Sender's Instructions: UOF review for chain of command				
Recipient's Comments/Response: Officer Uberuaga was alone for a brief time with two individuals with weapons (stick & long pipe) who had been fighting. The suspect (Largent) was uncooperative and assaultive based on his statements and actions. It does not appear that Largent was rendered unconscious by his own statements and those of Officer Uberuaga. Given the facts and circumstances known to Officer Uberuaga at the time I concur with Sgt Hartman's review and recommendations that this use of force was reasonable, necessary, and within the scope of the officers training and department policy.

On 5/14/15 I responded to the alley behind and north of the Value Village at Boone and Howard. Officers had responded to that area on a person with a weapon call. When I arrived on scene I contacted Officers Uberuaga and Childress. They had a male, Largent, detained in handcuffs. It was explained that Largent was uncooperative upon contact and sustained some minor injuries when controlled by officers.

I contacted Largent and conducted an administrative interview. I was recording with my body camera during my entire interview with Largent. Largent made statements about having PTSD when he is contacted by officers. Largent didn't argue that he cooperated with officers (SEE video for more details).

I also contacted [REDACTED] #2d a friend of Largent's that was present when officers detained him. She told me how Largent and another male were swinging a pipe and stick at each other, similar to a sword fight. She told me in private that Largent did not cooperate with officers when they tried to handcuff him (once again see the video for further details).

Officer Childress has two distinct video segments on Evidence.com and I (Sgt. Hartman) have one video segment. Below is the link to access all three segments.

https://spokanepdwa.evidence.com/index.aspx?class=UIX&proc=Evidence&page=EvidenceSearch&status=open&search=search&case_id=15-158463

I noticed the following injuries on Largent:

A cut approximately ¼ inch long on the inside of his lower lip
A cut and small lump on the right half of his forehead
Abrasions on both elbows

It should be noted the officers had to restrain Largent on difficult terrain. The location of arrest was an uneven, potholed, and gravel covered alleyway. This terrain likely contributed to Largent's injuries.

Cpl. Beckley photographed Largent's injuries, the weapons used by Largent and the other male, and the terrain at the location.

After investigating this incident it is my judgment the force used by officers was reasonable, necessary, and within the scope of their training and department policy.

I made a request of Forensics to transfer the photos taken by Cpl. Beckley to a DVD. These were not ready before my last work day. I am not scheduled to return to my regular patrol shift for approximately ten days. I asked Forensics to forward the DVD to IA Sgt. Braun. Braun is expecting the DVD and has agreed to attach the photos to this Blue Team when they arrive.

NARRATIVE				

On 051415 at about 1510 hours, I responded to two males fighting in the area of Howard and Boone. There was suppose to be one person swinging a belt and another possibly having nunchucks. There were two males involved and a pregnant female with them or in the area.

There were several callers on the incident that advised just about the same actions of the parties involved. The witnesses also advised that they were moving north. I arrived in the area and was immediately waived over by an elderly male who was walking on Howard. He quickly advised that the two males fighting were north of my location, I was at the arena on the east side. A vehicle then pulled up and yelled at me that the two males were now behind Value Village fighting and one had a knife. I relayed the location information over the radio and started that way.

I pulled up behind Value Village on Sharp and saw two males in the alley to the north, there was also a female standing there who appeared to be pregnant. One male had a stick and the other male had a pipe. Both weapons were about 3 feet in length and both males appeared as if they were getting ready to swing at each other. The older male who was wearing the back pack had possession of the pipe, and the younger blonde male who was not wearing a shirt had the stick. I jumped out of my patrol vehicle and yelled at both of them to drop the weapons. The male with the backpack, later identified as Richard Worden, dropped the pipe immediately and sat down. The other male, later identified as Nicholas Largent, looked at me for a second and then threw the stick down. I had my service weapon out of the holster and in the low ready position as I got out of my vehicle.

Largent looked at me and yelled something about me having my gun out, I yelled back and told him to sit down. Largent did as he was told but continued yelling at me, telling me that I didn't need to have my gun out. Largent then made a statement that I should put my gun away so he could, "take me." I put my weapon back in the holster and then approached Largent to attempt to detain him due to his uncooperative behavior. I approached Largent on his left side and went in to grab his left arm to place it behind his back and handcuff him.

INCIDENT CLASSIFICATION DISORDERLY CONDUCT	ATTEMPTED <input type="checkbox"/>	INCIDENT NUMBER 15-158463
------------------------------------------------------	---------------------------------------	-------------------------------------

CRIME: Disorderly Conduct, Obstructing an Officer.

THREATS: The suspect was armed with a large stick that he was seen swinging at another male. He also had a leather belt that was off of his pants that he had been seen swinging at the other male. The suspect was being verbally abusive and challenging the officer to a fight.

RESISTING: The suspect pulled away from me as I went to detain him, he leaned away and balled his fist and looked at me as if he was going to lunge back in my direction and attempt to punch me. I then pushed his face away from me with an open hand and pushed him onto his stomach as I placed him in a level 1 neck restraint.

As I did this, Largent pulled his left hand away from me. He balled his hands up, making fists and leaned away from me. He was looking at me for a brief moment as if he was going to lunge back at me and try to strike me with his fists. I then pushed his face away with an open hand which caused him to fall back and turn to his left a little bit. This was enough for me to get to his back and put a level one neck restraint on Largent. I told Largent to calm down just as I started to roll him over onto his stomach. Officer Childress arrived on scene and assisted in gaining control of Largent. Childress got control of Largent's left arm as I still had a hold of the neck restraint. Largent may have loss consciousness briefly during this time, which was not my intent, which he denied after speaking to him later in the incident. I then let go of the neck restraint and pulled his right arm from under neath his body and we got Largent handcuffed. We called for medics to come and check Largent out due to him having some injuries. I observed a small cut on his lower lip, a bump and cut on the right side of his forehead, and both elbows were scraped up. We also called for a Cpl. to come and take pictures of the injuries and a Sgt.

Officer Childress spoke to Largent for me while I spoke to Worden. Worden advised that he was walking through the park when he was approached by several, "skaters." These skaters were giving him a hard time and he felt threatened. I asked him if he had a knife on him, he advised that he had a pocket knife in his left front pants pocket. I retrieve that from that pocket, it was a tiny knife with maybe an inch and a half blade. I asked him if he had pulled it out at any time. He told me that he told the skaters in the park that he had a knife but never pulled it out. I then asked him what had happened between he and Largent. He advised that they were just arguing but had made up just as I was pulling up, I told him that wasn't true. He advised that it was and that he was going to roll him a cigarette and they were going to go on their ways. I asked Worden what the initial beef was and he advised that he did not know. He said that Largent just came running at him calling him names.

INCIDENT CLASSIFICATION DISORDERLY CONDUCT	ATTEMPTED <input type="checkbox"/> INCIDENT NUMBER 15-158463
------------------------------------------------------	------------------------------------------------------------------------

The argument continued for a few blocks until I arrived. I asked him where they got the sticks and pipe from, he told me that they had just picked them up in the alley.

Worden was not hurt and did not want to pursue any charges on Largent if there were any to pursue. He told me that he just wanted to go home.

I then contacted Childress and advised him that I did not have anything on Worden. He advised me that Largent did not want to do anything either. I then sent Worden on his way.

Sgt. Hartman arrived on scene and I advised him of what we had. I told him that I had probable cause to arrest Largent for Obstructing and he also suggested disorderly conduct due to the length of fight and the amount of complaints that we received on this altercation.

I then cited and released Largent for Disorderly Conduct and Obstructing an Officer.

I then later contacted two of the witnesses by phone. I first spoke to Mike Workman. He advised that he saw the male with the backpack walking north by the arena. He then saw the other male, a blonde haired male run up to him and say something to the effect of, lets fight. The blonde guy, Largent, began to swing a belt at the other male, Worden. He also heard one of them say, put the knife down and lets fight. Workman further advised that he lost sight of the two males as they continued walking north.

I then spoke to Trisha Lloyd over the phone. She advised that she also saw two males, one with a back pack and the other younger one with blonde hair. She said that she felt that the blonde, Largent, was following and trying to egg on the fight. She did also say that she heard them yelling at each other talking about fighting, she did also hear something about a knife but did not see who had one. Lloyd never saw either male actually assault the other, they were just yelling at each other.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT ALL STATEMENTS MADE HEREIN ARE TRUE AND ACCURATE AND THAT I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

NARRATIVE				

On May 14, 2015 at about 1511 hours, I was dispatched to the area of Boone and Howard to assisted other Officers investigate a person with a weapon call. While en route, I was notified two males were fighting and one had nun chucks.

As I came into the area, I heard Officer Uberuaga advised over the radio, witnesses put the subjects walking behind the Value Village store. I then heard Officer Uberuaga advise he was with the subjects north of Value Village. I came on scene at about 1515 hours and saw Officer Uberuaga walking towards three subjects, two males one female in the alley just north of Value Village between Howard and Wall.

I parked my patrol vehicle behind Officer Uberuaga's and exited. As I stood up out of my vehicle, I saw Officer Uberuaga holstering his sidearm and begin walking towards a male sitting closest to him on the gravel. I saw the male was white, and appeared to be in his early twenties. I also saw the male was not wearing a shirt, but only blue jeans and foot ware. As I continued to walk, I saw Officer Uberuaga walk up to the male, later identified as Nicholas Largent and grab him by his left arm to detain him. I saw Largent pull out of Officer Uberuaga's grasp with a quick, sudden jerking of his left arm, as he yelled at Officer Uberuaga. I saw the male raise both of his arms up above his waist and clinch both fist in what I perceived as very threatening. I immediately thought with his body position and his posturing, I felt the male was going to get up and either engage Officer Uberuaga in a physical fight or attempt to flee. I began sprinting towards Officer Uberuaga to help place Largent into custody.

GRAHAM STATEMENT:

Crime: Disorderly Conduct, Obstructing an Officer

Threat: The subject was armed with a large stick and seen swinging a belt. The subject was aggressive and intentionally resisted being detained. The subject was verbally abusive and raised his arms and fists in a manner to fight Officer Uberuaga.

Resistance: The subject intentionally pulled away very aggressively from Officer Uberuaga's grasp and raised his arms and fists in a threatening manner to fight. I heard the subject yell at Officer Uberuaga something unintelligible. The subject pulled his arms under his torso once he was pushed onto his stomach to keep from being handcuffed.

I arrived at Officer Uberuaga's location within a few seconds and saw Largent sitting on his butt with his legs extended straight out. I saw Officer Uberuaga begin placing Largent in a Neck Straint hold. I rushed in quickly and pushed Largent with my right knee into his left ribs, as I used both of my hands to push his upper body to his right. This caused Largent and Officer Uberuaga to spin to the right and onto Largent's stomach face down. I yelled to Largent to get his arm out, but he did not respond. As I knelt down on Largent's buttocks and lower back with my knees, I was able to grab and take control of his left arm and pull it behind his back. Officer Uberuaga pulled Largent's right arm out and behind his back. I quickly handcuffed Largent without further resistance from him. I then told Largent he was being recorded. Once I retrieved Largent's identification from his wallet, I rolled him up into a sitting position and called for medical attention as I saw he sustained some cuts and scrapes to his arms and face during the incident. Largent began talking normally and appeared to have suffered only very minor injuries as a result.

As I waited for medics to arrive, I identified the female #2d who Largent had been walking with. #2d was Largent's girlfriend. I learned #2d had no involvement in the incident between Largent and the other male who Officer Uberuaga contacted. Largent made the statement that he didn't want medical treatment, but it was explained to him he could refuse treatment to them once they get here.

Within a couple minutes, and after speaking with the other male, Officer Uberuaga recontacted Largent. Largent began complaining why Officer Uberuaga pointed this handgun at him. Officer Uberuaga explained to Largent why he used the tactics he did and I heard Largent admit that Officer Uberuaga in fact did not point his handgun at him.

Sergeant Hartman and Corporal Beckley both arrived on scene and assisted with the

investigation. Please refer to their reports. Largent told me he didn't want to press any charges against the other male he was engaged in the altercation with. Officer Uberuaga told the other male he could leave, which he did. Officer Uberuaga issued Largent a criminal citation for Disorderly Conduct and Obstruction an Officer. Please review Officer Uberuaga's arrest report.
