Step 11

“**Checkout**” and choose Payment Method, “**Pay by Check**” or “**Pay by credit card.**”

Purchasing permits with Credit Cards allows the permit to be fulfilled immediately.

If you choose to purchase a permit by check, we do not fulfill the permit until payment is received.

If paying by credit card, by “saving payment to my wallet” you are allowing the card to be saved in our permit system for future use.

Note:

There is a timer in the upper right corner that you should pay attention to because you must checkout before the time is up. You can extend your time; however, you may want to purchase permits in batches if you have a large number to purchase.
