

## Volunteer Opportunities

### Art Enrichment

**Corbin Art Center Internship:** This internship is open to high school seniors, college students and adults who are seeking valuable skills in organization, education, and the arts. Flexible hours, professional work environment, and hands on experience will provide the resume building skills and experience needed for success.

### Business Administration

**Historic Archives Preservation:** Volunteers are needed to preserve historical documents for the City of Spokane. Offers flexible schedule with independent work environment.

**Customer Relations/Marketing/Front Desk Receptionist:** Gain valuable Customer Relations experience as you help customers register for classes, answer phones, and provide information regarding City of Spokane Parks and Recreation programs. Learn marketing techniques and promotion of Parks and Recreation's projects and programs.

### Outdoor Recreation

**Outdoor Trip Assistant** - If you have a talent for biking, kayaking, hiking, snowshoeing cross country skiing or other outdoor activities consider sharing your skills as an Outdoor Trip Assistant! Training is included and all class fees and equipment costs are waived for the trips you assist.

### Parks & Gardening

**Maintenance Assistant-** We are currently seeking individuals and groups who are seeking to gain practical hands-on job skills in park maintenance while keeping your local parks beautiful. **Friends of Manito Volunteer:** The Friends of Manito provide volunteers with an opportunity to connect with and learn from some of the area's master gardeners. TFM is committed to Manito Park through preservation and fundraising events. To learn more visit the [Friends of Manito website](#).

### Personal Interest

**Hobby Instructor/Entertainer** Do you have a skill in the arts, sports, or entertainment fields? Our programs are seeking volunteers who may be willing to teach and/or share their talent. Hobby Instructors get the chance to inspire and benefit people's lives.

### Therapeutic Recreation

**Therapeutic Recreation Services Assistant** We are recruiting passionate volunteers who enjoy assisting people with disabilities to explore and expand their talents. Volunteers can commit to specific TRS programs of interest listed in this guide. Training is included and all class fees are waived for the activities you assist.

### Trail Maintenance

**Trail Advocate** Volunteer outdoors and learn how to sustain a healthy trail. We are currently seeking people and groups who would like to clear and maintain our local trails.

Maintaining trails is also a great form of exercise.

### Green Corps Spokane

**Corps members and leaders - Volunteer Age 16+:** Volunteers will lead and/or assist with the cleaning, greening, and restoration of public lands by removing weeds and other invasive vegetation, native plant restoration, mulching with wood chips, sheet mulching, new tree planting, minor pruning, watering, forest health and fire mitigation.
