# WHAT WE

## DO

**The Office of Neighborhood Services (ONS)** assists Spokane's 29 neighborhoods with a variety of programs. The goal of these programs is to **engage people in local government, build stronger communities, and improve quality of life for citizens.** ONS programs address traffic safety, neighborhood infrastructure needs, economic needs, and environmental issues, among other areas.

Each Neighborhood Council serves as an independent organization to promote community-based efforts for neighborhood improvement.

# WHY JOIN

**Meet your neighbors and work together to help craft solutions** to shared issues and concerns that directly **affect your community.**

# WHO CAN JOIN

Any **resident, business owner, employee, or property owner** within a Neighborhood Council area can join a Neighborhood Council.
