# Community Dialogue: Race & Policing

**Officer Contacts with Civilians and Race in the City of Spokane: A Quantitative Analysis**

**Presenter: Edward Byrnes, Ph.D.**

**Associate Professor, Eastern Washington University**

**Hosted by: The Office of Police Ombudsman Commission**

**April 21st, 5:30-7:00pm**

**Moot Courtroom Gonzaga Law School**

The Office of Police Ombudsman Commission offers the opportunity for the Spokane Community to engage in a thought-provoking dialogue with Dr. Ed Byrnes about his recently-released report on Race & Policing and the implications of the ongoing data collection and report findings for citizen review of policing in Spokane. The Office of Police Ombudsman Commission and Dr. Byrnes seek to stimulate dialogue about the experiences people from diverse demographics have with the Spokane Police Department. Please join us for a presentation by Dr. Byrnes, comments by the Commissioners, and an open forum for public discussion.
