Safety inspections will be limited to visual inspection and will not include testing of life safety systems, review of limited access spaces, verification of the condition of life safety systems, or inspection of concealed work.

COMMENTS: _____

Safety Inspection	\$ 105.00	
Food Truck Inspection	\$ 105.00	

No inspection will be conducted until payment is received in full

We accept cash, check (payable to City of Spokane), or credit card payments (Visa/Master/Card). For your security, we will only accept credit card payments in person at this office, 44 W. Riverside Ave., or through our online permit system aca.spokanecity.org.

Additional Fees

If the safety inspection requires more than one hour of time from Fire Prevention personnel, the additional time will be billed at an hourly rate of \$105.00. The complexity of the Safety Inspection will determine the number of hours required.

Additional hours will be billed following the completion of the safety inspection.
