

2024 COMMUNITY ENGAGEMENT GRANT PERFORMANCE METRICS

METRICS DUE: JUNE 16, 2025

The Community Engagement grant provides neighborhoods the opportunities to increase awareness and participation in the City's Neighborhood Council program. Performance measures are a critical part to the Community Engagement Grant (CE Grant) because they allow the City and Neighborhood Councils to gauge how effective their efforts to increase neighborhood council participation has been during this funding cycle. Please complete this form in full and return/email to Gabby Ryan (gryan@spokanecity.org) in the Office of Neighborhood Services (ONS) by Friday, June 16, 2025. This form must be submitted with your 2025 CE Grant application.

Please review the application you submitted for the 2024 CE Grant (ask Gabby for a copy if you do not have it available for reference). As part of the CE Grant program, funds are used distributed with the intention of increasing awareness and participation within your neighborhood council. These questions will ask you to explain how your CE Grant funds accomplished that.

1. What did you use your 2024 CE Grant funds for? Block party, Zoom license, movie night, marketing materials, banners, etc? Please list all things.

2. Based upon what you spent your funds on, please answer this question related to each applicable item.

- A. If you spent CE Grant funds on an event (block party, tabling at an event/fair, concert, get-together, movie night, community gathering, etc.), how did the CE Grant funds help raise awareness or participation in your neighborhood council at the event?

B. If you spent your CE Grant funds on marketing materials (banners, signs, a-frames, brochures, fliers, mailing, logos, stickers, paper handouts, etc.), how did the CE Grant funds help raise awareness or participation in your neighborhood council through those materials?

C. If you spent your CE Grant funds on a Zoom license, how did the CE Grant funds help raise awareness or participation in your neighborhood council through virtual meeting format?
