NARRATIVE

On 06-26-2016 at approximately 1949 hours, I was dispatched to W 14th Ave and S Grove St for a single vehicle collision. After investigating the collision and SFTS's, I determined there was probable cause to arrest Collins for DUI. Reference DUI arrest packet for further information.

I advised Collins he was under arrest for DUI. I instructed him to face away from me. I then took control of his arms. Collins then tensed his upper body and began shifting his arms from side to side making it difficult to reach my handcuffs. I then placed Collins against a nearby chain link fence in order to get better control of Collins. He continued to struggle by violently moving his body. Collins was physically struggling to free himself from being restrained. Collins actions directly prevented me from being able to place him in handcuffs because I had to use both of my hands to keep him under control. I advised Collins several times that he was under arrest and to stop resisting.

I asked Spokane Fire and AMR if they were able to assist me and they ran over to help. Member of Spokane Fire Engine 9, Dennis J. Hill (#5b), Jody Shoemaker (#5b), Clifford S. York (#5b) and EMT Moyer aided me by grabbing both of Collins' arms. This allowed me to access my handcuffs and place them on Collins (D/L). I then requested an additional officer to assist me with transporting Collins to Sacred Heart with AMR. They also were witnesses to Collins drunk and resistive behavior towards me.

Collins then fiercely threw his back into my left shoulder. I placed him against the fence again and he became "dead weight" and threw himself to the ground. I maintained control of his arms and I told him to stop fighting with me. Collins attempted to grab the front of my uniform and was yelling at me. He eventually calmed down so I stood him back up to his feet. I believed Collins was compliant and I could escort him to my patrol car.

Once Collins was back up on feet, he began to struggle again by violently twisting and turning his body making it difficult to control him. Collins forced his lower back into my stomach creating free space to spin around towards me. I feared for my safety because Collins increasingly became more aggressive and violent and I was concerned he would assault me and attempt to flee. I then used a modified two hand hair take down to lower Collins to ground.

Collins was in custody for DUI and resisting arrest.

I observed obvious signs Collins was intoxicated. He exhibited rapid emotional changes from being compliant to yelling and screaming. Collins stated several times that he was not under arrest and I had no reason or authority to arrest him. Collins exhibited increased strength as it took 3 fire fighters and 1 EMT to assist me with placing him in handcuffs. I advised Collins multiple times he was under arrest and ordered him to stop resisting.

Collins attempted to grab my uniform several times while he was handcuffed. He violently jerked his body from side to side. He struck me with his back with enough force that he created space to spin himself towards me.

I grabbed the top of his head with both hands and lowered him to the ground. There was a tree directly behind me and a chain link fence in front of me and no softer area to place Collins. I used my arms to maintain control of upper body to reduce the possibility of injuring him. Collins right knee did strike the pavement on the sidewalk.

Spokane Fire and AMR crew assisted me with turning Collins onto his stomach. I then placed my knee onto his back to maintain control of him until additional officers arrived on scene to assist me. We placed Collins on gurney and I observed Collins had a fresh abrasion on his right knee after it struck the pavement during the takedown. The abrasion was approximately the size of an orange

and it was photographed at the hospital.

While enroute to Sacred Heart ER, Collins complained of head pain resulting from the collision. We later arrived at Sacred Heart ER and I obtained a signed blood search warrant and obtained Collins' blood. I continued to wait with Collins while he was being medically evaluated. The ER nurse advised me Collins was clear and would be released back into my custody. Collins was not in handcuffs and the ER physician had earlier taken Collins out of his four point restraints at the direction of the attending ER Physician while he received medical treatment. Officer Stewart arrived to assist me with placing Collins back in handcuffs. Collins attempted to leave his room before the nursing staff could remove his IV. I was with the nurse collecting Collins' discharge paperwork. Officer Stewart instructed Collins to go back in his room and that he was not free to leave because he was going to jail.

Collins attempted to grab Officer Stewart and he took control of Collins who then began to make a forceful effort to get free of restraint. I took control of Collins' left arm and we placed Collins against a wall to place him handcuffs. Collins behavior continued to become more aggressive while he violently twisted and turned his body. Collins physically struggled to free himself from being placed in handcuffs. Officer Stewart and I then agreed to place Collins into the prone cuffing position. Once we lowered Collins into the prone cuffing position, he continued to struggle until I was able to eventually place him handcuffs.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. I WAS EQUIPPED WITH A BODY CAMERA, AND IT WAS ACTIVE DURING THIS INCIDENT.

NARRATIVE					

On 6/26/16 at approximately 2200 hrs I contacted Officer Gonsalves at Sacred Heart Hospital. Officer Gonsalves advised me he needed help with handcuffing a suspect which he had previously fought with. Officer Gonsalves arrested John M Collins for DUI, and resisting arrest, then transported him to the hospital to get medically cleared.

When I arrived I was briefed on the situation. Officer Gonsalves advised me Collins was about to be cleared from the hospital and needed assistance handcuffing him back due to his violent behavior.

Collins kept getting up from his bed and trying to come outside of his room. I repeatedly commanded Collins to get back in his room and he was still under arrest. Collins was not listening to what I was saying.

Collins again got up from his bed and started to leave the room. I confronted him and told him to go back in the room and sit down. Collins approached me and I put hands on him to stop him. I tried to lead Collins back to his room but he tried to grab my hand. I controlled his hand and Officer Gonsalves controlled his other hand. We were able to force him up against the wall and attempt to control him. Collins kept resisting and we had to force Collins to the ground.

Once Collins was on the ground we were able to secure his wrists in handcuffs. Collins was still resisting and not obeying our commands. At one point Collins grabbed the nurses leg who was trying to bandage his arm where his IV used to be. I took control of his hands and stopped him from grabbing anyone else.

Officer Gonsalves and I stood Collins up and sat him in a wheelchair since he would not walk on his own. We wheeled him out to Officer Gonsalves vehicle where he was eventually transported to the Spokane County Jail for DUI and resisting arrest.

Neither Officer Gonsalves or myself were injured during the small altercation, and minimal force was used to control the situation.

I cleared the hospital.

Part of the incident was captured on body camera due to the rapidly tense and evolving situation
