### Incident Summary

Officers responded to a suicidal male that had cut his own neck at 3019 N Monroe. The male still had the knife when Officers arrived, and was refusing to put it down. The male appeared to be stabbing himself in the leg with the knife. Officer Betts deployed his TASER, and the intended effect did not result. Officer LeQuire deployed his TASER, and Officers were then able to remove the knife and detain the male.

In compliance with policy per Major King 01/20/17.

<b>Sender's Instructions:</b> For your review.				
<b>Recipient's Comments/Response:</b> I concur that both Taser applications were objectively reasonable. Ofc. Betts' application appeared to have lost contact after application (evidenced by Taser graph and subject's reaction), necessitating the immediate application of Ofc. LeQuire's Taser to establish and maintain control of a suicidal subject armed with a knife. Extended application from both Tasers was necessary until subject could be disarmed. Both applications of force were within policy, use of force guidelines and current law.				
10/21/2016	Lieutenant Dean Sprague	Captain Daniel Torok	(none)	<input type="checkbox"/>
<b>Sender's Instructions:</b> Forward through patrol chain of command				
<b>Recipient's Comments/Response:</b> Lt. Sprague, per Sgt. Dahle's report he made the decision to have the Officers use their tasers and was instrumental in arranging for the force to be used. In addition, he gave them the command of "index". Subsequently, please have another non-involved Sergeant complete the use of force				

review. Sgt. Dahle needs to be listed as an "involved Officer" and in your review render a finding for him as well as for Officer Lequire and Betts.

**Sender's Instructions:** see comments

**Recipient's Comments/Response:** Sgt. Carroll, could you as an uninvolved supervisor please include Sgt. Dahle in this Blue Team as an involved officer?

11/16/2016	Lieutenant Dean Sprague	Sergeant Richard Carroll	(none)	<input type="checkbox"/>
------------	-------------------------	--------------------------	--------	--------------------------

**Sender's Instructions:** Please add Sgt. Dahle as an involved officer in the use of force.

**Recipient's Comments/Response:** I am unable to modify the involved Officers. I emailed Sgt Carr and advised LT Sprague of this. No action taken.

------------	-----------------------	----------------------	--------	--------------------------

**Sender's Instructions:** The requested change has been made

**Recipient's Comments/Response:** rerouted to Capt. Hendren

12/20/2016	Captain Daniel Torok	Captain Thomas Hendren	(none)	<input type="checkbox"/>
------------	----------------------	------------------------	--------	--------------------------

**Sender's Instructions:** see comment

**Recipient's Comments/Response:** Captain Torok had correctly requested that an uninvolved sergeant prepare the use of force review. Sgt. Dahle has been added as an involved officer, however his review is the only sergeant level review of this incident. Please assign to another sergeant (other than Dahle) to conduct the initial review of the actions of both officers and Sgt. Dahle who directed the use of force. Once that is complete, forward through the chain of command. Hendren

**Recipient's Comments/Response:** For your review.

1/4/2017	Sergeant Richard Carroll	Lieutenant Dean Sprague	(none)	<input checked="" type="checkbox"/>
----------	--------------------------	-------------------------	--------	-------------------------------------

**Sender's Instructions:** Sgt review attached. For your review.

**Recipient's Comments/Response:** Sgt. Dahle was reasonable and within policy in directing the use of TASER against an uncooperative suicidal subject with a knife by officers. Ofc. Betts was reasonable and within policy in applying his TASER to the subject at Sgt. Dahle's direction, although his TASER was ineffective due to inadequate connection by the probes. Ofc. LeQuire was reasonable and within policy in applying his TASER to the subject at Sgt. Dahle's direction, and his application was effective in assisting with safely controlling the subject. All were within policy, case law and use of force guidelines.

**INCIDENT Summary:**

Officers responded to the report of a suicidal male. Officers contacted him inside the house, and he was still holding the knife. He would not respond to commands to drop the knife. Ofc Betts deployed his TASER probes. This did not have the intended effect, and the male attempted to stand up with the knife in his hand. Officer Lequire then deployed his TASER probes and Officers were then able to disarm the male and take him into custody.

**Incident Summary:** on 10-02-16 at approximately 0457 hours, Officers responded to the report of a suicidal male at 3019 N Monroe. The male (14) had reportedly cut his neck and was bleeding. Officers contacted the male inside the house, and he was still holding the knife. The male would not respond to commands to drop the knife, and a TASER was deployed by Officer Betts. This did not have the intended effect, and the male rose up off the couch with the knife. Officer Lequire then deployed his TASER, and Officers were then able to disarm the male and prevent further injury to himself or Officers. The male was treated on scene by SFD and transported via AMR to Sacred Heart for a mental evaluation.

**Officer Interview Summary:** Officers statements were consistent with reports and body camera video.

**Subject Interview Summary:** 14 was admittedly under the influence of methamphetamine. 14 requested that Officers "shoot him", and "break every bone in his body." 14 was obviously in crisis and needed medical attention.

**Witness Interview Summary:** N/A

**Witness Officer Interview Summary BWC Y/N:** Yes, Witness Officer statements were consistent with reports and body camera footage.

**Any Relevant Clarifying Information and Observations:** Officers on scene had observed what appeared to be 14 inserting the knife into his thigh. This observation had been made from across the living room in poor lighting conditions. 14 had also been asked if the knife was in his leg, but he would not respond. After the incident it was discovered that there was no injury to 14's thigh. 14 may have been pressing the knife into a fold in his jeans, making it appear that he was stabbing himself in the thigh.

**Sergeant Findings:** After reviewing the BWC footage and reading all reports, I find that the use of conducted energy devices (TASERS) by Officer Betts and Officer Lequire was objectively reasonable. This decision is based on the totality of the facts and circumstances known by both Officers at the time they used force.

14 was in crisis and had obviously harmed himself by cutting his neck with a knife. The residence had not been cleared at the time of contact with 14, and it was unknown if there were victims of violence inside of the address. 14 was still in possession of the knife, and appeared to be pushing the blade into his leg. The area of the house was not large, and to make visual contact Officers had to stand in a narrow hallway that restricted retreat. There did not appear to be any reasonably safe alternative to the use of the TASERS, based on the tense uncertain and rapidly evolving circumstances.

Though Officers should generally not intentionally apply more than one TASER device at a time against a single subject, I made the decision to have both Officer Betts and Officer Lequire ready there TASERS. The first application of the TASER by Officer Betts did not appear to have the intended effect, but the second application of the TASER by Officer Lequire did have the intended effect. The TASERS were deployed over five seconds each, as 14 was still in possession of the knife. The TASERS triggers were held until the knife could be removed from 14's hand. Had the second TASER not been deployed, 14 may have continued to hurt himself or attacked Officers on scene with the knife. Both deployments of the TASERS were objectively reasonable.

I find that the amount of force used was also reasonable and effective in gaining compliance from an armed suicidal person in a methamphetamine induced crisis. I find that that Officer Betts and Officer Lequire were in compliance with department policy 300.3, policy 309, training and state laws.

Sarah was calling in stating that a male was currently cutting his own throat with a knife. Sarah also advised that the male had been using methamphetamine. The male was currently in the living room of the home and still had the knife.

Upon arrival there were several people exiting the house. I entered the house with Sgt. Dahle and Officer Lequire. I advised Sgt. Dahle and Officer Lequire I had less lethal force. We walked through the kitchen and down a hallway where the living room was located. As I neared the end of the hallway I observed a male, **14**, laying on the couch with blood coming from his neck. I also noticed **14** was still holding a knife in his right hand.

**14** had a very blank stare and seemed to be under the influence of some kind of narcotic. Sgt. Dahle began to talk to **14** in an attempt to get him to drop the knife so we could help him. **14** ignored all requests to drop the knife and began to press the knife into his right thigh.

### Crime:

- 1) Welfare Check
- 2) Suicidal male with a knife

### Threat:

- 1) **14** was armed with a knife.
- 2) **14** had already cut his own neck/throat.
- 3) **14** began to stab himself in the right thigh.
- 4) **14** ignored several commands to drop the knife.
- 5) **14** had not been searched and it was unknown if he had any other weapons on his person.
- 6) The house had not been searched and it was unknown if anyone else was inside the house that **14** would be able to attack with the knife.

### Resistance:

- 1) **14** ignored all commands to drop the knife.

Based on the information above, I deployed my Taser striking **14** in his right side. Directly after I deployed my Taser Officer Lequire deployed his Taser as well. Other Officer's then moved in and took the knife out of **14**'s hand. Due to the knife not being taken out of **14**'s hand I held the trigger of the Taser making the deployment 7 seconds. **14** was placed into handcuffs (DL).

Shortly after placing **14** into handcuffs he began to shake for several seconds. I requested medics expedite into the scene in order to treat **14**.

Medics arrived on scene and placed **14** on the gurney in soft four point restraints. **14** was still very uncooperative and screaming in the back of the ambulance. **14** was transported to Sacred Heart Medical Center to be treated for his injuries.

On 10-02-16 at approximately 0457 hours, I responded to the report of a male cutting his neck with a knife. The incident was reported to be occurring at 3019 N Monroe, and the complainant in the incident was a "Sarah."

I arrived on scene and observed several people on the east side of the address. I approached the house as other Officers were arriving on scene. The male that was harming himself inside the residence was reported to be "14". I called into the house from the west door, but no one responded. I did not know if 14 was not able to respond due to self inflicted injury, or if he was choosing not to respond. I entered the house at this time with other Officers. I made my way through the kitchen and observed a female talking to a male in the living room area to the north. I assumed that the female was the complainant.

I requested that the female step out of the living room at this time. She complied and walked S/B past Officers in the hall. I could see a male on the couch in the living room. The male was holding a knife in his hand, and I could see blood around his neck. I asked the male to put down the knife multiple times, but he would not comply. I then observed that he appeared to be sliding the knife into his thigh. The male had a vacant look on his face, and was not responsive other than continuing to hurt himself.

**CRIME:**

There was no crime reported at this time. The male had obviously hurt himself and was in crisis. It was unknown how badly he was cut, or if his injuries were life-threatening.

**THREAT:**

The male was armed with an edged weapon, and was not responding to verbal commands. The apartment had not been cleared, and I could not see if the male was alone in the living room. I was in a narrow hallway with other Officers, and could not rapidly retreat if the male were to attack. Lastly, the male was bleeding from the neck and presented a bio-hazard to Officers.

**RESISTANCE:**

The male was not responding to commands to drop the knife.

After numerous pleas for the male to drop the knife, I made the decision to advance. I was in

front of all of the Officers and was providing cover. My duty weapon was in a low ready position at this time. I requested that two Officers ready their tasers, in case the first deployment were to fail. I then stepped into the living and off to the side. This allowed me to maintain a cover position and also allow other Officers to enter the room. I then gave the "Index" command. Officer Betts deployed his Taser and the male came up out of a seated position, and was still holding the knife. It did not appear that the Taser was having the intended effect. Officer Lequire then deployed his Taser, and it appeared to have good contact. Officers were then able to gain control of the weapon, and of the male. I took control of the males right arm, and the male was then handcuffed and detained.

The male continued to tense his muscles and was shaking. He was guided forward onto a couch and I was then able to inspect the wound to his neck. The wound did not appear to be life-threatening, and also was not actively bleeding at this time. The male would not respond at first, but eventually began talking to me. The male stated that he was a "piece of shit" and requested that I shoot him. The male also requested that I "break every bone" in his body. The male admitted to using meth today, and stated that he had planned to cut off his penis and testicles.

SFD responded at this time, and the male was transported to the hospital via AMR. I have no further information to report at this time.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. I WAS EQUIPPED WITH A BODY CAMERA, AND IT WAS ACTIVE DURING THIS INCIDENT.

On 10/02/16 at 0459 hours, I responded 3019 N Monroe for report that a male was cutting his neck with a knife. The information provided was limited about who the male was prior to law enforcement arrived at the home.

Once I arrived on scene, a female advised that the male was on the couch and was still holding the knife. The male involved was identified as [REDACTED] 14. Officers on scene made our way into the home to try and check the welfare of [REDACTED] 14. I was the third person back from the threshold of the living room in the lower level behind Sgt Dahle and Ofc Betts. From my perspective I could see [REDACTED] 14 laying on the couch and he was bleeding from the neck. Sgt Dahle asked [REDACTED] 14 several times to put the knife down. [REDACTED] 14 failed to drop the knife and looked at officers with a blank look on his face. He continued to hold the knife in his right hand and was pressing it against his right thigh. It looked like [REDACTED] 14 had pressed hard enough that the knife penetrated his leg. For the following reasons I deployed my department issued taser:

## Crime:

- Welfare Check
- Suicidal

## Threat:

- [REDACTED] 14 was armed with a knife in his right hand.
- He was attempting to continue harming himself by stabbing himself in the right leg.
- The home was not completely cleared and it was unknown if [REDACTED] 14 would turn violent towards the other residents.
- He had not been searched and it was unknown what other weapons he may have possessed.
- [REDACTED] 14 had already shown his mental state was that he was willing to hurt himself. It was unknown if he was willing to hurt others.
- Through my training and experience, individuals who are under the influence have a higher pain tolerance and their behavior is unpredictable.

## Resistance:

- He did not listen to commands to drop the knife.

Ofc Betts deployed his taser prior to me. It did not appear that a solid connection was made. Since we were in very close proximity at this point, I deployed my taser to [REDACTED] 14's back. Once my taser was deployed, [REDACTED] 14 became immobile. Ofc Spolski entered the room and removed the knife from [REDACTED] 14 right hand. I held down the trigger continually for 10 seconds so that Ofc Spolski could remove the knife safely. As soon as the knife was removed, I let go of the trigger. [REDACTED] 14 was detained in handcuffs without incident. The fire department was updated on [REDACTED] 14 status and arrived on scene very shortly after.

The cartridges from the tasers were picked up as well as AFIDS. Those were placed on property by Ofc Spolski. Refer to Ofc Betts' report for additional information.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. I WAS EQUIPPED WITH A BODY CAMERA, AND IT WAS ACTIVE DURING THIS INCIDENT.

On 10-2-16 I was dispatched to 3019 N. Monroe at approximately 0457 hours, reference a suicidal attempt. The complainant stated a male was cutting his neck with a knife.

I arrived on scene and the male was still inside the house with the knife.

I entered the house along with other Officers. While in the hallway I could see a male sitting on the couch in a living room. The male still had the knife in his hand.

The male was given multiple commands to drop the knife however he was not complying with those commands.

See Officer's Lequire and Betts's reports for more information.

Once a taser was deployed, I assisted grabbing the male and placing him in handcuffs. I could observe a superficial cut on the male's neck. The male stated that he had been using methamphetamine.

AMR arrived on scene and the male was transported the hospital to be treated for his injuries.

NARRATIVE				

On 10/2/2016, at 0502hrs, I heard officers advise a suicidal male who had cut himself had possibly gone into seizure after a Taser deployment at 3019 N. Monroe. I had already started toward the call in case additional officers or pictures were needed at the scene. When I arrived on scene, medics were already inside and the male, now identified as **14**, was conscious and being tended to.

Sgt. Dahle did advise he needed pictures of **14** his self-inflicted injuries, possible Taser probe marks, and of the knife he'd used to cut himself.

While at the scene, I was able to get pictures of the knife and a couple pictures of **14**, however he was extremely uncooperative and still combative so I responded to Sacred Heart E.D. to get the rest of the photographs.

Once at SHED, I was able to get a close up picture of **14**'s self-inflicted neck laceration. I had been advised on scene he may have stabbed his leg, but there were no injuries like that found by medical staff. **14** was still uncooperative and combative and had to be restrained to the hospital gurney. I was able to get pictures of what appeared to be two Taser probe marks on his chest. I also collected a probe that was still attached to his sweatshirt and later placed that on property as evidence.

On 100216, I responded to 3019 N Monroe for a suicide. Upon arrival several other officers were already there. I followed them in to the home where Sgt. Dahl took over verbals with the subject.

The subject was tased and I went in to the room and grabbed a black handled folding knife, with the blade unfolded and out, from the subject's right hand.

I placed the knife to the side while we detained, handcuffed, the subject. After the subject was taken by AMR, I collect the knife and the Taser cartridges used on the subject and placed them on to property.
