BUILD A BETTER WORLD SUMMER READING

Summer reading was tracked online for the second year in a row. We had a wide variety of summer reading program offerings to engage all interests with our Solar Eclipse programming resulting in record-setting program attendance.

7,738

people signed up for summer reading

3,686

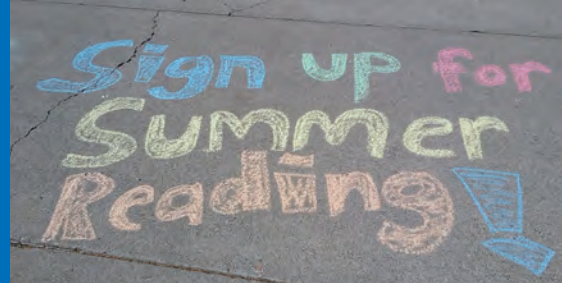

people read for at least 15 hours

1,868,573

minutes read

23,000+

attendees at summer programs
