MAYORAL PROCLAMATION
September 2019 Attendance Awareness Month
Council Member Stratton read the proclamation and presented it to a representative of the event. Good attendance helps children do well in school and eventually in the workplace. Good attendance matters for school success starting as early as pre-kindergarten and throughout elementary school. By middle school and high school, poor attendance is the leading indicator of drop out. Developing the habit of attendance prepares students for success on the job and in life. Nationally, nine out of ten districts experience chronic absenteeism. Spokane Public Schools reported chronic absenteeism, defined as missing 10 percent or more days, at 12.6 percent, more than 4,000 students of 30,000 students, during the 2017-2018 school year, and severe chronic absenteeism at 10.63 percent, more than 3,400 students. Chronic absenteeism is a problem we can solve when the whole community along with parents and school get involved in improving attendance. September is recognized nationally as attendance awareness month.

COUNCIL SALUTATION
Recognition of Browne’s Addition Historic District
Council Members Kinnear and Beggs read a salutation saluting the Browne’s Addition Historic District. The Salutation was accepted by representatives of Browne’s Addition. Developments that are compatible with existing structures increase property values, promote and maintain economic and social diversity, and celebrate Spokane’s history. The Spokane City Council passed an updated Historic Preservation and demolition ordinance in 2018 to protect the diversity and personality of Spokane’s unique neighborhoods. Browne’s Addition, Spokane’s first neighborhood, was fittingly the first neighborhood to coordinate an effort to be designated an historic overlay zone. Browne’s Addition residents showed resilience, grit, and passion for the preservation of the beautiful and historic neighborhood despite opposition and pressure from interest groups outside of our community. Browne’s addition residents succeeded in passing the landmark measure designating the neighborhood as an historic district, preserving the neighborhood’s character and uniqueness for years to come. Now, therefore, be it resolved by the Spokane City Council that we hereby salute the Browne’s Addition Historic District and commend all residents who organized and voted to preserve one of Spokane’s unique neighborhoods. Be it further resolved by the Spokane City Council that we hereby salute Megan Duvall and the City’s Historic Preservation Office for leadership and guidance through the Browne’s Addition Historic District process.

There was no Administrative Report.

Public Infrastructure, Environment, and Sustainability (PIES) Committee
Council Member Beggs reported on the PIES Committee meeting held earlier today (August 26, 2019). Minutes of the PIES Committee meetings are filed with the City Clerk’s Office and are available for review following approval by the PIES Committee.
BOARDS AND COMMISSIONS APPOINTMENTS
Ombudsman Commission

Motion by Council Member Burke, seconded by Council Member Mumm, to bring (and thereby appoint) Blaine Holman as District 1 representative to the Ombudsman Commission; carried unanimously.

OPEN FORUM

Jerry Beaver noted he is the business representative for the Carpenter’s Union – Spokane. He referenced a recent article in the Spokesman Review which indicates Spokane is the third fastest growing construction market in the country. He remarked on the growing workforce shortage in skilled trade workers and suggested as a solution a pre-apprenticeship grant that would go towards funding the Carpenter’s Union Career Connections curriculum, materials, instructors, and schools throughout the City. He feels this is a good opportunity to get high school students involved in a pre-apprenticeship program in the trades at an early age.

Stephanie Fox-Smith remarked on making the world a better place, corruption, and referenced events in her life.

Heidi Christiansen remarked on connecting the dots between veterans, homeless people, and health care workers.

Kristine Schuler remarked on homelessness and stated it is a top issue being talked about and remarked on the shortage of housing and what caused it.

Dustin Austin remarked on Riverside and Cedar, where as part of the Water Reclamation project fencing was taken out, and stated there is an open area with no guard rail or fence and expressed concern with a vehicle possibly going over the edge. He also referenced another location on the Maple Street onramp where there is an area with no guard rail.

Jon Lossing remarked on Downtown, street activation, and beautification. He stated there is a tree in front of Mod that is getting choked by its tree grate and expressed concern regarding planters not being watered by the Old City Hall and the removal of sitting areas.

CITY OF SPOKANE
NOTICE OF CITY COUNCIL PUBLIC HEARING

PROPOSED ORDINANCE C35810 - ADOPTION OF A NEW SECTION TO SPOKANE MUNICIPAL CODE: SECTION 17D.100.280

Notice is hereby given that there will be a public hearing before the City of Spokane City Council on September 23, 2019 at 6:00 p.m, in the City Council Chambers, Lower Level of City Hall, 808 West Spokane Boulevard, Spokane, Washington, to receive public testimony on a proposed ordinance relating to the adoption of the Browne’s Addition Local Historic District Overlay Zone to City Council on September 23, 2019 at 6:00 p.m.

The proposed new section has been brought forward by the Spokane Historic Preservation Office in response to a request from the Browne’s Addition Neighborhood Council that a local historic district be formed in the neighborhood. After conducting extensive historic research and engaging the community for input and feedback, a Browne’s Addition Local Historic District Nomination form, Browne’s Addition Local Historic District Resource Forms, and Browne’s Addition Design Standards and Guidelines have been developed for adoption of the district to the Spokane Register of Historic Places and for the formation of the Browne’s Addition Historic District Overlay Zone. Formation of a historic district will protect the historic character of the neighborhood while also providing numerous property owners with the financial benefit associated with historic preservation incentives without the requirement of having to individually list their home or building. And, as required in SMC 17D.100.100, a simple majority of owners of properties must consent in order to move forward with the proposal. The 60 day voting period for this proposal began on June 20th and ended on August 22nd resulting in a sufficient number of “yes” votes in order to move forward with the proposal. (54%, or 201 of 371 total votes.)

Written comments and oral testimony at the public hearings for these proposed actions will be made part of the public record. Only the applicant, persons submitting written comments and persons testifying at a hearing may appeal the decision of the City Council.

Any person may submit written comments on the proposed actions or call for additional information at:

SEPA: A Determination of Non Significance (DNS) and adoption of existing environmental documents was issued on May 28, 2019 by City of Spokane Planning, SEPA Lead Agency.

More information on the process: Plan Commission held workshops on this ordinance revision at three workshops (4/28/19, 5/8/19, 5/22/19) and held a public hearing on 6/12/19 where it passed 7-1. Spokane Historic Landmarks Commission has reviewed the proposed historic district at two meetings, a preliminary approval before the owners voted on June 19th, 2019 and a final recommendation of the historic district overlay zone to City Council on August 28, 2019 which passed 8-0.

As required in SMC 17D.100.100, a simple majority of owners of properties are required to approve the district formation in order to move forward with the proposal. Each developable parcel within the district boundary received one vote. There were 274 property owners with 371 total votes. Over 62% (171 of 274) of property owners returned a ballot. Of the ballots that were returned, nearly 82% (201 of 246) voted “yes” in favor of forming the district. However, due to the rules set forth in 17D.100.100, all non-retumed ballots are essentially counted as “no” votes. Therefore, the percentage of “yes” votes is 54% (201 of 371). 186 “yes” votes were required in order to form the district. A sufficient number of “yes” votes were received to move forward with designation of the Browne’s Addition Local Historic District.

The City Council was briefed on this proposal on Monday, September 9, 2019 at 3:30 p.m. There is no public testimony at the briefing. The 1st Reading of the ordinance before City Council is scheduled for Monday, September 9, 2019. Generally,
no presentations are made at the 1st reading, and no public testimony is taken at the 1st reading. The 2nd reading and public hearing for the proposed amendment is scheduled for Monday, September 23, 2019 at 6:00 p.m., as indicated above. At this meeting there will be opportunity for public testimony. The public may also submit written comment to the City Council at citycouncil@spokanecity.org. The City Council reserves the right to continue this public hearing.
