What language needs to be included regarding "independent investigatory authority" ?	Consistent with new Article 16 of the City Charter, "independent investigatory authority" for the OPO means the authority necessary for the OPO to fulfill its duties under Section 129, which includes the requirement to "provide visible, professional, independent civilian oversight of police officers." "To conduct independent investigations of complaints and issue and publish closing reports in response to complaints filed with the OPO. The OPO may conduct an independent investigation of any complaint filed with the OPO at any time, regardless of IA action on the complaint. The OPO may interview the complainant and any witnesses. In addition to the access to SPD officers granted under the existing ordinance, the OPO may request voluntary interviews with SPD officers at any time and disclose both the request and the response to the request by the SPD and/or the officers to whom the request is made."	At a minimum must have a outlet with independent investigatory authority if the Internal Affairs Process gets stuck	Ensure the OPO investigative authority matches exactly what is defined and outlined in Ordinance C-34941, as that is specifically what the citizens voted for in Prop 1.	Wants public input -Agrees with Salvatori's points. session was okay. Does not support spelling out non-disciplinary topics in the TA.	At a minimum must have a outlet with independent investigatory authority if the Internal Affairs Process gets stuck	Wants public input - but seemed like the language included in Monday session was okay. Include this language in the TA	Wants public input - but seemed like the language included in Monday session was okay. Include this language in the TA
What flexibility exists, if any, with regards to appointments to the Police Ombudsman Commission?	: It must be the chair of the Commission to avoid the Guild even appearing to control the Ombudsman selection process.	Silent	Silent	should have 5th member from the chair of the commission as per charter. I am open to the chair tie-breaker concept.	Comfortable with Guild getting an appointed spot on the commission from a person no longer in active police service.		Open to some compromise. Neither Guild/Captains or Mayor/Council can block a nomination. 5th seat needs to be chair od OPO Commission. Can accept the suggestion that the Chair of the OPO Commission only gets to vote if there is a tie.
Is it critical that the 5th seat on the Ombudsman selection committee be the chair of the Police Ombudsman Commission, or is acceptable to allow the first 4 to select the 5th?		Silent	Silent	open to having two union reps on the commission only if they are ex-officio. My compromise: they could be allowed to vote for commission chair, but nothing else.	Silent	Not sure she can support "voting"representative from the Guild & LT's/Capt's on the Commission.	
What are the financial parameters? (total cost compensation, COLA, medical)	Will increase compenstation	Will increase compensation if outside annual wages	Drop the retroactive pay increase for 2012 & 2013. The police have already received their pay raise by default as awarded by the previous administration.	Percentages should lowered to 1% for 12 and 13. If necessary cut the 4th year and re-open in 15.	Comfortable with financial terms	Still on board with financial terms but nothing more.	I do not object to the financial terms. They are generous, but I am willing to vote for them as part of a comprehensive agreement including civilian oversight and body cameras.
