## Closed Case Summary

Complaint Number: C20-080 OPO Number: 20-  
Date of Complaint: 11/5/2020  
Allegation: Demeanor and Policy Violation – Discrimination 340.3.3  
Chain of Command Finding: Administratively Suspended  
Final Discipline: Not Applicable

### INCIDENT SYNOPSIS

On 09/18/20, the complainant was stopped for a traffic violation and cited by the officer. Following the citation complainant was denied entry into the Safe Traffic Operation Program (STOP).

### COMPLAINT

The complainant alleged that his denial was because of retaliation for filing a previous complaint C20-077 in combination with discrimination due to an undisclosed disability.

### INVESTIGATION

The investigation included conversations with the involved citizen, and review of Policy and Practice. Through the investigation minor allegations were sent to the Traffic Supervisor for follow up and resolution.

### ANALYSIS AND CONCLUSION

The investigation has been administratively closed; the allegation has been referred to a supervisor for review. Additionally, Traffic Unit Standard Operating Procedures are being evaluated for revision to include STOP program practices.
