Stakeholders

A Continuum of Care Stakeholder is any individual or organization with an interest in understanding and addressing the issues related to homelessness and a desire to participate in some way in the Plan to End Homelessness.

The Continuum of Care is open to individuals and organizations and shall be broadly based with representatives from nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, colleges and universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and persons with lived homeless experience.
