Complainant Interview Summary

I interviewed Thomas Chavez at the scene. He told me that he and his family came to Spokane with friends for Hoopfest from the Tri-Cities. He and his wife and the adult friends went to Crave. At some point, his wife got into a fight and then this black male punched her in the face. Chavez told me that he intervened to protect his wife and he began to fight with the black male. He told me that he focused on the black male and didn't hear any commands to "stop" or even realize that Police had arrived on scene so quickly. Once he felt the Taser and realized that Police were on scene, he became cooperative. Chavez told me that he doesn't fault the officers for how they handled the situation, he recognizes that it must have appeared that he was going to assault the black male. Chavez told me that he had minor scrapes and facial injuries from the initial fight with the black male, but no injuries from the Taser, except the needle marks from the Taser probes.

Officer Interview Summary

Lt. Stevens was among the first officers on scene to incident 16-231280, a reported fight at Riverside/Washington on 062616 at 0020 hrs. This was Hoopfest Saturday night and the Downtown core was full of foot traffic coming and going from the nightclubs.

Lt. Stevens told me that as he arrived, an employee from Crave told him that the two main parties in the fight were a b/m with no shirt that the employee pointed out to Lt. Stevens and a w/m, later identified as Thomas Chavez. Lt. Stevens could see Chavez approaching the b/m aggressively as the b/m appeared to be backing away from him. Lt. Stevens told me further that he had seen the fight in its early stages and that those involved appeared to be swinging at each other, and had been rolling on the ground as well. Several bystanders were gathered around and some were filming the fight with their phones.

Lt. Stevens said that he was aware that Chavez had just been involved in a physical fight with the b/m and was now aggressively approaching and yelling at the b/m that was backing away. Lt. Stevens told me that he yelled at Chavez to stop from behind him as he approached. Lt. Stevens identified himself as the Police and again ordered Chavez to stop. Lt. Stevens again told Chavez that "he had better stop" and accessed his Taser.

Based on Chavez' behaviors, Lt. Stevens told me that he was concerned that Chavez was going to attempt to assault the b/m and that Chavez was disregarding orders from Police to stop. Lt. Stevens fired his Taser at Chavez' back, with both probes making contact; one between the shoulder blades and the other several inches below. Lt. Stevens estimated that he was six to eight feet behind Chavez when the Taser was fired. Lt. Stevens did not give a verbal warning because Chavez had almost reached the b/m and had come to almost an arm's reach of him.

At nearly the same time as the Taser application, Ofc. Mohondro grabbed Chavez from the rear and was going to apply a Level 1 LNR, but when the Taser cycled, he felt the effect as well and fell off to the side. The LNR was never applied.

Upon being Tasered, Chavez immediately became compliant and was handcuffed. Medics were called to remove the Taser probes. Lt. Stevens said that Chavez became cooperative and explained that he was just protecting his wife, who had been punched by the b/m. Ultimately, Chavez was cited and released for Disorderly Conduct. He was not booked because the investigation showed that he was, in fact, trying to protect his wife, he just got "tunnel vision" on the b/m and didn't hear officers.

Witness Interview Summary

Cpl. Daniel told me virtually the same version of events as Lt. Stevens. In Daniels' opinion, Chavez appeared to be aggressively advancing on a "retreating" black male, and Cpl. Daniel believed that Chavez was about to assault the b/m. Cpl. Daniel also yelled commands to Chavez such as, "Stop Police!" which Chavez failed to heed. Once the Taser was applied, Chavez became compliant.

Physical Evidence

Photographs, body camera video.

Investigative Summary

It appears that the use of the Taser probes in this incident was within Department Policy. Chavez presented himself as a threat to harm the black male, identified as Nathaniel L. Thompson, and he appeared to disregard the orders from Lt. Stevens and Cpl. Daniel to stop. At the time of this report, I have not yet viewed the body camera video.

NARRATIVE							

On 6-26-16 I responded to Washington and Riverside to assist other Officers on a fight call. Upon arrival several people were detained. I was told that another male (Thompson) was involved and was trying to walk away. I detained Thompson in handcuffs (dl).

I read Thompson his constitutional rights, which he waived and agreed to talk. Thompson said that there as a fight outside of the bar. He attempted to break it up. He also said that his girlfriend was pushed, so he was trying to walk her away from the fight.

Thompson said that all of a sudden he was also jumped. His glasses were knocked off his head and his shirt was pulled up over his face. It should be noted that he was not wearing a shirt when I contacted him.

Thompson said that he just started swinging at whoever had a hold of him. He is not sure how many punches he threw or who he hit.

Thompson had the odor of alcohol on his breath and seemed intoxicated. However, he was able to tell me everything that happened in chronological order and was not too intoxicated to recall all of the events.

After talking with other Officers it was determined that Thompson assaulted a female. I issued him a criminal citation for that and he was released.

I was also advised that another male (Chavez) being detained was under arrest for disorderly

NARRATIVE					

On 6/26/16 at approximately 0015 hrs, I was working bar patrol in the area of Sprague/Washington wearing the uniform of the day: jumpsuit with badge and patches identifying myself as a Spokane police officer. I saw a fist fight occurring on the SW corner of Riverside/Washington. The subjects in the fight were punching each other, were at times rolling around on the ground, and were surrounded by a crowd of people, several of which appeared to be recording the fight with their phones. I advised Radio of what I was observing and was joined by Cpl. Daniel who was on the block on an unrelated call. I approached in my patrol car and illuminated the crowd with my vehicle's spotlight. As I approached, the crowd started to disperse. When approaching on foot, I was contacted by an employee (unidentified) of Crave (401 W Riverside) who pointed out the two aggressors. He pointed to a black male with no shirt, who was at that time walking away EB toward the Diamond Parking lot. He then pointed out a white male, later identified as a Hispanic male (Thomas Chavez), wearing a gray "American Fighter" shirt who was walking toward the B/M. The Crave employee then said to me that they were involved in the physical fight, and now Chavez was going after the B/M again. I saw Chavez walking aggressively toward the B/M yelling something at him. I approached Chavez from behind and yelled for him to stop. He continued to walk aggressively toward the B/M who appeared to be backing away, and I yelled again for him to stop, identifying myself as police. He was hurriedly walking toward the B/M with his fists clenched and in what appeared to be in a deliberate manner. I then accessed my department issued Taser and yelled to him that he had better stop. Chavez continued to aggressively approach the B/M into the Diamond Parking lot while yelling at him.

At this point, I was aware of the following facts:

1. Chavez and the B/M were both just involved in a violent fight with each other.
2. Chavez was visibly upset, clenching his fists while yelling at and aggressively approaching the retreating B/M, with whom he had just been involved with in a violent fight.
3. Chavez was not responding to verbal commands from police officers for him to stop pursuing the B/M.
4. These facts put together led me to believe that Chavez was intent on assaulting the B/M, and absent immediate intervention, such assault was imminent.

I fired my department issued Taser, directing both probes into Chavez's back, one probe between the shoulder blades and the other just below. I estimate I was approximately six to eight feet away from Chavez at the time of the application. I did not give a verbal warning of the Taser application as the time between my accessing the Taser and its application was extremely short. During that short time, Chavez was within nearly within arm's reach of the B/M, and further delay would likely have resulted in another assault. Right after the application and during the 5 second cycle, I saw Ofc. Mohondro run in from my right rear and tackle Chavez to the ground while the Taser was still activated. Ofc. Mohondro broke contact with Chavez (Ofc. Mohondro later told me he was affected by the Taser application). Chavez

immediately became compliant, verbally indicating to me that the Taser was effective. I took Chavez into custody via handcuffs. I spoke with Chavez and explained to him that he had just been Tased, and my reasoning for doing so. Chavez was very cooperative with officers from this point forward. Medics responded to the scene to check on Chavez and to remove the probes from his back. Chavez sustained no injuries from the incident other than the probes shallowly penetrating his skin. It was apparent Chavez had been drinking, but he did not seem overly intoxicated.

Chavez stated the following: His wife had gotten into an altercation with the girlfriend of the B/M with whom he was fighting. During that altercation, the B/M punched his wife in the face a couple of times. I looked over at his wife, and she had obvious injuries to her face. He said that when he saw the B/M punch his wife, he felt he had to do something about it, saying that any of us would have done the same. He went after the B/M in defense of his wife and got into a physical fight with him. After the fight initially broke up, he continued to go after the B/M because of what he had done to his wife. Chavez stated that he did not hear me give him verbal commands because of the street and crowd noises outside. He stated the Taser application was very effective, but that he was alright as he had been Tased before. The initial fight between Chavez and the other male appeared to me to be a mutual combat as both were actively fighting the other. Chavez became the aggressor at the point he walked aggressively toward the other male who appeared to be retreating. I advised Chavez that he was under arrest for disorderly conduct.

Lt. McCabe was on scene and I advised him of the circumstances of the incident.

NARRATIVE

On 06/26/2016 at about 0015 hrs I was working the Hoopfest special, patrolling the downtown area. I was operating in the uniform of the day, the department issued jump suit. The uniform has Spokane Police patches on both shoulders, metal badge and embroidered name tag on the chest, and a full duty belt clearly identifying me as a police officer.

At about 0015 hrs, myself and Reserve Officer Marshall responded to Crave at 401 W Riverside Ave to assist other officers on a report of a fight.

Upon arrival, a witness advised me a black male had punched a female. He pointed to the east, stating that the black male was now fighting with a Hispanic male.

I observed a Hispanic male following a black male through the parking lot. The two were yelling at each other. The Hispanic male had his arms outstretched at times and was thrusting his chest forward. The black male, who was shirtless, had his fists up in a fighting posture as he backed away from the Hispanic male.

At this time there were multiple police officers on scene and attempting to contact both parties and break up the fight. Both the Hispanic male and the black male were refusing repeated lawful orders to cease what they were doing.

I approached the Hispanic male from behind and was preparing to place him in a level 1 LNR to control his upper body movements and prevent the altercation from escalating.

I grabbed the male by the shoulder and was pulling him downward at nearly the same time Lt. Stevens deployed his Taser on the male. Because of this, I immediately broke contact with the male, causing me to fall to the ground, landing directly on my right shoulder on the asphalt.

I immediately got back to my feet and re-approached the male to place him into prone handcuffing.

At that time, I felt the impact of a fist against my left ear. I spun around to face whoever had assaulted me as I was punched twice more on the left side of my face by a female later identified as Melissa V. Chavez.

Ofc. Arredondo grabbed Melissa and pulled her backward and away from me. She was still struggling, attempting to break free of his grip as I took control of her right arm.

Using a straight arm bar takedown, I took Melissa to the ground and placed her in the prone handcuffing position. I handcuffed Melissa (DL) and sat her down on the back of a gold cart.

Reserve Officer Graham identified Melissa. She asserted that she did not mean to punch me, a fully uniformed police officer. She stated that she had mistaken me for one of her husband's attackers and had been trying to defend him.

In order for Melissa to reach me to assault me, she had to pass through a group of about 3 other fully uniformed police officers.

Melissa had several injuries to her face. She explained that she had been assaulted by the black male involved which resulted in the injuries. She was treated on scene by medics with AMR and SFD, who advised she needed stitches to her mouth area.

Hoopfest draws thousands of people to the City of Spokane. There were a limited number of officers working both uniformed patrol and the event itself. Further, the majority of the officers working the event were on foot and did not have patrol vehicles available to them.

Because of the limited police resources and the extended expected wait time at the hospital, I made the decision to release Melissa and charge her by affidavit.

Lt. McCabe explained to her that she was being released but would have to face the charge at a later time. I unhandcuffed Melissa, who offered me a personal apology.

During the investigation I could feel moisture on my right shoulder accompanied by substantial soreness. A check of my shoulder revealed an abrasion to the top of my right shoulder which was photographed by Cpl. Daniel.

I completed a probable cause affidavit for the charge of Assault 3rd on Melissa and submitted it.

The identities of the other parties are included in additional reporting officers' reports. See their reports for further details.

NARRATIVE				

On 06-26-16, from the hours of 1930-0300 hours, I was working a Hoopfest, a Patrol Special in the downtown area. I was wearing a SPD issued uniform of the day that included SPD patches on both shoulders and a SPD badge. I had on a gun belt that was equipped with handcuffs, a radio and my service weapon. There were several additional SPD officers working the Patrol/Hoopfest Special with me.

At about 0015 hours, I was sitting in a golf cart at Washington/Riverside. There were about 75-100 people standing outside of Crave, 401 W. Riverside. A fight broke out but I was too far away to identify who was fighting.

Once adequate officers were onscene, I approached the fight from the north. Additional SPD officers approached the fight from the south. Prior to reaching the crowd, I saw a Hispanic male and a Hispanic female cross Washington, west to east. The Hispanic male was yelling at an African American male, who was standing in the Diamond Parking Lot. The African American male was not wearing a shirt. The Hispanic male had his hands balled into fists and was walking toward the African American male, quickly. The Hispanic male was yelling obscenities at the African American male. The Hispanic female was walking next to the Hispanic male. The Hispanic female had visible injuries to her face.

Ofc. Mohondro and Lt. Stevens were about 10 feet behind the Hispanic male. I heard Lt. Stevens yell at the male to stop. Ofc. Mohondro caught up to the Hispanic male and grabbed onto his shoulder. Lt. Stevens applied a taser application. Ofc. Mohondro immediately removed his hands from the Hispanic male's shoulder. The Hispanic male fell to the ground. Ofc. Mohondro lost his balance and he too fell to the ground. As soon as Ofc. Mohondro got to his feet, the Hispanic female punched Ofc. Mohondro in the head. Ofc. Mohondro was not looking at the female when she assaulted him. Ofc. Mohondro turned to face the Hispanic female and she punched him two additional times in the face.

I approached the female from behind and placed my arm over her head and across the front of her upper chest. I walked her backwards, until my back made contact with a trailer that was parked in the parking lot. I did this so that nobody would come up from behind me and hit me or her. Ofc. Mohondro applied an arm bar to the female and escorted her to the ground. Ofc. Mohondro placed

Detective Harden #334

I was assigned to work for Hoopfest the early morning of 6/26/16. We responded to assist other officers on a fight call near Washington and Riverside. I observed a large number of people gathering and saw that several officers had already been on-scene. I contacted Martice C. Kennedy. He did not appear to be intoxicated and articulated to me what happened in a very calm manner. Several other people were yelling and screaming. Kennedy pointed to a shirtless male that was in police custody (Nathaniel Thompson). Kennedy said Thompson punched a female (Melissa Chavez) with a closed fist and that her husband (Thomas Chavez) went to her defense. Kennedy said Thompson's actions were what caused this entire situation.

NARRATIVE

On 062616 at just before 0015 hrs, I had responded to the Monterey Cafe at 9 N Washington to take evidentiary photographs of a male victim's injuries he had sustained in an assault the night prior. As I was concluding taking the pictures, numerous bystanders began pointing out a fight that was occurring 1/2 block to the north.

I observed a large gathering of people and could see there was commotion and likely an altercation. However, with the number of people in the area, it was difficult to see who or how many subjects were fighting.

I observed Lt Stevens arriving onscene at this time to my right (east). We slowly made our way toward the group of people and it appeared the fight was breaking up. People began pointing to a Hispanic male wearing a white 'American Fighter' t-shirt as being one of the subjects involved. The Hispanic male was later identified as Thomas M Chavez.

I observed Thomas looking around as if he was searching for someone. He then clearly located a black male and turned his attention to him. Thomas began crossing Washington EB toward the black male who wasn't wearing a shirt. The black male was back pedaling and at that time did not appear to want to fight Thomas. I would consider the black males actions as retreating. Thomas continued to close distance on the black male and was posturing and taking a very aggressive stance. Myself and Lt Stevens made numerous announcements to Thomas of "Stop Police." Thomas never acknowledged our presence and ignored any and all commands. It is my belief that an assault on the black male was imminent. Lt Stevens initiated a taser application on Thomas which proved to be very effective. See Lt Stevens report.

At the time of the taser application, Ofc Mohondro had simultaneously arrived and I briefly saw him make an attempt to control Thomas. Ofc Mohondro was then assaulted by Thomas' wife (Melissa V Chavez) which I did not witness. See Ofc Mohondro's report.

The surrounding crowd became very agitated and appeared very anti-law enforcement after the taser application. Multiple people began advancing toward Officers and actively hindering and delaying our investigation. I then began crowd control with other Officers ensuring Lt Stevens safety as he took Thomas in to custody. Officers Additional SPD units arrived to assist with the

investigation and crowd control. Ofc Van Tassel was able to make contact with the shirtless black male as well.

Once the crowd was under better control, I retrieved my camera and took photographs of Thomas pertaining to the taser application to his back. I also took photographs of an abrasion to Ofc Mohondro's right shoulder. I also took photographs of injuries to Melissa Chavez who had apparently sustained her injuries from the initial fight before the taser application. See all photographs for additional information.

Once medics removed the probes from Thomas' back, I was given the probes and cartridge as evidence. I later transported the probes and cartridge to the SPD property facility where I logged them as evidence.

See all other Officer reports.
