Sender's Instructions: Attached is the use of force, The origin of the blue team is a complaint of an injury. For your review. Thanks Rich				
Recipient's Comments/Response: I concur with Sgt. Meyer's conclusion that the force used against Nelson was objectively reasonable given the circumstances (size, hostility, active felony warrant, DV assault suspect), and that when officers attempted to handcuff him, Nelson physically responded by tensing up to prevent his restraint. Claimed injury by Nelson was determined not to have been caused by officers, but was rather pain from a pre-existing injury. Use of force was within policy, case law and use of force guidelines.

Sender's Instructions: Officers responded to a domestic violence call. Upon arriving, officers positioned themselves at the front and back of the residence. Arguing could be heard inside the residence. Ofc Yinger did not get a response at the front door after attempting to make contact. He attempted to contact the officers at the rear of the residence, but did not get a discernable response. Some sort of scuffle or fight could be heard over the radio. Ofc Yinger heard the units at the rear of the residence ask for more units; he assumed they were inside fighting with the suspect. He forced entry through the front door. Upon making contact with the suspect, Ofc Yinger discovered the officers had contacted the suspect, who was non-compliant and asking officers if they were going to shoot him. After sufficient officers had arrived, the suspect was convinced to sit down to prevent him from readily assaulting the officers or fleeing. As Ofcs Yinger and Fabian attempted to handcuff the suspect, he tensed his arms and attempted to prevent the officers from handcuffing him. Officers were able to use minimal force to overcome the suspect's resistance and apply handcuffs. The suspect complained of a dislocated shoulders and medics were called. Subsequently, the suspect was transported to the hospital and examined by a physician. The physician determined the suspect's shoulder had not been dislocated and the discomfort was the result of his prior dislocations. The suspect told the responding supervisor "These officers followed procedure and did nothing wrong." The forced entry into the residence and subsequent use of force were within policy.				
Recipient's Comments/Response: The use of force was reasonable and within policy

Complaint Being Investigated

Complaint of injury (Dislocated RT Shoulder) while subject is being handcuffed.

Complainant Interview Summary

While interviewing, Lucas J. Nelson at HFER he complained that his shoulder had been dislocated. He stated this injury originally occurred sometime last May 2014. He stated that the reoccurring injury often gets dislocated. He also stated "these Officers followed procedure and did nothing wrong".

Nelson appeared to be in pain while I interviewed him in the ER.

Officer Interview Summary

Officers stated that as they were effecting an arrest they used 2 person prone handcuffing technique¹ due to the subjects size, demeanor and the rapid evolving situation at the original domestic violence call. (See their report for detail of arrest and force used).

Witness Interview Summary

Witness Officers documented the subjects behavior before and during the arrest. (See their reports for further detail of subjects size and non compliance)

¹ HAND CUFFING

The objective reasonableness of this applied technique will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Further, determining whether the force used to effect a particular seizure was reasonable under the Fourth Amendment requires a careful balancing of, "the nature and quality of the intrusion of the subject's Fourth Amendment interests". The severity of the crime at issue, the immediate threats to officers and others and whether the subject is actively resisting arrest or attempting to evade arrest by flight are key in determining the reasonableness of the application of this technique.

Physical Evidence

Photos taken at the scene and Hospital. (Sample photos included in packet).

Investigative Summary

Officers Yinger and Fabian were effecting an arrest of a male who they identified as Lucas J. Nelson while enroute to a Call for service of a domestic violence call. Officers were advised that subjects including Nelson had active arrest warrants inside the residence.

After separating the subjects Nelson who had moments earlier been non-compliant and refused to follow commands tensed up when officers went in for arm control while executing the arrest. They decided to guide the subject down to the ground and utilize 2-person prone handcuffing. During this movement the arrested subject Nelson complained of a dislocated shoulder stemming from being taken to the ground.

Medics arrived and determined that the subject should been seen at the ER. While at the ER Nelson was cleared for booking and although Nelson appeared to be in pain Dr. Cal Smith stated that there was no new injury and that the MRI showed no new dislocation of the right shoulder.

Based on the officer and witness statements and the available physical evidence, all indicators are that the suspect was non-compliant. The application of a prone cuffing technique against a non compliant individual is an objectively reasonable application of force and is consistent with department training and practices.

NARRATIVE							

On 2-24-15 at 0047 hrs, I was dispatched with other officers to 7016 N Colton #D104 for a DV call. Stephanie L Kerns (051090) called and reported her mother's husband, Lucas J Nelson (100577), was at the apartment and refusing to leave. Her mother was Melissa L Kerns (121970) - (AKA Melissa L Nelson).

Dispatch checked the names and advised Lucas had a DOC warrant for his arrest, and Melissa had three confirmed misdemeanor warrants for her arrest. I viewed their SPRS photos on my computer while en route.

Upon arrival, I approached the front window of the apartment. I could hear a male voice and a female voice yelling and arguing. The female was calling the male Lucas. I was attempting to look through the closed kitchen blinds but I could not see them. It sounded like they were in the back of the apartment near the sliding door. I advised Ofc LeQuire and Ofc Fabian to go to the back of the apartment.

Ofc LeQuire advised the subjects were possibly fighting inside. I banged on the locked front door and announced it was the police. I attempted to raise Ofc LeQuire on the radio two times for his status. I could hear Lucas yelling at officers inside the apartment. I was concerned Lucas was either assaulting other subjects inside the apartment or engaged in a physical confrontation with Ofc LeQuire and Ofc Fabian. I heard Lucas yell "What? Are you going to shoot me?" I heard Ofc LeQuire ask for more officers to assist him in the back of the apartment.

I had Ofc Bode and Ofc Manwill with me. I forced entry through the front door by kicking it inward with my foot. I saw Lucas standing just outside the open back slider door. He was yelling at Ofc LeQuire and Ofc Fabian. He was not following their commands to sit down. I could hear two young children crying inside the back bedroom. I cleared the apartment with Ofc Manwill and Ofc Bode as we moved towards Lucas. I saw the two young children crying on top of the bed in the back bedroom. Lucas looked like he was ready to re-enter the apartment and I was concerned for the children's welfare if Lucas came back inside.

I went outside as Lucas was finally agreeing to sit down on a cooler. I recognized him from SPRS photo. He appeared intoxicated. He was very agitated and still yelling at officers. Stephanie was outside the back door sitting in the grass. She was holding a barking dog and crying. I could not see Melissa anywhere. I decided to immediately handcuff Lucas for officer safety due to his uncooperative demeanor, intoxication, and his large stature.

I told Lucas he was under arrest as he was seated on the cooler. I took right arm control of him and Ofc Fabian took left arm control. I felt Lucas resisting me by tensing the muscles of his right arm to prevent me from getting it behind his back. I told him to not resist us as I placed his right arm behind his back. He attempted to get his arms back around to the front of his body. Ofc Fabian and I maintained arm control and guided Lucas down to the grass and into a prone handcuffing position. He was screaming and yelling at us. I told him to stop resisting and to calm down. Ofc Fabian and I placed Lucas' hands behind his back and we prone handcuffed (dl).

Officers advised me that Melissa had just been outside with them and trying to control a dog. She disappeared while we were busy contacting and attempting to control Lucas. Lucas told us she was aware she had warrants for her arrest and she did not want police contact.

Lucas was complaining about pain to his right shoulder from being placed in handcuffs. He said his shoulder was dislocated. His shoulder did not appear dislocated, as it was in an upward position. Lucas said he shoulder comes out of place "15 times a day" and he needs to have somebody press on it to get it back into place for him. Lucas asked us to put his shoulder back in place for him. I called for medics to respond.

I checked the front door for any damage from me forcing it open. The only apparent damage was a loose striker plate for the dead bolt on the door frame. It appeared the deadbolt was not fully locked at the time I kicked the door. Cpl Busch took photos of the door.

Ofc Fabian interviewed Lucas and Ofc Manwill interviewed Stephanie. Officers could not locate Melissa to obtain her side of the story. We determined there was no PC at this time for any DV crime.

Medics checked Lucas and advised he would need to go to the hospital to have his right shoulder checked. I advised Sgt Meyer of the apparent injury. Ofc Fabian and I placed Lucas in double sets of handcuffs to make him more comfortable for his transport to the hospital. He was transported to Holy Family hospital by AMR. Ofc Fabian, Sgt Meyer, and I responded to the hospital. Cpl Busch also responded for photos of Lucas' shoulder.

Lucas was examined by Dr. Cal Smith at the hospital. It was determined there was no dislocation and no fractures, and his MRI as compared to his most recent MRI showed his shoulder was healing. Lucas was medically cleared for booking and discharged from the hospital.

Ofc Fabian and I placed Lucas in three sets of handcuffs (dl) to make him more comfortable for his transport to jail. I transported him to jail and he was booked on his DOC warrant.

NARRATIVE							

On February 24, 2015 at approximately 0016 hours I responded to 7016 N. Colton #D104 regarding a domestic dispute.

Upon arrival, I contacted the complainant, identified as Stephanie Kerns. Stephanie lives at the address. I asked Stephanie what happened and she told me the following:

She was at the residence with her two kids, identified as #2d #2d, her two nieces, identified as #2d #2d and her step-dad and mother. Her step-dad and mother do not get along. Stephanie and her step-dad and mother all were drinking. They got into an argument over a guitar.

Stephanie wanted her step-dad to leave. He was looking for her mother inside of the apartment. Stephanie "got him to go outside" of the slider. She then tried to lock it and could not lock it in time. Stephanie told me "That's when he came at me". Stephanie is referring to her step-dad. She says she was afraid of him because he is a big guy.

Stephanie told me that we arrived shortly after he came after her. Stephanie did not have any visible injuries and declined medical attention. Stephanie told me that she was not assaulted and that she did not assault anyone.

It should be noted that the four young children were all in the house when today's incident took place. All of the girls were in Stephanie's bedroom watching Dora the Explorer while Taijon was sleeping in his room.

Stephanie's stepdad was interviewed by Officer Fabian, reference his report for additional information.

Stephanie's mother was not on-scene and could not be located for an interview.

I gave Stephanie a crime victim card with the incident number.

NARRATIVE					

On 2/24/15 at approximately 0047 hours, I was dispatched to a report of Domestic Violence at 7016 N. Colton, #D104. While enroute I was informed by Radio that the male on scene, Lucas J. Nelson, had a confirmed DOC Warrant. Once on scene I headed to the rear of the apartment to meet with Ofc. LeQuire who was already in place there.

As I approached the rear of the location I heard Ofc. LeQuire giving commands to individuals that were exiting the apartment. Two females, one being the complainant, Stephanie L. Kerns, and her mother were out first and were yelling and crying. Stephanie kept yelling "Help!" and "My kids are still in there!". As this was occurring, two dogs exited the residence with them; one, a pitbull, ran towards Ofc. LeQuire (see his report) and Stephanie pulled him away as I was approaching.

I instructed Stephanie to keep ahold of the dog as the suspect, Lucas J. Nelson, was now exiting the residence. As Lucas did this we gave instructions for him to show us his hands and step away from the sliding door. Lucas displayed an aggressive attitude towards us: he postured up and failed to follow our commands and he started yelling that he hadn't done anything. During this time I instructed the two females to stay where they were.

Due to Stephanie's statements that her children were still in the apartment and that Lucas was not moving from the entrance of the sliding door, I went around to the door side of Lucas to intercept him in case he decided to re-enter the apartment.

We then began speak with Lucas in an attempt to calm him down and get him in a position where we could take him into custody without incident. With Officers Russo, LeQuire, Yinger and myself in place around Lucas, we were able to convince Lucas to sit on a cooler that was nearby. As he did this, Ofc. Yinger and I then closed distance and began to use a two-officer handcuffing technique to gain control of Lucas. The moment we put our hands on Lucas I felt him tense up his arms and body.

Ofc. Yinger instantly informed me that we should transition him onto the ground and place him in the prone handcuffing position to apply the handcuffs (see his report).

After placing him on the ground in the prone position, I assisted in placing him in handcuffs (DL). At this time Lucas started yelling that he had a right shoulder problem. I instructed him onto his left

side and did a cursory search for weapons. To conduct this cursory search for weapons on the opposite side, I instructed/assisted him to his knee to allow us to finish searching for weapons while not having him roll onto his right shoulder.

I then helped him back up onto the cooler to sit while we continued our investigation.

He was constantly making statements about his right shoulder hurting. He said that he had a bad injury to it back in May of 2014 and that it routinely gets dislocated "about 15 times a day".

Fire was called to check on his shoulder (After they checked him out, Ofc. Yinger and I added another handcuff to the one already on him in an attempt to loosen the pressure that was on his shoulder).

I then asked him to explain what was going on that night. He said the following:

He was at the apartment with Stephanie and his wife, Melissa L. Kerns. He said that he and Stephanie got into a verbal argument about how he treats his wife. Then all of a sudden Stephanie grabbed his neck.

He said that he didn't feel as though he was unable to breathe. He pushed her off of him and they continued with the verbal argument. Moments later is when the Police arrived.

I observed his neck based off his statements and did not observe any marks that would indicate he was grabbed.

[End of Lucas's statements]

Ofc. Yinger and I then followed AMR to Holy Family Hospital to get Lucas's shoulder medically examined/cleared. While at the hospital, Cpl. Busch took photos of his torso.

After being cleared by the hospital, I then assisted Ofc. Yinger in placing Lucas in the back of his patrol vehicle for transportation to the Spokane County Jail. We used three interlocking sets of handcuffs to allow as much pressure to be taken off his shoulder as possible.

NARRATIVE					

On 02/24/15 at approximately 0054 hours, I responded to 7016 N Colton #D104 for report of a family member refusing to leave the location.

While en route to the location, units were advised the male suspect had a felony warrant for his arrest.

Once on scene, I went to the rear of the apartment building. Before I approached the target door, I could hear loud yelling from several doors away.

When I got to the back of D104, the rear slider door was open slightly and the blinds were mostly open. I identified the male as Lucas Nelson from his booking photo being pinned against the wall by two females. The females appeared to be pushing against Lucas' upper chest and neck area. I stated, "Spokane Police, get on the ground."

At that point, the rear slider door opened and the two females exited first. Following them was a medium sized pit bull that attempted to bite me in my left leg. Lucas stood on the back patio with his arms out the side and refused my commands for him to get onto the ground. He stated, "What are you going to do, shoot me?"

Once more officers came to the rear of the apartment, Lucas was talked into sitting down on a cooler. I then observed Officer Fabian and Officer Yinger each grab one arm and guide Lucas to the grass and then use the prone cuffing technique to place him under arrest. I held down Lucas' legs to prevent any injury to him or any others.

Lucas began complaining of an old shoulder injury and stated his shoulder dislocates several times a day. He asked for LE assistance to place his shoulder back into socket. Medics were dispatched to the scene to evaluate Lucas.

Refer to Ofc Yinger and Ofc Fabian's report for additional information.
