Date of Complaint: 12/12/2022
Allegation: Excessive Force
Chain of Command Finding: Administratively Suspended
Final Discipline: Not Applicable

INCIDENT SYNOPSIS:

Spokane Police officers, along with law enforcement officers from other area agencies, responded to a high school regarding a threat of violence.

COMPLAINT:

The third-party complainant alleged that a Spokane police officer pointed his gun at a student.

INVESTIGATION:

The investigator reviewed numerous incident reports written about the incident. The investigator reached out to the complainant repeatedly to gather more information that would be helpful to the investigation.

ANALYSIS AND CONCLUSION:

The complainant told the investigator that the family of the student would not provide any more information or cooperate with the investigator. Nothing was found through the investigation to corroborate the allegation from the third-party complainant.
