Council President Stuckart acknowledged Rob Crow is a City staff member; and there were no objections voiced on Mr. Crow's appointment to the ALTCEW Board.)

OPEN FORUM

Max Nelsen stated he is the labor policy analyst for the Freedom Foundation in Olympia. He remarked on overregulation of businesses and argued that the creation of additional regulation is something that should be very carefully and cautiously considered. He argued that the existing research indicates that mandatory sick leave laws are ineffective at decreasing work place illness.

Penny Lancaster advocated that less government regulation is better government and she encouraged the City Council to drop the idea of forcing businesses to provide paid time off each year for personal employee or family illness.

Tim Benn commented on paid sick leave and feels that we should look further in the community on this issue before the City Council passes it. He suggested the Council reconsider the matter.

Rick Bocoook commented on chalk art being washed from sidewalks yet the stains on the sidewalks are not.

John Ahern commented on paid sick leave and feels it is a nail in the coffin of the business community. He stated that Spokane is getting a reputation of being a very business unfriendly city because of the "sanctuary city," \$15 per hour minimum pay that is being pushed, mandatory paid leave, and marijuana; and he stated these four things are strikes against the business community. He further commented on the North side Costco and stated there is a rumor they will be out of Spokane before the first of the year.

Julie Parry commented she is afraid that if you raise the cost of labor by making a mandatory paid leave, it will cost business owners more money to hire the people. She stated companies may have to move to the Valley or move to Post Falls and then people with disabilities have a harder time to go to those areas because they don't have a car and are dependent on public transportation.

George McGrath commented on the artwork being done around the City of Spokane and then being destroyed by someone with a hose. He inquired why Hillyard views this as art and Downtown Spokane views as something they don't want. He also commented on free time off sick leave and feels the City government is overstepping its bounds by forcing its will upon businesses and then will have to hire more enforcers to enforce its will upon the businesses.

Sarah Rykken presented remarks against making Spokane a "sanctuary city" and stated illegal immigrants should be sent back and should come back through the legal system.

John Lemus commented on two incidents at Monroe Street Bridge and questioned what we can do to better increase mental health services in the City of Spokane and what can we do better to fortify the bridge so people can't get into those types of situations. He commented on looking at photo red funding to do some protective stuff to the bridge similar to what was done in Riverfront Park with blocking off both sides of the bridge from being accessed.

SPECIAL MEETING MINUTES SPOKANE CITY COUNCIL Thursday, July 30, 2015

A Special Meeting of the Spokane City Council was held on the above date in the City Council Briefing Center, Lower Level – City Hall, 808 West Spokane Falls Boulevard, Spokane, Washington. The meeting was called to order at 3:30 p.m.

The purpose of the special meeting was for the City Council to hold a Special Legislative Session to consider matters relating to Initiative No. 2015-1 petitions. The special meeting was open to the public.

SPECIAL LEGISLATIVE SESSION

Roll Call

Council President Stuckart and Council Members Allen, Fagan, Mumm, Stratton, and Waldref were present. Council Member Snyder was absent.

SPECIAL LEGISLATIVE AGENDA

Overview of Special Legislative Agenda Items by Council President Stuckart

Council President Stuckart provided an overview of the three items before the City Council. He noted the first item is whether the Council sends the rejected signatures back to the County elections office to be recounted for a third time (which is provided under Resolution 2015-0081). He stated if that (Resolution 2015-0081) were to pass, then there are two advisory measures the Council will be voting on as well – Resolution 2015-0082 and Resolution 2015-0083. Council President Stuckart added that if the first item (Resolution 2015-0081) doesn't pass, then the two other items (Resolution 2015-0082 and Resolution 2015-0083) become inconsequential and go away.

Council President Stuckart advised that Council Member Fagan is a proponent of sending the rejected signatures for another count, and Mr. Fagan will provide a presentation on the matter. Council President Stuckart indicated he has requested that County Auditor Vicky Dalton be present at the meeting to answer any questions the Council has about the procedures. He further stated that he would then open the meeting up for public comment. In addition, Council President Stuckart stated the question in front of the Council is whether the Council should send the rejected signatures back or not; and he noted the question in front of the Council does not have to do with sanctuary cities and does not have to do with immigration. Council President further stated the question the City Council will be voting on is whether it should send the signatures that have been rejected twice back for a third time to the County to count them again. Council President Stuckart stated he will allow public testimony and everyone that signed up will get the chance to speak; however, he noted he will be very strict about the subject matter that people speak to.

Hearing on Initiative No. 2015-1 Petitions (LGL 2014-0023), Final Reading Ordinance C35281, and Resolution 2015-0081

The City Council held a hearing on Initiative No. 2015-1 petitions filed on behalf of Jackie Murray, Respect Washington, relating to immigration status information. In conjunction with the hearing, Ordinance C35281—relating to immigration status information; amending SMC Section 3.10.040; repealing SMC Section 3.10.050 and adopting a new section 3.10.060 to Chapter 3.10 of the Spokane Municipal Code—was provided a second and final reading (with further action deferred pending the results of Council's action on Resolution 2015-0081). In addition, the Council considered Resolution 2015-0081 requesting the Spokane County Auditor to hold a special election on November 3, 2015 in conjunction with the scheduled general election to submit to the electors of the City of Spokane a proposition regarding an amendment to the Spokane Municipal Code relating to immigration status information. Resolution 2015-0081 includes a request to the Spokane County Auditor to perform a third review of the invalid petitions signatures and if the review of the invalidated signatures results in a sufficient number of valid signatures to qualify Initiative No. 2015-1, the Spokane County Auditor is requested to hold a special election on November 3, 2015, to submit the proposition to the voters.

Following a presentation by Council Member Fagan in support of proponents seeking to send the rejected signatures back for another count, commentary by County Auditor Vicky Dalton, public testimony, and Council inquiry and discussion, the following action was taken:

Upon a 2-4 Voice Vote (Council President Stuckart and Council Members Mumm, Stratton, and Waldref voting "no"), the City Council rejected Resolution 2015-0081 requesting the Spokane County Auditor to hold a special election on November 3, 2015, in conjunction with the scheduled general election to submit to the electors of the City of Spokane a proposition regarding an amendment to the Spokane Municipal Code relating to immigration status information.

Since Resolution 2015-0081 was rejected, the following two items that appeared on the Council's Special Legislative Agenda became inconsequential and were not considered:

- **Resolution 2015-0082** requesting the Spokane County Auditor to hold a special election on November 3, 2015 in conjunction with the scheduled general election to submit to the electors of the City of Spokane an advisory vote regarding the identification of funding sources to implement the provisions of the Respect Washington Immigration Status Information Initiative proposition. (Asks the question whether to reduce funding in existing General Fund programs to reallocate funding to implement the provisions of the Respect Washington Immigration Status Information ballot proposition, if the proposition is approved by the voters.)
- **Resolution 2015-0083** requesting the Spokane County Auditor to hold a special election on November 3, 2015 in conjunction with the scheduled general election to submit to the electors of the City of Spokane an advisory

vote regarding the identification of funding sources to implement the provisions of the Respect Washington Immigration Status Information Initiative proposition. (Asks the question whether to pursue additional funding sources, as needed, in order to implement the provisions of the Respect Washington Immigration Status Information Initiative proposition, if the proposition is approved by the voters.)

ADJOURNMENT

The Special Legislative Session adjourned at 4:39 p.m.

The funding should supplement financing from other sources.

Projects must meet at least one of the program priorities: housing affordable to households earning 30% or less of the area median income (\$19,350 for a family of four); housing units that are affordable to households with incomes at or below 50% AMI (\$32,350 for a family of four) and are located within a City Council Targeted Investment Area and/or in areas designated as Centers and Corridors in the City's Comprehensive Land Use Plan; housing units with 3 or more bedrooms that are affordable to large households earning 50% or less of the area median income; and/or housing units that provide Permanent Supportive Housing for chronically homeless. Rent restrictions, tenant income limits, and other requirements apply.

2015-2016 Annual Comprehensive Plan Amendments Notice of Application Deadline

The City of Spokane will be accepting applications for the annual Comprehensive Plan Amendment Cycle up until October 31, 2015, per SMC 17G.020.010. All applications that are certified complete by November 30th, 2014 will be considered concurrently during the upcoming amendment cycle. Applications must be submitted no later than October 31st, 2015 if the applicant is seeking application certification by November 30th, 2015. Applications that are certified complete after November 30th, 2015 will be docketed for consideration during future amendment cycles.

The City of Spokane's Comprehensive Plan addresses many facets of city life, including land use, transportation, capital facilities, housing, economic development, natural environment and parks, neighborhoods, social health, urban design, historic preservation, and leadership. The City of Spokane is committed to conducting an annual process to consider amendments to the comprehensive plan. The GMA specifies that amendments to a comprehensive plan cannot be made more frequently than once per year. The purpose for this is two-fold: it gives the plan stability over time, avoiding spontaneous changes in response to development pressures, and it groups all proposed amendments in a common process for consideration, providing the opportunity to examine their collective effects on the plan.

Plan Commission consideration of each amendment proposal will be conducted at public workshops held during the public comment period, typically in the summer. Applicants will be afforded the opportunity to address the Plan Commission during the workshop regarding their application. The City Council considers the amendment proposals, staff report, and Plan Commission's amendment recommendations within the context of its budget discussions, and acts on the amendment proposals prior to or at the same time as it adopts the City budget, usually mid/late fall.

A pre-application conference is required prior to application. If you have any questions or concerns regarding the Comprehensive Plan Amendment process or would like to schedule a pre-application conference, please contact staff at (509) 625-6300 or tblack@spokanecity.org.

ORDINANCE NO. C35286

AN ORDINANCE relating to denial or revocation of a city business license from employers violating wage enforcement provisions; amending SMC section 4.04.050 and adopting a new section 10.05.107 to chapter 10.05 of the Spokane Municipal Code.

WHEREAS, research shows that the theft of wages by employers with unscrupulous business practices is a significant problem around the country, with one 2008 study finding that more than two-thirds of 4,387 workers surveyed in low-wage industries experienced at least one pay-related violation in the previous work week amounting to an average loss of 15 percent of weekly earnings; and

WHEREAS, some predatory business owners apparently consider repeated civil claims from the Department of Labor and Industries a simple cost of doing business; and

WHEREAS, encouraging greater compliance with wage laws benefits all workers by ensuring a level playing field in the labor market; and

WHEREAS, encouraging greater compliance with wage laws benefits the businesses that already comply with these laws; and

WHEREAS, those individuals affected by wage theft are often among the most vulnerable in our city and without access to sufficient resources and time with which to appeal for their unpaid wages; and

WHEREAS, the City of Spokane finds it necessary and appropriate to create a stronger disincentive for employers to violate wage and hour laws; - NOW, THEREFORE,

The City of Spokane does ordain:

Section 1. That SMC section 4.04.050 is amended to read as follows:

4.04.050 (~~(Issuance of License)~~) **Refusal to issue, revocation of, or refusal to renew business license.**

A. The license officer endeavors to issue or determine not to issue a license within fifteen days of application.

B. (~~(Unless the investigation reveals that the applicant has not made good tender of the license fee, has not furnished sufficient and accurate information, or is not otherwise eligible, the license officer delivers the original of the license along with any insigne to the licensee.)~~) The license officer has the power and authority to refuse to issue, revoke or refuse to renew any business license issued under the provisions of this chapter. The license officer shall notify such applicant or licensee of the refusal to issue, revocation of, or refusal to renew, in the same manner as orders to comply are served under SMC 4.04.080, and include on the notice what grounds such a decision was based. The license officer may refuse to issue, revoke or refuse to renew any license issued under this chapter on one or more of the following grounds:

1. The applicant or licensee has not made good tender of the license fee.
2. The applicant or licensee has not furnished sufficient and accurate information.
3. The applicant or licensee is not otherwise eligible.
4. The applicant or licensee has failed to comply with any provisions of this chapter.
5. The property at which the business is located has been determined by a court to be a chronic nuisance property as provided in chapter 10.08A RCW.
6. The applicant or licensee has been convicted of wage theft under SMC 10.05.107 within the last ten years.
7. The applicant or licensee is a person subject within the last ten years to a court order entering final judgment for violations of chapters 49.46, 49.48 or 49.52 RCW, and the judgment was not satisfied within 30 days of the later of either:
 - a. the expiration of the time for filing an appeal from the final judgment order under the court rules in effect at the time of the final judgment order, or
if a timely appeal is made, the date of the final resolution of that appeal and any subsequent appeals resulting in final judicial affirmation of the findings of violations of chapters 49.46, 49.48 or 49.52 RCW.
8. The applicant or licensee is a person subject within the last ten years to a final and binding citation and notice of assessment from the Washington State Department of Labor and Industries for violations of chapters 49.46, 49.48 or 49.52 RCW, and the citation amount and penalties assessed therewith were not satisfied within 30 days of the date the citation became final and binding.

Section 2. That there is adopted a new section 10.05.107 to chapter 10.05 SMC to read as follows:

10.05.107 Wage Theft

- A. A person is guilty of wage theft if, with intent to avoid payment for services, he or she knowingly secures the performance of services by agreeing to provide compensation and, after the services are rendered, fails to make full and complete payment.
- B. For purposes of this section, factors including, but not limited to, the following, may be considered in determining whether wage theft has occurred:
1. agreement to pay a person providing the services immediately upon completion of the services, but failing to do so;
 2. failure to pay an employee at the time of an agreed-upon payday or at the end of the regular payment interval required by state and federal statutes;
 3. agreement to pay a person providing the services at a specified time and place after completion of the services, but failure to appear at that time or place;
 4. agreement to pay a person providing services a specified amount upon completion of the services, but actually paying or offering to pay a lesser amount;
 5. paying a person providing services with a check that is not honored by the bank or other depository upon which it is drawn because of insufficient funds or a stop-payment order;
 6. in retaliation for asserting any claim to wages, communicating to a person providing services, directly or indirectly, explicitly or implicitly, the willingness to inform a government employee that the person is not lawfully in the United States, or threatening, intimidating, or taking any other adverse action against the person; or
 7. failure to respond within fifteen days to any written demand for unpaid wages from a person providing services or any other person or entity writing on that person's behalf.

The preceding factors are a non-exhaustive list of what constitutes wage theft; proof of any one of the preceding factors can be sufficient, standing alone, to establish wage theft under the terms of this section.

- C. Wage theft is a gross misdemeanor.

Section 3. Severability.

If a section, subsection, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional or invalid for any reason, the decision shall not affect the validity of the remaining portions of this ordinance.
