Hi Mike –

I haven't heard from you in the last week. I just wanted to follow up to see if we could get you on the schedule for an upcoming meeting. We are getting a lot of questions and don't know how to respond to them. It would be great if you all could give an update so that we can educate the public about what is going on at the jail.

Best,
Zack

Hi Mike –

I just wanted to follow up to see what day we could get scheduled. Our committees are every Monday at 12pm or briefing Mondays at 3:30pm. We could also do a special study session on a Thursday at 11am.

Let me know what day in the next couple of weeks that works.

Thanks,
Zack

Hi Mike -

Chief Hall told me that he spoke with you today and you said you were planning on coming to our committee on Monday. I just wanted to confirm. We can have you go first on the agenda.

Hi Mike and Don -

We are getting a lot of constituent feedback about a number of available beds at the jail. I think it would be helpful for council members and the public to understand what is going on since there is a lot of different stories being spread.

Would you be able to attend our next Public Safety Committee meeting next Monday Sept 8 at 10:30am? If you can't make that, we have our regular council committee meetings on Monday at noon and briefings Monday at 3:30pm. I'm sure we could fit you in the schedule when you are available.

Best,
Zack
