SPOKANE CITY COUNCIL RULES OF PROCEDURE

RULE 1 - GENERAL PRINCIPLES

Rule 1.1 PURPOSE

The Spokane City Council adopts these Rules to govern the conduct of City Council business. These Rules do not confer upon any person who is not a member of the Council any right to a particular procedure, nor do they affect the validity or legality of any Council action.

Rule 1.2 DUTY OF MUTUAL RESPECT

It is the constant duty of each Council member to treat each other, City staff, and the public with respect. Likewise, all persons who attend a Council meeting must act respectfully toward all persons who attend a meeting. Mutual respect between Council members and staff includes, but is not limited to, not intentionally disclosing private information about a Council member or staff such as personal telephone numbers or home address without the permission of the Council member or staff.

Rule 1.3 DUTY OF ETHICAL CONDUCT

A. Every Council member must uphold the constitution, laws, and regulations of the State of Washington and the Charter and ordinances of the City.

B. Conflicts of Interest.

1. No Council member shall have an interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity, or incur an obligation of any nature that may be in conflict with the proper discharge of his or her duties as an elected official or as a Council member.

2. No Council member in his or her official capacity may participate in a transaction involving the City with a party in which the Council member, or a family member, owns a beneficial interest.

3. Should a Council member have a conflict of interest, or become aware that he or she has or may have a conflict of interest, that Council member shall immediately inform the Council of the conflict of interest and abstain from any Council action in connection with that matter.

C. Confidential information.

1. No Council member may accept employment or engage in any business or professional activity that might reasonably require or induce him or her to disclose confidential information acquired by reason of the Council member’s official position.

2. No Council member may disclose confidential information gained by reason of his or her official position or otherwise use the information for his or her personal gain or benefit or the gain or benefit of another.

3. No Council member may disclose confidential information to any person not entitled or authorized to receive the information. Notwithstanding the foregoing, the City Council may, upon the affirmative vote of six (6) Council members taken in an open meeting, authorize the release of specific information which would otherwise be deemed confidential information, including without limitation discussions held in executive session.

4. For purposes of these rules, “confidential information” means (i) specific information, rather than generalized knowledge, received by a Council member as a result of his or her position that is not available to the
general public on request; (ii) information furnished to a Council member under circumstances as to suggest the information is confidential, including when the provider of the information identifies the information as confidential; (iii) information made confidential by law, including specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy; or (iv) other information made confidential by the Public Records Act ("PRA") (Chapter 42.56 RCW) or the Open Public Meetings Act ("OPMA") (Chapter 42.30 RCW).

D. No Council member may use or authorize the use of facilities of the City, directly or indirectly, for the purpose of assisting a campaign for election of a person to an office or for the purpose of or opposition to a ballot proposition. Council members shall comply with RCW 42.17A.555 (Use of public office or agency facilities in campaigns—Prohibition—Exceptions).

Rule 1.4 ROBERT’S RULES OF ORDER

Matters of procedure not otherwise provided for herein are, insofar as practical, determined by reference to Robert’s Rules of Order, newly revised.

Rule 1.5 AMENDMENT

These rules may be amended by resolution of the City Council.

RULE 2 – MEETINGS

Rule 2.1 PLACE AND TIME OF MEETINGS

A. As provided in the SMC 02.01.010, the regular meeting of the City Council is at 3:30 p.m. every Monday in the Council Chambers. If a Monday is a City Holiday, that week’s regular meeting may be held on the next day that is not a holiday if a quorum is available, unless cancelled at the discretion of the Council President.

B. The 3:30 p.m. Council session is a briefing session in which the Council receives staff reports on matters of interest, committee reports, background information from staff regarding matters on the advance agenda for the next week’s meeting and for that day’s agenda, making any adjustments to the agenda and agreeing as to any issues of procedure for that day’s meeting. Once the advance agenda has been reviewed, the City Council shall approve the agenda by motion.

C. At the conclusion of the briefing session, there is an administrative session during which action will be taken on consent agenda items. Upon request of any Council member, an item on the consent agenda will be carried over to the legislative session.

D. At the conclusion of the administrative session, or at other time properly announced, the City Council may adjourn into executive session consistent with the OPMA. Before so doing, the Chair shall announce the subject matter of the executive session with as much particularity as will not frustrate the purpose of the executive session and the estimated duration of the executive session. The Council determines which person(s) shall attend each executive session.

E. The 6:00 p.m. Council session is the legislative session, during which the Council may take public testimony, discuss and take action on agenda items, and for holding the open forum.

Rule 2.2 OPEN FORUM

A. At each meeting, prior to the legislative agenda, an amount of time not to exceed thirty minutes is devoted to public comment. When all agenda items have been acted on, unless it is 10:00 p.m. or later, the open forum shall continue for an amount of time not to exceed thirty minutes. If no one wishes to speak at the second open forum session, the open forum shall be concluded.

B. At the beginning of the open forum session staff will collect the sign-up sheet(s) and deliver them to the Chair. The order of the speakers and the appropriate time limits for the speakers will be determined at the discretion of the Chair. Each speaker may be limited to three minutes.

C. No action, other than a statement of Council consensus to take up the matter as a future agenda item, will be taken during the open forum.
D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.

E. To encourage wider participation in open forum and a broad array of public comment and varied points of view, no person shall be permitted to speak at open forum more often than once per month. However, there is no limit on the number of items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 2.3 ADJOURNED MEETINGS

A. At the conclusion of the open forum, unless there is further business before the Council, the Chair shall adjourn the meeting until the next regularly scheduled Council meeting.

B. Any meeting may be adjourned to a place and time set by motion. Unless otherwise specified in the motion, the meeting will be adjourned to the place and time fixed for the next regular meeting. If a regular meeting be adjourned to a place and time specified, that adjourned meeting is a regular meeting.

C. If at the time fixed for the beginning of any meeting, or at any time in the course of a meeting, less than a quorum be present, the Council President, or in the President's absence any member, or if there are no Council members present then the City Clerk, shall declare the meeting adjourned to the next regular meeting.

D. If a meeting is adjourned prior to the completion of the City Council's agenda, all matters on the agenda not disposed of shall be continued to the adjourned meeting. The City Clerk or other person designated by the Clerk shall post a written notice of adjournment conspicuously on or near the main door of the place of any meeting which has been adjourned. The notice shall be posted as soon as possible after the adjournment and shall state the fact of adjournment and the place and time to which the meeting was adjourned.

E. At 11:00 p.m. or at any time thereafter, it shall be in order for any member to move, or for the Chair to declare, based on the opinion that the business at hand cannot be concluded within a reasonable time, that a regular meeting be adjourned.

Rule 2.4 SPECIAL MEETINGS

A special meeting may be called by the Council President or by passage of a motion made during a regular meeting. All such special meetings shall be noticed in compliance with the OPMA and Rule 4.2 of these Rules.

Rule 2.5 STUDY SESSIONS

The Council President may schedule study sessions as needed for receiving information on staff matters, staff briefings, and discussion among Council members on issues of public concern. Study sessions are held in a workshop format, with no public hearing, no Council action to dispose of any item unless the study session was noticed as a special meeting in compliance with the OPMA and Rule 4.2 of these rules. A quorum of the Council is not necessary in order to proceed with a study session, though a quorum is required for the Council to take any action to dispose of any item.

Rule 2.6 QUORUM

A quorum is four (4) or more Council members present and qualified to act, unless a particular action requires the affirmative vote of more than four. The quorum for the adoption of an ordinance making an emergency expenditure as provided in RCW 35.33.081 and.091, adoption of an ordinance effective immediately under subsection 19(a)(1) of the Charter, and override of a veto as provided in subsection 16(b) is five (5).

RULE 3 – AGENDA

Rule 3.1 FUNCTIONS OF AGENDA

The agenda serves to introduce items to the Council, to establish the order of business and to give notice to the public. The notice of a special meeting is the agenda for such meeting.
Rule 3.2 INTRODUCTION OF ITEMS

A. Items may be placed on a regular legislative meeting agenda by the Council President or any Council member; provided, however, subject to Rule 5.6 (Suspension of Rules), and regardless of whether the item originates with a Council member or the administration, no item may be placed on the legislative agenda unless it has first been presented in a committee or study session as provided in Rules 7.1 and 9.2. Agenda items related to activities of a board or commission or a city Council standing committee may be placed on the agenda by the city administrator, the Council President, by any Council member, or by motion of the City Council. A Council member may not utilize administrative staff, other than Council staff or staff of the legal department, for the preparation of an agenda item without the direction of the Council President or the Mayor.

B. Regular meeting agendas are prepared by the City Clerk in the manner and format prescribed by the City Council and consistent with administrative policies and procedures and these Rules.

Rule 3.3 AGENDA PROCESS

A. The process of submitting agenda items and preparing the agenda for all Council meetings shall be consistent with these Rules and any administrative policies and procedures governing Council meetings and agenda items. In a conflict between these Rules and an administrative policy and procedure, these Rules shall control.

B. An agenda item is submitted using the agenda sheet presented to the City Clerk and in the template provided for in the exhibit to these Rules.

C. The wording for the agenda item and the relevant information placed on the agenda sheet is provided by the person submitting the item. The City Clerk and City Attorney's office staff may edit agenda items for grammatical or typographical errors.

D. Each Council member shall become familiar with all agenda items and the accompanying information.

RULE 4 – TIME AND NOTICE

Rule 4.1 NOTICE BY AGENDA

Except as provided below, the agenda is the only required meeting notice.

Rule 4.2 SPECIAL MEETINGS

Notice of every special meeting shall be given in writing to every Council member, Council staff, the Mayor, the City Attorney, and to all parties who have on file with the City Clerk a request for such notices. The notice shall be delivered personally, electronically, by mail, by facsimile or otherwise, so as to be received at least 24 hours before the meeting or as otherwise provided for in RCW 42.30.080. The notice shall state the place and time of the meeting and the business to be conducted. The Council shall not make final disposition of any matter not included in the notice. Notices of special meetings are prepared by the City Council Office staff and issued by the City Clerk’s office.

RULE 5 – CONDUCT OF MEETINGS

Rule 5.1 THE CHAIR

A. The Council President, or in his or her absence or incapacity that Council member elected by the Council to serve as Council President pro tem pursuant to SMC 03.01.120(A), each of whom is referred to in these Rules as “the Chair,” shall preside over meetings of the Council and cause the business of the Council to be transacted in accordance with these rules. The presiding officer may yield the Chair to a member of the Council’s choice to conduct a portion of the meeting.

B. The Chair shall determine all questions of parliamentary procedure, subject to appeal as provided in this Rule 5.1.2, but shall liberally grant leave to the City Council Policy Advisor and/or City Attorney to speak to the question. A ruling of the Chair can be appealed, before the ruling is acted on, by any Council member’s announcement of an appeal, which appeal is perfected by receiving a second. The Chair shall then state the question in terms of upholding the ruling and may state his or her reasons for the ruling. Then the member appealing has the floor to open debate on the appeal. Upon the close of debate, the Council shall vote on the appeal.
C. The Chair may not make a motion. The Chair may second a motion only if there is no other second and only for the purposes of discussion. The Chair may vote as any other Council member.

D. The Chair has the authority to recess, subject to appeal, any meeting when noise, disturbance, indecorum, or other circumstances warrant a recess to enable the Council to conduct its meeting in an appropriate manner. The Chair may direct any person disrupting the meeting to be removed from the chambers or to otherwise eliminate a source of disruption.

E. The Chair has the authority to recess a meeting upon the request of any Council member. Recognizing that fatigue, discomfort, and tedium detract from the quality of participation in deliberative process on the part of all participants, the Chair is encouraged to call or grant requests for recesses as such frequency as dictated by the time of day, temperature, and other factors.

Rule 5.2 ORDER OF BUSINESS

A. Briefing Session.
The regular order of business in a briefing session is as follows:

1. Roll call;
2. Council or staff reports of matters of interest;
3. Background information from staff regarding matters on the advance agenda;
4. Discussion of and any adjustments to the advance agenda for the following week’s meeting;
5. Approval by motion of the advance agenda;
6. Any new background for items on the current agenda; and
7. Discussion of and any adjustments to the current agenda.

B. Administrative Session.
The regular order of business in an administration session is as follows:

1. Reading of consent agenda items by the Clerk;
2. Request(s), if any, to consider any specific consent agenda items separately from the consent agenda;
3. Action on the consent agenda; and
4. Action on any items considered separately from the consent agenda.

C. Executive Session.
The business of an executive session is determined case by case within the restrictions of the OPMA and other provisions of state law.

D. Legislative Session.
The regular order of business in a legislative session is as follows:

1. Pledge of Allegiance, words of inspiration, special introductions;
2. Roll call to establish the presence of a quorum;
3. Council and Committee reports;
4. Announcement of adjustments to the agenda;
5. Council appointments and approval of Mayoral appointments;
6. Administrative report;
7. Open forum (first session);

8. Reading of each agenda item by the Clerk;
   a. Report by staff and questions to staff;
   b. Motion and second (except for a hearing in which case the motion is made at the close of the hearing);
   c. Comment from citizens;
   d. Deliberation by Council, and such further dialogue with staff and citizens as Council may desire; and
   e. Vote.

9. Open forum (second session, if needed).

10. Adjournment.

E. Items shall be acted upon in the order in which they appear on the agenda, provided items may be taken out of
    order, combined, or separated at the Chair’s discretion, absent objection of a majority of the Council. Items on
    the agenda may be grouped under various headings or sections and entire sections may be read and acted
    upon at one time at the discretion of the Chair unless a majority of the Council decides otherwise.

F. All City Council appointments or Mayoral appointments which require City Council approval shall be announced
    and voted upon by motion during the legislative session; provided, that the confirmation of mayoral nominations
    of department heads, the City Clerk, and the City Attorney, pursuant to Section 24 of the City Charter, shall be
    by resolution.

Rule 5.3        SPEAKING DURING COUNCIL MEETING

A. Members of the public may address the Council regarding items on the Council’s legislative agenda, special
   consideration items, hearing items, and other items before the City Council requiring Council action that are not
   adjudicatory or administrative in nature. This rule shall not limit the public’s right to speak during the open forum.

B. No one may speak without first being recognized for that purpose by the Chair. Except for named parties to an
   adjudicative hearing, a person may be required to sign a sign-up sheet and provide his or her address as a condition
   of recognition. In order for a Council member to be recognized by the Chair for the purpose of obtaining the floor, the
   Council member shall either raise a hand or depress the call button on the dais until recognized by the Council
   President.

C. Each person speaking at the public microphone shall verbally identify him(her)self by name and, if appropriate,
   representative capacity.

D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded and
   documents submitted for the record are identified and marked by the Clerk.

E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative
   process be maintained, no modes of expression not provided by these rules, including but not limited to
   demonstrations, banners, applause, profanity, vulgar language, or personal insults will be permitted.

F. A speaker asserting a statement of fact may be asked to document and identify the sources of the factual datum
   being asserted.

G. When addressing the Council, members of the public shall direct all remarks to the Council President and shall
   confine remarks to the matters that are specifically before the Council at that time.

H. When any person, including members of the public, City staff, and others, are addressing the Council, Council
   members shall observe the same decorum and process, as the rules require among the members inter se. That is, a
   Council member shall not engage the person addressing the Council in colloquy, but shall speak only when granted
   the floor by the Council President. All persons and/or Council members shall not interrupt one another. The duty of
   mutual respect set forth in Rule 1.2 and the rules governing debate set forth in Robert’s Rules of Order, newly
   revised, shall extend to all speakers before the City Council. The City Council Policy Advisor and/or City Attorney
shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak.

Rule 5.4 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

A. The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at his or her discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will need to be allocated per speaker in order to accommodate all of the speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.

B. No public testimony shall be taken on consent agenda items, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council.

C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:

1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:

   a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.

   b. The designated representative of the proponents of the issue shall speak first and may include within his or her presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the 30 minutes between or among themselves.

   c. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the proponent's position.

   d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same time allotted as provided for the proponents.

   e. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the opponents' position.

   f. Up to ten minutes of rebuttal time shall be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.

2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three minutes to present his/her position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.

3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.

D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative’s testimony.

Rule 5.5 VOTING
A. Except where a majority plus one vote is required, (e.g., Charter section 19, RCW 35.33.081), and unless otherwise provided herein, all motions, except a motion to adjourn (which passes by a majority of votes cast), to carry must receive at least four affirmative votes.

B. If a motion receives a majority of favorable votes, but less than four, and if further voting cannot produce four votes for any motion, either:
   1. The matter will be continued, or
   2. if it appears that because of disqualification or other reason the Council will not obtain four votes for any motion to dispose of the matter, it shall be declared that no action was taken and the status quo shall prevail.

C. Upon a tie vote, the status quo prevails and the matter upon which the vote was cast.

D. The votes on any ordinance or formal resolution shall be individually taken and recorded. As to any other matter, voting shall be by voice vote unless any member requests, prior to action on the next item of business, a different method, such as a show of hands or a roll call vote. Unless the Council shall order otherwise, the alternative to voice vote shall be the electronic system currently in use.

E. In all cases of voting by other than voice vote, the City Clerk shall record the names of those voting on each side of the question and of those abstaining. In cases of voice vote, it shall be sufficient for the Chair to announce, and the record to reflect, whether the motion carried or failed. Regardless of method of voting, each Council member shall have the right, before the next matter is considered, to explain the reasons for his or her vote and such a request shall be regarded as a matter of privilege.

F. A Council member may abstain from voting on any matter before the Council when he or she has a direct personal or pecuniary interest not common to other members of the Council. In order to abstain from voting, a Council member must sufficiently describe to all other members of the Council during the Council meeting, the existence and nature of the interest which supports his or her abstention.

Rule 5.6  SUSPENSION OF THE RULES

These Rules may be temporarily suspended for a particular matter by five affirmative votes.

Rule 5.7  RECONSIDERATION

A Council member who voted on the prevailing side regarding an item voted on during an administrative session may move reconsideration of that item at that day’s legislative session or at the next briefing session. All legislative decisions of the City Council regarding ordinances, resolutions, and hearing items are final. When permissible, a Council member may re-submit a subsequent ordinance or resolution to repeal or modify a prior City Council action.

Rule 5.8  PARTICIPATION BY TELEPHONIC COMMUNICATION

A. A Council member may participate telephonically in all or part of a Council meeting if:
   1. Prior approval is given by the Council President for good cause, whose approval shall not be unreasonably withheld;
   2. All persons participating in the meeting are able to hear each other at the same time, such as by the use of a speaker phone; and
   3. The Council member participating telephonically shall have reviewed all of the applicable material and participated in the relevant portion of the Council meeting related to the topic to which the Council member is voting on.

B. Any technical prohibitions or difficulties that prevent all parties present at the Council meeting from adequately communicating with one another will negate any authorization previously given by the Council President.

RULE 6 – ADJUDICATIVE APPEALS AND HEARINGS

A. Adjudicative hearings are quasi-judicial hearings involving named parties. Testimony during adjudicative
hearing is limited to the parties involved in the hearing. Public testimony is not accepted in adjudicative hearings. Where procedures for appeals and hearings have been established by ordinance, the Council shall follow those procedures. If a conflict arises between the ordinance and Council rules, the ordinance shall prevail. Where there are no established procedures for an adjudicative appeal or hearing, the Council shall implement the following procedure.

B. No person shall be allowed to discuss any matter pending hearing with any member or members of the Council except in the Council Chambers in the regular course of a Council meeting. Each Council member shall vigorously strive to avoid any outside communication from anyone in any form concerning a matter pending hearing or decision. If an outside contact cannot be avoided, the Council member shall immediately make a note of the contact and shall at the beginning of the Council’s hearing on the matter announce the fact of the contact, the identity of the person, and the substance of the communication. If the communication be in written form, the Council member shall as soon as possible file it with the City Clerk.

C. When the Council’s discussion and vote on a hearing item is at a meeting other than the hearing, it shall be the obligation of every Council member participating in the action to be familiar with the facts in order to reach an informed, independent judgment. When a member discussing or voting on the matter was not present at the hearing, that member will have familiarized him(her)self with the hearing item based upon any audio or video recording of the hearing and all documents contained in the record. A Council member shall not be briefed by anyone except in an open meeting.

D. A Council member shall disqualify him(her)self from participating in a hearing whenever bias, interest, or other influences will prevent or appear to prevent him or her from exercising fair-minded, independent judgment on the facts and established policy. Disqualifying influences include prejudgment of the issues that cannot be swayed by the facts in evidence, a partiality or personal bias for or against a party, and a personal pecuniary interest in the subject matter. Examples of disqualifying bias include a close personal, family, or business relationship with a party, ownership of property the value of which might be affected by the decision, and a business or personal financial situation that might be affected by the decision.

E. Should a Council member be aware of circumstances which might appear to disqualify him or her, he or she can either disqualify himself or herself or explain the circumstances before the hearing and let the rest of the Council, by majority vote, decide whether he or she can participate. Should the Council be aware of circumstances which might appear to disqualify a member, the Council may, by majority vote, disqualify the member. The Council’s discussion concerning disqualification of a member may occur in executive session. A disqualified member shall be absent from the dais during the hearing and during discussion and voting.

F. In all adjudicatory appeals and hearings, Council members are acting in their quasi-judicial capacity and shall comply with all applicable provisions of state law including the appearance of fairness doctrine (Chapter 42.36 RCW) and the code of ethics for municipal officers in contract interests (Chapter 42.23 RCW).

G. Adjudicatory Appeal Hearing Procedures.
At the hearing on the appeal, the following rules apply:

1. Oral argument on appeal is limited to parties of record.

2. Oral argument on appeal is limited to thirty minutes per side. If there is more than one appellant or more than one person wishing to present oral argument on appeal, the total time allowed to all such persons is thirty minutes. Any time reserved for rebuttal or surrebuttal is deducted from the time allowed for opening argument. Time taken to respond to questions from the City Council is not deducted from the time allowed for argument.

3. Argument is presented first by the appellant in support of the appeal followed by the respondent in opposition to the appeal.

4. No new evidence may be presented during oral argument. Matters found by the hearing officer or body to be facts in the record are presumed to be true and accurate. Oral argument is limited to stating why the record does or does not support the decision.

5. The City Council may not consider any new facts or evidence on appeal. The City Council’s review of appeals is limited to the record prepared by the hearing officer or body, including the verbatim transcript of the hearing, the written appeal, memoranda submitted, and, if permitted, oral arguments presented in accordance with the requirements of this section. Closed record appeals before the City Council must be
concluded within 90 days of the date the appeal is filed unless all parties agree to a longer period.

   a. The parties to the appeal may file memoranda regarding the appeal. Such memoranda must be filed by
      the agenda deadline for the meeting preceding the meeting set for consideration of the appeal.
   b. Any replies to the memoranda must be filed by the agenda deadline for the meeting set for consideration
      of the appeal.
   c. The City Clerk distributes such memoranda and responsive documents to all parties to the appeal, the
      City Council, the City Attorney, the Planning Director, and the Hearing Examiner.
   d. Neither memoranda nor responses may contain any new facts or evidence or discuss matters outside
      the record. They are limited to stating why the record does or does not support the decision.

H. The City Council may supplement these rules in a case-by-case situation in order to provide due process to all
   participants in a hearing.

RULE 7 – ORDINANCES AND FORMAL RESOLUTIONS

Rule 7.1 FILING

A. Unless impractical in a given case, ordinances and formal resolutions shall be filed with the Clerk by the advance
   agenda (Wednesday at 1:00 p.m.) deadline. Copies of ordinances and formal resolutions submitted by the advance
   agenda deadline shall be included in the Council’s packet which will be made available by the second Friday
   preceding the meeting for which the ordinance is on the agenda. In any event, an ordinance or formal resolution
   must have been filed with the Clerk prior to the meeting of which it is an agenda item. No ordinance or formal
   resolution, except emergency measures, shall be passed until it has been on file with the Clerk for at least three (3)
   business days, including the day of the Council meeting.

B. If an ordinance or formal resolution has not been on file with the Clerk for at least three (3) business days, its reading
   shall be a reading in full. If an ordinance or formal resolution has been so pre-filed, it shall be sufficient reading to
   read its title or a summary.

C. Each ordinance or formal resolution shall be identified by its title and by the name of the Council Member or
   administration official sponsoring it, and every sponsor shall, when filing the same with the City Clerk, specify the
   committee of origin for the ordinance or formal resolution. Subject to Rule 5.6 (Suspension of Rules), every
   ordinance or formal resolution must be first presented to its committee of origin before it may be placed upon the
   Council’s agenda for first reading (for ordinances) or for Council consideration (for formal resolutions).

D. For each ordinance or formal resolution which would have an impact on the fiscal condition of the City, the sponsor
   must check the box to note the fact of the fiscal impact and describe the fiscal impact of the ordinance or resolution
   when preparing the agenda sheet.

Rule 7.2 AMENDMENT

A. Amendment of the wording of an ordinance or formal resolution on file does not require repetition of all filing and
   reading procedures. The Council may elect to defer final action until the amendatory language has been
   embodied in the document and the document resubmitted, or to pass or adopt the measure as amended in
   which case the City Council Policy Advisor and/or City Attorney shall be responsible for redrafting or changing
   the document for record purposes.

B. A revised version of an ordinance or formal resolution may be substituted for the one in the packet between
   readings or between meetings when the differences between the two versions are minor. When a substituted
   ordinance or formal resolution makes a significant change from the earlier version, it is to be processed as an
   original item. That is, a substituted ordinance will be given first reading and carried over and a substituted
   resolution will be deferred or the Council may take action to amend and substitute the revised version for the
   version previously filed.

C. The deletion of an emergency clause converts the ordinance to a regular ordinance which requires a second
   reading at a subsequent meeting. The addition of an emergency clause requires the ordinance to be deferred to
allow public hearing.

**Rule 7.3 SUBJECT MATTER**

The Council shall not consider or pass any ordinance or resolution the subject matter of which is not directly related to local affairs or municipal business if action by the City Council does not result in the adoption of a new or amendment to an existing ordinance or resolution or affect any City policy or practice.

If requested by the Council President or any Council member, the City Clerk shall schedule the matter for the next available agenda. D. The Council shall confirm the standing committee membership and leadership by resolution adopted at the second meeting in January of each year or as soon thereafter as possible.

**Rule 9.2 COMMITTEE PROCESS**

A. One of the functions of standing committee meetings is to provide the city administration and city staff an opportunity to update members of the committee regarding department programs, plans, and other administrative activities and future City Council administrative and legislative agenda items. Another function of the standing committees is to dedicate time to discussing strategic initiatives with the city administration and measuring progress of these initiatives.

B. All standing committees shall be open to the public except when the committee adjourns into executive session. No public testimony will be taken during standing committee meetings. Participation in a standing committee meeting shall be limited to standing committee members, appropriate staff and other individuals recognized by the committee. Participation by Council Members, including deliberation and voting, shall be open to all Council members when the standing committee is meeting as a committee of the whole and as a special Council meeting. Participation by Council members in a standing committee that is not a committee of the whole shall be limited to just the appointed Council members. Upon motion of the City Council, a standing committee meeting may be conducted as a meeting of the full City Council, in which case, a special meeting notice shall be issued and the meeting shall be conducted in a study session format.

C. Each committee shall meet monthly at 1:15 p.m. in the Council Briefing Center, except where cancelled at the discretion of the chair, in the following order:

1. Public Safety and Community Health: First Monday of each month

2. No later than 5 p.m. on the Wednesday occurring 12 days before the committee meeting, suggested agenda items and briefing papers (for both consent and discussion items) are due to be submitted to the legislative aides or administrative staff who circulated the request for agenda items.

   a. At that time, the briefing paper template should be filled out and must indicate whether the preparer prefers the item to be a consent item or a discussion agenda item.

   b. Agenda items that require no discussion at committee meetings (consent items) can be placed on any committee’s agenda.

   c. As many supporting documents as are available should be attached to the briefing paper.

3. By the Friday occurring 10 days before the committee meeting, the preliminary agenda, with briefing papers, is to be sent out to all Council Members for review.
4. No later than 5 p.m. on the Monday occurring 1 week before the committee meeting, Council Member requests for additional information on any agenda item are due.

5. At any time after briefing papers are submitted, the committee Chair, Vice Chair and administrative leads meet at least once to create and/or finalize the agenda.

6. The Wednesday at 5 p.m. prior to the committee meeting is the deadline for all supporting documents for briefing papers and addenda, if any.

7. After the final agenda is approved by the Chair, the legislative aide or administrative staff circulates the final agenda by 5pm on the Thursday prior to the committee meeting.

Any deviation from the schedule above (accepting briefing papers past the deadlines for example), must be approved by the Committee Chair.

E. The regular order of business for committee meetings is as specified in the Agenda Template document attached as an exhibit to these Rules.

F. Each item presented in committee must be accompanied by a briefing paper, using the Briefing Paper Template attached as an exhibit to these Rules, unless waived in the particular case by the committee chair.

Each ordinance or resolution must be presented by the Council sponsor in a committee before it may be filed for first reading. With the consent of the Council President, an item may be presented in a regular Council study session which has been noticed as a public meeting instead of a committee.

G. By declaration of the Chair (subject to appeal) or by motion of the Council, any matter before the Council may be referred to a committee, except that no committee shall investigate the facts of, nor shall any member or members of the Council take independent action on, any pending or contemplated adjudicated matters.

**Rule 9.3 INTER-GOVERNMENTAL COMMITTEES AND BOARDS**

Unless governed by other regulations, statutes, or ordinances, appointment of full slate of Council members to inter-governmental committees or boards shall be made by the Council President to be confirmed by a majority of the City Council. All appointments shall be made consistent with the governmental documents creating the inter-governmental committee.

**Rule 9.4 AD HOC COMMITTEES**

Ad hoc committees with specified functions may be established for a designated term or for a specific task, by resolution. Unless specified in the resolution which created the ad hoc committee, matters of committee business such as the appointment process and qualifications for membership, the number of members, and the deadline for any resulting reports of the ad hoc committee shall be determined by the committee itself.

**RULE 10 – MISCELLANEOUS**

**Rule 10.1 COUNCIL POSITION VACANCY**

A. Upon the occurrence of a vacancy of a City Council position other than that of Council President, the Council President shall announce the vacancy within seven (7) days of the vacancy occurring and call for interested parties to submit their applications for consideration by a deadline agreed to by the Council.

B. Upon the close of the deadline, each member of the Council shall review the applications, interview on an individual basis whichever applicant they desire to interview, and select those individuals who they believe should be interviewed by the entire City Council.

C. The Council, by motion, shall establish a committee to compile the Council members’ list of candidates to be interviewed. The committee shall submit to the Council the compiled list of candidates to be interviewed by the entire City Council.

D. The Council shall conduct interviews of each individual candidate selected for interviews. The interviews shall be open to the public.
E. Upon completion of the interviews, the Council, pursuant to RCW 42.30.110(1)(h), may go into executive session to evaluate the qualifications of each candidate.

F. The Council shall take final action appointing a candidate to fill the vacancy during an open public meeting.

G. Provisions regarding the selection of a candidate for a City Council vacancy not set forth by these rules shall be determined by the City Council by motion during an open public meeting.

H. If the Council President position becomes vacant, the City Council may elect to appoint one of the existing Council members to fill the position of Council President without following the selection procedure set forth above. If, upon a motion of the City Council, the City Council decides to consider someone other than an existing Council member to fill the vacant position of Council President, the City Council shall follow the selection procedure set forth above.

Passed by City Council December 18, 2017

ORDINANCE NO. C35571

An ordinance enacting the Spokane Fair Elections Code; instituting campaign contribution limits and disclosure requirements; amending chapter 01.07 and sections 01.02.950, 01.05.210, 07.06.500, and 07.08.149 of the Spokane Municipal Code.

WHEREAS, City of Spokane has seen an increase in “dark money” and “gray money” in local elections which fails to disclose or makes it hard to determine the source of the political spending; and

WHEREAS, local political campaign contributions and expenditures should be fully disclosed to the public and secrecy in the sources and application of such contributions for local elections should be avoided; and

WHEREAS, lower contribution limits require candidates to expand beyond the narrow group of large individual, corporate, and union donors thus reducing the threat of City of Spokane elected officials becoming too compliant with the wishes of large contributors; and

WHEREAS, political parties and legislative district committees have been accused of contributing “earmarked” campaign donations to nonpartisan City of Spokane candidates for elected office from donors who have already reached the contribution limit; and

WHEREAS, monetary contributions to local political campaigns are a form of participation in our political process, but the financial strength of individuals or organizations should not enable them to exercise undue influence on the judgment of City of Spokane local officials; and

WHEREAS, the people of Spokane should be assured that the private financial dealings of the Mayor, the City Council, the Municipal Court judges, and candidates for those offices present no conflict of interest between the public trust and private interest; and
WHEREAS, contractors have received more than $116 million dollars in City of Spokane contracts after donating $88,000 to current elected officials thereby creating the appearance of quid pro quo corruption; and

WHEREAS, City of Spokane contractors, City of Spokane Public Sector Unions, and business lobbyists with City interests have made contributions to City of Spokane Elected Officials outside the year the official appeared on the ballot thereby creating the appearance of quid pro quo corruption; and

WHEREAS, federal law prohibits foreign nationals from contributing to candidates for elected office in the United States;

WHEREAS, public faith and confidence in the governing institutions of the City of Spokane is essential and must be promoted by assuring the people of Spokane of the impartiality, decency, and honesty of the officials and the appointees that represent them in all public transactions and decisions; and

WHEREAS, the Spokane City Council believes that it is absolutely crucial to restore the public trust in our institutions and our elected officials by instituting a set of local campaign finance restrictions and regulations, which will have the effect of deterring quid pro quo corruption and reducing the appearance of quid pro quo corruption and ensuring fair play.

NOW, THEREFORE, the City of Spokane does ordain:

Section 1. That chapter 01.07 of the Spokane Municipal Code is amended to read as follows:

Section 01.07.003 Title; Purpose and Intent
A. This chapter shall be titled and referred to as the Spokane Fair Elections Code.

B. The purpose of this chapter is to institute regulations for the fair conduct of elections for citywide office and to ensure a high degree of transparency in the conduct of local elections. The City of Spokane is authorized to legislate in this area as a valid exercise of the City’s police power, pursuant to Washington Constitution Art. XI, secs. 10 and 11 and RCW 35.22.020 and RCW 35.22.195.

C. The City intends, by enacting this chapter, to provide for transparency, fairness, accountability, and integrity in the conduct of elections for City office, to promote and increase political participation and the open discussion of issues, and to reduce the effect of financial contributions on the integrity of our elections and our government.

D. This chapter is intended to compliment and be consistent with chapter 42.17A RCW as enforced by the Washington State Public Disclosure Commission. In the event of a conflict between this chapter and chapter 42.17A RCW, state law controls.

E. The City of Spokane has a strong governmental interest in preventing corruption, and the appearance of corruption, in its political processes, such as the election of City officials. This chapter, by strengthening limits on political contributions, therefore serves the City’s strong interests in preventing corruption and the appearance of corruption because it reduces the risk of quid pro quo arrangements and mitigates the appearance of corruption which is created by the real or potentially coercive influence of large financial contributions on the actions of candidates and elected officials.

F. It is the intent of the City Council to advocate for campaign finance reforms at the state and federal level.

Ms. George-Hatcher provided statistics on number of applicants over time. In October there were a total of 440 applicants for all positions. Staff participated in two Police recruiting meetings in October, the STEM job fair at EWU as well as the ACCESS job fair at the Red Lion hotel.

Ms. George-Hatcher also provided an update regarding the 2018 budget that the additional increases in the Civil Service budget for an additional staff member were not approved although the numbers were well within the 1% that the Charter states Civil Service may use. The rationale provided by Mr. Tim Dunivant for the increases were that Civil Service’s budget had increased considerably between 2013 and 2017. The 2013, 2014, and 2015 budgets were created and submitted by the previous Chief Examiner. Ms. George-Hatcher provided information on the accomplishments over the past 4 years and that there was an increase in the 2016 budget, still within the mandated 1% of the classified personnel budget per the City Charter due to one additional hire, staff promotions, implementation of new technology, continuous testing for Police and Fire entry level uniformed positions, contracts to conduct adverse impact analysis, analyze the language of recruitments to ensure inclusivity and non-discrimination, conduct job analyses, item banking and other essential enhancements. She stated that the increase between 2016 and 2017 was only 2.06% and was within the mandated 1% of the classified personnel budget as mandated by the City Charter.

Ms. Crystal Rodgers, Civil Service Office Coordinator was invited to the podium by the Chief Examiner. Ms. Rodgers spoke about the increases in workload and presented a few graphs showing that requisitions were up by 37% since 2013. Ideally, she said, Analysts should have about six tests to work on at a time. At this point, the Analysts’ work is double what they should normally have.

Ms. George-Hatcher requested any Analysts who may wish to speak on the matter to comment. Mr. Hult said he understands the budget constraints placed on the department and also understands the work load issues and that the Commission would be discussing the budget issues shortly. Ms. Gilmore reminded the Commission that they had just passed a resolution for the supported employment program that will add additional work to staff (Agenda Item III – Supported Employment Program - was placed ahead of the Staff Report due to the Mayor’s schedule).

Ms. George-Hatcher announced to the Commission that she will be retiring in April of 2018.

**Agenda Item III.**

**Supported Employment**

Ms. George-Hatcher introduced the concept of implementing a Supported Employment Program for hiring individuals with significant disabilities. Pursuant to a request from Mayor Condon and the City Administration, Ms. George-Hatcher conducted research into other jurisdictions with supported employment programs and developed a paper with various options for implementation. The Chief Examiner described the options she provided in the paper, that it had been sent out to management and all the bargaining units as well as the Civil Service Diversity Recruitment Committee, and explained how the program could either be adopted within the Civil System under Rule IV- Examinations and Eligible Lists, Section 15 – Trainee and Apprentice Positions or outside the system with a Charter change.

Ms. George-Hatcher introduced Mayor David Condon to address the Commission about his thoughts on the implementation of a Supported Employment Program. Mayor Condon described his administration’s vision for a 21st century workforce which includes a diverse labor force with a push to include veterans, women, minorities and those with disabilities. The Supported Employment Program for persons with significant disabilities would identify positions within the City that could be classified under Civil Service and would create jobs for those with intellectual disabilities. Mayor Condon introduced a representative from Skils’kin, Mr. Mark London. Mr. London explained what Skils’kin does to assist those with significant disabilities including helping them with job skills, resume writing and job training. He also described how job coaches can assist when an individual achieves employment with communications between employer and employee and address other work related issues. Mr. Hult asked about the longevity of the job coaches. Mr. London explained that coaches eventually fade out but can stay on with the employee for as long as needed. The cost for the job coach is paid for by the agency working with the individual and not the employer. Ms. Gilmore stated that job coaches seem like a key and asked how the Civil Service process and coaching would work together. Mayor Condon said that he envisioned these positions as City employees with all the benefits and rights of any City employee.

Ms. George-Hatcher clarified to the Commission that they will be voting on either: (1) the Supported Employment Program within the confines of the Civil Service rules, specifically under Rule IV, Section 15 – Trainee/Apprentice program or (2) to have the Supported Employment Program outside of Civil Service which would necessitate changes to the City Charter. This program if adopted under Civil Service would have separate classifications. The Chief Examiner reported that Human Resources is currently in the process of identifying tasks that are not currently being done by already established classifications.
Ms. George-Hatcher commented that there are still many questions that will need to be worked on such as issues pertaining to layoffs, promotions, transferability between the Supported Employment Program and other Civil Service classifications among others. Mayor Condon’s desire is that this would not be just a training program but a full employment program. Ms. George-Hatcher explained how the trainee program would enable persons with significant disabilities to enter the Supported Employment Program and after a short period of time, the individuals in the trainee program would be appointed as classified employees subject to all the Civil Service rules. She was of the opinion individuals would be provided with the appropriate type of test designed to determine qualifications which may not necessarily be a written exam and may involve other types of selection measures.

Mr. Scott Stephens asked about support from bargaining units and if the supported employment program hires would be represented. Ms. Christine Cavanaugh, HR Director, stated that most likely they would be Local 270 members and that the union was supportive.

Mayor Condon thanked the Commission for their time and said he hoped that his vision for a 21st century workforce would be realized. Mr. Hult asked Mr. Piccolo if there would be any Charter violations if the program was adopted under Civil Service Rules as proposed. Mr. Piccolo responded that there were no legal concerns and that the program adopted within Civil Service Rules would not violate the Charter. He said the rules provide a way for the Supported Employment Program to exist within the confines of Civil Service.

Mr. Hult asked for comments from staff and the audience. Ms. DeCounter asked about other outside organizations besides Skils’kin that the City would be working with and also asked about how this will be paid for. Ms. Cavanaugh stated that for the success of the program, they are working with only Skils’kin for ease and streamlining. Also, there is no funding source for this program but that the experience, integration and things that we can all learn makes this a worthwhile program regardless of the cost. Ms. George-Hatcher said she had also been in touch with Sima Thorpe of ARC and that information on this was also provided to the Civil Service Diversity Recruitment Committee. She also expressed that the program will add to the workload of Civil Service Analysts and another benefit of the request for an additional Analyst for 2018.

Mr. Hult read both resolution options to the Commission.

A motion to adopt the Supported Employment Program through the Civil Service rules was put forth by Ms. Gilmore and was seconded by Mr. Lindsey. The resolution passed unanimously.

**Agenda Item IV.**

**Class Resolution**

**Adopt:**
- SPN 154 Public Safety Systems Analyst

- SPN 176 Buyer II to SPN 176 Procurement Specialist
- SPN 177 Senior Buyer to SPN 177 Senior Procurement Specialist

A motion to adopt was put forth by Ms. DeCounter and seconded by Ms. Gilmore. The motion passed unanimously.

**Agenda Item V.**

**Voiding of Lists**

A request for the current Permit Technician I and the Senior Project Manager lists to be voided has been brought forth with the concurrence of both labor and management.

There was discussion and clarification provided by the Chief Examiner regarding the situation.

Ms. Kris Becker Development Service Manager addressed the Commission, provided input and responded to questions.

A motion to void the current Permit Technician I and Senior Project Manager List was put forth by Ms. Gilmore and seconded by Mr. Lindsey. The motion carried unanimously.
Agenda Item VI.
Administrative Complaint

An administrative complaint has been brought forth by Mr. Tim Dunivant in response to the decision made by the Chief Examiner. Ms. Gita George-Hatcher, the Chief Examiner determined that Ms. Kimberly Bustos who was terminated from her non-classified position as Director of Accounting had reinstatement rights to her classified position of Division Accountant from which she was granted an indefinite leave of absence by the Civil Service Commission. Additionally, the Chief Examiner determined that Ms. Bustos also had bumping rights for the Division Accountant position, over someone with less seniority than her.

The summary of Mr. Dunivant’s complaint is that civil Service Rules do not distinguish between voluntary and involuntary separations and therefore there should be no difference as to bumping rights; that Ms. Bustos should not be provided reinstatement rights after five years of having left the classified service; and that the rights provided to exempt employees returning to the classified service are greater than those provided to classified employees who move from one classified position to another.

Ms. George-Hatcher provided a background of the complaint and that the decision before the Commission was to determine whether the Chief Examiner’s interpretation and application of Article IV, Section 24 of the Spokane City Charter and Rule X Section 4(f) of the Civil Service Rules in the case of the reinstatement rights of Ms. Kimberly Bustos who was on an approved indefinite level of absence were interpreted and applied correctly, consistent with past practice as well as with guidance and interpretation by past Chief Examiners.

Mr. Michael Piccolo responded with respect to process, that the Chief Examiner would proceed first and then the City would present its case with witnesses being sworn in.

The Chief Examiner, Ms. George-Hatcher provided a historical account of Ms. Bustos’ initial hire as Division Accountant on 9/2/2008, her subsequent request for an indefinite leave of absence effective 7/9/2012 to accept the non-classified/exempt position of Chief Accountant and then later, another exempt position of Director of Accounting. The Chief Examiner provided information and documentation pertaining to notification received regarding the separation of Ms. Bustos from her non-classified/exempt position and her response to Mr. Dunivant. The Chief Examiner also provided recent and detailed examples of others who had been on approved leaves of absences and returned to their positions. She provided the example of Ms. Karen Stratton who returned to her classified position, bumping a less senior employee in the classification from which she received approval for an indefinite leave of absence. The Chief Examiner also provided the example of Mr. Mark Serbousek who was on an approved indefinite leave of absence and returned after 24 years. Mr. Serbousek was placed on layoff from the classified position he had occupied at the time of approval for an indefinite leave of absence as that position no longer existed in the department. Mr. Serbousek demoted in lieu of layoff and remains on the layoff register for his previous classification of Principal Engineer despite having accepted another position since then.

The Chief Examiner provided information on her decision making in this case and that she reviewed the language of the Charter, the Civil Service Rule, and documentation of the guidance provided by the previous two Chief Examiners, Mr. Glenn Kibbey and Mr. Denny Desmarais with Mr. Desmarais’ guidance occurring even before the language of the Charter was included in the Rule Book in 2008 and which remains consistent with the historic application of the Charter language and Rule X, Section 4(f).

Further, the Chief Examiner pointed out that the termination letter provided to Ms. Bustos on September 29, 2017 signed by City Administrator Theresa Sanders contained language informing Ms. Bustos that she may have bumping rights and to contact Civil Service concerning the same. The letter also stated that if Ms. Bustos did not have bumping rights, that her employment would end on October 13, 2017.

The Chief Examiner also responded to other concerns in Mr. Dunivant’s complaint including Mr. Dunivant’s opinion that the bumping rights should be the same whether the separation was voluntary or involuntary, that exempt employees should not have greater rights than classified employees with respect to returning to the classified service and that classified promotional rules be applied to exempt employees.

Mr. Nathaniel Odle from the City Attorney’s Office addressed the Commission and stated that he was representing the City and Mr. Dunivant. Mr. Odle provided a summary of the complaint and also gave a history of Ms. Bustos’ employment and termination. He stated that Ms. Bustos was terminated “for cause.” Mr. Odle stated that Mr. Serbousek voluntarily demoted and that Ms. Stratton was terminated because Mayor Verner was leaving office and the new Mayor replaced her with his staff. Mr. Odle stated that because classified employees terminated for cause are not allowed to return to their classified positions that exempt employees terminated for cause should also not be allowed to return to their classified positions.
Mr. Odle summarized the document explaining reinstatement from indefinite leaves of absence and opined that exempt employees who are separated wither due to “removal” by the Mayor or due to deletion of the position due to reorganization either should be treated as though they were being laid off because of the explanation provided in scenarios 1 and 2.

Mr. Tim Dunivant was sworn in and he addressed the Commission. He said he doesn’t have anything to add to Mr. Odle’s presentation. He stated he agrees with Mr. Desmarais’ language that the rules do not provide any greater or lesser rights; that the indefinite leave of absence is for the purpose of ensuring that there is no break in service and neither adds nor subtracts rights. He stated that he has struggled to understand why an employee who voluntarily demotes for personal reasons has less rights than someone who is terminated for cause.

Ms. Bustos was sworn in and addressed the Commission. Ms. Bustos stated that at a meeting she had with Mr. Tim Dunivant, on 9/29/2017. Mr. Dunivant suggested that she contact Civil Service as well, consistent with bumping rights language in the termination letter. Additionally, Ms. Bustos read from an email she had sent Mr. Dunivant after the termination regarding some staffing ideas. She read the email response from Mr. Dunivant thanking her and letting her know that he thought she could be an asset to the City, that there were pressing needs in some departments where she could add significant value. She said this was contrary to the statement that she was terminated for cause. Ms. Bustos also stated that she is a CPA in good standing that her entire career has been in the public service and that in the nine years she has been at the City she received one evaluation, she has never been under any Work Improvement Plan, has never been reprimanded for anything or other discipline in her file.

Ms. George-Hatcher provided clarification that the reinstatement rights provided to Mr. Serbousek on his termination were consistent with that provided to Ms. Bustos and past practice.

The Chief Examiner also clarified how the rules address voluntary demotions. There is no requirement for any hiring official to hire someone from a voluntary demotion list and no bumping rights are provided whether voluntarily demoting from a classified position or from an exempt position.

Mr. Lindsey requested that that the Human Resources Director address that Commission as Rule X requires the Human Resources Director Ms. Christine Cavanaugh to advise the Commission on all leaves of absence. Ms. Cavanaugh addressed the Commission. She said she drafted the letter for the Mayor’s signature and in this case the City Administrator as the designee of the Mayor and said that as she crafted that letter she did not anticipate that it would be interpreted in the manner than it was with respect to bump back rights as the termination was for cause. Ms. Cavanaugh stated that she did not state that the letter was for cause as this is not required in an exempt position and that she did not want to harm Ms. Bustos’ chance for other employment.

Additional clarification was provided by both Ms. Cavanaugh and Ms. George-Hatcher as well as additional comments and questions by members of the Commission.

Mr. Dunivant again addressed the Commission at the request of Mr. Craig Hult. Mr. Hult asked why there was not more than one performance review in nine years. Mr. Dunivant stated that frequent feedback is provided and that he was not the supervisor for the entire period. He said he had expressed concerns to her verbally that were not placed in her file.

Ms. Gilmore stressed that if there are problems with employees, that they should be documented always. She stated that under Rule X, Section 4 (f) an employee on an indefinite leave is able to return and that an indefinite leave is indefinite. Additionally she said during the lengthy rule review process and the study sessions with the Commission, nothing was brought up regarding Rule X, Section 4 (f).

A motion to deny the complaint from Mr. Dunivant was put forth by Mr. Lindsey and seconded by Mr. Scott Stephens. Mr. Stephens made a comment that he has had experience with indefinite leaves and that the purpose of this is to encourage current City employees to apply for and serve in appointed positions. Mr. Stephens expressed that without some sort of mechanism to return to the classified service, there would be no incentive for the employee and no opportunity to retain a good employee. The motion passed with one dissenting vote, thereby denying Mr. Dunivant’s complaint and upholding the Chief Examiner’s decision.
