Sender's Instructions: For your review				
Recipient's Comments/Response: Officer Coleman did not follow SPD Policy. Instead of pointing in she should have utilized the low ready position to obtain compliance. As stated by Sgt. Cordis, she reverted back to past practice as she had done for approximately 25 years. She did go to the low ready position shortly after she got him proned on the ground, as his level of his initial threat (non compliance to her commands) toward her subsided. Officer Coleman is aware of the current policy, which Sgt. Cordis discussed with her.				
5/18/2016	Lieutenant Rex Olson	Captain Daniel Torok	(none)	<input checked="" type="checkbox"/>
Sender's Instructions: Sgt. Cordis did discuss this violation of the SPD UOF Policy with Officer Coleman and Officer Coleman was aware of her violation of policy after this incident was concluded. She had gotten caught up in the rapidly developing events and resorted to prior practices.				
Recipient's Comments/Response: Because of the change from past training practices, the intentional pointing of the firearm in this incident constitutes a policy violation that is defined as a training failure. Training failures will be reported to the training center staff to coordinate and provide additional training for the officer. My recommendation is re-training to be coordinated with Lt. King.

Sender's Instructions: for review				
Recipient's Comments/Response: Concur with COC. Based on recent updated training, this "Pointing of Firearm" is no longer compliant with policy. Finding: Not compliant with policy (sanction: training)

10/24/2016	Ms Michelle Reiner	Lieutenant David Staben	(none)	<input checked="" type="checkbox"/>
Sender's Instructions: As per your request.				
Recipient's Comments/Response: Completion notes: Please change this to In compliance with Policy. However this is not within the current training philosophy. In cases where the officers actions have met the Graham standard, pointing of a firearm is within policy. This case is being changed retroactively per UOFRB recommendations approved by Major King.

I spoke with Officer Coleman about the incident which generated the blue team. We discussed the on target on trigger philosophy and the science behind it.

The department in service that begins next month will address this philosophy directly, with several live fire exercises.

Officer Coleman will be attending the in service, along with the rest of the department. The continuous and ongoing training will be sufficient to complete this blue team.

It should also be noted that the department has recently amended the process for a violation of this type, and that it will not be a blue team incident.

Incident #: 16-134672 cross with 16-137845

Date:04-19-16

Involved Officer(s) BWC Y/N: Officer Coleman Y, Officer D. Storch Y, Officer Groom Y

Reviewing Supervisor: Sgt. Cordis #445

INSTRUCTIONS: *Include any information below that is not already adequately covered in the Incident Report. For information already reported refer the reader to the applicable report.*

Incident Summary: A citizen called Burgess in as a DUI due to his driving and seeing him drinking beer while driving, radio ran his plate and discovered he was also driving a stolen car. Officer Coleman found Burgess driving and saw driving that indicated a dui along with knowing he was in possession of a stolen car. He finally stopped in the Rite Aid parking lot at Division/Rowan after driving around the building. He was getting out of his car and walking back toward ofc. Coleman as she was stopping. He would not follow commands to stop and had something in his hand, which she could not identify as he came towards her. She was by herself, he was much larger than her, and he was not following commands and was posing a danger to her and potentially citizens in the area. She pointed her gun at him and ordered him to the ground. Only then did he follow commands and she lowered her gun and waited for backup before making contact to detain him.

Officer Interview Summary: Officers statements were consistent with their reports and body cam footage.

Subject Interview Summary:

Witness Interview Summary:

Witness Officer Interview Summary BWC Y/N:

Any Relevant Clarifying Information and Observations: Officer D. Storch and office Groom were not present during the use of force but their body cam footage captures Burgess' demeanor and aggressive anti-police attitude. Officer Groom also assisted with the DUI processing.

Sergeant Findings: While the use of force is not within policy, I believe this is an ongoing training issue that our department is currently going through. Officer Coleman for 25yrs had been trained to point in at a possible threat, like Burgess. He did immediately comply and she went to the low ready position. When she first contacted me about the use of force she told me

that she knew what the new policy was but during the rapid evolving situation she reverted back to her 25 years of training.

---------------------------------------	---------------------------------------	------------------------------

At approx 0719 I observed the stolen veh n/b on Division from about Queen and the driver was a black male. I was traveling s/b on Division at the time and had to make a u-turn to catch up to the veh. I saw the veh about 2 blks ahead of me in the far west lane of 3 lanes. The veh seemed to accelerate and then drove in the far west lane and the middle lane, straddling the white spotted line. The veh stayed like this for about 50 feet and then drifted into the east curb lane without signaling the lane change. The veh slowed for the red light at Central and Division then turned e/b onto Central without coming to a complete stop. The veh turned into the Rite Aid parking lot and drove around the building where it finally stopped in a parking slot facing n/b.

By the time I drove around the building to find the car, I saw the driver was just starting to exit the car. I stopped my unmarked police veh behind his car and exited my veh. I was alone in my car. I was wearing the uniform of the day and had my emergency lights activated in my patrol car. I was aware the veh was stolen and that the driver had been reported drinking a beer about 15 mins prior to me seeing him driving.

When I came around the corner in my veh, I noticed the driver door opening. Just before I got my veh stopped I saw the door open and the driver exiting. As I began exiting my car the driver was starting to walk in my direction. I noticed right away the def was very large in stature and appeared to be very muscular. I estimated he was about 6'2"/ 180-200 pounds. He was wearing a thick wool coat that was closed and bulky. He had something in his hand that I could not determine what it was. He seemed to have his whole hand around the item. I yelled at him to get on the ground and he took a step toward me and had a very angry look on his face. There were citizens going in and out of the Rite Aid store. I yelled at him to get on the ground and he just stood there staring at me. Based on the fact he was facing a felony charge, seen drinking a beer and could be intoxicated or under the influence of drugs, I was concerned for my safety as well as others nearby. He seemed angry, he failed to follow my commands, looked to be very strong and much taller than me. I am 5'8 / approx 165 lbs Based on his size I believed if he were to keep approaching me in the same manner, he would be assaultive. I was by myself, had no backup present and was unsure how long it would take my back up to arrive. Based on my 25 years of training and previous statements, I did draw and direct my handgun at the def, ordering him to get on the ground which he immediately complied. I waited for backup to arrive before attempting to take the def into custody. While waiting, he kept yelling at me, "hurry up!! I ain't got time for this!" Immediately after taking the def into custody, he continually and repeatedly showed his lack of respect for Police Officers by yelling, "shut up" as I spoke to him and continually called me a "bitch", too many times to count. I did handcuff, [d/l] and advise he was under arrest for possession of a stolen motor vehicle. Capt Hendren was present during this time.

Ofc D Storch did assist in searching the def incident to arrest, [nothing found.] There was a single key on a silver ring that had been in the car ignition. Cliffs Quality Auto was called to retrieve the veh which they did. Other than misc items the def had in his possession, there was nothing of great

value in the cab of the veh. I learned the def was the actual suspect of stealing the car on 04-16-16 by Ofc Briggs report.

WA DOL showed the def to be suspended. I did smell the odor of intoxicants on he def's breath and did transport the def to the BAC where the process for DUI/Drugs was carried out. After that process was done, I did book the def into jail for Possession of a Stolen Motor veh, driving while suspended and DUI. My dept issued video camera was activated during my encounter with the def. I was unable to reach Godwin to get more info from him.

During my contact with the def, he freely stated he had taken his car back to Cliffs where he bought it because it wasn't working. He went back about a week later to get clothes out of his car and the guy there told him to take this car since his wasn't working.

NARRATIVE				

On 041916 when I initiated a traffic stop of the def in the stolen car, I did observe several driving infractions prior, lending credence to the charge of DUI/DRUGS. Besides the bloodshot eyes, odor of intoxicants on his breath, the def had a variety of mood swings. While waiting for the blood search warrant to be completed, the def became more vocal, saying this was just a trumped up charge. He mentioned that I must have seen the beer can he was drinking in the car, [I did not see a beer can in the car]. The def was handcuffed he entire time during our contact due to his violent demeanor, saying things like, " I hate all cops, you should just kill yourselves! Nobody likes you, you should just kill yourself!"

Due to the fact of the def being handcuffed and escorted while walking, I could not administer any field sobriety tests. The def spoke very fast and at times, said he was speaking, "ebonics", making unintelligible words. He made irrational statements about racism, saying that he can't send his kids to Gonzaga, {University} because the white people put the black people down and that the black an hangs his head as he walks because of this. He said we took away his native language and then would speak the same unintelligible words. As I read the def his CR's, he was yelling, "shut up bitch!", over and over the entire time.

Based on the illegal lane usage prior to the def stopping, the earlier call of him drinking a beer while driving, the odor of intoxicants, blood shot eyes, up and down demeanor, violent outbursts and admitting he drank a beer in the car, I believed I had probable cause to arrest the def for DUI/Drugs.

After adamantly refusing the breath test and learning of the signed search warrant for his blood, he became very upset, saying something similar to , -oh so now you're going to find out what else is in my system!

After taking the suspect into custody, I learned that the def is DWLS/R 3rd degree, as of 02-16-2015, per WA State DOL.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

On 04/19/2016 I was dispatched to the BAC room to assist Officer Coleman with a DUI call. I arrived around 0825 hours and assisted Officer Coleman in trying to get Mickey Burgess to submit to a breath test.

Mickey refused the breath test and was very uncooperative and belligerent towards myself and Officer Coleman. I helped escort Mickey back to Officer Coleman's patrol vehicle and watched Mickey while Officer Coleman completed the blood search warrant.

I issued Mickey citation #6Z0197254, for DUI and DWLS 3rd. I assisted Officer Coleman and AMR when we executed the blood search warrant at jail. I filled out the hot pinch on Mickey for Possession of Stolen Motor Vehicle and he was also booked on the citation along with warrants.

I placed the 2 blood vials onto property for evidence and filled out the toxicology report.

I conducted no further investigation.

DUI ARREST REPORT NARRATIVE

VEHICLE IN MOTION- At approximately 0719 I observed the stolen veh n/b on Division from about Queen and the driver was a black male. I was traveling s/b on Division at the time and had to make a U-turn to catch up to the veh. I saw the veh about 2 blks ahead of me in the far west lane of 3 lanes. The veh seemed to accelerate and then drove in the far west lane and the middle lane, straddling the white spotted line. The veh stayed like this for about 50 feet and then drifted into the east curb lane without signaling the lane change. The veh slowed for the red light at Central and Division then turned e/b onto Central without coming to a complete stop. The veh turned into the Rite Aid parking lot and drove around the building where it finally stopped in a parking slot facing n/b.

PERSONAL CONTACT-When I came around the corner in my veh, I noticed the driver door opening. Just before I got my veh stopped I saw the door open and the driver exiting. I was by myself and had no backup present. Immediately after taking the def into custody, he continually and repeatedly showed his lack of respect for Police Officers by yelling, "Shut up" as I spoke to him and continually called me a "bitch", too many times to count. I did handcuff, [D/L] and advise he was under arrest. I did smell the odor of intoxicants on the def's breath. His eyes were extremely bloodshot and watery.

PRE-ARREST SCREENING- The def was extremely belligerent and kept talking/yelling as I tried to speak to him. It was impossible to have a conversation with the def. The def kept yelling that he didn't have time for this and continually said, "shut up bitch" or "bitch" while I tried to ask him questions, [his name] or any other questions. Due to his combative behavior, no FST's were attempted.

ADMISISTRATIVE PROCESS - As I read his CR's to him he just kept yelling throughout until I was done. He said he understood his rights. I read the def his Implied Consent which he said he understood. When asked if he would submit to a breath test he exclaimed, "I ain't doin shit!" I prepared a blood search warrant which was approved by Judge Tripp. I read the def the BLOOD DRAW PURSUANT TO SEARCH WARRANT OR EXIGENT CIRCUMSTANCES. The def said he would cooperate and not fight during the blood draw. He said he understood the blood draw. A qualified AMR

16-137845

Supervisor completed the blood draw after he reviewed the search warrant document. The blood was immediately placed on Police Property by SPD Officer D Groom.

SPOKANE	COUNTY	DISTRICT COURT
STATE OF WASHINGTON,		Case No.
Plaintiff,		Report/Case No. 16-137845
v.		DECLARATION IN SUPPORT OF SEARCH WARRANT FOR EVIDENCE OF A CRIME, TO WIT:
<u>MICKEY BURGESS 08/04/1976</u> ,		DRIVING WHILE UNDER THE INFLUENCE, RCW 46.61.502
Defendant.		

I, pfc Mylissa Coleman, being duly sworn and upon oath, depose and say—

I am a duly appointed, qualified, and acting law enforcement officer for the:

Spokane Police Department

I am charged with responsibility for the investigation of criminal activity occurring within City of Spokane, and have probable cause to believe, and do, in fact, believe, that evidence of the crime(s) of:

DRIVING WHILE UNDER THE INFLUENCE, RCW 46.61.502

is contained in the blood of the person of MICKEY BURGESS, who is currently located in City of Spokane, my belief being based upon information acquired through personal observations and interactions with MICKEY BURGESS, said information being as further described herein—

My training and experience regarding investigations of the above crime(s) is as follows:

Your Declarant currently holds the rank of PFC, Spokane Police Department and is assigned to Patrol Team #4. Your Declarant is responsible for general law enforcement, traffic

enforcement and related investigations. Your Declarant was hired September 26, 1990. Your Declarant is a state certified Peace Officer with the State of Washington, completing the Basic Law Enforcement Academy in accordance with the Washington State Criminal Justice Training Commission. Your Declarant holds a Bachelor's Degree in Therapeutic Recreation in the College of Education from the University of Idaho. As a Police Officer your Declarant has made arrests for Driving Under the Influence of alcohol. Your Declarant has received training on the identification and processing of impaired drivers, and is a certified breath test program basic operator with a valid permit issued by the state toxicologist. The operator certification has an expiration date of 02/2019.

The facts supporting my belief that MICKEY BURGESS is under the influence of intoxicants and/or drugs are as follows:

Vehicle in Motion:

On 04/19/2016 at approx 0703 hrs, a citizen called 911 to report a black male was drinking a beer while driving veh lic AXA6237. At approx 0719 hrs I did observe this veh n/b on Division from approx Rowan. I did observe the def driving in the middle of the west and center n/b lane for approx 50 feet. The def failed to signal a lane change from the center lane to the east curb lane. Def turned into the parking lot of Rite Aid at Central and Division, driving around the building and finally parking.

Personal Contact with Driver:

The def was driving a stolen car. The def's eyes were extremely blood shot and he had a strong odor of intoxicants on his breath. Def was very belligerent.

Voluntary Standardized Field Sobriety Tests

not performed due to his belligerence and combative demeanor.

Opinion on Intoxication

Obvious

The defendant, MICKEY BURGESS:

- has refused to take a breath alcohol test on an instrument approved by the State Toxicologist.

A sample of MICKEY BURGESS's blood, if extracted within a reasonable period of time after he last operated, or was in physical control of, a motor vehicle, may be tested to determine his current blood alcohol level and to detect the presence of any drugs that may have impaired his ability to drive. This search warrant is being requested 2 hour(s) 40 minute(s) after MICKEY BURGESS ceased driving a motor vehicle.

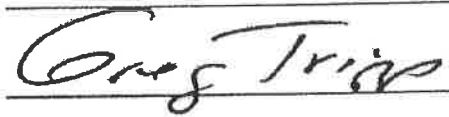

Therefore, I request authority to cause a sample of blood, consisting of two vials, to be extracted from the person of MICKEY BURGESS and to be thereafter tested to determine the blood alcohol level and the presence and quantity of any drugs that may have impaired the defendant's ability to drive. The extraction shall be performed by a physician, a registered nurse, a licensed practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter Ch. 18.71A or Ch. 18.71 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood.

This declaration was submitted to the issuing judge or magistrate using an electronic device that is owned, issued, or maintained by the below-identified criminal justice agency.

I certify under the penalty of perjury under the laws of the State of Washington that all statements made herein are true and accurate and that I have entered my authorized user ID and password to authenticate it.
