

Spokane Park Board Tree Committee and Urban Forestry Citizen Advisory Committee Summary of Roles and Responsibilities

From the provisions of the Spokane Municipal Code

SMC 04.28 Urban Forestry

(Attached on the following two pages for reference.)

The Urban Forestry Citizen Advisory Committee (UF-CAC)

The Urban Forestry Citizen Advisory Committee is composed of representatives from local and area agencies, organizations, and tree related industries. The committee advises and makes recommendations to the Park Board's Urban Forestry Tree Committee on park department plans and policies on matters relating to urban forestry, community values, arboriculture, and horticulture.

The committee is composed of twelve members, two of which are appointed by the Community Assembly.

The Park Board Tree Committee and the Urban Forestry Citizen Advisory Committee

The overall responsibilities of the Park Board Tree Committee and the Citizen Advisory Committee are to advise and make recommendations to the park board and city council regarding managing, conserving and enhancing the trees and shrubs located in the street right-of-way and in the parks and public areas of the City, and assisting property owners and public agencies.

(See **SMC 04.26.010** Urban Forestry Tree Committee – Establishment, below)

These two committees together:

- Develop, renew and update the vegetation management plan and the arboricultural manual and submits them to the park board and city council for approval and adoption.
- Recommend legislation regarding the urban forest.
- Develop a program for identifying and maintaining trees in the City which have significant historical, cultural, environmental or public significance and makes recommendations to the park board and city council on adopting such a program, currently called the Heritage Tree Program.
- Provide information regarding the selection, planting and maintenance of trees on public and private property with a Tree Stewardship Guide.
