Office of Neighborhood Services

CLEAN-UP COORDINATOR OVERVIEW

Clean-up Coordinators serves as the main contact for clean-up related events for their neighborhood council. Neighborhood clean-ups can manifest as disposal pass information sharing, small, volunteer-led park clean-ups, a neighborhood drive through waste removal event, or an additional trash collection day for neighborhood residents. Clean-up Coordinators are directly supported by the Office of Neighborhood Services (ONS) Clean-up Coordinator staff contact.

Support includes a once-a-year Clean-up Coordinator training, on-going question and answer communication, offered suggestions, event planning support, etc.

The time commitment for a Clean-up Coordinators differs by neighborhood council, but generally the commitment can be summarized into 20 hours/ year.

- 1.5 hours – Clean Up Coordinator Training
- 8 hours for event planning
- 10 hours for answering neighbor questions via phone/ email
- 0.5 hours sharing pre-event details and post-event details at neighborhood council meetings
