INCIDENT SYNOPSIS

The complainant was contacted by River Park Square security. The guard showed him a security badge and stated he was "with the Spokane Police".

COMPLAINT

The complainant reports that the security officer impersonated a police officer.

INVESTIGATION

Internal Affairs investigators interviewed the security guard. He said that he identified himself as having a limited commission through Spokane Police. It was determined that the guard did, in fact, have such commission. The investigation concluded that the guard did not impersonate a police officer. As far as any complaint of the officer's demeanor, it is outside the purview of Spokane Police Internal Affairs to conduct an administrative investigation involving someone outside the SPD organization.

ANALYSIS AND CONCLUSION

This complaint was administratively suspended.
