Closed Case Summary

Complaint Number: C24-055 OPO Number: 24-34

Date of Complaint: 7/10/2024

Allegation: Making a False Statement

Chain of Command Finding: Exonerated

Final Discipline: Not Applicable

INCIDENT SYNOPSIS:

A social services agency requested Spokane police officers respond to residence and check the welfare of the occupants. SPD officers responded and found no one at the residence. An officer contacted a neighbor and requested more information about the occupants of the residence in question. The officer requested the neighbor call 911 if she saw a specific male resident there, as there was a valid order prohibiting his presence at the residence.

COMPLAINT:

The complainant alleged that the officer told her false information regarding the residence and occupants.

INVESTIGATION:

The investigator reviewed body worn camera footage and background information about the residence and its occupants. The investigator interviewed the complainant.

ANALYSIS AND CONCLUSION:

The investigation concluded the officer did not provide false information to the complainant. The complainant relied on inaccurate information from her neighbor as the basis for her complaint. The investigation did note a late body worn camera activation by one officer, which was addressed by his supervisor.
