Basic Needs

Our Mission Statement.

The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

Building community, one meal at a time

Through our network of partners and programs, we make sure good food reaches kitchen tables across the region. But we don't stop there - we create spaces where food brings people together, builds skills, and strengthens our community.

Education/Employment

Veterans, you served our country. Now let us serve you. Our colleges offer small class sizes, flexible hours, veterans services and real-world education and training so you can hit the ground running.

We understand that veterans and their families have unique needs and responsibilities. That's why [every college has a veterans resource center](#) to help veterans navigate the college process and use their veterans benefits. You may be able to receive college credit for military training, coursework and occupational specialty.

Helmets to Hardhats' (H2H) mission is to help transition our military heroes into successful civilian careers in the building trades.
