**Incident #: 16-314800**

**Date: 8/23/16**

**Involved Officer(s) BWC Y/N:** Officer Kirby did have and use his BWC, but it was turned on part way into the contact with the suspect.

**Reviewing Supervisor:** Sgt. Jason Hartman #309

**INSTRUCTIONS:** *Include any information below that is not already adequately covered in the Incident Report. For information already reported refer the reader to the applicable report.*

**Incident Summary:** Officer Kirby and his recruit responded to 720 W Cora after multiple people called in about a fight involving weapons and a large number of subjects. He encountered a subject trying to instigate a fight. The subject was noncompliant with officer commands. Officer Kirby briefly applied a Level 1 Neck Restraint to control the subject's movements and get him in handcuffs. The technique was brief, effective, and the suspect wasn't injured.

**Officer Interview Summary:** Officer Kirby notified me that he applied a Level 1 Neck Restraint on his initial contact with the suspect. See his report for more details.

**Subject Interview Summary:** The suspect was belligerent through much of our contact. Attempting a back and forth conversation didn't seem like it would be fruitful.

**Witness Interview Summary:** NA

**Witness Officer Interview Summary BWC Y/N:** The department has not issued Probationary Officer Schwering a BWC. See his report.

**Any Relevant Clarifying Information and Observations:**

As this supervisor was driving up to the call and about to park I did make an observation through my windshield. I did see Officer Kirby using what looked like a Level 1 Neck Restraint to escort the suspect to his car. The application of the technique appeared measured and the overall amount of force I saw was minimal. The suspect didn't complain about the control technique or claim injury.

**Sergeant Findings:**

I believe Officer Kirby's minimal use of force was reasonable, necessary, and within the scope department policy/training.

NARRATIVE							

On 08-23-16 at about 1810 hours, Officer Schwering and I responded with several officers to a possible fight in progress or a fight about to begin at 720 W Cora. At about 1803 hours, SPD radio sent out an MDT area check for a male swinging a metal bar and threatening people in the area of 720 W Cora. The male was reported to have walked off. At about 1803 hours, multiple calls came from several residents in the apartment complex of 6 plus people about to fight in the parking lot. They were reported to be armed with tire irons, metal bars, some were yelling about being armed with guns, and others were throwing things.

At least 1 caller reported that he and his father had armed themselves with guns because of the disturbance.

When Officer Schwering and I arrived on scene, there was several people in the road and parking lot at 720 W Cora. It was loud with a lot of profanity being yelled. It appeared as if the battle line had been drawn. There was a line of people in the parking lot facing south and a line of males in the street facing north. It was obvious that a fight had occurred or was about to occur. As we drove into the crowd of about 5 on the street, 3 saw us and ran to the south. They appeared to be juveniles. 1 male out of the 5 was not wearing a shirt. There was a black juvenile male that was holding him back from running into the parking lot. Those 2 did not see us approach and did not scatter with their friends. The crowd to the north appeared to be at least 8-10 males and females.

Based on my experience as a police officer, the male in an unruly crowd who has removed his shirt, is preparing to or has been in a fight. He is often the instigator that needs to be removed from the situation. I could see that the male in the street was without a shirt, he had balled his fists and was yelling profanity at the crowd to his north. He was yelling that, "this is not over" along with many profane words. He was also being held by the other male from going into the other crowd. The people in the parking lot were yelling profanity back at the shirtless male and prolonging the hostilities.

As we approached, the black male holding back the shirtless white male saw us. He let go and started walking off to the south. Officer Schwering intercepted his path.

The male without the shirt then started walking towards the other half of the crowd. He still had his hands bawled into fists and his chest puffed up. He was breathing hard and sweating. The male was appeared to be a juvenile but was at least 5'10" and close to 200 lbs. I then moved between the male and the other group. I identified myself as the police and was wearing a SPD patrol uniform. I asked the male to take a seat on the sidewalk. He continued walking in an aggressive manor with his hands raised in fists. I then told him to sit down on the sidewalk. He looked at me, then looked past me at the other group and continued to walk.

1) The crimes known to you that the suspect has committed or is suspected of:

I was at the location to investigate a fight between at least 6 people. There were reports that the parties involved were armed with guns, metal bars, and objects that could be thrown. It was unclear who had the weapons or if any had been used to that point. It was also not know if anyone was injured or in need of medical assistance.

2) Descriptive behaviors and actions about how the suspect poses an immediate threat to you or others:

The aggressive male was postured as if he was ready to fight. He verbally announced to the other group that he was ready to fight. He had removed clothing in anticipation of a fight.

3) Descriptive behaviors and actions about how the suspect is actively resisting arrest or attempting to evade arrest by flight:

The aggressive male had been warned that I was a police officer. He had been asked politely to stop his behavior and aggressive actions. He had been told to stop the behavior and aggressive actions. He had looked at me and acknowledged my presence but chose to ignore me and try to walk past me.

I determined there was an immediate need to detain the male in handcuffs. He had to be detained to stop any further fighting from occurring and to de-escalate the situation as his actions were provoking the other group. It was also unclear who may be armed in the crowd. The male's aggressive actions were taking my attention away from everyone else and he needed to be addressed 1st and quickly.

At that time I stepped past him as he approached and quickly applied a level 1 neck restraint. The male immediately stopped all aggressive behavior. He complied with every request at that time. I was able to release the preassure after about 2 seconds. I then took control of his left arm with my left hand. I did not let go of his neck at that point but was not applying any preassure. I kept ahold of his neck/upper body area with my right arm and gave the male instructions to walk to my patrol vehicle. We walked about 10 yards to the vehicle and behind cover. At that time I gave him instructions for the standing cuffing technique. He complied and followed every instruction. The male was detaining in handcuffs. He never lost consciousness or reported any injury from the neck

restraint technique. He was in the level 1 neck restraint for about 15-20 seconds total. Of that time, pressure was only applied for about 2-3 seconds to gain compliance. Pressure was released but the technique remained in position for several more seconds to assure compliance and move us both to a position of safety.

Once the neck restraint was released and the male was in handcuffs, he began to swear, spit, and bang his head on my patrol car. At that time, I had the opportunity to activate my body camera. He was placed in the patrol car and given verbal instructions to breath and calm down. He was told that he would be given a chance to give his side of the story after he calmed down and could communicate. He was identified as [REDACTED] at that time.

[REDACTED] then rode emotional highs and lows for the next several minutes.

I then spoke with Vernon Chipperfield who was with the group to the north in the parking lot. That group had significantly decreased in size as well now that police were at the location.

Chipperfield told me that he was at the location visiting family. There was a group of teenage males that had been running around for some time. They appeared intoxicated. They were not there the entire time causing issues but were coming and going. Prior to the incident, he saw 1 male, he identified as the male in my patrol car. The male was across the street and had broken a metal fence. He was banging the metal pole on the ground and a bush yelling profanity. He told the male to leave and words were exchanged between them. The male left but returned a short time later with friends. The male postured up to him as if to fight still armed with the metal fence post. Chipperfield told me that he was not assaulted nor did he assault the other male. They came close to fighting and there was a verbal exchange. The crowd that was with the male was throwing rocks and yelling that they had guns. Chipperfield told me that the juvenile black male was trying to pull the kid away that was causing the problem.

I then spoke with Michael Roseto who lives at the location. Roseto stated that he witnessed the verbal exchange between Chipperfield and [REDACTED]. He told me that [REDACTED] had the metal fence post and was within a few feet of Chipperfield. He was holding it in a menacing manner. He stated that several people in the apartments came out and everyone was arguing. He witnessed the males with [REDACTED] throwing rocks and yelling that they had guns. Roseto explained that [REDACTED] was the primary aggressor in the incident and tried to fight with multiple people other than Chipperfield.

[REDACTED] who also lives at the location told me that he witnessed the exchange between [REDACTED] and Chipperfield. [REDACTED] stated that [REDACTED] was armed with a metal pole. He stated that there was no fight between them but another male punched a male that was with [REDACTED] group. [REDACTED] also told me that [REDACTED] and his friend's were throwing rocks at vehicle in the area and the mailboxes. Causing people in the apartment complex to become upset.

I then spoke with [2b]. I read [2b] his Miranda Warnings for juveniles. [2b] told me that he understood his rights and would speak with me. [2b] explained that he had been in an argument with his father. He walked over to the location and took a fence pole from a fence that was falling down. He then began hitting the ground and a bush out of frustration. He stated that a male came from across the street and threatened to assault him. Then other people came out armed with a machete. [2b] stated that there was a verbal argument. He denied assaulting anyone or being assaulted himself. [2b] stated that one of his friends was assault by an unknown male from the apartments.

I also spoke with John Conners who did not know any parties involved. Conners told me that he saw the fight developing as he drove by. He stopped and tried to record the fight with his cell phone camera. He showed me about 10 seconds of video. It was poor quality from a distance. There appeared to be a large argument but I could not see if anyone was actually assaulted. The video stopped prior to police arrival.

I determined there was probable cause to arrest [2b] for disorderly conduct. This was based on my observations of him when I arrived at the location. [2b] was yelling profanity at the other group that would provoke an assault and was being physically restrained by his friend from acting on his intention to be involved in a fight. He also did not live at the location and had no reason for being there other than his admission that he was hitting the ground with a fence pole.

Officer Schwering arrested [2b] and searched his person incident to his arrest. Officer Schwering located marijuana and legend drugs on [2b] person. [2b] was booked into Juvenile Detention.

NARRATIVE					

On 08-23-16 at approximately 1808 hours, Officer T. Schwering, several other Officers and I (Officer C. Howard) responded to a call of a multiple person fight located at 720 W Cora Ave.

Other Officers had arrived on scene and had detained a few of the suspects in the parking lot. As I was arriving in the area, an additional person called 911 and stated there were two juvenile males running through yards in the 600 block of west Alice Ave. They were described as white males, one wearing a blue shirt with a black back pack, the other wearing a black and red shirt. I located the two males matching the description right where the caller had said they were at.

I immediately noted the two males appeared out of breath and were sweating as if they had been running. They identified themselves as **2b** and **2b**. I asked them to tell me what their involvement was in the fight up the street.

They told me the following in summary:

They were walking in the area when they got a phone call from one of their friends. Their friend said he had just been "jumped" in the parking lot of the 720 W Cora Ave apartments. [2b] and [2b] decided to run down the hill and see if they could help their friend.

They said they saw their friend, "[2b]" very amped-up in the street yelling about getting beat up. They observed a fight break out between the adult male and a couple other males.

[2b] said he got punched by the adult male. When I asked [2b] and [2b] where they were when the fight was going on they said they were standing around the people fighting but were not actively fighting. [2b] said he got punched in the face by the adult, but he admitted he was standing behind the adult male and he yelled at him to stop fighting his buddy and basically said he "flexed up" on the male. [2b] told me [2b] did not assault the adult but he was standing right behind him telling him to stop.

I detained the two males in handcuffs since they were potential suspects in the incident and transported them back to the scene. I spoke with other Officers who had contacted other witnesses and the adult male who had fought off the several juvenile males.

It was quickly determined the multiple juvenile males (including [2b]) were the ones who had spurred on the fight and "[2b]" was the primary problem.

I transported [2b] and [2b] to their homes and notified them they were trespassed from the 720 W Cora Ave apartments per the manager there.

See other Officer's reports for additional information.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. I WAS EQUIPPED WITH A BODY CAMERA, AND IT WAS ACTIVE DURING THIS INCIDENT.
