Ground Rules for Meetings

The ground rules for the workgroup meetings are simple, and designed to help the process forward in a considerate, productive manner:

- 1. Treat each other, the organizations represented on the stakeholder members, and the workgroup itself with respect and consideration at all times – put any personal differences aside.
- 2. Work as team players and share all relevant information. Express fundamental interests rather than fixed positions. Be honest, and tactful. Avoid surprises. Encourage candid, frank discussions.
- 3. Ask if you do not understand.
- 4. Openly express any disagreement or concern you have with all stakeholder members.
- 5. Offer mutually beneficial solutions. Actively strive to see the other's point of view.
- 6. Share information discussed in the meetings with only the organizations/constituents that you may represent, and relay to the stakeholder group the opinions of these constituents as appropriate.

Ground Rules for Meetings Cont.

- 7. Speak one at a time in meetings, as recognized by the facilitator.
- 8. Acknowledge that everyone will participate, and no one will dominate.
- 9. Agree that it is okay to disagree and disagree without being disagreeable.
- 10. Support and actively engage in the workgroup decision process.
- 11. Do your homework! Read and review materials provided; be familiar with discussion topics.
- 12. Stick to the topics on the meeting agenda; be concise and not repetitive.
- 13. Make every attempt to attend all meetings. In the event that a primary workgroup member is unable to attend, that member is responsible for notifying Office of Neighborhood Services about alternative arrangements.

Select a Voting Model

- **Consensus** – the stakeholders work toward consensus on issues. A unified recommendation, though there may be more than one recommendation may be proposed.
- **Voting** – one vote for each stakeholder (5 tenants, 5 neighborhoods, 5 landlords) Chair will be a non-voting member. With this model a majority of votes at a meeting moves the action item forward. There may be majority and minority recommendations with this model.
