CHIEF OF POLICE

Closed Case Summary

Complaint Number: C19-021 OPO Number: 19-20
Date of Complaint: 3/13/2019
Allegation: Inadequate Response
Chain of Command Finding: Unfounded
Final Discipline: Not Applicable

INCIDENT SYNOPSIS

The complainant contacted a Spokane Police Officer and requested the officer write a report documenting allegations that a crime had occurred in the City of Spokane.

COMPLAINT

The complainant alleged that the officer did not take a report.

INVESTIGATION

The investigation consisted of a review of CAD (Computer Aided Dispatch) and interviews with the complainant and accused officer.

ANALYSIS AND CONCLUSION

The complainant had reported the same information on multiple dates to multiple officers. No evidence existed to show that a crime had occurred, and those findings were noted in CAD. The accused officer gave the complainant an incident number that corresponded with one of the CAD entries. No report was required. The complaint was deemed to be unfounded.
