INCIDENT SYNOPSIS

This was a complaint about the driving habits of what the complainant believed to be a Spokane Police Officer.

COMPLAINT

The complainant stated that while driving North on Maple St. just crossing the bridge, a vehicle was in the left hand lane, when the vehicle turned into his lane almost hitting him. The complainant laid on the horn and the vehicle to his left stopped moving over, he turned on his signal and moved directly in front of him. The complainant then followed the vehicle to the station to confront him. The complainant described the vehicle as an unmarked Ford Crown Victoria with exempt plates featuring the letter "C" along with other numbers.

INVESTIGATION

Exempt license plates featuring the letter "C" belong to vehicles owned and operated by a Washington county. If the license plate was on a vehicle owned and operated by the City of Spokane, the letter featured on the license plate would have been "D".

ANALYSIS AND CONCLUSION

This complaint was closed out and was referred to the Spokane County Sheriff's Office for investigation.
