Incident Summary

Ofc Erickson stopped to check the welfare of a male at 7028 Division. The male was intoxicated and said his name is #14 060383. #14 was uncooperative and pulled out a Kobalt razor/knife combination tool. #14 refused to drop the knife and told Ofc Erickson, "You need to make a decision." Ofc Erickson had drawn his duty weapon and drawn and pointed at #14 ordering him to drop the knife. #14 was about 15 feet from Ofc Erickson and took a step toward the officer. #14 then started walking to the north holding the knife up to his own throat. Ofc Erickson was following #14 with his weapon at the low ready continually giving him verbal commands to drop the knife. Ofc Erickson continued to give updates of their location and of #14 placing the knife to his own throat and pointing it at Ofc Erickson.

Ofc Honaker, Nollmeyer, S Storch, Applewhaite and Sgt Anderson arrived to assist. They formed a contact team with Ofc Nollmeyer deploying his taser as is a Model Taser X2 that has 35 foot wires. Based on the time of day, heavy vehicle traffic, open businesses, #14 continual refusal to comply with officers commands to drop the knife. Ofc Nollmeyer announced index, aimed the taser at #14 left shoulder blade and deployed the one taser cartridge. #14 body stiffened and he fell to the ground. #14 then moved the blade to his throat and cut his own throat twice. The knife was kicked out of #14 hand and he as restrained and Ofc Kernkamp rendered first aid. He was transported to the hosiptal treated, released and the booked for 1st Assault.

Based on the totality of the circumstance Ofc Erickson and Ofc Nollmeyer's use of force was justified and within policy.

In compliance with policy per Assistant Chief Dobrow 07/14/14.

7/12/2014	Sergeant John Gately	Lieutenant Alan Arnzen	(none)	Lt here is a use of force for Erickson and Nollmeyer.	<input checked="" type="checkbox"/>	Officers were dealing with a person armed with a knife. This person was clearly a danger to himself and others. Pointing of a firearm by Officer Erickson was appropriate as #14 was armed with a weapon. #14 failed to obey commands given by the officers. The use of the Taser by Officer Nollmeyer to end this situation was also appropriate. The force used by officers Erickson and Nollmeyer was appropriate and within policy. Lt. Arnzen 095
7/14/2014	Lieutenant Alan Arnzen	Captain Daniel Torok	Lieutenant Matthew Cowles	Captain Torok for your review and recommendation.	<input checked="" type="checkbox"/>	I concur with Lt. Arnzen that the force used by both Ofc. Erickson and Ofc. Nollmeyer, were consistent with policy.
7/14/2014	Captain Daniel Torok	Asst Chief Patrick Dobrow	(none)	For review	<input checked="" type="checkbox"/>	I have reviewed this incident and find that the use of force was appropriate and within policy.

Avenue, Spokane, Washington. I observed a male laying on his back in a barked area in front of the storage business at 7028 N. Division. The male was not moving, and his eyes were closed. I turned around Wedgewood Avenue, and came back to perform a welfare check on the subject. I pulled into the parking lot several feet to the east of the subject, and got out my vehicle to contact him. As soon as my door shut, the subject sat up and looked at me.

I asked the subject if he was okay. He stated that he was. His speech was slurred, and his upper body swayed back and forth, even as he sat. His eyes had difficulty tracking movement. I asked the subject for his name. He asked, "My name?" I stated yes, and he identified himself as #14 06/03/83. As I began running his name through radio, he put his left hand into his pocket. I asked him to remove his hand, which he did. I continued running his name, at which point he stood up. I asked him to have a seat; to which he complied after several moments. #14 was scanning the area and had a grim look on his face, as if he were planning something. His actions concerned me to the point that I put away my notepad and pen, though I had not received the return from radio yet. It should be noted that I usually keep my notepad out to confirm the information radio gives me on the return, with the information I have written on my notepad. In this case, #14 was giving me indication that he might either physically attack me, or attempt to flee. I kept my hands free to be able to deal with whatever situation might arise.

Radio began giving me the return on #14. #14 stood slowly. I again asked him to have a seat. #14 quickly reached his right hand into his right, front pants pocket, pulling out a blue "Kobalt" knife/razor combination tool, as he began running away from me to the north. I drew my weapon, and began yelling at #14 to "drop the knife". #14 was bent over working on getting the blade(s) open. He was able to get the knife open, and continued away in a more upright posture. #14 got to approximately 15 feet away from me when he stopped, and turned around to face me. He took a step towards me. #14 held the knife down by his right side, with a blade facing towards me. #14 looked me in the eye and stated calmly, "You need to make a decision." Based on the proximity of #14 to me, the weapon system that #14 was in possession of, and the fact that he stopped and turned towards me, indicated that he was a deadly threat to me. I began squeezing the slack out of the trigger on my service weapon, while on target at #14 center mass. #14 turned and continued to walk northbound on the east side walk of Division Street before I fired a shot. I returned my weapon to the low-ready and followed after #14. I notified radio the situation; who sent back up units. It should be noted that there was heavy commuter traffic in both directions on Division Street.

#14 began holding the knife to his throat, while continuing to walk northbound. He would occasionally look back at me, and point the knife back towards my direction. As I was following him I used cover that was available, continuing to yell at him to drop the knife. Based on the situation, I felt that I needed to follow #14 to ensure that he did not hurt anyone else, but still keep enough of a buffer between him and me for my safety. I asked for a unit to bring up a Taser. #14 continued to say that I needed to make a decision. He continued to hold the knife to his throat, or point it back

to me. At one point he looked back at me and asked whimsically, "You want to go into traffic?" #14 veered toward Division Street for a step or two, but then continued northbound.

Officer Honaker arrived on scene, and followed in his patrol car, using it to keep traffic blocked in the east northbound lane and as mobile cover. #14 continued to hold the knife to his throat, or point it back at me.

Officer Nollmeyer, Officer Applewhaite, and Ofc. S. Storch approached as a contact team from the south. They advised that they had a Taser. Officer Nollmeyer applied a Taser dart application to #14 back, as he was still holding the knife to his throat. #14 continued to hold the knife to his throat, though his body went rigid. #14 turned towards us, but fell backwards onto the ground (still holding the knife to his throat). I yelled at #14 to drop the knife; which he continued to hold to his throat. Once on the ground, #14 began slashing his throat (across his throat length-wise), as the contact team move towards him. I was still yelling at #14 to drop the knife, but he refused. Officer S. Storch kicked #14 right elbow, causing the knife to the projected out of #14 hand. I assisted in taking #14 into custody, and Officer Honaker guarded the knife. Medics were called immediately.

#14 had at least two 6 inch slashes across his throat. Officer J. Kerncamp retrieved a wound dressing, and applied it to the injuries. When #14 could hear the sirens of the medics coming closer, he began struggling. We applied handcuffs (DL and PS) to #14, to better control his movement. #14 made the comment, "I've been waiting for you (the police)", indicating that the situation may have been planned by #14. When asked about that specifically he refused to answer.

Medics arrived on scene, and assisted in providing medical assistance to #14 (SFD Engine 18).

Officer Phillips rode in the ambulance with #14 to Sacred Heart Medical Center.

Detective Hensley arrived on scene, and conducted interviews.

Officer Honaker collected the evidence, and booked it on property.

Based on the information available, I determined that I had Probable Cause to arrest #14 for First-Degree Assault; primarily for the instance where #14 turned with the knife and took a step towards me, but also for the instances where he would point the knife back in my direction.

#14 was released from the hospital, and booked into jail on my Probable Cause. I filed a charging request on #14 for First-Degree Assault (see attached).

On 7/10/14 at 0734 hours Ofc. Erickson advised over the radio that he would be checking on male laying down near the roadway at Division/Weile.

A short time later, Ofc. Erickson advised the male he was checking on was armed with a knife, refusing to listen to verbal commands and unwilling to drop the knife. Ofc. Erickson advised he had the male at gun point. The male was identified as **#14** was running north bound away from Ofc. Erickson, while holding a knife to his own throat.

It was clear by the radio traffic that **#14** was suicidal and was placing himself and others in danger while still being armed with a knife.

Ofc. Erickson continued to give him verbal commands, with **#14** refusing to listen.

Upon arrival I saw several Officers attempting to negotiate with **#14** to drop the knife. He refused to listen and cooperate. **#14** made several quick slashes horizontally across his neck, near his throat.

Ofc. Nollmeyer quickly used his taser to subdue **#14** and prevent him from applying any further injury to himself or others.

I observed several large lacerations across the throat of #14. Blood was starting to spirt out of the left side of his neck. Using a large trauma dressing I applied direct pressure until medics arrived.

While waiting for medics I rolled #14 over to the right side recovery position to ensure the blood could escape and not impede his airway if it had been punctured.

I could smell a large odor of intoxicants coming from #14. He admitted to laying on the ground and waiting for Officers to contact him, saying "I was laying there waiting for you guys". "I want to die." #14 continued to ask me to release the bandages so that he would bleed out and die.

#14 repeatedly said he was trying to get Ofc. Erickson to kill him because, "today is a good day to die." #14 admitted to setting up an bait, or ambush for Officers to get attention so the Police would contact him and get close to him. His thought was that he pulled a knife while close enough to Officers, he would be shot and killed.

I continued to talk to #14 hold pressure on his wound and maintain control his body movement until medics arrived.

#14 was transported to SHMC where he was treated for his injuries. He was booked into SCJ for 1st Degree Assault-armed with a knife.

NARRATIVE				

On 071014 at 0738 hours I responded to the area of Weile and Division in Spokane regarding a man with a knife to assist Officer J. Erickson. I was driving SPD vehicle #359, a black and white marked police car with overhead light bar. I was dressed in a department approved uniform. Previously I heard Erickson check out with a man down at Weile and Division. A short time later I heard Erickson advise over radio that the man was armed with a knife and was refusing to put it down.

Erickson advised the man was walking away N/B on Division. On arrival I saw Erickson with his pistol draw at the low ready. I saw the male, later identified to me as #14 walking away from Erickson N/B on the east side of Division. They were walking along Division in the Columbia Paints parking lot. I could see a knife in #14 right hand. The silver blade was visible in the bright daylight.

Erickson was giving #14 commands to drop the knife. #14 was walking away from Erickson holding the knife up to his own throat. #14 had his back to Erickson at that time. #14 would swing around with the knife and hold it out at Erickson at arms length. It was an aggressive move and #14 was saying something back to Erickson but I could not make it out. #14 facial expression did not suggest he was agreeing with Erickson to drop the knife. Erickson continued with steady commands telling #14 to drop the knife.

Erickson and #14 were approximately 20 feet apart during this interaction. Morning traffic on Division was heavy in both directions. I activated my overhead lights. I made the choice to stay in my vehicle and block vehicle traffic from the curb lane while rolling along with Erickson and #14. There were several reasons why this was important. #14 was obviously failing to follow commands given in a clear manner from a properly uniformed police officer. #14 was in no way contained. #14 had the ability to move in any direction. His behavior suggested he was in a suicidal/homicidal state. I wanted to protect vehicle traffic from a sudden encounter with #14 and I wanted to prevent #14 from a suicidal run into morning traffic.

Unfortunately, my positioning with the front part of my vehicle equal north to #14, I could not lower my passenger side front window to hear what was #14 saying. This would expose me to an unpredictable person armed with a edged weapon while seated and belted in my car. I could hear Erickson as my rear windows were lowered just a few inches allowed by the cage settings and Erickson was equal to my rear windows.

#14 continued alternating between walking away from Erickson N/B with the knife to his neck and then turning around extending his arm with the knife at Erickson. #14 did this several times. Erickson was in a perilous position. Erickson had no cover. It was necessary for Erickson to follow #14 in case Erickson had to protect innocent citizens from #14. Businesses were opening, I saw employees going into buildings, and there was pedestrian traffic in the area as well. This put Erickson dangerously close to #14.

I made the decision that if #14 tried to advance back to Erickson, I would attempt to place the hood of my vehicle between #14 and Erickson to provide Erickson cover as he had none. I also made the decision not to let #14 go around my vehicle W/B into vehicle traffic.

During this time we continued moving N/B through the Auto Zone parking lot and into the Aspen Sound parking lot.

I heard other units responding and I heard Ofc. Nollmeyer advise he was coming with an extended range taser cartridge.

I saw three motorcycle officers arrive on scene in my rearview mirror. They all dismounted and appeared to join up with Erickson. I moved my passenger side door equal to #14 to move it more difficult for him to head W/B. At this time I turned my focus to only watching #14 and listening to the officers behind.

#14 was walking away with his back to the officers. I heard a taser deploy and I saw #14 straighten up like a board just outside my passenger side window. #14 did a half turn to face the officers and fell backwards to the ground.

I put my vehicle in park and ran around the front of my vehicle to assist in taking #14 into custody. #14 was on his back next to the passenger side of my vehicle. I saw Ofc. Storch kick #14 right arm and I saw the knife flying into the parking lot to the east of us.

To my surprise, I saw #14 had two deep approximately six inch in length cuts horizontally across his neck. #14 had obviously caused these injuries after the taser deployment. The cuts exposed the anatomy of #14 neck. Officers had control of #14 arms.

Ofc. Kernkamp arrived on scene. Kernkamp is a department medic and Kernkamp began giving #14 medical aid including applying pressure to #14's wounds. I requested medics for #14's injuries.

Later Fire and AMR arrived. #14 was transported to the hospital for medical treatment by AMR.

I collected the Kobalt blue handled multi tool from the parking lot. The box cutter was extended and a knife blade was also partially extended. The tool was covered in places with **#14** blood.

I collected Nollmeyer's taser cartridge, serial #C61000D23 / 22152 REV X1. There was only one probe. I did not locate the other probe. I placed both items on property for evidence.

NARRATIVE						

On 07/10/2014 at 0737 hrs I responded to the area of 7306 N. Division on a suspicious person call. Officer J. Erickson checked out with the subject around 0734 hrs. Minutes later he advised the subject ran from him while holding a knife to his neck.

I arrived on scene around 0743 just after officers were taking the subject into custody and rendering aid to his injuries.

I was directed by the on scene supervisor S. J.D. Anderson to attempt to identify potential witnesses. I went to the Auto Zone at 7306 N. Division as it appeared to be the only business opened.

Inside were employees Grant Smith, Katie Garrett, Ryan Epley and Jessica Nowling. They all stated they were watching the incident from inside the business. They all stated officers were yelling at the subject who continued to walk north on Division away from them. The Male had something to his neck "possibly a phone" and he appeared to be non compliant. Then they heard a "pop" and the subject fell to the ground. That is when officers arrested him.

I asked them if they were certain the item being held to his neck was a phone and they said "no". They were about 200'-300' away from the incident so it would have been difficult to definitively say what the item was.

I relayed the information to Sgt. J.D. Adams and cleared the scene shortly after.

On 07/10/14 at approximately 0734 hours I was at Division St. and Wellesley Ave. working on reports. I heard Ofc. Erickson call out that he was with a male on Division St. Approximately three minutes later I heard Ofc. Erickson advise that he had one at gun point.

I activated my emergency equipment and responded to his location at Division St. and Weile Ave. While enroute I heard that the male had a knife and was refusing to drop it.

I arrived minutes later. As I was pulling in I observed the male, with a knife to his throat, walking northbound on the east side of Division St.

I observed a taser being deployed and the male, later identified as **#14** fall to the ground in the parking lot.

I approached **#14** who was now laying on the ground. **#14** was being restrained by multiple officers. I observed two large lacerations to his neck. Ofc. Kernkamp arrived and attempted to stop the bleeding.

Spokane Fire Dept. and AMR arrived on scene. **#14** was placed on a stretcher and transported to Sacred Heart. I traveled with **#14** in the ambulance.

At the hospital I filled the form explaining that **#14** was both homicidal and suicidal. I provided the form to charge nurse Brenda. I explained that, for charging purposes, police needed to be notified prior to **#14** release. She said **#14** was headed to surgery. I attempted to clarify that if **#14** was cleared medically, that he would be held on a psychiatric evaluation based on the homicidal and suicidal actions. I was never provided with a clear answer although I approached it from multiple avenues.

Under the section for "Person to be contacted prior to release" I provided the name and cell number for Sgt. Gately. Under the section for "Law enforcement to be contacted prior to release" I put "same." I provided the form to Brenda who said she was going to highlight that section of the form.

I responded to the call for assistance by Officer Erickson. When I arrived, several officers were already onscene. I observed the suspect on the ground on his back with a substantial cut to the front of his neck. I also observed taser leads leading to him. Officer Kernkamp, a SWAT Medic, was starting first aid. Fire and AMR had already been advised to expedite. Officer cuffed the suspect as Kernkamp rendered aid. I also observed a knife about 10-15 feet away from where the suspect currently was.

I confirmed that a Shift Commander was on the way. I was advised that Captain Torok was. Sgt. Gately advised me that he had already starting Major Crimes as they were already working. I sent some officers to check area businesses for witnesses. We also secured the scene.

Sgt. Storment, Lt. Singley, and Captain Torok arrived at the scene. Medics transported the suspect to the hospital and I appointed Officer Phillips to ride in the ambulance with the suspect. It should be noted that the suspect with assistance was able to get up and walk over to the gurney.

Cpl. Schaal took photos of the scene.

After the hospital advised the injuries were not life threatening and we had collected the evidence from the scene, the parking lot was opened back up.

I was not present for the use of the Taser and the cutting of the neck. Officers advised that he cut his own neck after previously threatening Officer Erickson with the knife. He was tazed by Officer Nollmeyer. Officer Storch was able to get the knife away from the suspect by kicking his elbow.

The hospital treated and release the suspect. He was then booked into jail for 1st Degree Assault on Officer Erickson. I also advised booking officers to complete the mental health paperwork on him so jail could get him evaluated.

On 7-10-14 at about 0737 hours I heard Officer J. Erickson request backup for a suicidal male with a knife to his throat at Weile and Division. I was at Division and Longfellow and responded to Erickson's location.

As I approached the scene, I could hear Officer Erickson giving commands to drop the knife and could clearly see a white male in a black t-shirt walking away from Erickson with a knife to his throat. There was a police car to the left of Officer Erickson who was on foot following the suicidal subject.

This subject was on the east sidewalk and walking sideways at an angle as he spoke to Officer Erickson. I got off my police motorcycle at the same time Officer Storch was exiting his motorcycle. I began to follow the subject as well and had the my gun at a low ready. Officer Nollmeyer approached our location from the south with a taser and gave the command " Index." -see Officer Nollmeyer additional- The subject was tasered in his back and fell to the ground on his back. I could see that his body was stiff as he fell to the ground with the knife still at his throat. Once on the ground I saw the male pull the knife across his neck about 4 -5 times. He did successfully cut into his neck/throat area. Officer Storch who was to my left kicked the knife out of the subject's hand. -see Officer Storch additional- The subject was bleeding from his neck and Officer Kerncamp applied dressing to stop the bleeding.

I held on to the subject's right arm during the first aid. The subject asked that we no longer provide pressure to his wounds. He also said he placed himself in the position for officers to purposely make contact with him. He began to tense up and pull away from me refusing first aid. I assisted Officer Erickson in handcuffing the subject.

On 7-10-14 I was working in the area of 5600 N. Nevada. I heard Officer J. Erickson over the air check out with a subject at Division/Weile. Minutes later, I heard Officer Erickson advise that he had a subject with a knife to his throat, and that male was refusing to drop the knife.

I activated my emergency lights and sirens and responded to the area of Division/Weile. I was unable to hear the majority of the radio traffic while enroute due to my siren. I arrived and could see Officer Erickson walking behind a male N/B on Division on the east sidewalk. I could hear him giving the subject commands to drop the knife. There was also an Officer in a police car driving alongside Officer Erickson. I could see that the subject was holding his hand up to his neck, but I was unable to see what he was holding since I was behind him.

I got off my bike and ran up between the mobile police car and Officer Erickson. Based on the statement by Officer Erickson that the subject was armed with a knife and not obeying commands, I drew my weapon and held it at a low ready position.

Officer T. Nollmeyer arrived and advised that he had a TASER. He advised for us to "Index" and I heard a TASER deploy and could see the TASER leads leading up to the subjects back. He became rigid and fell to the ground. Once the subject was on the ground, I could see his hand moving from one side of his neck to the other. It appeared he was trying to cut his throat. I closed distance and could see that there was a knife in his hand and he had a large laceration to the front of his neck. The laceration appeared to be all the way across the front of his neck. It was obvious the TASER was no longer effective at controlling the male.

At this point I knew I had to act quickly to prevent the subject from further self harm or possibly death. He was still cutting himself with his right hand so I moved in and kicked his right elbow with the intent of knocking the knife out of his hand. This seemed like the only safe option for me at the time to prevent injury to myself and to prevent further self harm. The knife flew out of his hand and we moved in to detain the subject. His right hand was covered in blood so I used my right foot to pin his right forearm to the ground to secure it while other officers put on protective gloves. I could see two large lacerations across the front of his neck, which were heavily bleeding. Officer J. Kernkamp moved in and rendered first aid. One of the officers took control of his right arm, relieving my position.

I stood by until the subject was loaded into the ambulance. Sgt. Gately advised me that I could clear the scene and complete my report.

On 7-10-14 at about 0735 hours, I was working routine traffic patrol at 5600 N Nevada. I heard Ofc Erickson advise via the radio that the male he was out with was not dropping the knife. Radio advised Ofc Erickson was at Division and Weile. I rode my police motorcycle there. While enroute, Ofc Erickson advised the male was holding the knife to his neck and was walking northbound along the east curb of Division.

I advised radio that I was enroute with a 35 foot Taser. I arrived a moment later. Officers Storch and Applewhaite were onscene. Ofc Honaker and Erickson were also onscene. Ofc Erickson was following the male, identified as **#14**. Ofc Erickson was telling **#14** to drop the knife. **#14** was wearing a black tshirt and cargo shorts. He was holding a blue handled knife to his neck with his right hand. I saw two blades open on the knife, one blade on either end of the handle. I told the other officers onscene that I was going to deploy my Taser. **#14** was still walking northbound on the sidewalk.

At this point I was concerned for the safety of **#14**, the officers onscene, and the general public. It was nearly 0800 hours. Division Street was busy with vehicle traffic. There are numerous businesses along this portion of Division. There were cars in the parking lots of several businesses in the area. **#14** was obviously armed with a deadly weapon. He was not complying with officers commands to drop it. He was continuing to move away from officers, posing a significant risk to the public and himself.

I aimed my Taser at **#14** back near his left shoulder blade. I said "index". I fired the Taser. **#14** body stiffened and he fell to the ground, turning to his left. He landed on his back on the ground. **#14** moved the knife to his throat and made two cuts horizontally near the base of his throat. **#14** movements were still somewhat stiff and inhibited, but he was able to make the two cuts. **#14** neck bled steadily, but did not spurt blood. I kept my finger pressed on the trigger, continuing to deliver the electrical charge to the Taser probes.

Ofc Storch kicked **#14** right hand, causing the knife to fly out of it and lane a short distance away. I released the Taser's trigger. Officers grabbed **#14** hands. Ofc Kerncamp arrived at that time and rendered first aid to **#14** neck. Other officers assisted with first aid.

I believe I fired the Taser from a distance of about 5 yards. SFD personnel could only locate one of

STATE OF WASHINGTON
COUNTY OF SPOKANE

REPORT NUMBER: 14-224085

DEFENDANT: [REDACTED] #14 06/03/83

The undersigned, a law enforcement officer, competent to testify, states as follows: That he/she believes a crime was committed by the above named defendant/defendants in the City and County of Spokane, State of Washington, because:

On 07/10/14 at approximately 0734 hrs. this officer conducted a welfare check on the defendant at 7028 North Division St., Spokane, WA. As a result of the subsequent contact, the following information was found:

This officer can testify that:

- 1) Upon seeing the defendant laying on his back, not moving, with his eyes closed he conducted said welfare check.
- 2) At one point in the contact, the defendant armed himself with a blue "Kobalt" knife/razor tool, that he had been carrying and is right, front pants pocket.
- 3) The defendant initially fled away from him, but then turned back towards him.
- 4) The defendant was approximately 15 feet away from him, holding the knife down by his right side with a blade pointing towards this officer, and took a step towards this officer.
- 5) The defendant stated calmly to him, "You need to make a decision".
- 6) This officer had drawn his service weapon upon seeing the defendant armed himself.
- 7) Based on the close proximity of the defendant to this officer, the fact that the defendant was armed with a deadly weapon, and the defendant's apparent intent

to aggress towards this officer, this officer developed probable cause to arrest the defendant for First-Degree Assault.

- 8) The contact with the defendant continued.
- 9) The defendant altered between holding the knife to his own throat, and pointing it back at this officer, for the distance of approximately one block, at the distance of approximately 20 feet.
- 10) The defendant was taken into custody after a Taser application, and the defendant slashing his own throat with a knife.
- 11) The defendant was treated at the hospital and released.
- 12) The defendant was booked into jail for First-Degree Assault.

Officer Honaker can testify that:

- 1) He responded to assist Officer Erickson.
- 2) He witnessed the defendant alternate between pointing the knife at Officer Erickson, and holding it to the defendant's own throat (from a distance of approximately 20 feet).
- 3) After the defendant was taken into custody, he collected knife, and placed it on property as evidence.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (9A.72.085)
