### Incident Summary

---

Several officers responded to a call of a man slapping his girlfriend outside the apartments at 8805 N. Colton. 911 received more calls as officers were responding. Callers were saying the male had assaulted others including children, had now armed himself with a stick or bat and was threatening more people. An additional caller reported someone firing a gun (later unfounded) and that the suspect's wife or girlfriend was pregnant and going into labor (also unfounded).

On arrival Ofc. Brown-Bieber and I encountered the suspect in a narrow alley on the west side of the complex. He was in a fit of rage. He was wildly swinging a wooden stick or bat while repeatedly yelling for officers to shoot him. Several other tenants had come outside to see what the commotion was about. Many were in danger of possibly being attacked. We were also susceptible to attack.

After the suspect ignored numerous commands to drop the weapon, Ofc. Rogan deployed his taser with one five-second burst by probes. The suspect fell to the ground and was safely handcuffed. He then became compliant.

I have attached officer reports, CAD pintout, Taser download report, link to Taser video and still photos.

This use of force was justified and within policy.

Sgt. T. Lee  
SPD 244

In compliance with policy per Assistant Chief Dobrow 07.05.15.

<b>Recipient's Comments/Response:</b> Officers response and use of the taser to safely resolve this incident was appropriate given the facts and circumstances they knew at the time. The suspect had already assaulted his girlfriend and was armed with a weapon (stick) and refused to obey officers commands to drop the weapon. I concur with Sgt Lee's review and recommendation that this taser use was within SPD policy.

NARRATIVE				

On 06-15-2015 at 2044 hours I was dispatched to 8805 N Colton St. #49 on a Domestic Dispute call.

Upon arrival I went to the North side of the building, where residents were saying the suspect, Jason L. Mcilwain (03-08-82), was. I was on the third floor when some residents said that Mcilwain was already on the first floor, on the West side of the building. I approached the North-West corner of the building when I heard Mcilwain yelling at police officers to shoot him. I also heard some officer yelling to drop the stick. I cleared the corner and I observed Officer Rogan deploying his Taser. See Ofc. Rogan's report for more details.

When the Taser was deployed, I assisted holding Mcilwain's right leg and placing the handcuffs (DL) on him. Medics were requested to out location to take the Taser proves out and to check on his health. I read Mcilwain his Constitutional rights. He stated that he understood them but wished no to talk to us. Mcilwain had some scratches on his chest and back, scrapes on his knees and elbows, and a small cut on his forehead but could not be determined if they were from before or after the Taser was deployed. Medics arrived on scene. They took the Taser proves out and determined that Mcilwain was healthy to be transported to jail.

I transported Mcilwain to Spokane County jail where he was booked for City Assault DV (10.11.010) against his wife, **#1a** (**#1b**). He was also charged with Disorderly Conduct (10.10.020), with NOC # N 049383.

I took the wood stick that Mcilwain was holding to property.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

<b>NARRATIVE</b>				

On 06-15-15, at 2042 hours, Officer Valencia and I were dispatched to 8805 N. Colton #49, for a fight in progress, involving a male and female. See Ofc. Valencia's report for more details.

While heading to the call we were advised there was a male assaulting a female, with a stick. We were also advised there were several people involved in the fight in the parking lot with bats or sticks.

On scene I parked on the south east side of the apartment complex. As I walked into the middle of the complex people were telling me the people involved were on the northwest part of the complex.

As I was heading that way I heard over the radio that Sgt. Lee was out with the suspect to the west. Sgt. Lee advised the male had a stick and was not following his instructions. Sgt. Lee called for more units and for officers with less lethal. See Sgt. Lee's report for more details.

As I ran to the northwest corner of the complex I saw a male, later identified as Jason L. McIlwain, standing with a stick or baton in his right hand.

\* At the time McIlwain was a suspect in an Assault (DV) and disorderly conduct.

\* McIlwain was not listening to officer commands to put down the baton. It was unknown if he had used the baton to assault his wife or others. He was yelling at officers to shoot him while he had the baton in his hands. There were several people in the area (parking lot) McIlwain could have went after with the baton. Officers did not know if the people in the parking lot were friends, family or victims of McIlwain.

\*McIlwain was not searched and was only wearing shorts, but did not know if he had other weapons.

I could hear Sgt. Lee telling McIlwain to put down the baton. McIlwain was yelling something to the effect of [Just shoot me!] He made this statement several times. Sgt. Lee was approximately 20 to 30 feet away from where McIlwain was standing.

I advised him to drop the baton. McIlwain again yelled, "No! Shoot me!" McIlwain was flexing his muscles and leaning against a fence holding the baton

down to his side. He then started walking to the south towards Sgt. Lee.

I had my Taser (Conducted Electrical Weapon CEW) out. He was not listening to other officers commands. I aimed my taser at McIlwain's abdomen and fired. I was approximately 11 feet away from McIlwain when I deployed my taser.

McIlwain then fell to the ground and I closed distance on him. McIlwain did drop the baton, but both hands went under his chest. As I approached I saw one of the probes on the ground near him, I followed up with a touch stun to McIlwain's left calf, which completed the circuit.

Other officers were able to pull out McIlwain hands and handcuff him. As he was rolled over I could see one of the probes was in his abdomen above the navel.

Medics were called to take out the probe and check his medical status. AMR arrived on scene and took out the probe. McIlwain was cleared by medics.

I was advised later that McIlwain was taken to the hospital for a mental health evaluation. He did later tell me and Ofc. Valencia that he did go to the hospital and was discharged, but did not tell us the reason.

McIlwain was transported to jail and booked.

The baton McIlwain was holding was measured as 22 inches long by 1 inch thick. It looked like it was a wood closet coat hanger dowel.

Later Sgt. Lee downloaded my taser and there was one application of 5 seconds at 2049 hours.

The baton and taser cartridge were placed on to property.

I later was advised by Ofc. Brown-Beiber, he talked to the victim and she had bruises and said she was assaulted with the baton.

McIlwain was arrested by Ofc. Valencia for City Assault (DV) and Disorderly Conduct.

I had my body camera on at the time of the incident.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

<b>NARRATIVE</b>					

On 06/15/15 I was dispatched to 8805 N. Colton St. for a report of a fight. Numerous people had called to say a male was assaulting a woman in the parking lot at that location, and some callers said people were fighting with sticks there.

As I arrived a person in the area flagged me down and said the fight was happening in the parking lot on the south side of the complex. I drove into the lot and other people pointed me towards the alley on the west side of the building, saying the people involved had gone around the west end of the building. As I pulled into the alley I saw a white male with no shirt standing in the alley, holding a wooden stick. The male was later identified as Jason Mcilwain.

I stopped my cruiser and exited to talk to Mr. Mcilwain because I suspected he had been involved in the altercation. As I got out of my car he repeatedly yelled "Shoot me!" I told him to put the stick down and talk to me, but he ignored me and continued to yell at me to shoot him. I attempted to engage him in conversation to calm him down and try to get him to comply, but he continued to yell. He yelled something about his "whore wife" and said he was not going to be able to see his children any more. I attempted to speak with him about that but he continued to yell for police to shoot him

and refused to put down his stick. The stick was 2-3' in length and appeared to be at least 1" in diameter, and appeared as if it were capable of causing serious bodily harm or death if used as a weapon. There were numerous people from the apartment complex out watching what was going on due to Mr. Mcilwain's yelling.

I continued to try to get Mr. Mcilwain to put the stick down while other officers approached him, but he refused to do so and continued to tell me to shoot him. It appeared likely that Mr. Mcilwain would assault officers if they approached him to take him into custody. Ofc. Rogan then deployed a Taser to help take Mr. Mcilwain into custody. Mr. Mcilwain fell to the ground when the Taser was deployed with his hands in front of him. I approached and with the assistance of several other officers was able to secure Mr. Mcilwain in handcuffs.

I was able to speak with several witnesses to the incident. I first spoke with [redacted #2d] who provided the following information: [redacted #2d] was 15 years old and stayed with her mother in apartment #49. For the past few days a woman known to [redacted #2d] as [redacted #2d] (later found to be [redacted #1a]) had been staying with them in #49. [redacted #1a] children were also staying there in the apartment.

Earlier that day Mr. Mcilwain had been detained for mental health evaluation by Spokane Police. While he was gone [redacted #1a] was trying to pack up her belongings into a Chevrolet Yukon parked in front of the apartment. [redacted #2d] was outside helping [redacted #1a] pack the truck when Mr. Mcilwain walked up.

Mr. Mcilwain grabbed [redacted #1a] and pulled her out of the truck, throwing her to the ground. He also hit her and called her names. At some point in the altercation Mr. Mcilwain retrieved a stick and began hitting the truck with the stick. [redacted #2d] ran out of #49 to see what was going on. Mr. Mcilwain then punched [redacted #1a] in the stomach, causing her to fall to the ground. Rebecca then went back inside #49.

Mr. Mcilwain was yelling "Let me see the kids," and [redacted #1a] told him they were at his mother's apartment (Renee Leavitt in #23). Mr. Mcilwain went to that apartment to try to contact the kids, and [redacted #2d] stayed outside to see what would happen. [redacted #2d] drove away in the Chevrolet when Mr. Mcilwain went to his mother's apartment. After trying to see the kids in #23 Mr. Mcilwain came back down to the back alley and was saying "That's the last time I'll see them," at which time he was contacted by police.

I was also able to speak with a witness named James Everett who lived in #62. Mr. Everett provided the following information: He lived in #62, which was on the third floor of the same apartment building where #49 was located. There was a parking shelter covering the row of parking spaces directly in front of the building.

On this day Mr. Everett had been inside his apartment when he heard yelling outside. He went out onto the front walkway to see what was going on. He could see Mr. Mcilwain standing in the parking lot holding a stick and heard #1a say "Don't hit the Blazer." Mr. Mcilwain then went under the parking shelter cover and Mr. Everett heard what sounded like a car being struck by a stick. Mr. and #1a then came out from under the parking shelter into the parking lot where Mr. Everett could see both of them. Mr. Mcilwain then hit #1a with the stick, using what Mr. Mcilwain described as a one-handed overhead strike.

Mr. Mcilwain was yelling for his kids and then said he was going to go "kick his mom's ass." Mr. Mcilwain started to walk towards his mother's apartment. Mr. Everett knew #1a mother lived in #23 and was acquainted with her, so he followed Mr. Mcilwain as Mr. Mcilwain walked to #23. At #23 Mr. Mcilwain knocked on the door and his mother briefly opened it, but then closed the door again.

Mr. Mcilwain then walked down to the parking lot where he was contacted by police. Mr. Everett overheard Mr. Mcilwain saying he was going to "kick their asses" (referring to the police) and saying he was going to "kick Mom's ass" and saying "I want my kids" before being Tased and taken into custody by police.

Although #1a was not present at the apartment complex at that time, based on the numerous witness statements detailing that Mr. Mcilwain had assaulted his wife he was arrested for city assault DV and disorderly conduct.

About 30 minutes later dispatch received a call that #1a had returned to the apartment complex and was available to be interviewed. I responded and met her in the parking lot for the Rose Wood Apartments, on the east side of N. Colton St. from where this incident had occurred.

#1a provided the following information: She had been staying at #49 for the past few days because she and Mr. Mcilwain were temporarily homeless and needed a place for their 4 children to sleep. Earlier in the day on 06/15/15 Mr. Mcilwain had been detained for mental health evaluation because he was at risk of hurting himself. He had been depressed recently and frequently tried to hurt himself in front of #1a

While Mr. Mcilwain was detained Ms. Mcilwain decided to re-pack the Chevrolet Yukon she drove, which was registered to Mr. Mcilwain. She was at the back of the car packing when she heard someone say "He's back." When she looked up she saw Mr. Mcilwain at the open driver's door of the car. She started to walk towards him to talk to him, but he ran at her and grabbed her. He then let go of her and got the stick out of the passenger compartment of the Yukon.

Mr. Mcilwain opened the hood of the Yukon and began hitting the engine with the stick. Their daughter #2d came out of #49 and Mr. Mcilwain went to talk to #2d. Mr. Mcilwain put his

arm around #2d and was talking to her. #1a told Mr. Mcilwain to calm down, at which point Mr. Mcilwain punched #1a in the stomach. #1a then went inside and apparently went out the back of #49 to go to Mr. Mcilwain's mother's apartment. Ms. Mcilwain was able to get the Yukon started and drove away to get away from Mr. Mcilwain.

#1a had numerous marks on her arms where she said Mr. Mcilwain had grabbed her. Cpl. Spiering photographed her injuries as evidence. I conducted a Lethality Assessment Program screening with #1a. She answered yes to questions 1, 2, 3, 5, 7, 8, and 9 and screened in to the program. I contacted a domestic violence advocate and had #1a speak with the advocate.

This incident was captured on my body camera.

I responded with other officers to 8805 N. Colton on a report that a man had assaulted his girlfriend. While enroute, dispatch updated the call to say the man was now armed with a stick and assaulting others.

Ofc. Brown-Bieber and I arrived and were directed by citizens to the west side of the apartment complex. Once there we encountered a male armed with a stick and screaming. The man was later identified as Jason McIlwain.

McIlwain was swinging the stick around and repeatedly yelling, "Just shoot me," and "Thank you #1a #..." The stick was similar to the handle of a shovel or other garden tool and about two-feet in length.

See Ofc. Brown-Bieber's report as he continued to ask the man to drop the stick and come and talk to us.

The man ignored commands and continued swinging the stick as a woman with a dog approached from behind him. She ignored our orders to retreat and stayed within 15 to 25-feet of McIlwain. We later learned she was somehow related to the man; she was interviewed by Ofc Briggs. I was concerned for her safety as McIlwain was armed with a weapon and acting irrationally. Three other bystanders located near me and about 40-feet from McIlwain felt threatened and ran in the opposite direction.

McIlwain slowly made his way a little closer to us, coming to about 30-feet from away. Other officers then approached from the north. I heard those officers giving commands to McIlwain to drop the stick. McIlwain refused and continued swinging the stick in a threatening manner while yelling, "Just shoot me."

I saw Ofc. Rogan fire his taser, the suspect fall to the ground and then be safely taken into custody by Rogan, and others. Handcuffing was the only other force used as McIlwain then became compliant.

McIlwain had scrapes on his forehead, right shoulder (front and back) and both knees. I photographed these injuries.

NARRATIVE					

On 06-15-15 at approx 2054 hours I responded to 8805 N Colton reference a report of a domestic violence assault. While en-route radio advised a male had slapped his girlfriend and pulled her down to the ground. Several other callers advised a male was punching a female and the male had a stick of some sort. The incident was taking place in the parking lot of the location.

When I arrived on-scene there was nothing observed on the south side of the complex. While walking through the court yard of the complex Sgt Lee advised the male was at the west end of the complex. The gate that allowed exit from the court yard was locked and broken. We had to jump the rod iron fence to exit the court yard so we could get to the west side of the complex.

When I walked around the corner of the complex on the N/W side I observed the suspect "Jason." Jason had been described as a W/M wearing no shirt. I was on the north side of Jason. Other units had him contained on the south side. The suspect was yelling and holding a stick/bat approx 3 feet long. The suspect was being directed to drop the stick. The suspect did not follow directives and kept himself armed with the stick. I directed the suspect to drop the stick, I further advised him that we did not want to hurt him. The suspect did not put the stick down and just continued to yell. Ofc Rogan was in a position for a taser application.

When the taser was deployed I quickly moved in to control the suspect. The taser application was successful causing neuromuscular incapacitation providing us a window of opportunity to gain control of the suspect. I took control of the suspects right arm. The suspect was in the prone position and was placed in handcuffs with out further incident. I spoke to the suspect in a calm

voice. I advised the suspect to take some slow deep breaths and we were getting him medical attention. Medics responded to the scene and treated the suspect "Jason." See Ofc Rogan's report for more information.

I contacted a male identified as (Cooper, Ron). Ron advised the male Jason has been living at the location in a vehicle. He said there was a physical altercation on the south side of the parking lot. He said at first he observed the physical altercation but then advised he couldn't really see it but heard it. He advised people were getting pushed against parked vehicles and glass was breaking.

Ron explained that after the altercation in the parking lot Jason was going after a female he believes is his sister "Rayanne." He said that's why he thought Jason was walking over to the N/W side of the complex. After further investigation "Rayanne" was actually Jason's mother.

For more information see other reports and video footage.

Jason was arrested for disorderly conduct and city assault DV.

<b>NARRATIVE</b>					

On 06-15-15 at approximately 2042 hours, SPD received a call from 8805 N Colton St indicating that a male was assaulting a female at that location. Further information was that multiple people were fighting, and multiple people were armed with sticks. There was an additional caller who claimed a female was shooting people at the location, and also children were being assaulted by a suspect with stick.

First arriving Officers reported that they had found a male in the complex brandishing a stick. The male was not complying with officers and was yelling at officers to shoot him.

I responded to the scene to assist. After arriving on-scene Sgt. Lee requested a unit bring a bean bag shotgun, which I did, and then responded to the northwest corner of the complex. There I observed a shirtless male yelling at officers and holding what appeared to be a wooden stick. I heard officers directing the subject to drop the stick, and a taser was deployed. The suspect fell to the ground and I observed as Officer handcuffed the subject.

There were multiple bystanders at the location. I contacted a female who identified herself as the suspects mother. She identified herself as Renee Leavitt. Leavitt conveyed the following in summary; she did not observe the incident between her son and his wife, #1a. She was alerted to her son's presence when he arrived at her apartment, #23. Her son, Jason Mcilwain, arrived at her apartment and was yelling and screaming. He was demanding to know the presence of one of his children and ranted about someone "selling him out." Leavitt indicated that she believed Mcilwain was bi-polar and possibly using methamphetamine. She continued that Mcilwain was irate and out of

Leavitt indicated that she observed her son being confronted by Police. She heard police give him commands to put the stick down. She said that he was saying he "wanted you to shoot him." She also heard him "yelling for you guys to come and get him."

When I told her that we were investigating if he had assaulted his wife Leavitt stated "that's nothing new" and continued that the two frequently assault each other. She stated she had not seen any of the incident today.

### NARRATIVE

On 6/15/15 at approximately 2042 hours I responded to the Cedar Village Apartments, 8805 N. Colton St., in Spokane, WA regarding a domestic dispute. City Radio Dispatch advised that the male suspect slapped his girlfriend and pulled her to the ground, the male got a stick out of the vehicle and then hit the female.

Upon arrival the witnesses stated that the suspect was on the south west end of the complex. Ofc. Rogan and I went over the fence and came around the back of the complex where we found the suspect.

The male was already seen by several witnesses hitting his girlfriend. At this time we knew there was probable cause for City Assault - DV.

The male was currently sweating and not wearing a shirt. His hair was disorderly and he was being loud. The male was not reasonable and was not listening to commands. The male was posturing and he looked like he wanted to fight. The

male had not been searched yet and it was unknown whether or not he had more weapons on his person. The male had baggy cargo shorts that could have easily concealed another weapon. The male was yelling at the top of his lungs for officers to shoot him while holding a stick.

At this time there were not any other reasonable means of apprehension other than the Taser method. This was a safe distance from the male and was a less lethal alternative. This was a rapidly evolving incident and after several commands were given and the fact the male did not place the stick down, it was necessary for Ofc. Rogan to deploy the Taser and take the male into custody.

I was to the right of Ofc. Rogan when we contacted the male. He was not wearing a shirt, he was sweaty, and he was holding a stick. Several officers on scene gave commands to the male to put the stick down. The male was not compliant and yelled back, "Shoot me, Shoot me". Ofc. Rogan yelled to the male to put the stick down and stated that we did not want to hurt him. The male refused and Ofc. Rogan deployed the Taser. The male immediately went down to the ground. Ofc. Rogan and I and other officers placed the suspect in handcuffs (DL) for his safety.

After the male was in custody and receiving medical attention, I contacted the witness, identified as Naomi Castana inside of her apartment #49. I asked Naomi what happened and she stated the following:

She let victim, identified as #1a, stay with her for a few days, in order to help her and her children get back on their feet. She stated that Tanya and her boyfriend, the suspect, have had several domestic violence incidents in the past and that she was helping Tanya get away from him.

Today #1a had told her that he beat her in the car and pulled her hair. She had several injuries including bruising and claw marks on her arms from where he had grabbed her. #1a was packing up her belongings into her car when he came around the corner. He stated to #1a, "I am going to smash your face in". He put the hood of the car down and grabbed a stick out of the vehicle. He started hitting the engine with the stick. He took their son #2d from her arms and then punched her with his fist in a downward motion about five times.

She fell to the ground. #1a then yelled for help asking Naomi to get the kids in the car as it was her only chance to go. The suspect then hit her across her stomach with the stick. She got in the car with her two children and left. She thinks that #1a may have went to a friend's house, but did not know where they lived. #1a did not have a phone, so we were unable to contact her.

I talked to Naomi's daughter, identified as #2d, and took her statements. She stated the same thing that her mother Naomi stated as they were together when the incident occurred.

Ofc. Brown-Bieber took statements from a male that lives at the complex and later came back to interview #1a when she came back to the residence.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.
