiding the consequences of adverse federal decisions. Without the consistent and organized communication structure envisioned in the section above, it will be difficult to proactively influence federal decisions. Larger cities inherently have myriad policy and funding priorities and we need a process that organizes and prioritizes engagement in a way that can influence federal decision making. We would recommend the following approach:

- Establish monthly federal meetings would serve as a clearinghouse for updates and discussion on federal opportunities and threats.
- As needed, DCG would use these monthly federal meetings as an informal study session on upcoming legislation or proposed regulations. For example, as Congress considers cuts to safety net programs or ramps up to the next transportation reauthorization bill, DCG could organize an informal study session for the legislative team on issues of particular interest. Additionally, DCG could help organize federal topics that could be presented at council study sessions.
- The City and DCG should establish working groups on specific high priority issues. These working groups would communicate as needed outside the monthly meetings and report back to the larger group. Working groups could also include non-city stakeholders as needed related to a specific project or issue.

4. Thought Leadership and Informal Coalition Building (scope items #7 and 10)

Two (2) of the City's 13 scope activities involve or relate to thought leadership and collaboration and informal coalition building with other stakeholders. These activities are:

- Identify opportunities to position the City as a regional and national leader on strategic initiatives developed by the City.

- Advise and assist the City in identifying and developing working relationships with associations, stakeholder groups, organized coalitions, and interest groups that interact in legislative and policy areas that affect issues important to the City and region.

Approach and Recommendations. DCG is experienced at developing and implementing public affairs efforts that support client policy objectives including a focus on community, stakeholder and regional engagement and input. We would welcome the opportunity to raise the City's profile through thought leadership on key initiatives and engaging with other advocates on issues of mutual interest. Due to the breadth of activities that the City's elected officials, staff, and consultants could potentially engage on in this space, we believe it will be important to clearly define the issues and engagements that would provide the City with the greatest value. We would recommend the following approach:

- Identify issues and initiatives that the City would like position itself as a regional and national leader on, and develop a stakeholder engagement, government relations, and public affairs effort in coordination with the City team. Without prejudging what an effort would look like, tactics could include:
 - Using U.S. Conference of Mayors and/or National League of Cities leadership roles, resolutions, or conference events.
 - Testifying at Congressional hearings or participating in forums sponsored by regional or national associations or think tanks.
 - As directed by the City, we can support engagement with regional or national media outlets or reporters, including DC-based organizations/individuals, that are focused on the policy initiatives and/or outcomes the City is creating.
- Participate once or twice a year in U.S. Conference of Mayors meetings and identify leadership roles or committees the Mayor would like to prioritize in the near- or long-term.
- Engage in a more intentional way with the National League of Cities. Spokane City Councilmembers periodically participate in the NLC fly-in to DC. However, we recommend greater coordination between the City and DCG to maximize opportunities to promote the City's federal agenda and establish the City as a leader within NLC.
- Create greater coordination between the City staff who are deeply engaged with national associations and DCG. The City is a member of several national associations and we would welcome the opportunity to engage in more robust information-sharing with City staff so that we can more effectively support the City. In some cases, such as issues related to water infrastructure, the City and DCG should form a working group that meets periodically to advance the City's goals on this complex and multi-faceted component of its federal agenda.

5. Relationship-Building and Advocacy (scope items #4 and 9)

Two (2) of the City's 13 scope activities involve or relate to relationship-building and advocacy at the federal level. These activities are:

- Work with the Washington congressional delegation, and other state delegations, as the issues require on behalf of the City.
- Assist the City in developing and sustaining long-term, substantive relationships with federal elected officials, members of the Washington state congressional delegation, their staffs, and appointed officials, both in Washington DC and in Federal Region 10. This may also include developing relationships with other state delegations.

Approach and Recommendations. No one will advocate for you as fiercely as your own U.S. Senators and Representative. Therefore, all federal relationship-building and advocacy for the City begins with Senators Patty Murray and Maria Cantwell and Representative Michael Baumgartner. DCG would use its other relationships – and those of the City – to help advance the City’s priorities outside of its own representatives. That said, your Senators and Representative can frequently facilitate and accelerate relationship-building and actions the City needs to protect its interests and advance its objectives. We would recommend the following approach:

- Build a strong relationship with Representative Baumgartner and his DC and district teams. Rep. Baumgartner has been appointed to the House Education and Workforce, Judiciary, and Foreign Affairs Committees. The City should look for opportunities to collaborate with Rep. Baumgartner on issues related to his Education and Workforce and Judiciary assignments. Issues could include tech workforce, civil rights, and immigration. Rep. Baumgartner is also a potential ally for the City’s appropriations requests related to public safety and other key priorities.
- Continue to work with Senators Murray and Cantwell on the City’s appropriations priorities, including public safety, behavioral health, and housing, as well as health care and entitlement issues like Medicaid.
- Build relationships with other members such as Rep. Suzan DelBene (D-WA) (taxes and entitlements like Medicaid; New Markets Tax Credits), Senator Mike Crapo (R-ID) (taxes and entitlements; New Markets Tax Credits), and Senator Ron Wyden (D-OR) (taxes and entitlements like Medicaid; New Market Tax Credits).
- When the timing is right, introduce City officials to Region 10 appointees, including those leading FEMA, SBA, HUD, and EPA.
- Identify and prioritize relationship-building with new Administration officials in agencies such as FEMA, SBA, HUD, USDOT, EPA, and others.
- Use the City’s engagements through the U.S. Conference of Mayors, National League of Cities, and other national stakeholder groups to advance federal relationships.

B. Work Plan and Schedule

Below is a work plan and schedule. For clarity, our timeline begins next month since DCG currently provides federal services.

- Execute the Mayor's January trip to the U.S. Conference of Mayors winter meeting.

MANAGEMENT PROPOSAL

DCG's management proposal is divided into three parts: background and structure of the project team, information regarding relevant contracts and references, and notice and background of any contracts for default (of which DCG has had none).

A. Project Team and Structure

The DCG federal team (Rick Desimone, Liz Fortunato, Justin LeBlanc, Brian Kristjansson, Max Brown, and Charlie Gottlieb) have worked in the federal government or represented federal-facing clients for a combined 120 years. Nearly all that time has involved either working for members of the Washington congressional delegation or advocating on behalf of clients that have business with Senators and Representatives, on a bipartisan basis, across the Pacific Northwest.

Collectively and individually, the DCG team has worked on issues as diverse as affordable and middle-income housing, homelessness, human services, behavioral health, public safety, criminal justice, civil rights, transportation infrastructure, water and wastewater infrastructure, energy, environmental protection, climate, public lands, agriculture, higher education, health, homeland security, and defense. We have deep experience working the appropriations processes, advancing authorizing legislation, and engaging with agencies to secure federal funding.

The DCG team has a long history working with and representing cities, counties, ports, PUDs, and state agencies. We understand how public entities develop and advocate for their federal priorities and are prepared to continue to assist the City of Spokane with its federal efforts.

DCG has served as the City's contract federal lobbying firm since 2020. In that capacity the firm helped the City develop an independent federal agenda in 2020, navigate the pandemic including advocating for assistance for local governments, and maximize federal earmark opportunities during federal fiscal years 2022-2025. On the last item, DCG has helped the City secure congressional earmarks for transportation priorities (Monroe Street Bridge, Palouse-Freya roundabout, Wellesley Avenue) and key public safety and behavioral health initiatives (domestic violence intervention program and SMART teams).

If DCG was awarded the contract with the City, our firm would structure its support in the following way. DCG commits that the staff, as identified, will perform the assigned work, and acknowledges that any staff substitution must have the prior approval of the City.

Brian Kristjansson **would remain the City's primary contact for all work under the contract.** Brian has served in this capacity for the City since 2020. **He would manage DCG's workflow and help facilitate communication between the City and DCG, including addressing any coordination challenges in real-time and proactively resolving any issues and project scope changes.** He would perform 50 percent of the work for the City.

Justin LeBlanc, Liz Fortunato, and Rick Desimone would serve as strategic advisors, helping advise and position the City on future policy and funding opportunities. Justin, Liz, and Rick would perform 15, 5, and 5 percent, respectively, of the work for the City.

Charlie Gottlieb would serve in a research and organizing role, helping ensure the proposed federal tracking document is up to date and next steps are documented. Charlie would perform 25 percent of the work for the City.

Brian Kristjansson, Justin LeBlanc, and Charlie Gottlieb **would participate regularly in meetings and communicate regularly with the City.**

0560-CDS FUNDS FOR DOMESTIC VIOLENCE INTERVENTION TREATMENT

Agenda Wording

Spokane Municipal Court received an award from the Department of Justice, Office of Justice Programs-Office for Victims of Crime in the amount of \$500,000 to provide Domestic Violence Intervention Treatment (DVIT). The award is good through April 30, 2026.

Summary (Background)

This contract award with Northwest Behavioral Modification Clinic shall be effective April 1, 2025 through April 30, 2026 with one optional one-year extension.

What impacts would the proposal have on historically excluded communities?

The Spokane Municipal Court does not control who comes into court but does control how individuals are treated when they come into court. The Court prides itself in working toward the highest level of accessible justice ensuring an equitable, open, and fair service to the citizens and visitors of the City of Spokane. The inclusiveness of the court does not discriminate against race, age, gender, or socio-economic status

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Municipal Court will utilize data metrics that will provide regular analysis of the effectiveness and inclusion of community members to ensure racial inequities do not present. If data analysis presents some limitation to access to the DVITC or any bias against race, age, gender, or socio-economic status, the court may address the data and alternative methodology of services with the multi-disciplinary team and stateholders.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Data points on all Community Justice Services Department (CJSD) programs are continually collected and analyzed to monitor the effectiveness of all CJSD functions and programs.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The funding will provide necessary treatment and reduce criminogenic needs and barriers is a critical element of the City's criminal justice reform efforts, making for a safer community.

If a claim or suit is caused by or results from the concurrent negligence of the Company's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Company, its agents or employees. The Company specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Company's own employees against the City and, solely for the purpose of this indemnification and defense, the Company specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Company recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. Any subcontract made by the Company shall incorporate by reference this Agreement, except as otherwise provided. The Company shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Company from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

13. TERMINATION.

Either party may terminate this Agreement, with or without cause, by thirty (30) days written notice to the other party. In the event of termination without cause, the City shall pay the Company for all work previously authorized and performed prior to the termination date. However, RCW Chapter 42.56.230 provides exemptions for certain treatment records, medical information, and other sensitive data. Requests for records containing PHI or other confidential participant data shall be reviewed in coordination with the City to determine if an exemption applies before release.

16. ANTI KICK-BACK.

No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Agreement shall have or acquire any interest in the Agreement, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Agreement.

Neither the acceptance by the City of any performance by the Company after the time the same shall have become due nor payment to the Company for any portion of the Work shall constitute

a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

- G. **Entire Agreement:** This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Company. If conflict occurs between Agreement documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Agreement to afford the City the maximum benefits.

SCOPE OF SERVICES

Qualified, State-certified treatment providers (Firms) will be expected to follow relevant RCWs, especially RCW 43.20A.735, and the associated WACs, especially 388-60B-0025 in the provision of services. The primary objective of the domestic violence intervention treatment program is to help increase the safety of victims and children as well as holding the participant/client accountable for his/her abusive behavior. The specified purposes of treatment include accountability of the perpetrators for completion of treatment and court requirements, and accurate assessment of risks, needs, and responsivity for perpetrators. Treatment services delivered will align with the individualized treatment goals/expectations of each client.

The selected Firm will be asked to provide professional intervention and treatment services for batterers (defendants) which shall consist of the following minimum components:

1. Lectures, classes, group discussions and/or individual counseling. Groups to be separated by gender. The Firm shall not provide any "couple counseling" or "family counseling" for defendants involved in the program.
2. Lectures, classes, group discussions and/or individual counseling shall be held in accordance with RCW and WAC requirements based upon defendant DVIT levels.
3. A comprehensive evaluation/assessment and written curriculum that informs of the operations of the program and outlines the treatment and intervention modalities.
4. A requirement that the participant enter into a written agreement with the Firm, which shall include an outline of the program's content, the attendance requirements, the requirement to attend group sessions free of substance use/abuse, and a statement that the participant may be removed from the program if it is determined that the participant is not benefiting from the program or is disruptive to the program.
5. An initial intake that provides written definitions to the defendant of physical, emotional, sexual, economic, and verbal abuse, and the techniques for stopping these types of abuse.
6. Educational and treatment programming that examines, at a minimum, gender roles, socialization, the nature of violence, the dynamics of power and control, the effects of abuse, recognizing and dealing with anger effectively with safe alternative behaviors, reducing stress, processing feelings, and developing positive communication skills, setting healthy limits and boundaries, and developing trust and support.
7. Procedures that give the Firm the right to evaluate and assess whether the participant meets the criteria for treatment and provide recommendations for appropriate treatment programs.
8. Program staff who have specific knowledge regarding, but not limited to, spousal abuse, child abuse, sexual abuse, substance abuse, the dynamics of violence and abuse, the law, and procedures of the legal system.
9. Program staff who are encouraged to utilize the expertise, training, and assistance of local domestic violence centers and services.
10. A requirement that the participant sign a confidentiality statement prohibiting disclosure of any information obtained through participating in the program or during group sessions regarding other participants in the program.
11. Program content that is culturally and ethnically sensitive.
12. A requirement of a written or electronic referral from Spokane Community Justice Services or Spokane Municipal Court prior to permitting the participant to be evaluated or enrolled in services. The referral will include basic participant demographic and identification details, case and report numbers, court-imposed conditions, the

police/incident report(s), criminal history, and all relevant court documents, such as protection orders, no-contact orders, or other legal documents. These materials must be submitted in advance, in a format and manner determined by the Company, before an evaluation is scheduled. If a referral is incomplete or lacks required documentation, the Company may delay scheduling until all necessary information is received.

13. Defendants referred from the Court or Community Justice Services will include a voucher for services and no costs will be associated with the defendant for treatment. The City has an established grant fund to pay for DVIT evaluation, treatment, counseling, and program requirements. The voucher for services serves as confirmation that the City will cover the cost of treatment evaluations and services. Invoices for services rendered in the previous month should be submitted by the 10th of each month. Payments will be processed via ACH for all services and invoices that have been approved by the Court or Community Justice Services.
14. Uniform written or electronic reports to Community Justice Services or Court shall be submitted as follows:
 - a. Proof of evaluation and treatment enrollment
 - b. Monthly progress reports for each participant that includes participants attendance, program compliance, and progress.
 - c. Program discharge notification within 5 business days of discharge outlining the specific reason of discharge including successful completion of the treatment program.
15. Services shall be rendered in Spokane city limits up to three (3) days per week and the City will allow teleservices for no more than 50% of the time for individual or group services. Priority shall be given to in-person services and shall be required for all DVIT evaluations.

IMPOUNDED AND ABANDONED RV DISPOSAL SERVICES

Agenda Wording

Amendment to service contract with Evergreen State Towing to provide towing, impound and disposal (when appropriate) or abandoned RV disposal services.

Summary (Background)

This amendment makes necessary changes to the contract to improve operational efficiency for both the contractor and the City, as well as extending the duration of the contract. This additional time will allow both the contractor and City to gather additional information to better understand operation constraints that will be utilized to improve operations. The contract is supplemental to the state program for abandoned RV administered by the Department of Licensing.

What impacts would the proposal have on historically excluded communities?

This program supports abandoned RVs in all neighborhoods as reported by citizens to Code enforcement and the Police department.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Data specific to this project is related to operational impact and does not demonstrate an impact or effect on racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This removes blight that is regularly a safety and security concern.

0520 - SBO OPIOID RESPONSE ALLOCATION

Agenda Wording

Appropriation adjustments to the Biennial Budget of the City of Spokane Ordinance No. C36626 for Opioid Response Allocation.

Summary (Background)

The opioid crisis continues to acutely impact the City of Spokane and the broader region. Since 2019, the number of annual opioid drug overdoses have doubled in the State and Spokane County's opioid deaths are higher than the state's average. In 2024, 346 individuals died of opioid-related overdose deaths; fentanyl accounting for roughly two thirds of those deaths. The City of Spokane has opioid settlement dollars currently available, and after an in depth mapping process has identified gaps and solutions to mitigate the opioid crisis. In order to save lives and reduce the human and fiscal cost of addiction and overdose, the City should not wait for the mid-biennium to allocate the funds.

0560 - SBO AOC GRANTS CLAWBACK

Agenda Wording

Amending appropriations previously passed by Council to conform grant funding allocations to various amended grant award letters from the Administrative Office of the Court (AOC).

Summary (Background)

Council had previously approved and accepted multiple grant awards for various Therapeutic Court programs within the Spokane Municipal Court. Based on continuing administrative delays associated with City hiring and procurement processes, Municipal Court was unable to expend the Administrative Office of the Courts (AOC) grant funds in a timely manner. Based on the Courts inability to expend the funds in a timely manner, AOC withdrew a portion of each of the grants with the intention to reallocate them to other Courts who are able to spend down the funds by the end of the States fiscal year. This SBO transfers the grant funding between various previously authorized budget lines to align the remaining AOC grant funds with the needs of the Therapeutic Court programs and the appropriate City funds.

What impacts would the proposal have on historically excluded communities?

Will reduce services the Court's Therapeutic Court programs were anticipated to provide to this population.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Data is collected in the eCourt and eSupervision modules of the Court and will be reviewed periodically to assess the efficacy of the program.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Data is collected in the eCourt and eSupervision modules of the Court and will be reviewed periodically to assess the efficacy of the program.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Aligns with the sustainability action plan based on the representation of the ongoing funding of critical low end programs by AOC and with various Council resolutions related to homelessness, poverty, and addiction in vulnerable populations.

Council Subcommittee Review

Original acceptance of the AOC grant funds has been through the committee review process and this reallocation of funds does not materially change the essential elements of the goals, benefits, or opporation of the program outlined in those original committee briefings.

Re: *Revenue Sharing Notice; IAA25092*

Dear Howard:

The Washington State Administrative Office of the Courts ("AOC") has initiated the revenue sharing process for the fiscal year 2025 Therapeutic Courts agreements and intends to share funds among the program's participants, which includes Spokane Municipal-Community Court ("Court").

Accordingly, the AOC has decreased the Court's total compensation by \$29,000.00 reducing its total maximum compensation to **\$253,500.00**, detailed as follows:

Cost Category	Amount
Personnel Costs	\$223,000.00

A. *General Terms.* Unlimited tax general obligation refunding bonds of the City, designated “City of Spokane Unlimited Tax General Obligation Refunding Bonds, Series 2025,” are hereby authorized to be sold, issued and delivered pursuant to chapters 35.22, 39.36, 39.46 and 39.53 RCW, in the event that an Approved Bid for the Bonds is accepted, or a Bond Purchase Contract is executed if the Bonds are sold by negotiated sale (including a private placement), as provided in this Section 4. The Bonds shall be issued in the aggregate principal amount of not to exceed \$58,700,000; shall be dated as of their date of delivery; shall be issued in fully registered form; shall be in the denomination of \$5,000 each, or any integral multiple thereof within a single maturity; and shall be numbered separately in such manner and with any additional designation as the Registrar deems necessary for purposes of identification. The Bonds shall be in substantially the form set forth in Exhibit “A” attached hereto and by this reference incorporated herein.

B. *Competitive Sale.* The Designated Representative is authorized to cause the Official Notice of Sale for the Bonds to be prepared and published, and provide for such other matters pertaining to the competitive sale as deemed necessary or desirable. The Official Notice of Sale shall establish:

- (1) that the True Interest Cost of the Bonds shall not exceed 4.00 percent;
- (2) the date or dates of the Bonds, which shall be no later than one year from the date of this Ordinance;
- (3) the date or dates upon which the Bonds shall mature;
- (4) the principal amount of the Bonds maturing on each maturity date concluding no later than December 1, 2034;
- (5) the date on which interest shall first be payable for each Bond, which date shall be no later than June 1, 2026;

(6) the yield and price for each maturity of the Bonds, which price shall be not less than 95 percent nor more than 140 percent of the principal amount of the Bonds;

(7) the optional and mandatory redemption provisions pertaining to the Bonds, provided the first date on which the Bonds may be optionally redeemed at par is not later than 10.5 years after the date of the Bonds; and

(8) the net present value savings due to the defeasance and/or refunding of the Refunded Bonds, which shall be not less than 1.00 percent of the par amount of the Refunded Bonds.

The Designated Representative is hereby authorized to accept the Approved Bid for the Bonds, which Approved Bid must state the rate or rates of interest the Bonds shall bear and any premium or discount the Bonds shall bear.

C. *Findings.* The Council hereby finds that the determinations made in this Ordinance are the determinations set forth in RCW 39.46.040; and as such, the Council has fully and properly authorized the sale, issuance and delivery of the Bonds.

D. *Negotiated Sale.* In the event the Designated Representative determines that it is in the best interest of the City and its taxpayers to sell the Bonds by negotiated sale (including a private placement), the Designated Representative, upon the approval of the Mayor, is hereby authorized to select a bank for placement, or an underwriter, and to enter into a Bond Purchase Contract as provided in this Section 4. The Bond Purchase Contract shall establish the following:

(1) the True Interest Cost of the Bonds, which shall not exceed 4.00 percent;

(2) the date or dates of the Bonds, which shall be no later than one year from the date of this Ordinance;

(3) the date or dates upon which the Bonds shall mature;

(4) the principal amount of the Bonds maturing on each maturity date concluding no later than December 1, 2034;

(5) the date on which interest shall first be payable for each Bond, which date shall be no later than June 1, 2026;

(6) the yield and price for each maturity of the Bonds, which price shall be not less than 95 percent nor more than 140 percent of the principal amount of the Bonds;

(7) the optional and mandatory redemption provisions pertaining to the Bonds, provided the first date on which the Bonds may be optionally redeemed at par is not later than 10.5 years after the date of the Bonds; and

(8) the net present value savings due to the defeasance and/or refunding of the Refunded Bonds, which shall be not less than 1.00 percent of the par amount of the Refunded Bonds.

The Designated Representative is hereby authorized to approve additions, deletions or alterations to the Bond Purchase Contract or any other document or certificate related thereto so long as such additions, deletions or alterations do not substantially alter the intent and substance of this Ordinance.

E. *Negotiable Instruments.* The Bonds shall be negotiable instruments to the extent provided by chapter 62A.3 RCW.

Section 5: Redemption Prior to Maturity

A. *Redemption.* The Bonds shall be subject to redemption at such time and in such amounts as provided in the Official Notice of Sale and the Approved Bid, or, if the Bonds are sold by negotiated sale (including a private placement), in the Bond Purchase Contract.

B. *Partial Redemption.* In accordance with the preceding paragraph, portions of the principal amount of any Bond, in installments of \$5,000 or any integral multiple of \$5,000 within a maturity, may also be redeemed. If less than all the principal amount of any Bond is redeemed, upon surrender of such Bond at the designated corporate trust office of the Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal amount thereof, a new Bond or Bonds, at the option of the Registered Owner, with like maturity and interest rate, in any denomination authorized by this Ordinance.

C. *Notice of Redemption.* Except as set forth in subsection D below, and unless waived by the Registered Owner of any Bond to be redeemed, notice of any such redemption shall be sent by the Registrar by first-class mail, postage prepaid, not less than 20 nor more than 60 days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. The requirements of this subsection shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether it is actually received by the Registered Owner of any Bond to be redeemed. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the written notice, and if funds for the redemption are not irrevocably deposited with the Registrar or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the City. The Designated Representative is hereby authorized to agree to redemption provision they deem to be in the best interest of the City.

Any notice given pursuant to this subsection may be rescinded by written notice given by the City to the Registrar on or prior to the date specified for redemption. The Registrar shall give notice of such rescission as soon thereafter as practicable, and to the same Registered Owners, as notice of such redemption was given pursuant to this subsection.

D. *Special Notice of Redemption to DTC.* For so long as DTC is the securities depository for the Bonds, the Registrar shall send redemption and defeasance notices to DTC in the manner required by the Letter of Representations.

E. *Continuing Disclosure Undertaking.* Except in the case of a private placement, for so long as Section 24 of this Ordinance remains in effect, each redemption notice shall also be provided to EMMA by the City in the manner and timeframe specified in the Continuing Disclosure Undertaking; provided, neither any defect in such notice nor any failure to give all or any portion of such notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in subsection C above.

F. *Effect of Redemption.* When so called for redemption, the Bonds shall cease to accrue interest on the specified redemption date, provided money for redemption is on deposit at the place of payment at that time, and shall not be deemed to be Outstanding as of such redemption date.

G. *Voluntary Redemption Notice.* In addition to the notice required by subsection C above, further notice may be given by the Registrar as set out below, but neither any defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in subsection C hereof.

(1) Each further notice of redemption given hereunder may contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all Bonds Outstanding are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (d) notification that, on the redemption date, the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after such date; (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the Registrar; (f) the CUSIP numbers, if any, of all Bonds being redeemed; (g) the date of issue of the Bonds as originally issued; (h) the rate of interest borne by each Bond being redeemed; (i) the maturity date of each Bond being redeemed; and (j) any other descriptive information needed to identify accurately the Bonds being redeemed.

(2) Each further notice of redemption may be sent at least 20 days before the redemption date by registered or certified mail or overnight delivery service to: (a) all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds, such depositories now being DTC; and (b) one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(3) Each such further notice may be published one time in *The Bond Buyer* in New York, New York, or, if such publication is impractical or unlikely to reach a substantial number of the Registered Owners, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the

Bonds, such publication to be made at least 20 days prior to the date fixed for redemption.

H. *Open Market Purchase and Cancellation.* The City hereby reserves the right and option to purchase any or all of the Bonds on the open market at any time and at any price. To the extent the City partially redeems Term Bonds, pursuant to this Ordinance, the City may, at its discretion, reduce the amount of any mandatory sinking fund deposit or deposits by an aggregate principal amount equal to the principal amount of the Term Bonds so redeemed. All Bonds purchased or redeemed under this Section shall be canceled.

Section 6: Sale of the Bonds

A. *Competitive Sale Authorized.* The Bonds may be sold by competitive sale. In any such competitive sale, the Bonds will be awarded to the bidder whose bid will result in the lowest True Interest Cost to the City. In the event that two or more bidders offer bids at the same lowest True Interest Cost, the City will award the Bonds to the bidder submitting the bid resulting in the highest net present value savings to the City. The Underwriter must pay accrued interest, if any, computed on a 360-day year and 30-day month basis, from the date of the Bonds to the date of delivery.

(1) *Notice of Sale.* The City hereby authorizes the Designated Representative, with the assistance of the Municipal Advisor, if the Bonds are sold by competitive sale, to cause the Official Notice of Sale to be disseminated to prospective purchasers of the Bonds in such manner as it deems to be in the best interest of the City.

(2) *Good Faith Deposit.* Each bid must be unconditional and the successful bidder shall, within three hours of the award of the Bonds, make a good faith deposit (the “**Good Faith Deposit**”) by federal wire or by a certified or bank cashier’s check in immediately available funds payable to the City in an amount set forth in the Official Notice of Sale, which amount shall not be less than 0.5 percent of the principal amount of the Bonds.

The Good Faith Deposit of the successful bidder will become the property of the City and will be credited to the purchase price of the Bonds at the time of delivery of the Bonds. No interest will be paid by the City on a bidder’s Good Faith Deposit. If the purchase price is not paid in full upon tender of the Bonds, the successful bidder shall have no right to the Bonds or to the recovery of the Good Faith Deposit, or to any allowance or credit by reason of the Good Faith Deposit, unless it appears the Bonds would not be validly issued if delivered to the Underwriter in the form and manner proposed. However, in the event of such nonpayment, the City reserves any and all rights granted by law to recover the agreed purchase price of the Bonds, and, in addition, any damages suffered by the City.

(3) *Opening and Award of Bids.* If the Bonds are sold pursuant to the provisions of this Section 6.A, bids will be opened by the City no later than 9:00 a.m. Pacific Time, in the offices of the Designated Representative, on the date set forth in the Official Notice of Sale. The Designated Representative is hereby authorized and directed to conduct the competitive sale of the Bonds in accordance with the Official Notice of

Sale. The City reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

B. *Negotiated Sale Authorized.* The Bonds may be sold by negotiated sale (including a private placement) if it is determined by the Designated Representative, upon approval from the Mayor, that such method of sale is in the best interests of the City. If the Bonds are sold at negotiated sale or private placement, the terms of such sale must comply with Section 4 of this Ordinance.

C. *Other Related Matters.* The Designated Representative is authorized and directed to take such other actions to publicize or facilitate the sale of the Bonds as may be deemed desirable or necessary including, but not limited to, securing a rating on the Bonds from one or more of the established nationally recognized rating services.

Section 7: Place, Manner and Medium of Payment

A. *Payment Medium.* The principal of and interest on the Bonds are payable in lawful money of the United States of America to the Registered Owners thereof.

B. *Payment of Interest.* Payment of each installment of interest shall be made to the Registered Owner whose name appears on the Bond Register at the close of business on the fifteenth day of the calendar month preceding the interest payment date. Each installment of interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner.

C. *Payment of Principal.* Principal of each Bond shall be payable to the Registered Owner, upon presentation and surrender of the Bonds on or after the date of maturity or prior redemption, at the designated corporate trust office of the Registrar. Upon the payment of the Bonds at maturity, or upon payment of the redemption price of any Bond being redeemed, each check or other transfer of money issued for such purpose shall bear the CUSIP number, if any, and identify by issue and maturity the Bonds being paid or redeemed with the proceeds of such check or other transfer.

D. *Interest on Delinquent Amounts of the Bonds.* If any Bond is not redeemed when properly presented at its maturity or redemption date, the City shall pay interest on that Bond at the same rate provided in the Bond from and after its maturity or redemption date until the principal of and interest on that Bond is paid in full or until sufficient money for its payment in full is on deposit in the Debt Service Account and the Bond has been called for payment by giving notice to the Registered Owner of that unpaid Bond.

E. *Ownership of Bonds.* The City and the Registrar may deem and treat the Registered Owner of each Bond as the absolute owner of such Bond for the purpose of receiving payments of principal and interest due on such Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

F. *Unclaimed Money.* The Treasurer shall submit a written request to the Registrar that the Registrar return to the Treasurer all money previously remitted to the Registrar for the payment of the Bonds that has not been distributed by the Registrar as of one year after the final maturity or prior redemption of all of the Bonds. The Treasurer shall deposit such money into a separate account to be held solely for the benefit of the Registered Owners of Bonds which have not been presented for payment, and which shall be used solely for paying the principal of such Bonds and the interest which had accrued thereon to the date of maturity or prior redemption. Interest earnings on the money in such account may be deposited into the Debt Service Account to pay the principal of and interest on any Bonds that are Outstanding.

Section 8: Pledge of Full Faith, Credit and Resources of the City

The full faith, credit and resources of the City are hereby irrevocably pledged for the punctual and full payment of the principal of and interest on the Bonds.

The City hereby irrevocably covenants that, for as long as any of the Bonds are Outstanding, it will make annual levies of *ad valorem* taxes without limitation as to rate or amount upon all the property within the City subject to taxation which, together with other money legally available therefor, will be sufficient in amount to pay the principal of and interest on the Bonds as the same shall become due.

Section 9: The Bond Fund

A. *Bond Fund & Debt Service Account.* The Treasurer currently maintains a fund to be used for the payment of debt service on all general obligation bonds, designated as the “General Obligation Debt Service Fund” (the “**Bond Fund**”). Within the Bond Fund, there has heretofore been created and shall continue to be maintained, a subsidiary account separate and distinct from all other accounts of the City, designated the “UTGO 2025 Debt Service Account” (the “**Debt Service Account**”) or such other designation conforming to accounting practices, for the purpose of paying the principal of, premium, if any, and interest on the Bonds when due.

B. *Deposits to the Debt Service Account.* Accrued interest received from the sale of the Bonds, if any, shall be deposited into the Debt Service Account. All or a portion of original issue premium, if any, received from the sale of the Bonds may be deposited into the Debt Service Account. Tax receipts levied for the purpose of paying principal of and interest on the Bonds and, as from time to time directed by the Council, other City money legally available for payment of the Bonds will be deposited to the Debt Service Account to the extent necessary, and no later than the date such funds are required, to pay the principal of, premium, if any, and interest on the Bonds. The Treasurer is hereby authorized and directed to pay to the Registrar, in its capacity as the City’s paying agent, all payments of principal and interest due on the Bonds in sufficient time for such payments to be made.

C. *Investment of Money in the Debt Service Account.* Money in the Debt Service Account may be invested as permitted by law, which investments shall mature prior to the date on which such money shall be needed for required interest or principal payments. All interest earned and income derived by virtue of such investments shall remain in the Debt Service Account and be used to meet the required deposits therein.

Section 10: The Refunding Plan

A. *Designation of the Refunded Bonds.* The City is desirous of defeasing, paying, redeeming and/or retiring the Refunded Bonds. The Designated Representative is authorized to designate all or a portion of the following outstanding 2015 Bonds as the “Refunded Bonds”:

B. *Application of Bond Proceeds.* The net proceeds of the Bonds (exclusive of any amounts that may be designated by the Designated Representative in a closing certificate to be allocated to pay costs of issuance of the Bonds and exclusive of amounts paid to an Underwriter as a fee or an Underwriter’s discount)(the “**Net Bond Proceeds**”), together with other available funds of the City in the amount (if any) specified by the Designated Representative, shall be held by the City and used at the direction of the Designated Representative to pay the costs of, or to reimburse the City for the costs of, redeeming the Refunded Bonds and/or may be placed into the Escrow Account pursuant to the terms of an Escrow Agreement to effect a defeasance of the Refunded Bonds.

C. *Notice of Redemption.* The Refunding Trustee is hereby directed to give notice of the call and redemption of the Refunded Bonds in substantially the form set forth as Attachment II to the Form of Escrow Agreement attached hereto as Exhibit “B” and in the manner required by the 2015 Bond Ordinance.

D. *Modification of Refunding Plan.* The Designated Representative is hereby authorized, upon advice from the City’s Municipal Advisor, to modify the refunding plan if such modification is determined to be in the City’s best interest.

Section 11: The Refunding Trustee; Escrow Agreement

The City hereby authorizes the Designated Representative to select a financial institution to act as the Refunding Trustee with respect to the Refunded Bonds (the “**Refunding Trustee**”). In order to carry out the purposes of this Ordinance, if deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Designated Representative is authorized and directed to execute and deliver to the Refunding Trustee an Escrow Agreement substantially in the form marked Exhibit “B” attached hereto and by this reference incorporated herein. If utilized, the Escrow Agreement, shall set forth the duties, obligations and responsibilities of the Refunding Trustee in connection with the defeasance and/or refunding of the Refunded Bonds as provided herein, and shall set forth the payment of the fees, compensation and expenses of the Refunding Trustee.

Section 12: Creation of the Escrow Account & Government Obligations

A. *Creation of the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee is authorized and directed to establish a special account for the City designated the “Unlimited Tax General Obligation Bonds, Series 2015 Escrow Account,” or such other designation conforming to accounting principles and banking practices.

B. *Deposits into the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, may be deposited into the Escrow Account and may be held as cash or used to acquire Government Obligations, as more specifically provided in the Escrow Agreement. Such funds shall be irrevocably deposited into the Escrow Account. Any funds to be deposited into the Escrow Account shall be held by the Refunding Trustee in trust. All funds credited to the Escrow Account shall be deemed so credited to and held in the Escrow Account notwithstanding the fact that such funds are held by the Refunding Trustee in trust for the owners of the Refunded Bonds.

C. *Use of Money in the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee, on behalf of the City, may be authorized and directed to use the Net Bond Proceeds, together with other legally available money of the City, to purchase Government Obligations in the amounts, of the type, bearing interest and maturing in such amounts as are necessary to make the payments described in this Ordinance and in the Escrow Agreement. The investment income from and maturing principal of the Government Obligations and money to be deposited into the Escrow Account, if any, shall be transmitted to the Washington State Fiscal Agent, as Registrar for the City, for the sole purpose of paying the principal of and interest on the Refunded Bonds. Any money remaining on deposit in the Escrow Account created hereunder after the payment in full of the Refunded Bonds and the costs of issuing the Bonds, shall be transferred by the Refunding Trustee to the City and deposited into the Bond Fund.

D. *Government Obligations.*

(1) *Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to affect the defeasance and/or

refunding of the Refunded Bonds, the Government Obligations shall be payable in such amounts and at such times that, together with other legally available money of the City, will be sufficient to provide for the payment of: (a) the interest on the Refunded Bonds as such becomes due on and before the Redemption Date or maturity of the Refunded Bonds; and (b) the price of redemption of the Refunded Bonds on the Redemption Date or the maturity value of the Refunded Bonds that are defeased to maturity.

(2) *Sufficiency of the Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, prior to the delivery of the Bonds, the City shall receive an opinion of a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, stating, in substance, that the money and Government Obligations to be deposited with the Refunding Trustee for the payment of the Refunded Bonds will discharge and satisfy the City's obligations under the 2015 Ordinance to make payments on the Refunded Bonds. Such opinion will not be required in the event the City deposits sufficient funds at closing to provide for all debt service payments, without taking into account interest earnings thereon.

Section 13: Irrevocable Call

A. *Refunded Bonds.*

(1) *Irrevocable Call for Redemption.* In accordance with Section 4 of the 2015 Bond Ordinance, the City hereby calls the Refunded Bonds for redemption on the Redemption Date. Such call for redemption shall be irrevocable upon the delivery of the Bonds to the Underwriter.

(2) *Irrevocable Pledge of Proceeds of the Bonds.* The City hereby irrevocably pledges the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, Government Obligations (if any) and any amounts on deposit in the Escrow Account (if utilized), to pay the interest on the Refunded Bonds, up to and including the Redemption Date, and to redeem and retire the Refunded Bonds on such date at the price of 100 percent of the principal amount thereof plus accrued interest to the Redemption Date. Such amounts are hereby irrevocably pledged to be set aside to effect such payment, redemption and retirement.

B. *Findings Regarding the Defeasance and/or Refunding of the Refunded Bonds.* The Council hereby finds that, as of the date the Bonds are issued and the Net Bond Proceeds are utilized as set forth herein: (1) no further payments need to be made into the Bond Fund for the payment of the principal of and interest on the Refunded Bonds; (2) the Refunded Bonds and the interest accrued thereon shall cease to be entitled to any lien, benefit or security of the 2015 Bond Ordinance, except the right to receive the funds so set aside and pledged; and (3) the Refunded Bonds and the interest accruing thereon shall no longer be deemed to be Outstanding under the 2015 Bond Ordinance. The Council hereby further finds and determines that the issuance and sale of the Bonds will benefit the City by affecting a savings to the City's taxpayers. In making such finding and determination, the Council has given consideration to the

interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds.

Section 14: Execution and Authentication of the Bonds

A. *Execution of the Bonds.* The City shall cause definitive Bonds to be prepared, executed, and delivered. The Bonds shall be executed on behalf of the City by the manual or facsimile signature of the Mayor, shall be attested by the manual or facsimile signature of the City Clerk, and shall have the seal of the City impressed, imprinted or otherwise reproduced thereon.

B. *Authentication of the Bonds.* The executed Bonds shall be delivered to the Registrar for authentication. The Bonds shall be numbered separately in the manner and with any additional designation as the Registrar deems necessary for purposes of identification. Only those Bonds that bear a Certificate of Authentication substantially in the form set forth in Exhibit “A” attached hereto and manually executed by an authorized representative of the Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this Ordinance. Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Ordinance.

C. *Validity of Signatures.* In case any of the officers who shall have signed or attested any of the Bonds shall cease to be such officer or officers of the City before the Bonds so signed or attested shall have been authenticated or delivered by the Registrar, or issued by the City, such Bond may nevertheless be authenticated, delivered and issued, and, upon such authentication, delivery and issue, shall be as binding upon the City as though those who signed and attested the same had continued to be such officers of the City. Any Bond may also be signed and attested on behalf of the City by such persons as at the actual date of execution of such Bond shall be the proper officers of the City although at the original date of such Bond any such person shall not have been such officer of the City.

Section 15: The Registrar

A. *Registrar Appointed.* The Treasurer has designated the Washington State Fiscal Agent as the City’s legally designated fiscal agent with respect to the Bonds. The Council hereby confirms such designation with respect to the Bonds and appoints the Washington State Fiscal Agent as Registrar, authenticating agent, paying agent and transfer agent with respect to the Bonds, subject to the terms and conditions of this Section.

B. *Delegated Duties.* The Registrar is hereby authorized and directed, on behalf of the City, to authenticate and deliver Bonds initially issued or transferred or exchanged in accordance with the provisions of the Bonds and this Ordinance and to carry out all of the Registrar’s powers and duties under this Ordinance and the Agreement for Fiscal Agency Services between the Washington State Finance Committee and the Registrar (as the same may be amended or readopted from time to time).

C. *Bond Register.* The Bonds shall be issued only in registered form as to both principal and interest. The Registrar shall keep, or cause to be kept, at its designated corporate trust office the Bond Register which shall at all times be open to inspection by the City. The City hereby specifies and adopts the system of registration for the Bonds approved by the Washington State Finance Committee.

D. *Fees and Costs.* The City shall pay to the Registrar from time to time reasonable compensation for all services rendered under this Ordinance, together with reasonable expenses, charges, fees of counsel, accountants and consultants and other disbursements, including those of its attorneys, agents and employees, incurred in good faith in and about the performance of their powers and duties under this Ordinance. The administrative fees provided for in this subsection may be paid from the Debt Service Account.

E. *Representations.* The Registrar shall be responsible for its representations contained in the Registrar's Certificate of Authentication on the Bonds.

F. *Ownership Rights.* The Registrar may become the Registered Owner of the Bonds with the same rights it would have if it were not the Registrar, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners of the Bonds.

G. *Cancellation of Surrendered Bonds.* Bonds surrendered to the Registrar for payment, redemption, transfer or exchange, as well as Bonds surrendered by the City for cancellation, shall be canceled immediately by the Registrar and returned to the City. Such Bonds thereafter shall be destroyed.

Section 16: Book-Entry System Authorized

A. The Bonds shall be initially issued in the form of a separate, single-certificated, fully registered Bond for each maturity set forth in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), the Bond Purchase Contract, as provided for in Section 4 of this Ordinance, in the aggregate principal amount of such maturity. Upon initial issuance, the ownership of each Bond may be registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the securities depository for the Bonds. Except as provided in subsection D of this Section, all of the Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

B. With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, neither the City nor the Registrar shall have any responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to: (1) the accuracy of the records of DTC, Cede & Co., or any Participant with respect to any ownership interest in the Bonds; (2) the delivery to any Participant or any other person, other than a Registered Owner, of any notice with respect to the Bonds; or (3) the payment to any Participant or any other person, other than a Registered Owner, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The City and the Registrar may treat and consider the Registered Owner of each Bond as

the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and the interest on the Bonds as provided for in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), Bond Purchase Contract, and as further provided in Sections 4 and 5 of this Ordinance and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sums so paid. No person other than a Registered Owner shall receive a certificated Bond evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to the transfer and payment of the Bonds, the phrase "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

C. The City heretofore has delivered the Letter of Representations to the Registrar and DTC. The delivery of the Letter of Representations shall not in any way limit the provisions of subsection B of this Section or in any other way impose upon the City any obligation whatsoever with respect to persons having interests in the Bonds other than the Registered Owner. The Registrar shall take all action necessary to comply with, at all times, any and all representations of the City in the Letter of Representations with respect to the Registrar.

D. (1) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and to the Registrar, and discharging its responsibilities with respect thereto under applicable law.

(2) The City, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the City determines that: (a) DTC is unable to discharge its responsibilities with respect to the Bonds; or (b) a continuation of the requirement that all of the Bonds be registered in the Bond Register in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

(3) Upon termination of the services of DTC with respect to the Bonds pursuant to subsection D(2)(b) of this Section, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subsection D(1) or subsection D(2)(a) of this Section, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found that, in the opinion of the City, is willing and able to undertake such functions upon reasonable and customary terms, the City shall deliver certificated Bonds at the expense of the City, as described in this Ordinance, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may be registered in the names that the Registered Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance. In the event the Bonds are transferred by the City to fully registered form, the Bonds shall be payable by the Registrar. Thereafter, the principal of the Bonds shall be payable upon due presentment and

surrender thereof at the designated corporate trust office of the Registrar; interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner, and the Bonds shall be transferable as provided in this Ordinance.

E. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal or premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

F. If the Bonds are privately placed with a bank, the City may determine not to comply with this Section if the Designated Representative deems it to be in the best interest of the City.

Section 17: Transfer and Exchange of the Bonds

A. *Transfer of Bonds.* Each Bond shall be transferable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, upon due completion of the assignment form appearing thereon and upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation and issuance of a new Bond registered in the name of the transferee, in exchange therefor.

B. *Exchange of Bonds.* Each Bond shall be exchangeable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, for one or more new Bonds, upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation.

C. *Authentication and Delivery of New Bonds.* Whenever a Bond shall be surrendered for transfer or exchange, the Registrar shall authenticate and deliver to the transferee or exchangee, in exchange therefor, a new fully registered Bond or Bonds of any authorized denomination or denominations, of the same maturity and interest rate as, and for the aggregate principal amount of, the Bond being surrendered. Notwithstanding the foregoing sentence, the Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

D. *Payment of Fees and Costs.* The Registrar shall require the payment by the Registered Owner requesting such transfer or exchange of any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

Section 18: Mutilated, Lost, Stolen or Destroyed Bonds

A. *Issuance of Substitute Bonds.* If any Bond shall become mutilated, lost, stolen or destroyed, the affected Registered Owner shall be entitled to the issuance of a substitute Bond only as follows:

(1) in the case of a lost, stolen or destroyed Bond, the Registered Owner shall:

- (a) provide notice of the loss, theft or destruction to the City and the Registrar within a reasonable time after the Registered Owner receives notice of the loss, theft or destruction;
- (b) request the issuance of a substitute Bond;
- (c) provide evidence, satisfactory to the City and the Registrar, of the ownership and the loss, theft or destruction of the affected Bond; and
- (d) file in the offices of the City and the Registrar a written affidavit specifically alleging on oath that such Registered Owner is the proper owner, payee or legal representative of such owner or payee of the Bond that has been lost, stolen or destroyed, giving the date the Bond was issued and the number, principal amount and series of such Bond, and stating that the Bond has been lost, stolen or destroyed, and has not been paid and has not been received by such Registered Owner;

(2) in the case of a mutilated Bond, the Registered Owner shall surrender the Bond to the Registrar for cancellation; and

(3) in all cases, the Registered Owner shall provide indemnity against any and all claims arising out of or otherwise related to the issuance of substitute Bonds pursuant to this Section satisfactory to the City and the Registrar.

Upon compliance with the foregoing, a new Bond of like tenor and denomination, bearing the same number as the mutilated, lost, stolen or destroyed Bond, and with the word “DUPLICATE” stamped or printed plainly on its face, shall be executed by the City, authenticated by the Registrar and delivered to the Registered Owner, all at the expense of the Registered Owner to whom the substitute Bond is delivered. Notwithstanding the foregoing, the Registrar shall not be required to authenticate and deliver any substitute Bond for a Bond that has matured or is about to mature or that has been called for redemption and, in any such case, the principal or redemption price and interest then due or becoming due shall be paid by the Registrar in accordance with the terms of the mutilated, destroyed, lost or stolen Bonds without substitution therefor.

B. *Notation on the Bond Register.* Upon the issuance and authentication of any substitute Bond under the provisions of this Section, the Registrar shall enter upon the Bond Register a notation that the original Bond was canceled and a substitute Bond was issued.

C. *Rights of Registered Owners of Substitute Bonds.* Every substitute Bond issued pursuant to this Section shall constitute an additional contractual obligation of the City and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued hereunder unless the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by a bona fide purchaser for value without notice. In the event the Bond alleged to have been destroyed, lost or stolen shall be enforceable by anyone, the City may recover the substitute Bond from the Registered Owner to whom it was issued or from anyone taking under the Registered Owner except a bona fide purchaser for value without notice.

D. *Exclusive Rights.* All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or of investment or other securities without their surrender.

Section 19: Defeasance of the Bonds

In the event that money and/or “government obligations” (as defined from time to time in RCW 39.53.010), maturing or having guaranteed redemption prices at the option of the owner at such time or times and bearing interest to be earned thereon in such amounts as are sufficient, together with any resulting cash balances, to redeem and retire part or all of the Bonds in accordance with their terms, are hereafter irrevocably set aside in a special account and pledged to effect such redemption and retirement, then no further payments need be made into the Debt Service Account or any account therein for the payment of the principal of and interest on the certain Bonds so provided for, and such Bonds and interest accrued thereon shall no longer be deemed to be Outstanding hereunder.

If the principal or redemption price of any Bonds becoming due, either at maturity or by call for redemption or otherwise, together with all interest accruing thereon to the due date, has been paid or provision therefor has been made in accordance with this Section, all interest on such Bonds shall cease to accrue on the due date and all liability of the City with respect to such Bonds shall cease as of the date the principal, redemption price, if any, and interest is so provided for, except as hereinafter provided. Thereafter, the Registered Owners of such Bonds shall be restricted exclusively to the money so deposited for any claim of whatsoever nature with respect to such Bonds, and the Registrar shall hold such money in trust for such Registered Owners uninvested and without interest.

Section 20: Tax Covenants

A. *Compliance With the Code.* The City covenants to comply with each requirement of the Code necessary to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes. In furtherance of the covenant contained in the preceding sentence, the City covenants to comply with the provisions of the Tax Compliance Certificate executed by the City on the date of initial issuance and delivery of the Bonds, as such Tax Compliance Certificate may be amended from time to time.

B. *Necessary Payments.* The City covenants to make any and all payments required to be made to the United States Department of the Treasury in connection with the Bonds pursuant to Section 148(f) of the Code.

C. *Survival of Tax Covenants.* Notwithstanding any other provision of this Ordinance to the contrary, so long as necessary in order to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes, the covenants contained in this Section shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof pursuant to Section 19 of this Ordinance.

D. *Remedies.* Notwithstanding any other provision of this Ordinance to the contrary: (1) upon the City's failure to observe or refusal to comply with the above covenants, the Registered Owners, or any trustee acting on their behalf, shall be entitled to the rights and remedies provided to the Registered Owners under this Ordinance; and (2) neither the holders or Registered Owners of bonds of any series other than Bonds, nor a trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to Registered Owners under this Ordinance based upon the City's failure to observe, or refusal to comply with, the above covenants.

Section 21: Amendments to the Ordinance

A. *Amendments Not Requiring Registered Owner Consent.* The Council from time to time, and at any time, may adopt an ordinance or ordinances supplemental hereto, which ordinance or ordinances thereafter shall become a part of this Ordinance, for any one or more of all the following purposes: (1) to add to or delete from the covenants and agreements of the City in this Ordinance, or to surrender any right or power reserved to the City herein, provided such additions or deletions shall not adversely affect, in any material respect, the interests of the Registered Owners of any Bond; and (2) to cure, correct or supplement any ambiguous or defective provision contained in this Ordinance, provided such supplemental ordinance shall not adversely affect, in any material respect, the interests of the Registered Owners of the Bonds. Any such supplemental ordinance may be adopted without the consent of the Registered Owners of any Bonds at any time Outstanding, notwithstanding any of the provisions of subsection B of this Section.

B. *Amendments Requiring Registered Owner Consent.* With the consent of the Registered Owners of not less than 50 percent in aggregate principal amount of the Bonds at the time Outstanding, the Council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to, or changing in any manner, or eliminating any of the provisions of this Ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall: (1) extend the fixed maturity of any Bond, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or alter the redemption provisions pertaining thereto, without the consent of the Registered Owner of each Bond so affected; or (2) reduce the aforesaid percentage of Registered Owners required to approve any such supplemental ordinance, without the consent of the Registered Owners of all of the Bonds then Outstanding. It shall not be necessary for the consent of Registered Owners consent under this subsection B to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

C. *Effect of Supplemental Ordinances.* Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this Ordinance and all Registered Owners of Bonds Outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

D. *Notations; Replacement Bonds.* Bonds executed and delivered after the execution of any supplemental ordinance adopted pursuant to the provisions of this Section may have a notation as to any matter provided for in such supplemental ordinance, and if such supplemental ordinance shall so provide, new Bonds so modified as to conform in the opinion of the Council to any modification of this Ordinance contained in any such supplemental ordinance, may be prepared and delivered without cost to the Registered Owners of any affected Bonds then Outstanding, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

Section 22: Sale and Delivery of the Bonds and Taking of Other Actions Authorized

The Council hereby authorizes and directs each of the Mayor, the Chief Financial Officer, the Director of Management and Budget, the City Clerk, the Treasurer, the Municipal Advisor and Kutak Rock LLP, bond counsel, to execute and deliver the Bonds to the Underwriter, or in the case of a private placement with a bank, to the bank, and for the proper application and use of the proceeds of the sale thereof, including:

A. preparing the final official statement regarding the Bonds, if the Bonds are publicly offered; and

B. executing such certificates and receipts as may be necessary to properly document the issuance of the Bonds.

In addition, the Mayor, the Chief Financial Officer, the Director of Management and Budget, the City Clerk, the Treasurer, the Municipal Advisor and Kutak Rock LLP, bond counsel, are hereby authorized by the Council to execute and deliver such other certificates, agreements and documents, and to take such other actions on behalf of the City as may be reasonable and necessary:

A. to facilitate the issuance and sale of the Bonds;

B. to meet all provisions of the Code in order to maintain tax-exempt status of the Bonds; and

C. in connection with any matters related thereto, until the final maturity date of the Bonds or redemption, whichever occur first.

Section 23: The Preliminary Official Statement

If the Bonds are publicly offered, the Council hereby delegates authority to the Designated Representative to determine all acts to be undertaken by the City's officers, employees and agents with respect to the preparation and distribution of the preliminary official statement regarding the Bonds, if the Bonds are publicly offered, including any action taken to deem such preliminary official statement final as of its date except for the omission of information dependent upon the pricing of the issue and the completion of the underwriting agreement, such as offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates and other terms of the Bonds dependent on

the foregoing matters. The City agrees to cooperate with the Underwriter to deliver or cause to be delivered, within seven business days from the date of the sale date of the Bonds and in sufficient time to accompany any confirmation that requests payment from any customer of the Underwriter, copies of a final official statement in sufficient quantity to comply with the rules of the Municipal Securities Rulemaking Board and paragraph (b)(4) of Securities and Exchange Commission Rule 15c2-12.

Section 24: Continuing Disclosure Undertaking

The City covenants to execute and deliver at the time of issuance of the Bonds a Continuing Disclosure Undertaking in substantially the form set forth in Exhibit “C” attached hereto and by this reference incorporated herein. The Designated Representative is authorized and directed to execute and deliver a Continuing Disclosure Undertaking upon the sale, issuance and delivery of the Bonds with such terms and provisions as such officer shall deem appropriate and in the best interest of the City, upon consultation with the City’s bond counsel. The City hereby reserves the right to comply with this Section by meeting its annual disclosure requirements through any system approved by the SEC. All required filings shall be made in an electronic format as prescribed by the MSRB.

Section 25: Contract and Severability of Provisions

The covenants contained in this Ordinance and in the Bonds shall constitute a contract between the City and the Registered Owner of each and every Bond. Any action by the Registered Owner of any Bond shall bind all future Registered Owners of the same Bond in respect of anything done or suffered by the City or the Registrar in pursuance thereof. All the covenants, promises and agreements in this Ordinance contained by or on behalf of the City, or by or on behalf of the Registrar, shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction on final appeal (if any appeal be taken) to be contrary to law, then such covenant or agreement shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of the Bonds.

Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon or give to any person other than the City, the Registrar and the Registered Owners and the holders from time to time of the Bonds any rights, remedies or claims under or by reason of this Ordinance or any covenant, condition or stipulation thereof; and all of the covenants, stipulations, promises and agreements in this Ordinance contained by or on behalf of the City shall be for the sole and exclusive benefit of the City, the Registrar and the Registered Owners and the holders from time to time of the Bonds.

Section 26: No Personal Recourse

No recourse shall be had for any claim based on this Ordinance or the Bonds against any Council member, officer or employee, past, present or future, of the City or of any successor

body as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or otherwise.

Section 27: Ratification

All actions not inconsistent with the provisions of this Ordinance heretofore taken by the Council and the City's employees with respect to the adoption of this Ordinance, the defeasance and/or refunding of the Refunded Bonds and the issuance, sale and delivery of the Bonds, are hereby in all respects ratified, approved and confirmed.

Section 28: Repealer

All ordinances or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed, and shall have no further force or effect.

Section 29: Effective Date

The Council hereby finds and determines that the issuance and sale of the Bonds at this time will benefit the City by allowing the City to take advantage of current interest rates for tax-exempt bonds. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds. In order to take advantage of current interest rates and maximum savings to the City's taxpayers, it is essential to accept the Bond Purchase Contract or accept the Approved Bid at a competitive sale, as applicable, as quickly as possible. Based upon said facts, an emergency and urgency is declared and found to exist as necessary for the immediate support of City government and its existing public institutions. Based upon said emergency and urgency, this ordinance shall become effective immediately upon its passage.

Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner. Principal of this Bond shall be paid to the Registered Owner upon presentation and surrender of this Bond on or after the Maturity Date set forth above or date of prior redemption of this Bond, whichever occurs first, at the designated corporate trust office of the Registrar.

This Bond is one of a series aggregating \$[_____] par value, all of like date, tenor and effect, issued by the City pursuant to and in full compliance with the Constitution and laws of the state of Washington now in force, particularly chapters 35.22, 39.36, 39.46 and 39.53 RCW, and proceedings duly adopted and authorized by the Council, more particularly the Ordinance, for the purpose of providing money to pay, defease, redeem and/or retire the Refunded Bonds and to pay certain expenses incurred in connection with the issuance of the Bonds, as more particularly described in the Ordinance.

The Bonds are issued in fully registered form, in the denomination of \$5,000 each, or any integral multiple thereof.

The Bonds are unlimited tax general obligations of the City, and as such, the full faith, credit and resources of the City have been irrevocably pledged for the punctual and full payment of the principal of and interest on the Bonds. The Bonds are payable from *ad valorem* taxes levied and to be levied upon all the taxable property within the City, together with other legally available money, without limitation as to rate or amount, and are payable solely from the Debt Service Account.

The Bonds are subject to redemption as stated in the [Bond Purchase Contract] [Official Notice of Sale].

So long as the Bonds are in book-entry only form, the Registrar will notify DTC of an early redemption, not less than 20 days and not more than 60 days prior to the date fixed for redemption, and will provide such information as required by the operational arrangements of DTC referenced in the Blanket Letter of Representations from the City to DTC.

During any period in which the Bonds are not in book-entry only form, unless waived by any Registered Owner of the Bonds to be redeemed, notice of any redemption of Bonds will be given by the Registrar on behalf of the City by mailing a copy of a redemption notice by first-class mail, postage prepaid, not less than 20 days nor more than 60 days prior to the date fixed for redemption, to the Registered Owners of each Bond to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owners to the Registrar. The City reserves the right to rescind any redemption notice no later than one business day prior to the date fixed for redemption.

The City has reserved the right to purchase any or all of the Bonds on the open market at any time and at any price. To the extent the City purchases the Term Bonds on the open market,

the City may reduce, at its discretion, the amount of any mandatory sinking fund deposit or deposits by an aggregate principal amount equal to the principal amount of the Term Bonds so purchased. Any Bonds so purchased or redeemed shall be canceled.

The City and the Registrar may deem and treat the Registered Owner of this Bond as the absolute owner of this Bond for the purpose of receiving payments of principal and interest due on this Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

This Bond is transferable or exchangeable by the Registered Owner hereof in person, or by its attorney duly authorized in writing, upon due completion of the Assignment appearing hereon and upon presentation and surrender of this Bond at the designated corporate trust office of the Registrar. Upon such transfer or exchange, a new Bond or Bonds of any authorized denomination, of the same maturity and interest rate, and for the same aggregate principal amount of the Bond being surrendered will be issued to the transferee or exchangee, in exchange therefor. The Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

Reference is hereby made to the Ordinance for the covenants and declarations of the City and other terms and conditions under which this Bond and the Bonds of this series have been issued. The covenants contained herein and in the Ordinance, as they may apply to this Bond, may be discharged by making provision, at any time, for the payment of the principal of and interest on this Bond in the manner provided in the Ordinance.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the Certificate of Authentication hereon is manually signed by the Registrar.

Section 4. *The Escrow Account.* The Refunding Trustee hereby agrees to establish, hold, invest and otherwise administer the Escrow Account in the manner provided by the Ordinance. In the furtherance of the foregoing, the Refunding Trustee will, on behalf of the City, use the Net Bond Proceeds and other money, if any, deposited with the Refunding Trustee to purchase Government Obligations in the amounts, of the type, bearing interest and maturing as set forth in the following schedule:

<u>Type of Obligation</u>	<u>Par Amount</u>	<u>Interest Rate</u>	<u>Delivery Date</u>	<u>Maturity Date</u>
			__/__/2025	

Section 5. *Receipt of Certain Money.* Execution of this Escrow Agreement by the Refunding Trustee shall constitute written acknowledgment by the Refunding Trustee of its receipt from the City of \$_____, \$_____ of which will be invested in Government Obligations, \$_____ of which will be held as an initial cash balance and the balance of \$_____ will be used to pay costs of issuance of the Bonds at the direction of the Designated Representative.

Section 6. *Sufficiency of Government Obligations.* Based on the escrow verification report of [VERIFICATION AGENT], the City represents that the Government Obligations and the maturing principal thereof and the interest thereon, if paid when due, together with a beginning cash balance of \$_____, will be sufficient to make the payments described in Section 7 hereof.

Section 7. *Payments on the Refunded Bonds.* The Refunding Trustee will transfer money from the Escrow Account to the Washington State Fiscal Agent in the amounts, and at the times, necessary to enable the Washington State Fiscal Agent to make the payments described in the following schedule:

<u>Payment Date</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
*	\$	\$	\$

* Redemption Date.

Section 8. *The Government Obligations.* The Refunding Trustee will purchase the Government Obligations described in Section 4 above, on behalf of the City, from the Bond proceeds and other money, if any, deposited with the Refunding Trustee on the date the Bonds are issued. The Refunding Trustee will use such Government Obligations, and the earnings thereon, for the sole purpose of making the transfers to the Washington State Fiscal Agent described in Section 7 hereof. The Refunding Trustee will not allow any Government Obligations to be liquidated prior to maturity without: (a) the City's written consent; (b) receiving a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such liquidation will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (c) receiving the written opinion of nationally recognized bond counsel that such redemption would not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 9. *Safekeeping of Money and Investments.* All Government Obligations, money and investment income deposited with or received by the Refunding Trustee pursuant to this Escrow Agreement shall be subject to the trust created by this Escrow Agreement, and the Refunding Trustee shall be liable for the safekeeping thereof. All money deposited with the Refunding Trustee or received by the Refunding Trustee as maturing principal or interest on the Government Obligations prior to the times the Refunding Trustee is required to make the payments described in Section 7 of this Escrow Agreement shall be held uninvested, in cash, by the Refunding Trustee.

Section 10. *Substitution of the Government Obligations.* The Refunding Trustee acknowledges the City's right to substitute Government Obligations for investments in the Escrow Account. The Refunding Trustee will cooperate with the City in making any such substitution, so long as prior to each such substitution, the City obtains: (1) a supplemental verification addressed to the City and the Refunding Trustee from a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit in the Escrow Account after such substitution will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds and that such substitute Government Obligations are noncallable; and (2) a written opinion addressed to the City from nationally recognized bond counsel that such substitution will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 11. *Transfer of Surplus Money Prior to Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account prior to the payment in full of the Refunded Bonds if the City furnishes to the Refunding Trustee: (a) a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such transfer will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (b) an opinion addressed to the City and to the Refunding Trustee from

nationally recognized bond counsel that such transfer will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 12. *Transfer of Surplus Money After Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account after the payment, redemption and retirement in full of all of the Refunded Bonds.

Section 13. *Notices of [Defeasance and Redemption].* [The Refunding Trustee will cause notice of the defeasance of the Refunded Bonds to be given, substantially in the form set forth in Attachment I hereto, not later than [10] days after the Bonds are delivered to the Underwriter by the City. The notice of defeasance shall be given to the Municipal Securities Rulemaking Board.] [The Refunding Trustee will direct the Washington State Fiscal Agent to give notice, or cause notice to be given, at the expense of the City, of the redemption of the Refunded Bonds in the form and manner required by the 2015 Ordinance. Such notice of redemption shall be substantially in the form set forth in Attachment II hereto, and shall be given not less than 20 nor more than 60 days prior to the redemption date.]

Section 14. *Limitation of Refunding Trustee's Duties.* The duties and obligations of the Refunding Trustee shall be prescribed by the provisions of this Escrow Agreement and the Ordinance, and the Refunding Trustee shall not be liable except for the performance of its duties and obligations as specifically set forth herein or therein and the duty to act in good faith in the performance thereof and no implied duties or obligations shall be incurred by such Refunding Trustee other than those specified herein and therein. Nothing contained herein shall require the Refunding Trustee to advance its own money or otherwise to incur any financial liability to carry out its obligations hereunder. The Refunding Trustee shall not be responsible or liable for: (a) the sufficiency, correctness, genuineness or validity of the Government Obligations; (b) the performance or compliance by any party other than the Refunding Trustee with the terms or conditions of any such instruments; or (c) any loss which may occur by reason of forgeries, false representations or the exercise of the Refunding Trustee's discretion in any particular manner, unless such exercise is negligent or constitutes willful misconduct.

Section 15. *Interpleader.* If any controversy arises between the City and any third person, the Refunding Trustee shall not be required to determine the same or to take any action in the premises, but it may institute, in its discretion, an interpleader or other proceedings in connection therewith as it may deem proper, and in following either course, it shall not be liable.

Section 16. *Reporting Requirements.* For as long as any of the Refunded Bonds are outstanding, the Refunding Trustee shall render a statement as of the last day of the month on a semi-annual basis commencing December 1, 2025, to the Chief Financial Officer setting forth: (a) the Government Obligations which have matured and the amounts received by the Refunding Trustee by reason of such maturity; (b) the amounts paid to the Washington State Fiscal Agent pursuant to Section 7 of this Escrow Agreement and the dates of such payments, for payments on the Refunded Bonds; and (c) any other transactions of the Refunding Trustee pertaining to its duties and obligations as set forth herein.

Section 17. *Compensation of the Refunding Trustee.* The Refunding Trustee hereby acknowledges payment for services rendered and to be rendered by it pursuant to the provisions of this Escrow Agreement of all fees, compensation and expenses of the Refunding Trustee. The Refunding Trustee hereby agrees that such compensation has been made to the satisfaction of the Refunding Trustee. Such amount does not take into consideration any extraordinary fees and expenses of the Refunding Trustee. The Refunding Trustee represents that it has incurred no extraordinary fees and expenses pertaining to this Escrow Agreement. The Refunding Trustee shall comply with the requirements of the following paragraph before incurring any extraordinary fees and costs to be billed to the City. The Refunding Trustee acknowledges that it is not entitled to a lien on any Government Obligations or other obligations or money of the City held by it pursuant to this Escrow Agreement or any other agreement.

The Refunding Trustee shall provide the City with a good faith estimate of its fees and costs if and when it is requested by the City to: (a) render any service that is not provided for in this Escrow Agreement; (b) amend this Escrow Agreement; or (c) substitute securities under this Escrow Agreement. The City will pay the Refunding Trustee reasonable compensation for such unanticipated services, provided the City is first provided with such estimate and approves thereof in writing.

Section 18. *Amendments to this Escrow Agreement.* The Refunding Trustee and the City recognize that the owners of the Refunded Bonds have a beneficial interest in the money and the Government Obligations to be held in trust by the Refunding Trustee pursuant to this Escrow Agreement. Therefore, this Escrow Agreement shall be subject to amendment only in writing executed by the City and the Refunding Trustee for the purposes of: (a) clarifying an ambiguity in the duties and obligations set forth hereunder; or (b) altering the reporting or other ministerial obligations of the Refunding Trustee to the City. The parties will not amend this Escrow Agreement in such a manner as to permit the Refunding Trustee to invest in or deposit in the Escrow Account any obligations other than noncallable, nonprepayable obligations of, or obligations unconditionally guaranteed by, the United States of America. Each amendment to this Escrow Agreement shall be accompanied by an opinion addressed to the City and to the Refunding Trustee from nationally recognized bond counsel that such amendment will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes. In addition, if such amendment results in any change of the maturities, interest earnings or redemption features of the Government Obligations, then such amendment shall also be accompanied by a supplemental verification addressed to the City and to the Refunding Trustee from an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after the amendment will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds.

Section 19. *Notification of Deficiency.* The Refunding Trustee will give the City prompt notice if the Refunding Trustee shall determine there are or will be insufficient money or Government Obligations to make the payments specified in Section 7 of this Escrow Agreement, and the City shall promptly deposit with the Refunding Trustee additional sums of money required to correct such deficiencies. This Section 19 is not intended to create an obligation on the part of the Refunding Trustee to calculate or in any way verify the sufficiency or projected

future sufficiency of the maturing principal of and interest on the Government Obligations and other money held by the Refunding Trustee pursuant to this Escrow Agreement to pay the debt service on the Refunding Bonds.

Section 20. *Successor Refunding Trustee.* The Refunding Trustee shall, upon receiving a written request from the City, or may, upon providing 30 days prior written notice to the City, be removed as Refunding Trustee hereunder; provided, the Refunding Trustee will not relinquish its duties hereunder until a qualified successor accepts its appointment. The City shall promptly appoint a successor Refunding Trustee upon the removal of the Refunding Trustee; *provided*, the Refunding Trustee may petition a court of competent jurisdiction for the appointment of a successor Refunding Trustee if the successor Refunding Trustee appointed by the City does not accept its appointment within 45 days after the giving of notice described in the preceding sentence. Any successor Refunding Trustee shall meet the requirements of RCW 39.53.070, as now in effect or hereafter amended, and shall assume all the obligations of the Refunding Trustee under this Escrow Agreement. All the Government Obligations and money then held by the Refunding Trustee pursuant to this Escrow Agreement shall thereafter be transferred to such successor.

Any corporation or association into which the Refunding Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, consolidation or reorganization to which the Refunding Trustee may be a party, or any corporation or association to which the Refunding Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Refunding Trustee without the execution or filing of any paper or any further act on the part of the City or the Refunding Trustee.

Section 21. *Receipt of Statements.* The Refunding Trustee hereby acknowledges receipt from the City of statements setting forth the interest payment schedules and maturity schedules of the Refunded Bonds by number, amount, date of maturity and interest rates, the amount of interest to be paid on each semiannual interest payment date of such bonds, if any, and the amount of the principal to be paid on the date that the Refunded Bonds are to be redeemed.

Section 22. *Holidays.* If the date for making any payment or the last date for performance of any act or the exercising of any right or duty, as provided in this Escrow Agreement, shall be a legal holiday, a day on which banking institutions in Seattle, Washington, and New York, New York, are authorized by law to remain closed, or a day on which the New York Stock Exchange is closed, such payment may be made, such act performed, or such right exercised on the next succeeding day, with the same force and effect as if done on the nominal date provided in this Escrow Agreement.

Section 23. *Term.* The term of this Escrow Agreement shall commence on the date the Bonds are delivered to the Underwriter and shall expire on the later of: (a) the date the final payment is made pursuant to Section 7 hereof; (b) the date any surplus money remaining in the Escrow Account is transferred to the City pursuant to Section 12 hereof; and (c) the date the final statement required by Section 16 hereof is received by the City. Notwithstanding the expiration

of this Escrow Agreement, the Refunding Trustee shall not be relieved of any liability for a breach of this Escrow Agreement occurring during the term hereof.

Section 24. *Writings Required.* Any notice, authorization, request or demand required or permitted to be given in accordance with the terms of this Escrow Agreement shall be in writing.

Section 25. *Governing Law.* This Escrow Agreement shall be governed by and construed in accordance with the laws of the State, without regard to conflict of law principles.

Section 26. *Severability.* In the event any one or more of the provisions contained in this Escrow Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Escrow Agreement, and this Escrow Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. If any portion of this Escrow Agreement is amended, severed or revoked, the City agrees to notify any rating agency with a current rating on the Bonds prior to such action.

Section 27. *Counterparts.* This Escrow Agreement may be executed in several counterparts, each of which shall be regarded as the original and all of which shall constitute one and the same Escrow Agreement.

E. *Negotiable Instruments.* The Bonds shall be negotiable instruments to the extent provided by chapter 62A.3 RCW.

Section 5: Redemption Prior to Maturity

A. *Redemption.* The Bonds shall be subject to redemption at such time and in such amounts as provided in the Official Notice of Sale and the Approved Bid, or, if the Bonds are sold by negotiated sale (including a private placement), in the Bond Purchase Contract.

B. *Partial Redemption.* In accordance with the preceding paragraph, portions of the principal amount of any Bond, in installments of \$5,000 or any integral multiple of \$5,000 within a maturity, may also be redeemed. If less than all the principal amount of any Bond is redeemed, upon surrender of such Bond at the designated corporate trust office of the Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal amount thereof, a new Bond or Bonds, at the option of the Registered Owner, with like maturity and interest rate, in any denomination authorized by this Ordinance.

C. *Notice of Redemption.* Except as set forth in subsection D below, and unless waived by the Registered Owner of any Bond to be redeemed, notice of any such redemption shall be sent by the Registrar by first-class mail, postage prepaid, not less than 20 nor more than 60 days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. The requirements of this subsection shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether it is actually received by the Registered Owner of any Bond to be redeemed. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the written notice, and if funds for the redemption are not irrevocably deposited with the Registrar or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the City. The Designated Representative is hereby authorized to agree to redemption provision they deem to be in the best interest of the City.

Any notice given pursuant to this subsection may be rescinded by written notice given by the City to the Registrar on or prior to the date specified for redemption. The Registrar shall give notice of such rescission as soon thereafter as practicable, and to the same Registered Owners, as notice of such redemption was given pursuant to this subsection.

D. *Special Notice of Redemption to DTC.* For so long as DTC is the securities depository for the Bonds, the Registrar shall send redemption and defeasance notices to DTC in the manner required by the Letter of Representations.

E. *Continuing Disclosure Undertaking.* Except in the case of a private placement, for so long as Section 24 of this Ordinance remains in effect, each redemption notice shall also

be provided to EMMA by the City in the manner and timeframe specified in the Continuing Disclosure Undertaking; provided, neither any defect in such notice nor any failure to give all or any portion of such notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in subsection C above.

F. *Effect of Redemption.* When so called for redemption, the Bonds shall cease to accrue interest on the specified redemption date, provided money for redemption is on deposit at the place of payment at that time, and shall not be deemed to be Outstanding as of such redemption date.

G. *Voluntary Redemption Notice.* In addition to the notice required by subsection C above, further notice may be given by the Registrar as set out below, but neither any defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in subsection C hereof.

(1) Each further notice of redemption given hereunder may contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all Bonds Outstanding are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (d) notification that, on the redemption date, the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after such date; (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the Registrar; (f) the CUSIP numbers, if any, of all Bonds being redeemed; (g) the date of issue of the Bonds as originally issued; (h) the rate of interest borne by each Bond being redeemed; (i) the maturity date of each Bond being redeemed; and (j) any other descriptive information needed to identify accurately the Bonds being redeemed.

(2) Each further notice of redemption may be sent at least 20 days before the redemption date by registered or certified mail or overnight delivery service to: (a) all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds, such depositories now being DTC; and (b) one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(3) Each such further notice may be published one time in *The Bond Buyer* in New York, New York, or, if such publication is impractical or unlikely to reach a substantial number of the Registered Owners, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the Bonds, such publication to be made at least 20 days prior to the date fixed for redemption.

H. *Open Market Purchase and Cancellation.* The City hereby reserves the right and option to purchase any or all of the Bonds on the open market at any time and at any price. To the extent the City partially redeems Term Bonds, pursuant to this Ordinance, the City may, at its discretion, reduce the amount of any mandatory sinking fund deposit or deposits by an aggregate

principal amount equal to the principal amount of the Term Bonds so redeemed. All Bonds purchased or redeemed under this Section 5 shall be canceled.

Section 6: Sale of the Bonds

A. *Competitive Sale Authorized.* The Bonds may be sold by competitive sale. In any such competitive sale, the Bonds will be awarded to the bidder whose bid will result in the lowest True Interest Cost to the City. In the event that two or more bidders offer bids at the same lowest True Interest Cost, the City will award the Bonds to the bidder submitting the bid resulting in the highest net present value savings to the City. The Underwriter must pay accrued interest, if any, computed on a 360-day year and 30-day month basis, from the date of the Bonds to the date of delivery.

(1) *Notice of Sale.* The City hereby authorizes the Designated Representative, with the assistance of the Municipal Advisor, if the Bonds are sold by competitive sale, to cause the Official Notice of Sale to be disseminated to prospective purchasers of the Bonds in such manner as it deems to be in the best interest of the City.

(2) *Good Faith Deposit.* Each bid must be unconditional and the successful bidder shall, within three hours of the award of the Bonds, make a good faith deposit (the “**Good Faith Deposit**”) by federal wire or by a certified or bank cashier’s check in immediately available funds payable to the City in an amount set forth in the Official Notice of Sale, which amount shall not be less than 0.5 percent of the principal amount of the Bonds.

The Good Faith Deposit of the successful bidder will become the property of the City and will be credited to the purchase price of the Bonds at the time of delivery of the Bonds. No interest will be paid by the City on a bidder’s Good Faith Deposit. If the purchase price is not paid in full upon tender of the Bonds, the successful bidder shall have no right to the Bonds or to the recovery of the Good Faith Deposit, or to any allowance or credit by reason of the Good Faith Deposit, unless it appears the Bonds would not be validly issued if delivered to the Underwriter in the form and manner proposed. However, in the event of such nonpayment, the City reserves any and all rights granted by law to recover the agreed purchase price of the Bonds, and, in addition, any damages suffered by the City.

(3) *Opening and Award of Bids.* If the Bonds are sold pursuant to the provisions of this Section 6.A, bids will be opened by the City no later than 9:00 a.m. Pacific Time, in the offices of the Designated Representative, on the date set forth in the Official Notice of Sale. The Designated Representative is hereby authorized and directed to conduct the competitive sale of the Bonds in accordance with the Official Notice of Sale. The City reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

B. *Negotiated Sale Authorized.* The Bonds may be sold by negotiated sale (including a private placement) if it is determined by the Designated Representative, upon approval from the Mayor, that such method of sale is in the best interests of the City. If the

Bonds are sold at negotiated sale or private placement, the terms of such sale must comply with Section 4 of this Ordinance.

C. *Other Related Matters.* The Designated Representative is authorized and directed to take such other actions to publicize or facilitate the sale of the Bonds as may be deemed desirable or necessary including, but not limited to, securing a rating on the Bonds from one or more of the established nationally recognized rating services.

Section 7: Place, Manner and Medium of Payment

A. *Payment Medium.* The principal of and interest on the Bonds are payable in lawful money of the United States of America to the Registered Owners thereof.

B. *Payment of Interest.* Payment of each installment of interest shall be made to the Registered Owner whose name appears on the Bond Register at the close of business on the fifteenth day of the calendar month preceding the interest payment date. Each installment of interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner.

C. *Payment of Principal.* Principal of each Bond shall be payable to the Registered Owner, upon presentation and surrender of the Bonds on or after the date of maturity or prior redemption, at the designated corporate trust office of the Registrar. Upon the payment of the Bonds at maturity, or upon payment of the redemption price of any Bond being redeemed, each check or other transfer of money issued for such purpose shall bear the CUSIP number, if any, and identify by issue and maturity the Bonds being paid or redeemed with the proceeds of such check or other transfer.

D. *Interest on Delinquent Amounts of the Bonds.* If any Bond is not redeemed when properly presented at its maturity or redemption date, the City shall pay interest on that Bond at the same rate provided in the Bond from and after its maturity or redemption date until the principal of and interest on that Bond is paid in full or until sufficient money for its payment in full is on deposit in the Debt Service Account and the Bond has been called for payment by giving notice to the Registered Owner of that unpaid Bond.

E. *Ownership of Bonds.* The City and the Registrar may deem and treat the Registered Owner of each Bond as the absolute owner of such Bond for the purpose of receiving payments of principal and interest due on such Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

F. *Unclaimed Money.* The Treasurer shall submit a written request to the Registrar that the Registrar return to the Treasurer all money previously remitted to the Registrar for the payment of the Bonds that has not been distributed by the Registrar as of one year after the final maturity or prior redemption of all of the Bonds. The Treasurer shall deposit such money into a

separate account to be held solely for the benefit of the Registered Owners of Bonds which have not been presented for payment, and which shall be used solely for paying the principal of such Bonds and the interest which had accrued thereon to the date of maturity or prior redemption. Interest earnings on the money in such account may be deposited into the Debt Service Account to pay the principal of and interest on any Bonds that are Outstanding.

Section 8: Pledge of Full Faith, Credit and Resources of the City

The Bonds are limited tax general obligations of the City and, as such, the full faith, credit and resources of the City are hereby pledged for their payment, within the appropriate constitutional and statutory limitations pertaining to non-voted general obligations. The Bonds are issued within the applicable debt limitations of the City.

The officers now or hereafter charged by law with the duty of levying taxes for the payment of the Bonds and the interest thereon shall, in the manner provided by law, make annual tax levies upon all of the taxable property within the City sufficient, together with other legally available money, to meet the annual payments of principal and interest on the Bonds as they become due, complying at all times with the constitutional and statutory tax limitations pertaining to non-voted general obligations.

Section 9: The Bond Fund

A. *Bond Fund & Debt Service Account.* The Treasurer currently maintains a fund to be used for the payment of debt service on all general obligation bonds, designated as the “General Obligation Debt Service Fund” (the “**Bond Fund**”). Within the Bond Fund, there has heretofore been created and shall continue to be maintained, a subsidiary account separate and distinct from all other accounts of the City, designated the “LTGO 2025 Debt Service Account” (the “**Debt Service Account**”) or such other designation conforming to accounting practices, for the purpose of paying the principal of, premium, if any, and interest on the Bonds when due.

B. *Deposits to the Debt Service Account.* Accrued interest received from the sale of the Bonds, if any, shall be deposited into the Debt Service Account. All or a portion of original issue premium, if any, received from the sale of the Bonds may be deposited into the Debt Service Account. Tax receipts levied for the purpose of paying principal of and interest on the Bonds and, as from time to time directed by the Council, other City money legally available for payment of the Bonds will be deposited to the Debt Service Account to the extent necessary, and no later than the date such funds are required, to pay the principal of, premium, if any, and interest on the Bonds. The Treasurer is hereby authorized and directed to pay to the Registrar, in its capacity as the City’s paying agent, all payments of principal and interest due on the Bonds in sufficient time for such payments to be made.

C. *Investment of Money in the Debt Service Account.* Money in the Debt Service Account may be invested as permitted by law, which investments shall mature prior to the date on which such money shall be needed for required interest or principal payments. All interest earned and income derived by virtue of such investments shall remain in the Debt Service Account and be used to meet the required deposits therein.

Section 10: The Refunding Plan

A. *Designation of the Refunded Bonds.* The City is desirous of defeasing, paying, redeeming and/or retiring the Refunded Bonds. The Designated Representative is authorized to designate all or a portion of the following outstanding 2015 Bonds as the “Refunded Bonds”:

B. *Application of Bond Proceeds.* The net proceeds of the Bonds (exclusive of any amounts that may be designated by the Designated Representative in a closing certificate to be allocated to pay costs of issuance of the Bonds and exclusive of amounts paid to an Underwriter as a fee or an Underwriter’s discount)(the “**Net Bond Proceeds**”), together with other available funds of the City in the amount (if any) specified by the Designated Representative, shall be held by the City and used at the direction of the Designated Representative to pay the costs of, or to reimburse the City for the costs of, redeeming the Refunded Bonds and/or may be placed into the Escrow Account pursuant to the terms of an Escrow Agreement to effect a defeasance of the Refunded Bonds.

C. *Notice of Redemption.* The Refunding Trustee is hereby directed to give notice of the call and redemption of the Refunded Bonds in substantially the form set forth as Attachment II to the Form of Escrow Agreement attached hereto as Exhibit “B” and in the manner required by the 2015 Bond Ordinance.

D. *Modification of Refunding Plan.* The Designated Representative is hereby authorized, upon advice from the City’s Municipal Advisor, to modify the refunding plan if such modification is determined to be in the City’s best interest.

Section 11: The Refunding Trustee; Escrow Agreement

The City hereby authorizes the Designated Representative to select a financial institution to act as the Refunding Trustee with respect to the Refunded Bonds (the “**Refunding Trustee**”). In order to carry out the purposes of this Ordinance, if deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Designated Representative is authorized and directed to execute and deliver to the Refunding Trustee an Escrow Agreement substantially in the form marked Exhibit “B” attached hereto and by this reference incorporated herein. If utilized, the Escrow Agreement, shall set forth the duties, obligations and responsibilities of the Refunding Trustee in connection with the defeasance

and/or refunding of the Refunded Bonds as provided herein, and shall set forth the payment of the fees, compensation and expenses of the Refunding Trustee.

Section 12: Creation of the Escrow Account & Government Obligations

A. *Creation of the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee is authorized and directed to establish a special account for the City designated the “Limited Tax General Obligation Refunding Bonds, Series 2015 Escrow Account,” or such other designation conforming to accounting principles and banking practices.

B. *Deposits into the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, may be deposited into the Escrow Account and may be held as cash or used to acquire Government Obligations, as more specifically provided in the Escrow Agreement. Such funds shall be irrevocably deposited into the Escrow Account. Any funds to be deposited into the Escrow Account shall be held by the Refunding Trustee in trust. All funds credited to the Escrow Account shall be deemed so credited to and held in the Escrow Account notwithstanding the fact that such funds are held by the Refunding Trustee in trust for the owners of the Refunded Bonds.

C. *Use of Money in the Escrow Account.* If deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee, on behalf of the City, may be authorized and directed to use the Net Bond Proceeds, together with other legally available money of the City, to purchase Government Obligations in the amounts, of the type, bearing interest and maturing in such amounts as are necessary to make the payments described in this Ordinance and in the Escrow Agreement. The investment income from and maturing principal of the Government Obligations and money to be deposited into the Escrow Account, if any, shall be transmitted to the Washington State Fiscal Agent, as Registrar for the City, for the sole purpose of paying the principal of and interest on the Refunded Bonds. Any money remaining on deposit in the Escrow Account created hereunder after the payment in full of the Refunded Bonds and the costs of issuing the Bonds, shall be transferred by the Refunding Trustee to the City and deposited into the Bond Fund.

D. *Government Obligations.*

(1) *Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, the Government Obligations shall be payable in such amounts and at such times that, together with other legally available money of the City, will be sufficient to provide for the payment of: (a) the interest on the Refunded Bonds as such becomes due on and before the Redemption Date or maturity of the Refunded Bonds; and (b) the price of redemption of the Refunded Bonds on the Redemption Date or the maturity value of the Refunded Bonds that are defeased to maturity.

(2) *Sufficiency of the Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to affect the defeasance and/or refunding of the Refunded Bonds, prior to the delivery of the Bonds, the City shall receive an opinion of a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, stating, in substance, that the money and Government Obligations to be deposited with the Refunding Trustee for the payment of the Refunded Bonds will discharge and satisfy the City's obligations under the 2015 Ordinance to make payments on the Refunded Bonds. Such opinion will not be required in the event the City deposits sufficient funds at closing to provide for all debt service payments, without taking into account interest earnings thereon.

Section 13: Irrevocable Call

A. *Refunded Bonds.*

(1) *Irrevocable Call for Redemption.* In accordance with Section 5 of the 2015 Bond Ordinance, the City hereby calls the Refunded Bonds for redemption on the Redemption Date. Such call for redemption shall be irrevocable upon the delivery of the Bonds to the Underwriter.

(2) *Irrevocable Pledge of Proceeds of the Bonds.* The City hereby irrevocably pledges the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, Government Obligations (if any) and any amounts on deposit in the Escrow Account (if utilized), to pay the interest on the Refunded Bonds, up to and including the Redemption Date, and to redeem and retire the Refunded Bonds on such date at the price of 100 percent of the principal amount thereof plus accrued interest to the Redemption Date. Such amounts are hereby irrevocably pledged to be set aside to effect such payment, redemption and retirement.

B. *Findings Regarding the Defeasance and/or Refunding of the Refunded Bonds.* The Council hereby finds that, as of the date the Bonds are issued and the Net Bond Proceeds are utilized as set forth herein: (1) no further payments need to be made into the Bond Fund for the payment of the principal of and interest on the Refunded Bonds; (2) the Refunded Bonds and the interest accrued thereon shall cease to be entitled to any lien, benefit or security of the 2015 Bond Ordinance, except the right to receive the funds so set aside and pledged; and (3) the Refunded Bonds and the interest accruing thereon shall no longer be deemed to be Outstanding under the 2015 Bond Ordinance. The Council hereby further finds and determines that the issuance and sale of the Bonds will benefit the City by affecting a savings to the City's taxpayers. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds.

Section 14: Execution and Authentication of the Bonds

A. *Execution of the Bonds.* The City shall cause definitive Bonds to be prepared, executed, and delivered. The Bonds shall be executed on behalf of the City by the manual or

facsimile signature of the Mayor, shall be attested by the manual or facsimile signature of the City Clerk, and shall have the seal of the City impressed, imprinted or otherwise reproduced thereon.

B. *Authentication of the Bonds.* The executed Bonds shall be delivered to the Registrar for authentication. The Bonds shall be numbered separately in the manner and with any additional designation as the Registrar deems necessary for purposes of identification. Only those Bonds that bear a Certificate of Authentication substantially in the form set forth in Exhibit “A” attached hereto and manually executed by an authorized representative of the Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this Ordinance. Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Ordinance.

C. *Validity of Signatures.* In case any of the officers who shall have signed or attested any of the Bonds shall cease to be such officer or officers of the City before the Bonds so signed or attested shall have been authenticated or delivered by the Registrar, or issued by the City, such Bond may nevertheless be authenticated, delivered and issued, and, upon such authentication, delivery and issue, shall be as binding upon the City as though those who signed and attested the same had continued to be such officers of the City. Any Bond may also be signed and attested on behalf of the City by such persons as at the actual date of execution of such Bond shall be the proper officers of the City although at the original date of such Bond any such person shall not have been such officer of the City.

Section 15: The Registrar

A. *Registrar Appointed.* The Treasurer has designated the Washington State Fiscal Agent as the City’s legally designated fiscal agent with respect to the Bonds. The Council hereby confirms such designation with respect to the Bonds and appoints the Washington State Fiscal Agent as Registrar, authenticating agent, paying agent and transfer agent with respect to the Bonds, subject to the terms and conditions of this Section.

B. *Delegated Duties.* The Registrar is hereby authorized and directed, on behalf of the City, to authenticate and deliver Bonds initially issued or transferred or exchanged in accordance with the provisions of the Bonds and this Ordinance and to carry out all of the Registrar’s powers and duties under this Ordinance and the Agreement for Fiscal Agency Services between the Washington State Finance Committee and the Registrar (as the same may be amended or readopted from time to time).

C. *Bond Register.* The Bonds shall be issued only in registered form as to both principal and interest. The Registrar shall keep, or cause to be kept, at its designated corporate trust office the Bond Register which shall at all times be open to inspection by the City. The City hereby specifies and adopts the system of registration for the Bonds approved by the Washington State Finance Committee.

D. *Fees and Costs.* The City shall pay to the Registrar from time to time reasonable compensation for all services rendered under this Ordinance, together with reasonable expenses, charges, fees of counsel, accountants and consultants and other disbursements, including those of

its attorneys, agents and employees, incurred in good faith in and about the performance of their powers and duties under this Ordinance. The administrative fees provided for in this subsection may be paid from the Debt Service Account.

E. *Representations.* The Registrar shall be responsible for its representations contained in the Registrar's Certificate of Authentication on the Bonds.

F. *Ownership Rights.* The Registrar may become the Registered Owner of the Bonds with the same rights it would have if it were not the Registrar, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners of the Bonds.

G. *Cancellation of Surrendered Bonds.* Bonds surrendered to the Registrar for payment, redemption, transfer or exchange, as well as Bonds surrendered by the City for cancellation, shall be canceled immediately by the Registrar and returned to the City. Such Bonds thereafter shall be destroyed.

Section 16: Book-Entry System Authorized

A. The Bonds shall be initially issued in the form of a separate, single-certificated, fully registered Bond for each maturity set forth in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), the Bond Purchase Contract, as provided for in Section 4 of this Ordinance, in the aggregate principal amount of such maturity. Upon initial issuance, the ownership of each Bond may be registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the securities depository for the Bonds. Except as provided in subsection D of this Section, all of the Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

B. With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, neither the City nor the Registrar shall have any responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to: (1) the accuracy of the records of DTC, Cede & Co., or any Participant with respect to any ownership interest in the Bonds; (2) the delivery to any Participant or any other person, other than a Registered Owner, of any notice with respect to the Bonds; or (3) the payment to any Participant or any other person, other than a Registered Owner, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The City and the Registrar may treat and consider the Registered Owner of each Bond as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and the interest on the Bonds as provided for in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), Bond Purchase Contract, and as further provided in Sections 4 and 5 of this Ordinance and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sums so paid. No person other than a

Registered Owner shall receive a certificated Bond evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to the transfer and payment of the Bonds, the phrase "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

C. The City heretofore has delivered the Letter of Representations to the Registrar and DTC. The delivery of the Letter of Representations shall not in any way limit the provisions of subsection B of this Section or in any other way impose upon the City any obligation whatsoever with respect to persons having interests in the Bonds other than the Registered Owner. The Registrar shall take all action necessary to comply with, at all times, any and all representations of the City in the Letter of Representations with respect to the Registrar.

D. (1) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and to the Registrar, and discharging its responsibilities with respect thereto under applicable law.

(2) The City, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the City determines that: (a) DTC is unable to discharge its responsibilities with respect to the Bonds; or (b) a continuation of the requirement that all of the Bonds be registered in the Bond Register in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

(3) Upon termination of the services of DTC with respect to the Bonds pursuant to subsection D(2)(b) of this Section, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subsection D(1) or subsection D(2)(a) of this Section, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found that, in the opinion of the City, is willing and able to undertake such functions upon reasonable and customary terms, the City shall deliver certificated Bonds at the expense of the City, as described in this Ordinance, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may be registered in the names that the Registered Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance. In the event the Bonds are transferred by the City to fully registered form, the Bonds shall be payable by the Registrar. Thereafter, the principal of the Bonds shall be payable upon due presentment and surrender thereof at the designated corporate trust office of the Registrar; interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner, and the Bonds shall be transferable as provided in this Ordinance.

E. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal or premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

F. If the Bonds are privately placed with a bank, the City may determine not to comply with this Section if the Designated Representative deems it to be in the best interest of the City.

Section 17: Transfer and Exchange of the Bonds

A. *Transfer of Bonds.* Each Bond shall be transferable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, upon due completion of the assignment form appearing thereon and upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation and issuance of a new Bond registered in the name of the transferee, in exchange therefor.

B. *Exchange of Bonds.* Each Bond shall be exchangeable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, for one or more new Bonds, upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation.

C. *Authentication and Delivery of New Bonds.* Whenever a Bond shall be surrendered for transfer or exchange, the Registrar shall authenticate and deliver to the transferee or exchangee, in exchange therefor, a new fully registered Bond or Bonds of any authorized denomination or denominations, of the same maturity and interest rate as, and for the aggregate principal amount of, the Bond being surrendered. Notwithstanding the foregoing sentence, the Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

D. *Payment of Fees and Costs.* The Registrar shall require the payment by the Registered Owner requesting such transfer or exchange of any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

Section 18: Mutilated, Lost, Stolen or Destroyed Bonds

A. *Issuance of Substitute Bonds.* If any Bond shall become mutilated, lost, stolen or destroyed, the affected Registered Owner shall be entitled to the issuance of a substitute Bond only as follows:

(1) in the case of a lost, stolen or destroyed Bond, the Registered Owner shall:

- (a) provide notice of the loss, theft or destruction to the City and the Registrar within a reasonable time after the Registered Owner receives notice of the loss, theft or destruction;
- (b) request the issuance of a substitute Bond;
- (c) provide evidence, satisfactory to the City and the Registrar, of the ownership and the loss, theft or destruction of the affected Bond; and
- (d) file in the offices of the City and the Registrar a written affidavit specifically alleging on oath that such Registered Owner is the proper owner, payee or legal representative of such owner or payee of the Bond that has been

lost, stolen or destroyed, giving the date the Bond was issued and the number, principal amount and series of such Bond, and stating that the Bond has been lost, stolen or destroyed, and has not been paid and has not been received by such Registered Owner;

(2) in the case of a mutilated Bond, the Registered Owner shall surrender the Bond to the Registrar for cancellation; and

(3) in all cases, the Registered Owner shall provide indemnity against any and all claims arising out of or otherwise related to the issuance of substitute Bonds pursuant to this Section satisfactory to the City and the Registrar.

Upon compliance with the foregoing, a new Bond of like tenor and denomination, bearing the same number as the mutilated, lost, stolen or destroyed Bond, and with the word “DUPLICATE” stamped or printed plainly on its face, shall be executed by the City, authenticated by the Registrar and delivered to the Registered Owner, all at the expense of the Registered Owner to whom the substitute Bond is delivered. Notwithstanding the foregoing, the Registrar shall not be required to authenticate and deliver any substitute Bond for a Bond that has matured or is about to mature or that has been called for redemption and, in any such case, the principal or redemption price and interest then due or becoming due shall be paid by the Registrar in accordance with the terms of the mutilated, destroyed, lost or stolen Bonds without substitution therefor.

B. *Notation on the Bond Register.* Upon the issuance and authentication of any substitute Bond under the provisions of this Section, the Registrar shall enter upon the Bond Register a notation that the original Bond was canceled and a substitute Bond was issued.

C. *Rights of Registered Owners of Substitute Bonds.* Every substitute Bond issued pursuant to this Section shall constitute an additional contractual obligation of the City and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued hereunder unless the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by a bona fide purchaser for value without notice. In the event the Bond alleged to have been destroyed, lost or stolen shall be enforceable by anyone, the City may recover the substitute Bond from the Registered Owner to whom it was issued or from anyone taking under the Registered Owner except a bona fide purchaser for value without notice.

D. *Exclusive Rights.* All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or of investment or other securities without their surrender.

Section 19: Defeasance of the Bonds

In the event that money and/or “government obligations” (as defined from time to time in RCW 39.53.010), maturing or having guaranteed redemption prices at the option of the owner at such time or times and bearing interest to be earned thereon in such amounts as are sufficient, together with any resulting cash balances, to redeem and retire part or all of the Bonds in

accordance with their terms, are hereafter irrevocably set aside in a special account and pledged to effect such redemption and retirement, then no further payments need be made into the Debt Service Account or any account therein for the payment of the principal of and interest on the certain Bonds so provided for, and such Bonds and interest accrued thereon shall no longer be deemed to be Outstanding hereunder.

If the principal or redemption price of any Bonds becoming due, either at maturity or by call for redemption or otherwise, together with all interest accruing thereon to the due date, has been paid or provision therefor has been made in accordance with this Section, all interest on such Bonds shall cease to accrue on the due date and all liability of the City with respect to such Bonds shall cease as of the date the principal, redemption price, if any, and interest is so provided for, except as hereinafter provided. Thereafter, the Registered Owners of such Bonds shall be restricted exclusively to the money so deposited for any claim of whatsoever nature with respect to such Bonds, and the Registrar shall hold such money in trust for such Registered Owners uninvested and without interest.

Section 20: Tax Covenants

A. *Compliance With the Code.* The City covenants to comply with each requirement of the Code necessary to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes. In furtherance of the covenant contained in the preceding sentence, the City covenants to comply with the provisions of the Tax Compliance Certificate executed by the City on the date of initial issuance and delivery of the Bonds, as such Tax Compliance Certificate may be amended from time to time.

B. *Necessary Payments.* The City covenants to make any and all payments required to be made to the United States Department of the Treasury in connection with the Bonds pursuant to Section 148(f) of the Code.

C. *Survival of Tax Covenants.* Notwithstanding any other provision of this Ordinance to the contrary, so long as necessary in order to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes, the covenants contained in this Section shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof pursuant to Section 19 of this Ordinance.

D. *Remedies.* Notwithstanding any other provision of this Ordinance to the contrary: (1) upon the City's failure to observe or refusal to comply with the above covenants, the Registered Owners, or any trustee acting on their behalf, shall be entitled to the rights and remedies provided to the Registered Owners under this Ordinance; and (2) neither the holders or Registered Owners of bonds of any series other than Bonds, nor a trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to Registered Owners under this Ordinance based upon the City's failure to observe, or refusal to comply with, the above covenants.

Section 21: Amendments to the Ordinance

A. *Amendments Not Requiring Registered Owner Consent.* The Council from time to time, and at any time, may adopt an ordinance or ordinances supplemental hereto, which

ordinance or ordinances thereafter shall become a part of this Ordinance, for any one or more of all the following purposes: (1) to add to or delete from the covenants and agreements of the City in this Ordinance, or to surrender any right or power reserved to the City herein, provided such additions or deletions shall not adversely affect, in any material respect, the interests of the Registered Owners of any Bond; and (2) to cure, correct or supplement any ambiguous or defective provision contained in this Ordinance, provided such supplemental ordinance shall not adversely affect, in any material respect, the interests of the Registered Owners of the Bonds. Any such supplemental ordinance may be adopted without the consent of the Registered Owners of any Bonds at any time Outstanding, notwithstanding any of the provisions of subsection B of this Section.

B. *Amendments Requiring Registered Owner Consent.* With the consent of the Registered Owners of not less than 50 percent in aggregate principal amount of the Bonds at the time Outstanding, the Council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to, or changing in any manner, or eliminating any of the provisions of this Ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall: (1) extend the fixed maturity of any Bond, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or alter the redemption provisions pertaining thereto, without the consent of the Registered Owner of each Bond so affected; or (2) reduce the aforesaid percentage of Registered Owners required to approve any such supplemental ordinance, without the consent of the Registered Owners of all of the Bonds then Outstanding. It shall not be necessary for the consent of Registered Owners consent under this subsection B to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

C. *Effect of Supplemental Ordinances.* Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this Ordinance and all Registered Owners of Bonds Outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

D. *Notations; Replacement Bonds.* Bonds executed and delivered after the execution of any supplemental ordinance adopted pursuant to the provisions of this Section may have a notation as to any matter provided for in such supplemental ordinance, and if such supplemental ordinance shall so provide, new Bonds so modified as to conform in the opinion of the Council to any modification of this Ordinance contained in any such supplemental ordinance, may be prepared and delivered without cost to the Registered Owners of any affected Bonds then Outstanding, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

Section 22: Sale and Delivery of the Bonds and Taking of Other Actions Authorized

The Council hereby authorizes and directs each of the Mayor, the Chief Financial Officer, the Director of Management and Budget, the City Clerk, the Treasurer, the Municipal

Advisor and Kutak Rock LLP, bond counsel, to execute and deliver the Bonds to the Underwriter, or in the case of a private placement with a bank, to the bank, and for the proper application and use of the proceeds of the sale thereof, including:

A. preparing the final official statement regarding the Bonds, if the Bonds are publicly offered; and

B. executing such certificates and receipts as may be necessary to properly document the issuance of the Bonds.

In addition, the Mayor, the Chief Financial Officer, the Director of Management and Budget, the City Clerk, the Treasurer, the Municipal Advisor and Kutak Rock LLP, bond counsel, are hereby authorized by the Council to execute and deliver such other certificates, agreements and documents, and to take such other actions on behalf of the City as may be reasonable and necessary:

A. to facilitate the issuance and sale of the Bonds;

B. to meet all provisions of the Code in order to maintain tax-exempt status of the Bonds; and

C. in connection with any matters related thereto, until the final maturity date of the Bonds or redemption, whichever occur first.

Section 23: The Preliminary Official Statement

If the Bonds are publicly offered, the Council hereby delegates authority to the Designated Representative to determine all acts to be undertaken by the City's officers, employees and agents with respect to the preparation and distribution of the preliminary official statement regarding the Bonds, if the Bonds are publicly offered, including any action taken to deem such preliminary official statement final as of its date except for the omission of information dependent upon the pricing of the issue and the completion of the underwriting agreement, such as offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates and other terms of the Bonds dependent on the foregoing matters. The City agrees to cooperate with the Underwriter to deliver or cause to be delivered, within seven business days from the date of the sale date of the Bonds and in sufficient time to accompany any confirmation that requests payment from any customer of the Underwriter, copies of a final official statement in sufficient quantity to comply with the rules of the Municipal Securities Rulemaking Board and paragraph (b)(4) of Securities and Exchange Commission Rule 15c2-12.

Section 24: Continuing Disclosure Undertaking

The City covenants to execute and deliver at the time of issuance of the Bonds a Continuing Disclosure Undertaking in substantially the form set forth in Exhibit "C" attached hereto and by this reference incorporated herein. The Designated Representative is authorized and directed to execute and deliver a Continuing Disclosure Undertaking upon the sale, issuance and delivery of the Bonds with such terms and provisions as such officer shall deem appropriate

and in the best interest of the City, upon consultation with the City's bond counsel. The City hereby reserves the right to comply with this Section by meeting its annual disclosure requirements through any system approved by the SEC. All required filings shall be made in an electronic format as prescribed by the MSRB.

Section 25: Contract and Severability of Provisions

The covenants contained in this Ordinance and in the Bonds shall constitute a contract between the City and the Registered Owner of each and every Bond. Any action by the Registered Owner of any Bond shall bind all future Registered Owners of the same Bond in respect of anything done or suffered by the City or the Registrar in pursuance thereof. All the covenants, promises and agreements in this Ordinance contained by or on behalf of the City, or by or on behalf of the Registrar, shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction on final appeal (if any appeal be taken) to be contrary to law, then such covenant or agreement shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of the Bonds.

Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon or give to any person other than the City, the Registrar and the Registered Owners and the holders from time to time of the Bonds any rights, remedies or claims under or by reason of this Ordinance or any covenant, condition or stipulation thereof; and all of the covenants, stipulations, promises and agreements in this Ordinance contained by or on behalf of the City shall be for the sole and exclusive benefit of the City, the Registrar and the Registered Owners and the holders from time to time of the Bonds.

Section 26: No Personal Recourse

No recourse shall be had for any claim based on this Ordinance or the Bonds against any Council member, officer or employee, past, present or future, of the City or of any successor body as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or otherwise.

Section 27: Ratification

All actions not inconsistent with the provisions of this Ordinance heretofore taken by the Council and the City's employees with respect to the adoption of this Ordinance, the defeasance and/or refunding of the Refunded Bonds and the issuance, sale and delivery of the Bonds, are hereby in all respects ratified, approved and confirmed.

Section 28: Repealer

All ordinances or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed, and shall have no further force or effect.

Section 29: Effective Date

The Council hereby finds and determines that the issuance and sale of the Bonds at this time will benefit the City by allowing the City to take advantage of current interest rates for tax-exempt bonds. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds. In order to take advantage of current interest rates and maximum savings to the City's taxpayers, it is essential to accept the Bond Purchase Contract or accept the Approved Bid at a competitive sale, as applicable, as quickly as possible. Based upon said facts, an emergency and urgency is declared and found to exist as necessary for the immediate support of City government and its existing public institutions. Based upon said emergency and urgency, this ordinance shall become effective immediately upon its passage.

Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner. Principal of this Bond shall be paid to the Registered Owner upon presentation and surrender of this Bond on or after the Maturity Date set forth above or date of prior redemption of this Bond, whichever occurs first, at the designated corporate trust office of the Registrar.

This Bond is one of a series aggregating \$[_____] par value, all of like date, tenor and effect, issued by the City pursuant to and in full compliance with the Constitution and laws of the state of Washington now in force, particularly chapters 35.22, 39.36, 39.46 and 39.53 RCW, and proceedings duly adopted and authorized by the Council, more particularly the Ordinance, for the purpose of providing money to pay, defease, redeem and/or retire the Refunded Bonds and to pay certain expenses incurred in connection with the issuance of the Bonds, as more particularly described in the Ordinance.

The Bonds are issued in fully registered form, in the denomination of \$5,000 each, or any integral multiple thereof.

The Bonds are limited tax general obligations of the City and, as such, the full faith, credit and resources of the City are hereby pledged for their payment, within the appropriate constitutional and statutory limitations pertaining to non-voted general obligations. The Bonds are issued within the applicable debt limitations of the City. The officers now or hereafter charged by law with the duty of levying taxes for the payment of the Bonds and the interest thereon shall, in the manner provided by law, make annual tax levies upon all of the taxable property within the City sufficient, together with other legally available money, to meet the annual payments of principal and interest on the Bonds as they become due, complying at all times with the constitutional and statutory tax limitations pertaining to non-voted general obligations.

The Bonds are subject to redemption as stated in the [Bond Purchase Contract] [Official Notice of Sale and Approved Bid].

So long as the Bonds are in book-entry only form, the Registrar will notify DTC of an early redemption, not less than 20 days and not more than 60 days prior to the date fixed for redemption, and will provide such information as required by the operational arrangements of DTC referenced in the Blanket Letter of Representations from the City to DTC.

During any period in which the Bonds are not in book-entry only form, unless waived by any Registered Owner of the Bonds to be redeemed, notice of any redemption of Bonds will be given by the Registrar on behalf of the City by mailing a copy of a redemption notice by first-class mail, postage prepaid, not less than 20 days nor more than 60 days prior to the date fixed for redemption, to the Registered Owners of each Bond to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owners

to the Registrar. The City reserves the right to rescind any redemption notice no later than one business day prior to the date fixed for redemption.

The City has reserved the right to purchase any or all of the Bonds on the open market at any time and at any price. To the extent the City purchases the Term Bonds on the open market, the City may reduce, at its discretion, the amount of any mandatory sinking fund deposit or deposits by an aggregate principal amount equal to the principal amount of the Term Bonds so purchased. Any Bonds so purchased or redeemed shall be canceled.

The City and the Registrar may deem and treat the Registered Owner of this Bond as the absolute owner of this Bond for the purpose of receiving payments of principal and interest due on this Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

This Bond is transferable or exchangeable by the Registered Owner hereof in person, or by its attorney duly authorized in writing, upon due completion of the Assignment appearing hereon and upon presentation and surrender of this Bond at the designated corporate trust office of the Registrar. Upon such transfer or exchange, a new Bond or Bonds of any authorized denomination, of the same maturity and interest rate, and for the same aggregate principal amount of the Bond being surrendered will be issued to the transferee or exchangee, in exchange therefor. The Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

Reference is hereby made to the Ordinance for the covenants and declarations of the City and other terms and conditions under which this Bond and the Bonds of this series have been issued. The covenants contained herein and in the Ordinance, as they may apply to this Bond, may be discharged by making provision, at any time, for the payment of the principal of and interest on this Bond in the manner provided in the Ordinance.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the Certificate of Authentication hereon is manually signed by the Registrar.

WHEREAS, after due consideration, the Council has determined that it will be advantageous to the City to pay, [defease], redeem and retire [all] [a portion of] the 2015 Bonds maturing on December 1 in the years 20[27] through 20[34], inclusive (the “**Refunded Bonds**”), by the sale, issuance and delivery of refunding bonds and to execute the refunding plan as detailed in the Ordinance; and

WHEREAS, in order to effect such refunding plan in the manner that will be most advantageous to the City, the Council has determined to [acquire certain government obligations from a portion of bond proceeds] and other available money that bear interest and mature at such times as necessary to pay interest, when due, on the Refunded Bonds, up to and including [REDEMPTION DATE], 2025, and redeem the Refunded Bonds on [REDEMPTION DATE], 2025, at a price equal to 100 percent of the principal to be redeemed plus accrued interest to the date of redemption; and

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto covenant, agree and bind themselves as follows:

Section 1. *Acceptance of Refunding Trustee Duties.* [U.S. Bank Trust Company National Association, Seattle, Washington], hereby accepts its appointment by the Designated Representative of the City as the Refunding Trustee with respect to the Refunded Bonds.

Section 2. *City Representations.* The City represents to the Refunding Trustee that: (a) the City is a municipal corporation and first-class charter city duly organized and existing under the laws of the State; and (b) the City is authorized to enter into this Escrow Agreement.

Section 3. *Refunding Trustee Representations.* The Refunding Trustee represents to the City that: (a) the Refunding Trustee is a trust company or state or national bank having the powers of a trust company within or without the State; and (b) the Refunding Trustee is authorized to enter into this Escrow Agreement.

Section 4. *The Escrow Account.* The Refunding Trustee hereby agrees to establish, hold, invest and otherwise administer the Escrow Account in the manner provided by the Ordinance. In the furtherance of the foregoing, the Refunding Trustee will, on behalf of the City, use the Net Bond Proceeds and other money, if any, deposited with the Refunding Trustee to purchase Government Obligations in the amounts, of the type, bearing interest and maturing as set forth in the following schedule:

<u>Type of Obligation</u>	<u>Par Amount</u>	<u>Interest Rate</u>	<u>Delivery Date</u>	<u>Maturity Date</u>
			__/__/2025	

Section 5. *Receipt of Certain Money.* Execution of this Escrow Agreement by the Refunding Trustee shall constitute written acknowledgment by the Refunding Trustee of its receipt from the City of \$_____, \$_____ of which will be invested in Government Obligations, \$_____ of which will be held as an initial cash balance and the balance of \$_____ will be used to pay costs of issuance of the Bonds at the direction of the Designated Representative.

Section 6. *Sufficiency of Government Obligations.* Based on the escrow verification report of [VERIFICATION AGENT], the City represents that the Government Obligations and the maturing principal thereof and the interest thereon, if paid when due, together with a beginning cash balance of \$_____, will be sufficient to make the payments described in Section 7 hereof.

Section 7. *Payments on the Refunded Bonds.* The Refunding Trustee will transfer money from the Escrow Account to the Washington State Fiscal Agent in the amounts, and at the times, necessary to enable the Washington State Fiscal Agent to make the payments described in the following schedule:

<u>Payment Date</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
*	\$	\$	\$

* Redemption Date.

Section 8. *The Government Obligations.* The Refunding Trustee will purchase the Government Obligations described in Section 4 above, on behalf of the City, from the Bond proceeds and other money, if any, deposited with the Refunding Trustee on the date the Bonds are issued. The Refunding Trustee will use such Government Obligations, and the earnings thereon, for the sole purpose of making the transfers to the Washington State Fiscal Agent described in Section 7 hereof. The Refunding Trustee will not allow any Government Obligations to be liquidated prior to maturity without: (a) the City's written consent; (b) receiving a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such liquidation will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (c) receiving the written opinion of nationally recognized bond counsel that such redemption would not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 9. *Safekeeping of Money and Investments.* All Government Obligations, money and investment income deposited with or received by the Refunding Trustee pursuant to this Escrow Agreement shall be subject to the trust created by this Escrow Agreement, and the Refunding Trustee shall be liable for the safekeeping thereof. All money deposited with the Refunding Trustee or received by the Refunding Trustee as maturing principal or interest on the Government Obligations prior to the times the Refunding Trustee is required to make the payments described in Section 7 of this Escrow Agreement shall be held uninvested, in cash, by the Refunding Trustee.

Section 10. *Substitution of the Government Obligations.* The Refunding Trustee acknowledges the City's right to substitute Government Obligations for investments in the Escrow Account. The Refunding Trustee will cooperate with the City in making any such substitution, so long as prior to each such substitution, the City obtains: (1) a supplemental verification addressed to the City and the Refunding Trustee from a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit in the Escrow Account after such substitution will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds and that such substitute Government Obligations are noncallable; and (2) a written opinion addressed to the City from nationally recognized bond counsel that such substitution will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 11. *Transfer of Surplus Money Prior to Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account prior to the payment in full of the Refunded Bonds if the City furnishes to the Refunding Trustee: (a) a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such transfer will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (b) an opinion addressed to the City and to the Refunding Trustee from

nationally recognized bond counsel that such transfer will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 12. *Transfer of Surplus Money After Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account after the payment, redemption and retirement in full of all of the Refunded Bonds.

Section 13. *Notices of [Defeasance and Redemption].* [The Refunding Trustee will cause notice of the defeasance of the Refunded Bonds to be given, substantially in the form set forth in Attachment I hereto, not later than [10] days after the Bonds are delivered to the Underwriter by the City. The notice of defeasance shall be given to the Municipal Securities Rulemaking Board.] [The Refunding Trustee will direct the Washington State Fiscal Agent to give notice, or cause notice to be given, at the expense of the City, of the redemption of the Refunded Bonds in the form and manner required by the 2015 Ordinance. Such notice of redemption shall be substantially in the form set forth in Attachment II hereto, and shall be given not less than 20 nor more than 60 days prior to the redemption date.]

Section 14. *Limitation of Refunding Trustee's Duties.* The duties and obligations of the Refunding Trustee shall be prescribed by the provisions of this Escrow Agreement and the Ordinance, and the Refunding Trustee shall not be liable except for the performance of its duties and obligations as specifically set forth herein or therein and the duty to act in good faith in the performance thereof and no implied duties or obligations shall be incurred by such Refunding Trustee other than those specified herein and therein. Nothing contained herein shall require the Refunding Trustee to advance its own money or otherwise to incur any financial liability to carry out its obligations hereunder. The Refunding Trustee shall not be responsible or liable for: (a) the sufficiency, correctness, genuineness or validity of the Government Obligations; (b) the performance or compliance by any party other than the Refunding Trustee with the terms or conditions of any such instruments; or (c) any loss which may occur by reason of forgeries, false representations or the exercise of the Refunding Trustee's discretion in any particular manner, unless such exercise is negligent or constitutes willful misconduct.

Section 15. *Interpleader.* If any controversy arises between the City and any third person, the Refunding Trustee shall not be required to determine the same or to take any action in the premises, but it may institute, in its discretion, an interpleader or other proceedings in connection therewith as it may deem proper, and in following either course, it shall not be liable.

Section 16. *Reporting Requirements.* For as long as any of the Refunded Bonds are outstanding, the Refunding Trustee shall render a statement as of the last day of the month on a semi-annual basis commencing December 1, 2025, to the Chief Financial Officer setting forth: (a) the Government Obligations which have matured and the amounts received by the Refunding Trustee by reason of such maturity; (b) the amounts paid to the Washington State Fiscal Agent pursuant to Section 7 of this Escrow Agreement and the dates of such payments, for payments on the Refunded Bonds; and (c) any other transactions of the Refunding Trustee pertaining to its duties and obligations as set forth herein.

Section 17. *Compensation of the Refunding Trustee.* The Refunding Trustee hereby acknowledges payment for services rendered and to be rendered by it pursuant to the provisions of this Escrow Agreement of all fees, compensation and expenses of the Refunding Trustee. The Refunding Trustee hereby agrees that such compensation has been made to the satisfaction of the Refunding Trustee. Such amount does not take into consideration any extraordinary fees and expenses of the Refunding Trustee. The Refunding Trustee represents that it has incurred no extraordinary fees and expenses pertaining to this Escrow Agreement. The Refunding Trustee shall comply with the requirements of the following paragraph before incurring any extraordinary fees and costs to be billed to the City. The Refunding Trustee acknowledges that it is not entitled to a lien on any Government Obligations or other obligations or money of the City held by it pursuant to this Escrow Agreement or any other agreement.

The Refunding Trustee shall provide the City with a good faith estimate of its fees and costs if and when it is requested by the City to: (a) render any service that is not provided for in this Escrow Agreement; (b) amend this Escrow Agreement; or (c) substitute securities under this Escrow Agreement. The City will pay the Refunding Trustee reasonable compensation for such unanticipated services, provided the City is first provided with such estimate and approves thereof in writing.

Section 18. *Amendments to this Escrow Agreement.* The Refunding Trustee and the City recognize that the owners of the Refunded Bonds have a beneficial interest in the money and the Government Obligations to be held in trust by the Refunding Trustee pursuant to this Escrow Agreement. Therefore, this Escrow Agreement shall be subject to amendment only in writing executed by the City and the Refunding Trustee for the purposes of: (a) clarifying an ambiguity in the duties and obligations set forth hereunder; or (b) altering the reporting or other ministerial obligations of the Refunding Trustee to the City. The parties will not amend this Escrow Agreement in such a manner as to permit the Refunding Trustee to invest in or deposit in the Escrow Account any obligations other than noncallable, nonprepayable obligations of, or obligations unconditionally guaranteed by, the United States of America. Each amendment to this Escrow Agreement shall be accompanied by an opinion addressed to the City and to the Refunding Trustee from nationally recognized bond counsel that such amendment will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes. In addition, if such amendment results in any change of the maturities, interest earnings or redemption features of the Government Obligations, then such amendment shall also be accompanied by a supplemental verification addressed to the City and to the Refunding Trustee from an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after the amendment will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds.

Section 19. *Notification of Deficiency.* The Refunding Trustee will give the City prompt notice if the Refunding Trustee shall determine there are or will be insufficient money or Government Obligations to make the payments specified in Section 7 of this Escrow Agreement, and the City shall promptly deposit with the Refunding Trustee additional sums of money required to correct such deficiencies. This Section 19 is not intended to create an obligation on the part of the Refunding Trustee to calculate or in any way verify the sufficiency or projected

future sufficiency of the maturing principal of and interest on the Government Obligations and other money held by the Refunding Trustee pursuant to this Escrow Agreement to pay the debt service on the Refunding Bonds.

Section 20. *Successor Refunding Trustee.* The Refunding Trustee shall, upon receiving a written request from the City, or may, upon providing 30 days prior written notice to the City, be removed as Refunding Trustee hereunder; provided, the Refunding Trustee will not relinquish its duties hereunder until a qualified successor accepts its appointment. The City shall promptly appoint a successor Refunding Trustee upon the removal of the Refunding Trustee; *provided*, the Refunding Trustee may petition a court of competent jurisdiction for the appointment of a successor Refunding Trustee if the successor Refunding Trustee appointed by the City does not accept its appointment within 45 days after the giving of notice described in the preceding sentence. Any successor Refunding Trustee shall meet the requirements of RCW 39.53.070, as now in effect or hereafter amended, and shall assume all the obligations of the Refunding Trustee under this Escrow Agreement. All the Government Obligations and money then held by the Refunding Trustee pursuant to this Escrow Agreement shall thereafter be transferred to such successor.

Any corporation or association into which the Refunding Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, consolidation or reorganization to which the Refunding Trustee may be a party, or any corporation or association to which the Refunding Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Refunding Trustee without the execution or filing of any paper or any further act on the part of the City or the Refunding Trustee.

Section 21. *Receipt of Statements.* The Refunding Trustee hereby acknowledges receipt from the City of statements setting forth the interest payment schedules and maturity schedules of the Refunded Bonds by number, amount, date of maturity and interest rates, the amount of interest to be paid on each semiannual interest payment date of such bonds, if any, and the amount of the principal to be paid on the date that the Refunded Bonds are to be redeemed.

Section 22. *Holidays.* If the date for making any payment or the last date for performance of any act or the exercising of any right or duty, as provided in this Escrow Agreement, shall be a legal holiday, a day on which banking institutions in Seattle, Washington, and New York, New York, are authorized by law to remain closed, or a day on which the New York Stock Exchange is closed, such payment may be made, such act performed, or such right exercised on the next succeeding day, with the same force and effect as if done on the nominal date provided in this Escrow Agreement.

Section 23. *Term.* The term of this Escrow Agreement shall commence on the date the Bonds are delivered to the Underwriter and shall expire on the later of: (a) the date the final payment is made pursuant to Section 7 hereof; (b) the date any surplus money remaining in the Escrow Account is transferred to the City pursuant to Section 12 hereof; and (c) the date the final statement required by Section 16 hereof is received by the City. Notwithstanding the expiration

of this Escrow Agreement, the Refunding Trustee shall not be relieved of any liability for a breach of this Escrow Agreement occurring during the term hereof.

Section 24. *Writings Required.* Any notice, authorization, request or demand required or permitted to be given in accordance with the terms of this Escrow Agreement shall be in writing.

Section 25. *Governing Law.* This Escrow Agreement shall be governed by and construed in accordance with the laws of the State, without regard to conflict of law principles.

Section 26. *Severability.* In the event any one or more of the provisions contained in this Escrow Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Escrow Agreement, and this Escrow Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. If any portion of this Escrow Agreement is amended, severed or revoked, the City agrees to notify any rating agency with a current rating on the Bonds prior to such action.

The requirements of this subsection shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether it is actually received by the Registered Owner of any Bond to be redeemed. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the written notice, and if funds for the redemption are not irrevocably deposited with the Registrar or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the City. The Designated Representative is hereby authorized to agree to redemption provisions they deem to be in the best interest of the City.

Any notice given pursuant to this subsection may be rescinded by written notice given by the City to the Registrar on or prior to the date specified for redemption. The Registrar shall give notice of such rescission as soon thereafter as practicable, and to the same Registered Owners, as notice of such redemption was given pursuant to this subsection.

D. *Special Notice of Redemption to DTC.* For so long as DTC is the securities depository for the Bonds, the Registrar shall send redemption and defeasance notices to DTC in the manner required by the Letter of Representations.

F. *Effect of Redemption.* When so called for redemption, the Bonds shall cease to accrue interest on the specified redemption date, provided money for redemption is on deposit at the place of payment at that time, and shall not be deemed to be Outstanding as of such redemption date.

G. *Voluntary Redemption Notice.* In addition to the notice required by subsection C above, further notice may be given by the Registrar as set out below, but neither any defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in subsection C hereof.

(1) Each further notice of redemption given hereunder may contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all Bonds Outstanding are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (d) notification that, on the redemption date, the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after such date; (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the Registrar; (f) the CUSIP numbers, if any, of all Bonds being redeemed; (g) the date of issue of the Bonds as originally issued; (h) the rate of interest borne by each Bond being redeemed; (i) the maturity date of each Bond being redeemed; and (j) any other descriptive information needed to identify accurately the Bonds being redeemed.

(3) Each such further notice may be published one time in *The Bond Buyer* in New York, New York, or, if such publication is impractical or unlikely to reach a substantial number of the Registered Owners, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the Bonds, such publication to be made at least 20 days prior to the date fixed for redemption.

H. *Open Market Purchase and Cancellation.* The City hereby reserves the right and option to purchase any or all of the Bonds on the open market at any time and at any

price. To the extent the City partially redeems Term Bonds or Balloon Maturity Bonds, pursuant to this Ordinance, the City may, at its discretion, reduce the amount of any mandatory sinking fund deposit or deposits by an aggregate principal amount equal to the principal amount of the Term Bonds so redeemed. All Bonds purchased or redeemed under this Section shall be canceled.

Section 6: Sale of the Bonds

A. *Competitive Sale Authorized.* The Bonds may be sold by competitive sale. In any such competitive sale, the Bonds will be awarded to the bidder whose bid will result in the lowest True Interest Cost to the City. In the event that two or more bidders offer bids at the same lowest True Interest Cost, the City will award the Bonds to the bidder submitting the bid resulting in the highest net present value savings to the City. The Underwriter must pay accrued interest, if any, computed on a 360-day year and 30-day month basis, or as otherwise designated by the Designated Representative, from the date of the Bonds to the date of delivery.

(1) *Notice of Sale.* The City hereby authorizes the Designated Representative, with the assistance of the Municipal Advisor, if the Bonds are sold by competitive sale, to cause the Official Notice of Sale to be disseminated to prospective purchasers of the Bonds in such manner as it deems to be in the best interest of the City.

(2) *Good Faith Deposit.* Each bid must be unconditional and the successful bidder shall, within three hours of the award of the Bonds, make a good faith deposit (the “**Good Faith Deposit**”) by federal wire or by a certified or bank cashier’s check in immediately available funds payable to the City in an amount set forth in the Official Notice of Sale, which amount shall not be less than 0.5% of the principal amount of the Bonds.

The Good Faith Deposit of the successful bidder will become the property of the City and will be credited to the purchase price of the Bonds at the time of delivery of the Bonds. No interest will be paid by the City on a bidder’s Good Faith Deposit. If the purchase price is not paid in full upon tender of the Bonds, the successful bidder shall have no right to the Bonds or to the recovery of the Good Faith Deposit, or to any allowance or credit by reason of the Good Faith Deposit, unless it appears the Bonds would not be validly issued if delivered to the Underwriter in the form and manner proposed. However, in the event of such nonpayment, the City reserves any and all rights granted by law to recover the agreed purchase price of the Bonds, and, in addition, any damages suffered by the City.

(3) *Opening and Award of Bids.* If the Bonds are sold pursuant to the provisions of this Section 6.A, bids will be opened by the City no later than 9:00 a.m. Pacific Time, in the offices of the Designated Representative, on the date set forth in the Official Notice of Sale. The Designated Representative is hereby authorized and directed to conduct the competitive sale of the Bonds in accordance with the Official Notice of Sale. The City reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

B. *Negotiated Sale Authorized.* The Bonds may be sold by negotiated sale (including a private placement) if it is determined by the Designated Representative, upon approval from the Mayor, that such method of sale is in the best interests of the City. If the Bonds are sold at negotiated sale or private placement, the terms of such sale must comply with Section 4 of this Ordinance.

C. *Other Related Matters.* The Designated Representative is authorized and directed to take such other actions to publicize or facilitate the sale of the Bonds as may be deemed desirable or necessary including, but not limited to, securing a rating on the Bonds from one or more of the established nationally recognized rating services.

Section 7: Place, Manner and Medium of Payment

Each installment of interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by such Registered Owner.

C. *Payment of Principal.* Principal of each Bond shall be payable to the Registered Owner, upon presentation and surrender of the Bonds on or after the date of maturity or prior redemption, whichever occurs first, at the designated corporate trust office of the Registrar. Upon the payment of the Bonds at maturity of any Bond being redeemed, each check or other transfer of money issued for such purpose shall bear the CUSIP number, if any, and identify by issue and maturity the Bonds being paid with the proceeds of such check or other transfer.

D. *Interest on Delinquent Amounts.* If any Bond is not redeemed when properly presented at its maturity date, the City shall pay interest on that Bond at the same rate provided in the Bond from and after its maturity date until the principal of and interest on that Bond is paid in full or until sufficient money for its payment in full is on deposit in the Revenue Bond Fund and the Bond has been called for payment by giving notice to the Registered Owner of that unpaid Bond.

E. *Ownership of Bonds.* The City and the Registrar may deem and treat the Registered Owner of each Bond as the absolute owner of such Bond for the purpose of receiving payments of principal and interest due on such Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

F. *Unclaimed Money.* The Designated Representative may submit a written request to the Registrar that the Registrar return to the Designated Representative all money previously remitted to the Registrar for the payment of the Bonds that has not been distributed by the Registrar as of one year after the final maturity of all of the Bonds. The Designated Representative shall deposit such money into a separate account to be held solely for the benefit of the Registered Owners of Bonds which have not been presented for payment, and which shall be used solely for paying the principal of such Bonds and the interest which had accrued thereon to the date of maturity. Interest earnings on the money in such account may be deposited into the Revenue Bond Fund to pay the principal of and interest on any Bonds that are Outstanding.

B. *Application of Bond Proceeds.* The net proceeds of the Bonds (exclusive of any amounts that may be designated by the Designated Representative in a closing certificate to be allocated to pay costs of issuance of the Bonds or to make a deposit into the Reserve Account, and exclusive of amounts paid to an Underwriter as a fee or an Underwriter’s discount) (the “**Net Bond Proceeds**”), together with other available funds of the City in the amount (if any) specified by the Designated Representative, shall be held by the City and used at the direction of the Designated Representative to pay the costs of, or to reimburse the City for the costs of, redeeming the Refunded Bonds and/or may be placed into the Escrow Account pursuant to the terms of an Escrow Agreement to effect a defeasance of the Refunded Bonds.

C. *Notice of Redemption.* The Refunding Trustee is hereby directed to give notice of the call and redemption of the Refunded Bonds in substantially the form set forth as Attachment II to the Form of Escrow Agreement attached hereto as Exhibit “B” and in the manner required by the 2014 Bond Ordinance.

D. *Modification of Refunding Plan.* The Designated Representative is hereby authorized, upon advice from the City’s Municipal Advisor, to modify the refunding plan if such modification is determined to be in the City’s best interest.

Section 9: The Refunding Trustee; Escrow Agreement

The City hereby authorizes the Designated Representative to select a financial institution to act as the Refunding Trustee with respect to the Refunded Bonds (the “**Refunding Trustee**”) if deemed necessary to effect the defeasance and/or refunding of the Refunded Bonds. In order to carry out the purposes of this Ordinance, if deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, the Designated Representative is authorized and directed to execute and deliver to the Refunding Trustee an Escrow Agreement substantially in the form marked Exhibit “B” attached hereto and by this reference incorporated herein. If utilized, the Escrow Agreement, shall set forth the duties, obligations and responsibilities of the Refunding Trustee in connection with the defeasance and/or refunding of the Refunded Bonds as provided herein, and shall set forth the payment of the fees, compensation and expenses of the Refunding Trustee.

Section 10: Creation of the Escrow Account & Government Obligations

A. *Creation of the Escrow Account.* If deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee is authorized and directed to establish a special account for the City designated the “Water and Wastewater System Revenue and Refunding Bonds Escrow Account,” or such other designation conforming to accounting principles and banking practices.

B. *Deposits into the Escrow Account.* If deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, may be deposited into the Escrow Account and may be held as cash or used to acquire Government Obligations, as more specifically provided in the Escrow Agreement. Such funds shall be irrevocably deposited into the Escrow Account. Any funds to be deposited into the Escrow Account shall be held by the Refunding Trustee in trust. All funds credited to the Escrow Account shall be deemed so credited to and held in the Escrow Account notwithstanding the fact that such funds are held by the Refunding Trustee in trust for the owners of the Refunded Bonds.

C. *Use of Money in the Escrow Account.* If deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, the Refunding Trustee, on behalf of the City, may be authorized and directed to use the Net Bond Proceeds, together with other legally available money of the City, to purchase Government Obligations in the amounts, of the type, bearing interest and maturing in such amounts as are necessary to make the payments described in this Ordinance and in the Escrow Agreement. The investment income from and maturing principal of the Government Obligations and money to be deposited into the Escrow Account, if any, shall be transmitted to the Washington State Fiscal Agent, as Registrar for the City, for the sole purpose of paying the

principal of and interest on the Refunded Bonds. Any money remaining on deposit in the Escrow Account created hereunder after the payment in full of the Refunded Bonds and the costs of issuing the Bonds, shall be transferred by the Refunding Trustee to the City and deposited into the Revenue Bond Fund.

D. *Government Obligations.*

(1) *Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, the Government Obligations shall be payable in such amounts and at such times that, together with other legally available money of the City, will be sufficient to provide for the payment of: (a) the interest on the Refunded Bonds as such becomes due on and before the Redemption Date or maturity of the Refunded Bonds; and (b) the price of redemption of the Refunded Bonds on the Redemption Date or the maturity value of the Refunded Bonds that are defeased to maturity.

(2) *Sufficiency of the Government Obligations.* If the purchase of Government Obligations is deemed necessary by the Designated Representative to effect the defeasance and/or refunding of the Refunded Bonds, prior to the delivery of the Bonds, the City shall receive an opinion of a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, stating, in substance, that the money and Government Obligations to be deposited with the Refunding Trustee for the payment of the Refunded Bonds will discharge and satisfy the City's obligations under the 2014 Bond Ordinance to make payments on the Refunded Bonds. Such opinion will not be required in the event the City deposits sufficient funds at closing to provide for all debt service payments, without taking into account interest earnings thereon.

Section 11: Irrevocable Call

A. *Refunded Bonds.*

(1) *Irrevocable Call for Redemption.* In accordance with Section 5 of the 2014 Bond Ordinance, the City hereby calls the Refunded Bonds for redemption on the Redemption Date. Such call for redemption shall be irrevocable upon the delivery of the Bonds to the Underwriter.

(2) *Irrevocable Pledge of Proceeds of the Bonds.* The City hereby irrevocably pledges the Net Bond Proceeds, together with other available funds of the City in the amount (if any) specified by the Designated Representative, Government Obligations (if any) and any amounts on deposit in the Escrow Account (if utilized), to pay the interest on the Refunded Bonds, up to and including the Redemption Date, and to redeem and retire the Refunded Bonds on such date at the price of 100% of the principal amount thereof plus accrued interest to the Redemption Date. Such amounts are hereby irrevocably pledged to be set aside to effect such payment, redemption and retirement.

B. *Findings Regarding the Defeasance and/or Refunding of the Refunded Bonds.* The Council hereby finds that, as of the date the Bonds are issued and the Net Bond Proceeds are utilized as set forth herein: (1) no further payments need to be made into the Revenue Bond Fund for the payment of the principal of and interest on the Refunded Bonds; (2) the Refunded Bonds and the interest accrued thereon shall cease to be entitled to any lien, benefit or security of the 2014 Bond Ordinance, except the right to receive the funds so set aside and pledged; and (3) the Refunded Bonds and the interest accruing thereon shall no longer be deemed to be Outstanding under the 2014 Bond Ordinance. The Council hereby further finds and determines that the issuance and sale of the Bonds will benefit the City by affecting a savings to the City's ratepayers. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds.

Section 12: [Reserved]

Section 13: Pledge of Net Revenue

All of the Net Revenue is pledged for the payment of the Bonds, as a prior first charge and lien thereon equal to and on parity with the charge or lien of Future Parity Bonds, if any, and Revenue of the System shall be used and applied in the order of priority provided in Section 14 of this Ordinance.

The Bonds are payable solely from amounts deposited into the Revenue Bond Fund, shall not constitute general obligations of the City and are not payable from ad valorem taxes collected within the City. Accordingly, the full faith and credit of the City is not pledged for the payment of the principal of and interest on the Bonds.

Section 14: The Revenue Fund; Priority of Payments from Revenue Fund; Coverage Stabilization Account

A. *Revenue Fund.* A special fund of the City known as the "Water-Wastewater Fund" (including subaccounts therein, the "**Revenue Fund**") has heretofore been established into which shall be deposited the Revenue of the System as collected. The Revenue Fund shall be held separate and apart from all other funds and accounts of the City.

B. *Priority of Payments from the Revenue Fund.* The Revenue of the System deposited in the Revenue Fund shall be used only for the following purposes and in the following order of priority:

First, to pay the Costs of Maintenance and Operation of the System;

Second, to make all payments required to be made into the Revenue Bond Fund to pay the interest on any Parity Bonds, including reimbursements to the issuer of a Credit Facility if the Credit Facility secures the payment of interest on Parity Bonds and the ordinance authorizing such Parity Bonds provides for such reimbursement;

Third, to make all payments required to be made into the Revenue Bond Fund to pay the principal of any Parity Bonds, including reimbursements to the issuer of a Credit Facility

if the Credit Facility secures the payment of principal of Parity Bonds and the ordinance authorizing such Parity Bonds provides for such reimbursement;

Fourth, to make all payments required to be made into any sinking fund account hereafter created to provide for the payment of the principal of Term Bonds or Balloon Maturity Bonds;

Fifth, to make all payments required to be made into the Reserve Account for Covered Bonds and to any reserve account created in the future for the payment of debt service on Future Parity Bonds;

Sixth, to make all payments required to be made into any revenue debt redemption fund, debt service account, reserve account or sinking fund account created to pay and secure the payment of the principal of and interest on Government Loans and any revenue bonds, or revenue warrants or other revenue obligations of the City having a lien upon the Revenue of the System junior and inferior to the lien thereon for the payment of the principal of and interest on the Parity Bonds; and

Seventh, to retire by redemption or purchase on the open market any outstanding water and wastewater system revenue bonds or revenue warrants of the City, to make necessary additions, betterments, improvements and repairs to or extensions and replacements of the System, or for any other lawful City purposes.

The City may transfer any money from any funds or accounts of the System legally available therefor, except bond redemption funds, refunding escrow funds or defeasance funds, to meet the required payments to be made into the Revenue Bond Fund. Money in the Revenue Fund may be invested by the City in any investment that is a legal investment for the City.

C. *Coverage Stabilization Account.* A Coverage Stabilization Account shall be established within the Revenue Fund at the option of the Designated Representative. The City hereby determines that the maintenance of a Coverage Stabilization Account will moderate fluctuations in Net Revenues and help to alleviate the need for short-term rate adjustments. Money in the Coverage Stabilization Account will be transferred as determined from time to time by the City. The City may make payments into the Coverage Stabilization Account from the Revenue Fund at any time. Money in the Coverage Stabilization Account may be withdrawn at any time and used for the purpose for which the Revenue of the System may be used. Amounts withdrawn from the Coverage Stabilization Account shall increase Revenue of the System for the period in which they are withdrawn, and amounts deposited in the Coverage Stabilization Account shall reduce Revenue of the System for the period during which they are deposited for purposes of measuring compliance with the Rate Covenant. Credits to or from the Coverage Stabilization Account that occur within 90 days after the end of a fiscal year may be treated as occurring within such fiscal year. Earnings on the Coverage Stabilization Account shall be credited to the Revenue Fund.

Section 15: Payments into Revenue Bond Fund

A. *Revenue Bond Fund.* A special account of the City known as the “Water and Wastewater Fund — Bond Redemption Subaccount” (the “**Revenue Bond Fund**”) has been created for the sole purpose of paying and securing the payment of Parity Bonds.

B. *Payments into Revenue Bond Fund.* As long as the Bonds remain outstanding, the City hereby irrevocably obligates and binds itself to set aside and pay from the Revenue Fund into the Revenue Bond Fund on or before the date due those amounts necessary, together with ULID Assessments deposited and such other money as is on hand and available therefor in the Revenue Bond Fund, to pay the interest or principal and interest next coming due on the Bonds.

As long as the Parity Bonds remain outstanding, the City hereby irrevocably covenants and agrees to pay the ULID Assessments into the Revenue Bond Fund.

Notwithstanding anything in Section 15(F) hereof to the contrary, money in the Revenue Bond Fund may be used to pay arbitrage rebate, if any, to the extent the rebate is attributable to earnings on money in the Revenue Bond Fund.

C. *Payments into Reserve Account.* The City hereby agrees that a special account to be known as the “Water-Wastewater Bond Fund Reserve Account” (the “**Reserve Account**”) shall be maintained for the purpose of securing the payment of the principal of and interest on all Covered Bonds. The Bonds shall be Covered Bonds, secured by the Reserve Account, if deemed necessary and designated as such by the Designated Representative. To the extent the Bonds are designated as Covered Bonds, the City hereby covenants that the Reserve Requirement for the Bonds will be fully funded as of the date of issuance of the Bonds.

The City covenants and agrees that when the required deposits have been made into the Reserve Account, it will, at all times for so long as any Covered Bonds remain outstanding, maintain therein an amount at least equal to the Reserve Requirement except for withdrawals therefrom authorized hereinafter. Whenever there is a sufficient amount in the Revenue Bond Fund, including all accounts therein, to pay the principal of, premium, if any, and interest on all outstanding Parity Bonds, the money in the Reserve Account may be used to pay the principal of, premium, if any, and interest on the Parity Bonds secured thereby. Money in the Reserve Account may also be withdrawn to redeem and retire, and to pay the premium, if any, and interest due to such date of redemption, on the outstanding Parity Bonds, as long as the money remaining on deposit in the Reserve Account is at least equal to the Reserve Requirement determined with respect to the Covered Bonds then outstanding.

In the event there shall be a deficiency in the Revenue Bond Fund to meet maturing installments of either interest on or principal of and interest on any Parity Bonds, such deficiency shall be made up from the Reserve Account by the withdrawal of money therefrom. Cash and investments shall be drawn upon prior to any drawing upon a Credit Facility. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up out of Revenue of the System or ULID Assessments within one year

after making necessary provision for the payments required to be made by subparagraphs First through Fourth, inclusive, of Section 14(B) of this Ordinance.

If a Credit Event occurs, the Reserve Requirement shall be satisfied (A) within one year after the occurrence of such Credit Event with other Qualified Insurance or another Qualified Letter of Credit, or (B) within three years (in three approximately equal annual installments) after the occurrence of such Credit Event, out of Revenue of the System or ULID Assessments after making necessary provision for the payments required to be made by subparagraphs First through Fourth, inclusive, of Section 14(B) of this Ordinance.

In the event the City issues any Future Parity Bonds that are Covered Bonds, it will provide in the ordinance authorizing the issuance of the same for payment into the Reserve Account out of proceeds of such Future Parity Bonds, Revenue of the System, or ULID Assessments (or, at the option of the City, out of any other funds on hand and legally available therefor) approximately equal additional annual installments so that by three years from the date of issuance of such Future Parity Bonds there will have been paid into the Reserve Account an amount that, together with the money already on deposit therein, will be at least equal to the Reserve Requirement. Such annual payments into the Reserve Account shall be made not later than December 20 of each year.

Notwithstanding anything in this Section to the contrary, the City may fund the Reserve Requirement, in whole or in part, through a surety bond issued by a Qualified Insurer. The amount payable by the Qualified Insurer under such surety bond shall be credited against the amounts otherwise required to be accumulated and maintained in the Reserve Account.

The Reserve Requirement may be maintained by deposits of cash. As used herein, the term “cash” shall include U.S. currency, cash equivalents and evidences thereof, including demand deposits, certified or cashier’s check; and the deposit to the Reserve Account may be satisfied initially by the transfer of qualified investments to such account.

E. *Priority of Lien of Payments into the Revenue Bond Fund.* The amounts so pledged to be paid into the Revenue Bond Fund from the Revenue Fund are hereby declared to be a lien and charge upon the Revenue of the System junior in lien to the Costs of Maintenance and Operation and equal to the lien of the charges upon such Revenue of the System and ULID Assessments that may hereafter be made upon the Revenue of the System and ULID Assessments to pay and secure the payment of the principal of and interest on any Future Parity Bonds, and prior and superior to all other charges of any kind or nature whatsoever.

F. *Application and Investment of Money in the Revenue Bond Fund.* Money in the Revenue Bond Fund and the Reserve Account shall be invested in any legal investment for City funds. Investments in the Revenue Bond Fund shall mature prior to the date on which such money shall be needed for required interest or principal payments. Investments in any Reserve Account shall mature not later than the last maturity of the Parity Bonds secured thereby.

G. *Sufficiency of Revenues.* The Council hereby finds and declares that in fixing the amounts to be paid into the Revenue Bond Fund out of the Revenue of the System, it has exercised due regard for the Costs of Maintenance and Operation and has not obligated the City to set aside and pay into such Fund a greater amount of such Revenue than in its judgment will be available over and above the Costs of Maintenance and Operation.

Section 16: Execution and Authorization of the Bonds

A. *Execution of the Bonds.* The Bonds shall be executed on behalf of the City by the manual or facsimile signature of the Mayor, shall be attested by the manual or facsimile signature of the City Clerk and shall have the seal of the City impressed or imprinted thereon.

B. *Authentication of the Bonds.* The executed Bonds shall be delivered to the Registrar for authentication. The Bonds shall be numbered separately in the manner and with any additional designation as the Registrar deems necessary for purposes of identification. Only those Bonds that bear a Certificate of Authentication substantially in the form set forth in Exhibit "A" attached hereto and manually executed by an authorized representative of the Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this Ordinance. Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Ordinance.

C. *Validity of Signatures.* In case any of the officers who shall have signed or attested any of the Bonds shall cease to be such officer or officers of the City before the Bonds so signed or attested shall have been authenticated or delivered by the Registrar, or issued by the City, such Bonds may nevertheless be authenticated, delivered and issued, and, upon such authentication, delivery and issue, shall be as binding upon the City as though those who signed and attested the same had continued to be such officers of the City. Any Bond may also be signed and attested on behalf of the City by such persons as at the actual date of execution of such Bond shall be the proper officers of the City although at the original date of such Bond any such person shall not have been such officer of the City.

Section 17: The Registrar

A. *Registrar Appointed.* The Treasurer has designated the Washington State Fiscal Agent as the City's legally designated fiscal agent with respect to the Bonds. The Council hereby confirms such designation with respect to the Bonds and appoints the Washington State Fiscal Agent as Registrar, authenticating agent, paying agent and transfer agent with respect to the Bonds, subject to the terms and conditions of this Section.

B. *Delegated Duties.* The Registrar is hereby authorized and directed, on behalf of the City, to authenticate and deliver Bonds initially issued or transferred or exchanged in accordance with the provisions of the Bonds and this Ordinance and to carry out all of the Registrar's powers and duties under this Ordinance and the Agreement for Fiscal Agency Services between the Washington State Finance Committee and the Registrar (as the same may be amended or readopted from time to time).

C. *Bond Register.* The Bonds shall be issued only in registered form as to both principal and interest. The Registrar shall keep, or cause to be kept, at its designated corporate trust office the Bond Register which shall at all times be open to inspection by the City. The City hereby specifies and adopts the system of registration for the Bonds approved by the Washington State Finance Committee.

D. *Fees and Costs.* The City shall pay to the Registrar from time to time reasonable compensation for all services rendered under this Ordinance together with reasonable expenses, charges, fees of counsel, accountants and consultants and other disbursements, including those of its attorneys, agents and employees, incurred in good faith in and about the performance of their powers and duties under this Ordinance. The administrative fees provided for in this subsection D may be paid from the Revenue Bond Fund.

E. *Representations.* The Registrar shall be responsible for its representations contained in the Registrar's Certificate of Authentication on the Bonds.

F. *Ownership Rights.* The Registrar may become the Registered Owner of Bonds with the same rights it would have if it were not the Registrar, and, to the extent permitted by law, may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners of the Bonds.

G. *Cancellation of Surrendered Bonds.* Bonds surrendered to the Registrar for payment, redemption, transfer or exchange, as well as Bonds surrendered by the City for cancellation, shall be canceled immediately by the Registrar and returned to the City. Such Bonds thereafter shall be destroyed.

Section 18: Book-Entry System Authorized

A. The Bonds shall be initially issued in the form of a separate, single-certificated, fully registered Bond for each maturity set forth in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), the Bond Purchase Contract, as provided for in Section 4 of this Ordinance, in the aggregate principal amount of such maturity. Upon initial issuance, the ownership of each Bond may be registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the securities depository for the Bonds. Except as provided in subsection D of this Section, all of the Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

B. With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, neither the City nor the Registrar shall have any responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to: (1) the accuracy of the records of DTC, Cede & Co., or any Participant with respect to any ownership interest in the Bonds; (2) the delivery to any Participant or any other person, other than a Registered Owner, of any notice with respect to the Bonds; or (3) the payment to any Participant or any

other person, other than a Registered Owner, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The City and the Registrar may treat and consider the Registered Owner of each Bond as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and the interest on the Bonds as provided for in the Official Notice of Sale, or, if the Bonds are sold by negotiated sale (including a private placement), Bond Purchase Contract, and as further provided in this Ordinance and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sums so paid. No person other than a Registered Owner shall receive a certificated Bond evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to the transfer and payment of the Bonds, the phrase "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

C. The City heretofore has delivered a Letter of Representations to the Registrar and DTC. The delivery of the Letter of Representations shall not in any way limit the provisions of subsection B of this Section or in any other way impose upon the City any obligation whatsoever with respect to persons having interests in the Bonds other than the Registered Owner. The Registrar shall take all action necessary for all representations of the City in the Letter of Representations with respect to the Registrar, to, at all times, be complied with.

D. (1) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and to the Registrar, and discharging its responsibilities with respect thereto under applicable law.

(2) The City, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the City determines that: (a) DTC is unable to discharge its responsibilities with respect to the Bonds; or (b) a continuation of the requirement that all of the Bonds be registered in the Bond Register in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

(3) Upon termination of the services of DTC with respect to the Bonds pursuant to subsection D(2)(b) of this Section, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subsection D(1) or subsection D(2)(a) of this Section, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found that, in the opinion of the City, is willing and able to undertake such functions upon reasonable and customary terms, the City shall deliver certificated Bonds at the expense of the City, as described in this Ordinance, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may be registered in the names that the Registered Owners

transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance. In the event the Bonds are transferred by the City to fully registered form, the Bonds shall be payable by the Registrar. Thereafter, the principal of the Bonds shall be payable upon due presentment and surrender thereof at the designated corporate trust office of the Registrar; interest shall be paid by check or draft of the Registrar mailed to such Registered Owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such Registered Owner to the Registrar. Interest installments may be paid by wire transfer to a Registered Owner within the United States of at least \$1,000,000 in principal amount of the Bonds, upon written request of such Registered Owner submitted to the Registrar at least 15 days prior to the interest payment date; provided, the costs of such wire transfer shall be paid by the Registered Owner, and the Bonds shall be transferable as provided in this Ordinance.

E. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal or premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

F. If the Bonds are privately placed with a bank, the City may determine not to comply with this Section if the Designated Representative deems it to be in the best interest of the City.

Section 19: Transfer and Exchange of the Bonds

A. *Transfer of Bonds.* Each Bond shall be transferable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, upon due completion of the assignment form appearing thereon and upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation and issuance of a new Bond registered in the name of the transferee, in exchange therefor.

B. *Exchange of Bonds.* Each Bond shall be exchangeable by the Registered Owner thereof in person, or by its attorney duly authorized in writing, for one or more new Bonds, upon surrender of such Bond at the designated corporate trust office of the Registrar for cancellation.

C. *Authentication and Delivery of New Bonds.* Whenever a Bond shall be surrendered for transfer or exchange, the Registrar shall authenticate and deliver to the transferee or exchangee, in exchange therefor, a new fully registered Bond or Bonds of any authorized denomination or denominations, of the same maturity and interest rate as, and for the aggregate principal amount of, the Bond being surrendered. Notwithstanding the foregoing sentence, the Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

D. *Payment of Fees and Costs.* The Registrar shall require the payment by the Registered Owner requesting such transfer or exchange of any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

Section 20: Mutilated, Destroyed, Lost or Stolen Bonds

A. *Issuance of Substitute Bonds.* If any Bond shall become mutilated, lost, stolen or destroyed, the affected Registered Owner shall be entitled to the issuance of a substitute Bond only as follows:

(1) in the case of a lost, stolen or destroyed Bond, the Registered Owner shall: (a) provide notice of the loss, theft or destruction to the City and the Registrar within a reasonable time after the Registered Owner receives notice of the loss, theft or destruction; (b) request the issuance of a substitute Bond; (c) provide evidence, satisfactory to the City and the Registrar, of the ownership and the loss, theft or destruction of the affected Bond; and (d) file in the offices of the City and the Registrar a written affidavit specifically alleging on oath that such Registered Owner is the proper owner, payee or legal representative of such owner or payee of the Bond that has been lost, stolen or destroyed, giving the date the Bond was issued and the number, principal amount and series of such Bond, and stating that the Bond has been lost, stolen or destroyed, and has not been paid and has not been received by such Registered Owner;

(2) in the case of a mutilated Bond, the Registered Owner shall surrender the Bond to the Registrar for cancellation; and

(3) in all cases, the Registered Owner shall provide indemnity against any and all claims arising out of or otherwise related to the issuance of substitute Bonds pursuant to this Section satisfactory to the City and the Registrar.

Upon compliance with the foregoing, a new Bond of like tenor and denomination, bearing the same number as the mutilated, destroyed, lost or stolen Bond, and with the word "DUPLICATE" stamped or printed plainly on its face, shall be executed by the City, authenticated by the Registrar and delivered to the Registered Owner, all at the expense of the Registered Owner to whom the substitute Bond is delivered. Notwithstanding the foregoing, the Registrar shall not be required to authenticate and deliver any substitute Bond for a Bond which has been called for redemption or which has matured or is about to mature and, in any such case, the principal or redemption price and interest then due or becoming due shall be paid by the Registrar in accordance with the terms of the mutilated, destroyed, lost or stolen Bond without substitution therefor.

B. *Notation on the Bond Register.* Upon the issuance and authentication of any substitute Bond under the provisions of this Section, the Registrar shall enter upon the Bond Register a notation that the original Bond was cancelled and a substitute Bond was issued therefor.

C. *Rights of Registered Owners of Substitute Bonds.* Every substituted Bond issued pursuant to this Section shall constitute an additional contractual obligation of the City and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued hereunder unless the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by a bona fide purchaser for value without notice. In the event the Bond alleged to have been destroyed, lost or stolen shall be

enforceable by anyone, the City may recover the substitute Bond from the Registered Owner to whom it was issued or from anyone taking under the Registered Owner except a bona fide purchaser for value without notice.

D. *Exclusive Rights.* All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or of investment or other securities without their surrender.

Section 21: Defeasance of the Bonds

In the event that money and/or Government Obligations, maturing or having guaranteed redemption prices at the option of the owner at such times and bearing interest to be earned thereon, in such amounts as are sufficient (together with any resulting cash balances) to redeem and retire part or all of the Bonds in accordance with their terms, are hereafter irrevocably set aside in a special account and pledged to effect such redemption and retirement, then no further payments need be made into the Revenue Bond Fund or any account therein for the payment of the principal of and interest on the certain Bonds so provided for, and such Bonds and interest accrued thereon shall no longer be deemed to be Outstanding hereunder.

If the principal or redemption price of any Bonds becoming due, at maturity or otherwise, together with all interest accruing thereon to the due date, has been paid or provision therefor has been made in accordance with this Section, all interest on such Bonds shall cease to accrue on the due date and all liability of the City with respect to such Bonds shall likewise cease, except as hereinafter provided. Thereafter the Registered Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Registrar shall hold such funds in trust for such Registered Owners uninvested and without interest.

Section 22: Bond Covenants

A. *Maintenance and Operation.* The City shall at all times maintain, preserve and keep the properties of the System in good repair, working order and condition and will from time to time make all necessary and proper repairs, renewals, replacements, extensions and betterments thereto, so that at all times the business carried on in connection therewith will be properly and advantageously conducted, and the City will at all times operate or cause to be operated said properties of the System and the business in connection therewith in an efficient manner and at a reasonable cost.

B. *Rate Covenant.* The City will establish, maintain and collect such rates and charges, which shall be fair and nondiscriminatory, for service of its System as will maintain the Rate Covenant for so long as any Parity Bonds are outstanding.

C. *Maintain Revenue Fund Balance.* After making or providing for the payments from the Revenue Fund as required by Section 14 hereof, there shall be maintained in the

Revenue Fund sufficient money to enable the City to meet the Costs of Maintenance and Operation of the System on a current basis.

D. *Sale or Disposition of the System.* The City will not sell or otherwise dispose of the System in its entirety unless simultaneously with such sale or other disposition, provision is made for the payment into the Revenue Bond Fund of cash or Government Obligations sufficient together with interest to be earned thereon to pay the principal of and interest on the then-outstanding Parity Bonds, nor will it sell or otherwise dispose of any part of the useful operating properties of the System unless such facilities are replaced or provision is made for payment into the Revenue Bond Fund of the greatest of the following:

(1) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (defined as the total amount of the Parity Bonds less the amount of cash and investments in the Revenue Bond Fund and accounts therein) that the Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue for such period; or

(2) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the Net Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue for such period; or

(3) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the depreciated cost value of the facilities sold or disposed of bears to the depreciated cost value of the entire System immediately prior to such sale or disposition.

The proceeds of any such sale or disposition of a portion of the properties of the System (to the extent required above) shall be paid into the Revenue Bond Fund.

Notwithstanding any other provision of this subsection D, the City may sell or otherwise dispose of any of the works, plant, properties and facilities of the System or any real or personal property comprising a part of the same which shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the System, or no longer necessary, material to or useful in such operation, without making any deposit into the Revenue Bond Fund.

E. *Liens or Encumbrances.* The City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the System or the Revenue of the System, or any part thereof, prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Revenue of the System, or any part thereof, or upon any funds in the hands of the City, prior to or superior to the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

F. *Insurance.* The City will keep the works, plants and facilities comprising the System insured, and will carry such other insurance, with responsible insurers, with policies

payable to the City, against risks, accidents or casualties, at least to the extent that insurance is usually carried by private corporations operating like properties, or will implement a self-insurance program with reserves adequate, in the judgment of the Council, to protect the City and the holders of Parity Bonds against loss. In the event of any loss or damage, the City will promptly repair or replace the damaged portion of the insured property and apply the proceeds of any insurance policy for that purpose; or in the event the City should determine not to repair or reconstruct such damaged portion of the properties of the System, the proceeds of such insurance shall be paid into any Reserve Account to the extent that such transfer shall be necessary to make up any deficiency in said Reserve Account and the balance, if any, shall, at the option of the City, be used either for repairs, renewals, replacements, or capital additions to the System, for the redemption of Parity Bonds, or for deposit into the Revenue Bond Fund.

G. *Books and Accounts.* The City shall keep proper books of account in accordance with any applicable rules and regulations prescribed by the State of Washington. The City shall prepare, and any owner or holder of Parity Bonds may, upon written request, obtain copies of, balance sheets and profit and loss statements showing in reasonable detail the financial condition of the System as of the close of each year, and the income and expenses of such year, including the amounts paid into the Revenue Fund, the Revenue Bond Fund, and into any and all special funds or accounts created pursuant to the provisions of this Ordinance, and the amounts expended for maintenance, renewals, replacements, and capital additions to the System.

H. *Additions and Improvements.* The City will not expend any of the revenues derived by it from the operation of the System or the proceeds of any indebtedness payable from the Revenue of the System for any extensions, betterments or improvements to the System that are not legally required or economically sound, and that will not properly and advantageously contribute to the conduct of the business of the System in an efficient manner.

I. *Collection and Application of ULID Assessments.* As long as the Parity Bonds remain outstanding, all ULID Assessments shall be paid into the Revenue Bond Fund and shall be used to pay and secure the payment of the principal of and interest on the Parity Bonds. Nothing in this Ordinance or this section shall be construed to prohibit the City from issuing water, wastewater or water and wastewater system revenue bonds junior in lien to the Bonds and pledging as security for their payment assessments levied in any ULID which may have been specifically created to pay part of the cost of improvements to the System for which those junior lien bonds were specifically issued.

J. *Collection of Delinquent ULID Assessments.* The City will, on or before April 1 of each calendar year, determine all ULID Assessments or installments thereof that are delinquent and will take all necessary action to enforce payment of such ULID Assessments, including real property foreclosure actions pursuant to applicable law, or its successor statute, if any, against the property owners whose ULID Assessments are delinquent.

K. *No Free Service.* Unless permitted by law or City policy, the City will not furnish or supply or permit the furnishing or supplying of any commodity, service or facility

furnished by or in connection with the operation of the System, free of charge to any person, firm or corporation, public or private, so long as any Bonds are outstanding and unpaid.

Section 23: Tax Covenants

A. *Compliance With the Code.* The City covenants to comply with each requirement of the Code necessary to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes. In furtherance of the covenant contained in the preceding sentence, the City covenants to comply with the provisions of the Tax Certificate executed by the City on the date of initial issuance and delivery of the Bonds, as such Tax Certificate may be amended from time to time.

B. *Necessary Payments.* The City covenants to make any and all payments required to be made to the United States Department of the Treasury in connection with the Bonds pursuant to Section 148 of the Code.

C. *Survival of Tax Covenants* Notwithstanding any other provision of this Ordinance to the contrary, so long as necessary in order to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes, the covenants contained in this Section shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof pursuant to Section 21 of this Ordinance.

D. *Remedies.* Notwithstanding any other provision of this Ordinance to the contrary: (1) upon the City's failure to observe or refusal to comply with the above covenants, the Registered Owners, or any trustee acting on their behalf, shall be entitled to the rights and remedies provided to the Registered Owners under this Ordinance; and (2) neither the holders or Registered Owners of bonds of any series other than Bonds, nor a trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to Registered Owners under this Ordinance based upon the City's failure to observe, or refusal to comply with, the above covenants.

Section 24: Issuance of Future Parity Bonds

A. *Conditions upon the Issuance of Future Parity Bonds.* The City hereby reserves the right to issue Future Parity Bonds, which shall constitute a charge and lien upon the Revenue of the System equal to the lien thereon of the Bonds. Except as provided in subsection (C) below, the City shall not issue any series of Future Parity Bonds or incur any additional indebtedness with a parity lien or charge on Net Revenues (i.e., on a parity of lien with Parity Bonds at the time outstanding) unless:

(1) the City shall not have been in default of its Rate Covenant for the immediately preceding fiscal year, without regard to transfers from the Coverage Stabilization Account;

(2) the ordinance authorizing the issuance of such Future Parity Bonds shall include the covenants provided in Section 22(B) hereof; and

(3) there shall have been filed a certificate (prepared as described in subsection (C) or (D) below) demonstrating fulfillment of the Parity Requirement, commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued no longer will be paid from the proceeds of such series of Future Parity Bonds.

B. *No Certificate Required.* The certificate described in the foregoing subsection (A)(3) shall not be required as a condition to the issuance of Future Parity Bonds:

(1) if the Future Parity Bonds being issued are for the purpose of refunding outstanding Parity Bonds; or

(2) if the Future Parity Bonds are being issued to pay costs of construction of facilities of the System for which Future Parity Bonds have been issued previously and the principal amount of such Future Parity Bonds being issued for completion purposes does not exceed an amount equal to an aggregate of 15% of the principal amount of Future Parity Bonds theretofore issued for such facilities and reasonably allocable to the facilities to be completed as shown in a written certificate of the Designated Representative, and there is delivered a Designated Representative's certificate stating that the nature and purpose of such facilities has not materially changed.

C. *Certificate of the City Without A Consultant.* If required pursuant to the foregoing subsection (A)(3), a certificate may be delivered by the City (executed by the Designated Representative) without a Consultant if Net Revenues for the Base Period conclusively demonstrate that the Parity Requirement will be fulfilled commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued will not be paid from the proceeds of such series of Future Parity Bonds.

D. *Certificate of a Consultant.* Unless compliance with the requirements of subsection (A)(3) have been otherwise satisfied (as provided in subsection (B) or (C) above), compliance with the Parity Requirement shall be demonstrated conclusively by a certificate of a Consultant.

In making the computations of Net Revenues for the purpose of certifying compliance with the Parity Requirement, the Consultant shall use as a basis the Net Revenues (which may be based upon unaudited financial statements of the City if the audit has not yet been completed) for the Base Period. Such Net Revenues shall be determined by adding the following:

(1) The historical net revenue of the City for the Base Period being issued as determined by a Consultant.

(2) The net revenue derived from those customers of the City that have become customers during such 12-month period or thereafter and prior to the date of such certificate, adjusted to reflect a full year's net revenue from each such customer to the extent such net revenue was not included in (1) above.

(3) The estimated annual net revenue to be derived from any person, firm, association, private or municipal corporation under any executed contract for service, which net revenue was not included in any of the sources of net revenue described in this subsection (D).

(4) The estimated annual net revenue to be derived from the operation of any additions or improvements to or extensions of the City under construction but not completed at the time of such certificate and not being paid for out of the proceeds of sale of such Future Parity Bonds being issued, and which net revenue is not otherwise included in any of the sources of net revenue described in this subsection (D).

(5) The estimated annual net revenue to be derived from the operation of any additions and improvements to or extensions of the City being paid for out of the proceeds of sale of such Future Parity Bonds being issued.

In the event the City will not derive any revenue as a result of the construction of the additions, improvements or extensions being made or to be made to the System within the provisions of subparagraphs (4) and (5) immediately above, then the estimated normal Costs of Maintenance and Operation (excluding any transfer of money to other funds of the City and license fees, taxes and payments in lieu of taxes payable to the City) of such additions, improvements and extensions shall be deducted from estimated annual net revenue.

The words “historical net revenue” or “net revenue” as used in this subsection (D) shall mean the Revenue of the System or any part or parts thereof less the normal expenses of maintenance and operation of the System or any part or parts thereof, but before depreciation. Such “historical net revenue” or “net revenue” shall be adjusted to reflect the rates and charges effective on the date of such certificate if there has been any change in such rates and charges during or after such 12-consecutive-month period.

E. *Junior Liens.* Nothing herein contained shall prevent the City from issuing revenue bonds or other obligations that are a charge upon the Revenue of the System junior or inferior to the payments required by this Ordinance to be made out of such Revenue into the Revenue Bond Fund and accounts therein to pay and secure the payment of any outstanding Parity Bonds.

F. *Refunding to Avoid Default.* Nothing herein contained shall prevent the City from issuing revenue bonds to refund maturing Parity Bonds for the payment of which money is not otherwise available.

Section 25: Amendments to Ordinance

A. *Amendments Not Requiring Registered Owner Consent.* The Council may adopt at any time ordinances supplemental hereto, which ordinances thereafter shall become a part of this Ordinance, for any one or more of all of the following purposes:

(1) to add to the covenants and agreements of the City in this Ordinance, other covenants and agreements thereafter to be observed, which shall not materially

adversely affect the interests of the holders of any Parity Bonds, or to surrender any right or power herein reserved.

(2) to make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this Ordinance or any ordinance authorizing future Parity Bonds in regard to matters or questions arising under such ordinances as the Council may deem necessary or desirable and not inconsistent with such ordinances and which shall not adversely affect, in any material respect, the interest of the holders of Parity Bonds.

Any such supplemental ordinance may be adopted without the consent of the Registered Owners of any Parity Bonds at any time Outstanding, notwithstanding any of the provisions of subsection B of this Section.

B. *Amendments Requiring Registered Owner Consent.* With the consent of the holders of not less than 50% in aggregate principal amount of the Parity Bonds at the time outstanding, the Council may pass an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall:

(1) extend the fixed maturity of any Parity Bonds, or reduce the rate of interest thereon, or extend the time of payment of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the holder of each bond so affected; or

(2) reduce the aforesaid percentage of bondholders required to approve any such supplemental ordinance, without the consent of the holders of all of the Parity Bonds then outstanding.

It shall not be necessary for the consent of bondholders under this subsection B to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

For the purpose of consenting to amendments under this Section 25(B) except for amendments that alter the interest rate on any Parity Bonds, the maturity date, interest payment dates, purchase upon tender or redemption of any Parity Bonds, the issuer of a Credit Facility shall be deemed to be the sole Registered Owner of the Parity Bonds that are payable from such Credit Facility and that are then outstanding.

C. *Effect of Supplemental Ordinances.* Upon the passage of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this Ordinance and all holders of Parity Bonds outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

Section 26: Sale and Delivery of the Bonds and Taking of Other Actions Authorized

The Council hereby authorizes and directs each of the Mayor, the Chief Financial Officer, the Director of the Utilities Division, the City Clerk, the Treasurer, the Municipal Advisor and Bond Counsel, to prepare, execute and deliver the Bonds to the Underwriter, or in the case of a private placement with a bank, to the bank, and for the proper application and use of the proceeds of the sale thereof, including:

A. preparing the final official statement regarding the Bonds, if the Bonds are publicly offered; and

B. executing such certificates and receipts as may be necessary to properly document the issuance of the Bonds.

In addition, the Mayor, the Chief Financial Officer, the Director of the Utilities Division, the City Clerk, the Treasurer, the Municipal Advisor and Bond Counsel, are hereby authorized by the Council to execute and deliver such other certificates, agreements and documents, and to take such other actions on behalf of the City as may be reasonable and necessary:

A. to facilitate the issuance and sale of the Bonds;

B. to meet all provisions of the Code in order to maintain tax-exempt status of the Bonds; and

C. in connection with any matters related thereto, until the final maturity date of the Bonds or redemption, whichever occur first.

Section 27: The Preliminary Official Statement

If the Bonds are publicly offered, the Council hereby delegates authority to the Designated Representative to determine all acts to be undertaken by the City's officers, employees and agents with respect to the preparation and distribution of the preliminary official statement regarding the Bonds, including any action taken to deem such preliminary official statement final as of its date except for the omission of information dependent upon the pricing of the issue and the completion of the underwriting agreement, such as offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates and other terms of the Bonds dependent on the foregoing matters. The City agrees to cooperate with the Underwriter to deliver or cause to be delivered, within seven business days from the date of the sale date of the Bonds and in sufficient time to accompany any confirmation that requests payment from any customer of the Underwriter, copies of a final official statement in sufficient quantity to comply with the rules of the MSRB and paragraph (b)(4) of Securities and Exchange Commission Rule 15c2-12.

Section 28: Covenant to Provide Continuing Disclosure

The City covenants to execute and deliver at the time of issuance of the Bonds a Continuing Disclosure Undertaking in substantially the form set forth in Exhibit "C" attached

hereto and by this reference incorporated herein. The Designated Representative is authorized and directed to execute and deliver a Continuing Disclosure Undertaking upon the sale, issuance and delivery of the Bonds with such terms and provisions as such officer shall deem appropriate and in the best interest of the City, upon consultation with Bond Counsel. The City hereby reserves the right to comply with this Section by meeting its annual disclosure requirements through any system approved by the SEC. All required filings shall be made in an electronic format as prescribed by the MSRB.

Section 29: Contract; Severability

The covenants contained in this Ordinance and in the Bonds shall constitute a contract between the City and the holder of each and every Bond. All the covenants, promises and agreements in this Ordinance contained by or on behalf of the City, or by or on behalf of the Registrar, shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenants or agreements shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of any Bonds.

Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon or give to any person other than the City, the Registrar and the Registered Owners any rights, remedies or claims under or by reason of this Ordinance or any covenant, condition or stipulation thereof; and all of the covenants, stipulations, promises and agreements in this Ordinance contained by or on behalf of the City shall be for the sole and exclusive benefit of the City, the Registrar and the Registered Owners.

Section 30: No Personal Recourse

No recourse shall be had for any claim based on this Ordinance or Bonds against any Council member, officer or employee, past, present or future, of the City or of any successor body as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or otherwise.

Section 31: Ratification

All actions not inconsistent with the provisions of this Ordinance heretofore taken by the Council and the City's employees with respect to the adoption of this Ordinance and the issuance, sale and delivery of the Bonds, are hereby in all respects ratified, approved and confirmed.

Section 32: Repealer

All ordinances or resolutions or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed, and shall have no further force or effect.

Section 33: Effective Date

The Council hereby finds and determines that the issuance and sale of the Bonds at this time will benefit the City by allowing the City to take advantage of current interest rates for tax-exempt bonds. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the net present value savings due to the defeasance and/or refunding of the Refunded Bonds. In order to take advantage of current interest rates and maximum savings to the City's ratepayers, it is essential to accept the Bond Purchase Contract or accept the Approved Bid at a competitive sale, as applicable, as quickly as possible. Based upon said facts, an emergency and urgency is declared and found to exist as necessary for the immediate support of City government and its existing public institutions. Based upon said emergency and urgency, this Ordinance shall become effective immediately upon its passage.

Principal of this Bond shall be paid to the Registered Owner upon presentation and surrender of this Bond on or after the Maturity Date set forth above or date of prior redemption of this Bond, whichever occurs first, at the designated corporate trust office of the Registrar.

This Bond is one of a duly authorized series of Bonds aggregating \$[_____] par value, all of like date, tenor and effect, issued by the City pursuant to and in full compliance with the Constitution and laws of the state of Washington now in force, particularly chapters 35.41, 39.46 and 39.53 RCW, and proceedings duly adopted and authorized by the Council, more particularly the Ordinance, for the purpose of providing money to pay, redeem and retire the Refunded Bonds, to fund the Reserve Requirement, if any, and to pay certain expenses incurred in connection with the issuance of the Bonds, as more particularly described in the Ordinance.

The Bonds are subject to redemption prior to their stated maturity as stated in the [Bond Purchase Contract] [Official Notice of Sale and Approved Bid].

The Bonds of this issue are not general obligations of the City. The City hereby covenants and agrees with the owner and holder of this bond that it will keep and perform all the covenants of this Bond and the Bond Ordinance.

[The Bonds of this issue are not “private activity bonds” as such term is defined in the Internal Revenue Code of 1986, as amended (the “Code”). The Bonds of this issue have not been designated by the City as “qualified tax-exempt obligations” for investment by financial institutions under Section 265(b) of the Code.]

The City does hereby pledge and bind itself to set aside from the Revenue Fund out of the Revenue of the System and to pay into the Revenue Bond Fund and the Reserve Account the various amounts required by the Ordinance to be paid into and maintained in such fund and account, all within the times provided by the Ordinance. To the extent more particularly provided by the Ordinance, the amounts so pledged to be paid from the Revenue Fund out of the Revenue of the System into the Revenue Bond Fund and the account therein shall be a lien and charge thereon equal in rank to the lien and charge upon said revenue of the amounts required to pay and secure the payment of any revenue bonds of the City hereafter issued on

a parity with the bonds of this issue and superior to all other liens and charges of any kind or nature except the Costs of Maintenance and Operation of the System.

The City has further bound itself to maintain the System in good repair, working order and condition, to operate the same in an efficient manner and at a reasonable cost, and to establish, maintain and collect rates and charges for as long as any of the bonds of this issue are outstanding that will make available, for the payment of the principal thereof and interest thereon as the same shall become due, Net Revenue will be at least equal to the Rate Covenant, as described in the Ordinance.

So long as the Bonds are in book-entry only form, the Registrar will notify DTC of a redemption, not less than 20 days and not more than 60 days prior to the date fixed for redemption, and will provide such information as required by the operational arrangements of DTC referenced in the Blanket Letter of Representations from the City to DTC.

During any period in which the Bonds are not in book-entry only form, unless waived by any Registered Owner of the Bonds to be redeemed, notice of any redemption of Bonds will be given by the Registrar on behalf of the City by mailing a copy of a redemption notice by first-class mail, postage prepaid, not less than 20 days nor more than 60 days prior to the date fixed for redemption, to the Registered Owners of each Bond to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owners to the Registrar.

Such requirements shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether or not it is actually received by the Registered Owner of any Bond to be redeemed. Interest on any Bond so called for redemption shall cease to accrue on the date fixed for redemption, and the Bonds shall not be deemed to be Outstanding as of such redemption date, provided funds for redemption are on deposit at the place of payment at that time. Any notice of redemption given may be rescinded by written notice from the City to the Registrar prior to the date specified for redemption. The Registrar shall give notice of such rescission as soon thereafter as practicable, and to the same Registered Owners, as notice of such redemption was given. Any notice of redemption that is so rescinded shall be of no effect, and the Bonds for which the notice of redemption has been rescinded shall remain Outstanding.

The City has reserved the right to purchase any or all of the Bonds on the open market at any time and at any price. To the extent the City purchases Term Bonds on the open market, the City may reduce, at its discretion, the amount of any mandatory sinking fund deposit or deposits by an aggregate principal amount equal to the principal amount of the Term Bonds so purchased. Any Bonds so purchased or redeemed shall be canceled.

The City and the Registrar may deem and treat the Registered Owner of this Bond as the absolute owner of this Bond for the purpose of receiving payments of principal and interest due on this Bond and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

This Bond is transferable or exchangeable by the Registered Owner hereof in person, or by its attorney duly authorized in writing, upon due completion of the Assignment appearing hereon and upon presentation and surrender of this Bond at the designated corporate trust office of the Registrar. Upon such transfer or exchange, a new Bond or Bonds of any authorized denomination, of the same maturity and interest rate, and for the same aggregate principal amount of the Bond being surrendered will be issued to the transferee or exchangee, in exchange therefor. The Registrar is not required to transfer or exchange any Bond during the 15 days preceding any principal or interest payment date.

Reference is hereby made to the Ordinance for the covenants and declarations of the City and other terms and conditions under which this Bond and the Bonds of this series have been issued. The covenants contained herein and in the Ordinance, as such may pertain to this Bond, may be discharged by making provision, at any time, for the payment of the principal of and interest on this Bond in the manner provided in the Ordinance.

Notwithstanding any other provision of this Bond to the contrary, so long as this Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of or premium, if any, and interest on this Bond shall be made in the manner provided in the Letter of Representations.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the Certificate of Authentication hereon is manually signed by the Registrar.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things essential to the validity of this Bond and the Bonds of this series do exist, have happened, been done and been performed and that every requirement of the Constitution and the laws of the State now in force and the ordinances and resolutions of the City, particularly the Ordinance, affecting the issue hereof has been duly complied with; and that the Net Revenue to be derived from the operation of the System, including any future improvements, additions or extensions thereto, have been pledged and will be set aside into the Revenue Bond Fund to be used for the payment of principal of and interest on this Bond in the order of priority provided in the Ordinance.

Section 4. *The Escrow Account.* The Refunding Trustee hereby agrees to establish, hold, invest and otherwise administer the Escrow Account in the manner provided by the Ordinance. In the furtherance of the foregoing, the Refunding Trustee will, on behalf of the City, use the Net Bond Proceeds and other money, if any, deposited with the Refunding Trustee to purchase Government Obligations in the amounts, of the type, bearing interest and maturing as set forth in the following schedule:

<u>Type of Obligation</u>	<u>Par Amount</u>	<u>Interest Rate</u>	<u>Delivery Date</u>	<u>Maturity Date</u>
			___/___/2025	

Section 5. *Receipt of Certain Money.* Execution of this Escrow Agreement by the Refunding Trustee shall constitute written acknowledgment by the Refunding Trustee of its receipt from the City of \$_____, \$_____ of which will be invested in Government Obligations, \$_____ of which will be held as an initial cash balance and the balance of \$_____ will be used to pay costs of issuance of the Bonds at the direction of the Designated Representative.

Section 6. *Sufficiency of Government Obligations.* Based on the escrow verification report of [VERIFICATION AGENT], the City represents that the Government Obligations and the maturing principal thereof and the interest thereon, if paid when due, together with a beginning cash balance of \$_____, will be sufficient to make the payments described in Section 7 hereof.

Section 7. *Payments on the Refunded Bonds.* The Refunding Trustee will transfer money from the Escrow Account to the Washington State Fiscal Agent in the amounts, and at the times, necessary to enable the Washington State Fiscal Agent to make the payments described in the following schedule:

<u>Payment Date</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
*	\$	\$	\$

* Redemption Date.

Section 8. *The Government Obligations.* The Refunding Trustee will purchase the Government Obligations described in Section 4 above, on behalf of the City, from the Bond proceeds and other money, if any, deposited with the Refunding Trustee on the date the Bonds are issued. The Refunding Trustee will use such Government Obligations, and the earnings thereon, for the sole purpose of making the transfers to the Washington State Fiscal Agent described in Section 7 hereof. The Refunding Trustee will not allow any Government Obligations to be liquidated prior to maturity without: (a) the City's written consent; (b) receiving a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such liquidation will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (c) receiving the written opinion of nationally recognized bond counsel that such redemption would not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 9. *Safekeeping of Money and Investments.* All Government Obligations, money and investment income deposited with or received by the Refunding Trustee pursuant to this Escrow Agreement shall be subject to the trust created by this Escrow Agreement, and the Refunding Trustee shall be liable for the safekeeping thereof. All money deposited with the Refunding Trustee or received by the Refunding Trustee as maturing principal or interest on the Government Obligations prior to the times the Refunding Trustee is required to make the payments described in Section 7 of this Escrow Agreement shall be held uninvested, in cash, by the Refunding Trustee.

Section 10. *Substitution of the Government Obligations.* The Refunding Trustee acknowledges the City's right to substitute Government Obligations for investments in the Escrow Account. The Refunding Trustee will cooperate with the City in making any such substitution, so long as prior to each such substitution, the City obtains: (1) a supplemental verification addressed to the City and the Refunding Trustee from a nationally recognized firm of independent certified public accountants or from a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit in the Escrow Account after such substitution will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds and that such substitute Government Obligations are noncallable; and (2) a written opinion addressed to the City from nationally

recognized bond counsel that such substitution will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 11. *Transfer of Surplus Money Prior to Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account prior to the payment in full of the Refunded Bonds if the City furnishes to the Refunding Trustee: (a) a supplemental verification addressed to the City and the Refunding Trustee of an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel, that the money and Government Obligations on deposit after such transfer will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds; and (b) an opinion addressed to the City and to the Refunding Trustee from nationally recognized bond counsel that such transfer will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes.

Section 12. *Transfer of Surplus Money After Full Redemption.* The Refunding Trustee will transfer to the City any money remaining on deposit in the Escrow Account after the payment, redemption and retirement in full of all of the Refunded Bonds.

Section 13. *Notices of [Defeasance and Redemption].* [The Refunding Trustee will cause notice of the defeasance of the Refunded Bonds to be given, substantially in the form set forth in Attachment I hereto, not later than [10] days after the Bonds are delivered to the Underwriter by the City. The notice of defeasance shall be given to the Municipal Securities Rulemaking Board.] [The Refunding Trustee will direct the Washington State Fiscal Agent to give notice, or cause notice to be given, at the expense of the City, of the redemption of the Refunded Bonds in the form and manner required by the 2014 Bond Ordinance. Such notice of redemption shall be substantially in the form set forth in Attachment II hereto, and shall be given not less than 20 nor more than 60 days prior to the redemption date.]

Section 14. *Limitation of Refunding Trustee's Duties.* The duties and obligations of the Refunding Trustee shall be prescribed by the provisions of this Escrow Agreement and the Ordinance, and the Refunding Trustee shall not be liable except for the performance of its duties and obligations as specifically set forth herein or therein and the duty to act in good faith in the performance thereof and no implied duties or obligations shall be incurred by such Refunding Trustee other than those specified herein and therein. Nothing contained herein shall require the Refunding Trustee to advance its own money or otherwise to incur any financial liability to carry out its obligations hereunder. The Refunding Trustee shall not be responsible or liable for: (a) the sufficiency, correctness, genuineness or validity of the Government Obligations; (b) the performance or compliance by any party other than the Refunding Trustee with the terms or conditions of any such instruments; or (c) any loss which may occur by reason of forgeries, false representations or the exercise of the Refunding Trustee's discretion in any particular manner, unless such exercise is negligent or constitutes willful misconduct.

Section 15. *Interpleader.* If any controversy arises between the City and any third person, the Refunding Trustee shall not be required to determine the same or to take any action in the premises, but it may institute, in its discretion, an interpleader or other proceedings in connection therewith as it may deem proper, and in following either course, it shall not be liable.

Section 16. *Reporting Requirements.* For as long as any of the Refunded Bonds are outstanding, the Refunding Trustee shall render a statement as of the last day of the month on a semi-annual basis commencing December 1, 2025, to the Chief Financial Officer setting forth: (a) the Government Obligations which have matured and the amounts received by the Refunding Trustee by reason of such maturity; (b) the amounts paid to the Washington State Fiscal Agent pursuant to Section 7 of this Escrow Agreement and the dates of such payments, for payments on the Refunded Bonds; and (c) any other transactions of the Refunding Trustee pertaining to its duties and obligations as set forth herein.

Section 17. *Compensation of the Refunding Trustee.* The Refunding Trustee hereby acknowledges payment for services rendered and to be rendered by it pursuant to the provisions of this Escrow Agreement of all fees, compensation and expenses of the Refunding Trustee. The Refunding Trustee hereby agrees that such compensation has been made to the satisfaction of the Refunding Trustee. Such amount does not take into consideration any extraordinary fees and expenses of the Refunding Trustee. The Refunding Trustee represents that it has incurred no extraordinary fees and expenses pertaining to this Escrow Agreement. The Refunding Trustee shall comply with the requirements of the following paragraph before incurring any extraordinary fees and costs to be billed to the City. The Refunding Trustee acknowledges that it is not entitled to a lien on any Government Obligations or other obligations or money of the City held by it pursuant to this Escrow Agreement or any other agreement.

The Refunding Trustee shall provide the City with a good faith estimate of its fees and costs if and when it is requested by the City to: (a) render any service that is not provided for in this Escrow Agreement; (b) amend this Escrow Agreement; or (c) substitute securities under this Escrow Agreement. The City will pay the Refunding Trustee reasonable compensation for such unanticipated services, provided the City is first provided with such estimate and approves thereof in writing.

Section 18. *Amendments to this Escrow Agreement.* The Refunding Trustee and the City recognize that the owners of the Refunded Bonds have a beneficial interest in the money and the Government Obligations to be held in trust by the Refunding Trustee pursuant to this Escrow Agreement. Therefore, this Escrow Agreement shall be subject to amendment only in writing executed by the City and the Refunding Trustee for the purposes of: (a) clarifying an ambiguity in the duties and obligations set forth hereunder; or (b) altering the reporting or other ministerial obligations of the Refunding Trustee to the City. The parties will not amend this Escrow Agreement in such a manner as to permit the Refunding Trustee to invest in or deposit in the Escrow Account any obligations other than noncallable, nonprepayable obligations of, or obligations unconditionally guaranteed by, the United States of America. Each amendment to this Escrow Agreement shall be accompanied by an opinion addressed to the City and to the Refunding Trustee from nationally recognized bond counsel that such amendment will not cause the interest on the Refunded Bonds or the Bonds to become includable in gross income for federal income tax purposes. In addition, if such amendment results in any change of the maturities, interest earnings or redemption features of the Government Obligations, then such amendment shall also be accompanied by a supplemental verification addressed to the City and to the Refunding Trustee from an independent firm of certified public accountants or a nationally recognized financial advisor, which shall be satisfactory to nationally recognized bond counsel,

that the money and Government Obligations on deposit after the amendment will be sufficient to effect the defeasance and/or refunding of the Refunded Bonds.

Section 19. *Notification of Deficiency.* The Refunding Trustee will give the City prompt notice if the Refunding Trustee shall determine there are or will be insufficient money or Government Obligations to make the payments specified in Section 7 of this Escrow Agreement, and the City shall promptly deposit with the Refunding Trustee additional sums of money required to correct such deficiencies. This Section 19 is not intended to create an obligation on the part of the Refunding Trustee to calculate or in any way verify the sufficiency or projected future sufficiency of the maturing principal of and interest on the Government Obligations and other money held by the Refunding Trustee pursuant to this Escrow Agreement to pay the debt service on the Refunding Bonds.

Section 20. *Successor Refunding Trustee.* The Refunding Trustee shall, upon receiving a written request from the City, or may, upon providing 30 days prior written notice to the City, be removed as Refunding Trustee hereunder; provided, the Refunding Trustee will not relinquish its duties hereunder until a qualified successor accepts its appointment. The City shall promptly appoint a successor Refunding Trustee upon the removal of the Refunding Trustee; *provided*, the Refunding Trustee may petition a court of competent jurisdiction for the appointment of a successor Refunding Trustee if the successor Refunding Trustee appointed by the City does not accept its appointment within 45 days after the giving of notice described in the preceding sentence. Any successor Refunding Trustee shall meet the requirements of RCW 39.53.070, as now in effect or hereafter amended, and shall assume all the obligations of the Refunding Trustee under this Escrow Agreement. All the Government Obligations and money then held by the Refunding Trustee pursuant to this Escrow Agreement shall thereafter be transferred to such successor.

Any corporation or association into which the Refunding Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, consolidation or reorganization to which the Refunding Trustee may be a party, or any corporation or association to which the Refunding Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Refunding Trustee without the execution or filing of any paper or any further act on the part of the City or the Refunding Trustee.

Section 21. *Receipt of Statements.* The Refunding Trustee hereby acknowledges receipt from the City of statements setting forth the interest payment schedules and maturity schedules of the Refunded Bonds by number, amount, date of maturity and interest rates, the amount of interest to be paid on each semiannual interest payment date of such bonds, if any, and the amount of the principal to be paid on the date that the Refunded Bonds are to be redeemed.

Section 22. *Holidays.* If the date for making any payment or the last date for performance of any act or the exercising of any right or duty, as provided in this Escrow Agreement, shall be a legal holiday, a day on which banking institutions in Seattle, Washington, and New York, New York, are authorized by law to remain closed, or a day on which the New York Stock Exchange is closed, such payment may be made, such act performed, or such right

exercised on the next succeeding day, with the same force and effect as if done on the nominal date provided in this Escrow Agreement.

Section 23. *Term.* The term of this Escrow Agreement shall commence on the date the Bonds are delivered to the Underwriter and shall expire on the later of: (a) the date the final payment is made pursuant to Section 7 hereof; (b) the date any surplus money remaining in the Escrow Account is transferred to the City pursuant to Section 12 hereof; and (c) the date the final statement required by Section 16 hereof is received by the City. Notwithstanding the expiration of this Escrow Agreement, the Refunding Trustee shall not be relieved of any liability for a breach of this Escrow Agreement occurring during the term hereof.

Section 24. *Writings Required.* Any notice, authorization, request or demand required or permitted to be given in accordance with the terms of this Escrow Agreement shall be in writing.

Section 25. *Governing Law.* This Escrow Agreement shall be governed by and construed in accordance with the laws of the State, without regard to conflict of law principles.

Section 26. *Severability.* In the event any one or more of the provisions contained in this Escrow Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Escrow Agreement, and this Escrow Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. If any portion of this Escrow Agreement is amended, severed or revoked, the City agrees to notify any rating agency with a current rating on the Bonds prior to such action.

Section 27. *Counterparts.* This Escrow Agreement may be executed in several counterparts, each of which shall be regarded as the original and all of which shall constitute one and the same Escrow Agreement.

0320 - ORDINANCE EXPANDING FAIR CHANCE HIRING PRACTICES

Agenda Wording

An ordinance titled "Ban The Address" and expanding fair chance hiring practices, and amending sections 9.02.010 through 9.02.050 and sections 9.03.010 and 9.03.020 of the Spokane Municipal Code.

Summary (Background)

This ordinance expands fair chance hiring practices, ensuring that qualified job applicants are not excluded from an applicant pool due to not having a brick-and-mortar address, or as a result of housing status. Houseless job applicants have confronted discrimination when they provide the address of a shelter or a PO box. Banning the address would discourage employers from inquiring about an applicant's address or residency history until after granting a provisional offer of employment.

What impacts would the proposal have on historically excluded communities?

This ordinance would add protections for historically excluded communities by ensuring they have unfettered access to job applications as it relates to housing status.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Not applicable

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

This ordinance will become a part of the Spokane Municipal Code if it is adopted. Data will be collected through reports from city citizens that employers are mandating they report housing status or address.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

In Spokane We All Belong. This ordinance provides an equal opportunity for all citizens of the City of Spokane to apply for a job.

ORDINANCE NO. C36666

An ordinance titled "Ban The Address" and expanding fair chance hiring practices and amending sections 9.02.010 through 9.02.050 and sections 9.03.010 and 9.03.020 of the Spokane Municipal Code.

WHEREAS, the City of Spokane knows the issue of homelessness is one of the most pressing and complex situations encountered by our society; and

WHEREAS, in developing public policy to address homelessness, emphasis should be given to attending to the basic needs of the unhoused while preserving the dignity of these individuals and their circumstances; and

WHEREAS, unhoused and homeless individuals represent a diverse range of ages, education and backgrounds, and vary in their unmet basic needs, talents and dreams, but all are possessed of inner and outer strengths that can be harnessed to improve their situation and benefit society as a whole; and

WHEREAS, respect for the dignity of human beings and equality before the law are principles which are fundamental and nonexpendable to guarantee the common good and healthy community living as people; and

WHEREAS, research consistently reveals that one of the primary cause of homelessness includes unemployment; and

WHEREAS, many people experiencing homelessness desire to have a job and are often disqualified because of their housing status, leading to the outcome that people experiencing homelessness are unemployed or underemployed at disproportionately high rates; and

WHEREAS people experiencing homelessness are typically at a disadvantage when applying for employment due to the stigma of being unhoused; and

WHEREAS, some questions on job applications often disqualify or deter job seekers that are houseless, and;

WHEREAS, there are local organizations in the City of Spokane that provide assistance by allowing people who are unhoused to use their address or P.O. box for the purpose of gaining employment; and

WHEREAS, the City of Spokane should reassert its commitment to the constitutional principle that all people are equal before the law and that there must be no employment discrimination whatsoever on the basis of protected status as recognized in state and federal law, and in the Spokane Municipal Code; and

WHEREAS, the City of Spokane wishes to remove unfair barriers to employment of homeless individuals and expand protections for people who are unhoused, and allow for a more expansive opportunity for gainful employment.

NOW THEREFORE, the City of Spokane does ordain:

Section 1. That section 9.02.010 of the Spokane Municipal Code is amended to read as follows:

Section 09.02.010 Findings

The City of Spokane finds that many qualified job applicants who have some kind of criminal record simply cannot obtain employment due to early screening or advertising which excludes them from the applicant pool. Many individuals who have criminal records could show themselves to be both highly qualified and well-suited for employment in an interview, yet many do not even reach that stage due to screening criteria which make those with criminal records immediately disqualified for work. People with criminal records who cannot find work are forced to rely on public assistance and may be more likely than those who can secure work to re-offend.

The City of Spokane further finds that some individuals experiencing homelessness have faced barriers in seeking employment that arise from their housing status. It is a priority that the City invest and commits to reducing the impacts of homelessness in the community and also consider that the greatest way out of homelessness is a job, dignity, and purpose. The city has determined that employment discrimination solely based on housing status cannot be allowed.

Section 2. That section 9.02.020 of the Spokane Municipal Code is amended to read as follows:

Section 09.02.020 Purpose

- A. The City of Spokane intends to ensure that people who have completed a sentence for a past criminal conviction are not forever branded as unworthy or unable to participate in the life of the community, a central part of which is the ability to compete for employment in Spokane.
- B. The City of Spokane intends to also ensure that housing status does not brand individuals as unworthy or unable to participate in the life of the community, a central part of which is the ability to compete for employment in Spokane.
- ~~((B))~~ C. The City intends to ensure that all employers have clear guidance on when they can inquire about criminal records of job applicants, in an effort to provide predictability, certainty, and fairness to both employers and job applicants.
- ~~((C))~~ D. The City intends to assure employers that they may still conduct criminal background checks necessary for their specific employment purposes, and to set certain minimum and non-intrusive standards for doing so.
- E. Nothing contained in this chapter is intended to be nor shall be construed to create or form the basis for any liability on the part of the City, or its officers, employees or agents for any injury or damage resulting from or by reason of any act or omission in connection with the implementation or enforcement of this chapter on the part of the City by its officers, employees or agents.

~~((E))~~ F. Nothing in this chapter shall constitute or be construed to create a private right of action under state law or form a basis for relief in the state courts. It is the intent of this chapter that all causes of action for violations of the chapter shall lie with the City of Spokane municipal court.

~~((F))~~ G. Nothing in this chapter shall be deemed to deny any person the right to institute any action or to pursue any civil or criminal remedy for the violation of such person's civil rights.

Section 3. That section 9.02.030 of the Spokane Municipal Code is amended to read as follows:

Section 09.02.030 Definitions

- A. "Arrest or Conviction Record" means any record or information about a citation or arrest for criminal conduct, including records relating to probable cause to arrest, and includes any record about a criminal or juvenile case filed with any court, whether or not such a case resulted in a finding of guilt, has been vacated, or overturned on appeal.
- B. "Employment" means any individual occupation, vocation, job, or work for pay, including temporary or seasonal work, and work through the services of a temporary or other employment agency.
- C. - D. "Homelessness" means not having a fixed or regular residence, including the state of being homeless or unhoused, living on the streets, in a shelter, or in a temporary residence.
- E. "Housing status" means the question whether a specific individual is experiencing homelessness.
- ~~((D))~~ F. "Otherwise qualified" means that the applicant meets the basic criteria for the position as set out in the advertisement or job description without taking into account housing status or the existence or absence of a criminal conviction or arrest record.

Section 4. That section 9.02.040 of the Spokane Municipal Code is amended to read as follows:

Section 09.02.040 Applicability

- A. This chapter does not apply:
 - 1. to any employer hiring an employee who will have unsupervised access to children under the age of eighteen, a vulnerable adult as defined in RCW 74.34.020(21), or a vulnerable person as defined in RCW 9.96A.060;

2. to employers who are expressly permitted or required under any federal or Washington state law to inquire into, consider, or rely on information about an applicant's arrest or conviction record for employment purposes;
3. to any General Authority Washington law enforcement agency as defined in RCW 10.93.020(1); or
4. where criminal background checks are specifically permitted or required under state or federal law.

B. Nothing in this chapter shall be construed to protect criminal conduct.

C. Nothing in this chapter shall be interpreted or applied as imposing an obligation on the part of an employer to provide accommodations or job modifications in order to facilitate the employment or continued employment of an applicant with an arrest or conviction record or who is facing pending criminal charges.

~~((C))~~ D. Nothing in this chapter prohibits an employer from declining to hire an applicant with a criminal record or from terminating the employment of an employee with a criminal record.

E. Nothing in this chapter shall be interpreted or applied as imposing an obligation on the part of an employer to provide accommodations or job modifications in order to facilitate the employment or continued employment of an individual experiencing homelessness.

F. Nothing in this chapter prohibits an employer from declining to hire an applicant experiencing homelessness or from terminating the employment of an employee experiencing homelessness, if the termination or refusal to hire an applicant is not solely based on housing status.

Section 5. That section 9.02.050 of the Spokane Municipal Code is amended to read as follows:

Section 09.02.050 Prohibition

A. No employer shall:

1. advertise applicable employment openings in a way that excludes people with arrest or conviction records from applying, such as using advertisements which state "no felons," "no criminal background," or which otherwise convey similar messages; provided, employers may advertise the requirement for a criminal history inquiry and/or background check during or after the interview process as long as such advertisement does not state that an arrest or conviction record will automatically preclude the applicant from consideration for employment;
2. include any question in an application for applicable employment, inquire orally or in writing, receive information through a criminal history background check, or otherwise obtain information about an applicant's arrest or conviction record prior to an in-person, telephonic, or video interview or received a conditional offer of employment;

3. use, distribute, or disseminate an applicant's or employee's arrest or conviction record except as required or otherwise allowed by law;
 4. disqualify an applicant from applicable employment prior to an in-person, telephonic, or video interview solely because of a prior arrest or conviction unless the conviction is related to significant duties of the job or disqualification is otherwise allowed by this chapter; or
 5. reject or disqualify an applicant for failure to disclose a criminal record prior to initially determining the applicant is otherwise qualified for the position; or
 6. require an applicant to provide an address or residence history until after granting a provisional offer of employment, nor shall an employer reject or disqualify an applicant solely because the individual does not have a fixed or regular residence, or because the individual is homeless or unhoused, or because the individual lives on the street, in a shelter, or in a temporary residence, unless the individual's housing status has a bona fide and legitimate relation to the primary duties of the job and such rejection or disqualification would also violate state or federal employment laws or regulations; or
 7. include any question in an application or inquire orally or in writing any question related to housing status; provided it shall not be a violation of this section for an employer to include an opportunity for an applicant to provide a mailing address or other means of contacting an applicant as part of the application process.
- B. Nothing in this chapter prohibits an employer from inquiring into or obtaining information about a job applicant's criminal conviction or arrest record or background, and considering the information received regarding such record during an in-person, telephonic, or video interview, or after the conclusion of such a job interview, or after a conditional offer of employment, and using such information in a hiring decision.

Section 6. That section 9.03.010 of the Spokane Municipal Code is amended to read as follows:

Section 09.03.010 Purpose and Intent

The City of Spokane intends to ensure that its hiring practices for City employment provide applicants who are experiencing homelessness or who have criminal arrest or conviction records an equal opportunity to obtain employment with the City. ~~((This chapter is intended to implement guidance first published by the Equal Employment Opportunity Commission ("EEOC") over two decades ago and last updated in 2012, to ensure that the City of Spokane fully complies with federal law.))~~

Section 7. That section 09.03.020 of the Spokane Municipal Code is amended to read as follows:

Section 09.03.020 Statement of Policy

A. No person may be disqualified from employment with the City due solely, or in part, to the existence of a prior criminal arrest or conviction, or prior felony conviction that occurred within the past ten (10) years, unless the crime for which the individual was convicted directly relates to the job position sought.

B. No person may be disqualified from employment with the City due solely, or in part, to their housing status unless it directly relates to the job position sought.

((B)) C. The City of Spokane's use of applicant criminal arrest and conviction information will be based solely on the relationship between the past felony conviction and the potential risk to the City and its employees, residents, customers, and contractors.

D. The City of Spokane will at all times comply with any federal or state law or regulation pertaining to background checks.

Section 8. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word of this ordinance.

Section 9. Clerical Errors. Upon approval by the city attorney, the city clerk is authorized to make necessary corrections to this ordinance, including scrivener's errors or clerical mistakes; references to other local, state, or federal laws, rules, or regulations; or numbering or referencing of ordinances or their sections and subsections.

Ordinance C36667

An Ordinance relating to protection of LGBTQIA2S+ Communities in Spokane, amending Sections 18.01.020 and 18.01.030, 18.02.030 of Title 18 of the Spokane Municipal Code; creating a new section 03.07.340 in Chapter 03.07 of the Spokane Municipal Code; and establishing an effective date.

WHEREAS, the City of Spokane is committed to fostering a community where all individuals are treated with dignity, equity, and respect, regardless of sexual orientation, gender identity, or gender expression; and

WHEREAS, LGBTQIA2S+ individuals face ongoing discrimination, violence, and systemic barriers that threaten their safety, well-being, and human rights; and

WHEREAS, transgender and gender expansive people in particular have been vilified in political advertisements; and, across the country, there continues to be legislation enacted that targets LGBTQIA2S+ communities, threatening access to healthcare, education, and basic protections under the law; and

WHEREAS, as of August 2024, 39.4% of trans youth aged 13-17, amounting to 118,300 individuals, are living in the 26 states that have passed bans on gender-affirming care; and

WHEREAS, by preventing doctors from providing this care or threatening to take children away from parents who support their child in their transition, these bills prevent transgender, non-binary, and gender-expansive youth from accessing medically necessary, safe health care backed by decades of research and supported by every major medical association, which collectively represent over 1.3 million US doctors; and

WHEREAS, the City of Spokane recognizes the inherent worth and equal rights of all people, including LGBTQIA2S+ individuals, and seeks to provide a safe and welcoming environment for those who reside in or visit our city; and

WHEREAS, Spokane Municipal Code Title 18 and state law currently offer protections for the LGBTQIA2S+ community against discrimination, including protections against discrimination based on gender identity and sexual orientation, and Spokane has continuously committed to protecting and advocating for the rights of LGBTQIA2S+ individuals by rejecting policies and actions that promote discrimination, harm, or inequality; and

WHEREAS, it is necessary to further revise Spokane Municipal Code to recognize the inherent risk to the LGBTQIA2S+ community in Spokane both from federal policies and from interjurisdictional legal processes emanating from states that do not recognize

LGBTQIA2S+ rights or which are working to deny such individuals access to essential medical care, including gender-affirming care;

NOW, THEREFORE, the City of Spokane does ordain as follows:

Section 1. That section 18.01.020 of Chapter 18.01 of the Spokane Municipal Code is amended as follows:

SMC 18.01.020 Purpose and Intent

- A. The City values the dignity and worth of all human beings and is committed to promoting justice, equity and an inclusive environment for all by respecting cultural and individual diversity and fostering mutual understanding among all people regardless of race, religion, creed, color, sex, national origin, marital status, familial status, domestic violence victim status, age, sexual orientation, gender identity, honorably discharged veteran or military status, refugee status, the presence of any sensory, mental or physical disability as defined by the Americans with Disabilities Act and/or the Washington State Law Against Discrimination, or the receipt of, or eligibility for the receipt of, funds from any housing choice or other subsidy program or alternative source of income. The City of Spokane expands its welcoming city commitment to include LGBTQIA2S+ people; affirming its commitment to ensuring that all individuals, regardless of the federal government's targeted oppression of LGBTQIA2S+ people, feel safe and supported.
- B. It is the intent of the City that all people have an equal opportunity to participate fully in the life of the City and that discriminatory barriers to equal participation in employment, housing, and public accommodations be removed. The City has a compelling interest in eradicating and preventing such discrimination and in ensuring equal opportunity in employment, housing, and public accommodations. This Title 18 represents the least restrictive means of achieving the City's objectives.
- C. The City of Spokane strongly believes in and affirms the right of individuals to seek, obtain, provide, or facilitate gender-affirming care that is legal in Washington State or in other states where it would be legal had it occurred in Washington State.
- D. To further combat discrimination in the Spokane community, it is necessary to direct that the City shall conduct regular reviews of its policies, practices, and public services to ensure they are inclusive, equitable, and affirming for LGBTQIA2S+ individuals.
- ((C)) E. The provisions of this Title 18 are to be broadly and liberally construed to effectuate this Title's remedial purpose and the City's legislative intent.

((D)) F. These sections are not intended to establish or require affirmative action or quotas of any kind, or to infringe upon the authority vested in the civil service commission and City departments pursuant to the City Charter.

((E)) G. It is the intent of this chapter that all causes of action for violations of the chapter shall lie with the City of Spokane's Hearing Examiner, Municipal Court, or Superior Court, as specified in this Title 18.

((G)) I. Nothing in this Title 18 shall be deemed to deny any person the right to institute any action or to pursue any civil or criminal remedy for the violation of such person's civil rights. Nothing in this Title 18 shall limit or expand any cause of action available to any person under federal or state law.

 - 1. is medically cognizable or diagnosable; or

0320 COST RECOVERY ORDINANCE

Agenda Wording

An Ordinance relating to regular adjustments of fees, charges and other assessments collected by the City of Spokane to ensure they reflect the actual cost of service delivery; and amending Section 04.02.010 of the Spokane Municipal Code.

Summary (Background)

This Ordinance seeks to consistently achieve cost recovery. This ordinance will require an assessment of fees, charges, and other assessments at a minimum frequency of every two years. The fee increase will be based on the consumer price index except as provided by RCW.

What impacts would the proposal have on historically excluded communities?

It will ease the sticker shock of inflation by gradually stepping up fees rather than having huge fees increased infrequently. It will provide an opportunity to decrease fees if the service becomes less expensive to the City.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Routine updates to our fees help to ensure that customers/residents/ratepayers receiving a specific service cover the cost of that service. This approach protects low-income residents and ratepayers by making sure that their dollars are spent appropriately on the services they expect rather than on individual benefits to others.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

After a departmental review, each department will report the status and outcome to the Mayor and the City Council to show that the City is recovering the actual cost of delivering services.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

It is the policy of the City to promptly identify and collect all moneys due to it as a result of services rendered.

ORDINANCE NO. C36670

An Ordinance relating to regular adjustments of fees, charges and other assessments collected by the City of Spokane to ensure they reflect the actual cost of service delivery; and amending Section 04.02.010 of the Spokane Municipal Code.

WHEREAS, the City lawfully assesses certain fees, charges and other assessments for services rendered, such as processing applications, reviewing documents and issuing permits, and delivering essential services; and

WHEREAS, because many fee schedules fail to keep pace with the actual cost of delivery of services due to the significant time, resources and expenses associated with evaluating whether fees, charges and other assessments suffice to cover costs; and

WHEREAS, the City Council wishes to encourage regular evaluation of available technologies and software that would allow for reduction or other adjustments of City fees, charges, and assessments; and

WHEREAS, the City Council wishes to establish a policy that would ensure regular review of fees, charges and other assessments to ensure they both reflect the actual cost of services rendered , coupled with efforts to reduce the costs of collection;

NOW, THEREFORE, the City of Spokane does hereby ordain as follows:

Section 1. That Article I, Section 04.02.010 of the Spokane Municipal Code is amended as follows:

Article I. In General

Section 04.02.010 Policy to Collect Accounts

- A. It is the policy of the City to promptly identify and collect all duly payable moneys related to services rendered, damage to City property, or any other source.
- B. It is the policy of the City to regularly review and, as necessary, adjust schedules for fees, charges, and other assessments to ensure the City recovers at least the actual cost of delivering said services. Accordingly, during the even year of each biennium, all city departments shall review as appropriate their schedules for fees, charges, and other assessments to ensure there is adequate cost recovery for the services rendered and shall then report the status and outcome of such review to

the Mayor and City Council. The biennial review and adjustment shall be governed by the following specific criteria:

1. Except as otherwise provided in this section, fees, charges and assessments shall be adjusted by reference to the Consumer Price Index published by the United States Bureau of Labor Statistics, (All City Average (CPI-U and CPI-W)) or such other applicable index or formula appropriate for the service rendered.
2. General facilities charges shall be updated and maintained pursuant to Chapters 13.03 and 13.04 of the Spokane Municipal Code.
3. Transportation impact fees shall be updated and maintained pursuant to Chapter 17D.075 of the Spokane Municipal Code.
4. This section shall not apply to criminal and civil penalties fees, which shall be adjusted consistent with state law and any penalty schedule established separately under the Spokane Municipal Code.
5. In reviewing fees, charges, and other assessments each biennium, each City department shall systematically and resolutely pursue opportunities to maximize operational efficiency, eliminate waste, streamline processes, and minimize administrative costs to ensure the lowest possible financial burden on payers. This includes exploring innovative solutions that enhance effectiveness and reduce expenses. In conjunction with the Information Technology Division, departments shall also evaluate and implement apt software and platforms that automate workflows, improve accuracy, and reduce the costs associated with calculating and billing fees, charges, and other assessments.
6. Nothing in this section shall be construed to prohibit review and adjustment of fees more frequently than every biennium.

Section 2. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word of this ordinance.

Section 3. Clerical Errors. Upon approval by the city attorney, the city clerk is authorized to make necessary corrections to this ordinance, including scrivener's

errors or clerical mistakes; references to other local, state, or federal laws, rules, or regulations; or numbering or referencing of ordinances or their sections and subsections.

0320 - ORDINANCE AMENDING "SIT AND LIE" PROVISIONS

Agenda Wording

An ordinance relating to the prohibition of sitting and laying on public sidewalks, and amending Section 10.60.020 of the Spokane Municipal Code.

Summary (Background)

Current Spokane Municipal Code 10.60.020 limits the geographic scope of certain "sit and lie" prohibitions to the downtown core, in part because of past legal limitations on enforcement. This ordinance amends SMC 10.60.020 so that all of its provisions apply city-wide, there are no legal limitations on hours of enforcement, and there is no longer a shelter bed availability requirement.

What impacts would the proposal have on historically excluded communities?

Illegal sit and lie activities, while primarily a problem in the downtown core, affect citizens and businesses throughout the city, in all neighborhoods and business districts. Enacting this ordinance ensures that all neighborhoods, including those in historically excluded communities, benefit from the same protective ordinance that now only benefits the downtown core.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

Unclear at this time, but some data should be available as part of the regular reporting of code enforcement activities.

How will data be collected regarding the effectiveness of this program, policy, or product to ensure it is the right solution?

Unclear at this time, but some data should be available as part of the regular reporting of code enforcement activities.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This ordinance is consistent with SMC 12.02.1010, adopted by the voters of Spokane as Proposition 1 in 2023, and which expanded the scope of anti-camping provisions throughout the City.

ORDINANCE NO. C36674

An ordinance relating to the prohibition of sitting and laying on public sidewalks, and amending Section 10.60.020 of the Spokane Municipal Code.

WHEREAS, the safety and well-being of Spokane citizens, as well as the viability of local businesses, are threatened by the continued unlawful occupation and use of public sidewalks and adjacent building entrances and parking areas; and

WHEREAS, the Spokane Municipal Code section 10.60.020, the so-called “sit-and-lie” ordinance, regulates the unlawful occupation of sidewalks and pedestrian avenues, all to promote the safe and responsible use of public spaces; and

WHEREAS, Spokane voters overwhelmingly approved Proposition 1 in 2023, demonstrating broad public support for the expansion and enforcement of local laws prohibiting unauthorized camping and sit-and-lie violations; and

WHEREAS, on June 26, 2024, the Supreme Court of the United States issued its ruling in *City of Grants Pass v. Johnson*, holding that local government ordinances with civil and criminal penalties for camping on public land do not constitute cruel and unusual punishment; and

WHEREAS, the effect of the *Grants Pass* holding is to remove the legal impediment to full and effective enforcement of SMC 10.60.020, the sit-and-lie ordinance, and to create a much clearer legal framework for enforcing anti-camping and sit-and-lie ordinances, potentially allowing municipalities greater authority in managing public spaces; and

WHEREAS, the *Grants Pass* decision also removes any legal impediment to expansion of the existing sit-and-lie ordinance to all public spaces within the City limits;

NOW THEREFORE, the City of Spokane does ordain:

Section 1. That Section 10.060.020 of Spokane Municipal Code is amended to read as follows:

Section 10.60.020 Sitting, Lying on Sidewalk ~~((in a Designated Zone))~~ Within City Limits

A. Prohibition. Within city limits, it shall at all times be unlawful for any person to:

1. ~~((No person may sit))~~ Sit or lie down upon a public sidewalk, or upon a blanket, chair, stool, or any other object placed upon a public sidewalk ~~((, during the hours between six a.m. and midnight in the zone designated in this section))~~.
2. ~~((At all times it is unlawful to sit))~~ Sit or lie on any drinking fountain, trash container, planter, bicycle rack, or any other sidewalk fixture not designed primarily for the purpose of sitting.

3. ~~((At all times it is unlawful to sit))~~ Sit or lie in any entrance to or exit from any building or parking lot, or on any loading dock.

B. Exceptions.

The prohibition in subsection (A) of this section does not apply to any person:

1. sitting or lying down due to a medical emergency or due to a sensory, mental, or physical disability;
2. who, as the result of a sensory, mental, or physical disability, utilizes a wheelchair, walker, or similar device to move about the public sidewalk;
3. operating or patronizing a business with permission to occupy the sidewalk;
4. participating in or attending a parade, festival, performance, rally, demonstration, meeting, or similar event conducted on the public sidewalk pursuant to a special event or other applicable permit;
5. sitting on a chair or bench supplied by a public agency or by the abutting private property owner pursuant to the appropriate permit or license; or
6. sitting within a bus stop zone while waiting for public or private transportation;
7. sitting on privately-owned sidewalk fixture with the permission of the owner;
8. engaging in constitutionally protected expressive activities which would otherwise be restricted by the limitations in subsection (A) of this section.

~~((9. who is homeless during a time frame when shelter space is unavailable.))~~

- C. No person shall be subject to enforcement under this section unless the person engages in conduct prohibited by this section ~~((within the entirety of the zone designated in this section))~~ after having been notified by a law enforcement officer that the conduct violates this section and has been given a reasonable amount of time to comply or has refused to comply. If the individual fails to comply in a reasonable time or engages in prohibited conduct in another location within the ~~((designated zone))~~ city limits, a law enforcement officer may then enforce this section.

~~((D. The zone where such conduct is prohibited is established in the map set forth in [Attachment A](#) (PDF 1.2MB).))~~
