What's New?

Any of you that may have used our online booking site to reserve times may have noticed our new interface that we began using this year. In case you have not found it, following are brief instructions regarding the methodology regarding the search options available within the system.

SEARCH COURSES AND TEE TIMES

The screenshot displays a web browser window with the URL <https://secure.west.prophetservices.com/SpokaneV3/Home/Index/CoursesId=3,4,1,2&Date=2017-4-12&Time=AnyTime&Player=4&Hole=18>. The page shows a calendar for the week of April 12 to 18. The current date, Wednesday, April 12, is highlighted in green. Below the calendar, there is a grid of tee time slots. Each slot is a blue box containing the time, price (\$33.00), course name, and player count (2 to 4 Players). The slots are arranged in a grid with 4 columns and 4 rows. A green arrow points to a magnifying glass icon in the top right corner of the page.
