### Incident Summary

---

Officers were called to the address on a subject who had turned on the gas appliances in his apartment and boarded up his windows. Officers arrived and made verbal contact with the subject who was located in the far West 2nd story apartment. The subject [REDACTED] #14 refused to comply with the officers and said he was not coming out and they were not coming in.

Officers were able to turn off the gas to the building. The odor of gas dissipated and the officers used a ram to gain entry into the apt. The officers contacted [REDACTED] #14 who was laying on a mattress in the apt. The officers used a ballistic shield to pin [REDACTED] #14 to the mattress. He was taken into custody without further incident. [REDACTED] #14 possibly suffered minor injuries which consisted of a minor abrasion to his back and a small cut to the back of his head. These injuries may or may not have occurred during the arrest. As [REDACTED] #14 was very uncooperative he would not answer any questions.

The landlord was located and arrived on scene shortly after [REDACTED] #14 was taken into custody. The landlord told officers that [REDACTED] #14 had been served with an eviction notice and was to be out of that apartment the following day Thursday August 27th. The landlord took control of the apartment to repair the door that was breeched during the entry.

This use of force was justified as [REDACTED] #14 posed an extreme danger to himself, the other tenants in the apartment building and the people living nearby. I authorized the entry and the lack of a pre-entry notification due to the issues surrounding [REDACTED] #14's mental state. We had a huge community caretaking concern and needed to place [REDACTED] #14 into the care of mental health professionals as soon as we could arrange his transport.

In compliance with policy per Chief Dobrow 10.14.15.

<b>Recipient's Comments/Response:</b> I have reviewed this incident and concur with Sgt Reisenauer's review and findings. This individual posed a significant risk to himself and other citizens within the apartment complex and nearby area. suicidal male. Alfred Foerster reported that his neighbor in #2 turned on his gas stove inside the apartment and they smelled a strong odor of natural gas. The neighbor in #2 was identified as #14

Upon arrival, officers already on scene advised they were walking to the apartment when they smelled a strong odor of natural gas. I assisted officers with blocking E/B traffic on W Maxwell and N Maple to contain the area.

After Spokane City Streets barricaded my position, I returned to assist officers at the apartment. Officers already had shut the gas off to the whole apartment complex. #14 locked the door to his apartment and barricaded himself inside. He told us that he was not coming out and we were not coming in.

#14 was a danger to himself because he turned on his gas stove and filled his apartment with natural gas. He also had created a danger to others inside the apartment complex with the strong odor of natural gas.

I assisted officers with forcing entry into the apartment because #14 created an immediate threat to himself and others. We were concerned with the safety of #14 and others in the apartment and wanted to stop #14 from creating any further harm.

Once we were inside, #14 was complainant and non-resistant. I placed in him handcuffs (D/L) and advised him he was in protective custody. Afterwards, #14 advised me was had been diagnosed with Schizophrenia.

AMR transported #14 to Sacred Heart Medical Center for a mental health evaluation. I completed the Providence Spokane Emergency and Trauma Service Patient Report by Law Enforcement and provided a copy to Sacred Heart Mental Health staff.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

On 08-26-15, at 1943 hrs., I responded to assist officers on a report of a suicidal male at 1423 W. Maxwell #2. I arrived and contacted Sgt. Reisenauer and the other responding officers.

It was reported that "[REDACTED] #14", a tenant on the second floor, had turned the natural gas on in his apartment and was going to board up his doors and windows. He was described as having mental issues and suicidal. The fire department was standing by, Avista Utilities was called and barricades blocked off the streets. Ofc. Uberuaga and I made our way to the back of the apartment building and began evacuating the other tenants. We could smell the odor of natural gas. I obtained a wrench from the fire department and turned off the gas to the building.

Officers were talking with "[REDACTED] #14" through a window at the front of his apartment. "[REDACTED] #14" refused to come out. It was decided to form a team to contact "[REDACTED] #14" at his apartment. I was assigned to be "lethal cover", directly behind Ofc. Uberuaga, who took the lead with a ballistic shield. Officers Johnson and Childress were also in the group. "[REDACTED] #14" did not come to his door, which was locked. Ofc. Johnson used a ram to force the door open. "[REDACTED] #14" was directly in front of us, across a living room area, sitting on a mattress in a bedroom. We moved toward "[REDACTED] #14", who remained sitting on the mattress. He was directed to lay down, which he did not. The bedroom was very cluttered, with numerous items next to and within "[REDACTED] #14" reach. A large hunting knife, in a sheath, was one of these items. Another butcher knife was later found underneath "[REDACTED] #14".

As we reached "[REDACTED] #14", Ofc. Uberuaga pushed "[REDACTED] #14" onto his stomach and pinned him down with the shield. This allowed me to grab hold of "[REDACTED] #14" left arm for handcuffing as another officer took control of his right hand. "[REDACTED] #14" was handcuffed and taken into custody.

Cpl. Blessing responded to take photographs of "[REDACTED] #14" door, his bedroom and the weapons found with him. Photos were also taken of an abrasion on "[REDACTED] #14" back and a small cut on the back of his head. Sgt. Reisenauer was briefed.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

NARRATIVE					

On the 26 Aug.2015 at approx. 1930hrs. I was dispatched with several officers to 1423 W. Maxwell Av. #2 reference a suicide attempt. Al Foerster who lived in #3 called 911 saying his neighbor in #2 had turned the natural gas on in his apartment and was boarding up the windows. He said he could smell gas and the neighbor was doing this intentionally as he had mental issues. Dispatch advised the suspect, #14 had previous mental health contacts.

We arrived and we could smell natural gas as we came close to the apartment complex. Other units were able to shut the natural gas off to the building.

I began talking to #14 through the plywood he had placed over his broken upstairs window. He stated he had turned the natural gas on to scare his girlfriend into believing he was suicidal. He began speaking irrationally stating LE had been to his house the night before and tried to stab his ribs. He also said he was schizophrenic. He began lighting a cigarette and smoked the cigarette while talking to us. He continued speaking irrationally showing his mental state was there. He said his girlfriend was not in the apartment and we could contact "Mississippi" to find out where she was. He said he would not come out of his apartment, would not let us into the apartment to confirm there were no other injured subjects and said he would keep us out if we tried to enter his apartment.

Based on his behavior we determined he was an immediate danger to himself and others and needed to taken to SHMC for a mental health evaluation. Sgt. Reisenauer advised we would force entry to safely take #14 into custody.

I formed a contact team with shield to enter the apartment. As #14 was suicidal I made the decision not to knock and announce and immediately breach the door. I planned on entering the apartment quickly and without warning to prevent #14 from grabbing weapons and forcing a deadly force encounter. I did have one officer dedicated to a Taser for less lethal force.

I did breach the door having to knock the door knob lock and a second dead bolt off the door. Officers entered and detained #14. He did have several kitchen knives near him.

## NARRATIVE

On 082615 at about 1934 hours, I responded to a suicidal male who had allegedly just turned on the natural gas in his apartment. Upon arrival, the complainant advised officers that **#14** had turned on his gas and was threatening suicide.

Once more officers and Sgt. Reisenauer arrived on scene, Avista was also advised and asked to come to the location. Fire was staging down the street and barricades were coming to block off the surrounding streets.

Officer Brownlee and I went around back and were able to obtain a wrench from Fire to turn off the gas to the entire apartment. We were also able to get one of the tenants and her children out of the building.

Officer Johnson was making contact with **#14** who was talking to him from a window upstairs. The window had ply wood in it but there were large spots that air was able to go in and come out of. Once Avista came out, they advised that the gas was off and the ventilation in the apartment with the cracks in the windows were more than sufficient for it not to be flammable.

After contacting Sgt. Reisenauer, and talking to Officer Johnson who advised us that **#14** had told him that he is not coming out of the house. We devised a plan to go in and get **#14** for an involuntary mental committal due to the large step that he took in turning on the gas.

I had the shield and Officer Johnson was going to force entry with the ram. We decided not to announce prior to going in due to **#14** already knowing that we were there and him already stating that he was not coming out.

Officer Johnson forced entry into the apartment and I went in first with the shield. I saw **#14** sitting on a mattress in a bedroom that was straight a head of the front door just through the living room. He was smiling and not saying anything, he was being told to lay down and show his hands, neither of which he did. I continued walking towards him and pinned him down onto the mattress using the shield and my weight to pin him down while the other officers were able to get **#14** handcuffed.

Once we got Sutton stood up and out of the room, I noticed several weapons that **#14** was

On August 26, 2015 at about 1934 hours, I was dispatched to 1423 W. Maxwell to assist other Officers investigate a reported suicidal person.

While en route, I was advised the subject is named [REDACTED] #14 and he had boarded up his apartment and turned on the natural gas.

I arrived on scene at about 1937 hours and contacted the complainant Al Foerster. Foerster told me [REDACTED] #14 has turned on the gas and it smells really strong like sulfur. Once other Officers arrived on scene, it was determined the surrounding roadways need to be closed down, which they eventually were. Sergeant Reisenauer arrived on scene and took over command of the scene.

Officer Johnson spoke with [REDACTED] #14 through an upstairs window, but he refused to exit. It was clear [REDACTED] #14 was unstable as he attempted to kill himself. It was also very apparent [REDACTED] #14 was not only a danger to himself, but the other residents of the apartment building in which he was residing. We approached the apartment building and I could smell an odor of gas. Officer Brownlee was able to turn off the gas supply to the building at the meter.

Once Avista arrived on scene to verify it was safe to enter the building, Officers Johnson, Uberuaga, Brownlee, Gonsalves and I forced entry into [REDACTED] #14 apartment and took him into protective custody. Once, [REDACTED] #14 was removed from his apartment, I exited and cleared the scene a short time later.
