INCIDENT SYNOPSIS

Officers were called to a residence in which an eviction had taken place earlier in the day. The former tenants had returned to the property to pick up some items.

COMPLAINT

It was alleged that the officers allowed the tenants into the garage to retrieve some items in violation of the no trespass order given to them earlier.

INVESTIGATION

Internal Affairs reviewed the body worn camera footage, and it was determined that the officers did not allow the former tenants access to the garage or any other part of the premises.

ANALYSIS AND CONCLUSION

The complainant had relied on faulty information from a 3rd party. When advised of this, the complainant indicated that there was no basis for the complaint and did not wish to pursue it further.
