- **SMC:** Spokane Municipal Code 16A.61.5703 provides for the creation of Special Loading Zones (SLZs) within a legal parking space by placing an authorized bag over a regular parking meter.
- **Usage:** Special Loading Zones are for vehicles engaged in the expeditious loading and unloading of commodities for a maximum of 30 minutes. Use in any other zones is prohibited. Food trucks, taxis, and mobile vendors are NOT eligible for Special Loading Zone bags.
