First Reading Ordinance C35299
Council President Stuckart requested a motion to defer First Reading Ordinance C35299—relating to land use application notification and appeal procedures—so that First Reading occurs on September 14 and Final Reading on September 21, during Town Hall meeting. Subsequently, the following action was taken:

**Motion** by Council Member Snyder, seconded by Council Member Waldref, **to defer** First Reading Ordinance C35299 to September 14 and Final Reading on September 21, during Town Hall meeting; **carried unanimously**.

First Reading Ordinance C35300
Council Member Snyder stated he put Ordinance C35300 on (the agenda) for consideration because he has gotten so much feedback from folks that have been responding to things that actually are not in the draft ordinance, so he wanted to have the ordinance out there so everybody could see what it is and respond to it and to give the Council plenty of time to give it extra consideration and time for other proposals to be put forward. He stated he arbitrarily picked the second week of January to defer the Ordinance to and noted the Council is not committed to passing this version of the ordinance and the Council is not even committed to considering it the second week of January; but he indicated he thought that would be a good time to get past the budget process and also make sure that anyone who wanted a chance to react to this ordinance had the opportunity to do so. Subsequently, the following action was taken:

**Motion** by Council Member Snyder, seconded by Council Member Stratton **to defer** First Reading Ordinance C35300—relating to earned sick and safe leave in the City of Spokane; creating a new Title 18 to the Spokane Municipal Code—to January 11, 2016; **carried unanimously**.

Action to Approve August 31, 2015, Advance Agenda
Following staff reports and Council inquiry and discussion regarding the August 31, 2015, Advance Agenda items, the City Council took the following action (pursuant to Council Rule 2.1.2):

2015-2016 Annual Comprehensive Plan Amendments Notice of Application Deadline

The City of Spokane will be accepting applications for the annual Comprehensive Plan Amendment Cycle up until October 31, 2015, per SMC 17G.020.010. All applications that are certified complete by November 30th, 2014 will be considered concurrently during the upcoming amendment cycle. Applications must be submitted no later than October 31st, 2015 if the applicant is seeking application certification by November 30th, 2015. Applications that are certified complete after November 30th, 2015 will be docketed for consideration during future amendment cycles.

The City of Spokane’s Comprehensive Plan addresses many facets of city life, including land use, transportation, capital facilities, housing, economic development, natural environment and parks, neighborhoods, social health, urban design, historic preservation, and leadership. The City of Spokane is committed to conducting an annual process to consider amendments to the comprehensive plan. The GMA specifies that amendments to a comprehensive plan cannot be made more frequently than once per year. The purpose for this is two-fold: it gives the plan stability over time, avoiding spontaneous changes in response to development pressures, and it groups all proposed amendments in a common process for consideration, providing the opportunity to examine their collective effects on the plan.

Plan Commission consideration of each amendment proposal will be conducted at public workshops held during the public comment period, typically in the summer. Applicants will be afforded the opportunity to address the Plan Commission during the workshop regarding their application. The City Council considers the amendment proposals, staff report, and Plan Commission’s amendment recommendations within the context of its budget discussions, and acts on the amendment proposals prior to or at the same time as it adopts the City budget, usually mid/late fall.

A pre-application conference is required prior to application. If you have any questions or concerns regarding the Comprehensive Plan Amendment process or would like to schedule a pre-application conference, please contact staff at (509) 625-6300 or tblack@spokanecity.org.
