Incident Summary

Officers went to location on a report of a disorderly male who'd broken a door, threatened someone and was being loud and obnoxious. Responding officers developed PC for two misdemeanors and contacted suspect, Christopher Moench, at his apartment.

Moench began to retreat into his apartment. Ofc. Mohondro took right arm control of Moench. Ofc. Howard tried to take control of suspect's left arm... however suspect then assaulted Ofc. Howard by shoving him into a wall. Dual arm control was gained and suspect was taken to the floor. Help was provided by Ofc. D. Lesser who applied a level-1 neck restraint. Suspect, who was intoxicated and exhibiting tremendous strength, continued his assaultive behavior. He kicked Ofc. Mohondro. Mohondro and Howard were unable to get his arms behind him for handcuffing. Ofc. Lesser then applied a Level-2 neck restraint. Suspect was rendered unconscious for 15-20 seconds during which time he was handcuffed. Once awake, suspect stopped all attempts to assault the officers and was marginally cooperative in being escorted out of the building.

The suspect exhibited no signs of distress and was cleared by paramedics. He was then transported to jail where he told corrections officers he'd been, "Choked out," and felt dizzy. This caused the jail nurse to refuse him.

Ofc. Mohondro took the suspect to Sacred Heart where he was examined by a doctor and cleared. I accompanied Mohondro and remained with him at the hospital.

I asked the suspect what happened and he said he was angry the officers wouldn't let him just go to sleep. He denied any injury or having any questions about what took place. The suspect admitted breaking a door and yelling.

There were no witnesses to this use of force.

This use of force with justified and within policy.

Sgt. T. Lee

In compliance with policy per Assistant Chief Dobrow 05.11.13.

Sender's Instructions: Lt. Hendren: Please review this Use of Force. Thank you.

Recipient's Comments/Response: I agree with Sgt. Lee that the use of force was reasonable and within department policy. Officer Lesser was the primary officer who applied the reportable use of force. As such, I

am forwarding this review to Lt. Cowles as he is the proper chain of command for this review. Lt. Hendren #482

Sender's Instructions: Matt, here is a use of force review for Officer D. Lesser that was originally routed to me. The neck restraint applied by Officer Lesser is the reason for the use of force report and therefore should have been sent to you. Lt. Hendren

Recipient's Comments/Response: In review of the documents, this Use of Force is within Policy, 300.3.4 I note that Ofc. Mohondro refer's to Ofc. D. Lesser's technique as a "Level 1 LVNR." This was a Level Two Neck Restraint and his report should accurately describe the techniques used. I recommend his Supervisor give him a reminder to be careful in documenting uses of force.

NARRATIVE							

On 03/14/2015 at about 2052 hrs I responded to the Wolfe Apartments at 240 W. Sprague Ave on a report of a disorderly person. The manager Raymond O. Gandee called in reporting that Christopher S. Moench had torn a door down and rushed at another tenant.

Upon arrival I contacted Raymond. He told me he had not seen Christopher tear any doors down and had been advised of the situation by another tenant. The tenant Michael A. Steinmetz told him Christopher had ripped a door down and thrown items around the common areas of the top floor before "bum rushing" him.

I went upstairs with Raymond to inspect the damage. I noticed there was ice strewn about the hallway of the building as well as several articles of clothing. I did not locate a broken door. I went to Christopher's apartment door (D13) and listened for a moment. Inside I could hear Christopher yelling.

I contacted Michael in room D4. He told me he was in his room when he heard yelling and crashing noises coming from the hallway. He opened his door and looked outside. He saw Christopher standing near the large fire door in the hallway. Christopher was yelling and clearly very angry. Michael asked him what was going on and Christopher clenched his fists and ran toward him. Michael feared Christopher was about to assault him based on his aggressive demeanor. Michael backed into his apartment and closed the door. A few seconds later he looked out again and Christopher was waking back toward his own room, D13.

Michael went into the hallway to see what the banging and crashing noises had been. He saw the ice all over the floor. He looked at the door and noticed the screws on the top hinge had been pulled out of the door frame about three inches. Michael was positive there had been nobody other than Christopher in the hallway when he was yelling and making the crashing noises. He was also sure the door had not been damaged before the incident.

Michael said he felt as though Christopher had intended to assault him when he ran toward him. He wanted to press charges for Disorderly Conduct against Christopher.

Raymond looked at the fire door. He advised the hinge had not been damaged earlier in the day and advised he wanted Malicious Mischief charges pressed against Christopher. I developed probable cause to arrest Christopher for Disorderly Conduct and Malicious Mischief.

I went to Christopher's apartment with Ofc. Howard and Ofc. D. Lesser to contact him. Christopher initially refused to open the door, saying he didn't want to talk to us. Eventually I was able to convince him to step out and talk to us which he did.

Christopher stepped into the hallway. He was immediately verbally aggressive, yelling that he didn't do anything and he was trying to sleep. He said he was angry and just wanted to go to sleep.

I asked Christopher what he was upset about. He said something like "I don't have anything to say to you" and started to move backward toward his apartment. At that time I had developed probable cause to arrest Christopher for Malicious Mischief and Disorderly Conduct.

Before he was able to get inside I placed Christopher in right arm control. He stopped moving backward for a moment and looked at me. Christopher turned his head and looked directly at Ofc. Howard. Christopher outstretched his left arm and rushed toward Ofc. Howard. I believed Christopher was attempting to punch Ofc. Howard in the face. I was unable to see whether his had was open or closed but did see his left hand connect with Ofc. Howard's neck. Ofc. Howard was knocked backward into the wall.

Christopher demonstrated the clear intent to assault Ofc. Howard. His aggressive demeanor and assaultive behavior showed that he was not willing to cooperate with officers and his rushing at Ofc. Howard demonstrated the intent to physically fight us to avoid being detained.

I began to take Christopher to the floor utilizing a straight arm bar takedown. Christopher physically resisted, tensing the muscles in his arms in an attempt to pull out of my grip. Ofc. D. Lesser placed Christopher in a level 1 LVNR and escorted him to the ground.

Once he was on the ground, Ofc. Howard and I attempted to gain control of Christopher's hands. He continued to pull away from my grip, tensing the muscles in his arms and trying to pull his hands in toward his chest. At one point he was able to get ahold of my right hand and squeeze it, pulling it toward him.

Christopher was flailing his arms to keep them away from me. He was kicking violently with his legs. As I was kneeling over him attempting to gain control of his left hand Christopher looked directly at my left knee. Christopher proceeded to kick at me, connecting his shin with the inside of my left thigh. I believed Christopher had intentionally targeted my knee and attempted to kick it out from under me. He continued to kick at my left knee until I was able to pin his leg on the floor.

Ofc. D. Lesser rendered Christopher unconscious and Ofc. Howard and I were able to place him in handcuffs (DL). We placed him in the recovery position on his left side. Christopher continued to yell at us the entire time. I requested a supervisor and medics over the air. We escorted Christopher outside to my patrol car.

The Spokane Fire Department responded and evaluated Christopher and advised that they found nothing medically wrong with him. Sgt. Lee also responded to the scene.

I advised Christopher he was under arrest for two counts of 3rd Assault, Malicious Mischief, and disorderly conduct. I transported Christopher to the Spokane County Jail. While there Jail staff advised that they would not accept Christopher until he was medically cleared at the hospital.

I transported Christopher to Sacred Heart where he was medically cleared. While we were there, he continuously rambled about the incident and another instance in which he apparently fought with the

police in 1999. He constantly told me he would like to fight me and that he would win. Unsolicited, Christopher said "I just got a little ornery and slammed the door I didn't think it would break."

Christopher asked what he was being charged with and I told him. He asked how bad the Assault charges were and I told him they were felonies. He became very agitated, saying "Fuck I should have fought harder if I'm going to get time for this" and "We could have gone rounds." He proceeded to say, If I would've knew that I would have fucked someone up."

I transported Christopher to the Spokane County Jail where I booked him for two counts of Assault 3rd.

On 04-13-15 at approximately 2052 hours, I (Officer C. Howard) responded to 240 W. Sprague to assist Ofc. Mohondro for a call of a disorderly male.

I arrived on scene and contacted Ofc. Mohondro who was already contacting the victim. He advised there was probable cause to arrest the suspect.

Ofc. Mohondro, Ofc. D. Lesser and I attempted to contact the suspect in room #D13.

After a few moments of talking to the male through the door, the male came outside of the room into the hallway.

The male was standing up against the hallway wall and all three of us Officers were standing around the male. Before Ofc. Mohondro could even ask the male any questions, he suddenly lunged forward towards me and pushed me backwards with his hand in the side of my neck. It seemed as though the male was trying to push past me to get away.

I immediately grabbed the male's left arm and attempted to use the straight arm bar technique to take him to the ground. Ofc. Mohondro grabbed the other arm and with Ofc. Lesser's help as well the male was taken to the ground.

The male was still fighting us by kicking at us and flinging his entire body around trying to get away. Ofc. D. Lesser then attempted to use the LVNR technique to subdue the male.

Ofc. Mohondro and I were still trying to control the male's arms and legs and were still fighting him to do so. We had already been and continued to give the male verbal commands to stop fighting and resisting.

After a few seconds, the male was rendered unconscious and Ofc. Mohondro and I were able to get the male into handcuffs (DL). The male came back to consciousness after a couple of seconds and was rolled onto his side to allow for easier breathing.

Dispatch was advised to start medics as well as a supervisor.

I responded to assist other units who were enroute to a intoxicated male tenant, Moench, at 240 W. Sprague. The comp stated that Moench was intoxicated, tore a door down, and rushed towards another tenant.

I arrived on scene and contacted Ofc Mohondro on the third floor. I located Moench's apt D13 and stood by while Ofc Mohondro continued his investigation. As I was standing there I could hear Moench inside yelling and screaming. It also sounded like he had knocked several items over onto the floor.

Ofc Mohondro came back and advised the he had probable cause to arrest Moench for Disorderly Conduct and Malicious Mischief. Ofc Mohondro knocked on the door and Moench eventually answered.

Moench appeared intoxicated and very agitated. Ofc Mohondro advised Moench he was under arrest and reached down to take right arm control. Moench immediately tensed up and pulled away from Ofc Mohondro. Moench then reached out with one hand and shoved Ofc Howard backwards causing him to hit the wall. Moench then tried to run down the hall.

I was directly behind Moench and as he attempted to run I reached out and grabbed him from behind and we all ended up on the floor with me partially on Moench's back.

At this point there was probable cause to arrest Moench for 3rd Assault on a Police officer, which is a felony. There was also probable cause to arrest Moench for Disorderly Conduct and Malicious Mischief. Moench had already assaulted one officer and was actively trying to resist/evade arrest. He had not been searched and it was unknown if he possessed any types of weapons.

I had my arm around Moench's upper body. I could feel him actively resisting with Ofc Mohondro and Ofc Howard as they were attempting to control his arms. I could feel Moench's muscle's tighten as he struggled with the officers. I could hear that Ofc Mohondro and Ofc Howard were struggling trying to get control of Moench's hands to be able to place him in handcuffs.

At this point we were in a fight with a suspect that was actively resisting and attempting to evade arrest. He had not been searched and it was unknown if he possessed any weapons. All four of us were on the floor in a confined area and the other officers were having difficulty in controlling Moench's hands. Moench was also trying to kick Officer Mohondro.

I decided to place a level 2 neck restraint control hold to stop Moench. He was rendered unconscious and the other officers were able to place him in handcuffs. Once he was in handcuffs I released my hold and we rolled Moench up on his side and placed him in a recovery position. At this point Moench was conscious and I was talking with him. Medics were also requested to respond. I estimated that Moench was unconcious for about 15 to 20 seconds.

After a few moments Moench stood up and we walked him down the stairs to Ofc Mohondro's patrol vehicle where he was placed in the back seat. Medics arrived on scene and medically cleared Moench.

See other officer's reports for further details. Sgt Lee was also advised of the level 2 neck restraint control hold and he responded to the scene
