INCIDENT SYNOPSIS

The complainant is alleging that an officer was condescending and unprofessional when she tried to report a stolen motorcycle. She is claiming she was discriminated against because she is a transgender woman. She alleges the officer called her a liar and accused her of trying to get out of a \$30 dollar parking ticket. She claims the officer did not do a report on the stolen vehicle.

INVESTIGATION

The Internal Affairs Investigator contacted the complainant on 06/14/16. She indicated she was in danger of going to jail, and wanted to discontinue speaking with us. The complainant was advised to send a message to the investigator if she was booked in to jail. We received no response from her, a check of her history showed an outstanding warrant for 3rd Degree Assault. She was not booked into jail on the 14th as she expected, and has not contacted Internal Affairs to go further with the complaint. We attempted to call her again, but her phone is apparently shut off.

ANALYSIS AND CONCLUSION

This case was administratively suspended due to a lack of cooperation from the complainant.
