Summary:

On 3/12/13 at about 0155 Sean Walker called in to report that he was the victim of a carjacking at Wall and Rowan. He claimed that two black females had pulled him from his vehicle and took the vehicle. At about 0225 hours, Officer Chimienti located the vehicle as it was northbound on Addison from Standard. It was occupied by two black females.

Officers conducted a felony stop on the vehicle at 8400 N Nevada and detained the two females in handcuffs. We were in the process of trying to determine if there was probable cause for robbery at the time of the use of force incident.

One of the females, Shaneka Frazier, was standing outside of Officer Chimienti's patrol car. He was in the process of trying to interview her. She was very intoxicated and appeared to me to be argumentative. I was on the phone in my car talking with Officer Winters who was with the complainant/victim, about 30 feet from Officer Chimienti's car. I did not see the beginning of the physical altercation, but did see Officer Chimienti and Frazier both fall onto the ground. Officers Snider, Eckersley and Daddato assisted with trying to regain control of Frazier.

I saw that Frazier was not handcuffed. I was advised by officers, as they were trying to pull her right arm from under her body, that she had slipped one of the handcuffs off her hand. Frazier was not cooperating and she initially refused to pull her arm out from under her body. I watched as Officer Snider used an expandable baton to pry her arm out from under her body. Frazier finally complied and she was re-handcuffed. It should be noted that she was screaming hysterically during the altercation for officers to kill her.

I saw that Frazier suffered a scrape to her forehead from the fall with Officer Chimienti. I also saw that Officer Chimienti sustained scrapes to his left elbow from also falling on the paved surface. Injuries to both Frazier and Officer Chimienti were very minor. We did have medics respond to treat and evaluate Frazier at the scene.

Officer Chimienti advised that while he was talking with Frazier, he saw her pull her hands from behind her back and he realized she was no longer handcuffed. He said at that point she reached out grabbing a hold of his duty belt. He responded by grabbing her and stepping backward. The result was that both fell onto the ground. The fall to the ground caused the injury to Frazier's forehead and to Officer Chimienti's elbow.

Frazier was not cooperative and very emotional. Cpl Kakuda took photos of her injury but she was not cooperative and refused to follow his instructions.

The suspect's level of force was at a minimum active resistance and could even be viewed as assaultive at the point where Officer Chimienti grabbed a hold of the suspect. The resulting take down was as much as of a result of the officer losing balance as an intent to take the suspect to the ground. The officers actions, however, were within department policy.

NARRATIVE

On 031213 at 0152 hours Sean Walker contacted SPD to report that his fathers vehicle had been stolen while stopped at the intersection of Wall and Rowan. SPD radio broadcast the vehicle description, a green 2007 Ford Taurus (WA Lic #ALG8490) at 0158 hours. Officer Chimienti was in the area of Coza and Standard at 0225 hours and saw the vehicle. Officer Chimienti followed the vehicle until other Officer's could arrived and conducted a felony stop on the vehicle at 8400 N Nevada (See Officer Chimienti's additional).

I responded to [redacted] #4a to contact the complainant Sean Walker. Walker told me he was visiting a friend named Lee who lives near the south west corner of Francis and Division. Walker stated he was borrowing his father Robert's vehicle and began driving from Lee's residence to his father's home. Walker stated he drove through the neighborhood until he could turn west bound on Rowan. Walker stated he was traveling west on Rowan approaching the intersection with Wall. Walker stated he saw two females standing in the middle of the roadway on Rowan approximately one half to one block to the east of Wall. Walker stated he could not tell if the females were just standing in the roadway or if they were walking.

Walker stated he slowed his vehicle behind the females and came to a stop to keep from hitting them. Walker stated one of the females started to approach the vehicle and signaled for him to roll down his window. Walker stated he thought the females were going to ask for directions or a cigarette so he rolled down his window to speak to them. Walker stated one of the females grabbed his shirt by the collar while the other grabbed him by the back of the neck. Walker stated the females began pulling him toward the window of the vehicle while one of the females reached into the open window and opened the vehicle door. Walker stated the females pulled him from the vehicle then got into his car and drove away. Walker stated everything happened so fast and it took

INCIDENT CLASSIFICATION	ATTEMPTED	INCIDENT NUMBER
VEH-THEFT	☐	*13-078166*

him by surprise so he did not fight back.

Walker stated he could not recognize the females if he saw them again but described them both as black females. Walker stated one was short and one was tall and they were both dressed in dark colored clothing. Walker stated he did not know what to do so he immediately called his father and told him what happened. Walker stated his father called his Uncle to come pick him up and bring him home. Walker stated he continued walking west on Rowan and was picked up three blocks to the west of Wall. Walker stated he went to his fathers residence where he obtained the vehicle information then called the police.

Walker stated he has never met the females before and he did not know who they were. While speaking to Walker I had him tell me his account of the incident several times and he was very consistent with his sequence of events. I explained to Walker that regardless of what happened he would not be in trouble but that it was very important to know the truth. Walker stated he would not lie to me and that his account was what happened.

I saw Walker's shirt had been torn from the collar to approximately half way down his chest. I looked at Walker's neck where he said he was grabbed and I did not see any visible injuries to Walker's neck. Walker stated he was not injured during the incident.

I contacted Sergeant Hendren who was with Officer Chimienti and advised him of Walker's statement. I advised there was PC to arrest the occupants of the vehicle for Possession of a Stolen Motor Vehicle and stated due to Walker not being able to ID the females there was not PC to arrest them for Robbery. The females were identified by Officer Chimienti and Officer Snider as Destini Richie and Shaneka Frazier. Frazier and Richie were placed under arrest for Possession of a Stolen Motor Vehicle and transported to jail where they were booked without incident.

Robert Walker responded to 8400 N Nevada and picked up his vehicle.

NARRATIVE

On 03/12/13 at approximately 0225 hours I was sitting in the driveway of the Lyons Crest Apartments, 6616 N Addison, in Spokane, Wa. I saw a four door green Ford Taurus pass by me traveling n/b on Addison. The vehicle matched the description of a vehicle that was stolen in a reported car jacking. I was in my fully marked patrol vehicle equipped with overhead lights and siren. I was wearing my department issued uniform.

I began to follow the vehicle as it went n/b. In that block Addison converges into Standard. The vehicle continued n/b on Standard. I was able to read the license plate of the vehicle, AGL8490/WA. It returned on a green 2007 Ford Taurus four door. Police radio confirmed that was the same vehicle that was reported stolen in the car jacking. I advised radio of my current location with the vehicle and the direction of travel. The vehicle continued n/b on Standard and then went e/b on Lincoln Rd. The vehicle continued e/b on Lincoln Rd and then went n/b on Nevada. I continued to follow the vehicle until another unit arrived. In the area of 8400 N Nevada, Officer Snider arrived, and we activated our emergency lights to initiate a traffic stop. The vehicle pulled into the parking lot of the apartments at 8400 N. Nevada. The vehicle was occupied by two black females. We conducted a felony traffic stop, called both the driver and the passenger out of the vehicle. Officer Snider detained both females in handcuffs pending further investigation.

The vehicle was cleared and no other passengers were located inside the vehicle.

I then contacted the female passenger. She was wearing a black shirt and dark colored sweatshirt. She was wearing dark blue jeans. The female verbally identified herself as Shaneka Frazier. Frazier had the odor of intoxicants, her eyes were blood shot and watery, and her speech was slurred. I read Frazier her constitutional rights from a pre printed rights card. Frazier verbally stated, "yes" that she understood her rights, and again verbally stated, "yes" when I asked if she would answer my questions.

Frazier then told me that she did not steal the car. She continued to tell me that a friend let her borrow the car. However, she could not provide me with the name of her friend and told me that she had just met him. She described him as a w/m but could not tell me anything else about him. Frazier then told me that she does not remember where she met him. He is a friend of a friend. Frazier then told me that she does not know his name and that she is a prostitute.

Frazier repeated her story multiple times and continued to tell me that she did not steal the car and her friend let her borrow it.

When I asked where she was when she borrowed the car, she told me that she was in the area of Francis/Atlantic. She cold not tell me an address of a house or any witnesses that would support her story that she borrowed the vehicle.

Frazier again told me that she did not steal the car. Her story changed at that point and she told me that there were two w/m's that were in the car when she borrowed it.

Frazier told me that she is intoxicated and she does not have a very good memory. She could not tell me where she was drinking. When I asked her about the female that was driving the vehicle. She told me that the female was her cousin "D." She could not tell me where she met up with "D" and could only tell me that "D" lives on the "West Side." I asked her to provide me an address where her cousin "D" lives. She could only tell me down by the court house.

I was interviewing Frazier at the rear of my patrol car. She was handcuffed with her hands behind her back. Frazier was not giving my any more information and continually repeated that she did not steal the vehicle. I told Frazier that she was under arrest for possession of a stolen motor vehicle. I went to place Frazier in the back of my patrol car. I then noticed both of Frazier's hands come out from behind her back. I saw that Frazier had slipped her right hand out of the handcuff. She took a step towards me, reached out with both her hands, and grabbed onto my duty belt. I swiped both her hands off my duty belt and took control of her upper body. I told her to stop grabbing for me. Frazier continued to try and grab a hold of me. I then took control of her upper body in attempt to gain control of her. I took one step back with my left foot. Frazier and I fell to the ground. Frazier

CARJACKING	☐	*13-078166*

was face down on her stomach. As we fell to the ground I hit my left elbow on the pavement. I was then able to gain control of her left arm and move into a prone handcuffing position. I had control of her left arm but Frazier had her right arm tucked underneath her. I verbally directed her to remove her right arm from under her and place it behind her back. Frazier made the statement, "No, just kill me!" I again verbally directed Frazier to remove her right arm and place it behind her back. Frazier continued to make multiple statements, "just kill me!" I then verbally directed Frazier to quit resisting and place her right arm behind her back. At that point, Officer Snider came to assist me. He was unable to remove Frazier's right arm from under her. He then used his collapsable baton for leverage to remove her right arm out from beneath her and placed it behind her back. Frazier was then handcuffed using two sets of handcuffs that were double locked.

As we sat Frazier up, I saw that she had a small cut on the right side of her forehead that was bleeding. The small cut appeared to be consistent with her landing face down on the pavement. Medics were called to the scene to check on and treat Frazier's injury.

Corporal Kakuda responded and photographed Frazier's injury and the injury that I sustained during the struggle.

Sgt. Hendren was on scene and advised of the use of force and arrest.

Frazier was then placed in the back of my patrol car.

I transported and booked Frazier into Spokane County Jail for Possession of a Stolen Motor Vehicle without further incident.

NARRATIVE

On 03-12-2013 at about 0225 hours, I responded to Lincoln Rd. and Nevada to assist Ofc. Chimienti as he was following a stolen vehicle. I remember radio completing a general broadcast about a car jacking at Rowan and Wall earlier in the shift. In fact I was en route to [redacted] to contact the victim and take the report.

I caught up with Ofc. Chimienti just north of Lincoln Rd. I saw that he was behind a green Ford Taurus 4 door. I saw the plate was Wa# ALG8490. We activated emergency lights in an attempt to stop the vehicle. The Taurus pulled into the parking lot of 8400 N Nevada. As we pulled in I could see that there were two female occupants in the vehicle. I saw the occupants were black females. The general broadcast earlier had stated the suspects were black females. Ofc. Chimienti and I conducted a high risk stop. Ofc. Chimienti and I took two females from the vehicle and handcuffed them and told them they were being detained.

I contacted the driver of the vehicle, Destini Juanita Leavitt (Richie). I saw she was wearing a black t-shirt and black hooded sweatshirt. At 0232 hours I read Leavitt her constitutional rights from a card. Leavitt said she understood her rights and agreed to answer my questions.

Leavitt initially said she was at home when her cousin, Shaneka Frazier, had called her from "The Flame" bar. Leavitt said she called Spokane Cab at 568-8000 to come and pick her up at 1403 W Mallon. She said she arrived by cab to the Flame and paid "$12.00 and some change" for the ride. I called Spokane Cab and talked to the dispatcher. She said that she had no call for a ride from 1403 W Mallon to the The Flame. She said there was no shift change or a change in drivers for the night either. Leavitt maintained the cab ride to The Flame and contacted her cousin. She said she and Frazier left The Flame and they had the car. She later changed her version of the incident. Her second recollection of the incident was she and Frazier were at the "Suki Yaki Inn" downtown. She said Frazier had met up with a W/M. The W/M gave them a ride to the "north side" and went to an unknown home. As they were at the home, the W/M told Frazier that she could take the car, as long as she brought it back by midnight. Leavitt said, "That's why he called, we didn't bring the car back when he said."

When I told her the allegation of the car jacking, she immediately denied it. She said she did not steal the car, nor did she assault anyone to get it. She admitted to not telling me the truth on the first initial version of the incident.

I was near my patrol car when I saw Ofc. Chimienti struggling with Frazier at his car. I saw that she had her hands in front of her. Ofc. Chimienti and Frazier were on the ground. Frazier was laying on her stomach and had her right arm and hand under body. I heard Ofc. Chimienti tell Frazier to pull her arm out. Frazier yelled, "No, just kill me! Just kill me!" I used my collapsable baton and used it as a leverage device. I placed it at the inside of her elbow and slowly pulled her arm out from under her body. She was again placed in the

handcuff she had slipped. (See Ofc. Chimientis report.)

Ofc. Winters contacted the victim of the car theft (See Ofc. Winters report.) It was determined that probable cause did exist for possession of a stolen motor vehicle for both Leavitt and Frazier. I told Leavitt she was under arrest for possession of a stolen motor vehicle.

I transported Leavitt to jail and booked her for possession of a stolen motor vehicle.
