Incident #: 16-0089048

Date: 03/13/16

Involved Officer(s) BWC Y/N: Ofc. S. Chimienti # 1068

Reviewing Supervisor: Sgt. R. Meyer #607 / L288

Incident Summary: Officers were executing a signed search warrant for blood with an uncooperative individual. Although he wasn't combative he refused to cooperate with the blood draw process at the initial stages. At the time he was already in a jail holding cell while Officers were awaiting the signed search warrant. As officers obtained the warrant and AMR staff arrived. We were told by SCSO corrections staff that they have a new "Hands off" policy and would not aid SPD employees with the placing of the prisoner on the gurney or restrain chair.

Officer Interview Summary: Ofc. Chimienti was operating at my discretion and applied "Upper body control" / Level 1 Neck Restraint when I observed the male bend and thrust forward in what appeared to be a lunging motion towards the AMR staff. I ordered Ofc. Chimienti to obtain control of the male in upper body control. I was worried that the male would assault AMR staff during the blood draw thus causing more injuries with the uncapped IV.

Subject Interview Summary: Uncooperative refused to answer any questions after the blood draw.

Witness Officer Interview Summary BWC Y/N: (Body Cam Worn) Ofc. Huffman observed the male lunge forward during the blood draw.

Any Relevant Clarifying Information and Observations: The use of the restraint chair was new to SPD officers and all the straps involved in placing someone in it. Sgt. Petz with the Spokane County Jail attempted to walk us through the process but was told by his admin that they were unable to physically assist.

Graveyard Patrol Officers were given a class in the following days by members of the Jail CRT team to demonstrate how to properly place a subject in the chair.

Having this information prior to this incident would have prevented the use of any force used by SPD personnel. The male made a snoring sound but as soon as Ofc. Chimienti released the hold he quickly began yelling at staff. We believed the male was faking being placed unconscious.

Sergeant Findings: Based on the officers and witness statements and the available physical evidence, all indicators are that the suspect was an assaultive resistor. The application of a Level 1 neck restraint against an assaultive resistor is objectively reasonable application of force and is consistent with department training and practices.

After Action Review:

After the incident I emailed Lt. King for documentation of the restraint chair training and to get a review of just doing a "refusal" for DUI cases (Misdemeanors). However this case involved a felony Hit and Run. I believe had the arrested individual been more combative we would have likely done a refusal in this case as well to prevent any injuries, all for the collection of evidence. The body camera footage and driving would support the DUI arrest.

NARRATIVE

Unit 2 was traveling south on Monroe approaching the intersection with Jackson. Unit 1 was traveling east on Jackson approaching Monroe. Unit 1 failed to stop for the stop sign and Unit 2 was unable to stop in time to avoid a collision resulting in a minor injury to the driver of Unit 2. Unit 1 fled the collision without making any attempt to exchange information or contact the other involved driver. Unit 1 was contacted a few blocks away from the collision and was determined to be under the influence of alcohol. The driver of Unit 1 was arrested for Felony Hit and Run and DUI.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

NARRATIVE

On 031316 at 0030 hours Ofc. Yinger and I responded to a report of a fight in the parking lot of the Illinois Tavern located at 1403 E Illinois (16-89025). Upon arrival I contacted the bar tender Michele Lee who stated the person who had started the fight had left in a vehicle before our arrival. Lee stated she recorded the vehicle license plate as AOT3533 which returned to a silver Mazda 6 registered to a Christopher McDanel with an address of 615 S Denver. Lee told me the male was very intoxicated and became angry when she cut him off from drinks.

On 031316 at 0046 hours I responded to the intersection of Monroe and Jackson regarding a report of a hit and run collision. The complainant reported a two vehicle collision in which one vehicle also crashed into a building, then fled the scene. Witnesses described the suspect vehicle as a silver Mazda. Upon arrival I saw a white Chevrolet Malibu (WA Lic# AIK8266) facing north on the west

side of Monroe up on the sidewalk on the North West corner. I could see the vehicle had both front airbags deployed and major front end damage to the vehicle. I saw a business located on the south west corner, All American Tattoo (2425 N Monroe) had the front window of the business broken out and it appeared a vehicle had driven into the business. There was a fluid trail leading from the business north on Monroe then turning west on Carlisle. I saw near the broken front window of the business was a license plate, WA Lic# AOT3533.

I contacted several witnesses who were standing on the sidewalk next to the white sedan. Witnesses Rebekah Curtis and Amanda Erickson both stated they were traveling in a vehicle south on Monroe. They saw a white Chevrolet Malibu in front of them traveling south in the inside lane. Curtis and Erickson both stated they saw a silver Mazda traveling west on Jackson at a high rate of speed approaching Monroe. The Mazda did not stop at the stop sign and drove in front of the white Malibu. Curtis and Erickson stated the Malibu had no time to react and struck the Mazda on the passenger side. The impact sent the Mazda into the front of the building at 2425 N Monroe and the Malibu spun ending up facing north on the west side of the street on the sidewalk. Curtis and Erickson both stated the Mazda stayed where it was for a moment then backed out of the window and drove away south on Monroe turning west on Carlisle. The driver of the vehicle made no attempt to check on the other involved driver or identify himself in any way. Curtis and Erickson both stated they did not see the driver and could not identify him.

While I was speaking to Curtis and Erickson Ofc's Benesch and Huffman contacted a male walking in the 1200 Block of W Carlisle. The male did not have a shirt on and was heard by a nearby resident talking on the phone stating he had just been in a collision where he ran a stop light. (See Ofc. Benesch and Ofc. Huffman's additional for further details).

I spoke next to the driver of the Malibu, Debra Thur. Thur told me she was traveling south on Monroe when out of no where a vehicle was in front of her and she hit it. Thur stated she had no time to react to the vehicle before she struck the side of the car. Thur told me she did not see who was driving the car and could not identify the driver. Thur suffered a fat cut lower lip and some minor pain to her neck and back as a result of the collision.

Based on the statements of Thur regarding her minor injuries and that the driver of the other vehicle made no attempt to exchange information or identify himself I determined there was PC to arrest the driver of the Mazda for Felony Hit and Run.

I was advised over the radio the male detained by Ofc. Benesch and Huffman was identified as Christopher McDanel, the registered owner of the suspect vehicle. McDanel had an abrasion on his left shoulder consistent to where a seat belt would rest if you were in the driver seat of a vehicle. Ofc. Yinger responded back to the Illinois Tavern to contact witnesses at the location. Ofc. Yinger advised he had several witnesses which could place McDanel as the driver of the Mazda and the only occupant in the vehicle (See Ofc. Yinger's additional).

Ofc. Matt was working a DUI emphasis patrol during the shift and he responded to assist. Ofc. Matt observed McDanel was displaying symptoms of alcohol intoxication and asked McDanel if he would submit to field sobriety tests, however McDanel refused all tests. McDanel was placed under arrest for DUI and Felony Hit and Run. McDanel was transported to jail where he was booked on those charges and Ofc. Matt wrote a search warrant for McDanel's blood. McDanel was uncooperative during the booking process and failed booking. McDanel was placed in an isolation cell by Jail staff until he could calm down and cooperate.

The warrant was approved by Judge Derr on 031316 at 0159 hours. AMR responded to the jail for the blood draw and arrived at 0450 hours. I was advised by Jail Sgt. Peitz that due their policy they were unable to assist in removing McDanel from his cell for the blood draw or in restraining him for the blood draw. I attempted to speak to McDanel to explain the situation in hopes he would calm down and cooperate. I explained to McDanel I had a signed search warrant for his blood. McDanel stated he would refuse to allow me to take his blood and stated he was told by his epilepsy doctor that he could not have his blood drawn.

Sgt. Meyer, Ofc's. Chimienti and Huffman responded to the jail to assist. Jail staff opened the cell door and Sgt. Meyer and myself escorted McDanel into the sally port where AMR was waiting. Again McDanel stated he refused to give his blood and told me several times I was going to lose my job and my house if I took his blood. I attempted to show McDanel his copy of the warrant however he refused to look at the warrant or listen to what I had to say. McDanel was strapped into a restraint chair to assist in holding him still for the blood draw. Despite being in the restraint chair McDanel still was attempting to fight and pull his arms away, not letting the paramedic get a blood sample. I could see McDanel tensing his upper body and rolling his hands away from the paramedic preventing him from accessing his veins. Ofc. Huffman attempted to take control of McDanel's hands and fingers to prevent him from rolling his hands. Ofc. Chimienti took control of McDanel's upper body to prevent him from moving forward and backward in the chair. It wasn't till after Ofc. Chimienti took hold of McDanel that Jail staff then stated there was an additional strap which could be used to hold his upper body in place. See Ofc. Chimienti's additional for further.

Paramedic Philippe Moore was able to get a sample of McDanel's blood, taken from his left forearm at 0502 hours. I saw the area was cleaned with an iodine solution and the sample was taken in two separate grey top blood vials containing a white powder. Once Moore handed the blood vials to me I gently inverted the vials eight times to ensure the powder was distributed. Ofc. Chimienti placed the blood, the license plate, and a cell phone located at the collision scene on property as evidence.

NARRATIVE					

On 3/13/2016 at approx. 0047 hours, officer's were dispatched to Monroe and Jackson to the report of a hit and run accident. The complainant stated there were two vehicles involved. One of the vehicles also hit a building near by and then fled the area. The vehicle that fled was described as a silver Mazda.

Officer's arrived on scene. See other reports for further.

I checked my MDC for calls for service. I saw there was a report of a vehicle vs a power pole at Carlisle and Cedar. This is only four blocks west and one block south of the other collision call. The driver got out of the vehicle and was fleeing the scene. He was described as a shirtless male.

I assisted with the call and began checking the area for the suspect male. Ofc. Huffman advised he found the male on Carlisle in the west 1200 block. I responded to this location to assist.

Upon arrival, the male was sitting on the south side curb. He had no shirt on. His hands/wrists were bloody. He had a large bruise already forming near his left shoulder and neck area that led down his chest at an angle towards his right hip. He had some cuts near the bottom of stomach below his belly button. He also had some blood on his nose.

Based on my training and experience, his injuries were consistent with that of the driver of a motor

vehicle wearing his seat belt who was involved in an accident with a steering wheel air bag deployment. The bruise from his left shoulder leading across his body is consistent with the drivers side seatbelt.

The male was identified as Christopher R. McDanel. He stated he did not want medics and was not going to answer any questions. He stated multiple times his designated driver wrecked the car and ran away. He was just a passenger. He didn't want LE to talk anymore and we needed to shut the fuck up.

Corporal Blessing took photo's of Christopher's injuries. See photo's for further.

I contacted witness Jason B. Laws, who was the complainant that called in saying he was following Christopher. Jason stated the following; He lives at 1308 W. Carlisle and was at home with his wife. They heard a vehicle driving down the street and could hear something dragging on the ground. They could also hear the vehicles wheels squealing.

Jason went outside and saw the suspect vehicle sitting at Cedar and Carlisle. He saw one male walking from the vehicle. He started following the male, later identified as Christopher. Christopher was talking on his phone and stated "I'm going to go to prison for this!" He was extremely nervous and scared.

Christopher kept walking until he realized Jason was following him. Christopher then stated to Jason something to the effect of "ran a red light, but it wasn't my fault." Christopher then stated his designated driver ran off. LE arrived shortly after.

Ofc. J. Matt arrived on scene. He asked Christopher if he would like to conduct any SFST's. Christopher denied and wouldn't answer any questions.

See other reports for further.

Based on the facts and circumstances, Christopher was arrested for DUI. He was placed in handcuffs (DL) and searched incident to lawful arrest.

We had Christopher sit up against the front quarter panel of my patrol vehicle. While sitting there, his behavior was escalating. He was getting louder and louder and yelling at LE to shut the fuck up. He continued trying to move off the vehicle. He was told multiple times to quit, but continued moving around. We finally had to hold Christopher down. He was tensing up and attempting to get free. He was also picking his legs up and moving them in a fashion making me believe he was about to kick me or one of the other officer's on scene. We finally placed him in the backseat of a marked patrol vehicle and transported him to Spokane County Jail.

NARRATIVE					

On 03/13/16 at approximately 0451 hours I responded to the Spokane County jail to assist Officer Winters execute a blood search warrant. Officer Winters had obtained a signed search warrant to extract blood from, Christopher McDaniel. Officer Winters advised McDaniel was uncooperative and was refusing to provide blood samples.

McDaniel was under arrest for DUI and felony hit and run from an incident that started at the Illinois Tavern. At the Illinois Tavern he had been involved in a physical fight. After the fight at the bar he fled that scene in his vehicle. He then crashed into a car in the area of Jackson / Monroe attempted to flee from that collision and then crashed into All American Tattoo at 2425 N Monroe. After the two collisions, McDaniel again fled the scene. However, his vehicle stopped several blocks away in the area of Cedar/Carlisle, where McDaniel again attempted to flee the scene. But, a witness saw his vehicle and heard McDaniel talking on his cell phone making statements similar to I ran a stop sign, crashed my car, and I'm going to jail. Other officers arrived in the area and were able to locate McDaniel and take him into custody for DUI and felony hit and run based on injuries that were sustained by the original collision victim.

Upon arrival Sgt Meyer and Officer Winters were being advised by Sgt Pietz of the jail, that jail staff would not be allowed to assist in removing McDaniel from the jail holding cell, escorting him to the sally port, or restraining him in the restraint chair to facilitate the blood draw. Sgt Pietz advised this was due to jail policy and procedure.

Officer Huffman had arrived on scene at that time. Myself, Officer Winters, Officer Huffman, and Sgt Meyer entered the jail and were directed to the holding cell where McDaniel was being held. Sgt Meyer spoke with McDaniel who immediately stated he was not going to provide blood.

Other than his statements that he was not going to provide his blood willingly, McDaniel was compliant and was escorted from the jail holding cell to the sally port and placed in a jail restraint chair. At the coaching of jail staff they restrained his arms and legs to the chair with the straps.

The paramedic who was there to extract the blood from his left arm. During that attempt, McDaniel showed to have isometric muscle tension in his left arm, which was apparent by the veins that were showing in his arm, his fingers and knuckles were turning white, and he was continuously balling his fist and rotating his wrist in attempt to defeat the paramedics efforts.

Officer Huffman then attempted to take control of McDaniel's left hand and fingers to help facilitate the extraction. As Officer Huffman and the paramedic were directly in front of McDaniel, he quickly leaned forward and then made his body rigid, again in attempts to defeat efforts to extract his blood. McDaniel continued to move back and forth and make his body rigid in the restraint chair. McDaniel's upper body was not restrained at that time.

Because Officer Huffman and the paramedic were directly in front of McDaniel attempting to control his left arm, hand, and fingers and the proximity that McDaniel's head had come to Officer Huffman, I placed my right arm around McDaniel's upper body in the area of his neck in attempt to control his movements and prevent McDaniel from striking Officer Huffman or the paramedic with his head and causing any injury to him, Officer Huffman, or the paramedic.

As I attempted to control his upper body with my right arm around his upper chest and neck area, he was still moving his body back and forth and side to side. I then brought my right arm higher around his neck and applied a level 1 lateral neck restraint to gain upper body control to limit McDaniel's movements and prevent him or Officer Huffman from being injured.

McDaniel was still able to speak and made statements similar, to now you're going to choke me out.

As I was applying the level 1 lateral neck restraint, jail staff advised that there were straps that could be utilized to control McDaniel's upper body.

Officer Winters and Huffman were then coached by jail staff and applied the restraint straps to restrain McDaniel's upper body.

As McDaniel's upper body was restrained by the straps, he went limp and started to make snoring sounds. I released the lateral neck restraint. McDaniel immediately popped his head up and made another statement similar to, you choked me out. Based on my experience and training, McDaniel was not rendered unconscious, and was only making the snoring sounds in attempt to cause a more dramatic scene. It is my experience and training that when a subject is rendered unconscious, they are unconscious for a period of time between 5-7 seconds. McDaniel popped his head up and began talking immediately after I released the level 1 lateral neck restraint.

After McDaniel was completely restrained in the restraint chair, the paramedic was able to extract two vials of blood from his left arm.

McDaniel was then taken in the restraint chair back to his holding cell where jail staff released the straps and placed him back in the cell.

I then collected the blood vials from Officer Winters, the license plate off McDaniel's car that was left

On 03/13/2016, at about 0047 hours, I, Officer Michael Huffman responded to the area of Jackson Ave and Monroe Street, City of Spokane, State of Washington to help search for a suspect in a hit and run crash.

I arrived on-scene and was told that someone was following the suspect and they were headed eastbound on Carlisle from Cedar Street.

I then located the suspect in the 1200 block of Carlisle. I had the suspect sit down. The suspect, later identified as Christopher McDanel, stated that he was the passenger and his DD had left the area.

As I was looking at Christopher, I noticed that he had blood out of his right nostril, blood on his wrist and a nice bruise from the seatbelt in the car. From where the bruise was, it was consistent with the driver side seatbelt.

I stayed with him until Officer Matt arrived on-scene and did the DUI portion of this DUI.

At around 0452 hours, Officer Winter's requested that a couple of units head to the jail for someone that is un-cooperative with the blood draw.

I assisted helping the male into the restraint chair. Once he was secured, he was not relaxing his hand. I held his hand so that the paramedic could put a needle in and draw his blood.

After the blood was drawn, I wheeled Christopher back into his cell where the jail staff released him from the chair.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

NARRATIVE		

On 3-13-16 at 0033 hrs, I responded with other officers to the Illinois Avenue Tavern for a fight call (see incident 16-89025). The bartender, Michele Lee, called at 0030 hrs and reported 5 males physically fighting in the parking lot. Upon arrival at 0039 hrs, there was nobody in the parking lot. Ofc Winters and I went inside the bar to contact the employees.

We talked to the bartender, Michele Lee. She said there was a W/M inside the bar tonight that she had to cut off due to his intoxication. He got angry and refused to leave the establishment. Other customers attempted to get him to leave and the W/M started fighting everyone inside the bar. The customers pushed the W/M out to the parking lot to make him leave the bar. The W/M continued fighting outside. Another male with W/M got involved in the fight. The fight broke up and the W/M got into the driver's seat of a silver Mazda car parked in the parking lot. He backed up and struck the gate to the Dumpster area in the parking lot, then drove away. She said the W/M was alone in the vehicle. The other male left in a separate vehicle.

Lee had the Mazda's license plate written down, which was WA-AOT3533. A check of the plate through WA DOL showed it was registered to a silver 2006 Mazda MZ6. The registered owner showed to be Christopher R McDanel (111889). Lee said the W/M that drove off in the Mazda was definitely drunk driving.

I contacted Johnathan L Lyons (081678) at the bar. He was one of the customers there tonight. He said the W/M was told to leave and would not leave. He got in a female's face and then assaulted one customer at the end of the bar. Lyons and several other people told the W/M to leave and they had to push him out to the parking lot. The W/M was described as a "big guy". Lyon's had a scratch on his nose from breaking up the fight. Nobody at the bar wanted an assault report.

Lee showed Ofc Winters the damage caused by the silver Mazda backing into the Dumpster gate. It was a wooden gate surrounding the Dumpster. The damage was caused to the pin that goes into the ground to keep the gate shut. The pin was bent to the extent that it would not lift up far enough to let the gate open. Ofc Winters showed me the damage. Lee was going to call back if the owner wanted to make a hit and run report.

Ofc Winters and I cleared the call at 0047 hrs.

At 0047 hrs, officers were dispatched to a collision at Monroe/Jackson involving two vehicles. One vehicle then hit a building and then fled the scene. The description of the fleeing vehicle was a silver Mazda sedan. Ofc Winters arrived on scene and contacted the other involved vehicle. Ofc Winters advised the suspect vehicle left the license plate on the ground and it was the same plate as the suspect vehicle from the Illinois Ave Tavern, WA-AOT3533. The suspect vehicle was last scene going W/B on Carlisle from Monroe.

At 0050 hrs, another witness reported a vehicle crashed into a pole at Carlisle/Cedar. The driver was out of the vehicle and walking away. Officers responded to the area and located the driver at 1200 W Carlisle. The driver was positively identified by Ofc Huffman as Christopher R McDanel (111889), the registered owner of the Mazda. He was arrested for felony hit and run and for DUI.

At 0056 hrs, I responded back to the Illinois Ave Tavern to re-contact the witnesses and obtain their information for the report. Lyons told me that the W/M was intoxicated and driving the Mazda. He was the only person in the vehicle. He saw the W/M strike the gate in the parking lot and he got the license plate of the Mazda as it was leaving.

Another customer, Lori Stonehocker, was also in the parking lot. She saw the W/M driving the Mazda and back into the Dumpster gate. She said all night he was causing problems inside the bar and starting fights. She said he was intoxicated and the only person in the vehicle. He had "1989" tattooed across his chest under his neck.

SPOKANE	STATE OF WASHINGTON COUNTY	DISTRICT	COURT
STATE OF WASHINGTON, Plaintiff, v. Christopher R. McDanel 11/18/1989 Defendant.		Case No. Report/Case No. 16-89048 DECLARATION IN SUPPORT OF SEARCH WARRANT FOR EVIDENCE OF A CRIME, TO WIT: DRIVING WHILE UNDER THE INFLUENCE, RCW 46.61.502	

I, Officer Joseph Matt, being duly sworn and upon oath, depose and say—

I am a duly appointed, qualified, and acting law enforcement officer for the:
Spokane Police Department

I am charged with responsibility for the investigation of criminal activity occurring
within City of Spokane, and have probable cause to believe, and do, in fact, believe, that
evidence of the crime(s) of:

DRIVING WHILE UNDER THE INFLUENCE, RCW 46.61.502

is contained in the blood of the person of Christopher R. McDanel, who is currently located in
City of Spokane, my belief being based upon information acquired through personal
observations and interactions with Christopher R. McDanel, said information being as further
described herein—

My training and experience regarding investigations of the above crime(s) is as follows:

Declarant, Officer Joseph Matt is a full-time law enforcement officer with Spokane

Police Department and has been employed in law enforcement for 8 years. Officer Joseph Matt, has successfully completed 740 hours at the Spokane Police Academy.

Officer Joseph Matt has received extensive formal training in the detection, identification, and apprehension of intoxicated and/or drug impaired drivers including periodic refresher training.

Officer Joseph Matt is trained to administer and evaluate the Standardized Field Sobriety Tests (SFSTs), including, but not limited to the Horizontal Gaze Nystagmus (HGN), the One Leg Stand and the Walk and Turn.

Officer Joseph Matt is a certified operator of the Breath Alcohol Test Program in the state of Washington, and was recertified on 091313 which allows him to operate the Data-Master, Data-Master CDM, and preliminary breath test for breath alcohol tests (pbt).

Officer Joseph Matt has successfully completed Advanced Roadside Impaired Driving Enforcement (ARIDE) training. The ARIDE program stresses the importance of detecting the signs and symptoms of the seven drug categories which assists officers with the proper identification of the signs of impairment related to drugs, alcohol, or a combination of both.

Based on this training and experience, Officer Joseph Matt has made approximately 50 arrests for Driving Under the Influence of Intoxicants. On many occasions, his suspicions have been confirmed by breath or blood samples taken after he performed his investigation. He has also used this training and observational experience to release drivers he determined were not impaired.

The facts supporting my belief that Christopher R. McDanel is under the influence of intoxicants and/or drugs are as follows:

Vehicle in Motion:

The defendant's vehicle was involved in a collision at Jackson Ave and Monroe St. The vehicle fled the scene and was involved in another collision with a pole at Cedar St. and Carlisle Ave. Witnesses saw the defendant flee the vehicle and walk away. He was located around the block at Carlisle Ave and Jefferson St.

Personal Contact with Driver:

The defendant was extremely emotional and agitated. He refused to say anything. The defendant stated he wasn't driving, even though he had a red seat belt mark on his upper left shoulder. He was seen walking away from his vehicle after he had struck a pole. I could see

that the defendant's eyes were bloodshot and glassy. I could smell a heavy odor of alcoholic beverage coming from his person.

Voluntary Standardized Field Sobriety Tests

The defendant refused to do any field sobriety tests.

Opinion on Intoxication

Extreme

The defendant, Christopher R. McDanel:

- is exhibiting impairment consistent with drug and/or alcohol use.
- has refused to take a breath alcohol test on an instrument approved by the State Toxicologist.

A sample of Christopher R. McDanel's blood, if extracted within a reasonable period of time after he last operated, or was in physical control of, a motor vehicle, may be tested to determine his current blood alcohol level and to detect the presence of any drugs that may have impaired his ability to drive. This search warrant is being requested 0 hour(s) 43 minute(s) after Christopher R. McDanel ceased driving a motor vehicle.

Therefore, I request authority to cause a sample of blood, consisting of two vials, to be extracted from the person of Christopher R. McDanel and to be thereafter tested to determine the blood alcohol level and the presence and quantity of any drugs that may have impaired the defendant's ability to drive. The extraction shall be performed by a physician, a registered nurse, a licensed practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter Ch. 18.71A or Ch. 18.71 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood.

This declaration was submitted to the issuing judge or magistrate using an electronic device that is owned, issued, or maintained by the below-identified criminal justice agency.

I certify under the penalty of perjury under the laws of the State of Washington that all statements made herein are true and accurate and that I have entered my authorized user ID and password to authenticate it.
