

**Community Assembly of Spokane Neighborhood Councils
Pedestrian, Transportation and Traffic Committee (PeTT)
Policies and Procedures (August 2025)**

A. Committee Charge:

Support the Community Assembly and neighborhood councils in promoting active, livable neighborhoods with multi-functional streets and a balanced transportation system.

B. Committee Function:

The committee receives the concerns and issues of the neighborhood councils related to streets, traffic safety, active living and transportation issues in general, and works with the Community Assembly, city staff and city council to evolve solutions and make recommendations.

C. Focus Areas:

The committee from time to time may identify, or the Community Assembly may suggest, topics of specific interest for the committee's continuing attention. The committee's focus area topics will be reviewed and restated by the committee in January of each year and may be reduced to four or fewer.

D. Participation and Attendance:

Committee participation is open to any and all individual members of neighborhood councils in good standing with the Community Assembly. The names of individuals attending committee meetings will be recorded according to their neighborhood council and as either self-identified neighborhood council representative, neighborhood council alternate representative, or other.

E. Meetings and Notice:

The committee will establish a monthly meeting schedule to minimize conflicts with neighborhood council monthly meetings. Notice of monthly committee meetings and meeting agendas will be distributed to an email list with the assistance of Neighborhood Services no later than the day prior to the monthly meeting date, or any day of the prior week if possible. Committee meetings may not convene without there being present neighborhood council representatives or alternates of three different neighborhood councils that maintain membership in the Community Assembly.

F. Quorum and Decisions:

A quorum for the purpose of reaching a decision is six (6) neighborhood council representatives or alternates of neighborhood councils that have been represented at three (3) of the past six (6) regular committee meetings. For matters requiring a decision at a meeting convened with notice and a quorum being present, the committee will make its determination by the consensus of members or by agreement without objection. Voting by means of e-mail is not available.

G. Officers and Terms:

The committee will operate with a chair and secretary or, in the absence of a secretary, with a chair who agrees to prepare agendas, provide meeting notices and submit a meeting report to the Community Assembly after every committee meeting. The committee does not operate unless one member agrees to the duties of committee chair. The chair and secretary responsibilities are calendar year commitments, ordinarily agreed to toward the end of the calendar year for the succeeding twelve-month period.

H. Email Notices and Email Lists

Neighborhood Services will maintain an email notice list for the committee separate from the general Community Assembly notice list which is composed of the email addresses of individuals who have expressed an ongoing interest in the work of the committee. No regular maintenance to this list is required.
