

# Traffic Calming Workshops

For the 2015 Traffic Calming Application cycle Office of Neighborhood Services is offering workshops on Traffic Calming for each City Council District. The workshops will provide a one on one opportunity for neighborhoods to speak with an engineer and to go over example project applications.

Bring your ideas, or just come to learn what traffic calming is and what opportunities your neighborhood has for these projects. For more information on the Traffic Calming Program, please visit our website at [www.spokaneneighborhoods.org](http://www.spokaneneighborhoods.org).
